HISTORY OF COLDWATER

When the first white people came to this vicinity, they found this area inhabited by the fierce and warlike Pottawatomi Indians. Although the old Indian trail between Detroit and Chicago (now US 12) saw great numbers of pioneers passing this way, bound for Illinois and other parts of what was then "the far west", the presence of the roving bands of Pottawatomi Indians deterred many who might otherwise have settled here. The defeat of the British in the War of 1812 and the death of the great Indian leader, Tecumseh, in 1813 caused the Pottawatomi to lose heart and in 1821 Chief Topinabee and his people sold to the whites what is now Branch County and a vast area besides, although they continued to occupy it as before, supposedly on reservations. One of these reservations, six miles square, was in Coldwater and Quincy Townships.

The present city of Coldwater occupies part of what was then a beautiful prairie some three miles long from east to west and two miles wide. It was dotted with oaks, with an occasional elm, but bordering this prairie were magnificent forests of beech, maple, walnut, whitewood, elm and oaks interspersed with many streams and with over a hundred lakes, large and small in what is now Branch County. With 1-69 barrow pits and other private lakes, we now number 200 lakes in the county in 1975.

It was natural therefore that our first white settlers came to trade with the Indians. In 1822 Joseph Godfrey established a trading post near downtown Coldwater and a little later that year one Marantette established another post where Oak Grove Cemetery is now located.

In the year 1829 Branch County was laid out and so named by the Territorial Legislature. It was first attached to Lenawee County and later to St. Joseph. It was named in honor of John Branch of North Carolina who was President Jackson's Secretary of the Navy.

The first log house was erected in 1830 by Hugh Campbell on the present site of the Masonic Temple. In 1831 Allen Tibbitts and Joseph Hanchett platted a village here calling it Lyons. It ran from Jefferson Street to Monroe Street and from Church to Washington Street. In July 1831 Mr. Tibbitts preached the first sermon. There were 50 whites in Branch County at that time. This same year A. F. Bolton erected the first frame building—a hotel—at Masonville. Masonville was a settlement on the east banks of the Coldwater River in the west part of the present city and covered the territory from the river and east to the intersection of West Pearl Street and West Chicago Street. On the strength of this hotel, Masonville was made the County Seat. Masonville did not hold the honor long as the ambitious village of Branch, which was located south of our present airport near the present Black Hawk Mill, won the coveted plum and held the county seat from 1831 to 1842. At the time it became the county seat, it had only one log house—but it had ambitious politicians. The Coldwater Post Office was at Masonville.

In 1832 the first school was started with nine pupils and with Cynthia Gloyd as teacher. The first store was established by Silas Holbrook; the M. E. Church was founded with five members; and the first sawmill was erected at the junction of Davidson and Clay Streets.

In 1833 the name of Lyons was changed to Coldwater, from an old Indian name "Chuck-sey-ya-bish" meaning cold water. Branch County, as such began its separate existence, being previously attached to St. Joseph County and a sheriff, clerk, treasurer and register of deeds (one office) and probate judge was elected by the people.

In 1834 the "old red schoolhouse" was erected at the corner of Pearl and Hudson Streets. Today, the spot is still being occupied by our schools. The area was purchased by the city and now is being prepared for county use where the school stood.

In 1835 Masonville was platted on the east bank of the Coldwater River and again struggled to become the county seat. That year the Baptist Church was organized with sixteen members.

In 1836 the first church was built in Coldwater by the Methodists. The village had twelve houses and was growing. The next year Coldwater was incorporated as a village having a population of 140 people. Dr. Alger, traveling the Chicago Road from Detroit to Chicago, found at this time 33 taverns between Quincy and Sturgis, indicating the tremendous westward immigration through here at this time. 1837 was a terrible year for malarial fever. 32 out of 140 people died that fall. The cause was said to be the Clay Street milldam and the angry citizens, taking the law into their own hands, destroyed it. This year the first newspaper, The Observer, was issued and the Presbyterian Church organized with sixteen members.

It is indeed interesting to note that two things always occur—as a few families settle close together. Schools and churches are the first to be organized. Our ancestors believed as we must—religion and education are the necessary units if we must continue to advance in civilization.

In 1840 the Pottawatomi Indians, except for a few stragglers were removed to the far west. This opened for settlement much of the land of Branch County which had been designated as Indian reservations. It also helped bring in many new settlers who had been deterred by the presence of such a large Indian population in the County. From this date the progress has been steady.

In 1841 Albert Chandler founded the Coldwater Sentinel and in 1842 Coldwater became the permanent County Seat, supplanting the village of Branch and blasting Masonville's hopes.

In 1844 two churches were built—the Baptist Church was built on the north west corner of Monroe and Pearl, and the Presbyterian Church was built on the present site of the new building of today, but was sold in 1858 to the Lutherans who moved it to its present location on S. Jefferson Street.

In 1846 the first jail was erected. Also the voters voted against the sale of liquor.

HISTORY OF COLDWATER-Continued

In 1847 the county voted to build a brick courthouse by a majority of 27. A majority of 27 was the same when the proposition to build the present one carried 40 years later. This one burned down on December 5, 1972 and another new courthouse started construction in the fall of 1974 on the same spot. Also this year the Masonic Lodge was established.

In 1849 the telegraph lines reached Coldwater and St. Charles Catholic Church was founded.

1850 was a banner year for the growing village. The first train arrived and Coldwater was connected directly to the populous East.

For many years Coldwater and Branch County were noted for their horses. The start was made in 1851 when A.C. Fisk purchased Green Mountain Black Hawk for the then enormous price of \$1500. Many people now living can remember the various race tracks in and around Coldwater. Raising and training race horses was a big industry for many years. In 1851 Coldwater boasted 370 houses, but the first of many disastrous fires destroyed eight stores in the business section during the winter.

In 1854 another disastrous fire along Main Street caused the village Board to prohibit the erection of any frame buildings from Clay Street to the parks. This was the first zoning acted upon in the community. The Main Street today, because of this action, is built of brick. Also this year, Oak Grove Cemetery was established, which continues to expand. There had been two earlier cemeteries-one at Masonville, which today is a cultivated field-the other on Morse Street which contains tombstones recording burials from 1835-1857. The present cemetery board maintains this burial ground even though there have been no burials since 1857.

In 1856 because of the many fires the first fire company was organized with Clinton B. Fisk as foreman. Everyone was proud of the "Excelsior" the hand pump that was purchased.

In 1857 the corner stone of the Episcopal Church was laid-it was completed in 1862.

In 1861 Coldwater became an incorporated city. That year Coldwater Leight Artillery-later called the Loomis Battery-left for the war with six brass cannons and 120 men, only 49 of whom returned home three years later. Coldwater, even as her men have done in the years since-paid for her existence with the blood of her youth. Many other Coldwater men enlisted in the 1st Michigan Infantry and the list of casualties were large for such a small town. It is said over 500 men from Coldwater fought in the Civil War. To show how the raising of horses had grown in the county during the war years of 1861-65, over 3,000 horses were brought here for use in the Federal Service.

In 1865 the war ended and the soldiers returned home. That year Coldwater had its first millionaire. S.M. Siely made \$1,500,000 in oil speculations. In July the Coldwater National Bank opened and Coldwater became a money order post office.

The town continued to grow steadily after the war. In 1866 the first hospital was established where the Elks Temple now is located. One hundred new buildings were erected and new industries located here. The industries, at this time, consisted of flour mills, an oil mill, breweries, a wheel barrow factory and many small factories making cigars. By 1870 there were so many cigar makers that a Cigmakers Union was organized and functioned for many years.

In 1870 the Lewis Art Gallery opened. For 25 years until its removal to Ann Arbor this gallery attracted visitors from all parts of the country. Recently the Lewis Collection was returned to Coldwater.

The "Seventies" was a period of railroad building and Coldwater was caught up in the spell. Two roads were chartered-the Mansfield, and Coldwater and Lake Michigan Railroad-and the Coldwater Railroad. Neither railroad was ever completed. The collapse of the Mansfield Railroad cost the investors of this vicinity \$200,000.

In 1876 an interesting item was noted. The English sparrow was introduced by Captain Mansfield and George Firth. Today it is difficult to believe that this "pest" hasn't been here always. In 1800 the first bicycle was brought to Coldwater. 1881 was an exciting year for Coldwater. A series of fires caused suspicion of incendiarism. After an investigation, several firemen who confessed were sentenced and served prison sentences. Chief Drake, after a lengthy and expensive trial, was acquitted. The cause-they needed new equipment.

In 1882 the Bell Telephone began business. In 1886 the Public Library building was dedicated - a gift from the Hon. E.R. Clarke. In 1887 an idea began that has since grown to large proportions and has meant much to Coldwater and Branch County. This was "the-cottage-at-the-lake" idea begun by 10 members of Jacob Commandery at Templar Beach, Morrison Lake. Today the spread of this idea has seen the shores of most of the over 100 lakes in Branch County covered with homes, both year around and summer. Today, the money brought into the county and city each year by the summer visitors make it one of our best industries.

In 1888 a small private company started electric street lighting. Three years later in 1891 they sold their property to the city which has maintained the electric service since that date. In 1890 the first city water system was installed by vote of the people. This system was joined the next year by the light plant and Coldwater was in public utility business to stay.

In 1905 the present city charter became law. It has been revised, added to, etc. by charter amendments many times since that date, but the charter of 1905 is still the basis for the government of Coldwater.

By 1912 Coldwater, a growing city, felt the need of parks and recreational facilities. A park and recreation board was established which today has given Coldwater the splendid parks which are enjoyed so thoroughly.

HISTORY OF COLDWATER-Continued

And so through the years Coldwater has grown steadily at times-by spurts at other times. Slowly, but ever forward toward making it a better place to "live, worship and play." Many men and women have made their contributions-some large, some small, but each his bit-and thus Coldwater today.

In 1960, July 1, Coldwater's Centennial Committee held its initial meeting to start plans for a municipal observance of the historical anniversary in 1961. General Chairman, C.J. Medendorp, presided with 20 members present. July 4, Independence Day was observed in an all day celebration at the 4-H Fairgrounds including fireworks at night, the first since 1933. July 28, 29, 30 first sidewalk sale days held in downtown Coldwater, reported to be a huge success.

1960--Mrs. Edna Wells, owner of the 75 year old S.B. Kitchel Liniment business sold out to James A. Warnhoff and Dr. J.W. Brown of St. Louis, Missouri. Coldwater voters favored expansion of the municipal power plant in preference to purchase 100% power needs from Consumers Power Company. Branch County approved addition to Maple Lawn. C.H. Rump & Sons held "Open House" at their new truck terminal in the Industrial Park. In September, Earl Lynn was honored for 37 years service to the Branch County Circuit Court. Climax Molybdenum announced a major expansion for Coldwater's first shell building in the Industrial Park. On October 3, William's Grain Company had a \$150,000 fire. On November 8, new city charter proposal wins by 183 ballots to become effective January 1, 1961. Kroger Egg Plant on November 16, held ground breaking ceremonies at the Industrial Park. In November a new church was organized, the Reformation Lutheran Church.

1961--Godfrey Collins took up his duties under the city charter as City Manager. The Mayor was Arthur Lyons. On January 7, 1961, the Branch County Abstract Company moved to 13 S. Monroe Street and has been in the Hodgeman family for 56 years. Restoration of Tibbits Theatre was started, and the Old Opera House will again be active. On February 2, 1961, Father Robert M. Mann was instituted as rector of St. Mark's Episcopal Church. In February, Harold J. Smith was appointed to become Coldwater's first Municipal Judge effective in July. On February 20 the first non-partisan primary election was held. Northside storm sewer bonds benefited by the cities "Baa" rating and went for 3.1246% interest rate. Governor Swainson, declared Tuesday, February 28 as Coldwater Centennial Day in honor of the 100th anniversary of Coldwater as an incorporated city. Presentation made to State Senator John P. Smeekens and State Representative Frederic J. Marshall at Lansing.

Michigan State Highway Commissioner John C. Mockie, announced \$17.1 million highway improvements over 5 year program for Branch County. In March J. Ed Uland was appointed manager of the Coldwater Chamber of Commerce, by the Chamber Board of Directors effective in April. Centennial Board of Greater Coldwater approved a 60% cut of Centennial profits or up to \$500.00, and 40% to Student Loan Foundation. Martha Gary, a Senior honor student, tops the National Merit Scholarship in a nation wide contest and is one of 950 winners. In April the new Free Methodist Church on the corner of North Fremont and Parkhurst was dedicated.

April--At City Council meeting April 13th, the Alderman Pillsbury moved that Arthur Lyon be nominated for Mayor of the City of Coldwater to serve to April 9th, 1962. Seconded by Alderman Henderson. Alderman Swanson moved the nominations be closed and that the Clerk be instructed to cast a unanimous ballot for Arthur Lyon as Mayor of the City of Coldwater to serve to April 9th, 1962. Motion carried and Arthur Lyon sworn in as Mayor.

May--On May 1, Michigan Employment Security Commission located their new office at 400 W. Chicago Street. In March the north side storm sewer was started. On May 8th the city treasurer collected \$1,000,000 for the first time in the history of Coldwater. On May 21st, Mayor Exchange was with Mayor Carl Fuehring of Shelby Village. On May 26th, the new State Highway \$120,000 maintenance garage building was dedicated.

June--On June 1, the cities street department garage, formerly used by Quality Springs and Warner Buick, was demolished for additional parking. Michigan Municipal Finance Commission approved \$1,955,000 in revenue bonds to finance expansion of city power plant.

July--July 2-8 was Coldwater Centennial celebration. In July a 14,000 sq. ft. Gamble Store was announced for the Fairfield Plaza Shopping Center.

August--In August A & P signed a lease for a supermarket at 61 W. Pearl Street. Johnson Clothing Store was purchased by Al Rayburn. August 18, St. Paul Lutheran Church celebrated their 100th birthday. On August 25 the city released its first annual prepared report printed and distributed by the Coldwater Reporter.

September--Coldwater Kiwanis Club pledged \$5,000 to the Coldwater Student Loan Foundation. Open House at new Franklin School. Electrical and windstorm damaged 400 shade trees in Coldwater on Saturday night, September 30. Six fire alarms answered and several hundred telephones out of service.

October--7,000 people at Open House of Kroger Egg Plant.

November--Ground breaking ceremonies for No. 1 Shell building 21,600 sq. ft. building on Jay Street.

December--Dedication services for Wesleyan Methodist Church on 25 N. Michigan Avenue. Coldwater Centennial Association announced ending up in the black the cost being \$27,507.14 and receipts \$28,918.49. Checks were given to Student Loan Fund of \$320.00 and \$480.00 to Tibbits Foundation Group. Climax Molybdenum completed over \$1,000,000 expansion.

1962

January--William Wilson elected President of the Chamber of Commerce. Branch County Bank completed two story addition to their home office. Merchants had Midnight Madness Sale from 9:00 P.M. to Midnight on January 18.

Jones Exports and Norman Metal Company.) Western Rubber Company builds a new plant in the Industrial Park. Coldwater continues to grow through the fine cooperation of the Coldwater Industrial Growth, Inc., The Greater Coldwater Area Chamber of Commerce, the Coldwater City Government and the Coldwater Board of Public Utilities.

Mayor William Timm on Mayor Exchange Day of Michigan Week drove to Detroit for the day while Mayor Coleman Young took a tour of Coldwater and a banquet was held in his honor at the new Branch Area Career's Center, sponsored by the Greater Coldwater Chamber of Commerce with our largest turn out for Government Day. The Coldwater Chamber of Commerce also sponsored a two-day seminar at the Senior High School on the subject of "Speak Up For Business", and the American Free Enterprise System. The speakers were: Robert Charles, Lester Wise, Paul Willison, Dr. James Bailey, Al Doerr, Richie Barnes, Ralph LaGro, John Milnes and M.L. Pillsbury. The Branch Area Career's Center was the site for the annual Scholastic Banquet for Junior and Senior students with a 3.0 or better average, with the Greater Coldwater Area Chamber of Commerce sponsoring the event through the Industrial Division. M.L. Pillsbury was toastmaster and William Tracy was the principal speaker. 1974 was an active year for the 4-H Fairground Trailer Rallies. The sponsorship by D.B.A., Fairfield Plaza and the Chamber of Commerce resulted in eight trailer rallies. The annual Chamber sponsored Butler Speedway Race was a successful event on July 27th. The Coldwater Industrial Growth, Inc., raised over \$100,000 to Build Shell #6 which is now in construction and to be completed in 1975. Our financial institutions totaled a very nice increase again in deposits in 1974 and extends the several years of continuous financial growth. K-Mart built a 40,000 sq. ft. store and other commercial buildings were constructed.

1975

President's Ball and Annual Meeting of the Greater Coldwater Area Chamber of Commerce was held on March 1st, honoring the retiring President, Robert Charles. 1975 President is Lester Wise, Vice President is Paul Ruse and Treasurer is George Pierce. Executive Manager M.L. Pillsbury reported an unusually good year in the Coldwater area. 1974 final reports of financial institutions, as a whole, showed increased growth and deposits. This trend has continued for the past several years. Four of our new manufacturers of last year are now in operation. Plastic Tops are completing their new plant on Garfield and will start operations this Spring of 1975. Federal Mogul previously announced termination phase out is effective this year. Other prospective industries have plans for Coldwater plants that will balance out our work force to the extent that it should give us better than state-wide average employment and payrolls.

The completion of a new Courthouse building costing \$2,000,000.00 and dedicated to the citizens of Branch County in 1975.

1976-1977

On Memorial Day of 1976, the new Heritage Recreational Area swimming pool was opened representing a standard Olympic size pool, with \$150,000.00 by public subscription and \$150,000.00 by federal grant. 1977, giving industrial facilities improvement for 1977. The Butters Avenue entrance to the industrial park now has a new bridge over Coldwater River, 52 feet wide and 50 feet long, which improves the entrance and exit to one of the best industrial parks in the state.

Paul Ruse was elected President of the Chamber of Commerce. George Pierce served as President of the Chamber of Commerce in 1977.

1978

1978 proved to be a banner year for the city. Through the cooperation of Mayor Woodward and the city council members, Board of Public Utilities, Coldwater Industrial Growth, Inc. and the Greater Coldwater Area Chamber of Commerce, the city obtained seven new industries in the area. Mr. M.L. Pillsbury, Manager of the Chamber of Commerce and of the Industrial Growth group, also announced building expansion by Amax, Alchem Aluminum, LeRan Copper, Quality Springs Products and Voltek. Merchants, industrialists and retailers enjoyed a good year. The matching beauty of the old and the new library building was completed with the expectation that the old clock from the county courthouse can be restored in an attractive tower to blend with the city-county library so the chimes of the historic clock can be heard on the main street again. McDonald's and Burger Chef restaurants constructed new drive-in windows during the year. Harold Creal of Carriage Inn expanded his facilities to 169 beds and added the mental health facility. The former Buick-Pontiac Agency building was occupied by a Dodge Agency. Attorney Jack Lintner moved into the Chamber Building complex. The new East Wind Apartment buildings held open house. Steven Dutcher held the position of President of the Coldwater Chamber of Commerce.

1979

The Coldwater Industrial Park continued its steady expansion through 1979. Two new warehouses were completed on Jay Street by Jerry and Marcie LaBelle. International Veneering Company's new 70,400 square foot building is nearing completion and anticipates being operational by year end. Wick Homes held an Open House during the fall of 1979 to display their new building expansion. Amax Specialty Metals Corporation completed their ninth expansion of facilities in Industrial Park. Associated Truck Lines has a new truck terminal under construction for local operations, in addition to their present 118 bay interstate terminal. A new Buick-Pontiac building and dealership under the ownership of William Tyson was opened near the east city limits.

Two new recreational-commercial buildings were constructed: the Sauk River Racquetball Club located on West Chicago Street and Butters Avenue, and the skaterink building on South Clay near the city limits. Branch County Bank completed their new branch office on the corner of West Chicago and Butters Avenue. A number of businesses remodeled and expanded existing facilities continuing the restoration and modernization of the commercial district as well as the industrial district.

The Branch County 4-H Fair celebrated their 50th Anniversary in 1979 with the largest displays and entries and with record crowds estimated at 70,000.

Robert Shedd was named President of the Chamber of Commerce, with Jerry Towns as Vice President in 1979.

COLDWATER, MICHIGAN

The city derives its name from the Indian word "Chuck-sey-ya-bish", meaning cold water.

The first inhabitants of the area were the Pottawatomi Indians. Running through their land was the "Chicago Road", which carried many settlers to the West. The presence of these fierce war-like Indians prevented much settlement of the area at first. In 1821 Chief Topinabee sold the vast area of Branch County to the Government. The village then began to grow steadily upon the Indians departure for Kansas in 1840. The growth impetus continued when the railroad arrived here in the 1850's, transporting many emigrants from New York.

The first white settlers here were Abram Bolton and John Morse, who established in 1831 a grand hotel on the "Chicago Road," which was a welcomed sight to the many weary travelers going West. The hotel became as celebrated on the "Chicago Road," as the Palmer in Chicago.

A commission was established to locate the county seat and in 1832 Branch (Near the county airport) was appointed. Branch, having one building at the time, began to grow rapidly. However, its development was short when the legislature in 1842 affixed the county seat at Coldwater.

In the 1850's the big industry in Coldwater was the breeding and training of horses. Over 3000 of these horses were provided for Federal Service during the Civil War.

OUR COMMUNITY

Fascinating, indeed, is the Branch County area, centered around the progressive little city of Coldwater. Although it has just over 10,000 population, it is now known as the fastest growing area in South Central Michigan! Coldwater was incorporated 118 years ago. Over this span of years, it has grown slowly but steadily, and now has accelerating development, offering a desirable economy within environmental control.

Our countryside offers more than 200 beautiful lakes and streams, with picturesque landscape, dotted with residential suburban grandeur, pleasing to the eye.

A good year-round place to live, work and play -- recreational opportunities abound at our many lakes and parks throughout the county. You have a standing invitation to join our many thousands of visitors that view our scenic Branch County all through the four seasons every year.

Here is where sportsmen enjoy great fishing... hunting deer, pheasant, cottontail... where each year there are thousands of out-of-state fishermen who come to our county, the land of hospitality... where resorts and vacation housing facilities are booked, in some cases for several months ahead.

You may be struck with awe on a winter's fresh, crisp, sunny morning after a Michigan snow storm, to behold the white, sparkling beauty of Mother Nature's mark on the trees and rolling hills, or be pleased with a warm summer day, as cool fresh breezes greet you in a shady nook of your favorite lake retreat. All these things are possible in the former land of the Potawatomi Indians where the head waters of the St. Joe Valley forms a river (the Indians called it Chuck-sey-ya-bish) crossing the old Chicago trail near the Indian trading post. We are all proud of this area, today referred to as the "Gem of Michigan".

The beautiful, scenic Coldwater Country Club 18 hole golf course is located on the banks of the historic waterway leading to Lake Michigan. Club officials have been informed by some high ranking professionals that they rate this golf course as one of the best in the Middle West. It is complimented by three other very fine 9-hole courses within a few minutes drive.

It is no wonder that the many new incoming industries and their officials are attracted by the environmental climate that gives their employees a better and more meaningful life. The Coldwater area has about 60 diversified industries that help to give our community a steady and healthy economy. The so-called "slow-down" in the economy turned out to be one of Branch County's best years, with new industries coming into the area. Our six financial institutions increase their deposits annually. New commercial and industrial buildings were under construction within the city limits of Coldwater during the slowdown period and today the construction has continued at a satisfactory pace. The city has one of the few outstate certified Class A Industrial Parks and is growing rapidly, with a shell building program sponsored by the community which has helped in the recognition of our area as the fastest growing area in South Central Michigan.

Our largest employer is the Coldwater Regional Center for Developmental Disabilities, with a year-round employment of over 1,000. Two of our oldest industries, a foundry and a show manufacturer, employ 500 and 200 respectively. Associated Truck Lines have their largest central truck terminal here and there are many small, diversified industries in our city. Our largest industrial employer in Branch County is Acorn Building Components with 900 employees and plants in Coldwater and Quincy.

Social and cultural activities center around Coldwater's historical Tibbits Opera House, built in 1882. Recently, this well-known old building, famous for its near perfect acoustics, has been completely restored through the efforts of a dedicated community, determined to keep alive the traditional high quality and programming of "the finest in the land", the dream of its founder. The interior walls are graced with paintings from the famous "Lewis Art Collection". The Tibbits Foundation sponsors professional summer stock plays, community winter concerts, Branch County Arts Council, Coldwater Community Theatre, civic and service club programs, according to the availability of the theatre. Branch County Historical Society conducts annual tours of some of our beautiful century-old homes as well as other activities at their Wing House Museum.

Some of our local pride must be given to the Health Center of Branch County, as they have recently completed a three-million dollar hospital expansion which gives our area one of the best modern medical facilities in the central west. Also, we have an outstanding Coldwater Community School District, comprised of one senior high, one junior high and eight elementary schools, with the system enrollment of about 4,500 students. In addition, we have a new 85,000 square foot Careers Center where about 200 trades and professions are taught, including adult education. Also, the city has a 100 unit senior citizen apartment building and recently completed a five-year Downtown Urban Renewal plan with many new buildings. Our citizens show additional pride in supporting various denominations of about 60 churches in Branch County where you are welcome as a visitor to attend the church of your choice.

From small acorns come great trees, and in 1888 a small electric light plant was started and today the Coldwater Board of Public Utilities can produce 22,375 KW and the Consumers Power Company 10,000 KW. This company furnishes power and service for most of Branch County outside the city and is available for Coldwater industrial expansion whenever needed. A large new coal power plant is also planned to assure our area ample power for this growing community.

In this day and age of inflation and expansion, it is interesting to note that Branch County tax roll fifty years ago was \$25,289,220.00. Today the state equalization county tax roll is in excess of \$262 Million. Also, it is interesting to know that fifty years ago our most desirable lake lots sold for \$50 to \$100 and today some are in excess of \$20,000. This leads us to believe that an investment in Branch County real estate not only assures the investor good, reasonable security, but an opportunity to live in an area of clean air and water, free of radical violence occurring in our larger cities. We welcome you to come to, and remain in, "the Land of Hospitality".

TIBBITS OPERA HOUSE

The Tibbits Opera House opened in 1882, when Coldwater was still a city with unpaved streets. Because there were no telephones and no automobiles, crowds had to come by carriage and by train, and the only method of advertising the Tibbit's offerings was word-of-mouth.

However, word spread and the excitement was contagious. Coldwater was one of the few places in this nation, then quite young, which had a social and cultural center. It was also the only place that could boast an Opera House "second to none."

The theatre boasted timeless architecture, excellent acoustics, splendid furnishings and only the finest of entertainment. Otis Skinner, John Phillip Sousa and his band, DeWolfe Hopper in "Tang" with comedian Mack Sennett in the chorus, Field's Minstrels, Norman Hackett, Ethel Barrymore, and many, many others played the Tibbits Opera House.

Barton Smith Tibbits built his opera house with wisdom and vision and after his death, Joseph Henning carried on the rich traditions that Tibbits had established. The aim was high, and due to the nature of the house, the enthusiasm of a populace hungry for entertainment, and the foresight and taste of Tibbits and Henning, the theatre was an unqualified success.

Since the early days of the Tibbits, many attractions have been presented. In fact, for a short time, the Opera House was turned into a motion picture theatre, catering principally to the small fry of the community with serials and Saturday afternoon matinees.

Since the theatre reopened in late 1963, since the renovation of the theatre has been undertaken, a great many of the world's most famous theatrical personages have performed for Coldwater.

COLDWATER IS TRULY AN INTERNATIONAL CITY WITH SISTER CITY AND YOUTH FOR UNDERSTANDING PROGRAMS

Coldwater's sister city program with Soltau, West Germany since 1970 continued to grow with 50 Soltau citizens visiting the city during 1978 and 1979. Insa Stoppel, a 23 year old agricultural college student from Soltau, was one of the working visitors on the Remus Rigg farm for three months during the summer of 1979. Insa wanted to learn American farming methods to prepare her for her vocation to become an agronomist in her native Germany. The other visitors came as a group and stayed in homes of Coldwater families as they have done since the program began in 1970. Over 650 persons have exchanged between the two cities since that time.

Coldwater is a member of Sister Cities International and is one of 680 U.S. cities linked with over 900 Sister Cities in 77 countries. Over 60 million Americans live in the U.S. cities involved in the program. George Henderson acts as an SCI Vice President while Casey Medendorp is a State Representative. The local Sister City Committee consists of Mr. & Mrs. George Hosek, chairman; Mr. & Mrs. George Henderson; Mr. & Mrs. Kenneth Miller; Mr. & Mrs. Dennis Holcomb; Mr. & Mrs. Robert Lyman and Mr. & Mrs. Casey Medendorp.

Zwei Monate in Old Germany

Junge Amerikanerin lernte das Leben auf dem Lande kennen

Nindorf (ts) Nach zweimonatigem Aufenthalt in Schleswig-Holstein und Niedersachsen fuhr Laurie Medendorp aus Coldwater im Staate Michigan zurück in die Staaten. Die 16jährige war im Rahmen eines Gastelternabkommens nach Nindorf bei Hohenwestedt gekommen, wo sie bei Landwirt Claus Kuhl ein Zuhause mit gleichaltrigen Kindern fand. Die Kühls hatten sich gemeldet, als im April Gastfamilien für amerikanische Schüler gesucht wurden und konnten schon am 23. Juni Laurie von der Bahn in Neumünster abholen.

The above picture and a feature article appeared in the HOHENSTEDT ZEITUNG (newspaper) at the time of Laurie Medendorp's visit to West Germany during the summer of 1978. Laurie is representative of an increasing number of Coldwater High School students who have become Youth For Understanding (YFU) foreign exchange students thru scholarships provided by the Coldwater Kiwanis Club. Pamela Pierson was a second student awarded a partial scholarship during 1978 and chose to live with a family from Brazil who had two daughters who stayed with her family at different times during the past 5 years.

Tina Kuhl, Laurie's German sister came to Coldwater in 1979 and lived with her family, attended Coldwater High School and was a member of Coldwater High School's award winning band.

Coldwater became fully involved in the YFU program in 1965 and since that time have hosted around 80 students from many foreign countries. Phyllis and Bill McMillan of Coldwater were area representatives for southwestern Michigan for almost all of those years until their retirement in 1979.

Youth For Understanding is a non-profit educational organization which cooperates with and receives a grant from the U.S. Department of State. Youth For Understanding is dedicated to fostering greater international understanding by making it possible to have an overseas living experience. Through the efforts of the Coldwater Kiwanis Club two scholarships to qualified Coldwater High School students have been given yearly since 1971. They have cooperated with YFU and have made it possible for 15 local students to study for one year in a foreign land or go to a foreign country under the YFU summer program. The following Coldwater students have won Kiwanis Scholarships:

Catherine Frohnappfel -Germany	David Martin -South America	Thomas Hale -Germany
David Odren -South America	Craig Ashton -South America	Nancy Price -Germany
Karen Severn -South America	Stephen Bridges -Germany	Janet Wyss -Switzerland
Maggie Mahaffey -Germany	Timothy Meyer -Argentina	Pamela Pierson -South America

COLDWATER HIGH SCHOOL PROFILE

Coldwater High School
275 North Fremont Street
Coldwater, Michigan 49036
Phone: 517-279-9711

Coldwater High School serves a school district of 125 square miles including the city of Coldwater and rural areas of about 18,000 population. The school system includes eight elementary schools, a junior high school and the senior high school.

The High School consists of Grades 10-11-12, with an enrollment of approximately 1,050 students. The total curriculum is comprehensive, with over 100 distinct courses being offered in the main building, while 19 career-oriented (vocational) programs for juniors and seniors are available at the Branch Area Careers Center.

School Day: Six class periods, 55 minutes each, including three-period blocks, a.m. and p.m., for the Careers Center.

Accreditation: North Central Association since 1924 and University of Michigan since 1873.

Curriculum: Most courses are one semester in length with phased, ungraded programs in English and social studies. Traditional-oriented programs exist in languages, mathematics & science. Pre-vocational courses are offered in Grade 10, followed by two year sequences in career programs at the Careers Center. Three-year, traditional college-preparatory sequences are provided.

Extracurricular Activities: Clubs, athletics, intramurals, music, publications, social activities, service groups and student government are broad in scope and meet N.C.A. standards.

Faculty: Fifty-six teachers, counselors and administrators staff the high school. Another 25 staff members serve the Branch Area Careers Center under the sponsorship of the Branch County Intermediate School District.

Guidance: Three full-time counselors.

Graduation Requirements: Fifteen credits, including three units of English, one unit of U.S. history, one unit of mathematics, one-half unit of science, one-half unit of government, one unit of physical education and electives.

Credits earned in Grade 9 (junior high school) appear on transcripts but are not included in the 15 required except to waive specific course requirements (one, English; one, mathematics). Grade point averages and rank in class are based only on full credit courses earned in Grades 10-11-12.

Grouping: Special ability grouping is provided in English, social studies, mathematics and science at accelerated and low ability levels. Such courses are identified by B (basic) or A (accelerated) titles; e.g., Social Studies B (Grade 10), Geometry I-A.

Special Programs: Programs for special needs students include EMI (mentally impaired), LD (learning disability), EI (emotionally impaired) and Orthopedic. A Title I prototype reading program also exists.

18-Coldwater-Quincy General

COLDWATER HIGH SCHOOL PROFILE-Continued

Grading: Regular sections carry the normal A-B-C-D-E distribution of grades. Low ability (basic) sections range at the C-D level and accelerated sections average B grades.

College Recommendation Standards: Applications for most four-year, degree-granting colleges, accompanied by a 2.5 or above GPA and standardized test scores in the upper half (percentiles), will qualify to be recommended without academic reservations. Recommendations for two-year colleges or specialized schools where specific requirements are known will fall within those requirements.

Size of Classes: The 1977 NCA pupil/teacher ratio was 21.3 with a 15/35 range.

Testing:

Internal Standardized:

Iowa Tests of Educational Development Grades 9-11
Otis Mental Ability, Grade 11

External Standardized:

MNSQT, CEEB, ACT

Class of 1977: Three hundred and thirty-five graduates including adults. Approximately forty percent continue post high school, formal education.

Key to Symbols and Titles on Transcripts:

Title B (basic)--low ability level -- (Note Fundamentals and Phase I, also.)

Title A (accelerated)--high ability level

Exponents 1-2-3-4-5 (Citizenship: 1 = outstanding; 5 = detrimental)

Senior Math--integrated, post Algebra II, high level

English--phased (less difficult to more difficult distinguished by course titles), ungraded (open to all grades)

Branch Area Careers Center (BACC): Students are enrolled in two-year programs, Grades 11-12, for three-hour blocks or one-half day. Students thus enrolled earn six credits in the two years and nine credits or more in regular high school classes. Credits are identified by title and as 1.5 units per semester for BACC courses.

PLACES OF INTEREST & FACTS OF BRANCH COUNTY - COLDWATER, MICHIGAN

In 1883 the name of Lyons was changed to Coldwater, from an old Indian name, Chuck-sey-ya-bish, meaning cold spring water. Coldwater was inhabited by the fierce warlike Pottawatomi Indians. In 1821, Chief Topinabee and his people sold to the whites the land that is now Branch County.

Coldwater, the county seat of Branch County, is located at the junction of the old Indian trail to Chicago (US 12 and I-69). The Sauk Trail marker is located 12 miles west of Coldwater.

The Branch County Court House, occupied in 1888, was destroyed by fire in 1972, but many historical materials were saved for display in the new Court House which was erected on the same site in 1976.

Coldwater is noted for its early 19th Century homes, many located on East Chicago Street, and its beautiful shade trees, of which there are some 7,000, mostly stately maples.

The Tibbits Opera House, S. Hanchett Street, opened in September, 1882, has been restored and during the summer season, many fine plays are scheduled. The Tibbits Opera House has the permanent exhibition of the Lewis Art Collection (1750-1800).

The Wing House Museum, 27 S. Jefferson Street, is a fine example of a 2nd Empire home. Built in 1875, it was purchased by the Branch County Historical Society and houses an excellent display of furnishings, art, crafts and tools of the period. Tours are available - 278-2871.

There are 250 lakes, large and small, in Branch County. All are within a 15 minute drive from Coldwater, Michigan. Our county is the heart of Bluegill and Bass fishing.

Ask for the location of Branch County and City of Coldwater parks and recreational spots.

Make the beautiful 15 mile motor boat trip from Quincy to S. Coldwater Lake. Or from Messenger Lake, bordering Coldwater, all the way to River Road bridge for 7 miles of scenic views.

For a pleasant drive, go out to Iyopawa Island and take an East Shore drive on Coldwater Lake to see the sandy shores and swimming beaches.

See Coldwater Country Club's beautiful 18 hole golf course on Narrows Road.

Visit our olympic size swimming pool. It is on Western Avenue, adjacent to 8 tennis courts which are next to our Little League baseball diamonds.

Drive out Western Avenue and see the beautiful new homes continually being built in the north and northwest part of our city.

Drive south on Butters Avenue into the 550 acre Coldwater Industrial Park and see why Coldwater has gradual growth and development.

See Associated Truck Lines largest terminal where 3 million pounds of freight is handled daily from 114 bays, or see Wick Homes with a big back-order of homes keeping them busy, or Midwest Foundry's 500 employees working around the clock, or Acorn Building Components at Coldwater or Quincy with 900 busy employees and many other industries.

Visit the grounds of the Coldwater Regional Center for Developmental Disabilities with buildings where over 1000 employees the year round are responsible for the welfare of the residents there.

Visit our new Court House, the Chamber of Commerce building and others in the downtown urban renewal area, which give a new look to our city. A city which has numerous parades and activities throughout the year. A city which has a recreational program the year around for both young and old. A city which owns its own electric plant, sewer, water and sanitation facilities.

Visit our Branch County 4-H Fairground where large horse shows and trailer rallies are held throughout the summer, and the annual 4-H Fair is held in August.

Try boating or fishing on the Messenger-Hodunk 7-mile lake chain, Messenger, South, Cemetery, North, Randall, Morrison and Craig, with four of the lakes bordering part of the city of Coldwater. The nearby Coldwater Lake chain of ten lakes, 14 miles long, consists of the following lakes with connecting channels; Little Coldwater Lake, Coldwater Lake, East Long Lake, Loon Lake, Wright Lake, Bartholomew Lake, Archer Lake, Middle Lake, Marble Lake and First Lake.

Branch County countryside is attractive in appearance, for it is spotted with good fishing lakes that cause an influx of visitors and vacationers during the summer, which just about doubles our population. "The Land of Hospitality" is the name to remember. We have four seasons of activities that swell the attendance of recreational and sports-minded people, whom we do welcome to our area. Many come, many return, with a surprising number establishing residence in this all around, four-season climate.

QUINCY, MICHIGAN

The area of Quincy was originally heavily timbered in the northern and southern parts. However, the village itself was a prairie of several acres. The soil is of excellent quality which accounted for the fact that it ranked first in farm in Branch County.

Horris Willson was the first settler in the village. In 1830 he purchased 320 acres of land on the old Indian road, later known as the "Chicago Turnpike." Being a carpenter, he built a log house, which was opened as a tavern.

In 1832 James Corbus came to the area to help construct the Bronson Prairie section of the "Chicago Turnpike." He then purchased land in Quincy township and proceeded to build the first frame house in 1834, which he also opened as a tavern. It has been stated that there were thirty-three taverns between Quincy and Sturgis at this time, indicating the tremendous westward migration. Again when the workmen came to construct the Lake Shore Railroad in 1850, the village of Quincy became a beehive of activity.

The tremendous amount of wild game, deer and wild honey which abounded in the area, sustained the new settlers until farming became a major industry here. These valuable assets all contributed to the settling of the present day community of Quincy.

**WE
GO FARTHER
THAN WE HAVE TO--
to be better
by far!**

At The Bank And A Half, we're better than we have to be, so you get more than you expect. We go beyond the ordinary, to perform each of our banking services with an extra touch of personal care. We build money for today and tomorrow. Yet we know that even adding to your earnings is not quite enough. We build lasting ties with our community. And our understanding Bank And A Half people won't take you for granted. We give you a bigger share of banking interest. And invest a far better share of warm, personal interest in you. At The Bank And A Half, we serve you better than we have to... because we're closer to you, by far!

We give you our all... and then some!

THE NATIONAL PARK SYSTEM OF THE UNITED STATES

Source: National Park Service

The National Park System of the United States is administered by the National Park Service, a bureau of the Department of the Interior. Started with the establishment of Yellowstone National Park in 1872, the system includes not only the most extraordinary and

spectacular scenic exhibits in the United States but also a large number of sites distinguished either for their historic or prehistoric importance or scientific interest, or for their superior recreational assets. The number and extent of the various park areas as of 1973 are as follows:

Name and location	Year established	Acreage	Outstanding characteristics
Acadia (Maine)	1919	41,651	Rugged seashore on Mt. Desert Island and adjacent mainland

STREET GUIDE

In the following list the streets are arranged in alphabetical order with the intersecting streets being shown. The number of each building on the street is given in numerical order and opposite the number is placed the names of the occupants followed by the complete telephone number. All the Quincy telephone numbers are preceded by the prefix 639.

The symbol -H indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished nor the complete absence of mistakes, no responsibility for errors can be assumed, nor can the publisher furnish further information than that shown.

Note the letter and number below the street name; this is the map key and is used to locate the street on the city map.

The zip code for Quincy is 49082.
