We've launched our ship upon the Sea,
Fair was the wind and weather,
May Fortune grant a prosperous cruise
That we shall make together.

Grand and glorious was the feeling of each and every one of us as we wended our homeward way last Thursday night. We had had a great time and we were all proud and happy of being Charter Members of the Coldwater Rotary Club. And you can bet your last dollar on this proposition. If the Charter Members and those new members who will be taken in during the coming year display the same pep and enthusiasm and willingness to co-operate with one another, when the coming year has rolled round we will be still more proud and happy.

FRIDAY NOVEMBER 18th AT ST MARK'S PARISH HOUSE AT 6:30 SHARP.

(If we have to call up Sam Schultz or Eddie Freeland it will mean a two bit fine).

DONT OVERLOOK THE TIME AND PLACE.

We can get supper earlier and the meeting started sooner at the Parish House. Also we can have the use of a piano.

THIS IS THE MEETING FOR PERMANENT ORGANIZATION. EVERY CHARTERMEMBER MUST BE PRESENT. ALSO ON THIS EVENING YOUR SIGNED MEMBERSHIP CARD MUST BE IN THE HANDS OF THE SECRETARY AND YOUR CHECK OR CASH FOR \$18.35 IN THE HANDS OF THE CHAIRMAN.

If it required no brains, no nerve, no effort, no work,
there would be no glory in achievement.

GOOD STUFF.....

Part of a letter received by the secretary from the president of the Jackson Rotary Club.

"The Rotary Club is a unique organization based upon the idea of service-not Club service but individual service. The Club by fostering of acquaintenship and friendliness, by its study of community needs and problems and by the spirit of its ideals should inspire its members to give better service not only in their own affairs but to the community.... When some of your members become strongly convinced that the Rotary Club ought to "do something", be of good cheer for they will be almost converted. Keep up the good work and soon they will arrive at the conclusion that THEY, as individuals ought to "do something" AND as soon as they have put their convictions into actual practise they will have caught the true spirit of Rotary....."

NOTES ON THE COMING DINNER

Ros Strong has been appointed as Song Leader. Whatever he asks you to do, do it with all your might.

We hear Ed Legg has started taking singing lessons. Ed has no intentions of being fined twice for the same offence.

Fred Chambers asked permission to sing a solo. Request denied by unanimous vote of the members.

They have given Harry Milnes permission to try, however, and he will render an original composition entitled, "When my SHOES Wear out, I will Be on my Feet Again."

Frank Treat has taken the largest bull hide from the stack and has had it made up into a collectors bag. Mind yourP)'s and Q's, my bo. for Frank is after you.
