The Singingest Club in the U. S. A.

January 3, 1984

President Rich called the meeting to order.

Invocation was given by Terry O'Connell.

Singing was led by John Martinen, without benefit of accompaniment. All in all, we sounded like we were 3 months away from showtime.

Guests were introduced as follows;

Rotarian;

Bob LeGalley-Bronson, MI

Non-Rotarian;

John Hruska

Announcements;

Show director Jerry Towns, reminds us that the first chorus rehearsal is next Tuesday, 1-10-84 at 7:30pm at the Elks Temple(third floor). Also, for endmen, next Sunday, 1-8-84, at 1pm, downstairs at the Elk's.

If you have not received a schedule see Jerry.

Also, if you have a navy blue blazer with gold buttons, let Jerry know.

President Rich announced that Duke Sward, has announced his resignation from the club due to a job opening in Cass City- Good luck Duke!!

Sargeant John ably assisted by Father Terry, went to work for the scholarship fund. On the hit list today was Les Wise, Jerry Towns, Dick "John" Hruska, Ed Geishert?, and a host of others.

Early leavers were allowed to depart.

Program Chairman for today was Dick Biringer, who asked Bob Nagle to step in for him to introduce Bob Branch, Jr. of J.B. Branch and Company. For those of you that were with us last time, Bob gave us a presentation on the Video Laser Disc player about four years ago. Today's program was an update on the technological advancements in the audio-visual arena. We were subjected to a review of a rock and roll concert, opera performance, ballet, and most notably a review of Playboy's top 10 playmates performing aerobic excercises. One individual noted that Fred Culy decided to eat his lunch at the salad table, another indicated that Mark Maire forgot to eat altogether, and another said they overheard Chuck Bacon phoning the hospital advising them to hold all calls.

Basically, Bob pointed out that the quality of equipment now being produced by Pioneer and others, is being refined to provide viewers and listeners with the ultimate in home entertainment. Bob Nagle said he was going right out to buy his new system. We would recommend others so inclined to visit Bob on the 3rd floor of J.B. Branch & Company.

Thanks Bob Nagle & Bob Branch for a very enjoyable and informative program.

Other reminders;

Rotary board meeting is next Thursday, January 12, 1984 at 7:30pm at Rich's home.

Terry O'Connell is looking for funny photos for use in skits at the show. Promises to return them in good condition. Let Terry know if you can help.

The Singingest Club in the U. S. A.

January 17, 1984

The meeting was called to order by President Rich. Invocation by Jim Troust. Singing was led by our Show Director, Jerry Towns, who reminded us of rehearsals Tuesday evenings at 7:30 at the Elks.

Guests for this meeting were:

Rotarians: Dale Brown, Quincy
John Gruel, Jackson
Ed Perkins, Bronson
Mark Putnam, Marshall

Non-Rotarians:
David Ameen, CHC
Bill Welke, CHS
John Myers, CHS
Nancy Barnett, CHS
Joel Mills, CHS

On Feb. 7th, Rotary will meet at the High School at noon.

Terry O'Connell read a letter to the club from Dave Pierce in Chicago, who says he misses the Rotary Show and the Loan Committee meetings at BCFS&L more than anything else(!).

Sergeants Steve and John did their thing.

Early leavers were excused for \$2. apiece, there being a dozen or more.

Howard Taylor reminded the club of upcoming programs:

Next week, Harold Card
Jan. 31, Tom Miller
Feb. 7th, Coldwater High Sch.

Program chairman for the day was Bill Bobier, who introduced the most famous apiculturist in Branch county, Dr. Wm. Nettleman, who spoke on a typically peculiar subject, viz: the harvesting of lake ice for storage purposes. Dr. Nettleman reminded us that lake ice was regularly used for home and commercial purposes into the 1920's. Thereafter, commercially-produced, artificial ice was used through the thirties and into the early fourties. Originally, all ice was cut by hand; and Dr. Nettleman brought two sets of tongs and a monster ice saw from an earlier era. He described the experience of turning part of his basement/storm cellar into an ice house over the past three years, including the discovery that old-fashioned sawdust is a better insulator than styrofoam. In 1983, an Amish crew used a buzzsaw rig to cut some 33,000 lbs. of ice on Vincent Lake for the project. This year, Ed Geis-hert has crafted an improved model for use. Sat., Jan. 21, has been set for the ice bee this year. We will wait with interest to hear how it comes out. We understand 11 inches of the stuff is out there waiting to be used. Thanks for an interesting program!!

Important announcement:

New membership applications have been submitted for Larry Parks, mobile home sales, and for Ken Smoker, retail groceries. Any objections should be made in writing to President Rich within ten days.

Club Secretary Craig Sebald submits this list of the twelve club members with the longest years of Rotary membership:

Howard Teeter	1938	46 years.
Ernest Luse	1945	39
Fritz Van Aken	1946	38
Charles Woodward	1946	38
Robert Kerr	1947	37
Vince Kornstien	1949	35
Dick Biringer	1950	34
Bill Bobier	1951	33
Duke Davidson	1954	30
John Dean	1955	29
Craig Sebald	1957	27

That is a total of 438 years of Rotary membership!!!!

FROM THE WORLD OF LAW ENFORCEMENT

This is the tale of a frightened householder who called police headquarters and reported that he had been struck down by an unknown assailant in the

dark. A young policeman was sent out to investigate.

He returned to headquarters a bit later with a glum look on his face and a bump on his forehead. "I solved the case, chief," he said.

"Great. Great. Good work," said the chief.

"What happened about it?"

Said the young cop, "I stepped on the rake, too."

AND, IN CLOSING...

...a tale about the small boy who was being difficult about eating his food. Said his mother, "Twenty years from now, you'll be telling some girl what a great cook your mother was. Now eat your dinner!"

MAXIMS FOR THESE TIMES

You can lead a horse to water, but if you can get him to float on his back, you've got something. Celibacy is not hereditary.

The Singingest Club in the U. S. A.

Tuesday, January 24, 1984

Todays meeting was called to order by President Rich.

Invocation for the day was given by Paul Ruse.

Songs were led by John Martinen with Estelle Voss on the piano.

The club celebrated 3 birthdays today, Vince Kornstein, Ed DeVito and Tom Miller. Tom, being the only one of the three present was treated to a glorious rendition of Happy Birthday sung by the club.

Guests for todays meeting were:

Rotarian guests Vern LaFountain, Quincy
Non Rotarian Tom King, Coldwater

Also Jack Faulkner was introduced by Terry O'Connell to the club. It seems Jack was able to make it to 2 consecutive meetings. Keep up the good work Jack!

President Rich then had a few announcements for the club.

- (1) The February 7th noon meeting will be at the Coldwater High School. We'll have lunch in the cafeteria, attend a class for approximately 15 minutes and then meet with Stan Bushouse. Bring back memories Jeff Dean, talking with the principal??
- (2) If your interested participating in the District 736 Bowling Tourney Sunday February 12th please contact Dan Magsig
- (3) Jim Lyon announced a Hammer and Nail Party over at Uncle? Ed Geisherts warehouse on Arnold St. in Quincy and read a list of people invited on Thursday January 26th at 7:30 p.m. Did you people remember to attend??
- (4) Al Nelson reminded us that all advertising is due no later, please than February 7th. Thank you.

The Board of Directors appointed Dick Hruska to fill the unexpired term of Alan Sward on the board. Congratulations Dick!

Seargents Terry O'Connell and Bagman Al Nelson, in the absence of John & Steve, did a fine job. Terry managed to get a substantial amount of money from Bill "Citizen of the Week" Grimes with "some" assistance from Chuck Woodward, good job guys.

Mark Maire then announced the program for next weeks meeting would be under the direction of Tom Miller.

Mark then introduced Harold Card, todays program chairman. Harold then introduced Mr. William Orris, Branch County Highway Engineer, who discussed with the club the operation of the Road Commission

Thank you Harold and Bill for an informative program.

Tuesday, January 31, 1984

Todays meeting was called to order by President Rich. A moment of silence was observed in honor of the memory of Donna Youtsey. Invocation for the day was delivered by Walt Balcom.

Song leader today was John Martinen accompanied by Winnie Kornstein on the piano. I might add that the closer each week we get to the Rotary Show the better we sound! Great job of singing today guys!!

The club celebrated 3 birthdays today, Al Nelson, Bob Loose, and Chet Graves. We wish you all many more!

Rotarian Guests for todays meeting:

Ed Perkins, Bronson
Lee Ballard, Bronson
Elmer Houghton, Bronson
Norm Moore, Quincy
Chuck Lapp, Hillsdale

Non-Rotarian Guests attending:

Jeff Card
Grant Newton
Mindy Albright
Mary Green
Dick Emerson

Hal Sexton announced that anyone who has yet to receive his tickets for the show please contact him.

Al Nelson again asked that all advertising please be turned in the week of February 6th meeting.

Dan Magsig reminded all about rehearsal Tuesday night at 7:30

Also a reminder that the meeting February 6th will be held at the Coldwater High School. There will be a bus leaving the Elks at approx. 11:53 to transport people to the High School...so if you need a ride be here before the bus leaves!

Jim Lyon announced another Hammer and Nail Party at Ed Geisherts building 28 Arnold St. Quincy. Please attend if you are able!

The Seargents then took over with vengeance. The way they were collecting money it was obvious that they had just received their heat, electric, and phone bills. For those of you who were unable to attend you really missed a good show. Another (fine???) job was turned in by John and Steve.

Mark Maire announced upcoming programs

February 14th Bill Crotty
February 21st Jim Koss
February 28th Fred Culy

Mark then announced todays program chairman Tom Miller. Tom's program was a film on Andrew Carnegie, a very interesting depiction of his life a man starting out making \$2.50 a week and ended up having an annual income of \$40 million.

Thank you tom for bringing this program to us!

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

Feb. 7, 1984

The meeting was held at Coldwater High School, with lunch in the cafeteria, a chance to attend a class with students, then back to the cafeteria again for a brief meeting and a question-and-answer time with Stan Bushouse, CHS Principal. This special meeting was arranged by our own Rotarian Dick Fitzgerald, and allowed many of us to see the inside of a high school for the first time in years....

Invocation was by Jim Troust

One guest braved the change of venue: Barry Bender, from the Quincy Club.

Little was heard from our sergeants. Steve Glover suggested everyone who had graduated from high school pay 25 cents.

Announcements: Show Director Jerry Towns reminded the Club that next week we move to both Tues. and Thurs. rehearsals. If you have not got your advertising in, see Al Nelson pronto! Tickets are available from Hal Sexton.

Among the items that surfaced during the Q & A Period with Stan Bushouse were the following:

- * 960 students currently enrolled, as opposed to 1140 five years ago, when the High/Middle School concept was implemented.
- * Numerous energy-saving changes were pointed out, incl. entirely revamped lighting, thermopane windows, etc.
- * The findings of the U of M study on drugs in schools hold in our city: less in the way of hard or soft drugs, more in the way of alcohol(perhaps because nobody thinks alcohol is a drug?)
- * The Class of 1986 may well have members who get a Certificate Of Attendance instead of a diploma, in keeping with the new policy of requiring certain levels of proficiency in language and math.
- * The % of those going to college - either four-year or tw-year - is holding at about 30%, and this at a time when the costs of higher ed. are skyrocketing(\$6500. next year at U of M, e.g., more in private schools).
- * While there is no way to provide figures to prove it, Stan is sure that the Careers Center is an important factor in keeping young people in school. (97% retention rate between Jr. & Sr. years!)

Thanks for an excellent program!

February 14, 1984

The meeting was opened by Pres. Rich. Invocation by John Milnes.

Singing was led by Jerry Towns, with Winnivere at the piano.

Happy birthday to Howard Teeter, Jim Troust, and John Fierson. (Fred Culy stood up also, for some reason!)

Guests today were:

Rotarians:

Terry Keith, Albion
Vern LaFountain, Quincy
Elmer Dobson, Quincy
Steve Dobson, Quincy

Non-Rotarians:

Terry Thatcher
Matthew Morgan
Maria Shoup
Ken Smoker, all from CHS

Jerry had the following ann. re: show apparel: white, button-down shirt, pastel V-neck sweater, dark blue slacks, black shoes and socks.

Hal Sexton says: if you have un-sold tickets, please turn them in! There is a big demand, and most sources are sold out.

Fred Culy was honored for 3 years' perfect attendance; Jim Olmsted, for one; and Bill Crotty, for six(one-half in Quincy). Congratulations, guys!

Dan Magsig introduced new member Larry Parks, of Coldwater Lake Estates. Rich Holben introduced Ken Smoker, manager of Felpausch, our newest member. Welcome to the club!!

James Paull has been proposed as a new member of Rotary in the classification of Retail Lumber. Any objections in writing should go to Pres. Rich in the next ten days.

Mark Maire introduced program-chairman-for-the-day Bill Crotty. Bill introduced Bill Smathers of BISD, who had more than a little to say about inland bass fishing. Knowledge plus opportunity, he says, adds up to quality fishing. Bill shared with us his own approach, which relies on the careful study of lake maps and the location of the "break line" (or migratory path) on those maps. He demonstrated specific techniques for using feeding bit and striking bait. Thank you, Bill, for a fascinating program!

Hold the press! William Nettleman has been proposed as a new member of Rotary. Objections in writing should be directed to Pres. Rich within ten days.

The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

FEBRUARY 21, 1984

The meeting was opened by President Elect Mark Maire with the invocation for the day delivered by Jim Troust. Dan Magsig, the song leader for the day with the superb assistance of Winnivere Kornstein at the piano, led the club through several blissful melodies.

The club celebrated the birthdays of Jack Faulkner and also Hal Sexton, Fred Culy, Dick White and Jim Lyon. The last 4 a week or two late because of the program at the High School.

Non-Rotarian Guests were:
Scott Murphy, Marsha Kistel, Connie Jones, Jody Macklin and Barry York

Announcements:

Dave Rubley told the club we were in need of ushers! Anyone who would like to should please contact Jim Endicott.

Anyone who is able was asked to please meet Sunday morning Feb. 26th at 9:00 a.m. at Ed Geisherts warehouse to help load the risers to take them to Tibbits, also trucks are needed if you have or can get ahold of one please bring one.

Dan Magsig reminded the club of practice 7:30 tonight upstairs at the Elks and Thursday night at the Country Club same time.

John Pierson needs 30 ft. of bunting for the show, if you know where you can get some please contact John.

Al Nelson again asked that everyone please turn in all advertising to him as soon as possible.

Sergeants-At-Arms Steve Glover and John Shea then proceeded to really get the place rocking. They did their usual fine job of emptying the pockets of many Rotarians. Steve and John are so creative that you often wonder how they can possibly top the week before, but without a doubt they always seem to come up with something. Great job guys!

Early leavers were excused for \$1.00.

Howard Taylor announced upcoming programs:

Feb. 28th Fred Culy
March 6th Duke Davidson
March 13th Jeff Dean
March 20th John Dean
March 27th Pat Albright

Howard then introduced today's program chairman, Jim Koss, who introduced to the club Cheryl Parks, wife of fellow Rotarian Larry, who brought to the club a program entitled "Equal Partners for Education" a county wide group of people involved in returning education to a major priority of state tax dollars. Over the past few years the schools have been getting less and less monies from the state to offer good quality education for our children.

Thank you Cheryl for a most informative program.

FEBRUARY 28, 1984

Today's meeting was opened by President Rich. Invocation for the day was given by Dan Magsig. Singing was led by Jerry Towns with Winnivere Kornstein at the piano.

The club celebrated one birthday today despite the fact that Ray Fast was not present to enjoy a Pre Rotary Show medley of Happy Birthday!

Rotarian Guests today were:

Elmer Dobson, Quincy
Steve Dobson, Quincy

Non-Rotarian Guests were:

Ralph Schafer, John Cappella, Rodrigo Villian

Announcements:

(1) Jerry reminded everyone about rehearsal tonight.

(2) Dave Rubley announced to the club that after dress rehearsal on Wednesday night that in the lower level of Tibbits we would be treated to a little eats & drink, always a good time. Also that after the show on Saturday night that we will again have our "After Glow" at the Elks from 10:00 p.m. to 2:00 a.m. Please bring your wife, girlfriend, boyfriend, whatever, it's just one super evening. A fantastic end to a fantastic show.

(3) Al Nelson again asked that all advertising please be turned in soon!

(4) Terry O'Connell requested that all Rotarians taking part in a skit please come early so as to practice maybe once before the show.

(5) Hal Sexton asked that all unsold tickets and money please be turned into him by at least Wednesday. Hal also announced that fellow Rotarian Bill Grimes is in room 247 of Borgess Hospital in Kalamazoo. Bill has a cancerous tumor that is to be surgically removed Thursday morning. Hal also mentioned the doctors found a spot on Bill's liver too. If you can, please drop Bill a note or give him a call, I believe the number is (616)342-7772. He will be happy to hear from you!

President Rich then read to the club a thank you note from Terry O'Connell regarding Derick and also a note from Carol Towns.

To a roaring applause from the club, Rich announced that today we were dispensing the sergeants in lieu of a slide presentation by Terry O'Connell that will be shown during the show...it was excellent!

Early leavers were excused...

Mark Maire then announced programs for the coming weeks:

Next week Duke Davidson
March 13th Jeff Dean
March 20th John Dean
March 27th Pat Albright

Mark then introduced today's program Fred Culy who in turn introduced John Cappella, electronics teacher at the Branch Area Careers Center who brought to us a program on automotive. John talked about and showed a slide presentation dealing with Robotics. Thanks for an excellent program.

The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

March 6, 1984

The meeting was called to order by President Rich.

The Post-Show Club was led in singing by Jerry Towns, a capella.

Guests at today's meeting were:

Rotarians:

Bob Kirkpatrick, Bronson
Jerry Hollister, Bronson
Charles Lapp, Hillsdale

Non-Rotarians:

Pam Monk
Debbie Jenner
Brian Lounds
Tim Garman, all from CHS

Sergeants John and Steve did their weekly creative job of relieving members of cash.

The program of the day was introduced by Duke Davidson. Duke brought Jack Bierl of the S. Central Power Agency. He explained some of the background for our present power-generating system, in which we are linked with other participating localities through the Litchfield Plant. His opinion is that, while in the short run we are feeling the economic pinch, in the long run this kind of arrangement will work to our advantage. Various questions were fielded from members.

We thank Duke and Jack for an informative program!

There was the wife, dressing for the party, who told her husband she'd be ready in a minute. "Go rotate the tires on the car or something."

A good wife is one who sticks by her husband through all the troubles he wouldn't have had if he hadn't married her.

Then there was the young lady who remarked that whenever she met a man who would make a good husband, he was.

There are two kinds of men who don't understand women; husbands and single men.

A "second story man" is a fellow whose wife didn't believe his first story.

Just about the time a woman thinks her work is done, she becomes a grandmother.

There's nothing wrong with the present generation that twenty years won't cure.

Children should be taught to help in the home, no matter how much work this means for the parents.

Virtues are learned at mother's knee; vices are learned at some other joint.

There is one thing worse than the wife who can cook and won't. It's the wife who can't cook and will.

March 13, 1984

The meeting was called to order by Pres. Rich. Prayer by Jim Troust.

Jerry again led us a capella. Various dirge-like sounds were elicited from the Club. Most managed to recall enough of "Ar Hyd Y Nos" from childhood to sing it acceptably.

Happy birthday to Ray Fast and to Chuck Young!!

Guests for today were:

Rotarians:

Garth Wilber, Bronson
Bill King, Quincy
Kent Miller, Bronson
Hugh Mohny, Bronson
Norm Moore, Quincy
Gary Gillett, Marshall
Linus Heydon, Quincy

Non-Rotarians:

Kelly Darby
Beth Milnes
Julie Wilcox, all CHS

Dan Magsig announced that Steve Glover has photos of the show available. "Equal Partners" materials (about which the Club heard two weeks ago) were made available to members.

Hal Sexton says 16 men still owe him for tickets. Get them in, guys!!!!

Al Nelson and Dave Rubley had encouraging things to say about receipts for the show so far.

The Club is reminded of Rural-Urban Day on the 27th. If you are interested in hosting a rural neighbor, call Pat Albright.

John and Steve did an outstanding job today. Walt Fisher and Dan Magsig collected their little amber bottles of liquid reward in style....

The program of the day was introduced by Jeff Dean. Jeff brought two of our own - Gary Hart and Rich Platt, to speak about the forthcoming Sister City Lakes Festival and about promotion of our area in general through the Chamber. This sounds like a very promising idea, and we look forward to June and the "First Annual...." Thank you for a fine program!

The Singingest Club in the U. S. A.

March 20, 1984

President Rich called the meeting to order. Invocation given by Walt Balcom.

John Martinen led the singing without benefit of piano.

Birthdays were celebrated for; Duke Davidson, Terry Reen, & Bill Milnes

Non-Rotarian guests; Christy Hobart, & Paul Dygert

Rotarian guests; Dan Dobson of the Quincy club.

John Dygert requested assistance in gathering signatures on petitions to fund extra-curricular school activities.

Thank you cards were sent to the club from the Guisinger family, and also Bill Grimes. Good to have you back Bill!

The board has voted to spend \$200. to have our service club emblem appear on the Chamber of Commerce signs that will be located at the 4 entrances to Coldwater.

Al Nelson reminded us that some money is still needed from Rotary show program advertisers.

Chuck young was honored for one year of perfect attendance.

John Dygert and Dan Magsig were chosen as directors for the upcoming year.

Sargeants John & Steve continue to add to the scholarship fund. Howard Taylor appears to be donating enough to fund one scholarship by himself.

Program for the day was introduced by John Dean. Bill Goodson-Vice Pres. of the Detroit Independent Insurance Agents provided us some insight as to where the insurance industry has been, is, and will be in the future. He noted that the property/casualty, and life insurance industry produced \$10 billion in premiums last year, one-half of which was written by companies domiciled in Michigan. He provided us with numerous other facts. Thanks John & Bill for an enlightening program.

March 27, 1984

The meeting was called to order by Mark Maire. Invocation given by Dan Magsig

Songs were again led by John Martinen and again acapella.

Chuck Woodward, Paul Thompson, and Jim Koss were all wished a Happy Birthday!

Visitors today were numerous;

Rotarians; Ray Kranz, Quincy, Tom Megargle-Bronson Lee Ballard-Bronson, Jim Eley-Bronson, & Bob King from Quincy.

Non Rotarians; Brian Sexton, Doug Cooper, Chris Bassage, Jack Birl, Martha Stankey, Gordon Albright, Curt Albright, Chuck Gruner, Floyd Morrison, Homer Moore, Merl Donbrock, Brian Fraser, Pete Barone, Ken Norton, Dale Norton, Charles Bates, John George, Terry Macklin, and Sam Schlubatis.

Al Nelson says he still has about \$200. in advertising money that needs collecting. Come on guys lets help Al get these closed out.

Dick Uhl says to get the millage petition sheets back to him pronto.

John Shea and Steve Glover had a good time fleecing members in a fine cause.

Early leavers were excused for \$1.00

Next week's program will be under the direction of Larry Donay, and the April 10 meeting will be handled by Larry Dunworth.

Pat Albright, program chairman for today, introduced Vic Verchereau-Manager of the Michigan Farm Bureau. Vic spoke to us of the role that the agri-business industry plays in Michigan's economy. Less than 3% of the population in America is engaged in actual production, but over 20% of the economy is directly tied to farms. There are 2800 farmers in Branch County, producing crops worth more than \$37,000,000. annually. The average farmer manages to support himself and 78 others. Vic underlined the opportunities available in this country in agribusiness. Thanks Pat and Vic for a fine program.

The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

April 17, 1984

The meeting was called to order by President Rich. Invocation by Walt Balcom.

Song leader Jerry(*Ole Black Joe) Towns led us a capella, with a plea for help with piano accompaniment.

Dave Rubley assured us there were no birthdays, but Gordon Schlubatis and Greg Dean both stood up, expecting a song. Gordon reluctantly sat down again, but Greg got his wish. Happy birthday, whoever you are!!

Guests at the meeting were few:

Rotarians: Dan Dobson, Quincy

Non-Rotarians:

Brad Martin, Indianapolis
Vern LaFountain, Quincy

Announcements were as follows:

Terry O'Connell reminded us to support the play by Bob Pickering as produced at the Tibbits by the Community Theatre

Jim Conrad has information on Camp Emery for young men who are about to graduate from High School.

Bob Kerr was honored for 36 years of perfect attendance (!!!!).
(That ought to equal about 35 years, give or take a little, if you figure in the lateness....)
Seriously, congratulations, Bob!

Sergeants Steve and John had an endless binge of pictures today, not least of which was smiling Johnny Milnes in a big front-page spread.

Early leavers were excused for \$1. each. The program committee was seen to be leaving but graciously came back....

Mark Maire reminded us of upcoming programs: Next week: Jim Endicott
May 1: Jack Faulkner
May 8: Buzz Galliers

Ken Elliott, today's program chairman, introduced City Manager Gary Kuckel, the nature of whose remarks was so sensitive and overwhelming that your Editor simply put aside his pen and took no notes at all. Those of you who weren't here don't know what you missed!

P.S.: The Club was advised by Pres. Rich that we were to vote on distribution of show monies but were prevented from doing so by a collapse of copiers (Howard? Bob? Where are you??)

April 24, 1984

The meeting was called to order by President Rich. Invocation by Jim Troust.

Song leader John Milnes, without instrumental help, led us with the assistance of Charles Bacon (qui in tantum loquitur) and Vince Kornstien(qui in omnia defessus est) --who, in turn, co-opted Bill Nettleman and Bill Milnes. A single chorus of "Clementine" was the result!

We celebrated the birthdays of Gordon Schlubatis(who had his money out last week), Chuck Putnam(who was present at another undertaking), and Dan Magsig(who was missed by Dave Rubley). Happy birthday, fellows!!

Guests for the day were:

Jenny Buchanan, CHS
Ken Worden, Lakeland, Fla., Rot.
Wendell Harhaway, Bronson Rot.
Wade Smith, BACC
Kim Humphrey, CHS
Mike Bodkins, Quincy Rot.
Rick Wallace, CHS
Dick Huttenlocher, Quincy
Vern LaFountain, Quincy Rot.
Gary Maiers, Grand Rapids
Kent Miller, Bronson Rot.

We voted for distribution of Rotary Show money among nominated causes.

Steve Glover announced raffle tickets are available to promote the Lake Festival & other similar efforts. See any Chamber officer.

Sergeants Steve and Terry did their thing.

Early leavers escaped at \$1.00 a head.

Vice President Mark reminded us of upcoming programs:

May 1....Jack Faulkner
May 8....Buzz Galliers
May 15...Ed Geishert
May 22...Reo Goodwin
May 29...Chet Graves

Mark introduced program chairman Jim Endicott. Jim in turn presented Chuck Lapp of the recently created Hillsdale County Railroad and Bill Donaldson of the Norfolk and Southern Corp., who talked to us about the rail services available to our area through their respective companies. Those of us who aren't in the transportation business got an excellent overview of the RR system that will serve our area. Thanks!!

TUESDAY, MAY 1st, 1984

President Rich announced that there will be a board meeting at his house next Tuesday night May 8th at 7:30 p.m.

Steve Glover reminded us to be sure and purchase our Sister City/Lakes Festival raffle tickets.

The meeting was then turned over to Sergeants John and Steve, but not before President Rich fined each Sergeant \$1.00 for failure to set-up before and put away after the meeting, to a roar of applause from the members in attendance. John and Steve managed thanks to the help of Jim York, to collect a sufficient number of funds for the day. Good job guys.

Early leavers were excused for a \$2.00 fine.

Mark Maire then introduced John Dygert, who in the absence of Jack Faulkner introduced the program for the day...

John introduced Sue Maxson of the Branch Area Careers Center who spoke to the club about the Office Education Center or as it is now known, the Information Processing Center. Thank you Sue, John, and "OH YES" Jack for a very informative program.

Only in America...

Do they lock up the jury and let the prisoner go home.

Do we play baseball under a roof and go to the movies outdoors.

Do we make instant coffee and then dawdle over it for an hour or more.

Does a mother drive her kids three blocks to a physical education class.

Does it take more brains to make out the income tax return than it does to make the income...

TUESDAY, MAY 8th, 1984

Todays meeting was opened by President Rich. Invocation for the day was delivered by John Milnes

John Martinen directed the club through several songs with the assistance of Mary Magsig at the piano. Both John and President Rich extended their appreciation to Mary and John also announced that hopefully will have a piano player attending every meeting.

Noting that presently over 100 kids were now using and enjoy the weight room facility. The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

May 15, 1984

The meeting was opened by President Rich. Invocation by Jim Troust.

Songs were led by Jerry Towns, assisted(at last!) by Winnivere Kornstien.

Birthdays were celebrated for:
Jim Olmsted(who was here)
Ken Elliott(who was not)
& Paul Ruse(ditto)

Congratulatuons, guys, wherever you are!!

Pres. Rich read a letter of appreciation from Lisa Ashdown for the Rotary Scholarship given her. (4 were awarded)

It was announced Gordon Schlubatis is quite ill in the Community Health Center.

Reb Turner has tickets for Mayor Exchange Day Wed., May 23, at the Career Center.

Sergeants John and Steve plowed through a mighty sheaf of newspaper clippings - and a lot of dollar bills from members.

Early leavers - 20 or more - were assessed \$1. apiece

Vice. Pres. Mark reminded us of up-coming programs:

Next week.....Reo Goodwin
May 29.....Chet Graves

This week's program chairman, Ed Geishert, introduced Gery Kuckel, City Mgr., who threw open the floor for comments and questions. Most discussion centered on the projected shortfall of revenue for the next year's budget, and ways fire and/or police service might be changed. Given the fact that a budget must be in place by July, it looks as if the Council is going to have to make some tough decisions fairly quickly. We thank Ed and Gary for a useful discussion of a timely issue!

New members proposed for Rotary:
Marv Rosenberg, Steel Distr.
Bill Tyson, Auto Sales Retail
Any objections in writing to Pres. Rich within ten days.

May 22, 1984

The meeting was opened by Pres. Rich. Invocation by John Milnes, who requested a moment of silent in memory of Gordon Schlubatis.

Songs were led by Jerry Towns, with help from Estelle Voss.

Birthdays were celebrated for:

Ken Elliott
Bill Crotty
Dick Biringer
Hal Creal
John Dean
Paul Ruse
(& we missed Dennis Polcomb!)

Guests for today were:
Garth Wilber, Bronson
Lee Ballard, Bronson
Dick Robbins, Angola
Jerry Hollister, Bronson
Hugh Mohney, Bronson
Penny Whitaker, CHS
Marianee Axelby, CHS
Carl Cecil, CHS

President Rich announced the following monies from the Show were voted by the Board:

Tibbits, \$2,000
High School Press Box, \$1,500
Camp Kimball, \$500.
Hospice, \$500.
Substance Abuse, \$500.
Listening Ear, \$500.
Xmas Decora.,\$500.

It was announced Dale Treadwell is in Lutheran Hospital, Ft. Wayne

Pres. Rich read a letter of thanks to the Club from Danis Barker, who received a \$500. scholarship this year.

Jim Lyon was honored with a pin for ten years perfect attendance.

New membership application has been received for Michael Cherry, attorney. Any objections in writing within ten days to Pres. Rich.

Sergeants Steve and John have produced over \$2400. this quarter. At this rate, we will have enough for six scholarships next year!

Early leavers were dismissed free.

Program chairman for the day was Reo Goodwin. Reo introduced Judy Lutz from the local chapter of the American Cancer Society. Judy spoke of the history of the Society, begun in 1913, and about its three major emphases: research, education, and service, funded with its annual income of over \$100 million. She focused our attention on the free health maintenance/promotion programs available to business through ACS, esp. the smoking cessation program. She startled us with information from HHS that 54% of all deaths under age 65 are directly attributable to adverse lifestyles, at an annual cost of \$27 billion! The money saved by the average business on each employee who quits smoking is \$345./year - certainly ample reason to take advantage of the program!!!!

The Singingest Club in the U. S. A.

June 12, 1984

The meeting was opened by President Rich. Invocation by Jim Troust. Songs were led by Jerry Towns with accompaniment by Winnie Kornstien.

We celebrated the birthdays of Jim Conrad and Gary Kuckel.

Guests for today were:

Bill Greathouse, Middletown, Ohio
Wendell Hathaway, Bronson
Bill Smith, Lafayette, Ind.
Bob Stark, Quincy
Lee Ballard, Bronson
"Old What's-his-name," Florida
Mike Burns, Merrill-Lynch

Pres. Rich read thank-you letters from Hospice and Tibbits for our grants of show money.

Members were reminded of the District Meeting at Olivet on the 23rd.

Bill Crotty (re)introduced Bill Tyson, our newest member. Welcome back, Bill!!!

Sergeant-for-a-day Dave Rubley got his long-delayed revenge on the Club, helped by Steve and John as bagmen. All those 5'8" or over paid 10 cents a foot(which isn't much considering Al Nelson volunteered to spell "Rubley" - "s-h-o-r-t"!)). As if this wasn't enough, Steve and John went ahead with their usual thing. We wonder what the "take" was.

Early leavers were excused for a sum that missed your reporter....

Program Chairman today was John Klein, who introduced Bob Rogan, Facility Administrator at the Regional Center. Bob reviewed the two crucial federal court cases from the early '70's which mandated the de-institutionalization which we see at work all over our state and country today. When Bob arrived in Coldwater in 1978, 1,000 residents were still "on campus"; and standards still had to be met both in program and buildings to qualify for Title XIX reimbursement from the federal gov't. By July, 1981, CRCDD was fully certified; and in 1980/81 the further step was taken of securing accreditation from the ACMRDD, a private agency, making our Regional Center one of only forty such facilities in the nation. Bob sees the Regional Center eventually settling around 250 residents in 4 to 5 years. Current plans are to change the nature of the institution to include mentally ill as well as mentally retarded people in the resident population. Because of location and the nature of the buildings in question, it is not likely any prison facility will be located in Coldwater. Bob then fielded questions from the Club. Our thanks, John and Bob, for an excellent program!

June 19, 1984

The meeting was called to order by President Rich. Invocation by Jim Troust. Songs were led by Jerry Towns a capella.

We celebrated the birthdays of Larry Woodhams, Reo Goodwin, and Bill Tyson.

Guests at today's meeting were:

Bill Smith, Lafayette, Ind.
Jim Vozar, Quincy
Irvin Worthman, Bronson
Vern LaFountain, Quincy
Tom Megargle, Bronson
Fred Nichols, Portage
Ken Worden, Florida & Coldwater
M.W. Feigert, Findlay, Ohio

Pres. Rich told the Club we did indeed get a letter of thanks from Tibbits.

Bob Rumsey was honored for 24 years of perfect attendance. Congratulations!!!

Vice Pres. Mark reminded the Club of the District Assembly the 23rd in Olivet.

Sergeants Steve and John, doing their thing for the last time, relieved members of cash on various pretexts.

Early leavers were excused for \$1. apiece.

Program Chairman for today was Bob Kerr(who, take note, arrived early!!!). Bob introduced Ralph Anderson of the Jackson office of the DNR, responsible for a nine county area including Coldwater. Ralph reviewed the Iowa-Mich. trade whereby wild turkeys have been stocked in the Waterloo Recreation Area and monitored by remote radio signal. Ralph presented a brief slide and tape program on the overall DNR plan for raising adequate revenue in a fair manner. He fielded various questions from the membership following the film.

Vice Pres. Mark reminded members of up-coming programs:

Next week...Larry Iveson
July 3.....Vince Kornstien
July 10.....Gary Kuckel
July 17.....Bob Loose
July 24.....Jim Lyon
July 31.....Dan Magsig

New Membership Application has been received for James Erickson, classification, Food Brokerage. Any objections should be made to President Holben within ten days.

Dennis Holcolm advised us of Ladies Night reservations - when you get this it's too late.

GOLF OUTING if you're not registered and wish to go - see or phone Larry Woodhams.

President Mark presented Craig Sebald his 26 year perfect attendance pin. Congratulations Craig.

John Dean introduced our newest member, Jim Erickson, Vice President of Sales at Alliance Foods. Jim was raised in St. Joseph, Mi. and resides now on Kelle Drive with his wife Elizabeth. Jim enjoys golf (a 5 handicapper, anyone could enjoy golf with a handicap like that!) and creative cooking.

Sargeants Steve and John were in their normal mental state and shooting for the presidents goal of \$3500.00 for the year.

YOUR HOROSCOPE can be read to the club now for a buck, but everyone finds out just what you are!

VP & Program Chairman, Howard Taylor advises you to get your program set up 1 month in advance or he will either give you one or set one up for you to present.

NEXT WEEKS PROGRAM The FBI brings in Jim Lyon or maybe its the other way around.

Bob Loose introduced Chuck Woodward who spoke to us on his recent (3) years) interest in genealogy. His researching Col. Gilbert family has given him many hours of enjoyment and learning of history. Of many things he has found out

the Gilberts religion turned to Spiritualism and backed by faith, determination and money built a church here in Coldwater, later to become the Buggy Family Home and now the meeting place of our Rotary Club, yes it is the Elks. Col. Henry Gilbert took one in the chest in battle and died. Lydia Gilbert was found guilty out east of witchery in connection with a murder. She was to have mentally pulled the trigger of a gun in another mans hand. She was sentenced to death. Chuck is having great fun putting all of the information in his Apple IIE and said if you're interested in Genealogy he would like to discuss it with you.

Coldwater Rotary Club records is another interest of Chucks and he advised anyone or knowing of any records of this club to bring them in to him, Ernie Luce or Howard Teeter. They will all be filed in a Rotary records cabinet to be placed in the Wing Museum.

Howard Teeter holder of the longest membership in Coldwater Rotary joined November 11, 1938 and remembers meeting in the St. Marks Church, The Arlington Hotel and now in the Elks. Rotary Shows staged at the Tibbits in blackface and using the old Bon-Ami Club (Now where L & L Tire Service is) for makeup and dressing rooms. He pointed out all meetings of Rotary, Local, District, National and International are very important and thinks someone from our club should attend them. If possible the entire board.

Ernie Luce our oldest member joined the club August 7, 1945 and has watchd it grow from 40 members to 97 today. He has been pleased with the young men coming

into the club and advises them to get involved and help Rotary continue to strive ahead at full blast!

CONGRATULATIONS CHUCK! Again one of our own members gave an outstanding program. It was also good to hear from Howard and Ernie.

PROPOSED MEMBER:

The Board of Directors have approved the new membership application for David Ameen Administrator Community Health Center. Any objections should be sent to President Mark within ten days.

ROTARY MEETING TUESDAY, JULY 24, 1984

The meeting was called to order by President Mark Maire.

Invocation was given by Jim Troust.

Terry O'Connell lead us in song and the celebration of Fred Anderson, Larry Dunworth and Dick Hruskas birthdays.

President Mark asked for club announcements.

Howard Taylor advised today was the deadline to register for the golf outing. As far as we could make out 4 to 6 foursomes will participate.

Jolley explained the Bulletin is being reworked and will be placed on the tables at our meetings to cut costs of mailing. We ask that you take it home to your Rotary Ann. This week 44 were left on the tables. For those absent the attendance committee will mail it to them.

Bob Nagle advised that greeters have been appointed for each week. Please be there on time to greet your friends. If for some reason you can not make it on your day...simply ask someone to fill in for you, greeters for the next few weeks are:

August 7th Pat Albright & Howard Teeter
August 14th Rich Piatt & Bill Bobier
August 21st Jim Olmsted & Vince Kornstein
August 28th Jeff Dean & Gil Patton

At this point chaos took over in the form of Steve Glover and Dean Milligan (Sergeants-at-Arms) Somehow they auctioned off a magazine for \$36.00 and found a way to access fines totaling \$74.00 to others. A grand total of \$110.00 for the day.

Rotarian Guests:

Clarence Babcock
Bill Smith, Lafayette, In
Lee Ballard, Bronson
Blaine Katz, Bronson
Clarence Snyder, Bronson
Doug Brown

Non-Rotarian Guests:

Jeff Brazo, Bronson

Dale Treadwell introduced Blain Katz...

Also served 2½ years as a Marine Guard, American Embassy, Norway. Graduated George Washington University, School of International Affairs 1961. Appointed Special Agent, FBI, May 1962 and served 20 years in the Atlanta, San Francisco, and New York field offices. Prior to retirement, May 1982, served as acting Chief of Liaison between FBI and other U.S. and Foreign government officials. Past Commander, J. Edgar Hoover Post 56, American Legion. Member, Society of Former Special Agents, FBI; Classified Law Enforcement; Bronson Rotary; Coldwater Exchange and Elks Club; Southern Michigan Law Enforcement Association; Big Brothers, Michiana; Our Savior Lutheran Church, Allandale, New Jersey. Resides at Coldwater Lake with his wife Judy.

Blain Katz shared with us, many of his memories of service. They included his work in connection with Watergate - Koreagate - Wilber Mills and Fanny Fox among others.

Another fine program. Thank you Dale.

QUESTION: If a Penthouse is worth \$36.00 maybe one of our Real Estate people could tell us what a Condo is going for these days.

ROTARY MEETING JULY 31, 1984

Todays meeting was called to order by President Mark Maire.

Invocation was given by Bob Man. Hal Sexton was the song leader for the day assisted by Winnie Kornstein at the piano.

GUESTS FOR TODAY WERE:

Rotarians:

Bill Zabonick, Bronson

Ed Errington, Fort Wayne

Bill Smith, Lafayette, Ind.

Garth Wilber, Bronson

Non Rotarian: Larry Rayner

President Mark read a thank you note from Bob Man to the club. It sure was great to have Bob back with us today.

Also a note from the Sturgis Club to inform us of 2 things. The first was that their club will now meet at 11:45 a.m. on Mondays starting September 10, 1984. The second being the announcement of the John Aster Memorial Classic Golf Tournament to be held on Saturday the 18th of August at the Klinger Lake Country Club, and presented a challenge to any Rotarian foursome!

Harold Card was honored for 8 years perfect attendance. Congratulations Harold... keep up the good work!

This brought us to Sargeant John Shea and Bagman John Dean...the boys did their usual "fine" job of collecting \$\$\$

Howard Taylor had several announcements:

(1) Howard asked that all committee reports be turned in to him by the next meeting.

(Carroll Barnes promised to have all the forms to his members sometime ?? before they are due!!)

(2) A reminder about the golf outing in Three Rivers next Monday, August 6th to the 4 Foursomes signed up to play.

The Semi-Annual Attendance Records were left on the tables for inspection. Any changes please contact Bob Rumsey. If you must miss a meeting please remember to make-up if possible.

Greeters for the month of August:

August 7th Pat Albright & Howard Teeter

August 14th Rich Piatt & Bill Bobier

August 21st Jim Olmsted & Vince Korstein

August 28th Jeff Dean & Gil Patton

If you are unable to attend on your day for any reason please ask someone to fill in for you.

Early leavers were excused for \$1.00...

Rich Piatt, Gary Hart, and Dave Rubley presented the program for the days meeting. Rich is the clubs Public Relations Committee Chairman. Rich told a brief lifes history of himself and asked club members for their help with input as to any information about club events, happenings or anything that will give the club publicity and let people of the community know whats going on with our club.

Gary Hart, Attendance Committee Chairman also gave a brief history of himself. Gary told the club that each week for those not in attendance, the attendance committee would be mailing them a bulletin to keep them up to date on whats happening. For those in attendance, bulletins will be left on the table to read and or take home as your desire. Also for the people not in attendance a list of where and when you may make up the meeting if you wish.

David Rubley, the Classification Committee Chairman, created a good club discussion with the classification and petition procedures. Dave informed the club of the proper way of proposing a new member and the procedures you must take.

Thanks guys for a very informative program.

Howard Taylor noted a couple interesting averages! The average age of members of the club is 49.80 years old...the average years of service in the club is 11.77 years.

Sergeant Glover and Rubley managed to free some moths as billfolds were opened.

Early leavers were excused for \$1.00.

Stop and think! Is it necessary? How would I feel if it was my program and a bunch of Rotarians got up and left? We all have those emergencies when we have to leave early, but lets try to cut down on the number of times we have to use this freedom.

John Martinen introduced Richard Schakner who is opening a new business in Coldwater under Edward D. Jones and Associates dealing in stocks, securities and financial services.

The company now is 112 years old with 700 offices, covering 33 states. They intend to have some 2000 offices within 5 years.

Their goal is to get 95% of the speculation investors.

He feels that 1985 will be the best year ever for the investors.

Thanks John for introducing Rich to us and a fine program.

Ha Ha) introduced Jerry Hagen of Gilmore-Foyt Racing Team showed the new 1984 Indy Film "Green Flag at 200" acknowledging all 33 cars qualifying all over 200 MPH. This was a different film for a race film with most of it pertaining to safety and the nuts and bolts of racing.

COLDWATER ROTARY MEETING, TUESDAY, AUGUST 21, 1984

Invocation was given by Jim Troust

Hal Sexton backed by Winnie on the piano lead us in song. His balloon experience came through as we hit a few HIGH notes. Thanks Hal and Winnie.

Birthdays celebrated today were:

John Dygert, Larry Iveson, Ken Smoker and Terry O'Connell

Introduction of guests included:

Rotarians...

Bill Smith, Lafayette, Oh

Garth Wilber, Bronson

Pete Baldwin, Quincy

Ken Worden, Florida

Non-Rotarians...

Clarke Maxson, Battle Creek

Norm Youtsey, Brighton

It is always nice to meet new friends and see old ones. Some of our guests have attended many times and seem to be a part of our club.

ANNOUNCEMENTS:

1. Greeters check the bulletin for your assignment and greet your friends, members and guests.
2. New song books are being printed by Rotary International, our order will go in Dec. 84. (the first time R.I. will accept orders)
3. District Governor, Franklin E. Rothfuss of Hastings will be here Sept. 11th. Let's have 100% attendance that day and NO EARLY LEAVERS.
4. Committee Reports are PAST DUE! Come on Chairman, President Mark needs your help to do his job.
5. EARLY LEAVERS - 17 this week at \$2.00 per head.

SARGEANTS JOHN SHEA & HAROLD CARD managed to squeeze out a few bucks including a buck from Bob Kerr for being ON TIME for the meeting.

DUES ARE DUE!! Get yours paid now! Those not paid will most likely be dropping some cash in the Sargeants bag today!

Dick Moore introduced Ruth Scheidler, well known to us for being a very active lady in our community.

Today Ruth gave us an insight to the Domestic Violence Committee of Branch County toward women. Her opening statement was "I never realized how much domestic violence there was until I got involved with this group".

They have handled 51 different cases since February. Women are abused by physical and verbal means among others. She likes the Chinese Proverb "He who strikes the first blow admits his idea has failed". Her staff operates the Shelterhouse and at the present time is packed with women and children. The staff can use volunteers in help, maintenance, materials, etc. For complete list phone 278-7432.

TRIVIA:

- *25% of cases go back home successfully
- *Most men do want the family back
- *Generally families stay at Shelterhouse one week, but range from overnite to 5 weeks
- *Counseling for men also is available through the Mental Health Office.

A very informative and thought provoking program. We really don't know what goes on in our county, city and neighborhood.

You, your committee and staff are providing a great service Ruth. We thank you for presenting your problems, thoughts and solutions to us.

Thanks Dick for a great program.

GREETERS

Sargeants Glover & Reem added to the scholarship fund (not a real land slide but it did seem good that they didn't need the fork lift!)

EARLY LEAVERS - 11 this week, those 11 really missed out on the program.

Bob Nagle (program chairman for today) had challenged Bill Nettleman to present a program which would not be boring on the subject of "Lice".

Bill tried his best but those little "suckers" and "biters" kept boring right in. Ha!

Bill showed some slides of these little rascals along with some familiar local gentlemen who suffer from the little devils.

He also showed examples of symptoms including head scratching, one hand and two hand styles, one & two hands stuffed into front pant pockets could also be a problem sign. Dirty-hairy bodies make a wonderful spot for these little fellows - a great spot to setup a community.

Not to many applauded the program as they were to busy scratching...

Lots of fun as usual Bill and we thank you for taking the challenge from Bob.

Greeters coming up...

- Sept. 4 - Hart and Anderson
Sept. 11 - Fast and Geishert
Sept. 18 - Smoker and Seaman
Sept. 25 - G. Dean and Bobier

The COLDWATER *Rotary* REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

ROTARY MEETING OF SEPT. 18, 1984

Bob Man gave the invocation

Singing led by none other than Terry O'Connell

Birthdays celebrated were: Jim York, Dick Moore & Bill Bobier

The following announcements were made:

Gary Hart reminded the club about Western Nite
Chuck Woodward - Bill Grime's Memorial Fund - also needs historical material if you have any.

We were happy to have as our guests today the following:

Pete Barone - Farming
Vern LaFountain - Quincy Rotarian
Hugh Mohny - Bronson Rotarian

The scholarship fund continues to grow thanks to Jim York & Dave Rubley's dollars.

Shea, you and your co-man, Glover really doing a job.

Early leavers today: 7 -- too many!

Bill Milnes filling in for Brother John introduced today's program.

Phyllis Rosenberg - Director of Coldwater City and Branch County Library.

Phyllis used the title of "The Ladies God Bless Them" for her informative speech.

She began by giving us some background history of our library system. Our library was founded in 1938 as a Women Association. In 1978 after much investigation the city and the county joined into a joint venture. It was at this time that plans were made to reconstruct the library which has made National acclaim and is listed in the National Historical Society in Washington.

In the library we have a historical room which holds many of the past treasures of Coldwater. We also have at our disposal books, magazines, records, video cassettes, references and a large phone book collection.

Phyllis went on to give us many more statistics about our library and the many ways the women of our community helped in the operations of it. She advised us of the real needs of it and how we can help.

Very interesting program - thanks Bill & John

ROTARY MEETING OCTOBER 9, 1984

President Mark opened today's meeting. A moment of silence was observed in honor of Carol Towns.

Father Man delivered the invocation for the day.

Song leader was Terry O'Connell accompanied by Mary Magsig... Thanks so much Mary, you make us all sound better!

Birthday this week Dick Uhl "OOPS" Dave Rubley was just kidding... it was Les Wise's birthday, but what? No Les! So the club sang Happy Birthday to Ernie Luse. Anyway Happy Birthday someone? I believe Les Wise!

Guests for today's meeting

Rotarian: Dick Robbins, Angola; Kent Miller, Bronson

Non-Rotarian: John Dygert, Coldwater

Announcements:

Rich Piatt announced that National Newspaper Week is this week October 7th thru the 13th and on Wednesday October 10th the Reporter office will be open for tours.

Hall Sexton announced that donations for the Bill Grimes Memorial are still being accepted. Anyone who has not donated and would still like to please see Walt Fisher or Mark Maire.

Terry O'Connell informed us of the Annual Tibbits Auction to be held this year Saturday Night, November 3rd. Anyone wishing to donate anything for this worthy cause is more than welcome.

Fred Anderson presented Pres. Mark with a club flag from Exidor England. The only "mistake" Fred made was to promise to send one of our flags.

Dick Fitzgerald presented a timely tune-up to the World Series with a slide presentation entitled "Willie, Mickey and The Duke" put together from some of the 75,000 baseball cards his son has collected.

Sargeants John and Steve then proceeded to extract a few dollars from the pockets of many Rotarians. They'll have no problem obtaining their goal. Super job guys, keep it up!

Howard Taylor announced that since there were 6 early leavers they would be excused for 66¢ if they had the correct change or \$2.00 if they didn't.

Howard then introduced today's program chairman, Jim Olmsted who in turn introduced Don Shemel. Don discussed a new strategy for National survival in the event of a Soviet missile threat based on research by High Frontier, Inc. The basic concept of which is to get away from the concept of just pointing weapons at each other, to a new system of militarizing space, protecting ourselves from incoming missiles. Don touched on 4 important areas: Militarizing space; Cost Factor; Feasible Technology; Possible breaking of any signed Treatys. A final thought - what if free people could live secure in the knowledge that their security did not rest upon the threat of instant U.S. retaliation to deter a Soviet attack; that we could intercept and destroy strategic ballistic missiles before they reached our own soil or that of our allies... would it not be better to save lives than to avenge them?

Thank you Don and Jim for a thought provoking program.

The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

ROTARY MEETING TUESDAY, OCTOBER 30, 1984

President Elect Howard Taylor opened today's meeting in the absence of President Mark. Jim Troust delivered the invocation. Terry O'Connell led the club in a few songs. The club also thanked pianist Mary Magsig with an arousing applause...thanks so much Mary for taking the time to spend with us.

Guests for today's meeting were
Rotarian: Norm Moore, Quincy; Hubert Mohny, Bronson
Non Rotarian: Paul Satow; Sue Straw; Lisa Unrow; Jeff Siler

Birthday greetings to Larry Parks, Dean Milligan and Bob Rumsey.

The following announcements were made

1. A reminder of the Tibbits Annual Benefit Auction by Dick Fitzgerald
2. Howard Taylor told the club that prior to any election those people with a program scheduled please refrain from any political content program. Come to think of it...isn't any program prior to an election of somekind? Howard also encouraged everyone to get out and vote.

*****PLEASE REMEMBER TO VOTE!*****

3. Dick Uhl shared with the club a letter??? from Dr. Morgan pertaining to Bill Nettleman and David Ameen. Stay tuned for the next addition!!!

Sergeant John Shea and Bagman Rich Holben collected a few more dollars for the scholarship fund.

Early Leavers excused...and today definitely excused because it didn't cost them a penny, although some contributed anyway.

Howard then introduced John Pierson, today's program chairman. John in turn introduced State Trooper Rod Olney. Rod, a Michigan State Policeman for the past 13 years, presented a slide presentation about the states S.W.A.T. team. The group originated some 10 years ago with Rod one of the original members. There are presently 35 members of the team. One of the requirements to be a part of the team is that you must be a trooper for 2 years. The group trains at Fort Custer in Battle Creek and also Camp Grayling. They are trained in many different areas, for example, firearms, sniper attack and also terrorist attack. This group happens to be the only anti-terrorist team in the state. Rod told the club that during the 10 years the team has been together, they have never had to shoot anyone despite having responded to over 400 calls. Most of the calls the team has received have been in the Thumb area, namely the Flint, Bay City area.

THANK YOU ROD & JOHN

The COLDWATER Rotary REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

ROTARY MEETING NOVEMBER 6, 1984

Invocation was given by Jim Troust. Singing directed by Terry O'Connell with Winnie at the piano. Thank you both for a good selection of patriotic songs.

Birthdays were celebrated by Larry Parks and Ed Geishert.

Purdue Senior Cords were modeled by Jim Conrad and Terry O'Connell commented they went out years ago and congratulated Jim for still being able to get into them. What is Rotary for if you can't have some fun!

Howard Taylor standing in for President...??? (well I can't remember but you might remember who is President this year) asked for the introductions of guests, then turned the meeting over to the Sergeants. Sergeants John Shea and Steve Glover really presented an outstanding program. They read a story authored by themselves which involved (you guessed it) every member of the club (50¢ each) which had taken some time to work out and relate. VERY INTERESTING FELLOWS! You always seem to be able to top your greatest.

VP Howard then introduced our program for the day. Shanon Legg, Executive Secretary of the Downtown Business Association gave the success story of the now 20 year old group. She hit on the original goal for more parking, Urban Renewal Downtown, tax values doubled in the last 20 years thru improvements, and of course their city wide promotions, annual dinner, help with Sister City Festival and the new Halloween Festival.

She reminded us of the D.B.A. Gift Certificates which can be purchased thru D.B.A. and given to employees, loved ones and etc. She asked that we all consider giving them this season and yes the year around. This years goal...\$20,000.00.

Santa Land to be bigger and greater than every this year.

Thank you Shanon and Howard

The Singingest Club in the U. S. A.

ROTARY MEETING NOVEMBER 20, 1984

Charles Bacon gave an update on the condition of our Rotarian friend Bob Nagle. Bob is in critical condition at the hospital and on a life support system. Chuck reflected on the past 25 years of his friendship with Bob.

Invocation was given by Jim Troust.

Student guests included Michelle Ford and Becky Hickok.

Dan Magsig still needs backers for the Big-Brother-Big Sister bowl-a-thon. Sign up now for a good cause. Bowling 3:00 p.m. Saturday, December 1st.

John Dygerts thank you note was read to the club remembering him during his recent stay in the hospital.

Dave Rubley advised Reo Goodwin is at home now under his wifes care. He would appreciate hearing from us.

Sergeants John Shea & Steve Glover managed to get most everyones billfold out. If they keep going like they have been, we won't need programs!

Early leavers were excused for \$1.00, \$2.00 and \$3.00 by some Howard Taylor System!

President Mark was here again this week and introduced Terry Reen the program Chairman for the day. He presented three Exchange Students. Each spoke for about 5 minutes.

Joe Madina of Madrid Spain, likes to play soccer, has 8 brothers at home, studies math, history, English, chemistry and best of all Spanish. He stated that there is more liberty in school here.

Hiroki Hirada "Hero" from Japan, studied Kando & Judo at home, the art of defense and killing. He said that in Japan students are seperated according to learning capacity and that drugs and alcohol in school and its easy availability here was quite a surprise to him as it is not in the schools of Japan.

Pat Ansal of Soltau Germany, now enjoying his third trip to Coldwater has one sister age 15 at home. He plays drums, likes sports and is going out for track next season. He also stated that Germany schools are seperating students according to learning capacity.

Thanks fellows for a fine program, you really hit home with some of your comments.

November 27th Program arranged by Dave Rubley with the help of Dave Ameen will be on "Manpower"

COLDWATER ROTARY MEETING TUESDAY, NOVEMBER 27, 1984

Prior to the invocation a moment of silence was given in remembrance of our departed friends Reo Goodwin, Robert Nagle and past member Wm Klotz

Jim Troust gave the invocation.

Terry O'Connell lead us in song and we celebrated the birthdays of H. Card, C. Barnes, J.E ndicott, D. Uhl, and M. Maire.

Our student guest this week was John Hruska.

Pres. Mark advised that our meeting of December 18th has been set aside for disadvantaged kids from first to fifth grade. A Christmas program is planned with Magic Show, gifts and etc. Some 75 children will be with us and we are asked to pay \$5.00 that day to help defer costs. Donations of books and small gifts will be taken by John Ufkes and Ray Cardenas. Plan NOT TO MISS THIS ONE!! These kids can use a little joy and excitement for your few minutes of time and effort.

Through devious means the Sergeants filled the fish net again. Glover and Shea - Glover and Shea when will they give us a NO FINE DAY? Ha!

Dave Rubley program chairman for the day asked Dave Ameen to sub for him, and then Dave couldn't make it so asked Dick Uhl if he would introduce the program today. Well, Dick didn't have anything special going on so he introduced Clem Bommarito from the Private Industry Councils Job Training Partnership Act. They work only with welfare people in job training and placement in Branch, Barry and Calhoun Counties. They offer a 50% wage incentive to the employer of these people. Most of the people have been able to do a good job for the employer and he has been very pleased with the end result. Clem had a slide presentation and tape which included employers giving their approval of the program.

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING, DECEMBER 11, 1984

Jim Troust delivered the invocation for today's meeting. Terry O'Connell and Winnie Kornstein led the club in song.

The following announcements were made:

1. Rich Piatt asked for a volunteer to serve on the Branch County C.P.R. board. Anyone interested please contact Rich.
2. Dan Magsig is still looking for those Bowl-A-Thon checks! Please get your money to Dan.
3. Howard Taylor asked that all merchandise for the December 18th meeting please get to John Ufkes or Ray Cardenas by Thursday. If you haven't already done it...it's too late now!! Also Howard asked for volunteers to drive the kids home after the meeting.
4. All people scheduled for programs in January please get in touch with John Klein if you are having trouble lining up a program.
5. President Mark informed the club of the progress of the Bob Nagle Memorial Fund.

President Mark honored John Klein for 13 years perfect attendance...Congratulations John.

Sergeants Steve and John Squeezed out a few bucks again this week.

Program Chairman for the day was Bob Seaman who introduced his lovely granddaughter Christine Mollenkopf who brought us a slide presentation on Australia. Christine was an exchange student who spent 6 months in the state of Queensland. She was part of the Youth for Understanding Program. Following a 17½ hour plane ride with a stop in Hawaii she arrived in Sydney in January of this year. The state of Queensland is a big producer of sugar cane, pineapple and very rich in mineral and oil deposits. The slide she showed of the cities and countryside were just beautiful and the program just excellent. Thank you Christine and Bob for a most interesting program.
