2015 KIDS' PLACE NEWS

“TRAVELING TALES” GOES TO SPAIN

On Saturday, Oct 3, a small group of patrons traveled to Spain through the story of “Ferdinand”. Becky Simonds (CHS Spanish teacher) shared both the language and some of her experiences traveling to Spain. Those in attendance dressed as either matadors or flamenco dancers (flowered hair clips). We had our own version of bull fighting, as well as made a bull in the style of Spanish artist, Miro. We also enjoyed the fresh churros and Spanish chocolate drink, Abuelita. While we had 20 patrons sign up, we only had 8 participants. We plan to repeat this program at the Preschool level on Saturday, November 7. Hopefully we’ll have a full house then!

Glei's & Hoff's Farm Market for reduced prices on pumpkins.
Taylor's Books & More for discounts for the October Reading Program winners!

October 2015 Reading Program is off to a great start with 84 young patrons from ages 2 -18 years of age signed up. We look forward to announcing the results in our November report!

Tween Creations proves a hit!
Kids' Place had 22 people participate in our recent Wednesday night Minecraft creation event. We plan to repeat this popular craft night again. Especially since we've invested in our own Kids' Place irons! Plastic beads and our personal irons....not such a "hot" idea!

"Whoo" are all these babies & tots? Monday Laptime & Wednesday Toddler Tunes.

The Toddlers especially enjoyed a recent visit from Jade, the Therapy Dog.

Another growing group attends our Homeschool Adventures. We currently have twelve families enrolled with a total of 22 students. We've just begun our Road Trip USA unit. We're looking forward to touring the New England states this fall. We'll keep you posted on our adventures!

We're looking forward to more October fun!
