

**Monthly Stats Brief Narrative**

In December 2018, the number of patrons entering our buildings stayed about the same system-wide compared to this month the previous year. Combined physical and digital use of library materials decreased year-to-date compared to 2017. About 9% of our registered cardholders checked out a physical item this past month, while about 2% of registered cardholders checked out a digital item.

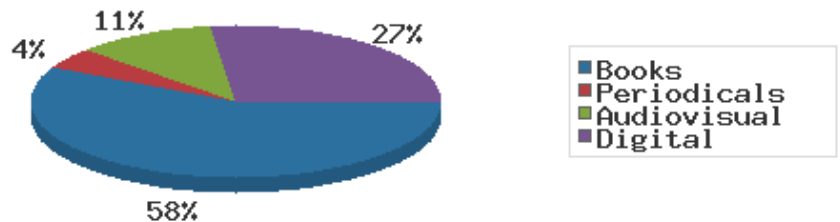

Digital usage comprised about 17% of total materials use in December 2018, and digital usage greatly decreased from this time in 2017.

Digital vs. Physical Circulation

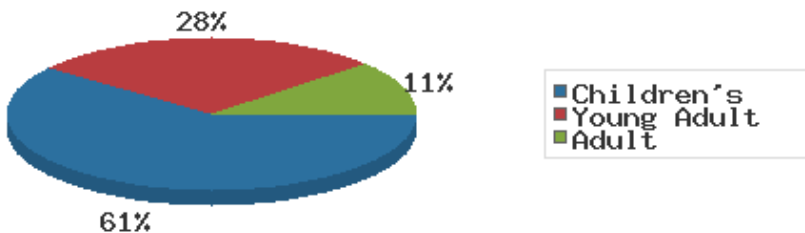

In 2018 BDL spent \$43,798.90 on digital resources and \$118,847.56 on print and audiovisual materials.

Year-to-Date Materials Expenditures

In December 2018, BDL patrons saved \$127,757.40 by checking out 9,702 physical items from the library. Our programming for all ages and our digital services further increase the library's value to the community.

Programs Offered in 2018

Compared to this time in 2017, the number of programs BDL offered year-to-date has somewhat increased. Attendance at programs stayed about the same over this same period.

In 2018, we added Monday hours to 4 branch locations, for a total of 5 branches. Unfortunately, even with this 12% increase in hours open to the public, along with more programs presented, we still had a decrease in people attending the library.

While overall circulation was down, digital usage remained strong with a small portion of our user base providing us with an outsize share of the total circulation. Our Interlibrary loan service also saw double-digit increases for the fourth year in a row.

In-library use of wireless internet and library-provided computers was up slightly. Our free notary, fax, and free prints for job-seekers services all increased by large margins, but these increases didn't translate to more people coming through our doors or increased circulation of library materials.

Note that we have had a reduction in service population. The 2017 US Census Department Estimates (most recent available) are now out showing a total BDL service area population of 44,926. This breaks down to 43,543 for Branch County, and 1,383 for Allen Township of Hillsdale County.
