To Those Who Receive This Directory

*Holbrook Heritage Room*

The business men of Coldwater use this opportunity to express to you their appreciation of your patronage and their best wishes to you in the business of agriculture.

Farmers are striving to produce food products as economically and profitably as possible, live happily and provide for their children. The aim of the men of the city is to provide goods and services as completely and cheaply as possible and also to care for their families. Coldwater needs the farmer's food and farmers need the goods in the city stores. COLDWATER IS THE SERVICE CENTER OF SOUTHERN MICHIGAN.

There are other service centers; the single grocery store, the attractive village and its several stores. All have their place. Coldwater's job is to supply goods and varieties which the smaller store is not warranted in carrying and to supply village stores at wholesale as well as parts for replacement, etc.

So, farmer and city folk are not only neighbors, but they are a greater community with mutual business interests.

In this spirit we welcome the opinion of farmers about better business relation, better roads, better marketing facilities or whatever, where we can be of service to our rural friends.

The Coldwater Chamber of Commerce is an institution which has the best interests of the county as well as the city at heart. It is a broad minded organization and is striving to aid the entire community in a betterment of conditions of all kinds.

## Rural Route Directory

---

This new 1927—D. & B. Perfected Rural Route Directory comprising the routes of the Coldwater district, reaching the homes on the rural routes adjacent to Coldwater has been compiled by a personal visit to the several homes estimated at 4000 making this directory available to more than 25,000 urban residents in this district.

This Coldwater District Rural Route Directory is compiled and arranged alphabetically, A to Z—of the persons receiving mail by rural carriers in the Coldwater district, so that any person can be located immediately.

This new information is of appreciative service to all in the rural district to locate others and for the exchange of farm or home commodities.

For the convenience of those desiring direct appeals to homes on rural routes this directory gives immediate information, instead of having to look through the many routes from the several cities and villages of the district.

To find any person, you will locate the letter of their name, and this directory will indicate where they live, and receive their mail.

This Rural Directory of 1927 has been compiled and published under the direction and supervision of a committee selected by the Retail Merchants and Business men of the Coldwater Chamber of Commerce.

## Southern Michigan's Greatest Store

---

Large successful stores don't just happen. This store reached its present size and large volume of business by maintaining an unvarying policy through its 45 years, based on a few sound principals.

A Friendly, Courteous Service and a policy of assuring our customers satisfaction with each purchase.

The newest styles first—we take pride in showing the best styles and novelties immediately after they appear in the largest cities.

Good assortments to select from—a choice of qualities, colors, styles that is seldom available outside the larger cities with their higher price level.

Honest Values Always—our prices are always as low or lower on equal qualities than the 'bargain shouting' store, the chain store, the mail order house, or the peddler, and in addition you are assured of absolute dependability here.

Should you not be receiving our store magazine we would be pleased to send it on request.

# BRANCH COUNTY FARM BUREAU

---

The Branch County Farm Bureau is a co-operative service for the purpose of strengthening the organized farmers through organization and concerted action to secure justice and a square deal for those producing from the soil.

All other lines of endeavor are organized, such as manufacturing, producing, jobbing, and retailing, and have obtained success by working together for a general good and financial gain.

The Branch County Farm Bureau has no selfish ends in view, but acts as headquarters and a clearing house for all problems that have for their purpose the improvement of agricultural conditions in general.

This local organization is one of the eighteen hundred County Farm Bureaus operating in the United States, and with others has gradually developed a co-operation of farmers until Congress and the Nation have come to recognize that this is a force to be considered.

The present legislation proposed at Washington is a recognition that has taken years to develop, and the successful farmer now realizes that in union there is strength, and the producers from the soil must work together to secure results.

Remember, the Branch County Farm Bureau is your organization, regardless of whether you hold a membership or not, and is a part of the American Farm Bureau Federation working for farm betterment.

## How to Send Money

- |                          |                           |
|--------------------------|---------------------------|
| 1—Postoffice money order | 4—Cash by registered mail |
| 2—Express money order    | 5—Personal check          |
| 3—Bank draft             | 6—By telegraph.           |

If you live on a rural route you can give the letter containing your order and money to your carrier and he will buy a money order for you at the postoffice and enclose it in the envelope with your order and mail it. This is a ruling of the Postoffice Department and you are protected by the carrier's receipt which he will give you.

## Cost of Money Orders

1c to \$2.50, 5 cents; \$2.51 to \$5.00, 7 cents; \$5.01 to \$10.00, 10 cents; 10.01 to \$20.00, 12 cents; \$20.01 to \$40.00, 15 cents; \$40.01 to \$60.00, 18 cents; \$60.01 to \$80.00, 20 cents; \$80.01 to \$100.00, 22 cents.

## Insurance on Third and Fourth Class

Up to \$5.00, 5 cents; \$5.01 to \$25.00, 8 cents; \$25.01 to \$50.00, 10 cents; \$50.01 to \$100.00, 25 cents. Return receipt, 3 cents.

## Special Delivery for Parcel Post and Charges for It

If you want the package to be handled the same as first-class mail, you can pay 25 cents extra and it will receive "the same expeditious handling, transportation and delivery accorded to mail matter of the first-class."

## Name and Address

Write your name and return address on your envelope, write your name and address on your orders very plainly. Oftentimes customers print their names. This is a good idea because it is plainer and avoids mistakes in addressing packages or letters.

## How To Return Goods by Parcel Post

If you return goods by Parcel Post, paste an envelope containing your letter and the bills to the outside of the package and put a 2-cent stamp on the envelope in addition to the postage on the package. In this way your letter and the package is received at the same time and can attend to your wishes promptly.

Do not enclose your letter inside the package as this is contrary to postal laws. Postage on packages mailed on a rural route is 2c a package less than if mailed from a postoffice. Put postage according to weight and zone on package and a two-cent stamp on letter. Tie package with strong cord. Do not seal package. Write your name and address on both package and envelope. Paste letter to package under string.

## To Mark the Place with Beauty Forever

GUARDIAN Memorials perpetuate in everlasting beauty the heart's sincere and tender tribute to the lives we loved.

Jones Brothers' Barre Granite from which Guardian Memorials are made will last forever. Inscriptions properly cut will always be clear. This is a granite, even in texture, finely grained with an almost diamond hardness, of a rich gray color that blends with nature's

follage, refined and pleasing in appearance when either tooled or polished.

A Certificate of Security guarantees every Guardian Memorial for all time.

We shall be pleased to show you our display of Guardian Memorials that will mark the place with beauty forever.

## THIS BOOK

Is delivered **FREE OF CHARGE** to all Farm Homes in the Coldwater territory, through the support and co-operation of the Business and Professional Men and Firms of Coldwater and vicinity, who appreciate and solicit your patronage.

The advertising is confined to the business firms in this territory. The publishers have declined much profitable advertising from outside firms desiring to secure trade here, because we believe greater prosperity and growth will obtain to us all through growth, success and prosperity of our own local firms.

From former experiences we realize that outside mail-order firms and others soliciting your patronage to other cities are not the firms who are available with assistance during the days of depression and needs—and do not in any way contribute a cent toward the taxes, schools, parks, public improvements and the better upgrowth of your own cities. You and your own business firms have to do with these improvements alone.

The Classified Index to Advertisers arranged alphabetically will be found in the center of book.
