INTERACT CLUB of Coldwater High School

In May of 1991, a new service oriented club sponsored by the Coldwater Rotary Club was established at Coldwater High School. This club, known as the Interact Club, has a twofold purpose: 1) to promote the idea of service to the community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in.

In regards to community service we are participating in the State's Adopt-A-Highway Program, cleaning up a section of I-69. All Interact members are involved in a tutoring program at Edison School each Tuesday and Thursday. We organized this year's *Christmas in Coldwater* food drive in the High School and this year over 3000 lbs. of food was donated. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon; we purchase Christmas gifts for needy children, provide turkeys for Hospice families at Thanksgiving, and try to raise money for various community agencies that are in need. Last year our club purchased a sonar device for the Sheriff's dive team to aide in the underwater rescue of potential drowning victims. One fun project that we participated in this year was painting Jefferson School's playground using large educational stencils. We also provide scholarships for needy students going to college.

Our club has taken it upon itself to give foreign exchange students more of an opportunity to interact with American students by getting them involved in our organization. This helps to give them a wider circle of friends and activities that they might not normally have available.

This has been a busy and exciting time for our club and we would like to thank the Rotary Club for all their help and support!

John Petzko - Advisor

The following is a list of all members of the 1993-1994 **Interact Club** of **Coldwater High School**.

Officers -

Ginger Langwell	- President
Shannon Crabtree	- Vice President
Sarah Ferguson	- Secretary
