MILLAGE RATE / L-4029 FORM
July 17, 2020

It's time again to decide what percentage of

It's July, so it's time again for preparing the L-4029 form to report to the county and other entities how much of our millage we want to levy. We are allowed to levy less than the voter-approved amount if we wish.

We are not facing any Headlee reductions, so the maximum we can levy next year is same as this year: 1.1047 mills.

The county reports that the taxable value has increased from \$1.43 billion to \$1.55 billion, resulting in projected tax receipts to the library next year of \$1,708,971, a projected increase of \$70,438 over what we actually received last year.

The Finance Committee recommends levying the maximum allowed millage of 1.1047 mills.

*Under Truth in Taxation, MCL Section 211.24e, the governing body may decide to levy a rate which will not exceed the maximum authorized rate allowed in column 9. A public hearing and determination is required for an operating levy which is larger than the base tax rate but not larger than the rate in column 9.

**** IMPORTANT:** See instructions on the reverse side for the correct method of calculating the millage rate in column (5).
