### ***Read what our guests are saying about us!***

I recently had a total knee replacement and I had decided I would like to go to a sub-acute rehab facility for my therapy. The social worker made the arrangements and found there was a room available at The Laurels of Coldwater. I was pleased as it was close to home so my husband wouldn't have far to drive to visit me.

I had heard very good reports about their rehab facility and how caring their therapists were. Well I can tell you first hand that everything I had heard was true. My room was great, the food was good, and the service and care I received from the nurses and aides was the best. No complaints there!

Therapy - my first day I was a little apprehensive about anyone touching my knee so soon after surgery, only the 4th day after! My fears were needless. My therapist (Maria) was so gentle with my knee yet she was able to get me to move and exercise that knee without all the pain I was expecting. Sure, there was some discomfort, but nothing like I had expected!

I observed the other patients with their therapists and I was so impressed how each one took the time to help their patients and also the patience they had with each person. It was a homey atmosphere, lots of laughter, getting to know one another, etc.

Maria would explain everything that she was doing and what the results would be when we were finished with therapy. I would say to her when I was ready to be taken back to my room, "Well, what exercise are you going to kill me with tomorrow!" She would always answer, "I only kill you with love so that you'll walk normal again." She was so funny!

After two weeks I was discharged to my home, but I continued my outpatient therapy at The Laurels for the next two weeks. The total time from surgery to being on my own was four weeks. I highly recommend The Laurels of Coldwater, my experience was very positive.

## INTERACT CLUB of Coldwater High School ([www2.coldwaterschools.org/interact](http://www2.coldwaterschools.org/interact))

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple; 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, a number of our members have been helping with tutoring programs at various schools in the Coldwater district. In conjunction with the Food Pantry we organized this past year's Christmas in Branch Country food drive in the high school and this year the school contributed 2,478 lbs. of food to the Food Pantry to help needy families in Branch County. We "adopted" four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are an original sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, and over 45 Interact members helped in the construction of Kid's Kingdom some years ago. Each year we take on a Major Club Project with this year's goal to completely redo the Memorial Courtyard at Coldwater High School.

We have also made it a point to invite foreign exchange students into our organization and this year they have played an integral part in making our organization a success. We truly enjoy having them as members.

After this year, we will have given out over \$21,000 in scholarships over the past 17 years to needy students at C.H.S. as well as helping raise money for our local Veterans organization to aid in the buying of a new handicapped accessible van. Interact members raise money through our annual Interact Raffle, as well as providing refreshments for the Rotary Show. Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all their help and support. It has also been a pleasure to be a part of this year's Rotary Show. Our club would like to congratulate the Rotarians for a job well done!

**INTERESTING STORY:**

*In 1965 Jerry and Mary Ann were on their way to Tallahassee, Florida for their honeymoon. In route, they were driving through Montgomery Alabama, at the time of Dr. Martin Luther King's Freedom March from Selma to Montgomery. Jerry was a social worker in Benton Harbor, Michigan at the time. Jerry got into "heated discussions" on his CB radio with segregationists, until Mary Ann worried (they) might trace the signal or something. Jerry agreed and tuned the CB off and sped up a bit (a lot).*

### **1 - ROCK AROUND THE CLOCK** *Bill Haley And His Comets*

Bill Haley was born in Highland Park, Michigan. Rock around the Clock became the first rock and roll song ever to reach # 1 in the summer of 1955. "Rock Around The Clock" also had the distinction of becoming a Top 40 hit again in 1974 due to its use as the original opening theme of the TV show Happy Days. In 1957, Haley and the Comets became the first American rock and roll act to tour England. Bill Haley was even more popular in Great Britain than in the United States, and "Rock Around The Clock" re-entered the British charts seven times from 1955 through 1974.

### **2 - RUNAWAY** *Del Shannon*

Del's biggest hit was the result of a jam with keyboard player Max Crook at the Hi-Lo nightclub in Battle Creek, Michigan. The chord changes were loosely based on a song called "Kaw-Liga", written by Hank Williams - one of Del's early influences when he was growing up in Coopersville, Michigan. Runaway has been recorded by numerous artists over the years including the Small Faces, Bonnie Raitt, the Shirelles, and Elvis Presley.

### **1 - I JUST WANT TO CELEBRATE** *Rare Earth*

The group formed in 1960 as The Sunliners and changed its name to Rare Earth in 1968. The group was signed to Motown in 1969. The band was one of the first acts signed to a new Motown imprint that would be dedicated to white rock acts. The record company did not have a name for the new label yet and the band jokingly suggested Motown call the label "Rare Earth." To the band's surprise, Motown decided to do just that. Rare Earth enjoyed a major hit in I Just Want To Celebrate in 1971.

After changing their name to Frijid Pink, the band signed with Parrot Records in 1969. Following the release of two singles that were minor regional hits, Parrot put out "House Of The Rising Sun" as a single on the advice of Paul Cannon, program director of Detroit's powerful radio station WKNR.

It even crossed over to country music radio, giving Kid Rock his first top-ten country hit.

### **1 - HOTEL CALIFORNIA *The Eagles***

I will bet you are wondering, what do the Eagles have to do with Michigan? Glenn Frey co-founder of the Eagles was born in Royal Oak, Michigan. He studied the keyboards with concert pianist John Harrison and became part of the mid-1960s Detroit rock scene. His first professional recording experience, at age 19, was performing acoustic guitar and background vocals on Bob Seger's single, "Ramblin' Gamblin' Man" in 1968. Frey and Seger remained good friends and occasional songwriting partners. Frey met drummer Don Henley in 1970, when Linda Ronstadt needed a backup band for a single gig, she hired Glenn Frey, Don Henley, on the advice of her boyfriend. Frey and Henley later joined Linda Ronstadt's backup band for her summer tour in 1971. After the tour Glenn Frey and Don Henley formed Eagles, with Frey playing the guitar and keyboards and Henley playing drums. The band went on to become one of the world's best-selling bands of all time. Frey wrote or co-wrote (often with Henley) many of the group's songs, and sang the lead vocals on a number of Eagles hits
