EMPLOYEE PAY FOR UNEXPECTED CLOSINGS
January 10, 2014

The recent closing due to weather brought to our attention that there is no policy to address what compensation, if any, should be made to employees who lost hours they would have otherwise worked. We would like the Board to determine if employees scheduled to work days we were unexpectedly closed—or might be in the future—should be paid for their scheduled hours, or if you would like this situation handled in some other way.
