

Sherwood Branch reports:

- The month of June was great! We kicked off Summer Reading and currently have 42 kids signed up.
- Joel Tacey visited us and did his "Duct tape workshop" on the 21st. Both the kids and adults had a great time!
- We have had so many great prizes donated this year! It's great to see the big smiles on the kids' faces when they see the great things they could win by just reading books! We love books!
- July should be just as exciting with more great programs in the line up! Stay tuned!

Sincerely,

Traci Counterman - Sherwood Branch Manager
