## COLDWATER ROTARY CLUB MEETING - JANUARY 8, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

**THIS WEEK'S PROGRAM:** Larry Parks presents our own Barry Case. Barry will be presenting a really exciting program on Tax Laws for 1991.

**THIS WEEK'S GREETERS:** Les Wise and Larry Iveson.

**NEXT WEEK'S GREETERS:** Ray Cardenas and Greg Brayton.

**NEXT WEEK'S PROGRAM:** Jerry Perry presents, Jerry's School of Dance.

**BIRTHDAY GREETINGS TO:** Dwight Woodman, Chuck Bacon and Bill Nettleman.

**NOTES ON LAST WEEK'S PROGRAM:** Thanks to everyone involved in the Christmas party. I understand that after Santa's visit one of the little girls was asked if she was going to open her present. Her reply was, "No, I'm going to put it under the tree at home, It's the only thing that will be there for me."

Gill Patton is home recovering from surgery for an aneurysm. Please keep gill in your thoughts as he and his family recover from a difficult holiday season.

**SHOW PRACTICE:** Upstairs tonight and next Monday. Please plan on attending, we need bodies to fill the space on stage. (This year's show will be lip sync'ed so you don't need to sing.)

Don't forget to turn in your advertising money.

Brian

## COLDWATER ROTARY CLUB MEETING - JANUARY 15, 1991

GOOD MORNING ROTARIANS AND GUESTS!

**THIS WEEK'S PROGRAM:** Jerry Perry presents Dr. Bruce Young. Bruce will be educating us on Glaucoma. A disease caused by trying to sing while hopelessly inebriated.

**THIS WEEK'S GREETERS:** Ray Cardenas and Greg Brayton.

**NEXT WEEK'S GREETERS:** Bill Tracy and Denny Boester.

**NEXT WEEK'S PROGRAM:** Mark Putnam presents?

**BIRTHDAY GREETINGS TO:** Nobody.

**NOTES ON LAST WEEK'S PROGRAM:** Thanks to Larry and Barry for presenting last week's insomnia cure. I've been sleeping much better since I found out that the tax on furs over \$10,000 is only on the portion over \$10,000.

Please turn in your advertising as soon as possible. I will be misspelling the names of everyone who has not turned theirs in as of next week.

Terry O'Connell-Parkside  
picks:

Aloha	W	Arizona vs. Syracuse	Gator	R	Michigan vs. Mississippi
Liberty	W	Air Force vs. Ohio State	Hall of Fame	W	Clemson vs. Illinois
All American	W	North Carolina vs. So. Miss.	Cotton		Texas vs. Miami
Freedom	W	Colorado St. vs. Oregon	Florida Citrus	W	Georgia Tech vs. Nebraska
Peach		Indiana vs. Auburn	Fiesta	W	Louisville vs. Alabama
Holiday		BYU vs. Texas A&M	Rose	R	Iowa vs. Washington
Blockbuster	W	Florida St. vs. Penn St.	Orange	W	Colorado vs. Notre Dame
John Hancock	W	Michigan St. vs. USC	Sugar	R	Tennessee vs. Virginia
Copper		Wyoming vs. California			

Let's all hope that Terry O'Connell is better at dispensing pills than his Bowl predictions that appeared in the Reporter. Seems as though Terry was right on just five of the seventeen Bowl games he attempted to tell us the winner. He even predicted that USC would conquer our beloved MSU.

## COLDWATER ROTARY CLUB MEETING - JANUARY 29, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Bob Redman presents Golf Course Etiquette, "My Way".

THIS WEEK'S GREETERS: Bob Loose and Al Nelson.

NEXT WEEK'S GREETERS: Mike Ridenour and Hal Sexton.

BIRTHDAY GREETINGS TO: Denny Boester, Al Nelson and Bob Loose.

NEXT WEEK'S PROGRAM: Terry Reen presents, School System Etiquette, "My Way".

SPECIAL NEWS BULLETIN: Rotary News Reporter, Arnes Dufozio reports from the scene of, "Icegate 1991" (that's frozen Watergate). There seems to be a few gross improprieties occurring within the lower echelon of our Club. Last week the sergeants took the occasion to fine several of our members for having large noses while they chose to totally ignore the television and news paper coverage of the Nettleman ice cutting party. When asked about this apparent demonstration of favoritism two of our sergeants made reference to having, "Nothing against a man who supplies us with a whole year's worth of free ice for our drinks."

When confronted about this, Dr. Nettleman replied, "I've seen those two drink and Lake Vincent doesn't have that much ice".

Show advertising is due next week!

## COLDWATER ROTARY CLUB MEETING - FEBRUARY 5, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

**THIS WEEK'S PROGRAM:** Terry Reen presents, "How to Make the Program Chairman Really Sweat".

**THIS WEEK'S GREETERS:** Mike Ridenour and Hal Sexton.

**NEXT WEEK'S GREETERS:** Fred Culy and Dick White.

**BIRTHDAY GREETINGS TO:** Al Nelson, Mike Ridenour, Hal Sexton, Fred Culy, Dick White and Jerry Yoder.

**NEXT WEEK'S PROGRAM:** Mike Ridenour presents an overview of small business assistance programs.

**NOTES ON LAST WEEK'S PROGRAM:** Thanks to Bob and Joyce for explaining the current situation at the prison. The actual results of the budget cuts are now in. The State agreed to fund the prisons from the rainy day fund at a level which resulted in only 29 local layoffs rather than the projected 127.

Show practice tonight at 7:30 p.m. here and Thursday at the Country Club at 7:30 p.m. Now's the time to sell your words, learn your advertising, and turn in your tickets. (or was that learn your tickets?).

Have a good week.

Brian

## COLDWATER ROTARY CLUB MEETING - FEBRUARY 26, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: After Sunday's practice I wonder if we should have been practicing since last June. Anyway, five more days and we should have it down pat.

THIS WEEK'S GREETERS: Jim Lyon and Gary Howe.

NEXT WEEK'S GREETERS: Jim Troust and Howard Teeter.

BIRTHDAY GREETINGS TO: Chuck Tuschling.

NEXT WEEK'S PROGRAM: Dave Rubley presents Richard Eberline from the Hillsdale College. He will be talking about Baltic states and their quest for freedom.

NOTES OF LAST WEEK'S PROGRAM: Thanks to Lynn Fitzgerald and the Kalamazoo Air History Museum. As always, we enjoyed learning about the old war planes.

MEMBERSHIP NOTES: Bill Milnes has become Senior Active, opening his classification Office Management.

Ken Klein has requested his classification be changed to Real Estate Management, opening his past classification of Glass Specialties.

The chorus looked pretty skinny on Sunday. Either everyone has to gain twenty pounds or we need ten more bodies.

Brian

## COLDWATER ROTARY CLUB MEEETING MARCH 12, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

**THIS WEEK'S PROGRAM:** John Dygert will present a representative from the Michigan Community Foundation Association.

**THIS WEEK'S GREETERS:** Jack Faulkner and Chuck Tuschling.

**NEXT WEEK'S GREETERS:** Ray Fast and Chuck Young.

**BIRTHDAY GREETINGS TO:** Chuck Young.

**NEXT WEEK'S PROGRAM:** Chuck Woodward presents?

**NOTES ON LAST WEEK'S PROGRAM:** Thanks to Dave Rubley and Richard Eberling for last week's program. I think everyone stayed awake and listened to that one.

**GENTLEMEN:** Please accept my heartfelt thanks for an exemplary job in the 1991 Rotary show!

I have been accepting, IN YOUR NAMES, congratulations at every turn for how good you looked in the chorus numbers. You appeared to the audience to know all the words to all the songs, and to be enjoying yourselves throughout the songs. (Again we are reminded that in theatre it's always this appearance that counts!)

If you were a soloist, I probably remembered to compliment you on a job well done, but did I mention to Jerry Yoder ("Sign here, date here, sign here, date here...") or to Sel Pearson ("Don't trip on this cord...") or Rick Roper ("I might as well have stuck them up my...") or to Gary hart ("Let me just read these 278 names quickly") how nice a job they did? One of the disadvantages of being the musical director lies in my not being able to make as many individual observations as I'd like.

In any case, it was a pleasure to act as your director, and I'll continue to accept compliments in your behalf, pretending to be the one responsible for your efforts! Thanks again.....John Shea

## COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE

Our local Rotary Foundation now has the special designation of a Community Foundation. This gives us the opportunity for significant impact in meeting our Rotary ideal of service. Today's program speaker, Kathryn Ann Agard, Program Director of Michigan Foundation, will inspire us on how this can be done. Promotion and progress of our efforts will be covered in the Rotary Reflector from now on.

Brian

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Chuck Woodward presents, "High on Battle Creek".

THIS WEEK'S GREETERS: Ray Fast and Chuck Young.

NEXT WEEK'S GREETERS: Duke Davidson and Bill Milnes.

BIRTHDAY GREETINGS TO: Duke Davidson, Bill Milnes, Terry Reen and John Hutchinson.

NEXT WEEK'S PROGRAM: Brian Sexton presents Jim Gorden. Jim will be giving a program on personal finance.

NOTES ON LAST WEEK'S PROGRAM: One million dollars got everyone's attention.

However, I understand that the check was made out to Steve Glover personally and he refused to cash it. (He claims he changed his name to Steve Rite Aid.)

The MEMBERSHIP COMMITTEE has proposed Warren J. Cook for membership in the Economic Development classification. Anyone having objections must make them in writing to the Club secretary within 10 days.

### COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE

Since the establishment of our local foundation in 1985, we have made attempts to encourage every Coldwater Rotary member to become a "Foundation Fellow" by donating \$1,000 to build up the foundation principal. This can be done in one donation of \$1,000 or over 10 years at \$100 a year. At this time we have about 40 participants out of a club of about 100 members. If you are not one, you may join by filling out one of the applications available at the check-in table.

Starting today, on a rotation basis, designated Foundation participants will be allowed to pass on any fines for the day.

Foundation members who may pass on fines today: Dave Rubley and Howard Teeter

## COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE

Should our Rotary Club promote a community foundation through which we would be a donor?

Community Foundations are supported by the public. Their strength lies in their flexibility, which allows them to support progressive ideas and programs that address changing community needs.

Community Foundations are directed by a volunteer group of local citizens, selected for their knowledge of, and personal involvement in the communities that they serve. The foundations always seek to blend local traditions with current requirements in the grantmaking process, while remaining faithful to the written intent of donors who have detailed specific goals for their gifts.

Foundation members who may pass on fines today: Duke Davidson and Lester Wise.

Brian

## COLDWATER ROTARY CLUB MEETING - April 30, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Howard Taylor presents Dick Garn. Dick will give us an update on the Oldsmobile Golf Scramble.

THIS WEEK'S GREETERS: Gerald Boguth and Dave Rubley.

NEXT WEEK'S GREETERS: Jim Olmsted and Paul Ruse.

BIRTHDAY GREETING TO: Walt Balcom and Gerald Boguth.

NEXT WEEK'S PROGRAM: Bill Tracy presents?

NOTES ON LAST WEEK'S PROGRAM: Thanks to Brother Tom for presenting last week's program. Somehow it's a sad testimonial that as a society we continue to produce that many children who end up in a reform school.

PAUL HARRIS NIGHT is May 14 - no noon meeting that day.

### COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE

The Community Foundation tax credit is separate from, and not reduced by, the existing credits for contributions to Michigan public broadcasting stations, Michigan colleges and universities, and in-state public libraries, museums, municipalities, and other authorized recipients. Our Rotary Foundation can become a Directed Endowment within the Community Foundation - thereby retaining control over the use of the funds and yet having much greater tax advantages for donors.

Foundation members who may pass on fines today:

Chuck Bacon and Chuck Tuschling

Brian

## COLDWATER ROTARY CLUB MEETING - MAY 7, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Bill Tracy presents?

THIS WEEK'S GREETERS: Jim Olmsted and Paul Ruse.

NEXT WEEK'S GREETERS: Dick Biringer and John T. Dean.

BIRTHDAY GREETINGS TO: Dave Rubley

NEXT WEEK'S PROGRAM: Jim Troust presents?

### COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE

The Community Foundation concept is as ingenious as it is simple - a means by which a substantial amount of money can be built over time from contributions both large and small - the income from which is used to meet the community's charitable needs.

Foundation members who may pass on fines today:

Pat Albright and Jerry Towns

The ROTARIES roared in their opener with an 18 - 6 rout of Material Handling -- Dave Robey had four hits - Barry Case had a chance to go 4 for 4 but speedy Ken Klein was a tad late going from 2nd to 3rd for a force out -- our two rookies, Tim Hart, who someday will become a Rotarian, and Dave Sattler were outstanding. Hooter Dave hit one over the fence for a 3 run homer and Timba Tim was magnificent at 2nd base. Hooter Dave also had to relieve Gary Lee Hart to close out the game in the 6th for first ever Rotary team save.

PLAYER	AB	HITS	AVE	PLAYER	AB	HITS	AVE

## COLDWATER ROTARY CLUB MEETING June 4, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Gary Werkman presents?

THIS WEEK'S GREETERS: Jim Grohalski and Jim Hiscock.

NEXT WEEK'S GREETERS: Larry Woodhams and Craig Sebald.

BIRTHDAY GREETINGS TO: Nobody

NEXT WEEK'S PROGRAM: Jim Whelan presents?

The MEMBERSHIP COMMITTEE has submitted Bruce Reed for membership in the Fire Retardant classification. Any objections must be made in writing to the secretary within 10 days.

SPARKY SAYS: 5-0, 5-0, 5-0!! The boys in pink are unreal -- defeating two unbeaten teams back to back to take over 1st place all alone -- Wednesday night we took to the overconfident Long Branch Saloon 14-4 in just 4-1/2 innings and coming back Thursday to take out Midway Lanes 9-3. Gary Lee Hart was outstanding on the mound only giving up 7 runs in the two games. Del's husband Dave, along with going 4 for 5 was outstanding in the outfield and Dr. Ron seems out of his slump. Dave "Hooter" Sattler, although doing nothing out of the ordinary in the outfield was OK at bat going 5 for 5 but only hitting 2 over the fence.

## COLDWATER ROTARY CLUB MEETING - JUNE 18, 1991

GOOD AFTERNOON ROTARIANS AND GUESTS!

THIS WEEK'S PROGRAM: Dick White presents a very interesting program which will have something to do with Michigan State or toilets.

THIS WEEK'S GREETERS: Norb Strobel and Rick Roper.

NEXT WEEK'S GREETERS: John Pierson and Howard Taylor.

BIRTHDAY GREETINGS TO: Larry Woodhams and Warren Cook.

NEXT WEEK'S ROOKIES: John C. Dean and Dave Hoppe.

NEXT WEEK'S PROGRAM: Is under the direction of Larry Woodhams.

Paul Ruse has humbly agreed to live in weather-wretched Hawaiian Islands for possibly a year while working at a Billy Graham owned radio station, KAIM. Paul is assisting in relocating the station transmitting tower and other upgrading of equipment. Perhaps Paul could provide a program sometime next year about his work and how tough sea breezes and sun can be.

## COLDWATER ROTARY CLUB MEETING - JUNE 25, 1991

THIS WEEK'S PROGRAM: Larry Woodhams presents.

THIS WEEK'S GREETERS: John Pierson and Howard Taylor.

NEXT WEEK'S GREETERS: Jim Whelan and Barry Case.

BIRTHDAY GREETINGS TO: Craig Sebald, Norb Stobel, Gil Patton and Mike Galliers.

NEXT WEEK'S ROOKIES: Dave Hoppe and Bill Stewart.

NEXT WEEK'S PROGRAM: ?

COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE - We appreciate the input and concerns expressed by those club members skeptical about channeling our local Rotary Foundation endowment fund through a Community Foundation. As a result, we are being very careful to make sure the following provisions would apply in such a move:

1. Our Rotary Endowment to the Community Foundation would be "directed" to insure that the principle would not be spent and that the earnings used only for purposes specified by our club. Your foundation fellow checks would be made out to "Branch County Community Foundation -- Coldwater Rotary Endowment."
2. In the event that the Community Foundation should cease to function, there will be a reversion clause in the by-laws and our donor agreement that the total endowment fund would be returned to our local club foundation.
3. Our local club foundation will continue to function to (A) Direct the use of our endowment earnings within the Community Foundation, (B) Continue to administer Rotary show proceeds and fine money for tax advantages, (C) To be in place to receive back the endowment if necessary and, (D) To receive and utilize any donations specified to remain in our local club foundation.

We still feel that the advantages of supporting a Community Foundation far exceed any disadvantages, which are:

1. Greater community involvement, earnings and impact.
2. Michigan tax credits for donors.
3. Availability of grants.

Foundation members who may pass on fines today: Ron Gibson and Dick Moore.

8-0 --8-0 --8-0!!!

The Pinks, after a very shakey start, defeated the Material Handling Flat Belly's for the second time this year 16-6. The early inning jitters was prompted by the game being video taped by Q-1 video which put us behind 6-3 after two, but an eight run 3rd put it away - Greg - Timmy - Hooter and Hobey were 10 for 11. Hooter Sattler pitched to get his first win as a Pinky. Gary Lee pitched 2 scoreless innings of relief to gain his first save of the season. Next **Wednesday 6 p.m.** Plante Moran - no tee times after 1 p.m. We had the biggest crowd, both at the game and Omar's this year - we appreciate it. Fan of the week - Hobey's pal Dawn for letting him have a "stogy". Sparky III

### COLDWATER ROTARY COMMUNITY FOUNDATION COVERAGE:

Your Rotary Foundation Board attended the Kellogg Foundation Grant meeting in Battle Creek last Friday. In summary, we found out that if we form an approved Branch County Community Foundation, the Kellogg Foundation will provide \$1 for every \$2 that we generate locally for permanent unrestricted or field of interest (i.e. Arts, Health, etc.) endowments. The only restriction on the Kellogg Endowment portion is that the income must be used for youth projects and have young people on an advisory committee. Our county could qualify over a 5 year period for up to \$1,000,000.00 of Kellogg grants if we could come up with \$2,000,000.00 locally. That's why it is known as a challenge grant. Shall we take the challenge?

Foundation members who my pass on fines today: Jeff Dean and Terry O'Connell

### LOCAL SPORTS:

The Rotaries are undefeated entering the month of July. The game was postponed until Monday July 15th at 8 p.m. at Jefferson Field. The reason for the cancellation was due to the fact that Buzz G., Carroll B. and Howard T. were coming to the after game party at Dr. Dave's and he had to order more Budweiser and the distributor was out.

EDITORIAL COMMENTS: Early Leavers is designed for those times when you absolutely have to leave early. It is not to be used regularly. A large number of early leavers is an insult the the Rotarians who have worked to get a quality program. It also insults the local club officers and the guest speaker. Lets stay the extra 30 minutes and support Rotary in proper fashion.

## COLDWATER ROTARY CLUB MEETING - JULY 16, 1991

**THIS WEEK'S PROGRAM:** Warren Cook presents Greg Bruder and the current investment outlook.

**THIS WEEK'S GREETERS:** Steve Glover and Fred Anderson

**NEXT WEEK'S GREETERS:** Greg Brayton and John Klein

**BIRTHDAY GREETING TO:** Jim Whelan, Barry Case, Don Herbert and Steve Glover

**NEXT WEEK'S ROOKIES:** Paul Fuhrman and Steve Kasperski

**NEXT WEEK'S PROGRAM:** Mark Putnam will introduce Jim Walczak, General Manager of Kellogg's Arena.

**FUTURE PROGRAMS:** Don't forget Dr. Bacon's surprise mystery guest.

**LOCAL SPORTS:** 9 - 0! 9 - 0! 9 - 0! the lads in pink did it again with a 10 - 5 win over the despondent Long Branch Saloon. Down 6 - 5 going into the 6th, we scored 4 and added an extra tally in the 7th. Once again the play in the field was flawless with Glooover giving us a Cecil Fielder kind of game. Sattler 4 for 4 (no homers tho). Gary Lee 2 for 2 and Gazelle Case 3 for 4 were stinging it with authority. Fans of the week - Dick and Dee Dee White who wanted to see an undefeated non-steroid team for the 1st time. Next game is Thursday 8 pm Heritage.

**EDITORIAL COMMENTS:** Congratulations to Gary & Jacki Werkman, first Coldwater Rotarian & Bride to be married "On the Air".

Unofficial word reports that Steve Glover, in his new capacity of past President has met with Jerry Towns. He explained to Jerry that now he was not just a Banking Corporation President, and that the Rotary President is continually in the eyes of the public. Towns said he understood and would now wear a shirt while mowing the grass.

Where Service Above Self Begins: R.I. President Rajendra K. Saboo is calling on each Rotarian to LOOK BEYOND YOURSELF. That is the Rotary theme in the year of his presidency, 1991-92. If we look deep within ourselves, we will find an inner force that lives in all of us that will allow us to overcome the confining maze of self-centered thoughts and actions. Our spirits will soar as a dynamic inner strength is released. The task is to turn from dwelling on "me" and "mine" to "our" -- our family, our Rotary club, our community, country, our world.

Average number of Delta tickets sold daily	170,000.
Average number of Delta seats offered daily	391,000.
Average number of telephone calls to reservations	225,900.
Average number of passengers boarded monthly	5.6 million

These statistics would probably hold true of most major airlines.

**The Cornerstone of Service:** Club Service encompasses activities that ensure a healthy, growing club. It means faithfully attending meetings, taking part in club programs, in actively promoting membership growth. It means supporting The Rotary Foundation. It's said that in most organizations the work is done by five percent of the membership. Think what we could accomplish if we raise that number just a few percentage points!

### LOOK BEYOND YOURSELF

The key word in community service is "involvement." This is the foundation on which any community service program can successfully be built. We have heard, as you will, the nonavailability of funds limits the activity in community service. Almost always in such cases, the limitation is more severe for involvement than funds. Great ideas of the world have been killed not for want of money but for want of efforts. Service, as distinct from charity, means much more than simply contributing money. Caring means much more than than the impersonal gesture of writing a check; and the human touch of compassion means much more than the golden touch of Midas. R.I. President Rajendra Saboo

YODE

With a reverberating crash, Lulu's adventure on the tractor had come to an abrupt end.

Bob Sherman's booming voice is familiar to millions of Americans as his broadcasts are carried by 1200 stations, including our favorites, WNNW & WTVB. The "man with the voice at Indy," the man who pays special attention to detail, the man from Battle Creek, who homebases at WNNW will be here September 17.

**FUTURE PROGRAM:** Branch County Students involved in Agri-Environmental Wilderness Expedition to Isle Royale. The student photographs are currently on exhibit in the lower level of Tibbits opera House.

**ON THE LIGHTER SIDE:** The optimist proclaims that we live in the best of all possible worlds; the pessimist fears that this is true. - James Branch Cabell, U.S. novelist and essayist.

**NEXT WEEK'S PROGRAM:** An open meeting, a club assembly, a chance to voice your opinions. We will also receive a Foundation update and report. So, bring your ideas... How can we improve our club? Do we need more early leavers? How do we rate on community service? Should our meetings be longer? Should we serve hot dogs and beans at the kid's Christmas party?

**Action by the Board:** 1. The Board of Directors has agreed to host the 1992 District Golf Tournament. The District has been very happy with our past performance. The event, normally held in August, will be hosted by Duke Davision. With Duke in charge, we look for a top caliber event. 2. The name of Dave Robey has been dropped from the membership roster. We will miss his acting talent, and wish him the best in his future endeavors.

**District Committee:** District Governor Karl Sandelin has announced the selection of Albert R. Nelson to serve as a Governor's Group Representative for Rotary District 6360. Rotary District 6360 encompasses 58 Rotary Clubs in southwestern lower Michigan, representing over 3300 Rotarians. The District theme for 1991-92 is "Service - not Self". Congratulations Al.

**District Governor:** District Governor Karl Sandelin will present the program on October 8, 1991.

## COLDWATER ROTARY CLUB MEETING - OCTOBER 1, 1991

**THIS WEEK'S PROGRAM:** Driving a Town car, Leader of the Town Club,  
Our man about Town, President Jerry Towns will conduct  
a Town Meeting. Join us for this club assembly, a chance  
to voice your opinions. How can we improve our club?

**THIS WEEK'S GREETERS:** Buzz Galliers & Bob Redman  
**NEXT WEEK'S GREETERS:** Jerry Higgins & Larry Parks  
**BIRTHDAY GREETINGS:** Gary Hart & John Schroll  
**THIS WEEK'S 50/50 Rep:** Bill Stewart  
**NEXT WEEK'S 50/50 Rep:** Mike Jones

**NEXT WEEK'S PROGRAM:** District Governor Karl Sandelin for District 6360 will  
address our Club. This years theme is "Service - Not Self."

**OUR GREATEST CHALLENGE:** "... The growing concern about our natural environment  
in the face of the continuous process of extinction of plants and animals with  
its serious consequences for our biological diversity are clear signals to all  
of us that our natural environment is seriously threatened. We must now convince  
governments, politicians, industrial leaders, businessmen, scientists, economists,  
consumers, in short, all of us, that the future of mankind is our top priority.  
We must find the proper balance between man and nature again.

This is no easy task, We must look for new roads that will lead us in new  
directions, away from the present habits, attitudes, traditions, or beliefs.  
Indeed this probably the greatest challenge to man's creativity in history.

The more people are involved, the better dialogues are established, the  
more action is taken, the more chances there are that we will succeed. Rotary  
International, through its worldwide network of service clubs and its large member-  
ship comprising so many professions, can be of great help in broadening the world-  
wide support of the conservation of nature..."

--Prince Bernhard of the Netherlands in a statement to the  
Preserve Planet Earth (water and fauna) seminar which was held in Amsterdam 9-12  
May 1991.

## COLDWATER ROTARY CLUB MEETING - OCTOBER 8, 1991

**THIS WEEK'S PROGRAM:** District Governor Karl Sandelin for District 6360 will address our club. Rotary District 6360 encompasses 58 Rotary Clubs in southwestern lower Michigan. Representing over 3300 Rotarians. Governor Sandelin is a native of Finland and a U.S. citizen. He has served in the military for both countries. Joining Karl today is Dick Rosenfeld, Jackson Rotarian, incoming District Governor.

**THIS WEEK'S GREETERS:** Jerry Higgins and Larry Parks

**SEND A CARD TO:**

**NEXT WEEK'S GREETERS:** David Jolly and Edward Geishert

**JACK M. TRACY**

**BIRTHDAY GREETINGS:** Lester Wise

**579 SCOTT DRIVE**

**THIS WEEK'S 50/50 Rep:** Mike Jones

**Coldwater Mi 49036**

**NEXT WEEK'S 50/50 Rep:** Dave Sattler

**NEXT WEEK'S PROGRAM:** Warren Cook will introduce our own John C. Dean. John Dean worked in management consulting, developing skills and programs that he uses today. For the last 12 years John worked in County Administration, serving Branch County the last two years. John will present photographs and statistics that may be used in the next S. I. Swim Suit issue. While he is up front anyway, John will update us on the county jail proposal.

**FOUNDATION REPORT:** A Branch County Community Foundation Board has now been formed, composed of representation from the Bronson, Coldwater, Coldwater Sunrise, Quincy and Union City clubs. The board will be broadened soon to include other community citizens. Enthusiasm is high and steps are underway to obtain state recognition. Valuable assistance is being provided by the council of Michigan Foundations.

On Tuesday, Noon, November 12, the five clubs will combine their weekly meetings at the Quality Inn to launch and publicize the effort. Dr. Russell Mawby, CEO of the Kellogg Foundation of Battle Creek, will be the program speaker.

Our local Coldwater Rotary Club Foundation Board has decided to honor the wishes of both viewpoints in designating the future use of our existing Foundation Endowment assets. The club Foundation structure will be retained to hold and administer contributions which the donor wishes to stay with the local club Foundation Endowment. All other contributions will be directed to the Community Foundations (Coldwater Rotary Club Club Endowment account), where they will qualify the donor for future Michigan Tax Credit and generate matching grants.

Since we now have over \$50,000.00 in cash and pledges in our club Foundation Endowment Fund, we wish to announce on November 12 that most of this will be "seed" money to start the community Foundation movement. Therefore, it is important that anyone wanting their current contributions or pledges to stay in the local club Foundation, should make this known before October 31, 1991.

## COLDWATER ROTARY CLUB MEETING - OCTOBER 15, 1991

**THIS WEEK'S PROGRAM:** Warren Cook will introduce our own John C. Dean. Our County Administrator will be discussing the current jail status and the new proposal. The county is looking at remodeling the old Maple Lawn facility at a cost of \$1.8 million. to the real estate tax payer, that is .75 mill for 10 years. His speech is entitled "No Holds Barred."

**THIS WEEK'S GREETERS:** David Jolly and Edward Geishert  
**NEXT WEEK'S GREETERS:** Gerald Perry and Mark Putnam  
**BIRTHDAY GREETINGS:** Gary Werkman, Greg Bruder and Buzz Galliers  
**THIS WEEK'S 50/50 Rep:** Dave Sattler  
**NEXT WEEK'S 50/50 Rep:** Dennis Boester

**NEXT WEEK'S PROGRAM:** Jerry Hagen of the Gilmore Racing Team will present the Indy 500. We look forward to this annual film presentation and program. Jerry will be introduced by Jim Hiscock.

**LEADER BOARD:** Word has it that Donna Galliers leads the entire city in football picks. Anybody else we know in that pool?

**SENIOR ACTIVE MEMBER:** So many Rotarians have a misconception about becoming a Senior Active Member. Many think that they can choose the time to become Senior Active. It is mandatory, not by choice.

An active member automatically becomes Senior active in one of the following ways: 1) having been an active member of one or more Rotary clubs for at least 15 years; 2) being at least 60 years of age with ten or more years of active membership; 3) being at least 65 with five or more years of active membership; or 4) being a present or past officer of Rotary International. The rights and responsibilities of a senior active member are virtually the same as an active member's except that the senior active member does not hold a classification.

Of course the reason for going to senior active is to leave a classification open for a new member.

Nov. 12, 1991: County wide Rotary meeting at Quality Inn, Coldwater, Mi

@ 12:00 Noon. It is important to get your \$7.25 and reservation in this week or next.

1991 - 1992 Directory: All Rotarians are encouraged to purchase their own copy of the 1991-92 Official Directory. A gratis copy has been sent to each club. Why is this publication so informative and useful? It is an essential traveling companion for those who want to make up meetings while away from home. In addition to providing a worldwide guide to Rotary clubs and their meeting times and locations, the "OD" lists hotel accommodations in many cities. The hotel directory found in the yellow pages toward the back of the OD, contains the names, addresses, and rates of more than 400 hotels in some 70 countries. The directory also specifies the types of meal plans and rooms available, and whether a discount applies to Rotarians. Available in English only, the Official Directory (M13-007-EN) may be ordered from the RI office serving our area at a cost of US\$7.00.

Foundation Information: Foundation Fellows need to turn in their forms to John Dygert indicating that their funds should stay with the local club foundation endowment or should be directed to the community foundation.

**SPEAKER:** Dr. Russell Mawby, Chief Executive Officer of the Internationally renowned Kellogg Foundation.

**TOPIC:** Mawby will discuss community foundations and the important role they play in community enhancement now and in the future. Community foundations are designed to make the communities in which they operate better places to work, live and play. Tax-deductible donations to community foundations are invested for the future of the community. The interest on these gifts is reinvested each year, yet the principal remains untouched so it continues to generate income year after year in perpetuity.

## COLDWATER ROTARY CLUB MEETING - NOVEMBER 19, 1991

**THIS WEEK'S PROGRAM:** Terry O'Connell will present "THE LOS ALTOS STORY." This rotary documentary concerning AIDS is excellent. It is about people, places, and events. What you see actually happened. "I saw the video at a Hillsdale Rotary meeting and it is very well done"-JY.

**THIS WEEK'S GREETERS:** Carroll Barnes and Jim Cole

**NEXT WEEK'S GREETERS:** Ken Klein and Richard Uhl

**BIRTHDAY GREETINGS:** Gerald Perry, Mark Putnam, Bill Stewart, Santford Jolley, Bob Kerr, Harold Card, George Ferry

**THIS WEEK'S 50/50 REP:** David Eyre

**NEXT WEEK'S 50/50 REP:** Jerry Yoder

**NEXT WEEK'S PROGRAM:** John Petzko, the advisor for our Interact Club and several Interact Club Members will present the program for the day. They will speak concerning future plans and projects. The program presenter is Bill Nettleman, Chairman of our Interact Committee.

**DISTRICT BOWLING TOURNAMENT:** This years tournament will be held at Kalamazoo Airway Lanes on Sunday, February 9, 1992. You bowlers can mark your calendars now. Details should arrive at our club in late November or early December.

**DECEMBER 17, 1991:** Children's Christmas Party. We need to collect \$5.00 from each member so the committee can purchase the gifts.

**GENERAL NOTES:** I have heard nothing but praise concerning the November 12 luncheon. Jerry Towns ran an excellent meeting. It was neat having all 5 Rotary clubs together, and we must have had close to 70 community guests. Hats off to John Dygert, Jim Cole, Jim Koss, Barry Case, Steve Haberkorn, Craig Sebald, and Mark Putnam - community foundation board members and officers. Double hats off to Jim and Jan Koss for their \$5,000.00 contribution to the Colon foundation. Triple hats off to all Coldwater Rotary members for establishing a legacy for future generations. \$50,000.00 was a nice start, and Kelloggs \$25,000.00 contribution was an added bonus. And finally didn't you enjoy the words and voice of Dr. Russell Mawby.

## COLDWATER ROTARY CLUB MEETING - NOVEMBER 26, 1991

**THIS WEEK'S PROGRAM:** John Petzko, the advisor for our Interact Club and several Interact Club Members will present the program for the day. They will speak concerning future plans and projects. The program presenter is Bill Nettleman, Chairman of our Interact Committee.

**THIS WEEK'S GREETERS:** Ken Klein and Richard Uhl

**NEXT WEEK'S GREETERS:** William Nettleman and Tim Hart

**BIRTHDAY GREETINGS:** Carroll Barnes, James Cole, Ken Klein, Richard Uhl, James Erickson and James Endicott.

**THIS WEEK'S 50/50 REP:** Jerry Yoder

**NEXT WEEK'S 50/50 REP:** William Chinery

**NEXT WEEK'S PROGRAM:** John C. Dean presents Fred Uptown.

**MEMBERSHIP COMMITTEE:** The committee has submitted Steve Carr for membership as an active in the cablevision classification. Anyone having objections should submit them in writing to the club secretary within 10 days.

**DECEMBER 17, 1991:** Children's Christmas Party. We need to collect \$5.00 from each member so the committee can purchase the gifts.

**FOUNDATION REPORT:** Why you should support the Rotary Endowment Fund within the Branch County Community Foundation.

\* To maximize your charitable giving with a potential 50% Annual return on your investment. It is "The Gift That Keeps Giving" - not spent and gone in one year. \$1,000.00 contributed by you, along with a \$500.00 matching Kellogg Grant, will produce about \$110.00 annual income on your net cost of about \$220.00. (Based on maximum state and federal tax benefits for a married couple in the 28% tax bracket.)

\* For our Rotary Club to raise \$150,000.00 for a potential \$10,000.00 annual return for community needs with Coldwater Rotary recognition. (Based on \$50,000.00 now given by half of our club members, \$50,000.00 in new contributions by the other half; and \$50,000.00 matching grant from the Kellogg Foundation.)

\* It is affordable by pledging to give up to \$400.00 a year over the next 3 years. Pledge forms will be available soon in order to take advantage of the 1991 tax credits (making your net cost as low as \$88.)

**UNCLE ED SEZ:** \*Before 1859, Baseball umpires didn't crouch behind the catcher, they sat in rocking chairs. \*Julius Caesar's autograph is worth \$2,000,000.00. \*Over half a million American were conceived by artificial insemination. \*Americans eat about 22,000,000 pounds of tomatoes every year - mostly in ketchup and tomato sauce. \*In Italy, a whole years salary is proper amount to pay for an engagement ring. (Branch of Culy's Jewelry is being started in Rome Italy.) \*Cheap Dirt - The U.S. bought Alaska from Soviets for about 2 cents per acre. \*Enuff said, until next week. YODE

**DID YOU KNOW:** In 1917 R.I. President Arch Klumph proposed the establishment of an endowment fund - the forerunner of The Rotary Foundation. The fund received it's first contribution in 1918 - US \$26.50 - from the Rotary Club of Kansas City, Missouri, U.S.A. By 1990, contributions totaled more than US \$554 million. Moreover, Foundation grants have enabled some 21,000 scholars to grow in knowledge and promote world understanding; more than 278 million children to be immunized against polio; and countless people to enjoy safe drinking water, accessible health care, schools, and improved nutrition.

## COLDWATER ROTARY CLUB MEETING - DECEMBER 10, 1991

**THIS WEEK'S PROGRAM:** John Shea will present Andrea Brancato, a well known correspondent with Gongwer News Service. Andrea covers the Michigan House of Representatives with real enthusiasm and professionalism. She is respected and appreciated in Lansing and is known to have direct access to key lawmakers including the Speaker of the House. We look forward to Andy's return to Coldwater to share legislative information intermixed with personal stories.

**BIRTHDAY GREETINGS:** Dick Guisenger  
**THIS WEEK'S 50/50 REP:** Warren Cook  
**NEXT WEEK'S 50/50 REP:** Paul Fuhrmann

**NEXT WEEK'S PROGRAM:** Children's Christmas Party.

**AN AUSPICIOUS START:** "In 1913 a tornado swept through Nebraska and destructive floods appeared in Ohio and Indiana. The Rotary clubs in those states, supported by those throughout the nation, leaped into action, rescuing and feeding people and animals, and helping in the necessary rebuilding work. Rotary had met its first great test as a service organization."

-Paul Harris, My Road to Rotary

**UNCLE ED SEZ:** \*\*Killer bees are expanding their territory by 300 miles per year. \*\*American kids raked in \$8,600,000,000 in allowances in 1989. \*\*Home sweet home -1/5 of Americans spend their vacation at home. \*\*The U.S. is home to 2/3 of the world's lawyers. \*\*The U.S. Dept. of Defense spends about \$6,000,000, on recruiting everyday. \*\*Canadians own more U.S. real estate than Japan, but that seems to be changing fast. \*\*Only one carat in every 23 tons of ore mined is a diamond. \*\*One OPEC oil exec to another: Let's do it the American way. We won't raise the price but we'll make the barrel smaller. \*\*Worry kills more people than work. That's because more people worry than work.

## COLDWATER ROTARY CLUB MEETING - DECEMBER 17, 1991

**THIS WEEK'S PROGRAM:** Children's Christmas Party

**THIS WEEK'S GREETERS:** James Erickson & James Endicott

**NEXT WEEK'S GREETERS:** David Eyre & Dick Guisinger

**BIRTHDAY GREETINGS:** Paul Fuhrmann & John Martinen

**THIS WEEK'S 50/50 REP:** Paul Fuhrmann

**NEXT WEEK'S 50/50 REP:** Mike Galliers

**NEXT WEEK'S PROGRAM:** A Holiday special, details to follow.

**GENERAL NOTES:** I sure enjoyed Andrea Brancato's presentation last week. She is right in the middle of legislative information that have direct affect on us. She reports representing neither party. Thanks, John Shea, for bringing her to us. This is the type of program we could hear on an annual basis as legislation and people in Lansing change.

**UNCLE ED SEZ:** \*\*An adjustable rate mortgage is called an ARM. If interest rates go up, its called an ARM and a LEG. \*\*Living within your means is likely to make people wonder if there is anything else peculiar about you. \*\*A major league baseball team can break \$150,000.00 of bats in one year. \*\*The New York League for the Hard of Hearing says 50% of D.J.'s suffer hearing damage. \*\*At the wedding of Ronald Reagan's daughter Patti: 134 guests and 180 security personnel. \*\*Nothing pains some people more than having to think. \*\*There has only been one armed robbery in Iceland's history. \*\*Americans make \$500 million worth of illegal long distance phone calls annually. Eniff said - See you next week. ED

UNCLE ED SEZ: \*\*You feel very humble when a repairman discovers you tried to "do it yourself." \*\*The size of your foot has very little to do with your ability to get it into your mouth. \*\*When you are through improving yourself - you are through. \*\* There are people who never really get interested in something until they find out it is none of their business. \*\*Two old bachelors were discussing cooking while on a fishing trip. "I got one of them thar cook books once, but I never could do any thing with it," said one. "Too much fancy stuff?" ventured the other. "Sure was. Every recipe started out the same way: 'Take a clean dish' - and that finished me right there." \*\*I don't seem to be getting any better, doctor should I pack up and go to a warmer climate. "Good heavens no," That's just what I'm trying to prevent. Eniff said - See you next week. ED
