COLDWATER ROTARY CLUB
Presents

The poster features three black silhouettes of musicians. On the left, a singer with long, curly hair is shown in profile, holding a microphone to their mouth. On the right, a guitarist stands holding an electric guitar. In the lower center, a drummer is seated behind a drum kit, which includes a bass drum, snare, and cymbals. The text 'ROTARY ROCKS' is superimposed over these figures.

Your lines are your responsibility.

Did you know that you actually own the electric, water and sewer lines inside your home? This means when your lines fail, you are responsible for the cost of repair or replacement, and homeowners insurance typically does not cover the protection of these lines.

Our physicians have a specialty: **YOU**

Over the past year, following a rare cancer diagnosis, our family has had to utilize CHC for various needs - most recently the surgery department.

Everyone we came into contact with was helpful, friendly, and seemed genuinely concerned with the quality of our experience. This community is very fortunate to have CHC.

A fun filled day, ending with a priceless sense of accomplishment, is planned for the young people of our county. We hope you join in the festivities!

INTERACT CLUB of Coldwater High School (www2.coldwaterschools.org/interact)

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

We have also made it a point to invite foreign exchange students into our organization and this year they have played an integral part in making our organization a success. We truly enjoy having them as members.

After this year, we will have given out over \$25,000 in scholarships over the past 19 years to needy students at C.H.S. as well as helping raise money for our local Veterans organization to aid in the buying of a new handicapped accessible van. Interact members raise money through our annual Interact Raffle, as well as providing refreshments for the Rotary Show. Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This year is an exciting year for us. Thanks to a wonderful donation by the Women who Care of Branch County we are inaugurating a fun event for all students in Branch County called the ABC Challenge. The ABC Challenge (Awesome Branch County) is an obstacle course/mud run to be held at the Branch County Fairgrounds on Saturday, June 17. The Clemens Food Group has agreed to be our title sponsor with the Coldwater Noon Rotary Club sponsoring all the events taking place in the Amphitheater at the Fairgrounds. This will be a great fund raiser for our organization and we will be giving back thousands of dollars to local schools as well as other needy organizations in Branch County with the proceeds we raise from our event.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all their help and support. It has also been a pleasure to be a part of this year's Rotary Show. Our club would like to congratulate the Rotarians for a job well done!
