Branch Manager's Message

Summer is in full swing around the library with children and their families coming and going...and reading!

Preschool children through adults, are enjoying the theme "Libraries Rock!"

Thanks to the Branch

District Library System for budgeting funds for programming for each of our six library branches, we are able to offer great programs throughout the year, but especially some great ones during the summer. Stop in for a flyer at the library or check out the library website under "Event Calendar".

The library will be hosting a Donut Dolly. Joann Puffer Kotcher served with the Red Cross in Korea for 14 months, and in Vietnam for 12 months during the War. Kotcher never thought she would be a part of history, but after a year of teaching boredom, she joined the Red Cross and was sent to Vietnam in the midst of the unpopular war's beginning. The Donut Dollies were unarmed civilians. Kotcher was one of the first women allowed in a war zone. She was once abducted and was almost killed at least 6 times. She is one of the few Donut Dollies to receive the Medal for Civilian Service in Vietnam.

Join us for this amazing program. Kotcher's book "Donut Dolly" will be available and refreshments will be served.

To accommodate 100 available seats, this program will be held at the Union

Library Advisory Board Notes:

A new TV screen, cart and equipment to be used for programs given at the library have all finally arrived and are in working order.

All library staff attended an "Active Shooter" presentation by BDL Board Member, Tom Lowande. Hopefully what was learned won't ever have to be used but we are prepared if so.

Quincy Branch Library will host the July District Board Meeting on August 20, 2018.

A great backer of the library has been the NIKA Club in Quincy and they have done it again! At their recent auction of donated items, "Auctioneer" Jody Willard was able to cajole the members into donating over \$1700 to go to the Quincy library. The members designated this money to be used toward landscaping at the library upon completion of the work being done around the library. As most of you know, the front steps were a work in progress for a long time. The soffit was painted and, in the last month, cement work on the south and west sides of the library was completed, new red brick edging was installed around the gardens and the irrigation repairs needed following the above projects was completed. The wooden area around the basement doorway on the south still needs to be worked on and painted as do the two windows under the front steps. Any money left over from the landscaping needs will be used for programs at the library as were the proceeds from the NIKA bake sale held along with the Friends Book Sale. Never have I seen so many bags of books leave the library. Congrats to all who helped make the book sale so successful.

I would be remiss if I didn't mention all the work Max Stephenson did to try to winter over the hostas and other plants. Some were lost as expected but very few had to be purchased to redo the gardens. Some of you may miss the green, white and red Fallopia plants that used to be in the tall corners beside the steps. Because of their height, fence posts were used to hold the branches up as they began to droop over the other plants. Mothers were afraid children would fall on the posts and injure themselves so they will not be replaced.

The urns were sandblasted and painted and are the finishing touch for the front of the library. Teddy Sinclair sees to planting the urns and Ray and Fran Bregger donated all the bags of mulch needed after two years without replenishing it because of the work to be done around the library. It has all come together thanks to many, many movers and shakers and the wonderful response of the Quincy community in making sure these repairs for this historical building were completed.

**In Loving
Memory**

The Quincy Branch Library has had a memorial program for a number of years which offers individuals the opportunity to give toward book purchases *In Memory of* someone special or *In Honor of* a special occasion.

Checks can be mailed to 11 N. Main Street, Quincy, MI 49082 with information containing the individual's name and who the gift is from. Please provide a name and address of a family member and the library will send a notification card to the family indicating that a gift has been given in their loved one's name.

New books are purchased for the library collection according to need. We gladly welcome subject matters or titles also that reflect the person in whose name the gift is being given. Book plaques are added inside the book front cover before being displayed on library shelves.

Gifts can also be designated to our Project Fund, which is used for library building needs. Previous projects have supported new

Remember! As a service to the community, our library branches offer WiFi to the public 24/7 outside our buildings. Feel free to park in front of the library or sit in the library back yard after hours to use the WiFi service. Connect to Branch District Library

General Telephone Introduces Modern Computer Billing

General Telephone customers in the Coldwater district will be introduced to a modern, computer processed billing format with the August billing, C.J. Medendorp, district manager for the Company, has announced.

The Coldwater district includes the Bronson, Coldwater, Quincy, Reading and Union City exchanges.

'With the recent addition of our new computer at Owosso, we can now offer more complete and more informative billing for our customers' Medendorp said. Customer information, such as long distance call data, will be included on a single bill form rather than on several supplementary sheets, he said.

The new billing process is being introduced to all customers in the 463 Mich-
