INTERACT CLUB of Coldwater High School

In May of 1991, a new service oriented club sponsored by the Coldwater Rotary Club was established at Coldwater High School. This club, known as the Interact Club, has a twofold purpose: 1) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in.

Regarding community service, we are participating in the State's Adopt-A-Highway Program, cleaning up a section of I-69. All Interact members are involved in a tutoring program at either Edison or Jefferson school each Tuesday and Thursday. We organized this year's Christmas in Coldwater food drive in the High School and in the last four years over 12,000 lbs., of food has been brought in by Coldwater High School students. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon; we purchase Christmas gifts for needy children, provide turkeys for Hospice families at Thanksgiving, and have raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. This year we will be one of the sponsors of the Branch County Hospice Duck Race. At C.H.S. we have given out over $3,000 in scholarships over the past 5 years and the "Cardinal" on center court of the new gymnasium was Interact's contribution to our new school.

One of the truly great projects that we initiated when we started as a club was to invite all the new Exchange Students to be a part of our organization. This has given many of them more of an opportunity to interact with American students as well as expanding their circle of friends considerably. This helps to give them more activities to participate in while they are here in this country.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all there help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
