2016 GENERAL FUND BUDGET SUMMARY

The 2016 budget year looks to be a bright one for the Branch District Library. There should be a slight increase in the taxable value of property in Branch County, and the Headlee override will not be affecting our second millage. We are projecting lower Penal Fine revenue, but not drastically so.

Plans for 2016 include a variety of changes to improve library services to our patrons. We will be increasing hours over 2015 levels at all locations, adding credit and debit card services to all locations, upgrading software at all locations, and adding new digital services for at-home use by library patrons. We will also further increase our budget for special events and programming and increase our materials budget at all locations.

These increases will necessitate budgeting expenditures higher than our projected revenue. We will be using our Unassigned Fund Balance to cover the difference.

Notes

- 1. Voter approved millage was 0.7 mills, reduced to 0.605 by the Headlee Rollback.
- 2. All revenue generated from Millage 2 is to be added to the general fund for use by all branches for hours, materials, programming, and other needs.
- 3. Total tax income equals Millage 1 plus Millage 2, all multiplied by 0.9775 to account for typically less than 100% tax collection. Also includes Deliquent Taxes, and Payments in Lieu of Taxes.
- 4. Capital funds are 2/7 of the income from Millage 1, starting in 2015. Breakdown follows on page 6 of this document.
- 5. 2016 State Aid rates are \$0.32479 per capita, twice a year. Our service population is 46,905.
- 6. Penal Fines from both Branch County and Allen Township of Hillsdale County.
- 7. Charges for Services includes income from such places as faxes, exam proctoring, circulation fees from Coldwater Branch, etc.
- 8. Reimbursements come from the Branch County Literacy Council for payroll processing services and from the Woodlands Library Cooperative for our MeLCat delivery.
- 9. Miscellaneous Revenue includes income from such places as lost and damaged book fees, copier and printing income, circulation fees for the 5 smaller branches, Unique Collections, etc.
- Beginning in 2010, Branches may all present a plan by October 1 to transfer up to 80% of the upcoming year's capital funds into the operating budget. See Plan of Service, Section IV for details.
