KIDS' PLACE

JANUARY 2016

Kids' Place

Many of our young patrons stopped by for our day of Christmas Make-it and Take it Craft day! The kids made Scrooge with osage oranges, bead and gingerbread ornaments, paper bells and homemade cards, to name a few!

This event is a yearly tradition that is enjoyed by all!

Planning for the 2016 *Summer Reading Program* has begun. Working cooperatively with the City of Coldwater, we hope to offer a variety of 'fitness themed' reading and physical activity programs both on and off-site this year. Possible programs may include a Jump Roping exhibition, A Juggling program, an exciting, interactive "Drumcommunity" presentation, Yoga instruction and so much more! Stay tuned for more information!

Home School Adventure Group Thursdays at 1:30 pm

Our homeschool kids have been continuing their "Road Trip" Adventure through the New England states; visiting Maine, Vermont, New Hampshire, Massachusetts, Connecticut, and Rhode Island. The students have been doing a great job presenting their state reports and sharing a special dessert to represent the state. For January, this group will be traveling to the Mid Atlantic states on their traveling adventures.

Before Christmas break, each family created a poster to represent the meaning of Christmas at their homes.

Crafty Homeschoolers!
