Writer calls for use of township office for library events

Dear editor,
Recently, the annual "Pinewood Derby" event was held at your library with at least 100 people in attendance. Can you imagine how difficult it would have been to even move around?

There is a lower level in our library that could be used for

events where more room is needed; and it is not being used as it should be. Does this mean that we need to make some changes here? Most certainly.

I hope we can see our way clear to open our hearts and the door to the downstairs to the youth of our community. When we can accomplish this in a

friendly and positive way we can feel that we have been a blessing to our youth. And the ultimate blessing will be upon us for caring.

Can there be any valid reason for not putting this "not often used" area into full use?

Writer supports letter to the editor calling for use of library space

Dear editor,
Kudos to Phyllis Bronson on her letter to the editor in last week's issue of the Clarion, stating her concerns as to why the Union Township

Offices in the lower level of our local library, is used so seldom.

The room is just right for small family gatherings, showers, etc., and could be rented on

occasion. There are so few gathering places in town, the Township Office could be put to good use once in a while.

Ms. Atkin

Wanted to share with you a couple of letters I written to our local newspaper.

Here in our community we're proud of our beautiful new library and so aware of all the hard work done by many people to make it happen.

It does need to be used more for library

Hi there, is there any chance the Coldwater or Quincy Library would provide an art class like they are doing in Sherwood? We enjoy them so much but it's so far to drive. We love that they offer it ongoing and weekly. She's doing great but so much gas! Thanks for considering.

Hi, I'll bring this up at our next managers' meeting, when we all get together to toss around programming ideas. Thanks for the suggestion!

Yours,

John Rucker
