INTERACT CLUB of Coldwater High School (www.coldwater.k12.mi.us/interact)

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2.) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, we have participated in the State's Adopt-A-Highway Program, cleaning up a section of I-69. Many Interactors are involved in an after-school tutoring program run by Legg Middle School. Over 2/3 of our members are also involved in a mentoring program at Legg Middle School or a mentoring program established by Big Brother/Big Sisters at Max Larsen Elementary School and Lincoln Elementary School. In conjunction with the Jaycee's we organized this past year's Christmas in Coldwater food drive in the High School and this year we contributed 2,140 lbs. of food to needy families in Coldwater. We also adopted four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are a sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, and over 45 Interact members helped in the construction of Kid's Kingdom a few years ago. Each year, Interactors must participate in one of two major club projects: Senior Citizen Leaf Raking Day sponsored by the Coldwater Education Association or Sprucing up C.H.S. This year over 45 Interactors helped to rake numerous yards in Branch County on a gorgeous November day, and we make sure that the grounds of Coldwater High School look good by weeding and mulching in the front of the school as well as planting flowers prior to graduation.

At C.H.S. we have given out over $9,500 in scholarships over the past 12 years to needy students, helped to purchase the new sound system for Cardinal Field, and the "Cardinal" on center court of the gymnasium was Interacts contribution to our school. We also spruce up the high school grounds getting C.H.S. ready for graduation. Interact members work concession stands, put on dances and do other things to help raise the money needed to fund our various activities

Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all there help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
