INTERACT CLUB of Coldwater High School

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

Regarding community service, we have participated in the State's Adopt-A-Highway Program, cleaning up a section of I-69. Many Interact members are involved in an after-school tutoring program at Legg Middle school each Tuesday and Thursday. Over 1/3 of our members are also involved in a mentoring program at Legg Middle School and Edison Elementary. We organized this past year's Christmas in Coldwater food drive in the High School and over the last seven years over 17,000 lbs., of food has been brought in by Coldwater High School students. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon; we purchase Christmas gifts for needy children, provide turkeys for Hospice families at Thanksgiving, and have raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are a sponsor of the Greater Hospice Duck Race and also contribute each year to Branch County's Walk for Warmth. Over 45 Interact members helped in the construction of Kid's Kingdom and the geography and mathematical designs painted on the playgrounds of Edison and Jefferson schools were done by Interactors.

At C.H.S. we have given out over $5,000 in scholarships over the past 7 years to needy students, helped to purchase the new sound system for Cardinal Field, and the "Cardinal" on center court of the new gymnasium was Interact's contribution to our school. Interact members work concession stands and put on dances to help raise the money needed to fund our various activities

One of the truly great projects that we initiated when we started as a club was to invite all the new Exchange Students to be a part of our organization. This has given many of them more of an opportunity to interact with American students as well as expanding their circle of friends considerably. This helps to give them more activities to participate in while they are here in this country.

Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all there help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
