HELP !! Jim Endicott's report on TICKET SALES: 21% sold or promised as of Tuesday. What are you doing, fellows, saving them for Collector's items? Let's move 'em.

Afterglow note. All are invited and bring a guest if you wish. Please decide by next Tuesday so a head-count can be made.

The Board of Directors, on March 21, voted $36.00 to the new Portage Rotary Club which will be born April 27th.

Welcome back to the tanned travelers. We'd all like to hear Fred Culy relate how he caught two flamingos in a net! Were all three of you flying high at the time, Fred?

Visiting Rotarians and Guests: Ken Putnam brought Dr. Jack Gift as his guest. Visiting Rotarians included A. R. Leonard, Jonesville; Dwight Green and Jerry Hollister, Bronson; Lowell DeWitt and Charles Hahn, Sturgis; Don Schaberg, President Elect of the Lansing Rotary; and Jelvis Webb of Detroit.

Torg Skabo sent us an appreciated note this week from Sarasota, Florida. He's been attending the Sarasota Bay Rotary Club this winter, and enclosed copies of the Club bulletin "Bay Breeze". Of interest: This club of 65 members had 163 (no, this is not a misprint) guests at one March meeting! Their Rotary Anns meet monthly, and this month awarded two Nursing Merit Scholarships for L.P.N. training. (Has our Board considered helping the local L.P.N. Training School?)

A GREAT IDEA. The"Bay Breeze"has Five bulletin editors who alternate in preparing the weekly bulletin. (We'll be glad to see you back with us soon, Torg.)

Weather Note - Isn't it great to have a touch of that Florida-Arizona weather and not have to bring in the brass monkeys every night?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 21, 1967

This Week: C H O R U S R E H E R S A L

Next Week: C H O R U S R E H E R S A L

A Schedule Change: The Rehersal previously set for Monday, April 3 at the Tibbits has been changed to Sunday, April 2 at the Tibbits, 7:30 P.M.

Note: May we assume chorus members missing practice are not in need of same, and will accept special number assignments?

Guests: None! Perhaps we should all gargle with "Scoop" or apply "Bane".

Harry Owens, Branch County Boy Scout Executive, has been proposed for membership. His Major classification is Associations, and his Minor, Boys Work Association. Any objection to his membership should be made to the Secretary in writing within 10 days.

Quote of the Week: "Governing the Metropolis" - Scott Greer.

"The metropolitan citizen does not appear willing to pay in money or loss of local self-rule for a metropolitan government. . . . Scatteration is more than physical. It is also a scatteration in social and political space, a separation of control and planning centers, and therefore, a forswearing of the possibility of . . . rational policy."

Question ? Who pays the cost of copyright infringement damages - the Club or the writer?

Absent Tuesday: (Sorry fellows, but that's what happens when "filler" is needed badly) Allemier, Bacon, Biringer, Burandt, Culy, Dally, Kornstein, Molitor, Norm Moore, Pitts, Sebald, Teeter, Visosky, and Doug Woodward.

Rx: For that tired, run-down feeling, try jaywalking.

Cran Wilcox

March 14, 1967

NEXT WEEK - it's P R A C T I C E for our show. Please don't let this entice you into skipping. It's later thank you think.

THIS WEEK - Dr. John Heffelfinger stirred the muddy waters a bit as he briefly covered a few points from the Branch County Health Study. Member participation showed interest: critical, concerned, puzzled. "Needed: Action on those problems we've studied 'over-long'". Fred Hough was program chairman for the day.

Guests: Dick Biringer had James Carr as his guest. Visiting Rotarians included Wendell Hathaway, Alan Davidson, Clarence Snyder and Alvin Wiler, all of Bronson.

The Board of Director's on March 9th:

- Voted $50.00 to help Anitaka Erickson, whose clothing was destroyed in a recent fire
- Re-classified Clyde Williams to Major-Electrical Industry and Electronics, Minor-Electrical Equipment Manufacturing,A.A.
- Granted a leave of absence to Andy Henry to April, 1967
- Seated the New Board.

We're all happy you're coming along so well, Andy, and will soon be back at our meetings.

Stewart L. Udall, Secretary of the Interior: "Our resource problems in the 1960's are measured by the flyway of a bird, the length of a river, the half-life of an element, the path of a wind, the scope of the oceans, the shape of our cities. The years ahead will require both public and private conservation statesmanship of a high order."

Frankly-Filler:

Social Security - something that promises you steaks for an age when you have no teeth.

Reformer - Someone who wants his conscience to be your guide.

Father Bob reports that at the reception, after he had married a couple in their 70's, they spiked the punch with Geritol and threw vitamins instead of rice.

Timely - "Nothing spoils the cheerfulness of a phone call like the question "How many tickets will you take?" (Nevertheless, SELL those tickets, fellows and then come to practice so the buyers won't want refunds after the show.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 7, 1967

Next Week: Fred Hough is in charge of the program, and has arranged for John Heffelfinger, M.D. to give a report on the Branch County Health Study.

This Tuesday: We witnessed a remarkable demonstration of the Laser Beam. Dick Howell of General Telephone Company told us what it was, how it works, and present and potential uses. "A solution looking for problems to solve". And the Zap Gun (750 billion watts of power!) Buck Rogers, I apologize for scoffing at your ray gun. Thanks to Chairman Bernard Laney and Casey Medendorp for an excellent program.

Please reserve your Tuesday evenings for rehersal, and the entire week of April 3 thru 8. Yes, it's that close.

Guests: Rotarians Bill Slisher and Ray Smith from Bronson. Mike Calligan was a guest of Gil Molitor. There were only three early leavers; 18 absentees.

Suggestions from the Board: When you have the program, try to have the speaker at your left next to the Club President. Additional program guests can be seated at your right.

Congratulations and good luck to our newly elected Directors for 1967-68: Bob Nagle, Doug Woodward, and Dick Moore.

We'll miss John Walker's unique introductions while he's in the southland. Wish we could all have a chance to enjoy his sketches. Such talented "doodling" should be shared.

Quotes: From December 31, 1966 Report of Michigan Joint Legislative Committee on Water Resource Planning. "If the State of Michigan is to attain its maximum economic and social potential, water must be considered as being a central, rather than a peripheral, phase of State planning and development." And from the 1966 "Water Resources of Branch County" Michigan Department of Conservation: "The old adage of a 'stitch in time saves nine' is particularly applicable to water resources. - - - - it should be remembered that once natural conditions are destroyed, they can never be entirely restored."

To the April 15th Deadline, and so forth:

"Look at it this way -- if you didn't have to pay all that money in taxes, you'd probably just go out and spend it anyway."

"A fool and his credit card are some party."

"The man who sent his wife to the bank and kissed his money goodbye wasn't so absent-minded."

"Among those things so simple that even a child can operate them are parents."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 28, 1967

This Week: A.M.C. (Not A.M.A.) District Manager D. B. Luikart provided us a filmed pitch for automotive safety. The "three-front" campaign: Trained, responsible drivers operating vehicles built with maximum human protection, traveling over highways engineered and maintained for safer travel. Dick Moore and Ralph Toupalik provided the program, and Charles Bacon, M.D., the audience participation. (Hope this comment "suits your" wishes Chuck)

Next Week: Bernard Laney is in charge of the program. General Telephone of Muskegon will present a program on the new Laser Beam electronic telephones.

Visiting Rotarians: Nelson Welber of Bronson; Meldon Mull from Homer; Dick Van Adam of Hillsdale; and Ronald Reynolds from Quincy.

Program Attendance: Encouraging. Not counting travelers and those ill, our Tuesday absentees plus early leavers was only 10.

Reminders: President Fred says "Sell that advertising space, and turn your report in next Tuesday."

Production Manager B.K. states "There had better be at least 30 of you so and sos at the Elks next Tuesday at 7:30 P.M. for Rehersal."

Trivia: Noted in a February 28th release that Wesley Logan, M.D. of Hastings is "Governor Nominee" for the Rotary District. He was my high school history teacher. This statement doesn't prove much except:

1. I took history in high school
2. Occasionally there is a teacher smart enough to switch to a better racket.
3. I'm still trying to irritate enough people to lose this job.

"Should I boil the missionary?" asked the cannibal cook. "Boil him!" exclaimed the cannibal chief. "Don't be silly; that's a friar."
(It's ancient, I know, Father Bob, but better than all that blank, blue space)

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 21, 1967

NEXT WEEK: Dick Moore is program chairman and he has arranged to have Mr. D. B. Luikart, District Manager of American Motors, who will present a new film put out by American Motors entitled "Automotive Safety".

THIS TUESDAY, Alice Donnel, Secretary of the Branch County Zoning Committee, outlined the proposed County Zoning Ordinance, and showed by slides a few of the situations that make carefully planned land-use important.

VISITING ROTARIANS included Stanley Buck from Benton Harbor, and Jerry Hollister from Bronson.

THANKS TO RUSS MOORE for his Yuma, Arizona Rotary Bulletin: "The Big Wheel". On February 14th they entertained their Rotary Anns. The temperature in Yuma on that day was 75°.

ATTENDANCE: Our 90.27% gave us 3rd place in the District for January. Charlotte and St. Johns ran 1 and 2.

Our Rotary Show date approaches rapidly. Ad space scheduling is underway. Several regular Tuesday meetings just prior to the show will be devoted to chorus practice. We don't really need it, but John likes to play it safe.

From some Old Farmers' Almanacs:

A hick town is a place where

- The only siren in town is found on the fire engine.
- You can belong to the Country Club without having had relations who came over on the Mayflower or a Rockefeller fortune.
- A gal who goes out with a man old enough to be her father-is his daughte
- You get the big town Sunday papers three days before the City folks.
- Where a columnist is read--not feared.
- A barber shop is the only place you get clipped.
- Where opinions are born--not made.

Coming Up: Model United Nations at Hillsdale, March 10 and 11. Thirty-one clubs from District 636 are sponsoring participation by their communities.

On March 14, Fred Hough has scheduled Dr. John Heffelfinger to discuss the recently completed comprehensive Branch County Health Study.

Another reminder of the District Conference April 7 and 8, with Lansing the Host Club.

The Tibbits Theater project received overwhelming support in the Club preference vote last week. Our Board has therefore voted $1,000.00 toward the funds needed to restore the front.

The Singingest Club in the U. S. A.

February 14, 1967

Next Tuesday - Les Wise, switching programs with Bernard Laney, plans to present a talk on the proposed county zoning ordinance by Alice Donnel, Chairman of the Coldwater Planning Commission, and a member of the County Zoning Commission. She will use slides to illustrate her talk.

Also, Next Tuesday --the members will receive and vote on the Nominating Committee's report. Three directors will be elected for a three-year term. The Committee is proposing the names of Bob Nagle and Doug Woodward, incumbents, and Richard Moore, Keath Pearce, Craig Sebald and Paul Thompson. So plan your picks.

This Week - The Club heard another top-flight talk by Dr. Sylvan Wittwer, Director of the Agricultural Experimental Station at Michigan State University, who said, among other things, that agricultural accomplishments represent America's biggest success story. Seldom has a Rotary speaker packed more interesting information into thirty minutes. Unfortunately, we didn't have a tape recorder in our pocket. A tip of the hat to Ray Fox and Paul Thompson for arranging this program.

Roads Still Bad?? Tuesday's guest list was again abnormally low. Ray Smith made it over from Bronson. The other two were Phil Cleman, of Michigan State University, and Emil Anderson, father of Prez Fred.

Absentees? We neglected to get the list. However, we know one was Cran Wilcox, who was ill. That's how we inherited this job.

Weather Note - Our good wife was talking to her brother-in-law in California the other night and he was bragging about going to the beach for a swim Sunday. She stopped him short (like she does us) by asking "How are the mud slides out there?" All of which goes to prove, I guess, that you can't have everything.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 7, 1967

Our February 14th program is the result of collaboration by Ray Fox and Paul Thompson. Dr. Sylvan Wittwer, Head of the Experiment Station, Professor of Horticulture, and Assistant Dean of Agriculture at M.S.U. will speak on "Research: Current and Future".

Miss Mitsuko Takahashi did indeed present a charming picture in her Japanese costume, and the colorful slides on Japan which she showed were enjoyable. Harvey Bent arranged and presented the program.

Last month, the Board of Directors established this policy: "A three month waiting period is required before accepting a membership application involving a man who has been a member of another service club in Coldwater. That is, a minimum of three months shall elapse between the time a man has resigned from another club and the time he is proposed for membership in our club. We are always happy to expand our club membership with high caliber men, but we need to be careful of the image we create in doing it. The Board considers this to be important in our relations with the other service clubs in our community."

Rotary projects: Next Tuesday, you will have the opportunity to advise the Board of Directors on future Club projects. A few questions that might be used to test ideas: Is it really needed? How high should it be placed in community priority? Is it a project that would or should be done by an established agency, and where Rotary help would not be wise? Is the project aimed at the cause of the problem, or at the symptom? W. K. Kellogg is quoted as saying that he found the wise use of the funds from his multi-million dollar Foundation infinitely more difficult than the accumulation of those funds.

Absentees were high Tuesday. The attendance committee is hopeful that "make-ups" won't be neglected.

One visiting Rotarian appeared from Bronson--just to keep John on his toes--Gordon Van Wieren.

Our wishes for a speedy recovery to Andy Henry. And a belated recognition of Fred Week's recent hospitalization for "minor repairs". (Anyone who has had said repairs will violently object to the term "minor")

In defense of the publisher: Betty Van Dyke, Health Department secretary, is not responsible for the two blank bulletins that appeared Tuesday, nor the others that have been sent out! In a sneaky effort to see how many bulletins actually ever got unstapled, a number of blank bulletins have been included in those stapled, stamped, and delivered to our "Mailing Division" at President Fred's office. So, Will and Fred deserve medals--not fines. And the scoundrel who perpetrated this lousy trick should be fired at once.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 31, 1967

NEXT TUESDAY, the Club will be transported to the "land of cherry blossoms" and "Madam Butterfly." Harvey Bent, who has the program, tells us the speaker will be Mitsuko Takahashi, Japanese foreign exchange student attending Coldwater High School this year. Miss Takahashi will talk of her native land and show pictures.

THIS WEEK'S program, chairmaned by Dick Biringer, has to rate with one of the best of the year. Dr. James Bogle, Government Professor at Notre Dame, graciously took time from his class schedule to explain what is happening in Communist China, and why. His material was interesting enough to eliminate the after-lunch siesta frequently enjoyed by some of the members, including yours truly. That is a true test of quality.

GUESTS THIS WEEK: Howard Bogle, Rotarian from Constantine, was Harold Goodholm's guest, and Barry Case was Charles Bristol's guest. Visiting Rotarians included Charles Pilliad from Angola, and Tom Megargle, Wendell Hathaway, and Henry Gomley from Bronson.

Carl Levin has been proposed for membership. His major classification is Metal Working Industry, and his minor, Powdered Metals Products Mfg. Any objections to his membership should be made to the secretary in writing within 10 days.

Cran Wilcox is now an active member with a major classification of Government and a minor of Public Health Service.

CHUCKLE OF THE WEEK. Hearing local residents complain about the big snow of last week. They should have been with Duke and me in Lansing. We were marooned three days at Kellogg Center and it was Snnday before we could locate and dig out our car for the return journey.

Miniskirts, according to a recent observation by the Mayor of New York, are functional. They permit more freedom of movement and make it possible for a girl to run faster. It seems to us quite likely that those who wear them may have to.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 24, 1967

Dick Biringer, Program Chairman, reports that the speaker for the January 31 meeting will be James Bogle, Professor of Political Science, Notre Dame University. The topic will be political developments in the Far East. Professor Bogle is an excellent public speaker, and we can look forward to an outstanding program.

Mesdames Bristol, Bowers, Blancet and Hart, as the "Forget-Me-Notes" and Kathy Tarr as soloist, gave us two enjoyable lunch-time previews of the Sweet Adeline Show "Home Town U.S.A." This you should plan to attend. It's only two week-ends away--February 11 and 12.

Alumnus Ray Mulchahey re-appeared as narrator of the interesting filmstrip on the history, scope and development of "The Rotarian". Arrangements by Program Chairman Reo Goodwin. This bulletin is supposed to carry excerpts to encourage regular membership reading of the magazine. Since only about 1 out of 5 (estimated) Rotarians read the Bulletin, this practice doesn't promise startling results.

February program assignments are: February 7, Harvey Bent
February 14, Ray Fox
February 21, Bernard Laney
February 28, Dick Moore

Visiting Rotarians: Ray Smith, Rev. Lloyd Phillips, Gordon VanWieren, and Phil Hensley from Bronson; John Holcomb from Quincy.

District Conference, April 7-8, 1967, Jack Tar Hotel, Lansing.

Quote from District Governor Stuart J. Bearup's monthly letter - ". . . This makes District Assembly an important--I might even say mandatory--function in the training of a new group of officers for each club each year."

December attendance: 88.76%. District 636 has 16 clubs with memberships from 50 to 150. Seven had a better percentage, eight had a poorer record. Bronson was again No. 1 with 94.31%.

From the Marshall Rotary Fountain - - dedicated to Shorno, Bovee, and me: "Hair is a problem with both sexes--with women it's tint, with men, taint."

Rotary Magazine Week will be observed next Tuesday, with Reo Goodwin in charge. He will present a filmstrip "Our Magazine--Adventure in Friendship".

This Tuesday we heard about "Fiscal Reform" and from a real "pro": Mr. Clarence Lock, Director of the Department of Revenue of the State of Michigan. If you were there, you have your own interpretation. At least it seems clear that budget balancing is not as simple as we would like to think. Fritz Van Aken arranged this high-level program with the help of Walt Balcom, Carlo Heikkinen, and Senator DeMaso.

Guests: Honorable Senator Harry DeMaso, Walt Balcom, William Grimes, John Mathews, Bill Wilson, and Bill Lewis, Gil Molitor's guest.

Visiting Rotarians: From Bronson, Lloyd Phillips; from Homer, Meldon Mull; from Angola, Charles Pilliad.

Odds and Ends: On December 8, 1966 there were 12,586 Rotary Clubs, and 600,500 members in 134 countries and geographical regions. The 1967 Rotary International Convention is May 21-25 in Nice, France. Read the features on 20 European countries in your January Rotarian. Attendance contest: Ten clubs in "E" division (50 to 99 members) had 100%. In contrast, the bottom of "F" with 55% was Blowing Rock, North Carolina. Maybe they had a good excuse, though. They've had some strong winds down that way.

Attendance pins were awarded this week by President Fred. The top two, as for lo these many years: Warner Van Aken, 44 years and Fred Weeks, 27 years. (44 years is about two thousand, two hundred and eighty-eight meetings!) Congratulations to you fellows and the others, especially the 10 year plus men.

"Ill fares the land, to hastening ills a prey,
Where wealth accumulates and men decay.
Princes and lords may flourish, or may fade,
A breath can make them, as a breath has made;
But a bold peasantry, their country's pride,
When once destroyed, can never be supplied."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 10, 1967

The Rotarian Magazine will be 56 years old in January 1967. Our Club will celebrate the Magazine's birthday on January 24. The theme for the week: "Helping Rotary Better the World." Reo Goodwin is Program Chairman for our meeting that day.

Next Week: "Fiscal Reform". Since most of us resent all taxes at any time or place, whether applied with or without anesthetic, an attempt is being made to include tranquilizers with the meal for those with tendencies toward ulcers, hypertension, or miscarriage. Fritz Van Aken, through Walt Balcom, through Senator DeMaso, will have a speaker who will lay it on the line--like it or not.

Tuesday, Conrad Swart, with the help of Bob Nagel, came up with a comprehensive film recently completed for the University of Michigan's Sesqui-Centennial Celebration in 1967.

The Board of Directors on January 5 approved the following changes in classification:

Roy Patterson - Senior Active
Ken Leavenworth - Past Service
Robert Yingling - Major: Metal Working Industry
Minor: Powdered Metallic Carbides Mfg.
Douglas P. Woodward - Major: Wood Industry
Minor: Building Materials

President Fred offered the appropriate congratulations at Tuesday's meeting. In addition, the Board approved two names for prospective membership to be forwarded to the Classification Committee, and made a recommendation for "Woman of the Year".

Visiting Rotarians: Bruce Mayhen, Highland Park, Michigan, and Dwight Green, Bronson, Michigan

Want to take a psychiatric experiment test used in cybernetic research? Which schmoo-like figure would you prefer as a spouse (ugh!)? Next week we'll tell you what the NORMAL taste for Schmoo's is.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 3, 1967

Next Week Conrad Swart, with an assist from Bob Nagle, will have a film on Michigan's Great University. In case you've been brain-washed into ratings based on "Bubba Smith type" products--the locale is Ann Arbor.

The New Year was started on a high note when Rev. Beers, Methodist Minister from Quincy, urged "Living Wrecklessly". As opposed to irresponsible conduct, he based his theme on the letters of St. Paul. In modern terms--stand up to be counted and heard on the issues you believe right. Break away from the silent, comfortable, masses.

Our Club Constitution is worth careful study, even though it may be embarrassing. (According to Article V , Section 5, I've not been a legal member since July 1, 1964 when Dr. Harris resigned!) "An additional active membership shall ... terminate with the termination of the active membership of the active member."

Visiting Rotarians were all from Bronson this week: Morris Wood, Harold Creal, and Al Wiler. Past member Paul Hurley was Conrad Swart's guest.

Coming Programs: The responsible Rotarians are January 17-Fritz Van Aken; January 24-Reo Goodwin; January 31-Dick Biringer; February 7-Harvey Bent.

Bob Man's Department: The brassiere ads on TV are enough to convince us that honesty is no longer the bust policy. (Stolen from Clint Whetstone's "Rotary Fountain")

From "The Rotarian" (via Farmer's Almanac!) After a male baby has grown out of triangles and acquired pants and freckles, and so much dirt that relatives do not dare kiss it between meals, it becomes a BOY. Boys faithfully imitate their dads in spite of all efforts to teach them good manners. He is a joy forever, a periodic nuisance, the problem of our times, the hope of a nation. Every boy is evidence that God is not discouraged by man.

The Singingest Club in the U. S. A.

December 27, 1966

HAPPY NEW YEAR

1967 - At our first meeting January 3 Fred Weeks has asked Rev. William Blanding, pastor of Coldwater's First Methodist Church, to provide the program.

Don Shorno's program this week was on present day educational programs for the blind. Ron Wilcox described the training in orientation and mobility at the Missouri School for the Blind. It seems whether we're trying to help an individual, a group, or a country, the most difficult but only effective way is to help them help themselves.

Visiting Rotarians - Sylvania, Ohio: Walter Tucker
Bronson, Michigan: Henry Gomley, M.D. and Dwight Green

Guests - Father Robert Man's son, Bob Jr.

Omitted last week (make-up man's error) Attorney H. Donald Bruce from Lansing, guest of Dick Biringer. (sorry Dick)

More erroneous reporting: Warner Van Aken has not yet left for the Southwest. Warren Williams is in the country (also the city, since he attended Tuesday). If this keeps up, we'll need a two-sheet bulletin, with the second sheet for corrections.

President Fred reminds Committee Chairman to review and evaluate their plans and progress. It's the half-way point in the Rotary Year.

Attendance Note: The Constitution is clear. Wayne Farst had to lose his membership due to four consecutive, unexcused absences. How's your record this year? Were make-ups impossible, or just inconvenient?

Program Attendance Tuesday dropped to just above 50%. Understandably this is usually the lowest week of the year.

Reminder: Next Monday is a legal holiday. Quincy doesn't meet.

> "But you were always a good man of business" faltered Scrooge, who now began to apply this to himself.
>
> "Business!" cried the Ghost, "Mankind was my business; charity, mercy, forbearance, and benevolence were all my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!"

December 20, 1966

For unto us a child is born, unto us a son is given: and his name shall be called Wonderful, Counsellor, The mighty God, the everlasting Father, the Prince of Peace. Isaiah 9:6

Don Shorno's "betwixt holidays" program for next week is in the "formative stage". But never fear, there will be something besides food and fines.

Christmas Music by the Coldwater High Balladiers, directed by Arvid Berg, provided a fitting Yuletide observance. They sang a cappella. (International says the Bulletin should be educational - - you now know how to spell this correctly - - we looked it up. A cappella means "as in the chapel, without accompanyment".) Ken Putnam arranged the program.

Visitors and Guests . Jerry Hollister from Bronson, and Bob Yingling had as his guest his son Bob Jr.

A tip of the hat to Ray Mulchahey who sent in a $1.00 fine after he had withdrawn from the Club. A really loyal alumnus!

Fugitives from our Frigid Frost are starting their migrations to warmer climes. Les Woodward and Warner Van Aken leave next week for the Southwest; Ax Olson is enroute to Florida for a two weeks tan; Torg is already in Texas (I think); Warren Williams is "out of the country" according to the grapevine. Who've we missed?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 13, 1966

Our Christmas Week program has been arranged by Ken Putnam. Director Arvid Berg will present the Coldwater High School Balladiers.

This week's meeting featured a "Lucia Holiday Program" M.C.'d by Arne Petterson, one of five Foreign Exchange students, plus girls from the Cardinal Choir. The choral number "Lucia" was beautifully done. The foreign exhcange students included Agnetta Berglund from Sweden and Mitsuko Takahashi from Japan, both of whom live with Mr. and Mrs. William McMillan; Marilyn Gaillard from France, who lives with Mr. and Mrs. Ralph Snyder; Arne Petterson who lives with Mr. and Mrs. Joseph Watson (Arne comes from Sweden); and Annika Thorson of Sweden, who lives with Mr. and Mrs. Ernest Watts.

Board of Director's report : Supported a request to supplement funds for measles vaccine if the local allocation is insufficient; provided funds to send three students and an advisor to the Model United Nations meeting at Hillsdale; approved Harold Goodholm as a Senior Active. Congratulations Harold! And have a good trip west.

From Secretariat, Rotary International re the Bulletin (condensed) "It should: be informative; list nearby Clubs for make-up; be interesting, constructive, and easily read; use a diversified pattern; not offend." Quite an order!--any volunteers?

Visitors: Jerry Hollister of Bronson; Bill Weaver (guest of Bernard Laney); Charles Schmitt of Detroit; and Tom Anderson (President Fred's son).

Food for Thought: "There is usually plenty of free cheese in a mouse trap. But did you ever see a happy mouse in one?"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 6, 1966

For Next Tuesday: Chet Allemier has the program. At the time of publishing the bulletin, the program topic and speaker are a secret.

This Tuesday we heard a thought-provoking analysis of inflation by J. Howard Stoddard. It was well we had 83% of our members at the program, plus 13 guests to hear it. We'd be disturbed to think that a dollar saved during the "Great Depression" (what was great about it?) is now worth 34¢ except that who had a dollar to save? Or to spend for that matter. Thanks to Harold Goodholm for the excellent program.

Two Reactions on last week's bulletin: One, that "so-called joke was pretty crude." The other, a protest on the Classification List jibe, John rightly claimed his Committee had submitted it. Anyway, it appeared as a place-mat Tuesday, and not because of the bulletin question. Next job: Fill those openings.

Our Guests: Visiting Rotarians Nelson Weber and Gordon Van Wieren from Bronson; Clare Welch from Marshall; Frank Miller from Sturgis, and John Holcomb from Quincy. Other guests included Paul Woods, Blaine Ellis, Bill Doyle, Pat Patrick, William Wilson, Noel Shedd, and Walt Balcom.

Early Leavers: Only three. We hope the greatly reduced numbers lately is a trend--not an accident.

Speaking of $ $ $: One Western town boasts that the only embezzlement that they ever had was when a "manipulating" bank teller made the fatal error of putting back too much. He was sentenced for being generous to a vault. (O.K., O.K., you write this sheet)

Overheard from a guest Tuesday, as Duke sat down: "Boy, this Club can really sing." So as a member of "The Singingest Club in the U.S.A." you'll appreciate this old legend:

> " - - - After God created the world, He called the angels to Him and asked what they thought of it. One of them said, "There is something lacking: the sound of praise to the Creator." So God created music, and it was heard in the whisper of the wind, and in the song of the birds; and to man also was given the gift of song. And all down the ages this gift of song has indeed proved a blessing to multitudes of souls."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 29, 1966

Next Week: President Fred announces that Chairman Harold Goodholm will introduce J. Howard Stoddard of Lansing. Mr. Stoddard is Chairman of the Board of the Michigan National Bank. All Rotarians who "have it made" may leave early. The remaining (approximately 76) with a few $ problems should stay.

This Week: An interesting and educational variation. Chairman Carroll Barnes presented Mr. Ken Hamlet, Forensic teacher of Coldwater High School and his debate team: Elizabeth Sherman, Rhonda Smith, Larry Martin and Bill Hayes. Did you shift your prejudices a little on Foreign Military Aid? How many adults reach an opinion on crucial issues based on the extensive research these young debaters so capably presented?

Any Week: Have you stopped to recall and appreciate the scope, variety, and excellence of programs this year? Just in the last few weeks, for example: some crucial community issues--the Library issue and the Hospital addition; a slide-tape hunting trip to northern British Columbia; a frank discussion on Religion; I-69 and Michigan Expressway plans; Computors in today's business; and even a Moonlight and Roses "Talkathon".

Three visiting Rotarians from Bronson, Ray Smith, Nolan Hooker, and George Brusak. (Does the "eat and run make-up" serve its intended purpose? Have you ever thought of the effect on the program at Quincy when half of the audience leaves as the Coldwater "make-ups" pull out?)

Encouraging: One early (Coldwater) leaver!. So our Club attendance at Tuesday's program was 83%.

Web Treat, a Past President of our Club, has found it necessary to withdraw because his business responsibilities prevent regular attendance. Web plans to return as soon as his obligations permit.

And Ray Mulchahey's resignation also leaves a big gap. Ray produced a fine bulletin for the several years he was editor. He worked hard at it, sometimes under difficult circumstances. Probably few Rotarians ever told you so, Ray, but your sincere work was appreciated.

Prod of the Month: What happened to the "Open Classification List" that was to be published?

On The Lighter Side: Warning - The rule of the "Deer Camp Cook" story applies to this bulletin. In case you've forgotten this old tale, the unlucky hunter drawing the short straw became Camp Cook for the gang until someone complained - then that fellow was hooked. One ingenious hunter stuck with the job for days, in desperation one morning liberally spiced the pancake batter with deer droppings. The first hungry boy to try one, broke out with "These d --m cakes taste like horse manure!", but then quickly gasped--"but they're good! good!".

Next Week - Carroll Barnes says he has a "good program promised."

This Week - A most interesting discussion of the background of the changing philosophy of the Roman Catholic Church by Father Parkhurst of the St. Charles Parish. Bob Nagle was Program Chairman.

President Fred recognized the good work of our Safety Committee on the U.S. 27 sign. (Bob Sweet's work cost him a $1.00 - he failed to duck the photographer)

Visiting Rotarians: Jerry Hollister, George Brusak, and Clarence Snyder of Bronson; John Williams and John Holcomb of Quincy; and Charles Pilliad of Angola, Indiana. Student Guest William Bopp Jr. of Ferris State College responded with a well rendered recitation written by Tom Scott.

Absentees, plus early leavers, resulted in 70% of the membership in full attendance.

Biography - Robert Martin Man. Born April 10, 1912 in New York City. Received an A.B. degree from Elon College, North Carolina in 1935. Graduated from the Theological Seminary of Alexandria, Virginia with a B.D. Degree in 1938. Married Edna Lee Henley of Durham, North Carolina in 1938. They have two children, Lt. Robert M. This month's quote: Walter Blucher, Director of Southeastern Michigan Metropolitan Study Corporation, speaking in Jackson "You have psychological problems ---appear unwilling to face realities and thereby obtain more services at less cost by eliminating duplication of government facilities. - - - The belief that people move to the suburbs and escape taxation is a myth. Suburban areas are no longer low tax areas when faced with the problem of providing high grade services - - - getting new industry is a problem of the area, not of a city alone."

Suggestion: A pun contest between John Walker and Mel Rice.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 15, 1966

The pleasant looking chap on our left as we walked into Stukey's Inn on Tuesday looked vaguely familiar. As a matter of fact, we marveled at his close resemblance to our District Governor but we knew it couldn't be Stuart Bearup because he paid his official visit to the Club several weeks ago.

It turned out it was Governor Stuart, who had accepted an invitation from Program Chairman Roy Patterson and President Fred to address the Club in observance of Rotary Foundation Week. For those who missed it, the talk again emphasized that this year we have a District Governor who really knows how to communicate.

With the Call of the North at its peak, attendance at this week's session wasn't one of the Club's better efforts of the year. As a matter of fact, there were 28 absentees, with Ernie estimating our deer hunters at 25.

One of the 25 was Cran Wilcox, who normally struggles with this publication. We hope he comes back fully rested and eager to take over from his less-fortunate sub.

P.S. The Bronson and Quincy boys must be up north too. We had no visitors Tuesday, which must be some sort of a record for the Club.

Next Week's Program: Veep Bob Nagle, whose duties include riding herd on the various program chairmen, assures us there will be one, but he doesn't know what it will be as yet.

Thoughts for This Week

Puppy love can be the prelude to a dog's life - Anonymous.

The smallest actual good is better than the most magnificent promise of impossibilities - Thomas B. Macauley, English poet.

We are glad we don't have to do this every week - - Seton Bovee

"He Profits Most Who Serves Best"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 8, 1966

This week, Duke was the opportunist who came through with the Williams and Woodward Western Whing-Ding (anything goes for alliteration in a bulletin). Seriously, in addition to its unique interest and beautiful colored scenes, the program was outstanding for its professional continuity, timing, and smoothness. Such programs just don't "happen". They're the result of a great deal of careful planning.

A bulletin discussion session is scheduled for December 3 for our District. What do you think? Comments and questions heard and overheard:

What purpose does, or should, a Rotary bulletin serve?

How many read it?

What's the point of a detailed program write-up when most of the Rotarians enjoyed it first-hand? The ones absent can read a professional account in the Reporter.

Could this be an item of business for the Board of Directors?

Guests: Bud Davis of Carmi, Illinois; Phil Hensley and Gordon Van Wieren of Bronson. George Pierce had Charles Moser as his guest, and Pastor Fred Luthy was Ken Putnam's guest. Special student guest was Rod Hensch, A Coldwater High School senior. Rod is a young man who is going to enter the field of Natural Resources and Conservation, partly as a result of his 1963 experience at the Michigan United Conservation Club training camp. Our Club is one of the co-sponsors of this program--providing the funds for one boy each year.

Space Fillers

Most knocking is done by people who don't know how to ring the bell.

For the Rotary Ann's: Which is more deplorable--baby chicks dyed pink and blue, or old biddies dyed red and yellow?

(Note to Secretary - please either sign this bulletin "Annnymous" or remove the last quip. Deer hunting is bad enough.)

"Anonymous"

Next Tuesday: Pat Patterson has the program.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 1, 1966

Next week Chuck Woodward and Clyde Williams (Mighty Mountain Men) will tell us about their recent hunting trip to British Columbia.

This Tuesday, Fred Hough and Tom Collins covered the three special bond issues you will find on the ballot on November 8th:

The addition to the Community Health Center
The Library combination plan
The northeast side storm sewer for Coldwater City

All three are timely topics, but no need to discuss the points here. If anyone votes without knowing the issues it would seem to be his own fault.

Guests: Jim Amidon, Glen Barnett and Presken Gunthorpe from Bronson; Elmer Dobson from Quincy; Merle Morrison from Detroit; and Elwyn Bodley from Bay City.

The Board of Directors will sonn give us the benefit of "Open Classifications" in our Club so we can be on the lookout for suitable new members.

Always be tolerant of a person who disagrees with you. After all, he has a right to his ridiculous opinion.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 25, 1966

On Tuesday, Craig Sebald as Program Chairman, introduced Robert Welke of the State Highway Department. He showed a film on highway construction. He stressed the present high cost of highway construction and believes that if Michigan is going to continue in the construction of roads that a new or an increase of revenue must be found. Increased revenues have not kept pace with the rising costs of building. Perhaps if some of the clover leaves did not use 160 acres of ground it might be less expensive. Several years ago we had a speaker tell us the advantages of the new expressways and how much it would benefit Coldwater. Your editor has his doubts about this--if any member wants to see what an expressway does, drive down old U.S. 16 from Lansing to Detroit and see the towns that have died by being by-passed. Time will tell about Coldwater.

Recently Paul Thompson had a letter from Boyd Wiggins in Nsuka, Nigeria, where he is stationed at the University of Nigeria. He stressed the extremely high cost of living due to the importation of staples. He also outlined the type schools which may teach by rote but not how to think. He apparently likes the friendly people whose morals are high and are ambitious. The government of Nigeria is pretty much of a mess and does little to add to the stability of the countyy.

We called Fred Neer about next week's program and he told us that Keath Pearce is presenting a fellow Rotarian, Fred Hough, Administrator of the Community Health Center, who will outline the need for the addition, renovation and remodeling of the local hospital. This matter is to be voted on at the November 8 election.

Wayne Farst was born in Adrian on December 8, 1940. His dad and mother are Don and Dorothy Farst. He started grade school in Adrian, but finished in Coldwater. He graduated from the Coldwater High School in 1959 and has been employed at the Cadillac Company since that time. He does drafting and engineering work. He and Sarah Allemier were married in Coldwater on October 6, 1962. They have one child, Anthony Wayne, born on March 15, 1966. His grandfather is Rotarian Chet Allemier. Wayne attends the Methodist Church, enjoys hunting and golf, likes steak and cream puffs. Has no food dislikes.

Attendance for our club for September was 90.40%. Third in the District for clubs of our size. The District average was 84.75%.

Coldwater usually has several exchange students--last year three. However none of them attended any of our meetings. Ionia, a club of similar size, has all exchange students attend a meeting of the club. Certainly they would receive a good cross section view by this method. Why not try it?

The vagabond, when rich, is called a tourist.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 18, 1966

The Club will take an audio-visual trip along the new I-69 route in Branch County at next Tuesday's meeting. Craig Sebald, who has the program, informs us Robert Welke, of the State Highway Department, will be the speaker and will show pictures of work being done on the Branch County portion of the new freeway.

Last Tuesday it was "Moonlight and Roses" and fond memories as Howard Teeter, with an able assist from Red McKnight, provided an interesting review of the earlier years of Coldwater Rotary. Doing the reminiscent bit were five Club presidents of more than 20 years ago, to wit, Clarence (Irish) Ramsay, Bob Sharer, John Hardy, Bill Frankhauser, and Red himself. Two others, Herb Hurrell and Roy Putnam were invited but were unable to be present.

Ramsay, who is still a Rotarian and has belonged to a total of four clubs, recalled that Paul Harris, Rotary founder, was once brought to Coldwater to address an inter-state meeting, suffered a heart attack while here, and spent some time in old Wade Memorial Hospital. You learn something every day if you keep your ears open.

Last Tuesday marked the Club's return to Stukey Inn as its weekly meeting place. We didn't make it for lunch, which was served smorgasbord style, but the fellas we talked to appeared to be well satisfied with everything but the more noticeable lack of elbow room.

Ernie informs us there were 12 absentees Tuesday, and only two early leavers. Homer Heitz, of Englewood, Fla., and Nels Weber and Jerry Hollister of the Centennial City to our west, were guests.

In closing, we would like to point out that while we didn't make it for lunch Tuesday, we did make it in time for the full program. Under Rotary rules, we figure that 50 minutes should be enough to give us credit for one meeting--perhaps even two!

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 11, 1966

NOTICE - ATTENTION !!! Beginning with our next meeting on October 18, 1966, we will assemble at Stukey Inn - same time - 12:15 P.M. About three out of five of the Rotarians "present and voting" favored this change in meeting place.

Next Tuesday, Howard Teeter and Red McKnight plan to present a program on "Reminiscing".

This week's program chairman, Gil Molitor, had Fred Culy substitute and introduce Jim Eccles of I.B.M.'s Kalamazoo office. Computors, inventory controls, needs for personnel and training comprised an informative session.

Our Mighty Mountain Men, Clyde and Chuck, were back with stories of British Columbia and excellent trophies. Who'll be the lucky one to first line them up for a program?

The 1967 Rotary Show, formally "voted in" last week will be co-chaired by Duke and Keith. John Visosky will again direct, with the indispensable accompaniment of Grace.

A letter of appreciation from the Gonzalez family for funding the Cuban boy's trip to Spain--the only way to free him from Castro's hold. He's not out yet, but the wheels are turning and the outlook good.

Visiting Rotarians were Dr. George Jeffery, Jack Schafer, Nelson Weber and Don Hunsicker of Bronson; Chal Dyer of Hamilton, Ohio; and Homer Heitz of Englewood, Fla. Twenty Rotarians were absent--six left early.

"A clear conscience is often only the result of a poor memory."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 4, 1966

According to the District Governor's letter, Coldwater had an attendance for August of 89.07%. This is fourth in clubs of comparable size. The district average was 84.28%.

In the October Rotarian, we noted that two Michigan men are studying abroad under a Rotary Foundation grant and one young man from Australia is studying at the University of Michigan. One of the men from Michigan is in Australia, so it is a fair trade.

Plymouth, Ishpeming, and Richmond, Michigan are all mentioned in the October Rotarian. A "big black seegar" to the first member who tells your editor why they are mentioned.

A new department has been added to the Rotarian Magazine entitled "Inside Rotary." Read about it on page 53 of the October Rotarian. New members especially should read this.

John Michael Visosky was born on April 6, 1928 in Gintner, Penna. Gintner is about 20 miles west of College Station and 18 miles north of Altoona. We had to hunt to find it. He graduated from the Madera Penna. High School in 1945. He took his BA degree from the University of Michigan in 1952, and his MA in Music in 1957. He served in the U.S. Navy Reserve from 1945 to 1948 mostly in Florida and Louisiana. He taught music and band at Reading, Michigan for 11 years before coming to Coldwater. He married Sally Kesselring (a teacher) from Jonesville in Hillsdale on September 23, 1961. She graduated from Michigan State in 1959. They have three children, Michell, 4 years; Mark, 2 years; and Jon Andrew, 3 months. He was a member of Phi-Mu-Alpha the Honorary Music Fraternity at the University of Michigan. His hobbies are reading, music and outdoor work. He plays golf (sometimes breaks 50). He has no food dislikes, he likes a lot of everything.

This week Gus Burandt presented a film dealing with "Zip" codes in the U.S. Post Office service. Very soon now all mail will be handled by Zip Code and you had better get your code numbers for the towns to which you send mail.

Absent were Bacon, Collins, Henry, Joseph, Kornstein, Molitor, Norm Moore, Mulchahey, Neer, Olson, Patterson, Mel Rice, Putnam, Shorno, Swart, Sweet, Thompson, Toupalik, W. Van Aken, Wilbur, C. Williams, W. Williams, C. Woodward, D. Woodward, and Les Woodward.

Visiting Rotarians were Charles Pixley and Bert Ward of Bronson.

There were four early leavers.

Next week Gil Molitor has the program and we will let him tell you what it is all about.

Recently Ernie Luse told us about the age of our members. Here is one for him. "Young men have a passion of regarding their elders as senile."

The Singingest Club in the U. S. A.

September 27, 1966

District Governor Stuart Bearup of Charlotte spoke to the club at noon and then 22 members attended a club assembly at Stukey Inn at 6:30 P.M. At noon he stressed the 10 points outlined by Rotary International President Evans and since Rotary is World Wide, clubs should have an awareness of what Rotary is doing beyond Coldwater's city limits. He stressed that service to others is one of the reasons Rotary is growing. There are 49 clubs with 2800 members in District No. 636 and the District undertakes only tasks that individual clubs cannot do. These include district conferences and district assemblies. He stressed the need for clubs to emphasize the following:

1. Fellowship at meetings
2. Hold to the integrity of classifications.
3. Provide a chance for participation by the members.
4. Provide good programs.

At the assembly each committee chairman outlined the program for his committee for the coming year. The District Governor made no particular recommendations other than some minor ones, and expressed the opinion that the club as a whole was doing well.

The club extends its sympathy to John Walker and his Rotary Ann, Gretchen, over their recent loss.

The club is losing Web Treat by resignation.

At a Board of Directors meeting on Tuesday, it was decided to submit the following proposition to the club membership: There is a Cuban family living in Havana who are relatives of the Gonzales family in Coldwater. There are four members, the father a surveyor, the mother a school teacher, a son 14 years old and a younger daughter 9 years old. The family wish to come to the United States. Castro will not let the 14 year old boy leave Cuba for the United States but will let him go to Spain. The club is asked to pay the plane fare of about $500.00 from Havana to Madrid for the boy (Castro gets half the plane fare). The boy can stay in Spain for three months and then can come to the United States. In the meantime, it is hoped that the other members of the family can come to Coldwater. Give this a good hard "think". There is no other way this boy can get out of Cuba since next year he would be drafted into the Army for 12 years.

Programs for October:

October 4 - Gus Burandt
October 11 - Gilbert Molitor
October 18 - Howard Teeter
October 25 - Craig Sebald

Absent on Tuesday were Allemier, Burandt, Klein, Kornstein, N. Moore, Neer, Skinner, C. Williams, Wilcox, Wise, C. Woodward, D. Woodward and Pierson.

Visiting Rotarians included G. W. Jeffrey and Nelson Weber of Bronson; Dale Ulrey of Goshen, Indiana; John Holcomb of Quincy, and John Sundquist of Monmouth, Ill. Torg Skabo had as his guest Clarence Johnson of Coldwater.

Anyone going to Europe? If you are read about "Card Blanche" on page 40 of the September ROTARIAN.

A tycoon leaves his air conditioned home, goes to his air conditioned office in an air conditioned car and then goes in his air conditioned car to have a Turkish bath. It just don't make sense.

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 20, 1966

Next week District Governor Stuart Bearup will be with the club and speak at noon. At 6:30 P.M. there will be a club assembly at Stukey Inn and all club officers and committee chairmen should be there. There will be a general review of where our club is at present and a discussion of some of the goals to be considered for the coming year. If you were absent on Tuesday and plan to be there for dinner, give President Fred a ring.

On Tuesday the following members were absent: Allemier, Bacon, Barnes, Burandt, Dean, Goodholm, Heikkinen, Hough, Kennedy, Kerr, Leavenworth, McKeith, N. Moore, R. Moore, Pitts, Shorno, Skabo, Teeter, Treat, Weeks, C. Williams, C. Woodward, Yingling and Walker.

There were five early leavers; all apologized to the speaker for leaving early. This is a courtesy due a speaker and much appreciated.

Visiting Rotarians included Morris Wood of Bronson, Donald Putt and Marlin Young of Angola and Art Chipman of Greenville. George Pierce had as his guest Stan Borden, Past President of the Coldwater Lions Club, and Ray Mulchahey had as his guest Cliff Bowers, Secretary of the Coldwater Lions Club.

On Tuesday, Bob Loose was responsible for the program, but the speaker Richard Wurster of Jackson was introduced by Ray Mulchahey. Mr. Wurster, an employee of Jackson Prison, is a member of the Jackson Lions Club and told of production of Braille for the use of the blind through cooperation of inmates at the prison. He showed slides (beautiful ones) and a synchronized tape related to the details of the making of Braille text books, story books and other items. This program certainly shows "Service above Self" and members after the meeting examined some of the results of their efforts. Mr. Barham could not come due to the severe and sudden illness of his father.

Something new has been added. Norm Moore and Bob McDonald have purchased the Quincy Herald and are now publishing it. They claim it is Branch County's Most Progressive Weekly Newspaper.

John Walker was absent on Tuesday. We understand his son is very ill at the University of Michigan Medical Center.

For a bit of philosophy on modern times read, "Modern Fallacy" on page 56 of the September Rotarian. In these days the search for security may have a detrimental effect on "many able young people who are settling for much less than they should."

On Tuesday, Doug Woodward presented Charles Bristol as a new member to the club. He was born in Highland Park, Michigan on May 6, 1936. Graduated from Royal Oak High School and in 1956 graduated in Business Administration from the University of Michigan. He is now a C.P. A. He married Lois Windner in Royal Oak on August 20, 1955. They have two children, Deborah born January 5, 1957 and Andrew born January 20, 1960. He belongs to the Country Club, Elks, and several professional societies. He is a member of the Honorary Accounting Fraternity at the University of Michigan. He hunts, fishes and golfs and likes lots of food. Dislikes macaroni, piazza, warmed-over coffee and corn on the cob.

Did you ever stop to think what a heck of a time your ancestors had getting across this country without expressways, Bankards, credit cards and filling stations?

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

September 13, 1966

On Tuesday, Bob Kerr presented our own "Doc" Cranson who was formerly a labor mediation representative for the State of Michigan. He discussed mediating labor disputes and told of the problems presented in such an effort.

Absent on Tuesday were Allemier, Goodholm, Joseph, Kornstein, N. Moore, R. Moore, Mulchahey, Pitts, Skabo, Thompson, Treat and W. Williams.

There were 10 early leavers.

Visiting Rotarians included Chal Dyer of Hamilton, Ohio and W. U. Jack of Kalamazoo South. Fred Anderson had as his guest Clarence Johnson.

The Rev. Robert M. Man, rector of St. Mark's Episcopal Church, has been proposed as a member. His Major classification would be Religion, and his Minor classification would be Protestantism. Any objections to his membership should be made to the Secretary in writing within 10 days.

Many new members have heard of the "Four Way Test" but some do not know how it came into existence. It started in the sale of aluminum kitchen utensils. A young man took over a company making and selling these articles. He believed in truth in advertising and much against the wishes of his sales staff, adopted the "Four Way Test" as his motto in advertising. The motto caught on and the company prospered. The "Four Way Test" is as follows:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned.

With all the advertising now on radio and television, how does it stack up with the above motto?

At the Board of Directors meeting on September 8 the problem of early leavers was discussed and an effort is to be made to try to cut these to emergency situations only.

On September 27, District Governor Stuart Bearup of Charlotte is to visit the Club and later that evening there will be a Club assemly to which all members are invited. Members should make every effort to attend this dinner and the meeting following.

Next Tuesday, Bob Loose has the program. The speaker is to be Ex. R. Barham of the Jackson Lions Club. He will tell us of the Braille program for the blind that this Club has carried on for several years in cooperation with inmates of Jackson Prison. If any member has a Lion in his organization, it would be nice if he could be invited.

The average citizen of the United States thinks of Africa as being all jungle or desert. Look on Page 20 of the September Rotarian and find out how many of the 12,469 clubs in the world are in Africa at the present time.

If you have never seen a true "Ark" look on Page 22 of the last Rotarian. There you will find it. We only wonder if the replica was built to scale.

A vacation is just a succession of 2's. It consists of 2 weeks which are 2 short. Afterward you are 2 tired 2 return 2 work, and 2 broke not 2.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 6, 1966

On Tuesday, one of our own Rotarians, Andrew Henry, who is a member of the Branch County Selective Service Board, told us of the selection of draftees. This Board has five members who serve without pay and an effort has been made to select members with a wide variety of background. He stated that the classification by occupations or student is a temporary status. Any young man may appeal his classification if this is done within ten days. If a man is enrolled in college the college must notify the Draft Board of his attendance. It is incumbent upon the young man to keep the Board appraised of his status, whereabouts or any changes in his condition. Andy states that a large percentage of men called for a physical do not pass the examination.

The name of Charles Bristol has been approved by the Membership and Classification Committees for membership. His major classification is "Business Service" with a minor classification of "Accounting Service". Any objections to his election shall be submitted to the Secretary within 10 days and this must be in writing.

Absent on Tuesday were Bent, Burandt, Davidson, Kennedy, Laney, N. Moore, R. Moore, Pitts, Skabo, Treat, Weeks, C. Williams and Wilcox. There were nine early leavers.

Visiting Rotarians included Homer Hutz of Englewood, Florida; Ed Facklam of Bronson; George Hubbard of Union City; Elmer Dobson of Quincy; and Chal Dyer of Hamilton, Ohio.

The Club has lost Bob Hawley through resignation. We are sorry for this and hope he can come back sometime.

Now that school has started be careful of the kids, especially those on bicycles. Tuesday there was a group of seven at the traffic light and three crossed traffic; the rest were in the lane so a right turn could not be made.

On Tuesday President Fred mentioned the safety factor in driving. This followed the accident in which eight people were killed. There was no yellow line where this occurred, even though there was a hollow and a curve near the scene. The local authorities can do nothing about this since it is a State Highway. However, if any member believes there is a hazardous "Pass With Care" zone they should either let Ray Pitts know, or write the Safety Division, State Highway Department, and pinpoint the danger. That Department will check it. Your editor has written regarding two such zones and they have been corrected.

On Page 8 of the September Rotarian is shown the schoolhouse in Wallingford, Vermont where Paul Harris started school. It is maintained by the Rotary Club of 35 members of that city.

The last step in the election of a new member is: The Secretary fills out a new member report for the newly elected member and forwards the completed form to the General Secretary of Rotary International.

"Chivalry" said a little boy after studying knighthood in school, "is going around releasing beautiful maidens from other men's castles and taking them to your own castle."

The Singingest Club in the U. S. A.

August 30, 1966

The next step in the election of a new member is: After having received the complete application card and the remittance for the admission fee, the Secretary shall issue to the new elected member a Rotary membership identification card.

On Tuesday, Olin Dally presented a fellow Rotarian Red McKnight who with an assist from Bob Barnes as the projectionist, told the members of his travels and showed slides of the places he and his Rotary Ann, Carol have visited. Red tells us he prefers the "Slow Boat to China" method over regular passenger ships. It was an excellent program.

The new arrangements of the badges and flag worked out very well last meeting and no one got lost.

Here is the program list for September:

September 6 - Clyde Williams
September 13 - Robert Kerr
September 20 - Robert Loose
September 27 - District Governor Stuart Bearup to visit

It will help a lot if the Chairman of next week's program will let your editor know what it is.

Clyde Williams is to have the program, but what it will be we were unable to learn. Clyde is gadding somewhere.

Absent on Tuesday were Andrews, Burandt, Dean, Goodholm, Henry, Hough, Leavenworth, N. Moore, R. Moore, Patterson, Mel Rice, Skinner, Thompson, C. Williams, Wilcox, C. Woodward, and Yingling. Since our attendance average for July was less than 90%, we hope these members have made up since Monday is a Holiday and Quincy will not meet.

Visiting Rotarians included Chal Dyer, and John Elwell from Ohio, Ed Gordon from Bluffton, Indiana, and from Bronson came Jim Amidon, Lloyd Phillips and Jerry Hollister. McKeith had as his guest his sone-in-law Don Gause.

Remember the Board of Directors meeting on Thursday, September 8.

On Page 26 of the September ROTARIAN is an excellent article on debate: "Does the U.S.A. wield too much power?" Read it. Just how much of the world can the U.S. be responsible for?

During the year 1965-66 Rotary International added one new club each day in the year for a total of 365 clubs. There are now 12,469 clubs with a total membership of 598,000 Rotarians. These are in 133 different countries.

The slogan for 1966-67 is "World Community Service." Every Rotarian is challenged to "do something for someone somewhere." Page 32 of the last ROTARIAN.

A husband was waiting for his wife and listening to the astronauts on the radio at the same time. He muttered to himself, "Well, they have been around the world once and I am still waiting for her."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

~~August 23, 1966~~

For next week's program, Olin Dally tells us that Red McKnight is presenting slides of his travels about the world. Red has gadded a lot and it should prove interesting.

Absent on Tuesday were Andrews, Burandt, Collins, Dean, Goodholm, Heikkinen, Henry, Kerr, Klein, Kornstein, McKeith, N. Moore, R. Moore, K. Pearce, Skinner, Teeter, W. Van Aken, W. Williams, and Wilcox.

There were seven early leavers; however, only five had signed up to leave early.

Visiting Rotarians were Ed Johnson of Valparaiso, Indiana; Elmer Dobson of Quincy, and John Elwell of Hamilton, Ohio. Al Rice had as his guest one of his sons, Philip.

We hope all Coldwater Rotarians have seen Page 58 of the September ROTARIAN. If you have not, take a good look.

Several weeks ago we mentioned the death of Phil Lovejoy. On Page 41 of this month's ROTARIAN is given a report of this man. He started his professional life in Marshall, Michigan, and always had a soft spot for this locality. The last time we heard him speak was Charter Night at Athens. He was a most dynamic speaker, and a very comfortable person to meet and know.

Corey Ford's article on Page 38 of the September ROTARIAN is also in this month's READERS DIGEST. The Van Akens take note.

Step No. 12 in the election of a new member: When the proposed member has filled in, signed and returned to the Secretary the regular form of application, indicating his understanding and acceptance of the responsibility of membership, together with his remittance for the admission fee as provided in Article 5, he shall be duly elected to membership.

On Tuesday, Web Treat presented Bob Nagle who gave to the Club some of the news in the "Razzberry", the first bulletin. Having lived in Coldwater at that time, many of the names are familiar. Irish Ramsay is now living in Grand Rapids and still a Rotarian; Bob Sharer is on the staff in Continuing Education at Michigan State University. Dan Hodgeman is an attorney in Detroit, and Harry Van Dusen is still a banker near Detroit. The last we knew, Marty Derhammer was still selling Fords in Kalamazoo.

According to the May 19, 1936 "Razzberry" the band parents were struggling to provide new uniforms and hoped to raise $1,000 for them.

October 1, 1935 when the Coldwater Kiwanis Club was organized, Rotary invited the new club to lunch. Some of the early Kiwanians were Rolph Carlisle, Oscar Renshaw, Harold Stukey, Joe Watson, Carl McConnell, and Neil Baggerly. According to their report "Kee-Wanis" means, "To make one's self known." Their motto was, "We Build."

Never argue with a woman when she is tired or rested; or if you don't think women are explosive, just try dropping one.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 16, 1966

Step No. 11 in the election of a new member: The proposed having passed the Membership and Classification Committees, scrutiny and their recommendations having been approved by the Board of Directors, the man is considered eligible for membership and the next move is to have the proposer and Rotary Information Chairman discuss with the proposed member his wishes regarding joining the club. Then and not until then should the proposed member be aware he has been considered for membership. In the discussion the members should outline the history, aims and objectives of Rotary and impress on the proposed member that membership entails responsibilities as well as privileges, and that unless he can accept these, he should not accept membership.

All Coldwater Rotarians should look on Page 58 of the coming September Rotarian. Warner Van Aken's picture will be printed as having 42-1/2 years of 100% attendance. This picture was sent in over a year ago so that by now it is over 43-1/2 years. We figured out that he has spent over 90 working 40-hour weeks sitting in Rotary meetings. Can you ever hope to beat it?

Hibernation is good for the soul. You get away from everything, telephones, television, radios, newspapers, baths, shaving, even combing your hair. Next summer your editor hopes it will be for six weeks.

On Tuesday, Ray Pitts presented Sgt. Wade Bressler of the Branch County Sheriff's Department who showed a film on safe automobile driving. Such films are very timely with the number of accidents we have had in Branch County recently. Speeding by trucks is a very definite danger especially on the main travelled streets in Coldwater. It has gotten so that if you drive at lawful speed, people look at you as tho you're an oddity.

Visiting Rotarians on Tuesday were George Brusak, Clarence Snyder and Alan Davidson of Bronson; Wright Bennett of Van Wert, Ohio; Bob Bell of Kankakee, Illinois; Lindsey Baker of Quincy; Edwin Johnson of Valpariso, Indiana, and Gerald Sandy of Lubbock, Texas.

Absent were Bacon, Biringer, Bovee, Burandt, Collins, Goodholm, Heikkinen, Kennedy, Klein, Kornstein, R. Loose, N. Moore, R. Moore, Nagle, Neer, Patterson, G. Pierce, Sebald, Skinner, Swart, Visosky, Weeks and Wilcox.

There were six early leavers.

Web Treat has the program next week: what it is we have no idea. It is often difficult to learn what the coming program is to be, and it will help your editor a great deal if the members will tell him ahead of time.

We always like these off-year elections. No matter how they turn out, both parties can always find something in them to be pleased about.

Ray Mulchahey

President Fred's Message: Due to an increase in food costs, your Board of Directors voted to increase the cost of meals to $1.75, effective September 6, 1966. The Board will receive any suggestions or recommendations in writing for further consideration.

Editorial Comment on Bob Sweet's "blank Bulletin". Glad to know we have at least one Rotarian who removes the staple before discarding. But we're a little hurt by the suggestion that we "vice versa" it and send 80 blank Bulletins and one printed. Seems the blank ones make better note paper and score sheets.

"The Good Lord had a reason for creating man before woman. He didn't want any advice."

Cran Wilcox

Clerical Note: "Mr. Mulchahey, please come back soon. Did you ever try producing a bulletin from notes written on the back of a check book stub in mutilated Sanskrit?"

The Singingest Club in the U. S. A.

August 2, 1966

August 8-13 4-H FAIR WEEK - We'll meet at the Elk's Temple at 12:15 P.M. (Not as in the past at the Fair grounds)

Paul Thompson has arranged for about twenty 4-H Extension Leaders to be our guests. A good host is at "home" when he has invited guests. Need more be said?

Rev. Bill Harrington narrated a series of excellent slides on his trip to the Holy Land and the Mediteranean Area. The program was enhanced by Rev. Bill's background knowledge and sincere interest in the area and the smooth continuity of his presentation. (George, you did it again!)

Guests: Vic Lockhart, Montpelier, Ohio
Jim Kerr, Mansfield, Ohio
John Elwell, Hamilton, Ohio
H. L. Howard, Dayton, Ohio
Gordon Packer, Litchfield, Michigan
Elmer Houghton and Morris Wood, Bronson, Michigan

Absent Members: Bovee, Burandt, Couillard, Endicott, Kennedy, Laney, Molitor, Norm Moore, Russell Moore, Mulchahey, Pitts, Mel Rice, Rumsey, Skinner, Thompson, Clyde Williams, Warren Williams, Charles Woodward, Doug Woodward.

Chairmen: Have you filed your plans with President Fred? The boys who are in under the wire (smugly) suggest a fine for late reporters.

Medicare Note (dedicated to Chuck Bacon) An early applicant requested a payment to go see Dr. Zhivago.

To Ray: Where are you? In the UP backwoods, or just "goofin" off?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 26, 1966

Step No. 10 in the election of a new member: If no objection is received in the 10 day waiting period, the proposed member shall be considered qualified for membership.

According to the District Governor's Letter, Coldwater had a 89.14% in attendance for June. This places the Club third in clubs of comparable size. The District attendance average was 87.17%. There were 2855 members in the District. Ten clubs had one or more 100% meetings during the month. Climax and Homer were tied with 3 each.

Absent on Tuesday were Allemeir, Anderson, Bent, Burandt, Couillard, Dally, Dean, Farst, Hawley, Henry, Klein, R. Loose, Molitor, R. Moore, George Pierce, Pitts, Putnam, Mel Rice, Bacon, Treat, W. Williams, Weeks, Hough, Kennedy, McKeith, Olson and Goodholm.

There were six early leavers. Eighteen members left early for the three meetings for which records were kept.

Visiting Rotarians included Morris Wood, Bob Kalassa, Jack Schafer and Nelson Weber of Bronson; William King of Quincy and John Elwell of Hamilton, Ohio.

Eleven members made the pilgrimage to the District Gold Tournament at Benton Harbor. These were Norm Moore, Nagle, Dean, Davidson, Neer, Pierson, Henry, Couillard, Faller, Allemeir and Holtz. Bob Nagle won the 1st prize; a golf umbrella and a dozen golf balls.

Next week George Pierce has the program but since he is taking it easy on the porch of the Grand Hotel on Mackinac Island it is impossible to learn what it will be.

Lawrence Carrico of the Tibbits appealed to the Club on Tuesday for singers to take part in a coming musical production. He stated that the Rotarians are the most experienced group of singers in town hence his request. Here is a chance for some of you tenors to get in some practice.

If you want to read something interesting turn to page 16 of the August ROTARIAN. "The Right to Travel" will give you some very interesting views on whether the American citizen has the right to a passport for travel abroad.

Keath Pearce as Program Chairman presented Dr. Fayne Oberst of Michigan State University. Dr. Oberst showed slides and told of the School of Veterinary Medicine and the new medical science building and the program in human medicine. A very fine program from all reports.

According to women a successful man is one who knows how to make money and how to spend it.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 19,1966

Step No. 9 in the election of a new member is: A ten day period shall then be allowed during which a member objecting to the election of the proposed member shall notify the Board in writing stating reasons for his objection.

President of Rotary International Richard Evans has outlined his proposed aims for 1966-67 and they are as follows: (1) share Rotary by adding new members, (2) share Rotary by adding new clubs, (3) enjoy Rotary fellowship, (4) discover and serve the needs of your community, (5) make your business or profession better, (6) serve youth, (7) pursue effective public relations, (8) emphasize the internationality of Rotary, (9) engage in World Community Service, (10) contribute to the Rotary Foundation. Here is a wide variety of programs which can appeal to a large number of members. Why not select one as your project for the year and do your bit?

Next week Keath Pearce as Program Chairman will present Dr. Fayne Oberst of the Michigan State University staff who will tell of the new developments in the area of both human and veterinarian medicine. Keath says it will illustrate, "Tax dollars at work."

With the completion of the Rotary Fishing Site Park and the Tibbits Opera House fairly well equipped, Coldwater Rotary should be thinking of a new projects The club over the years has helped out with any number of small projects. Some have been the roadside park, Tibbits, ranger cabin at Camp T. Ben Johnson, scholarships, equipment for orthopedic classrooms and many others. It would seem that the club might consider some much larger project and and have it designated as a Rotary Project. How about a Youth Building, an Outdoor Swimming Pool, Purchase of Play Equipment for either of the parks, the Building of Toilets for public use (this was the first Rotary project of the first club). It would give some direction to our efforts and would benefit the community and also club members.

Dear Cousin Muley:
I'm burned up about the trucks that speed through town, especially some of them on Marshall Street. Yesterday I followed one going 50 miles and hour. The police are always someplace else and someday there is going to be a wreck, only I hope I'm not there. Radar control apparently doesn't apply to trucks. Be seeing you. Gully

Some of the old timers will be interested to know that former Secretary of Rotary International Phil Lovejoy died June 29.

On Tuesday, William Bobier introduced our own Tom Collins who outlined plans for past, present and future for the City of Coldwater government.

There were 22 absentees and 6 early leavers at Tuesday's meeting.

We understand Mel Ross who has been a frequent visitor from the Indianapolis Club has been taken back to his home ill.

In this modern day men who die with their boots on usually have one foot on the accelerator.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 12, 1966

The eighth step in the election of a new member is as follows: After permission to do so has been secured from the proposed new member the Secretary shall notify each member of the club by means of a written or printed communication, giving the name of the proposed candidate, the firm represented and the classification under which he is proposed for membership.

On Tuesday, the following members were absent: Bovee, Burandt, Davidson, Farst, Kennedy, Kerr, Klein, McKeith, Norm Moore, Nagle, Sebald, Skinner, Teeter, Thompson, and Weeks. There were nine early leavers.

A visiting Rotarian was Lee Thompson of Lima, Ohio, a Past District Governor.

Rotary's International new President is Richard L. Evans of Salt Lake City. He was born in 1906 and comes from a line of English, Scotch and Welsh ancestors who came to Salt Lake City with the early Mormons. He was educated at the University of Utah and spent some time studying in England. He is engaged in radio and television and has published eleven books and has written a syndicated column for newspapers. He is a Mormon and is a member of "The Quorum of Twelve" of Mormon Church. He has been President of his club, District Governor and is now Rotary International President. His Rotary Ann is Alice and they have four sons. He has for many years been producer of the oldest continuing radio broadcast from the Salt Lake City Tabernacle. On Tuesday, President Fred played a recording outlining the 10 objectives that President Evans has set for his Rotary year.

On Tuesday, Ken Leavenworth presented Professor McClelan of Tri-State College. He showed a U.S. Navy film outlining sea power as a factor in the defense program. This was an excellent film and up-to-date.

Next week Bill Bobier will present Tom Collins, City Manager, who will bring us up-to-date on city affairs.

In the July ROTARIAN read the article, "It's a Wonderful Worldful of Service."

Your editor had a week of fishing, hibernation and rest. An island is a good place to get away from telephones, television, radio and newspapers, and is recommended.

The average American woman is not old at 40. In fact she isn't even 40.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 5, 1966

Subbing for a sub is about as low as a fella can sink, but it appears that both Ray and his first line sub, Cran Wilcox, are on vacation this week so we were nominated by Prez Fred to do the honors. Here goes, but don't say we didn't warn you.

First of all, we think the Club should strike a medal for Doris Fox for enduring a half-century with such a mean, ornery and stubborn cuss as Ray. Kidding aside, they are celebrating their 50th anniversary this weekend without fanfare--just in case you didn't know.

Next Tuesday's program will be a movie on U.S. sea power, with Ken Leavenworth as chairman and Prof. John W. McClellan, of Tri-State, assisting.

This week's program was right down our alley, calling attention to the sad condition of thousands of miles of Michigan's state, county, township, city and village roads and streets. The speaker was Alice E. Donnel, Branch County coordinator of the Michigan Good Roads Federation, which has a program to alter the situation. Bert Faller was program chairman, and Tom Collins must be credited with an assist.

Bob Doll, St. Charles student sent to Camp Emory by Coldwater Rotary, gave a report of lessons learned. He stressed several good points, including the fact that an able leader is one who judges a man by his ability to perform rather than by his color, creed, etc.

Note to golfing members: Still room for another local foursome for district tourney to be played at Point-O'-Woods in Benton Harbor. Sign up with Duke before July 15.

Tuesday's visitors: Nels Weber and Glen Barnett of Bronson; L. K. Juoda of Marshall; John Elwell of Hamilton, Ohio; Karl Darkey of Battle Creek; and the Rev. William Blanding, new Methodist pastor and a guest of George Pierce.

Missing faces: Bent, Burandt, Dean, Farst, Goodholm, Heikkinen, Klein, Laney, R. Loose, Norm Moore, Russ Moore, Mulchahey, Mel Rice, Putnam, Skinner, Clyde Williams, Wilcox, and Doug Woodward.

Sobering Thought: Freight-car loadings were down to 10 per cent last month, while consumption of alcohol was up 22 per cent, proving that more people are getting loaded than freight-cars. (Note to Norm--We do read the Herald)

The Singingest Club in the U. S. A.

June 28, 1966

Next Tuesday: Program chairman Bert Faller has lined up Miss Alice Donnel who will put on a Highway Safety Program, assisted by Tom "Clean Socks" Collins.

This Week: We had variety, pulchritude, a tantalizing glimpse of upcoming showtime at the Tibbits, and a "thank you" from a soon-to-be coed. Then Al Gilmore reviewed Olivet's vigorous $10,000,000 building program and their unique Community Education program reaching into 200 areas already. All this in 60 minutes, with President Fred performing admirably on his solo flight.

Guests: Kitty Adair, our scholarship award winner to Olivet (part of the pulchritude referred to)

From the Tibbits: Larry Carrico, Bob McClaren, Beryldean Powell, and Betty Barlond.

Visiting Rotarians: Dale Ulery, Goshen Indiana
Jim Kerr, Mansfield, Ohio
Mel Ross, Indianapolis, Indiana
Clarence Snyder, Bronson, Michigan

Words of "Wisdom" from Uncle Gully:

"The real fight over fluoridation to control tooth decay is not fluoride but water itself! The whole problem is the water the City forces on us. We should all join and fight this 'compulsory wateration'.

We are duty-bound to abolish the city waterworks--their product is highly controversial and their very existence unconstitutional.

We can't prove fluoride will rust the pipes as claimed, but we can prove the water will--just put a nail in a glass of it and see for yourself. If it does that to a nail, imagine the damage to your plumbing!

They claim fluoridation is socialism. But surely the city-owned water system is clearly out and out socialism. How many free enterprise water stores are there in Coldwater?

Its also asserted fluoridation benefits some, but not all. How much more true of water! Many citizens consider the stuff fit only for children and the destitute. Yet our officials insist on supplying it to the whole city. Why should everyone be forced to drink water just because some mooney professor insists its good for youngsters? If their parents want them to have it, that's their problem--let 'em buy their own reservoir. Or if they insist on both water the fluoridation, put 'em on the Coldwater State Home waiting list--they've got both there."

June 21, 1966

NEXT WEEK: Carlo H. will bring us Al Gilmore, Assistant to the President of Olivet College. Our new 50-50 scholarship arrangement makes this of special interest.

THIS WEEK: Torg Skabo introduced Ray Ballard of Battle Creek, representing the WBCC'T (Keith Pearce won the "seegar") Mr. Ballard outlined this traveling "Americans on Wheels" organization, including details of their national conclave (12,000 strong) that has now started in Cadillac, Michigan. This group has a well-earned reputation for responsible management and operation. Last year the local encampment at the 4-H Fairgrounds went the extra mile and even left a nice cash contribution to the Branch County Boy Scouts.

VISITING ROTARIANS: Al Wiler and Lloyd Phillips, Bronson; Mel Ross, Indianapolis; Chal Dyer and John Elwell, Hamilton, Ohio.

HAIL AND FARWELL: Our Club leadership passed from Fred to Fred and we start another Rotary year. Each president brings us his own unique brand of leadership, interests, and philosophy, so the Club is enriched and our community benefits. President Fred C. has indeed steered us through a good year with his special techniques and spiced with his own brand of humor. And to incoming President Fred Anderson, we can all pledge our support--and then deliver it. Perhaps a sentence from Secretary Ernie's straightforward report on the 1966 Rotary International Convention best sums it up, and could well be repeated each week: "Fred, what can I do to help you and our Rotary Club programs?"

UNCLE CULLY'S EDITORIAL KORNER. "If there's anything I hate, it's a day when I can't find something or someone really irritating to gripe about--come to think about it--that's my gripe for today!" Feel better already.

Read today about the three symptoms to look for to see if you're getting old.

1. Are you getting forgetful?
2. Let's see - can't seem to recall the other two

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JUNE 7, 1966

Les Wise has scheduled a Rotary Information session for Monday evening, June 20, 1966. There is to be a dinner at Stukey's Inn at 6:30 p.m. All new Rotarians, their Rotary Anns, the sponsors of the new members and the Rotary Anns of the sponsors and the past Presidents and their Rotary Anns are to be guests of the club. Here is a chance to learn more about Rotary and everyone invited should attend.

Chuck Woodward has been elected to the Camping and Activities Committee of District No. 3 of the Nottawa Trails Council Boy Scouts. Also Chairman of Organization and Extension Chairman is Harold Goodholm and Cranston Wilcox is to be Finance Chairman.

On Tuesday, June 7 a joint meeting of the old and new Board of Directors was held. The old Board finishing out the yearly club business and the new taking over. The old Board heard that the city is to build the toilets at the Rotary Park Boat Launching site this summer and the club made good on its pledge of $800 toward this project.

The new Board approved the granting of five Summer High School Scholarships to High School students who would otherwise not be able to attend. It was also decided to assist financially with the expenses of a 4-H Group which is going to Washington, D.C. this summer.

It is hoped that a club history can be done this year and if anyone has anything that might help in carrying out this project please let Ernie Luse know about it. Here is a chance for some of the Old Timers to dig back and see what they can come up with.

Ernie Luse and his Rotary Ann are apparently the only ones attending the Rotary Convention in Denver. Your editor has said in the past, says now and will say in the future, that the club should pay the expenses of some of the club officers who should attend. Smaller clubs do it, why can't we?

On Tuesday, Mac McKeith presented Hal Munn of WTVB and Ed Geiman who explained about the new cable TV now being installed in Coldwater and how it will operate.

Next week Ken Leavenworth will present Charles Bristol who will discuss the use of computers in accounting and how this equipment can be adapted to various businesses. It should be interesting.

Members will recall that several months ago a matching scholarship was offered to the club by Olivet College. If the club would make a grant the college would match it for the use of a student from Coldwater. Kitty Adair, a graduating Senior, has been selected to receive this scholarship. She has been very active in High School activities and, of course, was very pleased (even tickled) to receive this scholarship.

Then there was the minister who said, "I pray for all."
The lawyer said, "I litigate for all."
The doctor said, "I prescribe for all."
The other guy said, "I pay for all."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

MAY 31, 1966

On Tuesday, Ray Fox as Program Chairman presented Rotarian Carlo Heikkinen our Superintendent of Schools and Bill Wilson a member of the School Board. They discussed the need for more funds to operate the Coldwater Schools. The election coming up on June 13 will elect two members to the Board of Education. It will also deal with an increase of millage by four mills to a total of eight mills for 1967 and 1968. It also provides for a bond issue of $280,000 for completing, furnishing and equipping the new Junior High School. Three of the four mills increase will be used for increases in salaries for teachers. This increase is necessary if Coldwater is to be able to keep good teachers. VOTE YES on both propositions.

Absent were Bent, Andrews, Burandt, Collins, Endicott, Joseph, Leavenworth, Laney, McKeith, Molitor, Norm Moore, Russ Moore, Nagle, Neer, K. Pearce, Putnam, Al Rice, Mel Rice, Skinner, Treat and Yingling.

There were eight early leavers.

Guest Rotarians were Nelson Weber of Bronson, John Elwell and Chal Dyer of Hamilton, Ohio, Mell Ross of Indianapolis and Mike Ralston of South Gate, California. Walt Balcolm was also a guest.

Our attendance average for April was 92.04 which places us 4th in comparable clubs. Average attendance for District No. 636 was 87.32%.

Reading had two 100% meetings and Litchfield, White Pigeon, Burr Oak, Constantine, Hillsdale and Vicksburg each had one 100% meeting.

The following dates concern Rotary clubs:
June 25, District Assembly at Jackson
June 26, District Assembly at Kalamazoo
July 25, District Golf Tournament at Point-O-Woods Country Club at Benton Harbor

The Lansing Club celebrated its 50th Anniversary on June 2. It has established five clubs during that time; Ionia, St. Johns, Grand Ledge, Haslett, Okemos and East Lansing.

Step No. 7 in electing a new member is as follows: The proposer, accompanied by a member or members of the Rotary Information Committee of the club, shall fully inform the proposed member of the privileges and responsibilities of membership in a Rotary Club, and shall secure the oral or written permission of the proposed member to publish his name to the membership of the club.

Our newest member is Fredrick A. Hough, the Administrator of the Community Health Center. He lives at 570 South Sprague Road with his Rotary Ann Janet. They have four children, Fred age 7, Allen age 5, Joe age 2 and Sarah 1 month old.

Did you ever stop to think of the job which is done at Rotary International Headquarters at 1600 Ridge Street, Evanston. It must have on its staff people who can handle the languages of the clubs around the world and also the wide variety of currencies which are used in their operation. Rotary worldwide has grown 58% in its global operations in the last ten years. There are now over 12,300 clubs with 590,000 members in 132 countries.

A practical young man couldn't afford a summer suit so he had his winter one wrinkled.

On Tuesday Reo Goodwin as program chairman presented Deputy Sheriff Joe Weigt who outline the rules regarding boat operation and the principles of boat and water safety. There was a question. and answer period after his presentation.

Absent were Bacon, Bovee, Burandt,Endicott, Kerr, Kornstein, Loose, McKeith Molitor, R.Moore, Mulchahey, Patterson, Mel Rice and Shorno.

There were fourteen early leavers, this number along with the absentees meant 28 members who did not hear the program. This must have been pretty discouraging for the speaker.

Howard Swan and John Visosky both win "seegars", Howard called and stated that he believed the Barbary apes on Gibralter had organized a new Rotary Club and John said th at it was organized on Gibralter. They read the Rotarian.

On page 23 of the June Rotarian is a report of the Tenafly New Jersey Rotary Club which has 48 members.The report gives the various activities in which the club was involved for the year 1965. Check Coldwater Rotary against the list of 23community projects in which the club was active. See how Coldwater Rotary st a cks up.Our club has had many projects in the past most of which have been the giving of financial aid or the puchase of equipment for diffeerent organization. See how many you can list. Have we as a club done what the community expects of a Rotary Club ?

Step No. 6 in the election a member: If the classification and membership committees have reported adversely upon the name of the newly proposed member and this has been sustained by the board of directors the proposer shal be so not ified by the secretary.
If the classification and membership committees have reported favorably and the board has sustained this action the secretary shall so notify the proposer.

Read the article "The Three R's of Adulthood in the June Rotarian. It causes one to stop and think at this time of year when youngsters and young adults a re graduating from high school and college.

Next week Ray Fox as programm chairman will present a Rotarian Carlo Heikkenein who will discuss the need for additional millage for the school operation.

It will help your editor if the members will let him know in advance what the programm will be for the week that they are providing it. It took 7 telephone calls today to find out was coming up for next week. PLEASE HELP!!!!!!!

To many the leaps of impulse are considerably greater than the bounds of reason.

The fifth step in the election of a new member is as follows: The Board shall then review the action of the Classification and Membership Committees and sustain or reject their decisions or refer it back to the Classifications Committee and the Membership Committee for further consideration and action.

This week Rotarians ate barbecued chicken as a part of celebration of Michigan Week. Each member was held responsible for checking with the Secretary as to his attendance. If any member was present and did not check in be sure to do so before Tuesday. If you were not there better try to make up on Monday at Quincy (noon), Reading or Angola (at night).

Next week Reo Goodwin is presenting a very timely program dealing with water safety. The Sheriff's Department is assisting with the program. We only hope that some control can be made over speed boats that endanger smaller boats, what might be called "Water Hot Rodders" are a nuisance.

You still can't beat the Irish. "Kiss the stone you come face to face with in the morning, and the words will pour out of you." These words of Cliodna the fairy queen were said to Cormac McCarthy who was worried about a lawsuit and had asked the fairy for advice. So the Irishman kissed the stone and his words were so convincing that he won his case. Then as directed by Cliodna he moved the stone to the top of a tower to prevent others from kissing it. It is still there; The Blarney Stone.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 10, 1966

On Tuesday, Roy Patterson as Program Chairman arranged for the membership to attend a concert at the Coldwater High School. The program was under the direction of Rotarian John Visosky. It was well presented and enjoyed by the members.

The club had as their guests eight girls who are contestants in the Miss Branch County Pageant to be held Saturday night, May 14 at the Coldwater High School.

Other guests included Harvey VanKampen who was the guest of Keath Pearce and Gale Knight who was the guest of John Dean. A visiting Rotarian was Chal Dyer of Hamilton, Ohio.

Absent were Bent, Dally, Faller, Henry, Joseph, Kornstein, Bob Loose, Mulchahey, Putnam, Sebald, Teeter, Thompson, Wilcox, Wise and Yingling.

Next week there will be NO MEETING at the Elks Temple. It being Michigan Week the club will go to the chicken barbecue at the Methodist Church. In case of rain the club will eat indoors at the church. It is the responsibility of each member to be sure that his attendance is recorded so be sure to check in.

The following man has been proposed for membership in the club: Frederick A. Hough. His Major Classification is Institutions and Hospitals, Active and his Minor Classification is Hospitals. Any objection to this proposal should be filed in writing within ten days with Ernest Luse, Secretary of the club.

The club lost Dick French last week through his resignation. We are sorry to lose him.

Fred Anderson, the incoming President for 1966-67, has made the following appointments for the Committees to serve during the ensuing year: Club Service, Tom Collins; Community Service, Chuck Bacon; Vocation Service, Bob Rumsey and Doug Woodward for International Relations.

The District Assembly will be held in Jackson on June 25 and in Kalamazoo on June 26. This Assembly is specifically planned for the incoming President, Secretary and Committee Chairmen. The Rotary Information and Classification Committee are especially urged to attend.

Read "The Firsts in Our Lives" in the May ROTARIAN. Then think back to the first thing you remember and then continue up to the present. Do you remember your first cigar, your first puppy love, your first job, etc.

Service above self is a Rotary maxim. On Page 54 of the May ROTARIAN is told the story of how it all began. Since that time in 1907 when the idea first originated much has been done by Rotary clubs throughout the world. Read about how the Chicago club bought a preacher a new horse in 1905.

If the directions read "so simple a child can do it" you had better get a child to do it. Maybe new "math" is involved.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 3, 1966

The committee to select a high school boy to attend Camp Emery as a representative of Coldwater has named Robert Doll a Junior at St. Charles High School. The committee was Al Butterfield, Dick French and Ax Olson.

Eureka! Attendance has improved and last month Coldwater Rotary was second in clubs of comparable size with 92.89%. Allegan was first with 93.15%. Dowagiac was low with 76.83%.

Cow pasture pool fans take notice! The District Golf Tournament is scheduled for July 25 at Point O'Woods Country Club in Benton Harbor. Draw a circle around this date.

President Fred read a news paper account of the organization meeting of the Coldwater Rotary Club on Nov. 19, 1921. Rotarians from Angola, Hillsdale, Adrian and Battle Creek attended the meeting. The first officers were: President-Frank Rowe, Vice President-O'Neil Carroll, Secretary-Hugh Clark, Treasurer-Rollo Thompson and Sergeant-at-Arms, Frank Treat. The Directors were, Herb Sloman, Harry Lansing and Fred Chambers. A charter member of the club a Mr. Osborne usually attends one of our meetings each summer.

We noticed that the badges are not in proper order and the ones of the newer members are all on the one side. It would be nice if everything was ship-shape in Bristol fashion.

Visiting Rotarians included Nelson Weber, Wendell Hathaway, Ed Facklam and J. L. Amidon of Bronson and Dick Meyerson of Kalamazoo.

Student guests were Bill and Bob Shaw sons of a former member Bob Shaw. They are both Seniors at Coldwater High School.

Another guest was Ray Harris of Coldwater the guest of your editor.

Absent were Heikkenin, Joseph, Kornstein, Leavenworth, Laney, Putnam and Treat.

There were seven early leavers.

Harry Joseph is at home, he returned from the University of Michigan Medical Center recently.

Seton Bovee was program chairman and with the assistance of Roy Harris showed pictures of automobile accidents that have occurred in Branch County fairly recently. Some were pretty rough and makes one stop and think and realize that constant alertness and care are necessary if accidents are to be prevented. You must be a defensive driver at all times.

Nest week Pat Patterson who is program chairman with the help of John Visosky is providing a concert at the Coldwater High School. The Cardinal Band will play for the club.

The neurotic builds the houses, the psychotic lives in them and the psychiatrist collects the rent.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 26, 1966

Wednesday night your editor made up at Burr Oak and heard four high school students tell of their exchange week at Wallaceburg, Ontario. While they were in Canada four Canadian High School students spent the week in Burr Oak. This is the fifth year that the Burr Oak Club has cooperated with the Wallaceburg Rotary Club in this exchange. The club believes it is worthwhile and helps in International understanding.

On Tuesday, twenty-three club members were awarded pins for 100% attendance. Warner VanAken led the list with 43 years and others were Fred Weeks with 26 years, Mark Andrews with 19, Bob Kerr with 18, Ernest Luse with 18, Fritz VanAken with 17, Dick Biringer with 11, Craig Sebald with 9, Bob Rumsey with 6, Ray Mulchahey with 6, Cranston Wilcox with 5, Axner Olson with 4, Keath Pearce with 4, Fred Culy with 4, Fred Anderson with 4, Wes Wilbur with 2 and Chick Kennedy, George Pierce, Howard Teeter, John Visosky, Les Woodward, Bernard Laney and Gil Molitor each with 1 year.

Absent on Tuesday were Biringer, Burandt, Hawley, Heikkinen, Joseph, Kennedy, Molitor, Norm Moore, Skabo, Shorno, Weeks and Wise.

There were 5 early leavers.

On Tuesday, Mark Andrews introduced the Honorable Alvan Uhle, Judge of Probate for Branch County. He outlined the work of the Court and told of some of the problems with which the Court is faced. Judge Uhle stressed the lack of professional staff to assist him in working with some of the children referred to him.

Next week Seton Bovee is the Program Chairman and will present a program using an opaque projector to show pictures dealing with the presentation.

From all reports the District Conference was well worth attending. Five Rotarians attended the meeting.

In the May ROTARIAN read the article "The Reach for the Moon". The front shows the Gemini VII space craft and in the capsule was a Rotarian. He is shown on Page 25.

Step No. 4 in the election of a new member is as follows: After making due investigation of the character, business, social standing and general eligibility of the person proposed for membership, the Membership Committee shall then proceed to vote and if not to exceed one negative vote is cast by the members of the Committee, the name of the proposed member shall be considered eligible and so recommend to the Board. The Membership Committee shall then report to the Board the action it has taken thereon.

In awarding 100% pins for attendance the newer members may not be aware that this is for consecutive years of attendance. A member may have 100% for 5 years and then have one year in which he is not 100%. He then starts all over again in years counted; the first 5 years of 100% attendance do not count.

Then there was the sweet young thing who said to the auto mechanic, "Please fix my horn, my brakes don't work."

John was working on the budget and remarked to his Rotary Ann, "We should have saved during the depression so we could live through this prosperity."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 19, 1966

Absent on Tuesday were Burandt, Butterfield, Davidson, Endicott, French, Goodholm, Hawley, Joseph, Kennedy, Kornstein, Loose, Russ Moore, Mulchahey, Al Rice, Mel Rice, Teeter, Weeks, Chuck Woodward and Les Woodward.

Visiting Rotarians included Gordon Packer from Litchfield, Jerry Nowak of Hillsdale, Ray Smith of Bronson and Charles Pilliod of Angola. Wayne Farst had as his guest Richard Rayborn and Ken Putnam had Dick Scovill.

There were five early leavers.

From all reports and comments the "Fabulous Forties" was excellent. Your editor heard several persons who saw it say that it was the best show Coldwater Rotary has ever presented. Gentlemen, take a bow!

Keath Pearce has requested that all bills for materials, printing or service in connection with the Rotary Show be submitted as soon as possible. He asks that they not be permitted to drag along.

Tom Collins has also asked that all money and unsold tickets be turned in immediately

Step No. 3 in the election of a new member is as follows: The Board of Directors shall refer the name of the proposed member to the Classification Committee, which Committee shall consider the eligibility of such proposed member from the standpoint of classification and declare the classification proper or improper and shall return the proposal card, together with this information to the Board, who shall then refer it to the Membership Committee.

The following Rotarians are planning to attend the District Conference at Hillsdale College on April 23 and 24: President-Elect Fred Anderson, Secretary Ernie Luse and the following members, Andy Henry, Paul Thompson, Bob Nagle and Wayne Farst.

On Tuesday, Fred Anderson substituting for Bob Hawley presented a film appropriate to this time of year. The film showed Paul Varney playing a round of golf and demonstrated the use of the proper club, stance, grip and how to play the ball from where it lay.

The April ROTARIAN as mentioned before tells of the West and the area around Denver particularly. Your editor having traveled considerably in this area; it is well worth seeing and it is too bad that more Coldwater Rotarians are not going to the Rotary Convention in June.

In the April ROTARIAN read about what other Rotarians have done and are doing.

Bob Loose should be sure and see the cartoon on Page 77 of the April ROTARIAN.

Next week Art Lyons has the program and will discuss Law Week and its implications.

If you think old soldiers just fade away, try getting into your old service uniform.

We talk about equality of the sexes but who in the world ever heard of a retired housewife.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

APRIL 12, 1966

Tuesday's program was the final club practice before the Rotary Minstrel Show "The Fabulous Forties". We hope the show is as the practice indicates it will.

Harry Joseph had surgery last week at the University of Michigan Medical Center. His room number is 10-420. His son Al told your editor Tuesday night that he is doing well. Why not drop him a card? He will appreciate it.

Absent on Tuesday were Bacon, Burandt, Dally, Farst, Fox, Joseph, Kornstein, Laney, Neer, Al Rice, Sebald, Skinner, Warren Williams, Wise and Mulchahey.

Visiting Rotarians included Bert Ward, Phil Hensley and Jerry Pearce of Bronson.

Paul Thompson had as his guest Willard Milard and Bob Hawley had as his guest Garland Ferrell. Bert Ward of Bronson had as his guest Austin Lewis of Elkhart, Indiana.

There were nine early leavers.

Don't forget the District Conference to be held at Hillsdale on April 23 and 24. All new members should attend; it will help them to understand more about Rotary, its aims and how it operates. All new and old officers are expected to attend.

On February 23 there were 12,290 Rotary Clubs and 587,500 Rotarians in 131 countries and geographical regions. 185 new clubs have been organized since July 1, 1965.

On April 30, Holland, Michigan will celebrate the birthday of Queen Juliana of The Netherlands and "Sput" Teenstra, President of Rotary International will come to help in the celebration. Two visits to Michigan within a year by the President of Rotary International is something to be proud of.

You can't beat the Irish. A Rotary Foundation Fellow from Kalamazoo tells of the Limerick Rotarian who took a Christmas basket to an 82 year old lady and told her of Rotary. Her answer was, "I do appreciate your asking me Mr. McQuarrie, but I am just too old to join."

Recently the Board of Directors of Rotary International stated that clubs should be reminded that additional active members can be elected from Rotarians who move into a new community. This permits continuity of membership and prevents loss of Rotarians. Something to remember.

We noted recently that Ainsley Roseen, Associate Editor of the ROTARIAN recently retired. He will be missed as he was always very helpful in providing information when requested to do so.

Did you know that Coldwater, Michigan is the only town in the world by that name to have a Rotary Club.

Flint and Muskegon celebrate 50 years of Rotary this month.

Read the April ROTARIAN before you go on your vacation this year. It covers the Western United States and tells where to go and what to see.

Psychologists state that it is a good thing to kiss the children good night, if you are awake when they come home.

The Singingest Club in the U. S. A.

APRIL 5, 1966

Each Rotarian in District 636 has received an invitation to and program of the 1966 District Conference to be held at Hillsdale College on Saturday, April 23 from 11:00 a.m. until 10:30 p.m. and for the second session to be held on Sunday, April 24 from 8:00 a.m. until 6:00 p.m. All new members, club officers for the coming year and any and all Rotarians are invited to attend. Take the little gal along and give her a bit of a vacation.

Last week due to lack of space we omitted Step No. 2 in the Admission of a New Member. Here it is: The name of a prospective new member to fill an open classification having been proposed by a member in good standing shall be submitted first to the Board through the Secretary on a standard form known as a proposal card.

Beginning Monday, April 11 the practice sessions for the "Fabulous Forties" will be held at the Tibbits. John Visosky is asking the end men to report at 7:00 p.m. and the chorus at 7:30 p.m. Have you sold all your tickets? If not, why not?

Absent on Tuesday were Bent, Biringer, Dally, Joseph, Mulchahey, Treat, Clyde Williams, Chuch Woodward, Les Woodward and Yingling.

Visiting Rotarians included Walter Tucker of Sylvania, Ohio and Ed Johnson of Valparaiso, Indiana. Carlo Heikkinen had as his guest Dr. Bowman.

There were 5 early leavers.

Duke Davidson has returned from his cruise. If he saw what friends of mine have seen on similar cruises he will never be the same again.

We are glad that Torg Skabo is back with us again after his illness.

Harry Joseph is in the University of Michigan Medical Center. We don't know his room or floor number but a card sent to him will reach him.

At the Board of Directors meeting it was decided to help send a school child to the University of Michigan Speech and Hearing Clinic.

For many years your editor has been plugging for a more meaningful induction ceremony when new members become members of the club. In a recent Bulletin of another club we read of just such an induction and it was very well done. Membership in Rotary is a privilege for which many men strive and a new member should realize that his membership imposes responsibilities upon him and he should be willing to abide by these if he becomes a member. A great many members are inclined to regard Rotary meetings as a pleasant place to have a lunch with other men. What does your membership mean to you?

Don't forget to push ticket sales for the Rotary Show.

With the recent recovery of the H-Bomb from the ocean off Spain, go back to your February ROTARIAN and read about the machines that were used in the recovery. Page 12 - February.

Read in the April ROTARIAN on Page 73 about a Rotary Foundation Fellow from our neighboring town Vicksburg and his stay in France.

There is one thing that is so simple a child can run it and that is a pair of parents.

MARCH 29, 1966

Remember the dates for practice for "The Fabulous Forties" - end men at 3:30 p.m. at the Elks Temple on Sunday, April 3 and for the chorus at 7:30 p.m. on Tuesday, April 5. Attendance has been good and much appreciated. The week of April 10 practice will be held at the Tibbits on Monday, Tuesday and Wednesday nights.

On Saturday night, April 16 after the show a party is planned for Rotarians and their Rotary Anns. This will be held at the Country Club. All Rotarians are urged to attend; end men, chorus and all others who help in other ways. Lets try to make this a 100% attendance affair.

This is taken from the Battle Creek Rotary Bulletin: Four-Way Test of Attendance. 1. Is it true that you really can't remain until the meeting adjourns? 2. Is it fair to walk out on the speaker who is giving of his time to inform you or entertain you? 3. Will it build goodwill and better friendships to slight your guest and your host at the club? 4. Will it benefit your fellow club members, their guests and other visitors to see you leave early? How do you as a member rate under this test? Good, Fair or Poor?

On Tuesday, Ralph Toupalik, as Program Chairman, introduced Charles W. Walton who is an associate economist with the Manufacturers National Bank of Detroit. Mr. Walton discussed the reasons for the tight money situation at present stressing the fact that there is now full employment and factories are turning out products at a capacity rate. He stated that there had been a 7% annual growth in productivity over the past five years but that only 5-1/2% had been a true growth and that at present this fact is causing a rise in prices and the demand for goods.

Absent on Tuesday were Burandt, Dally, Davidson, Joseph, McKieth, Mulchahey, Russ Moore, Norm Moore, Patterson, Pitts, Mel Rice, Skabo, Clyde Williams, Wilcox, Charles Woodward, Doug Woodward, Les Woodward and Yingling.

There were six early leavers.

Rotarian guests included Mel Ross of Indianapolis and Ray Smith and Jerry Hollister of Bronson.

Web Treat had as his guest Charles Bristol and Les Wise had Lloyd Luce. The student Senior guest from the Coldwater High School was Brad Thompson who was introduced by Bob Sweet.

Next week the club will spend the usual program time in practicing for the show.

Our attendance for March was 89.33% which places us 7th of the 16 clubs in our class. Our attendance has not been as good as it was formerly. Lets try to do better.

The Hastings Club has presented Dr. Wesley G. Logan as a candidate for District Governor for 1967-68.

The District Governor for 1966-67 will be Stu Bearup of Charlotte.

Most people have enough spending money these days. The problem is how to get a little keeping money.

MARCH 22, 1966

Rotary Show Practice Schedule: end men at 3:30 p.m. on Sunday March 27 at the Elks Temple and the chorus at 7:30 p.m. on Tuesday, March 29. Only one practice session after this before we move to the Tibbits.

Lee Jolgren of Vilican and Lemau, which is the Urban Renewal Consultant firm being hired by Coldwater, discussed the renewal of towns. He stated there are two types of renewal: (a) clearance and redevelopment and (b) conservation. There are 33 acres in Coldwater being considered for conservation with some clearance. In order to revitalize a downtown five things are necessary: 1. Rid downtown of eye sores. 2. New sites for new development. 3. Off street parking. 4. Modernizing buildings which can be retained and have new rear entrances. 5. Good merchandising to attract customers. The first three can be done through urban renewal and development and the last two can only be done by the merchants involved.

Absent on Tuesday were the following: Davidson (in the Bahamas - how lucky can you be), McKieth, Russ Moore, Mulchahey, Pearce, Pitts, Putnam, Skabo, Swart, W. Williams Les Woodward, Endicott and Sweet.

There was one visiting Rotarian, Kenneth Montgomery of Hillsdale.

Harry Joseph introduced the student guest Jim Gibbens. John Dean had as his guest William Timm. There were four early leavers.

About once each year your editor outlines the 14 steps in the method of electing new members. Step No. 1: From time to time the Board shall review the list of filled and unfilled classifications as prepared by the Classification Committee and decide which, if any, of the unfilled classifications should be considered as open for proposals and shall advise the membership as to which classifications have been opened for proposal.

Old and new officers of the club should circle April 23 and 24 for attendance at the District Conference at Hillsdale. All new members and committee chairmen should also attend this Conference. Here is where you will learn how Rotary operates.

We have three exchange students attending High School in Coldwater. Your editor hopes that they are able to attend a Rotary meeting before they leave.

Coldwater Rotary needs new members. Read how one Rotarian secured twelve new members which is related on Page 8 of the February ROTARIAN.

It takes a certain amount of push to accomplish anything - even with a wheelbarrow. No wonder the Irish go places and do things.

MARCH 15, 1966

On Tuesday, Robert Yingling presented Ward Mayrand, Information Officer of the Michigan Aeronautics Commission. Mr. Mayrand told of the three types of planes being used at the present time. (1) Military, (2) Scheduled Commercial and (3) General Aviation, in which field there are 86,000 planes at present with 115,000 expected very soon. He stressed the need for close in airports and that very soon runways will have to be lengthened to land jet planes. He stated that suitable airports are a great influence in bringing new industries to a city. Eight companies in Branch County now have planes at the local airport. Accompanying Mr. Mayrand were Norman Wetherly and Maury Malone both of the Commission.

Absent Tuesday were Bent, Bovee, Burandt, Couillard, Goodholm, Heikkinen, Kerr, Leavenworth, Russ Moore, Nagle, Skabo, Teeter, Thompson, W. Williams, D. Woodward and L. Woodward.

There were 8 early leavers.

Guest Rotarians included Olan Martin, Wendell Hathaway, Bob Harrig and Jim Amiden of Bronson, Ray Kimball of Sturgis and John Marvin of Three Rivers.

Other guests included Noel Shedd the guest of Bob Yingling and Terry and Tom Ward, Seniors at the Coldwater High School who were introduced by John Dean and Fritz VanAken.

The Club voted to contribute $500 to the Mott Scholarship Fund at Olivet College. This amount will be matched by the Fund.

The Club also agreed to contribute $800 to the Rotary Park Fishing Site to go toward the construction of toilets and a drinking fountain.

Next week John Dean will have as a guest speaker Lee Jolgren of the firm of Vilican and Lemau, consultants on Urban Renewal of Southfield. Mr. Jolgren is expected to discuss Urban Renewal and how its use in Coldwater can benefit the city.

Dear Cousin Muley: As you know, I attend a lot of service club meetings and I cannot say much for the food at Coldwater Rotary when compared with other clubs. It just don't rate at all. Recently I have been to Galesburg, Climax, Homer, Fremont and some others and all of them had much better food. Maybe the poor food may have something to do with the poor attendance. You ought to see how Coldwater Exchange and Kiwanis eat.

Yours,
Gully

There are only three chorus and end men practices scheduled between now and the week of the "Fabulous Forties". Don't forget end men - Sunday at 3:30 p.m. at the Elks and next chorus on Tuesday, March 22 at 7:30 p.m. at the Elks. BE THERE!

Thursday is St. Patrick's Day and this is for the Rotary Ann who says she is Irish.

A Toast for St. Patrick's Day:

Sainte 'gus saol agat

Health and long life to you
Land without rent to you
The woman of your choice for you
A child every year to you
A long life and may your bones rest in Ireland

Children are something that you know how to raise better than anyone else because you don't have any.

MARCH 8, 1966

There will be a practice of end men of the Rotary Show at 5:00 p.m. on SUNDAY, MARCH 13 at the Elks Temple. NOTE THE CHANGE IN TIME -- IT IS AT 5:00 P.M. INSTEAD OF 3:30 P.M.

The chorus meets TUESDAY, MARCH 15 at the Elks at 7:30 p.m.

On Tuesday the club lost Bill Klaas who is moving to Cleveland. He bade good-by to the club.

The club membership voted to purchase and donate to the Tibbits Opera House a new spot light. In return the Tibbits will make no charge for the use of the theater for the Rotary Show.

Absentees for Tuesday included Burandt, Couillard, Faller, Goodholm, Kennedy, Kerr, Leavenworth, Russ Moore, Pitts, Mel Rice, Rumsey, Skabo, Teeter, Thompson, Warner VanAken, Weeks, Clyde Williams, Warren Williams, Wise, Doug Woodward, Les Woodward and Bob Yingling.

Visiting Rotarians included Nelson Weber of Bronson, other guests included Harold Higgins the guest of Wayne Farst and Carroll Barnes had as his guest Donald B. Quada.

Hal Fitch, a Senior from the Coldwater High School, was the student guest and was introduced by Bill Bobier. Hal played on the Coldwater Basket Ball team that beat Albion Tuesday night in the Regional Tournament.

There were seven early leavers.

Next week Bob Yingling will present Mr. Ward J. Mayrand of the Michigan Department of Aeronautics, who will tell the club about the importance of an adequate air terminal. Bob, by the way, is a licensed airplane pilot.

Dick Biringer presented three new members, Reo Goodwin, Andy Henry and John Visosky. Each of these members told something of themselves.

Reo Goodwin was born in Branch County, graduated from Montgomery High School, served 52 months in W.W.II and for a time was stationed in Hawaii. He has worked at Quality Springs, Montgomery Wards and now has his own Sherwin-Williams Paint Store. He is married and has three children; two daughters and one son.

Andy Henry born in Ohio, graduated from High School, served three and one-half years in the U.S. Navy aboard an air carrier under Admiral Halsey. He has worked on the railroad, as a civil employee, bookkeeper and in 1955 came to Coldwater with Federal-Mogul. He is now manager of the Systems Department in data processing. His wife is Velma and he has two daughters and one son.

John Visosky was born in Pennsylvania, graduated from High School, served in the U.S. Coast Guard and later attended the University of Michigan majoring in music. He played in the University of Michigan Band and was at one Rose Bowl Game. He has taught in Reading where he was a Rotarian. He is married and has a son and a daughter. He is now band director at Coldwater High School.

This was a good program and we should hear from all new Rotarians and perhaps some of the older members.

The Board of Directors has voted to again send a boy to Camp Emory in 1966.

The Borad of Directors has voted to buy from the Crippled Childrens' Fund $834 of equipment for the orthopedic room at the Franklin School. This is on recommendation of the Crippled Childrens' Committee of the club.

No well reared girl should wear a pair of slacks.

The Singingest Club in the U. S. A.

MARCH 1, 1966

There will be a practice of the End Men of the Spring Show on Sunday, March 6 at the Elks at 3:30 p.m.

There will be a chorus practice at the Elks on Tuesday night, March 8 at 7:30 p.m. Try to be there.

On Tuesday, Harvey Bent as program chairman introduced Fred Hough, the new Administrator of the Community Health Center. Mr. Hough discussed the duties of an administrator and then went on to discuss future needs and plans illustrating this with graphs. He stated that more space was needed for service and that in 1975 at least 170 beds at the Health Center will be needed.

The club attendance slipped badly in January. Our average was 89.37% which placed us 11th in clubs comparable in size. We were less than 1% over the District Average of 88.45. This was for 49 clubs with a membership of 2829. When a man becomes a Rotarian he obligates himself to attend his own club regularly or make up at some other club. Seven clubs had thirteen 100% meetings during January.

At the election of new members to Board of Directors, Fred Anderson, Dick French and John Klein were selected at Tuesday's meeting.

Next week Dick Biringer will be the program chairman. He is presenting three new members, Andy Henry, John Vivosky and Reo Goodwin. He has asked them to give a thumb nail sketch of all the facts regarding themselves that can be told.

On April 23 and 24 a District Conference will be held at Hillsdale College. According to the latest District Governor's Letter it is mandatory that the incoming officers and the present officers attend. It is suggested that all new members attend so as to familiarize themselves with the operation of Rotary. Rotary Anns are invited and activities are planned for them. Give the little gal a break and take her along.

Rotary's World Understanding Week is March 20-26 and Rotary International suggests that some effort be made to plan a program with this in mind.

In the February ROTARIAN read the article by Ralph E. Prouty entitled "Nothing Succeeds Like Excess". He points out that many of the world's greatest benefits have come about because someone, somewhere, sometime displayed a fanatic devotion to solving some problem and people are the benefactors. Read it.

A "seegar" or an orchid to the Rotarian or Rotary Ann who can tell your editor where the newest Rotary Club has been organized. It tells of it in the Rotarian for February.

It is a good thing that hair dyeing wasn't so popular back in Eben E. Rexford's day. He couldn't have written "Silver Threads Among the Gold".

The Singingest Club in the U. S. A.

FEBRUARY 22, 1966

These members have been nominated for the Board of Directors and from these men the club will elect the Directors for the coming year: Fred Anderson, John Klein, Al Butterfield, Dick French, Dick Moore, Bob Rumsey and Bob Sweet. May the best men win. From the new Board will be elected the club officers for the year to come. They will take over on July 1, 1966.

It would be nice, fitting and proper and of value to the club if the new President and Secretary were sent to the Annual Convention in Denver. (All expenses paid for them and their Rotary Anns.) Other clubs do it, why can't Coldwater.

Absent on Tuesday were Anderson, Bacon, Bent, Bobier, Bovee, Couillard, Davidson (Caribbean Cruise), Dean, Faller, Kerr, Kornstein, Leavenworth, Moore, Mulchahey, Putnam, Skabo (ill), Teeter, Thompson, Warren, Williams (Mesa, Arizona), Wilcox, Doug Woodward, Les Woodward (Tucson, Arizona), Henry and Endicott.

There were four early leavers.

Visiting Rotarians were: Richard Weber, Homewood, Illinois; K. Thomas, Alfred Gutstein, Henry Johnson and Emery Boyd of Angola; Morris Wood of Bronson; Ken Woollen of Shelbyville, Indiana; and a former Coldwaterite, now of Ann Arbor, George Owers.

We are sorry we missed Tuesday's meeting and by so doing missed the slides and narration of the hunting trip into Montana by two of our club members, Chuck Woodward and Clyde Williams. They were successful as they came back with two elk, a black bear and a grizzly bear. From all reports the program was enjoyed by the membership.

A new member James R. Endicott of the Board of Public Works was introduced to the club by Tom Collins. His Rotary Ann is Thelma and they live at 72 Cheryl Ann Drive. They have two daughters, Christine 12 years old and Gloria 22 of Terre Haute, Indiana. He is a veteran of Army service and attends the Methodist Church.

Next week Harvey Bent will have as his speaker Fred Hough, the new administrator of the Community Health Center, who will tell the club of the problems a hospital faces at the present time.

Recently your Editor made up at Vicksburg and heard Samuel V. Bennett of the W. E. Upjohn Institute for Employment Research speak on the employment in Michigan. Here is a good program for someone. You can reach him at 300 South Westnedge Avenue, Kalamazoo.

The average husband is 42 around the waist, 40 around the chest, 98 around the golf course and a nuisance around the house.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 15, 1966

On Tuesday, Honorable Member John Walker told the club of circuses. He stated that he had been a circus fan since 1904 when he carried water for the elephants and received passes for the show. This was when Barnum and Bailey visited Coldwater. During early times Rome had records of a circus in 329 B.C. Later the circuses traveled around the country playing in small towns. These were followed by large traveling circuses and by 1900 there were many on the road. Most of the early travel in the United States was by train and the parades were large and colorful. At one time Ringling Brothers Circus had 1600 employees and the daily cost was about $14,000. John states he liked freaks and he told of many he had known. Since 1956 none have been under canvas. The circus people had a language of their own. Many years ago we heard that once John ran away with a circus. We cannot vouch for the truth of this, however, one little known fact is that the Germany Army adopted the circus method of loading equipment onto trains and used it extensively.

The Nominating Committee has been appointed and next week the bulletin will carry the names of the nominees for the Board of Directors for 1966-67.

Absent this week were Bovee, Butterfield, Goodholn, Hawley, Heikkinen, Joseph, Kerr, Leavenworth, Laney, McKieth, Russ Moore, Mulchahey, Patterson, Mel Rice, Rumsey, Shorno, Skabo, Thompson, Warner VanAken, Warren Williams and Yingling.

There were only 4 early leavers.

Visiting Rotarians were Morris Wood and Alvin Wiler of Bronson.

This is taken from the Sturgis Rotary Bulletin: ROTARIANS ROTATE: "The development of acquaintance as an opportunity for service can come about only if each of us does his part to promote fellowship at weekly meetings. As Rotarians, we need to rotate to a different table each week. If you are a younger member, don't sit with the same other younger members, week after week. The same advice can be given to older club members, too. Help advance the object of Rotary."

Next week Clyde Williams and Chuck Woodward are to present a program on their last hunting trip. It should be interesting. Your editor will miss it as he is speaking at the Galesburg Rotary Club. Sorry!

Now that the Armed Forces are looking for a lost atom bomb in the Atlantic the article on Page 12 of the February ROTARIAN should be interesting to the members. Read it and then consider how well you would like to be dangled down 2,000 feet in a small capsule.

A teacher annoyed by his clock-eyed students covered the face of the clock with a sign that read, "Time will pass. Will you?"

The Singingest Club in the U. S. A.

February 8, 1966

The Board of Directors met at Stukey's Inn on Thursday, February 3. Several actions were taken: (1) Al Rice, a former Rotarian who resigned from the club, was elected to Senior Active membership. (2) Torg Skabo was excused his past absences because of illness, however, his absences are included in the attendance of the club. (3) Considerable discussion of absenteeism and early leavers followed and it was agreed that when a man joins Rotary he assumes several responsibilities among which are: (a) To either attend his own club or make up each week. (b) To attend at least 60% of each meeting. It was brought out that some members who do not sign up to leave early are doing so.

On Tuesday, Conrad Swart introduced The Reverend Vernon T. Smith of the Presbyterian Church who discussed the 4-Way Test and how it came into existence and its application to business life at the present time. We are sorry we did not hear him but from all reports he did a good job.

Absentees were Bovee, Burandt, Butterfield, Davidson, McKieth, Molitor, Russ Moore, Mulchahey, Patterson, Rice, Sebald, Skabo, Treat, Warner VanAken, Clyde Williams and Warren Williams. There was one visiting Rotarian, Jerry Novak of Hillsdale. George Pierce had as his guest Charles Watkins and Harold Goodholm had Walt Balcolm as his guest. There were seven early leavers.

We understand that the Don Shornos are leaving for a vacation in a warmer climate.

Next week Fred Anderson pinch hitting for the vacationing Don Shorno will introduce our John Walker who will tell us about circuses that he has known.

In the area of human relations and selling the book SERVICE IS MY BUSINESS outlines how one salesman made a success of selling a very common commodity; baked beans. He outlined how his company could save a housewife 16 hours in preparing a baked bean meal. He had studied the needs and likes of his customers and then geared his approach to meet this need. He thought of his approach and considered his prospective customers. In this time of excessive competition such a plan will pay off if done properly.

In the February ROTARIAN read about "The Man With 8000 Miracles" telling a story of "guts", courage and the will to do something for someone else.

"Foreign Aid" is very much in the news at present. Read the article on Page 34 of the February ROTARIAN about what Rotarians did in Calcutta for their city.

For every person who wishes dreams would come true there are at least 10 who thank heaven that they didn't.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 1, 1966

If you want some interesting reading which includes everything but name calling, read the article in "Your Letters" beginning on Page 4 of the February ROTARIAN regarding liberalism and conservatism. The writers really generate some heat.

Your Editor is willing to make a small contribution to help finance the purchase of a medallion and chain of office as worn by the President of the Dundee, Scotland Rotary Club. Perhaps we might be able to buy it at a discount since our President is a jeweler. Look it over on Page 24 of the February ROTARIAN. One disappointment is that none of the Rotarians pictured are wearing Tartan ties.

Rotary Anns be sure to read the statements made by various Rotary Anns as to why they are glad their husbands are Rotarians. They begin on Page 16 of the February ROTARIAN.

This week Jackson Rotary celebrates 50 years of existence. The club had a big whing-ding on February 2 with a Past Rotary International President as the speaker.

Your Editor spoke at the Rockford Rotary Club on Tuesday and found that that club although with only 55 members they send expenses paid, their President, the incoming President and the Secretary to the National Convention at Denver. Perhaps if the Coldwater Rotary helped with some of the expenses more members might be able to go. It is worth thinking about. We also learned that if a member is absent and does not make up it costs him $1 - if he is ill be does not pay. The money goes to the Rotary Foundation.

This week Les Wise presented Mr. Fitch of the Battle Creek Social Security Office, who outlined the recent amendments to the Social Security law. We understand that there was an interesting discussion following the talk.

Next week Conrad Swart will present The Reverend Vernon T. Smith of the Presbyterian Church who will discuss the 4-Way Test.

We believe the Spring Show of the Coldwater Rotary Club is to be April 14, 15 and 16 and hope the date is included in the March District Governor's Monthly Letter.

The annual Election of Officers of each club has to be held before March 31. It is time to be thinking about those members you would like on the Board of Directors for next year.

For those who believe chemical warfare is new we would suggest that they read something of the history of perfume.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 25, 1966

The attendance record for the entire year has just been published by Secretary Ernie Luse. Eighteen members had 100% attendance for the entire 52 meetings and three members who joined the club during the year had 100% for the time that they were members. This means that 24% of the club members had 100%. For the month of December the attendance was 92.33%. This places our club third in clubs of comparable size. Middleville with 23 members had an attendance of 100% for the entire month.

Next week Les Wise, who is furnishing the program, will have as his speaker a man from the District Social Security Office in Battle Creek. The speaker will outline the new amendments to the Social Security program.

Torg Skabo, who has been ill, is now out of the hospital and members can send him a card c/o G. D. Miller, 615 Center Way, Lake Jackson, Texas. Why not let him know you are glad that he is on the mend.

We lost a member yesterday; Boyd Wiggins is leaving for Nigeria this week. We are sorry to lose him.

Tuesday, Andrew Frederick Henry was added as a new member. He lives at 619 North Fall River Drive but his mailing address is Rural Route 4, Box 152-C. He came to Coldwater from Willard, Ohio and is employed at Federal Mogul. He was presented to the club by Gil Molitor. His Rotary Ann is Velma and he has three children, Andrew Frederick, Jr., Andrea and Theresa. He will be a good addition to the club and we welcome him.

Carroll Barnes as program chairman on Tuesday asked your editor to discuss the ROTARIAN. The early history of the magazine was outlined and pertinent articles appearing during 1965 were outlined. Ainsley Roseen, Associate Editor of the ROTARIAN was most helpful in providing background material which was much appreciated.

Visiting Rotarians included Bert Ward, Jim Amidon, Nelson Weber, Ray Smith and Lloyd Phillips of Bronson, Al Scherer of Delta, Ohio and Mel Ross of Indianapolis. Carroll Barnes had as his guest Bernie Wisner of Kalamazoo and Bob Hawley had Bob Christiansen.

Absent were Burandt, Dean, Fox, Goodholm, Kornstein, McKeith, Pitts, Putnam, Skabo, Teeter, Thompson, Clyde Williams, Wise, Less Woodward and Sebald.

Jas Endicott has been proposed for membership. He is employed by the Board of Public Works. His Major Classification is "Electric Industry and Electronics" and his Minor Classification is "Electric Light and Power Service". Any objections to his membership must be made in writing to the club secretary within ten days.

We were told that the Warren Williams are taking off for Mesa, Arizona on Wednesday, January 26.

Ralph Toupalik and his Rotary Ann had a week end in Florida last week. Ralph says the weather was miserable and he came back with very little golf and a cold.

The publication of this quip has been approved by a Rotary Ann: George Washington was first in war, first in peace and first in the hearts of his countrymen, but he married a widow.

JANUARY 18, 1966

In the January ROTARIAN on Page 40 is an extremely interesting story. You will enjoy it. These days with travel so simple and easy we are very blase' about making long journeys but most of us are pikers compared to the travelers described in the article. Marco Polo did his travel in the 13th Century and had he lived at the present time would have worn a gray flannel suit and worked on Madison Avenue.

Dear Cousin Muley:
I must be getting old! Teenagers who ride bicycles in the dark without lights or reflectors bother me. I pretty nearly clipped one the other morning. Another thing is the way teenagers cross streets in the middle of the block and dare you to run over them. If you say anything to them there is always one smart one who gives you back talk. Can you tell me how to get along with these problems?

Yours, Gully

The Rotarians of Darley-Lansdowne, Pennsylvania each subscribe to an extra copy of the ROTARIAN and send them to places where they will be read; even to beauty parlors. They regard it as a worthwhile expenditure of money.

Read the letter on Page 14 of the January ROTARIAN written by James C. Shaw of East Haddam, Connecticut about condemnation by failure to be brought to trial.

On December 1, 1965 there were 12,218 Rotary Clubs. One hundred and eleven new clubs in 34 countries have been organized since July 1, 1965.

Absent on Tuesday were Bent, Biringer, Burandt, Butterfield, Fox, Goodholm, Heikkinen Klaas, Leavenworth, Laney, Molitor, R. Moore, Russell Moore, Mulchahey, Skabo, Thompson, Visosky, Clyde Williams, Warren Williams, Wilcox, C. Woodward, Les Woodward, and Yingling. Visiting Rotarians included Elmer Dobson of Quincy, Glenn Barnett of Bronson and William Northrop of Vicksburg. Boyd Wiggins had as his guest John Mathews.

Here is an idea for a program. There is a filmstrip available from Rotary International, "The Making of a Rotarian", which gives in detail how to propose a new member. It is 15 minutes long and should be worthwhile.

Next week Carroll Barnes, Program Chairman, will have a program on THE ROTARIAN magazine.

Tuesday, Jim Boyd of Michigan State told of the work of the college in Nigeria. He stated that there were about 30 families from Michigan there. His work was primarily in the agricultural area. It was a good program and well presented.

What a man may stand for isn't everything, what he falls for also counts.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 11, 1966

On Tuesday, Al Butterfield presented Edward C. Pellowe of Adrian College. Mr. Pellowe told the club of the new building program at Adrian and then showed a film which emphasized the need for the making of a will. It stressed that by doing so you can be assured that any estate that you may have will be distributed according to your wishes. Have you and your Rotary Ann made your wills? If not you had better do so.

The student guest was Bill VanWagner, a Senior from Coldwater High School. Al Butterfield had as his guest Bill Lutz of the Coldwater Schools.

Boyd Wiggins will be leaving Coldwater on February 1 to go to Nigeria in Africa where he will be associated with the University of Nigeria and will be working in the area of Community Development. We are sorry to lose him but are glad he will have a chance at a new and challenging job.

Absent on Tuesday were Collins, Couillard, Faller, French, Goodholm, Hawley, Joseph, Kerr, Klaas, Kornstein, R. Loose, Nagle, Neer, George Pierce, Putnam, Rice, Sebald, Skabo, Teeter, Visosky, Clyde Williams, Les Woodward and Yingling. We know that over 90% of these members will make up. We have not intended to needle the absentees by listing them but occasionally a reminder when you get the bulletin makes you realize that you have a meeting to make someplace, sometime before the next Tuesday.

As leaders in a community how many Rotarians measure up to a test established by one District Governor who wrote: "Leadership is a challenge to be met, a task to be performed, a responsibility to be shouldered and an obligation to be met. Two basic qualities are essential; honesty of purpose and enthusiasm of purpose."

Next week Cranston Wilcox will present Jim Boyd of Michigan State University who will outline what the University is doing in helping to develop the University of Nigeria. It is to this school that Boyd Wiggins is going.

Some of the travelers, gypsies or gadabouts of the club should be interested in the January Rotarian. It is dedicated to the "Extraordinary Traveler" and covers the world. You name where you would like to go and probably the magazine will tell you what you should see.

Towns in Michigan are mentioned in the January ROTARIAN on the following: pages 52, twice on page 54, twice on page 60 and 74. A "seegar" if you tell what each article is about.

Then there was the man who said he was going to put a snow shovel on his shoulder and start walking south until someone asks him, "What's that?"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JANUARY 4, 1966

Only 26 more bulletins to July 1! The Rotary year is half over and it would seem to be a good time for the Chairman of each committee to stop and evaluate what he has done in the last six months. Have you completed half of the program which you outlined for the year and submitted to your District Governor and your President at the club assembly? If you have not time is going by!

Absent at Tuesday's meeting were Burandt, Dally, R. Moore, Mulchahey, Neer, Rice, Skabo, Teeter and Visosky. Early leavers were Wiggins, Klaas, Bent, Patterson, Putnam and Laney. For the first time that your editor can remember there were no visitors.

John Visosky is in the local hospital following surgery on his knee. He expects to be out this week end.

The Rotary Float in the Tournament of Roses Parade on New Years won an award for its excellence. The High School Band from Durand, Michigan was outstanding. Later in the day the other Michigan participants did not show up as well.

Did you know that the first issue of the ROTARIAN was a 12 page newspaper that came out in January of 1911. The January, 1966 issue has 76 pages. It goes to about half a million readers around the world. New clubs formed since July 1, 1965 number 105 making a total of 12,212 clubs.

One of the most interesting and often controversial part of the ROTARIAN is "Your Letters." Reading the letters is an education as to opinions around the world. Read the comments on the United Nations on page 73 of the January issue written by a Rotarian from South Africa and see if you agree.

New member proposal:
Name: Andrew F. Henry, Rural Route 4, Coldwater
Classification: Major - Machinery and Equipment, Minor - Bearing Distribution A. A.
Proposed By: G. R. Molitor
Any objection to this proposal should be filed in writing within 10 days of application with Ernest Luse, Secretary.

On Tuesday, Harry Joseph presented Dr. Lawrence Gholz of the Job Training Center at Fort Custer State Home, Battle Creek. Dr. Gholz outlined the objectives of the program and also some of the problems with which the project is faced. A very well presented outline and rated as one of the best programs presented to the club recently.

Next week Al Butterfield presents Edward C. Pellowe, Director of the Financial Department of Adrian College. He will show a film and share information on "Will Power."

Trouble is a sieve through which we sift our acquaintances. Those who are too big to go through are our friends.

Ray Mulchahey

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

December 28

We have just received District Govenor's monthly letter and our attendance for November was 90.93 %as against 86.85 % of the District. We were 4th in the clubs of our size. Twelver clubs had one or more 100% meetings. There are at present 49 clubs in District 636 with 2809 members.

Past District Govenor Glenn Stewart died recently. He was District Govenor of District 636 1952-53. A memorial fund in memory of Glenn is planned and this will be presented to the Rotary Foundation.Any club or individual member may contribute by sending his money to the District Govenor.

Be sure to watch the Tournament of Roses Parade as District 530 is to have a float in the parade. Rotary International President "Sput" Teenstra is to be an honored guest on this accasion.

Don't forget the Teenstra Honorary Dinner in Detroit at Cobo Hall on Feb. 3 if you are planning on going make your reservation atonce.

Two clubs in the District plan to propose a candidate for District Govenor for the year 1967-68. Has Coldwater ever nominated any one ? If not why not? Don't we have a member who would make a good District Govenor? Names to be submitted should go to Ed Lincoln, PDG of Marshall by Feb. 1, 1966. The District Govenor will be selected at the District Conference on April 23 & 23 at Hillsdale.

Does any one have the name of some one that they would to submit to the club for consideration for a Rotary Foundation Scholarship? This would be for the year 1967-68. The name must be submitted to the District Govenor by March 1, 1966. The scholarships are for college graduates for study abroad and the person selected must have a knowledge of the language of the country in which they wish to study.

On Tuesday Harold Goodholm presented Mr. Gerald Fahlen of the Michigan B nkers Association. He discussed the economic outlook for 1966 and went on to s ay that he believed that it would be a very good year. He discussed the stock market and how various seemly small events can often cause a flurry in the market. He believed that good real estate is an excellent investment if held over a period of time and that the auto industry is a good index to follow as to what is coming in the next year. He stressed paricularly the value of a college education and told of the part that the banks in Michigan are taking in helping high school grauates in going to college. A college grauate earns $ 178,000 more during a lifetime than does a high school graduate. This your editor believes was one of the outstanding ones of the past year.

Next week Harry Joseph will present Dr. Lawrence Gholz of the Job Training Center of Fort Custer, Battle Creek. He will outline some of the objectives and aims of the programm as we.ll as some of the problems with which his staff is faced.

There 58 members present on Tuesday, 16 were absent and there were 7 early leavers. In the past when we have had space we have listed the absentees and starting with the first of the year we are going to list also the early leavers.

Adolescence is when a boy stops collecting stamps and starts playing postoffice.

HAPPY NEW YEAR.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

DECEMBER 21, 1965

Those absent members missed an excellent program on Tuesday. Our own Al Butterfield, with the help of a tape recording, outlined the traditional Christian Theme or meaning symbolized by the wreath and the four candles. The wreath symbolized God, the God who was, is and always will be. The four candles symbolize: (1) Greed and selfishness. (2) Recognition of the Bible. (3) Representation of the church. (4) God's promise to who so ever believe. It was beautifully done and very impressive.

Those absent were Bovee, Dally, Dean, Hawley, Heikkinen, Klass, Leavenworth, Molitor, Neer, Olson, George Pearce, Rice, Skabo, Skinner and Wiggins.

Visitors included Rotarians Lawrence Werner and Bill Ward of Bronson, Charles Pilled of Angola, Mel Ross of Indianapolis and Dr. Burg of Sturgis. Wayne Farst had as his guest Terry Shustrom.

We understand that one Rotary Ann (she shall be nameless) was perturbed over our quip about Irishmen in last week's bulletin. For her information your Editor's ancestors came from Ardfinnan in Tipperary. Sure and how much more Irish can one be?

Next week Harold Goodholm presents Mr. Gerald Phelan of the Michigan Bankers Association who will discuss, "What the Bankers See on the 1966 Economic Horizon."

The Rotary year is half over and a good time to take inventory of how you and your committee are functioning. Are you carrying out your program as submitted at the beginning of the year?

A Merry Christmas and a Happy New Year to everyone from your Editor.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

DECEMBER 14, 1965

On Tuesday, John Visosky presented Reinaldo Gonzalez who at present is an employee of Federal-Mogul in Engine Research. He is a graduate of the University of Havana and came to this country four years ago. He has been active in bringing to the Coldwater area refugees from Cuba and he has been screening them so that they will fit into the employment situation without too much difficulty. When these people leave Cuba they leave everything they own and arrive penniless. This is the price they pay for living in the United States and are anxious to pay it. And then we gripe because we think things are tough. We don't know just how lucky we are.

President Fred announced that there were 26 members who are 100% in attendance so far this year. We hope they are able to make it for the whole year. Six new members who joined during the year are 100% also.

At a recent Board of Directors meeting it was decided to give $10 to the Landou Community Hospital in Missouri, India.

President Teenstra says, "The days are past when Rotary can be passive in the field of public relations and thus be misunderstood as a secret organization or a luncheon club."

Rotary International President C. P. H. Teenstra is to be in Detroit on Thursday, February 3, 1966. Dinner is at 7:00 p.m. at Cobo Hall at $7.50 per person. Make your reservation through District Governor Dick Bucknell of 115 East Chicago Road, Sturgis.

Howard Swan has a "seegar" due him the next time he comes to Rotary. He called your Editor and said S.E.P. stood for Student Exchange Program.

The I.G.F.R. trophy has come to Houston, Texas being won by Rotarian C. D. Tinsley. What is the I.G.F.R. trophy? A "seegar" if you know.

We haven't heard of any plan to entertain foreign college students at the Holidays. We have missed the student guests who have visited us in the past. Where are they?

Next week Al Butterfield will be introduced by Craig Sebald. Al will present a short program and there are to be no early leavers.

Did you know that the wheelbarrow is the greatest invention in the world? It taught the Irishman to walk on his hind legs.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 7, 1965

On Tuesday, Chick Kennedy outlined the history of the Quality Springs Company telling of its growth and development. He also told of Bill Donkin, who was one of the founders of the company. Fred Weeks also described some of the work of the corporation.

A couple of weeks ago we very nearly made a horrible mistake regarding an item for the bulletin. We saw in the paper where a Mr. and Mrs. Clyde Williams had a new son and we were going to congratulate them. We checked with Fred Culy and found out that Clyde Williams has an alterego named Clyde Williams who not infrequently gets fouled up with the law. Our Clyde Williams does not have a new son.

Absent for Tuesday's meeting were Burandt, Dean, Mulchahey, Putnam, Skabo, Skinner, Toupalik, Wiggins and Wilcox. There were six early leavers. Among the visiting Rotarians were Merlin Young, Donald Pruitt, Emery Boydand and Ben Antle of Angola, Larry Hogen of Bronson and Mel Rose of Indianapolis.

We wonder if Coldwater Rotary is missing a chance to make Coldwater more attractive to summer visitors. The Chamber of Commerce does a good job in listing cottages for rent and such service but isn't there something that can be done to make visitors more welcome to the area? The boat launching area is used mainly by local fishermen and the bathing beach is used by local kids. In spite of what everyone expects the new expressway to bring to Coldwater many motorist who now stop in town are going to go sailing past. It would be good business if something could be done to influence them to stop. Is the community doing all it can to make it attractive? What can you as a Rotarian do to help?

What is S.E.P.? A "seegar" to the Rotarian who calls your editor and tells him what it is.

Read the article on page 36 of the December ROTARIAN. Persons who live inland do not appreciate how a light house is truly a beacon. There are still many left in the Great Lakes and one of them on Stannard Rock in Lake Superior still is manned by Coast Guard personnel. It is completely out of sight of land between Keeweenaw Point and Marquette.

John Visosky has the program for next week.

The club gave $25 to the Community Christmas Program.

Rotary International has prepared a statement which should be to the attention of all Rotarians who are the employers of youth. Every Rotarian engaged in industry and who is the employer of adolescent young persons and/or engages the services of youth direct from school, should constitute himself the friend and advisor, especially during working hours of each person in his employ, whether it be in the workshop, factory, store or office. Are you as a Rotarian carrying out this program.

Last week we asked who "Sput" Teenstra was and a "seegar" to the person who knew. We had no claimers. He is the President of Rotary International and will be in Detroit on February 3, where Michigan will play host at Cobo Hall. Dinner at 7:00 p.m. and the tab is $7.50 per person. Reservations must be made by December 5 with Dick Bucknell. District 636 has been allotted 250 tickets.

Bronson has just become a 700% club in the Rotary Foundation. Congratulations!

No candidate has been nominated for District Governor for the year 1967-68. Names to be submitted should be sent to the District Governor before February 15.

Coldwater Club attendance for October was 91% which placed it fourth in clubs of comparable size. Nine clubs had a total of fifteen 100% meetings. Climax had four and Constantine had three such meetings.

If you want to get a cross section of worldly opinion read "Your Letters" which appears in each issue of the ROTARIAN. They usually deal with articles which have appeared in previous issues and frequently the letter writers disagree with the articles.

Absent at Tuesday's meeting were Bent, Joseph, Norm Moore, Mulchahey, Rice, Skabo, Teeter, Thompson, Treat and Wiggins. There were eleven early leavers. Guests included Wendell Hathaway and Glenn Barnett of Bronson and Hugh Fritz of Jackson. Bob Rumsey had as his guest Gerald Garber, Keath Pearce had Fred Hough and Bob Hawley was host to Bob Brett.

Dick French presented a group of the "Sweet Adelines" who presented several numbers along with Mrs. Feller and Patricia Holben as soloists.

Next week Chick Kennedy presents a program on his company "Quality Springs".

One of the greatest tragedies in life is to have an ulcer and not be successful.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 23, 1965

On Tuesday, Dick French introduced Vincent Farrell and Robert Milliman who outlined a new program being brought into being at the Coldwater State Home and Training School. This has to do with on the job training of patients and their placement on jobs. It is also planned to have a "halfway house" in which patients will live during the early stages of training and work.

A tip of the hat to Ken Putnam for his award as a result of his beautifying the grounds at his place of business.

Fred Anderson has been promoted and has a new title. We just hope he does not develop the bankers eye.

We have heard of diamond dog collars but Ralph Toupalik comes up with a diamond studded wrist watch for his increase in car sales.

Bob Kerr has at last a boy to carry on the family name and business. Congratulations!

Your Editor spoke to the Monroe Rotary Club on Tuesday, November 16. This club has 66 members. It is, however, contributing $175 to each of four members so as to have a good representation at the Rotary International Convention in Denver in June.

We note that "Sput Teenstra will be in Detroit on February 3, 1966. Who is he? A "seegar" to the Rotarian who is not an officer who tells your Editor.

Quite recently Bill Klaas told us of the problems connected with employment. The December ROTARIAN has an extremely fine article on "Fringe Benefit Bonanza". Apparently the European firms are faced with the same problem as employers in the United States. Read it, it is a good article.

Do you have an old Stereoscope in your attic? If you do you might donate it to Leonard J. Giles, an optometrist and a Rotarian in Pietermaritzburg, South Africa. He appeals for these in an article on page 8 of the December ROTARIAN.

The book collection netted about 3,000 books, the schools were able to use about 150 and the club received about $140 from the sale of others. Does anyone have an idea as to how the balance can be used? If you do tell George Pierce or Tom Collins about it.

With Christmas coming up very soon how about club members having as house guests for Christmas weekend foreign students from some of the colleges near by? It might help some of them through a difficult time when they are far from their own homes.

On Tuesday, November 30, Fred Anderson pinch hitting for Fred Weeks, will present singers from the Sweet Adelines. It should be good pulchritude and music all on the same day.

Nothing makes a woman older than having her friends discover when she was born.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 16, 1965

On Tuesday the club heard of life in Brazil. Roberto and Delores Schiller described the situation in general and went on to tell of the two classes of people; the very rich and the very poor and apparently the two do not meet too often.

There were 21 absentees on Tuesday. We assume that most of them are chasing the elusive white tail. They included Bent, Biringer, Bobier, Couillard, Dally, Faller, Leavenworth, Loose, Mulchahey, Pearce, Skabo, Sweet, Thompson, Visosky, Wilbur, Wilcox, Doug and Les Woodward, Farst and Molitor. There were five early leavers.

Guests included the following Rotarians: Chuck Geishert of Quincy, Melvin Ross of Indianapolis and Bob Pennell of Bronson who had Paul Reeb as his guest.

Next week the program is to include a talk by Vincent Farrell of the Michigan Department of Mental Health. Mr. Farrell is the Director of the Opportunity, Automation and Training program in the Division of Mental Retardation. He will outline the aims of the state wide program and Mr. Robert Milliman (a local boy) will outline the Training Opportunity Placement Program at the Coldwater State Home and Training School.

We saw in the paper where Branch County has been designated as an area of Economic Distress. How come? For the first time in the knowledge of your Editor the Coldwater State Home and Training School is having difficulty in hiring help. Where are the unemployed? The payroll of the State Home last year was over $4,800,000 and 60% of that amount went into the City of Coldwater.

On October 1, 1965 there were 12,173 Rotary Clubs in 129 countries with over 580,000 members. There were 65 new clubs organized since July 1, 1965. It sounds like an epidemic of new clubs.

Has anyone had any correspondence with our matched district in South America?

A woman may be small of frame, with tiny feet that patter,
but when she puts one small foot down her shoe size doesn't really matter!

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 9, 1965

Tuesday Norm Moore the "Mayor of Kinderhook" presented Gene Cawvey of Fort Wayne who told of food distribution and outlined the eight essentials that makes for good food sales. Foremost of these were high quality and satisfactory value.

In May of 1962 the Board of Rotary International adopted a policy regarding Rotary International Public Relations; the following points are outlined:

1. To create and maintain a favorable atmosphere in which member clubs and individual Rotarians may effectively fulfill the object of Rotary.

2. To interpret the Object of Rotary and Rotary's broad program of service to the public, to member clubs and to individual Rotarians.

3. To inform the public, member clubs and individual Rotarians about the program of Rotary.

4. To report the activities of member clubs and of individual Rotarians as and when considered advisable.

5. To utilize all available channels of communication in achieving these objectives.

You will note that three different areas or groups are stressed, (1) The public, (2) The member clubs and, (3) Individual Rotarians. This means good communication between Rotary and the public in general, between Rotary International and member clubs and between the club itself and club members. Now, how does Coldwater Rotary stand in these areas? Is it good, bad or indifferent?

Warren Williams should be interested in the article on page 34 of the November ROTARIAN. Maybe someday he may not have to travel to Africa to bag a gemsbok or a kudu.

Several months ago we had Ken Leavenworth discuss "ROAR". Now we find that there is an organization called "BIRDS" whose members are Rotarians who own and fly planes. There are about 600 members in the organization. Does anyone in Coldwater Rotary qualify?

Next week's program will have an international flavor as we are to hear Roberto and Delores Schiller who have lived the last several years in Brazil. Should be interesting.

The next week or so many members will be hunting "white tails." The attendance will probably be small. Let us give some consideration to the speakers with few early leavers.

Then there was the husband who was waiting for his wife when the astronauts were in flight. The husband remarked, "They have been around the world once and here I am still waiting."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 2, 1965

I know that all Rotarians of Coldwater joins me in sorrow over the death of John Etsweiler. He was most helpful in getting out the bulletin since he cut the stencils and ran the copy. He also wrote the bulletin when I was on vacation. After he resigned from the club I wrote him a note telling him we would miss him and also that I appreciated his help. I later saw him and he thanked me for the note. I am very glad as things turned out that I thanked him as I did. His death is a real loss to the community.

Tuesday's speaker was Gordon Rockwell, who is the legislative representative for the Michigan Retail Hardware Dealers Association. He was introduced by Fred Anderson due to the absence of Bob Kerr, who secured Mr. Rockwell as a speaker. Mr. Rockwell, who is a former member of the House of Representatives, discussed the changes that have occurred in the relationship of the business man to politics.

Visiting Rotarians included Mead Rogers of Albion, Elmer Dobson of Quincy, Bill Northrup of Vicksburg and Alvin Wiler of Bronson. Gilbert Molitor had as his guest Andy Henry and he also learned that advertising your company costs money. Mac McKeith had as his guest Dave Dodge who is a new druggist with Mac.

There were 6 early leavers.

Absent members were Bacon, Barnes, Bovee, Burandt, Dean, Faller, Goodholm, Heikkenin, Joseph, Kennedy, Kerr, Klein, Kornstein, Norm Moore, Patterson, Rice, Skinner, Wiggins, Wilcox, Wise, Yingling and Laney.

We would like to have a three minute comment by either Seton Bovee or Duke Davidson on the article appearing on pages 16 or 17 of the November Rotarian. The feeling of your editor is that the Coldwater Daily Reporter has held pretty well to the center of the road.

Michigan is unique in that it has a very fine center for the training of the physically handicapped at Plainwell. A similar program is described which is located at Bensenville, Illinois on page 42 of the November ROTARIAN. The Michigan center is operated by the Department of Vocational Rehabilitation and does an extraordinarily fine job and cannot fill the demand for its trainees. Michigan's Camp for Handicapped Children is one of the few such camps in the United States. It is located at Big Bay, north of Marquette, and in the November ROTARIAN it tells of the Hancock club sponsored Charity Ball which raised $500 for the Camp.

Dear Muley:

Last week I wrote and griped about the various speed limits in the towns around Coldwater. This week it is the very short spaces on the state highways where the sign says "Pass With Care." Some of them are less than 100 yards long. Now any driver should know you can't pass a car in that distance. If you try you are quite apt to get clipped. If you or any of your friends know of such spots just drop a note to the State Highway Department about them. Tell it where they are and maybe you may save a life and it might be your own.

Yours,

Uncle Gully

Next week Norm Moore says he is having a program from out of town and not from Kinderhook either.

One traffic expert has said that if all the cars in the United States were traveling in one line some guy would pull out and try to pass.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 26, 1965

According to District Governor Dick Bucknell's monthly letter our September attendance average was 92.19%; second among clubs of our size. The District average was 86.63% with 13 meetings of 100% attendance. There are 2815 members in District 636.

Probably none of our Coldwater golf enthusiasts will make the Golf Hall of Fame but they might be interested in reading about the opening of the Hall of Fame on page 50 of the November ROTARIAN.

The sympathy of the club goes to Bob Kerr on the death of his father.

Dick Bucknell in his letter tells of over 2000 young people who have had Rotary Foundation Fellowships. He points out that this is international service in action as these people have had wide contacts with other students, faculties, Rotary Clubs and citizens in their country of study. The week of November 14-20 has been set aside as Rotary Foundation Week.

Visiting Rotarians at Tuesday's meeting included Elmer Houghton, Lloyd Phillips and Ray Smith of Bronson, Dr. Geishert of Quincy and Jerry Nowak of Hillsdale. Noel Shedd was the guest of Russ Moore.

Eureka! There were only three early leavers!

Al Butterfield has apparently identified himself with the Democratic party as he was in the hospital with a gall bladder flare up. He is out again. Red McKnight was in the hospital because of surgery on his knee but he too has gone home.

This week Olin Dally presented Dr. Mooi who told the club of his recent trip to Europe. He spent some time in the Netherlands where he has relatives. A very good and interesting program.

On Monday night of this week your Editor spoke at the Rotary meeting in Temperance. This is one of the few clubs in the United States that owns its own building. On the wall they have framed the patent covering the ground on which the building is located. This patent is signed by President Andrew Jackson.

Dear Newt:

I wish that towns, cities, villages and the State Highway Department would set up a uniform speed limit for all areas. In Quincy you have a 50, 40 and 30 mile limit; in Coldwater 45, 35 and 30 mile limit; in Hillsdale 45, 35 and 25 and in Allen a 40 mile limit and you better be dang sure you don't go over 40 or you will wind up with an officer before a Justice of the Peace in Litchfield seven miles away. It don't make sense. In one town you have three different speed limits in one tenth of a mile. You can't watch traffic because you are watching speed limit signs. Something ought to be done about this mixed up mess.

Yours,

Uncle Gully

Next week's program with Bob Kerr as program chairman will deal with hardware merchandising.

George Washington once said, "A citizen who enjoyed the rights and privileges of a country should be willing to help financially in its support and if need be defend it even with his life." In view of all the lunatic fringe which is so active at present this needs to be stressed.

The Singingest Club in the U. S. A.

OCTOBER 19, 1965

On Tuesday, Jim Skinner introduced Lloyd Spitznangle who told the club of pipeline construction and of transportation of oil by that means. John Klein, who formerly was in the same type of work, stated he felt right at home and went on to say it was an excellent program.

What with 16 early leavers and 11 absentees 32% of the club missed the program. Guests included Thomas and R. J. Megargle and also Lloyd Phillips of Bronson, Jack Warner of Jonesville and Chal Dyer of Columbus. Olin Dally had his dad Charles Dally as his guest.

In last week's bulletin your Editor mentioned the 4-Way Test. In the November ROTARIAN this is described on page 6. New members should by all means read it as it is one of the ideals of Rotary.

A "seegar" to the member who tells your editor the newest country in which a Rotary Club has been organized. There have been 58 new clubs organized since July 1, 1965.

We would like to hear Mark Andrews discuss the article in the September ROTARIAN entitled "Should Society Pay Crimes Victims." It would be interesting and informative.

Rotary Foundation Week is to be from November 14-20. Recently your Editor was at a Rotary meeting and many of the members knew little about it. This would be a good chance for Howard Teeter to tell of the plan and what it has done for the world.

Read the letter from Grant C. Butler of Pacific Palisades, California on page 10 of the November ROTARIAN regarding the payment of speakers for an occasional program. It might be worthwhile and would be helpful to Fred Anderson whose job is no snap.

Michigan is well mentioned in the November ROTARIAN. Wayne, Hancock, Manistique, Marquette, Battle Creek, Charlotte, Dearborn, Plymouth, Mt. Clemens as well as Districts 629 and 636 are recognized for some outstanding performance or item of interest. You will have to read the magazine in order to find out in what way.

The booklet ADVENTURE IN SERVICE states that no man is worthily a Rotarian who can not lift more than his share in business or who is not a center of enlightment in his community. No man is a true Rotarian unless he can attain some measure of success through a continued and sincere effort to learn, how to live and how to serve. How do you measure up?

You should be thankful you are not too deeply in debt and also thankful you are not one of your creditors if you are.

Next week Olin Dally will present Dr. Mooi and he will describe his recent trip to Europe for the club.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 12, 1965

At the Board of Directors meeting on Thursday, October 7, John Klein was elected to the Board replacing John Etsweiler.

On Tuesday, George Pierce presented the Reverend William Harrington, who discussed four things: (1) Home. (2) School. (3) Government. (4) Church. He stressed that far too few people participate as they should in these four areas. The John Q. Public does not interest himself as he should unless something unpleasant or distressing arises.

Dick French has been elected Assistant Treasurer-Secretary to take over the duties of John Etsweiler.

Something new has been added for the early leavers. Now they may gamble as to how much it may cost them to leave early. There were eleven early leavers on Tuesday.

Yesterday your Editor spoke at the Cedar Springs Rotary Club meeting. There are forty members in the club. One member was excused as an early leaver to go to his mother-in-law's funeral.

Absent on Tuesday were Bovee, Burandt, Dean, Heikkinen, Joseph, Leavenworth, R. Loose, Russ Moore, Mulchahey (made up), Neer, Pitts, Rice, Teeter, Thompson, Wilcox, Wise, Yingling and Molitor.

Guests included Jack Schaefer, Ed Facklin, Nelson Weber, Glen Barnett and Bert Ward all of Bronson and Mel Ross of Indianapolis.

Your Editor has not heard from Ernie Luse regarding "Grandfather Clocks."

On August 24 there were 12,145 Rotary Clubs with 580,200 members in 129 countries. There have been 33 chartered since July 1, 1965.

We have had two programs on atomic power so the article in the October ROTARIAN on page 16.

Either Dick Biringer or Mark Andrews should be able to present an excellent program based on the article on page 38 of the October ROTARIAN.

Why not have an old-timer tell the new members the "Who, How and Why" of the 4-Way Test.

Next week Jim Skinner presents a speaker on transportation of oil by pipe lines. Should be interesting.

Did you ever notice as you push a cart in a supermarket that the economy item is always in the giant size?

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 5, 1965

Do the members know that a new musical composition "Rotarian Rhapsody" has been written and also been performed. It has been recorded. Why not buy it for the club.

Mel Rice at Tuesday's meeting presented banners from several clubs in the Southwest that he visited during his vacation.

There were seventeen members absent Tuesday: Allemier, Bent, Burandt, Faller, Klein, Norm Moore, Dick Moore, Patterson, Thompson, Treat, Wilbur, Clyde Williams, Warren Williams, Wise, Chuck Woodward, Doug Woodward and Laney. The bird season is open and some of them are shooting holes in the atmosphere. There were only five early leavers. Visitors included Chal Dyer of Columbus, Ohio and Jerry Hollister, Wendell Hathaway, Clarence Snyder and Alan Davidson all of Bronson.

Ernie Luse likes to sing "My Grandfather's Clock." Your editor will buy him a bottle of hair tonic if he will answer these four questions: (1) Where were Grandfather Clocks first produced? (2) Who wrote the song? (3) How tall must a Grandfather Clock be in order to be considered as such a clock? (4) Is there a Grandmother Clock?

At Tuesday's meeting Will Couillard presented a most interesting program. First he told of his experience in business and then stressed the changes that have occurred in retailing in the last few years and the causes for the changes: (1) Effect of mass and repetitive advertising on the buyer. (2) The rise of the supermarket and self-serve stores. (3) Conformity. All people want to feel that they are a part of the accepted group. It was an excellent program.

Next week George Pierce is presenting the Rev. William A. Harrington of the Baptist Church.

Don't forget next Wednesday is the WOWO Focal Point Dinner at the Masonic Temple.

From all appearances club members were having a good time at the Roosevelt School in looking over some of the books collected. Dick Biringer was referred to law books, Bob Sweet to HAWKINS ELECTRICAL GUIDE and Chuck Bacon to Dr. Chases MEDICAL INFORMATION FOR EVERYONE. Probably about 2,500 books were brought in.

President Fred suggested that the members mingle more with visitors particularly when standing in "the chow line".

Read the article "Does Rotary Cost Too Much?" on page 21 of the October ROTARIAN. Comments regarding this are given by seven Rotarians from different countries of the world. Read it, it is worthwhile.

The article on the United Nations which appeared in the June ROTARIAN stirred up a lot of comments. Some praising the article, some condemning it and some neither. Apparently one member from Traverse City feels that the article was inconclusive and the subject needs further investigation.

Then there was the gal who said to her husband, "Have you noticed how much brighter than people machinery seems to be getting?"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 28, 1965

On Tuesday, two new members were introduced to the club, Wesley Laney by Ernest Luse and Wayne Farst by his father-in-law Chet Allemier. We are glad to have them added to our membership.

President Fred told the club of the remarks and recommendations by District Governor Dick Bucknell. Among these were comments we had a good club and sang well. He believed we should try to increase our membership, compile a club history, consider an inter-club council in Coldwater and endeavor to cut down on the high number of early leavers. Apparently he is satisfied with the bulletin.

Remember the book pick up on Tuesday, October 5. Don't lose your route for which you are to be responsible. If any member does not have a street to cover he may volunteer to help Axner Olson at the deposit point which is the stage of the Roosevelt Junior High School. If you cannot pick up on the street assigned please notify Tom Collins so he can assign it to someone else.

August attendance average was down, we are 15th in the District and 4th among the clubs of similiar size. Our average was 87.12%.

District 636 now has a Rotary Foundation Fellow who is attending Western Michigan University specializing in Economics. It would be nice to invite him to speak to the club. If the club is interested, inquire of Jack Hamilton of 1220 Howard Street, Kalamazoo. He is Japanese and comes from Tokyo. His name is Eiji Tanaka.

Past District Governor Glenn Stewart has been a patient at the University of Michigan Hospital but is now back home at 225 Park Avenue, Parchmont, Michigan. Why not drop him a card or a letter.

Ordinarily the Coldwater Club does not have a member attend the Rotary International Convention. This year it is in Denver on June 12-16. Would it not be possible for the club to contribute toward the expense and send the incoming President for next year?

On October 13 there is to be a program promoted by the Chamber of Commerce in cooperation with radio station WOWO. It will be a dinner at the Masonic Temple and all service clubs in Coldwater are invited to participate. Rotarians and their Rotary Anns are invited. The cost is $2 per person and reservations are to be made by October 8 at the Chamber of Commerce.

Our newest member Wayne Farst told us of the Cadillac Company. How it came to be in Coldwater, its growth and its products. It is a valuable economic asset to the city. The display was excellent and it shows members can provide good programs.

Next week Will Couillard has the program. We are in dark as to what it is. Come and find out for yourself.

Thanks to Doug Woodward for last week's bulletin. The vacation was wet and cold.

Young children should be seen and not heard but when they get to be teen-agers they are neither seen nor heard except at meal times and then sometimes they are late.

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 14, 1965

Here are some of the questions discussed at fireside meetings of the Ashtebula, Ohio Club. This was not for the education of new members but meetings of the club members: (1) Should the club continue its student exchange program? (2) Should the club have two members of the same classification? (3) Are club programs satisfactory? (4) Are methods of serving club luncheons satisfactory? (5) Should the club initiate a new community service project? (6) Would individual members cooperate in publishing a new club directory? (7) Should the club engage in a fund raising project? (8) Should the club regularly use unusual methods or contests to stimulate attendance? (9) Would a system of fines or assessments be worthwhile in helping finance the club budget? What do you think of them?

As of July 1 there were 12,126 Rotary Clubs in 128 countries with a membership of 580,000. Since July 1 twelve new clubs have been organized.

If you are planning on going to Denver for the Rotary International Convention on June 12-16, 1966 you should be thinking of making your reservation now. Why not take the Rotary Ann and the kids for a vacation and take in the convention. There will be something for everyone.

Past District Governor Glenn Stewart of Kalamazoo is chairman of what Rotary International Committee for 1965-66? A seegar if you tell your editor.

In the September ROTARIAN read the article on Page 56 about Rotary Foundation Fellows and what they have done.

To what Michigan Rotary Club does the author of DEATH DEEP DOWN belong? You will find it in the September ROTARIAN. A seegar if you find out.

Next week your editor is going back to the woods and someone else (probably Doug Woodward) will be writing the bulletin.

Absentees for Tuesday were Fox, French, Goodwin, Hawley, Heikkenen, Kennedy, Kornstein, Russ Moore, Pierce, Swart and Wise. There were only 5 early leavers.

Fred Culy introduced a new member, Gilbert Molitor, and we welcome him and his Rotary Ann Bernice.

Next week District Governor Dick Bucknell will be with us. Lets have a 100% meeting and a good attendance at the club assembly at 6:30 p.m. at Stukey's Inn. The various committee chairman should make this a must.

Gust Burandt introduced Lee Feller who told the club of Food For Peace. It was one of the outstanding programs for the year and most thought provoking.

Opportunity knocks at the door but once, temptation, however, kicks in the door.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 7, 1965

If you're very blase and sophisticated and don't believe in myths and odd beliefs just read the article "The Myths by Which We Live" beginning on page 32 of the September ROTARIAN. You may be in for a shock and maybe it would be good for you.

At the last Board of Directors meeting the purchase of 2,000 cards for 4-H Club members each bearing the Four Way Test was approved. They will be distributed through the Boys and Girls 4-H Club leaders.

The Board also endorsed the plan for the WOWO program outlined several weeks ago by Paul Reeb. The plan is to await further developments before making final plans.

If a member makes up at another club be sure that you are credited with attendance with our Secretary. It is your responsibility to do so; sometimes the Secretary of the club where you make up fails to send the attendance card. Also along this line, if a member is absent for four consecutive meetings, if attendance rules are followed to the letter, he can be automatically dropped as a member. Don't let this happen to you.

There were fourteen absentees on Tuesday: Bacon, Dean, Hawley, R. Loose, Russ Moore, Neer, Putnam, Mel Rice, Skinner, Swart, Teeter, Wilcox, C. Williams and W. Williams.

The absentees and early leavers on Tuesday missed one of the outstanding programs of the year. Bill Klaas outlined fully and completely the factors which a new company considers when locating in Coldwater as it relates to wages and fringe benefits. A tip of the hat to Bill for a job well done.

Some of the newer members of the club may not be familiar with the various types of memberships. There is the active membership which is a membership loaned to a member because of or as a result of his profession or business. Additional active membership is a membership allowed from a concern or business with which the proposer is connected. Senior active membership is mandatory if a member is 65 years old, or he may be if he has been a Rotarian for 15 years or more. Past service membership is permitted when a member retires from his business or profession and has been a Rotarian for 5 years. Honorary membership is acquired through the election to that type of membership by the Board of Directors and is for one year only. New or the renewal of honorary membership is usually made at the first meeting of the new Board of Directors. However, a new honorary member may be elected at any time

Next week Gus Burandt is to present Erwin Lee Feller of the Alliance Associates who will discuss "Food for Peace in a World of Hunger". It should be worth listening to.

Don't forget that District Governor Dick Bucknell will be with us on September 21. All members are invited to the Club Assembly at Stukey's Inn in the evening. Reservations are to be made next week.

A tip of the hat and many thanks to John Etsweiler for the very fine job he has done in getting out and also in the writing of the bulletin. Your Editor will miss him.

A welfare state is one run for the benefit of everyone but the taxpayer.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 31, 1965

According to District Governor Dick Bucknell's last monthly letter there are various reasons why a club becomes weak. Some of the reasons given are: 1. Poor Leadership, 2. Not living up to attendance requirements, 3. Club gets too old by not taking in new younger members, 4. Club has no project, 5. Money problems (club did not operate on a budget), 6. Friction in the club or community, 7. Meetings seated by cliques with little fellowship, 8. No committee activity, 9. Did not adhere to Constitution and By-Laws, 10. Lack of Rotary information among members, 11. Lack of balance in the club in age, membership, classification and programs, 12. Men kept in position too long because they feel that they had a vested interest in that activity, (If any one wants the job of bulletin editor, the line forms on the right.)

If you are a committee member and have not submitted your report to the chairman of your division by the time that you get this bulletin you are late. It is imperative that they be sent in at once.

Seven clubs in District 636 had one or more 100% meetings in August. Coldwater was one of them. Vicksburg had four out of five, Climax had three out of four.

We have just learned that the addresses that we have on the news plates are incorrect, if you have not been getting your bulletin please give your editor your new and correct address.

No one has claimed the "seegar" or candy bar offered in last week's bulletin. The offer still stands.

The following members were absent at Tuesday's meeting, Monday (Holiday) noon you can make up at Quincy and Monday night at Angola, the Angola club meets at Halls Restaurant just north of Angola: Barnes, Bent, Burandt, Butterfield, Culy, Kornstein, McKeith, Leavenworth, Russ Moore, Mulchahey, K.Pearce, Pitts, Mel Rice, Shorno, Skabo, Sweet, Teeter, Wilcox, Wise, and Yingling. There were 8 early leavers. The visiting Rotarians included: Glen Barnett and Dwight Green of Bronson, Glen Barnett had as his guest Glen Lichenwalter.

At Tuesday's meeting Duke Davison presented Ray Peake the new superintendent of the Branch County Intermediate School District who outlined the new concept of the district under the 1962 law. From his talk it seems that at last the school systems are on the move, far too long have schools and the department of public instruction been dragging their feet in new programs and aims. Amen.

At this time when there is apparently so much crime you will find the article on page 22 of the September Rotarian entitled, "Should Society Pay Crime's Victim" very interesting, both sides of the problem are discussed. Read it.

Also read "Rotary Hilft Ein Leben Retten" in the September Rotarian and find out what it is. Here is a project that might be used by Coldwater Club since the town is on the crossing of two main highways and in the center of the lake area.

Do you remember the book project described to the club several weeks ago and which the club agreed to undertake. One of these days you may be called on to do some work so don't say we did not warn you.

Now would be a good time for the committee on "Drop Outs" to canvas the situation and find out how many students are not returning to high or grade school this year and to try to do something about the kids involved.

You can never tell about women and if you can you shouldn't.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

AUGUST 24, 1965

A "seegar" or a candy bar to the first Rotarian or Rotary Ann who tells your Editor of the three Michigan Rotarians whose books are mentioned in the September ROTARIAN. You will have to read the fine print to find them. You will find also a Michigan Rotarian who has 100% attendance for 35 years or more.

The article on page 34 of the September ROTARIAN should be especially interesting to Torg Skabo.

The article on page 40 of the September ROTARIAN is interesting to your Editor as he knew the woman about whom the article is written and has visited Hull House at 800 Halsted Street in Chicago many times.

Committee Chairmen: Don't forget that your report for District Governor Dick Bucknell is due on or before September 1. Make them in triplicate.

All Rotarians are or should be familar with the 4-Way Test but they may not be as familar with the four objectives of Rotary. They are: (1) The development of acquaintance as an opportunity for service. (2) High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society. (3) The application of the ideal of service by every Rotarian to his personal,business and community life. (4) The advancement of international understanding, good will and peace through a world fellowship of business and professional men united in the ideal of service. How well do you stack up as a Rotarian?

The Coldwater Rotary Club owes the Federal Mogul Service a big vote of thanks for addressing the Bulletin over a long period of years. Paul Hurley has helped the Club a great deal and has been most kind.

Tuesday's visiting Rotarians included Clarence Snyder of Bronson, John Elwell of Hamilton, Ohio and Chal Dyer of Columbus, Ohio. Fred Culy had as his guest Paul Reeb and Chuck Woodward hosted C. Bristol.

There were 16 absentees and 8 early leavers which meant only 2/3 of the Club was present for the program.

Bob Nagle, as Program Chairman, presented John Dygert, Director of Vocational Education for the Coldwater High School. He discussed the programsnew to Coldwater and then presented Tom Ruesink who is the head of the M.D.T.A. program for auto mechanics and Wade Smith who is heading up the Distributive Education Program. They discussed their individual programs. Kermit Dennis, Principal of the Coldwater High School was also introduced by Mr. Dygert.

Paul Reeb acting on behalf of the Chamber of Commerce presented a proposed plan whereby station WOWO of Fort Wayne would tape a program of a combined meeting of all service clubs in Coldwater and in this way advertise the City of Coldwater. This will be discussed by the Board of Directors.

There are always three sides to every questions, your, the other fellows and the true picture.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 17, 1965

A tip of the hat and many thanks to John Etsweiler for the very fine bulletin that he put out last week. Writing a newsy bulletin that pleases everyone is no cinch and John does a good job.

Your editor, along with 17 other Rotarians from Coldwater, made up at Quincy on Monday. From all reports the smorgasbord served at the lunch on August 9 was very fine and it is toobad that only half of the members were there to enjoy it. We hope that those who did not get there made up so that the attendance will not drop. Did you?????

We note that there were 17 absent on Tuesday of this week. They included:---- Biringer, Bobier, Collins, French, Goodholm, Kennedy, Klein, Leavenworth, Russ Moore, Olson, Pitts, Putnam, Rice, Thompson, Weeks, Wiggins, and Yingling. A great many of the above named members were at Quincy, so maybe they were making up ahead of time. We hope so. If not, they should visit Quincy again this coming Monday.

Tuesday's visiting Rotarians included: Jack Schafer of Bronson; John Williams of Quincy, Charles Pilliod of Angola, Les Wise had as his guests Kenneth Fink and Harry Nellegan who are with the new industry that is setting up a branch from the factory in Litchfield.

We hear that Paul and Sara Thompson have a new SON. Congratulations!!

That the Club will have a show next Spring is now certain, with the dates of April 14, 15 and 16. Draw a circle around these dates.

On Tuesday Clyde Williams discussed briefly the industry by which corn cobs are used in the manufacture and processing of many things and then the members toured the plant. Clyde told us that there are only four such plants in the United States and at present the Coldwater plant is working over time and cannot meet the demands for it's product.

On the back of this bulletin is printed some information with which the members should familiarize themselves. Check when the date of your program is to be so that you can plan in advance. It helps Fred Anderson a lot and saves his loss of sleep. Committee Chairman, note that District Governor Dick Bucknell will be here on September 21 and your reports are due by September 1. They should be made out in triplicate and turned into your division chairman by that time.

Next week Bob Nagle will present Carlo Heikkinen who will discuss "Distributive Education."

Districts 636, 633 and 638 have been paired with District 415 (Mexico) and District 429 (Colombia). District Governor of 415, Jorge Garcia, has five clubs that he would like to pair with or match with clubs in our district. Wayland Club has already asked to be matched. Here is a chance to learn more about how Rotary works in a foreign country and should be interesting. Remember how much we enjoyed the program that was sent to us by Chico and Manuel? Why not try this?

Many a wife has helped her husband to the top of the ladder and then decided that the picture would look better some place else.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 10, 1965

This week has been Fair Week in Branch County and due to the miserable Monday, Rotary was able to start the official festivities on Tuesday noon, of a beautiful, clear, cool day, with selected 4-H Club members, the King and Queen of the Fair as Rotary's guests for lunch at the new First Ward School. It is regretable that the 35 missing Rotarians weren't able to participate in this Club project. Maybe next year, if the lunch is held at the Fair Grounds, the atmosphere generated by Fair activity might inspire more Rotarians to share this moment in time with the hardworking 4-H members and their advisors. We also enjoyed the presence of Mark Semmelroth, President of the 4-H Fair Board; luella Hamilton, Home Ec Agent; and Leland Sanford, 4-H Fair Manager (who is probably sleeping better these last few nights after observing the crowds attending the Fair).

So that our attendance record for August 10 does not embarrass President Fred (after his recent 100% meeting) here are the names of those members who should make up before August 17, if they have not already done so----Allemeir, Barnes, Bent, Biringer, Bobier, Bovee, Burandt, Couillard, Faller, Fox, Goodholm, Heikkinen, Joseph, R. Loose, McKeith, Norm Moore, Dick Moore, Russ Moore, Mulchahey, Neer, Olson, Patterson, Pitts, Rumsey, Sebald, Shorno, Skinner, Swart, Toupalik, Wes Wilbur, Wilcox, L. Wise, Doug and Les Woodward. If you all intend to descend on Quincy this Monday, they would appreciate a little warning, or you better pack a sandwich.

Visitors who shared our bread and smorgasbord were C. K. Raber and his Rotary Ann from Newcastle, Indiana; Dwight Bennett, Van Wert, Ohio; John Elwell, Hamilton, Ohio; Harold Howard, Dayton, Ohio; William King, Quincy; and Jim Simpson, Bill Klaas' guest from Eaton Mfg. They all seemed to enjoy themselves, too.

Be sure to get out and vote for the two propositions on Tuesday, August 17th. Since you are going to be paying for Medicare, you might as well have a place for the convalescing. It may help relieve the strain on acute hospital beds. Even if you don't agree with this, get out and vote, you'll feel better for doing it.

In case you haven't noticed, your editor has taken off to the north lands again, leaving the bulletin to a less experienced head and hands. I haven't read the Rotarian recently, but I can assure you, it makes good reading if you will take the time.

The program for this coming Tuesday is in the hands of Clyde Williams. He is inviting us to take a tour of the Cob Plant (they use them for purposes other than what you think) and he suggests wearing a hat and bringing a whisk broom (or old clothes) as it will be dusty.

We are now running on the new Rotary Bulletin forms.

Chuck Bacon played possum while his youngsters tried their best to rouse him from a Sunday afternoon nap to take them for a promised walk. Finally, his youngest daughter pried open one of his eyelids, peered carefully, then reported: "He's still in their."

People come in three classes: the few who make things happen, the many who watch things happen and the overwhelming majority who have no idea what happened.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 2, 1965

The Coldwater Rotary Club has achieved what has always been believed to be impossible----a 100% meeting and July 27th was the day! Congratulations!! Shall we try for two??????

Attendance for July was 90.86% which places the club in 2nd place with clubs of comparable size and 7th in District 636.

Ralph Toupalik's Rotary-Ann, Irene, wins the candy bar or dairy queen or? as she called your editor early last Saturday and told him that the poem mentioned in last week's bulletin was written by Dorothy Swen, the daughter of a Grand Rapids Rotarian. It was "In the Shadow of the Bookcase" and it is printed on page 31 of the August Rotarian. Read it, it is worth your time. Irene says that she is using it in her classes at Bronson.

Many thanks for the knives that were contributed by the club. They were shined up, sharpened and then sent to a Peace Corps member from Branch County who is now serving in Nigeria. Speaking of Nigeria, read the article in the last Rotarian starting on page 31 telling of medical care far different from medicare which is at present very much in the public eye.

The cow pasture pool addicts were pretty subdued, ~~very~~ quiet and very reticent regarding the prizes that they won.

On Tuesday, Ray Pitts presented Wesley Urch of the Michigan United Fund, Glen Gochenour, President of the Coldwater Community Chest and Floyd Eby, Campaign Chairman for the Coldwater Chest. The speaker was Mr. Stahl Butler, Director of the Michigan Association for Better Hearing. He told of the work which he is doing and President Fred told your editor that it was extremely interesting and informative.

There were 14 absent and 11 early leavers which meant that only 66% of the members were present for the program. It seems rather too bad when a speaker drives from Lansing that he has to face so many empty chairs. Early leaving is a bad habit to acquire. How many spoke to the speaker before he left?

Visiting Rotarians included Vic Lockhart of Montpelier, Ohio; Chad Dyer of Columbus, Ohio; Walt North of Battle Creek; Nelson Ross of Indianapolis and Ray (did you say Roy, John?) Smith of Bronson.

Next week the club WILL MEET AT THE FIRST WARD SCHOOL and not at the Elk's Temple. The club will have as it's guests the 4-H Club members who are exhibiting at the Fair. President Fred has asked that all members attend. In the past, the attendance at these meetings has been very small. It is a project that the club has sponsored for many years and the kids feel that they are getting some recognition for all the work that they have put in during the year. If the club is to continue this project, let us support it. Paul Thompson will M.C. the program.

If the members of a family spoke to each other in the same voice that they use in answering the telephone, there would be less need for family clinics.

THE IMPORTANT DATES TO REMEMBER THIS WEEK ARE AUGUST 9 THRU 14, 1965---The Branch County $-H FAIR.

The Singingest Club in the U. S. A.

July 27, 1965

Thursday, July 29 is OLSOK in Norway, ask Torg what it is and he can tell you. Sunday, August 1 is UNABHANGIGKEITSTAG in Switzerland. It is also the beginning of Lighthouse Week, National Clown Week, (John Walker take notice), August Sandwich Month begins, and August Lamb Month begins. Monday, August 2 begins National Smile Week, Wednesday, August 4 is Coast Guard Day, Thursday, August 5 starts Seafood Festival Week and Sunday, August 8 is TISH ' AH B'AB (a seegar if you can tell your editor what it is). It is also International Character Day, I wonder just what they mean by an international character?

R.I. President C.P.H. Teenstra has provided a guide in planning club activities and projects:

Preserve what has proved to be good
Discard what failed to succeed
Modify what can be improved
Extend what merits further development
Introduce what was neglected in the past
Initiate new plans and activities

I suppose that these can be called the New Year's Resolutions for the incoming presidents of the various clubs for the coming year. These might well be the guide lines to be used by the various committee chairmen in outlining their programs for the coming year.

A club president in his message to the members of his club said, "All the success and progress attained during any president's reign must first begin with the willingness and desire of each Rotarian in this Club to 'serve above self'."

You members who are employers read the article on page 58 of the August Rotarian.

Six new Rotary Clubs were formed in the United States during the month of July bringing the total in the world to 12,078 with 557,250 members. Rotary is like the national debt--it never seems to stop growing.

Good reading is a marvelous thing and it is often said, "Heaven help the lonely person who does not read." See how the daughter of a Michigan Rotarian wrote regarding this on page 31 of the latest Rotarian. A seegar for the member who tells your editor to which Club this member belonged. If some Rotary Ann calls we might make that a candy bar or a dairy queen or ?

Harold Coddington as progran chairman presented Robert Kettner, Assistant to the President of the Consumers Power Co. of Jackson who first discussed Nuclear Power and it's development and then went on to relate it to it's use in industry and domestic activities. He followed this with a movie showing the practical application of the power together with pictures of the huge plant at Big Rock, Michigan. A very good program ably presented and interesting.

Rotarians visiting the club from Bronson were Glenn Barnett, Morris Wood, Bert Ward, and Nelson Weber; from Hamilton, Ohio John Elwell and from Van Wert, Ohio Dwight Bennett. Harold Coddington had as his guests Dan Karn, former District Governor from Jackson, and the President of the Jackson Rotary Club, George Olmsted. Boyd Wiggins had as his guest, Gene Waples, the new Boys and Girls Club Leader and Red McKnight had as his guest his son Kent and his son-in-law, Jim Clavel.

On August 10 the club will meet at the First Ward School for lunch NOT AT THE ELKS TEMPLE and will have as their guests some of the 4H Club members, as the 4 H Fair will be in session and the club is following the usual custom.

Next week the club will hear about the Michigan United Fund and the Branch County and Coldwater Community Chests, yir editor has checked and we believe that Ray Pitts is program chairman.

A courageous man is one who eats hash in a Chinese restaurant and stewed raisins in a dark one.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JULY 20, 1965

This is Butter Barbecue Time, Pickles for Picnic Time and Fresh-Up Soda Bath Time. This is Captive Nation Week, National Rabbit Week, Wednesday is Dag Der National Onafhankelyheid in Belgium and Sunday is the beginning of National Safety Week.

Some of the cow pasture pool specialists in District 636 have promoted a district tournament to be held at the Klinger Lake Country Club on Monday, August 3. The tab is $12 to include green fees, door prize, dinner and a swim in the pool. A dead line of Tuesday, July 27 has been set with reservation to be made (also a check to be deposited) with Norm Moore.

Tuesday's visitors included the following Rotarians: Wendell Hathaway and Henry Gomley of Bronson, Melvin Ross of Indianapolis and John Elwell of Hamilton, Ohio. Other guests included "Miss Branch County" Marcia Enos and her chaperon Mrs. Keith Pearce. Fred Weeks had as his guest his son Major Fred Weeks, Jr. and Fred Culy had as his guest his nephew Gordon Morlan of Largo, Florida.

John Dean as program chairman presented the Little League ball players who will be competing in the All Stars game at Kalamazoo this week end. The following boys had lunch with the club: Russell Belt, Dick Murdock, Bob Biringer, Craig Kilgore, Jim Olmsted, Mark Zinn, Jim Hauska, Dale Parshall, Greg Lowe, John Swanson, Danny Watson and Mitchell McCullough. Bill Murphy is to play also but could not attend on Tuesday. John gave a resume of the Little League Program in Coldwater. Both John and Duke Davison are involved in the All Stars game.

Next week Harold Coddington as program chairman will present Robert Kettner, Assistant to the President of Consumers Power Company, who will discuss Nuclear energy and its application toward peaceful purposes.

The best wishes of the club go with Chuck Schmitt on his new job in Detroit. He deserved his promotion but we will bet he would rather live in Coldwater.

Which club in Michigan has a project which is described in the July ROTARIAN to help the high school library? A "seegar" to the first one who calls your editor.

Read "Speaking Out" in the July ROTARIAN. It is on pages 26 and 27 and is well worth your attention.

The new President of Rotary International is C. P. H. Teenstra of Amsterdam, Holland. He is a physician who graduated from Gronigen University in 1930. His field has been tuberculosis. He has been a Rotarian for 25 years, has been Club President, District Governor, Director of Rotary International, Chairman of ENAEMAC and 2nd Vice-President of Rotary International. He is the first President from the Netherlands. His Rotary Ann comes from Vingaker, Sweden where they were married. More about them next week.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 13, 1965

This is Odor Control Month, Raisins For Outdoor Fun Time, Rye Bread Sales Month and Summer Time Salad Time has arrived. Tuesday evening was La Retraiteauxflambeaux in France. Today, Wednesday, is Bastile Day in France and tomorrow is St. Swithin's Day and if it rains on that day it is a legend that it will rain for forty days. Let's hope it is fair. Friday is the beginning of International Brick and Rolling Pin Contest. Teams from Stroud, Ontario; Stroud, Canada; Stroud, England; and Stroud, Australia compete. Sunday begins Shiv' Ah B'Tammuz. More next week if I can find out.

A tip of the hat to John Etsweiler for the very fine job that he did in writing your bulletin. While he was slaving away on it I was sitting on a cushion in a boat in the middle of a lake in the middle of nowhere. It was so much fun I believe that I will go back. Good fishing and not even a newspaper for a week.

Tuesday's program, as presented by Boyd Wiggins, told the club of the bureaucracy in Washington and how it operates. From the notes that John gave me, it must have been a sobering experience and it is only by the American way of life and individual enterprise that democracy has been able to survive. John apparently felt that the goal is to take from those who have and give it to everyone whether they have or not. Someday the honeymoon will be over and then we will begin to pay thru the nose whether we like it or not. (The last statement is mine.)

From reports, your editor's son did O.K. in his description of his experience at Camp Emery. We, as a family, appreciate his selection to represent the Coldwater Rotary Club. Many, many thanks.

Visiting Rotarians on Tuesday included Len Kaskey of Sylvania, Ohio; Dale Ulrey of Goshen, Indiana; Charles Dyer of Columbus, Ohio and Nelson Weber and Kenneth Gunthorpe of Bronson.

There were 14 members absent on Tuesday. Last week 16 were absent and only 8 made up. If the attendance is to improve for July, we had better get on the ball amd be making up.

If any of the members go to the northern peninsula this summer it will be worth their time to stop and see the reconstruction of old Fort Michilimackinac. The old site is being gone over by archeologists and they are finding many artifacts.

We have a new President of Rotary International, a New District Governor and a new Club President. May they all have a good year, but his can only be done if the membership lives Rotary each and every day.

In the article beginning on page 10 of the July Rotarian, our new president asks some questions, one is why is it that Rotary must take in 12 new members in order to make a net gain of two members? This is because of the 10% loss in membership each year. The other question is: Why do 17% of the clubs have less than the required 25 members? I believe that this is becuase clubs have been started in towns that do not have enough business men in them to have more than 25 members. Some of these clubs, altho small, are thriving and are a lot of un.

Next week, John Dean will present 14 members from the 8 teams of the Little League in Coldwater and will tell of their activities.

And then there was the secretary who was complaining that she had typed so many letters during the day that she ended up her prayers at night with "Yours truly".

Ray Muchahey

The COLDWATER Rotary REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 7, 1965

Since the substituting editor of your Rotarian does not have Ray's book of facts concerning what special month, week or day this period holds, let the sub submit the following: Fred Culy's Rotary Year; Be Good to Yourself Month; Have Fun, Ray Week; and this weekend----Come Back, Come Back, Ray Day.

Thanks to Ax, welcome to Fred----as another Rotary Year begins. Ax looks relaxed and smiling, Fred looks-------and looks. Don't worry, the first year as prexy is the toughest.

Have you Rotarians looked at your Four-Way Test desk plaque recently and wondered how far it is being followed in everyday life? If not, read it here:

Is it the TRUTH?
Is it FAIR to all concerned?
Will it buildGOODWILL and BETTER FRIENDSHIPS?
Will it be BENEFICIAL to all concerned?

Look at advertising and labeling today, look at action (or lack of it) by our state legislators, and look at rezoning action in Coldwater and you will see a few examples that would certainly flunk the TEST. The question is: can Rotarians do anything about it, will they, and how can it be accomplished? An intriguing question, eh?

If Bent, Bovee, Coddington, Collins, Davidson, Hawley, Joseph, Kennedy, R. Loose, Mulchahey, Patterson, Geo. Pierce, Mel Rice, Sebald, Treat and Weeks would be sure and make up before Tuesday, Prexy Fred can start off with a 100% meeting. Monday at Quincy would do fine, if you haven't made up, so far.

Thanks, Les Woodward for the five pen knives in response to Ray Mulchahey's plea. Bob Nagle put one in the pot, too. Thanks. How about the rest of us?

Duke----rumor has it you had an Eagle on Eight. Isn't that the same as an eagle on three? It's two strokes under par. Did you buy?

Thanks to program chairman Keath Pearce, a lot of Rotarians (and golfers) were able to cover a lot of acres touring the tremendous Federal Mogul operation here in Coldwater. Bob White and his team have a terrific operation behind that brick and glass face that they show to West Chicago Road. You must see it to believe it. Andy Henry, one of the team, made it a pleasant and enlightening hour for our foursome. Thanks. Those who missed the tour were the losers of the day.

Next week, Carlo Heikkinen has the program. Terry Mulchahey will make a brief report on his experiences at Camp Emory. The program will be given by Boyd Wiggins whose topic will be "Testifying in Washington, D.C." A la Bobby Baker?

Golfer (in trap): "The traps on this course are quite annoying, aren't they?"
Bob Nagle (trying to putt): "They sure are. Would you mind closing yours?"

Dick Moore teed up, eyed the distance to the green and announced, "A drive and a putt will do it."
Then he swung----but the ball travelled only a few yards.
His caddie handed him the putter, remarking brightly: "This putt will be worth telling the boys about."

Aren't you all lucky that Ray is going to be gone for only a week?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 29, 1965

July has been set aside as Hot Dog Month, National Iced Tea Time and as National Odor Control Month, as stated last week this is Save Your City Week, on July 1, 1847 the first United States Stamp was issued. Thursday, July 1, is also Dominion Day in Canada which corresponds to our July 4th. If you are interested, this is Hillbilly Home Comming Week at Maryville Tennessee. Sunday is July 4th so break out your flag and display it.

Tuesday's meeting was the last one presided over by our outgoing President Axner Olson. Clyde Williams, as a past president, presented him with a past president's pin and badge, we believe that he has had a good year with a lot of growth of the club.

Fred Anderson as the new Vice President for 1965-66 was presented with the gavel by President Axner in the absence of incoming President Fred Culy, who is in Dallas.

No one mentioned the town in which Dr. Stokes practiced medicine and so no one won the "seegar". The offer is still good for the next meeting. See your June Rotarian.

The need for pen knives, scout knives, hunting knives, even switchblades, is still with us. Won't the members go thru their desks and look at home and, if you have anything to contribute, bring them next meeting and leave with John Etsweiler.

Your editor is taking to the woods next week, no radio, no T.V., no telephones, no traffic and no baths, back to the primitive on an island. John Etsweiler will be doing the bulletin. Please pass your dope along to him.

Visitors at Tuesday's meeting included Hugh Fritz of Jackson, Morris Wood, Bob Pennell, Wendell Hathaway and Bert Ward of Bronson, Dick Biringer had as his guest Charles Bristol of Coldwater.

Eleven early leavers (too many) missed a very good program presented by Howard Teeter. It was a set of beautiful slides showing Michigan scenes and industries together with a narration. Howard also passed out some check lists so that members might find out how many of the scenes shown had been visited by them. Your editor batted 70%, how did you do?

Apparently there will be no Rotary Golf Tournament unless some one promotes it. Why don't some of the cow pasture pool enthusiasts stir themselves and promote one for Coldwater? In the past it has been enjoyed by the members and should be continued.

Keith Pearce has next week's program and he has promoted a trip thru the Federal-Mogul plant. Lunch will be as usual at the Elks and the members will leave from there. Keith asks that you allow a little extra time as the plant cannot be seen in less than an hour or more.

Congratulations to our new District Governor Dick Bucknell. We hope that he has a profitable and productive year.

A bachelor always hopes that his courting plans go thru without a hitch.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JUN 22 1965

This is Swim for Health Week, it is also Barnum Festival Week (John Walker take notice and on Saturday the day the membership receives this there is to be a Devil's Square Dance Festival at Hell Michigan, (if you attend you receive a Hot Foot Badge and a Damn Stompers Button). Next week is Save your City Week.

Dear Cousin Muley:

I don't know what is the matter with Coldwater but apparently no one pays much attention to National Flag Day or Flag Week. Even the city forgot about Flag Day until it was over. On Monday June 14 which has been National Flag Day for many years there were only 15 flags displayed on Marshall Street from State St. to Chicago St. Some of the people seem to forget that the National Flag is the symbol of the country to which everyone should be grateful for the free life that they lead. Don't forget next year to put out your flag on the proper day.

Your
Uncle Gully.

Attendance for May was down as you were told by Tom Collins on Tuesday, it was only 89.49% which places our club 19th in the district and 7th in the 16 clubs of comparable size. We can do better than that. Speaking of attendance, your editor counted the early leavers on Tuesday and 25% of the members present left early. It is a bad habit to acquire and should be broken. We don't know how many apologized to the speaker for leaving early. Did you?

Tuesday's visitors included Flint Harding Jr. of Denver Colorado, John Williams of Quincy, John Elwell of Hamilton Ohio and Dwight Green, Wendell Hathaway and Lloyd Phillips of Bronson.

Your editor's son reported that he had a marvelous time at Camp Emery, he said that never had he heard so many inspiring speakers in such a short time. We also took up with us the boy sent by the Quincy Rotary Club, Larry Marvin.

R O A R stands for Rotarians Of Amateur Radio! Ken Leavenworth told the membership about it on Tuesday. We knew it would happen sometime but did not believe that it would come this quickly. Ken has now become a number and has lost his name. He is W 8 A J S.

John Visosky, a new member, was introduced to the club by President Axner Olson. John is the music director at the Coldwater High School. He lives with his Rotary Ann and their two preschoolers at 66 Sonet Lane.

Warren Williams, as program chairman, introduced Larry Boger of the Agriculture Economics Department at Michigan State University who discussed the Perspective of Rural Michigan from now until 1980. Michigan is most fortunately situated for growth and development and certainly has a great future.

Howard Teeter next week will follow up Boger's speech with a program on Michigan. We don't know whether they got together but one will compliment the other. We understand that the program in new and just off the desk of the orginator.

A "seegar" to the member that can tell your editor the name of the town and the state in which Dr. Stokes, mentioned in the June Rotarian, practiced medicine.

And then there was the gal who was buying a washing machine and asked the salesman, "Is the motor sealed in so that my husband cannot monkey with it?"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 15, 1965

This is National Home Permanent Month (Rotary Anns please note), Portable Radio Month, National Rag Weed Control Month, National Recreation Month and Summertime Banana Month. It is National Flag Week, National Little League Week and Milk for Summertime Vitality Week. Saturday, the day the members will receive this, it is the day of the New Oxford Art and Craft Show and Flea Market at New Oxford Penna. Sunday, June 20 is Father's Day (we will expect to see some new ties and sport shirts at next week's meeting).

Read about a Michigan Rotarian and the 4-Way Test on Page 6 of the June ROTARIAN.

We will expect Ken Leavenworth to tell us of ROAR next week.

Last week we did not have sufficient space to mention that Reo Goodwin who sells Sherwin-Williams Paints was admitted to the club.

Also we wish to give a tip of the hat and a hearty thank you to Paul Hurley, a former Rotarian, and the Federal-Mogul Company, for addressing and mailing of the weekly Bulletin. Without their help there would be no bulletins mailed.

Tuesday's visitors included the Reverend Mr. Charles Asborn of Kalamazoo, who was a charter member of the Coldwater Rotary Club. He told of arranging for a visit by Paul Harris, the founder of Rotary to Coldwater. Other Rotarians visiting included Wendell Hathaway of Bronson, Melvin T. Ross of Indianapolis and John Sundquist of Monmouth, Illinois. Phil Ribble of Coldwater was also a visitor.

Paul McKee, Manager of the Coldwater Chamber of Commerce, introduced eleven pulchritudinous young women who are contestants in the "Miss Branch County" Pageant. The group included Linda Blasi, Marylyn Burnside and Joyce Bopp of Bronson; Brenda Davis and Mary Minck of Union City and Sue Myers, Valorie Seitter, Laura Loud, Carolyn Read, Gretchen Gottschalk and Marcia Enos of Coldwater. Two other contestants could not attend. May the best gal win!

Bob Rumsey presented a marvelous film showing big game hunting with bows and arrows in Africa. Truly it was wonderful.

Howard Swan read his ROTARIAN for May and won the "seegar" offered by your editor.

Next week Warren Williams will provide the program and tells us that the speaker will be Larry Boger of the Agricultural Economics Department of Michigan State University.

Wednesday your editor's son Terry went to Camp Emery where he will attend the Rotary Youth Leadership Training Conference.

If any of the club members saw a recent "20th Century" program on the Kinderdorfer program in Austria you will be interested in knowing that its founder Herman Gmeiner is a Rotarian.

The only worse thing than hearing the alarm clock in the morning is not hearing it.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 8, 1965

The joint meeting of the old and the new Boards of Directors was held at Stukey's Inn on Thursday night, June 3rd. The board confirmed the sale of the Rotary stand at the 4-H Fairgrounds to the Bronson Kiwanis Club for $500.00

The Board also voted to contribute to the Rotary Foundation a sufficient amount so as to make Coldwater a 500% club.

For the coming year Doug Woodward will handle Club Service; Bob Nagle, Vocational Service; Chas. Bacon, International Service; and "Tom" Collins will have Community Service. The new Treasurer will be John Klein; Secretary, Ernie Luse; and Assistant Secretary-Treasurer, John Etsweiler.

Over the years the Coldwater Rotary Club has made sizable contributions of funds to community projects. A few of these were $2,400.00 for the ranger cabin at Camp T. Ben Johnson Boy Scout Camp; $2,200.00 to the roadside park at the west entrance to town; and $1,400.00 to the Tibbits Theater. Had it not been for Rotary paying taxes and interest in years past, the Tibbits would have been torn down long ago.

Chuck Schmitt reported there was a profit of $1,300.00 from the Rotary Show this year. This is smaller than last year due to additional expense. The expenses included $300.00 rent, $100.00 insurance and $176.00 worth of wiring necessary before the show could be given. The wiring will be permanent fixture of the Tibbits.

A tip of the hat to Bob Sweet who has given unstintingly of time and material with wiring and electrical installations when the shows have been produced, not only this year but in years past.

Also, a tip of the hat by your editor to John Etsweiler for his help in getting out the bulletin this year. "Thanks a lot, John."

Eleven new members will have been admitted to the Club during the year of Axner Olson's presidency, 1964-1965.

The board voted to give the following amounts to various community activities: to the Coldwater Student Loan Foundation, $800.00 (This is the Timm fund which now will have about $8,000.00 total which has been contributed. Twelve students have had loans from this fund to-date. If loans are repaid within one year after graduation from college, no interest is paid. Thereafter, the interest can go on as is at 5% per year on the unpaid balance); to the E. Byron Thomas Memorial Fund, $800.00 (This is a fund to help prospective teachers thru college); to the Tibbits Theater, $400.00 (In the past the club has helped a great deal with contributions of money, work and material to this particular project).

A tip of the hat to Torg Skabo in bringing 192 trailers to the Wally Byam Caravan Club roundup last weekend at the 4-H Fairgrounds. If you scratch a community activity you uncover a Rotarian.

This week Ken Leavenworth told us of the merger of the Climax-Molybdenum Company with the company making carborundum. It was beyond your editor. Next week Bob Ramsey has a film showing Bow and Arrow hunting in Africa.

Many of us would be delighted to pay as we go if we could only catch up from paying as we've gone.

Ray Mulchahey

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 1, 1965

This is National Arts and Crafts Month, National Barbecue Month, National Dairy Month and Fight the Filthy Fly Month. It is International Kraut Round Dog Week, Let's Play Golf Week and Portland Rose Festival Week. Friday, June 4, is Old Maid's Day and Saturday is Groundlovdag in Denmark.

Next Sunday is Whitsunday and both Sunday and Monday are observed as Shavout. Next week is National Humor Week, Thursday, June 10th, is Poultry Day and on Saturday, June 12th, there is a partial eclipse of the moon (but you won't see it here).

Fred Neer is chairman and promoter for the Ladies Night to be held Tuesday evening, June 15th. It will be a dinner at 6:30 p.m. at Stukey's Inn followed by attendance at "Fantasticks" at the Tibbits Theater. The tab for both is $15.00 per couple. There are over 50 reservations at present so make yours early. (The little woman will love you for taking her.)

There will be two District Assemblies this year and these should be attended by the Incoming President, Secretaries and Editarians. It is recommended that the Incoming Vice-President and Classification Chairman attend, too. Saturday, June 12th, is the first assembly and will be held at Albion College. A repeat performance of same will be held Sunday, June 13th, at the Southgate Motel in Kalamazoo. Incoming District Governor, Dick Bucknell, (just back from Lake Placid) will head up the programs.

Coldwater was 19th in the district percentage wise in attendance for May with 89.78%. It is not often our Club falls below 90% but several times recently it has happened.

Coldwater needs to contribute $100.00 more in order to be 500% in Rotary Foundation contributions. District 636 has contributed $126,786.30 in toto and, since Oct. 1, 1964, there has been $17,803.92 contributed. The Lansing Club leads with a 1000% contribution.

The little Japanese girl is going to live with Dr. and Mrs. Kilgore of Michigan Center during the next school year.

Dear Cousin Muley:

Danged if traffic in Coldwater isn't getting as bad as it is in Boston and that is terrible. The other night I waited for the traffic light to change five times in order to make a left turn from Marshall onto Chicago Street. It seems that, as busy as those two highways are and with as many accidents as they have on that corner, it might be wise to put in special left-turn green lights letting you make a turn without getting smashed from behind or sideswiped. I guess I'll have to write someone about it since it ain't right.

Sincerely, Your Uncle Gully.

Bob Hawley, as program chairman today, introduced Gerald Weaver, a local teacher, who spoke on local history and heritage and how it can be preserved and enjoyed.

Program for next week is undetermined at press time.

Just about the time you think you are beginning to see daylight you realize it is coming thru a hole in the roof.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 25, 1965

Last night at the Rotary Information Meeting, Carroll Barnes asked where we got the list of the various months, weeks and days which we give in the bulletin. Well, it is this way:-- there is published by the Apple Tree Press of Flint a yearly book called "Chase's Calendar of Annual Events." In this are listed all the events for the coming year. Here is an example that we did not publish in last week's bulletin,--- Thursday, May 20th, has been designated as Eliza Doolittle Day (Now who was Eliza Doolittle?)

Here is a complete list for this week. Sunday, May 23rd, was Craters of the Moon Celebration at Arco, Idaho. Also, World 600 Late Model Car Racing at Charlotte, North Carolina; Monday was Victoria, or Empire, Day in Canada; Thursday was Ascension Day; Saturday is John F. Kennedy's birthday; the Annual Conference of Jewish Communal Service begins; the Annual Fish Derby at Cascade, Idaho; and Sunday there is a total eclipse of the sun; it is Memorial Day, or Decoration Day, Confederate Memorial Day in Virginia and Gettysburg Memorial Day. (Now you know.)

The Rotary Information meeting was an epic in the Coldwater Rotary history. Ernie Luse did a marvelous job in setting it up and the Rotarians who assisted were outstanding. New members and their Rotary Anns were: Virginia and George Pierce, Mary and Wm. Klass, Sally and Bill Visosky, Susanne and Dick French, Peg and Carroll Barnes, Ruth and Reo Goodwin, Sarah Lee and Paul Thompson, and Olive and Jim Skinner. Also present were Fred and Dorothy Culy, Clyde and Billy Williams, Ernie and Ruth Luse, Duke Davidson and your editor. The various phases of Rotary were Handled by Howard Teeter, who discussed the History of Rotary; ChickKennedy, who told of the Officers, Classification and Attendance; President Axner Olson, who gave details as to Admission; Clyde Williams, who told of International and Vocational Service; and Chuck Woodward, who outlined Community Service.

From the favorable reports on last Tuesday's meeting, John Pearson did an excellent job in discussing bankruptcy. We are sorry we missed it since we might have gotten some pointers.

A "seegar" to the member that can tell your editor which two Rotary Clubs in Michigan are mentioned in the June Rotarian.

Some time soon we will ask Ken Leavenworth to tell the Club what "ROAR" is.

Next week Bill Hawley will present Mr. Weaver from the Coldwater High School who will discuss local history.

A tip of the hat to Ken Putnam for the beautification of his lawn and flowers. We wonder if he has heard from Washington.

If you have never read "The Rotarian" be sure and read the June issue from "kiver to kiver." It will open your eyes.

"A good turn is one that gets the blanket on your side of the bed."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 18, 1965

This is Country Lamb Month, National Hemophilia Month, Learn to Play Tennis Month(Fred Weeks take notice), New York City is a Great Place to Live or Visit Month, National Tavern Month, and White Bread Sales Month. It is also World Trade Week, National Transportation Week, American Merchant Marine Book Week, National Salvation Army Week, Dutchess County Stamp Collecting Week, National Pickle Week and Saturday is National Maritime Day.

THIS IS ALSO MICHIGAN WEEK!!!!!!!!!

Monday, May 24th

Don't forget the Rotary Information meeting that is to be held at Stukey's Inn at 7:30 p.m. for new members, their Rotary Anns and the members who sponsored the new members are asked to attend. It will not be a Dinner Meeting but light refreshments will be served. New members and their better halves should try to make this meeting.

The Rotary Show pictures are ready and members who ordered them are asked to pick them up at next week's meeting. Please bring along your check book.

There was no attendance taken at Tuesday's meeting due to the barbecue, however if you did attend be sure and check in your attendance at next week's meeting. Failure to do so may spoil your 100% attendance and it will also bring the club average down.

Next week John Pearson of the Branch County Credit Bureau will tell us about credit, collections and bankruptcys. Should be interesting and perhaps you may pick up some pointers.

According to the clip sheet put out by Rotary International there are now 12,000 clubs in existence in the world.

Each month the clip sheet asks a question and then it is answered. This month the question is, "What is meant by International Service?" Those things that a Rotarian can do to advance international understanding, goodwill, and peace consitute international service. This means getting acquainted with people of other countries and learning their cultures, customs, accomplishments, and aspirations. Rotarians can do this thru attendance at conventions, correspondence with persons in other countries and participation in international service activities. Is the Coldwater Rotary Club missing a good program by not using some of the men from overseas that are now in Branch County under the wing of Boyd Wiggins? It seems that HERE IS A GOLDEN OPPORTUNITY going to waste.

Some of the members may be going to Washington, D.C. this summer on a vacation and if you should be that fortunate, be sure to read the article on the Smithsonian Institute before you go. It tells you what you should look for. Don't let the kids see the article or they will make your life miserable. It is in the May ROTARIAN on page 30.

What has become of the program endorsed by Coldwater Rotary in trying to assist in preventing 'drop-outs'? Has it died or aren't there going to be any more drop-outs?

And then there was the teen-age boy who told his mother, 'I had a talk with Dad about girls and he doesn't know anything about them either."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 11, 1965

This is American Bike Month, Car Care Month (Ralph Toupalik take notice). National Foot Health Month and Country Lamb Season. This is Police Week (the State Police Post at Jonesville is having open house), Girls Club Week, National Hospital Week, Mutiple Sclerosis Society Week, National Cotton Week, Annual Foot Health Week and next week end the tulips will be in full bloom in Holland, Michigan.

Ernie Luse has announced that on Monday, May 24 there will be a Rotary information Meeting for new members, their Rotary Anns and their sponsors. The meeting will be at Stukey's Inn at 7:30 p.m. Light refreshments will be served after the meeting.

Next Tuesday's meeting will not be held at the Elks Temple as usual. It will be Michigan Week and the Rotarians are to attend the chicken barbecue at the park. Be sure to check in your attendance. In event of rain the place will be the former Dodge garage.

Monday will be Mayor Exchange Day with Karl Vogelheim, the Mayor of Rogers City, and Mrs. Vogelheim coming to Coldwater and Mayor and Mrs. Fry going to Rogers City for the day. There will be a luncheon at Stukey's Inn at 12:15 p.m. Try to get there.

Your editor is submitting a picture of Warner VanAken to THE ROTARIAN since he has had 42-1/2 years of 100% attendance. Watch for its publication. With an average of 50 meetings per year and with 1-1/2 hours per meeting it means Warner has spent 410 eight hour days at Rotary meetings. Match it if you can!

On Tuesday, Carlo Heikkenen pinch hitting for Harvey Bent presented two Coldwater teachers, Mrs. Gladys Davis and Mrs. Ann Hayes, who used projectors to present information regarding curriculum studies dealing with reading and mathematics. Your editor hopes it improves the reading ability of some of the students and the arithmetic ability also. Maybe it will be easier for them to figure their income tax. If it would help your editor to understand logarithms he might be tempted to go back to school.

A tip of the hat to the groups who planned the "Fly In" last Sunday. It was a grand job well done.

180 new Rotary Clubs have been formed since July 1, 1964. On March 29 there were nearly 12,000 clubs in 127 different countries.

Read in the May ROTARIAN the section entitled "Opinion". The article on "Upping the Art of Listening" reminds your editor of the program presented several years ago by Judd Perkins, Public Relations Director for the General Telephone Company when he showed Coldwater Rotarians that they did not hear what was said.

And then there was the father who was talking to his daughters suitor and said "My daughter tells me that you have that certain something, but I wish you had something certain."

MAY 4, 1965

May seems to be the month for many celebrations. It is Senior Citizen Month, Radio Month, Better Hearing Month, National Better Homes and Gardens Month and this week is National Baby Week, American Camping Week, American Comedy Week, Correct Posture Week, Mental Health Week, International ESA Week and Rhode Island Heritage Week. It is also Be Kind to Animals Week, National Family Week, National Music Week, Goodwill Week, National Youth Hostel Week, National Play Tennis Week, National Insect Electrocutor Week (wouldn't that burn you) and Brand Names Week - and so on far into the night. Saturday, May 1 was Law Day, Loyalty Day and May 1 and 2 were International Labor Days. Last Sunday was Mother-in-Lay Day and also Humane Sunday.

A square deal for employees is one chapter in SERVICE IS MY BUSINESS that deserves very careful reading. Each business has its own special problem and must cut its coat to fit the cloth. In making plans for a square deal many things must be considered; size of plant, seasonal work, type of factory, age of worker, level of worker and many others. The Swiss have been particularly successful in this regard and much of their success has been due to the full and explicit understanding on the part of the employees of just what the plan includes and its limitations.

The next District Governor is to be Stewart Bearup of the Charlotte Club.

Your editor made up at Burr Oak the other night and found four high school students from Canada there as guests. Four students from Burr Oak were at that time guests of the Alvinston Rotary Club in Ontario. This is a program which has been going for some five years and has been very successful. This is truly International Relations in operation on a local level. Couldn't Coldwater Rotary try something similiar.

Mac McKeith at Tuesday's meeting introducted Dick Moore and Gerald Hensley who discussed the changes which have been made in the downtown area and what needs further going to help that area.

Your editor is very flattered and proud to have his son Terry selected by the Camp Emory Committee, Al Butterfield and Cranston Wilcox to attend that Camp June 16 - June 20.

Carlo Heikkinen has the program next week but what it will be we don't know.

Is anyone going to Rotary International?

A tip of the hat to Charles Bacon on making TIME magazine.

College years are the vacation a boy gets between his mother and his wife.

This is Historic Garden Week, National Library Week, Canada-United States Goodwill Week, National Invest-in-America Week, National Baby Week, Consumer Credit Week, National Raisin Week, Youth Temperance Education Week, Chemical Progress Week and this week is the annual meeting of the FOSSILS, INC. Friday is also Valborgsmassoafton in Sweden.

At the District 636 Conference at Sturgis there are to be several outstanding speakers among them will be Salom Rizk, the author of SYRIAN YANKEE and Claude W. Woodward, Past Vice-President of Rotary.

Does the Coldwater Rotary Club wish to host the District Conference for 1966? If the club is interested, contact Governor Nominee Richard Bucknell of Sturgis.

Nine clubs in District 636 have increased their contributions to the Rotary Foundation sufficiently to change their classification upward since December 31, 1964. Lansing is now a 1,000% club.

Dear Cousin Muley:

It has been a long time since you have heard from me. You probably heard we had a tornado through here. Aunt Sal and I are fine, it didn't come near us. It was amazing how everyone pitched in and helped. One of the finest groups were the high school kids who spent several days of their Easter vacation helping pick up debris and remains of barns and houses which had been blown apart. When the chips are down the kids came through and I don't care what anyone says about delinquents. Hats off to them.

Yours,
Uncle Gully

This week Tom Collins presented Stanley Garvin and John Holland who discussed the water system now being installed in the city.

Next week Mac McKeith will present Gerald Hensley and Dick Moore who will discuss the Downtown Betterment Associations and its aims.

Read the article on Page 22 of the May ROTARIAN. A tip of the hat to the Lions and their work with the blind and the eye bank. You know that if you will your eyes to the Eye Bank at your death a part of you goes on living and someone else benefits. What greater benefit can one do than bring sight to a blind person.

Vacations are great levelers. The person who takes one returns home just as broke as the person who stayed home because he couldn't afford to go away.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

APRIL 20, 1965

Les Woodward who has just returned from his winter wandering furnished this one: "A Rotarian crawled into a hollow log one day to get out of the rain, only to find to his dismay that by the time the rain had stopped the log was swollen and he was stopped fast. All at once he had a bright idea. He thought about his attendance at Rotary and how he was pulling down the club's average. Well, he felt so small he just slipped out of the log." This is from a club bulletin called "The Rotary Spoke of Hickory."

The Board of Directors on Tuesday changed the classification of Harvey Bent to Senior Active.

The Coldwater Club no longer owns a white elephant. The Board of Directors on Tuesday agreed to accept the offer for the purchase of the stand at the fair ground. This business venture never really paid off - when the Club sold Dairy Queens the weather was cold and when it switched to pancakes and sausage the weather turned hot. Sometimes you just can't win.

On Tuesday, Dick Biringer introduced Charles Berry who showed a film on the Masters Tournament at Augusta, Georgia. Some of the duffers, your editor, included watched open-mouthed at some of the playing. Incidentally if any duffers want to play more golf there are several memberships at the Country Club open.

Our student guest introduced by John Dean was Jack Sherrick, a Senior at the Coldwater High School. He plans on attending Michigan State and being a teacher.

Paul Thompson, a new member, was presented to the Club by Boyd Wiggins. He is the County Agriculture Agent for Branch County. Welcome to the Club.

Members with unpaid bills for the Rotary Show please send them along to Chuck Schmitt and any money from ticket sales should go to Tom Collins.

Father Ben Lavey, President of the Sturgis Club, was a guest and invited any and all members to the District 636 Conference on April 30 and May 1. Who is going at this time is not known but if you want to go call Fred Anderson at 278-2366.

Attendance for March was 88.76. This is the second month the Club has been below 90%. Ten clubs had one or more 100% meetings.

Rotarians should be pretty proud of their Rotary Anns for the way they pitched in and are working during this time of disaster. Some of the Rotary Anns have put in long hours day after day. A tip of the hat to them!

And then there was the schoolboy in geography class who said that the chief export of the United States was money.

Ray Mulchahey

April 14, 1965

This is American Hearland Development Month, National Welding Products Month and it is Pan-American Week, Green Candle of Hope Week and today, April 14 is Pan-American Day. Tomorrow, April 15, was assassinated 100 years ago.

From the prevue issued regarding the Convention of Rotary International at Atlantic City, May 30 through June 3, it will be a great meeting. There will be something doing for everyone regardless of sex, age, vocation, interest of the language spoken. It is not too late to still make a reservation and go.

Chapter 9 of SERVICE IS MY BUSINESS deals with channel of communication. The minds of men are linked by correspondence, newspapers, radio, telephone, television and now the latest is telestar. Distance has been conquered but all too often the conquerors remain aloof and isolated from each other and their fellow-men, incapable of even rudimentary gesture or contact. This lack of proper channels of communication and the resulting understanding is very often the cause of labor disputes. A prominent Rotarian has stated that when a dissatisfied employee comes to you for an interview it is wise to: (1) Listen, don't talk; (2) Don't lecture; (3) Pay attention to what he says; (4) Don't express moral attitudes; (5) Don't let your emotions creep in; Your following the above rules can help you learn a lot about employee relations and how they can be met. Most dissatisfactions are small at the beginning and by getting them settled before they cannonball, everyone will profit.

Go back to your February ROTARIAN and look at the map on pages 34 and 35 and you will be amazed at the 127 geographical regions and countries in which Rotary operates. The first five countries to have clubs were the United States in 1905, Canada in 1905, England in 1911, Ireland in 1911 andScotland in 1912.. Then turn to the article "Service: The Price of Freedom" on pages 32 and 33 and you will find that "service"is not a new concept.

Our student guest was Harold Scheidler, a Senior at Coldwater High School who was introduced by Fred Weeks. He plans to attend Michigan State University and specialize in statistics.

From all reports the Rotary show was a singing success and enjoyed by full houses each night it was given. Hard work by the members paid off.

Next week Dick Biringer tells us that he will have a film which will interest the golfers of the club.

This week Pat Patterson told the club of the sustaining membership plan for the Tibbits Theater and of the program for the coming summer.

Nowadays parents are somewhat reticent about having one of those heart-to-heart talks with their teen-agers because they are not sure that they will be able to understand everything that the teen-agers tell them.

SPECIAL NOTE - Easter Season

Noon services from 12:10 to 12:30 p.m. will be conducted four days, Monday through Thursday, during Holy Week, April 12 - 15 at the Tibbits Opera House.

The Union Good Friday service will be conducted from 12:00 to 3:00 p.m. on Friday, April 16, at First Methodist Church. You and your employees are invited to attend.

This is Freedom Shrine Month and New Homes Month. It is also National Beauty Career Week, National Want Ad Week, National Publicity Week, National Cherry Blossom Week, National Let's Play Ball Week and International Book Fair for Children and Youth Week. More next week.

Rotarian and City Manager Godfrey Collins might use the wording and the container on Page 6 of the April ROTARIAN. Read it.

Read on Page 16 of the April ROTARIAN how Rotary came to Chatham, Ontario in 1921 when a nucleus of 8 men organized a club and started the ball rolling. Then select from the article that word which sets forth that idea which you would like to emphasize. Is your decision the same as that of William M. Gray?

Can you read the article on Page 43 of the April ROTARIAN and not be proud of being a citizen of the United States?

Anyone interested in improving his human relations (we don't mean your mother-in-law) has much to learn from the art of salesmanship as it has developed through the years. Every producer must sell his product if he is to stay in business. There are two main reasons why people buy: (1) Impulse buying and (2) Need for a product. The true and honest salesman sells his product through stressing of quality, worth of the product and not antagonizing the prospective buyer by too much pressure. Courteousness on the part of sales people will go far in selling a product no matter how trivial it may be.

Boyd Wiggins is now the protector, mentor, father-confessor and shepherd of a group of peole from Thailand, Nepal and the Phillipines. It would seem that now would be a golden opportunity for some work in international relations on the part of club members.

Next week we understand that Pat Patterson will furnish the club with information about the coming summer season at the Tibbits Theater.

When a man declares, "I am sure of my wife," he means he is sure of his wife but when a woman says, "I am sure of my husband," she means she is sure of herself.

MARCH 30, 1965

This is National Laugh Week, Cancer Control Month, Teaching Career Month, National Hobby Month and National Automobile Month begins. Today All Fools Day probably started in France during the confusion of adopting the new calendar in 1564. More next week.

"Is It the Truth?" This is the title of a chapter in SERVICE IS MY BUSINESS and it is given over to a discussion of honesty and truth in advertising. The Better Business Bureaus (Coldwater doesn't have one) came into being because of the "bilking" of the public. Just how honest is the endorsement of products by celebrities? Then too how can an employer train sales people and employees to deal honestly with customers? Honesty and the truth does pay off but it takes "guts" to take a stand and stick to it.

This item is for Rotary Anns. On Page 66 of the April ROTARIAN a contest is described open to wives of Rotarians only: "Why I'm Glad My Husband Is a Rotarian" is the subject and you may win $100 and have your article published. June 1 is the deadline. Read the rules on Page 66.

New mathmatics results are shown on Page 62 of the April ROTARIAN.

It was with extreme regret that the Board of Directors accepted the resignation of Jesse Waldron from the club. He has been a faithful member for many years and will be missed.

The Board of Directors at their April meeting voted to buy the pins for this years new members of the National Honor Society.

The Board also agreed to help with the purchase of braces for a man who is in a hospital at Battle Creek because of a stroke.

The club is to participate in the District Conference on April 3 and May 1 at Sturgis and Doug Woodward is to head up the club project.

The club has also agreed to participate in Michigan Week to be held May 16 through May 22. Russell Moore is to be the chairman for the club.

This week Bob Loose presented Roy Sager who showed a film dealing with natural gas, its production and its use.

Your new officers for 1965-66 are to be:

President - Fred Culy
Vice-President - Fred Anderson
Secretary - Ernie Luse
Treasurer - John Klein
Assistant Secretary & Treasurer - John Etsweiler

Next week the club will be asked to approve Board action as to the selection of next years District Governor.

Then there was the man who thought he was going to be the Skipper when he embarked on the Sea of Matrimony with a widow but he turned out to be only a Second Mate.

March 23, 1965

This is Campfire Girls Birthday Week, Mutual Insurance Week, Festival of States, and next Sunday is Spring Millinery Week; if this weather keeps up fur hats will be very "chic".

We are trying to bring our addressograph plates up to date and if your name and address is incorrect, please help us to get it right. Give your editor the correct information.

Tuesday's program was furnished by Art Lyon. Fred Culy introduced Calvin Adler, Plant Manager if the American International Aluminum Corporation, and Samuel Spector, Vice President of the Corporation. They told of production of aluminum extrusions and Mr. Spector told of the various plants operated by the company. One of the comments was that new Staff personnel cannot find suitable housing and that new people are not welcomed by the residents of Coldwater as one would naturally expect. This is a sad commentary on Coldwater, but one that is often heard in towns away from Coldwater regarding this fact. Are any Rotarians guilty?

Next week Bob Loose is presenting a program dealing with gas production in Southern Michigan.

It might be worth while to furnish the Downtown Betterment Association with copies of the March Rotarian in which it describes and pictures the renovation of store fronts. Perhaps if this was done, new stores might be interested in renting them.

Chapter Six in "Service is My Business", Is Honesty Declining? A well known educator recently urged that the teaching of common honesty be in our schools. However, a school superintendent placed the responsibility squarely on the shoulders of business. He went on to say that boys and girls leaving school for jobs take with them definite standards of honesty, but are soon disillusioned by practices prevailing in places where they work. If honesty is not to decline, then the home, school, church, trade associations and business in general must combat the tendency to chisel and defraud.

If you are feeling very smug and self satisfied, read the article on page 24 of the April Rotarian by Sir Julian Huxley. If it does not cut you down in size, then you are hopeless.

You boat owners read of the new bilge pump on page 51 of the April Rotarian.

Psychiatry is the art of teaching a person to stand on their own two feet while reclining on a couch.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 17, 1965

This is National Coffee Month, National Egg Month, Spring Clean Up Time and this is National Poison Prevention Week, National Wild Life Week, National Salesmen's Week, National Shoe Care Week and National Rice Week. Tuesday was the Ides of March, remember Julius Caesar? Today is St. Patrick's Day and Spring arrives officially the day you get this bulletin.

Tuesday, March 16 will go down in history as a red letter day of the Coldwater Rotary Club. Five new members were admitted to the club. They were Richard (Dick) French, Jerry Parker, James (Jim) Skinner, Carroll L. Barnes and George H. Pierce. They were introduced to the club by their sponsors and then Mark Andrews outlined the aims, objects and responsibilities of Rotary membership. It was a very fine way to induct new members and something your editor has been plugging for over the years. Eureka!

Our student guest was David Olney, a Senior at Coldwater High School, who plans to attend Michigan State next year where he plans to major in Engineering.

On March 23 at 7:30 p.m. the candidates for Alderman for the city will "Meet the Public" in the Civic Room of the Southern Michigan National Bank.

On April 6 the club will have as their guests 9 persons from overseas; 6 from Thailand, 2 from Nepal and 1 from the Phillipines. The 9 are to be here with Boyd Wiggins from April 5 through April 9 with 7 staying on for a longer period.

President Axner Olson in line with Charles Bacon's recent talk on "100 Years in Medicine" told us of teacher requirements in New York City in 1872. You either had to be a saint or a slick hypocrite to meet the criteria for a teacher.

According to the District Governor's Letter, Coldwater attendance dropped below 90% for February. It was 89.29% - fourth in the clubs of comparable size in the District.

A home is being sought for a Japanese girl who wishes to spend her last year in High School in the United States. If you want a foster daughter for a year write District Governor Don Doubleday.

Buena fe como norma (habitual good faith) was the interpretation given to vocational service by the Spanish speaking Rotarians of Latin America. Can any more be said? This seems to tell the whole story.

If you have a child in school read the article on Page 40 of the March ROTARIAN.

The perfect man is the one your wife might have married, but didn't.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

MARCH 9, 1965

This is Red Cross Month, Children's Art Month, National Coffee Month and National Egg Month. Also National Business Women's Week, Girl Scout Week, Save Your Vision Week, National Peanut Week and on Saturday Florida Citrus Fruit Showcase begins.

Standards for high professional performance in his chosen field, business or area of service is required of all Rotarians. One chairman of a Vocational Service Committee in speaking to his club said, "It is my duty as the spokeman for the Vocational Service Committee to say to you in all candor and ernestness, that unless you are carrying back to your craft, your trade association, or your profession the ideals, the precepts and the high standards embodied in Rotary, you should resign. If you are too busy or don't care enough to do this you are failing to carry out the Code of Rotary and the membership made a mistake when they let you in." Think this over.

Rehearsal each Tuesday night. Time is flying and April 8, 9 and 10 are less than a month away. Be there!

Two new Board Members were elected at Tuesday's meeting; Tom Collins and Charles Bacon will help run the club the coming year.

April 1 the old Board of Directors will meet with the new Board at Stukey's Inn for next years planning.

Tuesday, March 16 is to be a red letter day for Coldwater Rotary; six new members are to be taken into the club. Few members who have not been on the Board of Directors realize the preliminary work and decisions that go into the task of admitting a new member. We understand that Mark Andrews is to do the honors.

The induction of the new members under the direction of Fred Culy will constitute the program on Tuesday.

Wade Bressler told the club on Tuesday of traffic safety stating that Coldwater has a high incidence of accidents and fatalities for a city of its size. Through the school safety program they are trying to educate the children so as to reap the benefit when they are adults.

The program for Tuesday, June 1 at the Rotary Convention will cover the Second Plenary Session, entertainment for the Rotary Anns and in the afternoon 54 different vocational groups will meet for discussions. If you are going better make your reservation early.

In the February ROTARIAN read the article "Here is Rotary 1965". It makes you very much aware that Rotary is world-wide covering practically every country outside the Iron Curtain. Languages may be different, the complexions may be different but all are Rotarians.

The trouble with being a parent is that by the time you are experienced and an expert you are unemployable.

March 2, 1965

This is National Weights and Measures Week, Return the Borrowed Book Week, Tuesday, March 2 was International Pancake Day. This is Red Cross Month, Children's Art Month, Buttermilk Bread Sales Month and National Coffee Month. More next week, however, Saturday the day you receive this there will be held in Ostende, Belgium "Bal du Rat Mort".

Is competition a blessing or a curse? Rotarians who undertake their vocational service as a practical program for their daily business and not merely as an occasional gesture of self-sacrifice should be quite clear in their minds about this. Competition keeps people on their toes and a fast stepping competitor helps do this; he makes you put forth that extra effort which wins. Should we dislike the man who helps us to win? Common sense says no. As a business man what steps have you taken to cooperate with your competitors to improve your common service to society?

Do you have a person in mind whom you would like to be considered for a 1966-67 Rotary Foundation Fellowship? If you do, better hurry the deadline is April 15, 1965.

The program for Monday, May 31 at Atlantic City, Rotary International Convention includes the first business session, activities for the young people on Steel Pier, International Friendship meetings and dinners. These will bring together the persons from the matched districts of Rotary for a discussion of things of interest to members from both districts.

Tuesday the club heard a discussion of the building of the new Junior High School which it is hoped will be opened in January of 1967. It is to be built west of the present high school and should aid in the better education and training of the 7 & 8 graders.

Next week Wade Bressler is to present a program dealing with the safety patrol.

Attendance at a club such as Rotary in Coldwater and attendance at a club having 150-175 members is very different. The larger clubs do not have singing, very little fellowship and certainly not the friendliness that you find in a smaller club. Be glad you belong to a small club.

We don't know if we made a 100% meeting on February 23. There were several members yet to be heard from.

February 23, 1965

This is Catholic Book Week, National Engineer's Week, Pencil Week and Sertoman's Freedom Week. Chuck Woodward should know that next Sunday is Bachelor's Day set aside to stimulate sales to merchandise used by men.

A tip of the hat to Vince Kornstein on his promotion, you can't keep a good man down.

Paul Harris the founder of Rotary was a lawyer and took an actice part in local, state, national and international legal affairs. He felt somewhat isolated from business and in an effort to bridge the gulf with trade he invited to the first Rotary meeting a coal dealer, a tailor and a mining engineer. Diversification of membership in Rotary has been its aim and goal since its start and every effort has been made to promote the worthiness of all legitimate occupations and to promote high ethical standards in business and profession. Dignity of a job well done is basic to vocational service and by giving high type service a job however limited acquires dignity. Your editor knew of a club that had a wide program for crippled children and when a local shoemaker refused to accept payment for repairs to shoes of the crippled children he was taken into Rotary and became an excellent Rotarian.

Next week Bill Bobier will present a program dealing with the new Junior High School. Should be interesting.

This week was Past Presidents' Day in line with the 60th Anniversary of Rotary. There were ten present of the more than forty men who have held that office; Fritz VanAken, Clyde Williams, Howard Teeter, Chuch Woodward, Fred Weeks, Lester Wise, John Dean, Mark Andrews, Ernest Luse and Webster Treat told briefly of events that occurred during their terms in office.

George Owers, a former member who is now in Ann Arbor, was a club visitor Tuesday.

The February ROTARIAN is one copy that should be read from "kiver to kiver" and then kept in your library. It has more dope on Rotary than any other issue in the last 10 years. Look at the pictoral story of Rotary beginning on Page 36 and ending on Page 43. It is all there shown graphically what, how and to whom it happened. We noticed in the picture on Page 37 that the clocks were there away back in 1905 - They still are.

Look at the map on Pages 34 & 35 and then say that Rotary has not become world wide. Who could have foretold its tremendous growth in 60 years. From one club to 11,888 clubs with 562,000 members in 127 countries, with 92 new clubs since July 1, 1964.

Keath Pearce has announced a full chorus practice for Tuesday night, March 2 at the Elks at 7:30 p.m.

Do you remember when the wee small voice was your conscience instead of a transistor radio?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 16, 1965

Sunday, February 14 was Gaekkebreu in Denmark, Monday, February 15 was Susan B. Anthony Day. How many know who she was or what she did? Saturday, February 20 is the beginning of Future Farmers of America Week. This week is also Crime Prevention Week.

John Klein is still ill in the hospital but is somewhat improved. (2-18-65 FLASH---from bedside. John says "Hello" and that he is feeling better and over the "humps".) per J.W.E.

At Tuesday's meeting Seton presented a Highway Safety film which was excellent. This might be used profitably by any group and especially in a Driver Training Course. How many members noticed that the old gal who caused the accident was the one who bought the chair at the opening of the film?

With the expectation that there will be a number of new members taken into the club before July 1, would it not be a good idea to make the present member who submitted the name of the prospective member responsible for the new member for one year after induction? He could educate him as to attendance, aims and responsibilities and reinforce the Rotary Information meeting. Why not have the proposer and the new member both attend the Rotary Information meeting?

On April 8 the Hillsdale Club is having a Ladies Night at the Hillsdale College Dining Room and will have as its speaker Judge Kessenger who is a nationally known outstanding speaker. Coldwater Rotarians and their Rotary Anns are invited. The tab to be $5 per person.

Next week, February 23 id the 60th Anniversary of Rotary and an effort is being made to have 100% attendance. Jesse Waldron has the program and while he isn't saying what it will be, you can rest assured that it will be interesting.

Rotary International Convention is to be Sunday, May 30 - June 3, 1965. Sunday for registration and the opening feature of the Convention will be a presentation of flags, a welcome by Rotary International Officials and Fred Waring and the Pennsylvanians. Better plan to go and see the sights of the Board Walk.

From SERVICE IS MY BUSINESS:
Many Rotarians perhaps may not understand Vocational Service and yet Vocational Service is most simple and practical, it is each man's life and occupation. By giving service to the best of his ability in his chosen occupation or profession, he is living Vocational Service. This climate of service may be harsh and discouraging. The province of Vocational Service is misunderstood when it is limited to the aims and practices of Rotarians. Vocational Service is SHARING with others who are not Rotarians. SHARING with them the ideal of Rotary. Classification is basic to Rotary membership and each Rotarian as a trustee of his classification is obligated to share with others who are not Rotarians the realization that each occupation entails a responsibility and if an undesirable situation exists or arises make every effort to correct the defect.

It has been said that keeping a secret from some people is like trying to smuggle daylight past a rooster.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

FEBRUARY 9, 1965

This is Catholic Press Month, Frozen Potatoe Month and Butter and Pancake Month. It is also National Piemento Week, National Children's Dental Health Week, Negro History Week, National Electrical Week and Raisin Bread Week.

The club has lost Don Wright through resignation this month. We hope he will return to the club at a later date.

February 23 will be the 60th Anniversary of Rotary International and the club is aiming for a 100% meeting on that date. It is easy to have such a meeting if only each person takes it upon himself to "be there". The early leavers have been very numerous lately. This is a habit that should be avoided if at all possible and as is usual it is a few who never stay for the program.

What is coming up! February 25, Dinner and Showboat at Vicksburg
March 12 & 13, Model U. N. at Hillsdale College
April 30, District Conference at Sturgis
June 11 & 12, District Assembly for Incoming Presidents

At long last something that has been a pet project of your editarian is going to come about. Many service clubs and organizations have an impressive and meaningful ceremony for new members joining the club.

If new members knew how they are selected and what Rotary membership stands for together with the obligations that they assume when they become members perhaps they might take their membership more seriously.

John Klein is suffering parotitis contagiosa caused by a virus Rabula inflans.

During the articles dealing with George Washington Carver in the ROTARIAN we have often wondered where he would have stood at present in regard to civil rights. Chances are he would have been too busy to get involved.

SERVICE IS MY BUSINESS is a small book of 140 pages that has 15 chapters dealing with Rotary. It has gone through 8 printings and 200,000 copies have been published. It is the present plan of your editarian to bring to club members a resume of one chapter in each bulletin for the next few weeks. It is good reading and each member should have one.

John Etsweiler was in Chicago recently on business.

The good doctor "Charles Bacon" did not give your editor all the facts when he announced "100 Years of Progress" as his program. We can well understand that with 100 years of family medical experience back of him he can speak with authority which he did.
Next week Seton Bovee has the program. The program? I dunno, he dunno.

Before critizing your wife's faults, remember that it may have been those very defects which prevented her from catching a better husband.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 2, 1965

Monday Feb. 1 is National Freedom Day, set aside by President Lincoln as the day on which slavery in the United States was abolished. This is International Clergy Week. This month has been set aside as National Heart Month and also as American Music Month. Today, Tuesday, is Ground Hog Day and from the sun shining, we will probably have at least 6 weeks more of winter. Thursday, Feb. 4, is the beginning of National Kraut and Frankfurter Week and Friday, Feb. 5, is the beginning of Take Tea and See Week. Sunday, Feb. 6, is the beginning of Boy Scout Week. More next week.

President Axner Olson reports that the submission of the names of prospective members is bringing about results. These names were considered at the Board of Directors meeting which was held at the hotel on Thursday noon. Maybe we will meet the objectives of R. I. President Pettingill.

President Axner also, at Tuesday's meeting, requested that the Club aim for at least one 100% meeting this year. Our club as come close but has never made this goal.

Congratulations to Rotarian Cranston Wilcox on being selected as the Coldwater Man of the Year. Many people do not know of his many activities in the community but they are many and it is only fitting he should be recognized for these.

If you are planning on attending the Vicksburg Rotary Minstrels, you had better make your reservations now as there are only 600 tickets to be sold at $4.00 per person. This seems a small number when one knows the Coldwater Rotary Shows are usually seen by about 2,500 people and the money raised is used for various community projects.

BOWLERS take notice. The Ypsilanti Rotary Club is sponsoring a tournament to be held at the Ypsi-Ann alleys on three Sundays, March 28, April 4 and 11.

The student guest on Tuesday was Larry Dunn, a senior from the Coldwater High School. He has been very active in 4-H Club work and plans to attend Michigan State University where he plans to major in Animal Husbandry.

Next week, Charles Bacon, will present his own program entitled 'A Century of Progress.' He is a relatively young fellow who did not live in the last century but perhaps he has read a lot and has seen some pictures of blacksmith shops, milking stools, hand cream separators and apple butter made in a copper kettle over and open fire. It should be interesting, knowing the good doctor.

This week Fred Culy presented George Pierce, Chairman of Public Education of the Branch County Cancer Society. He outlined the program of that organization and stressed the value of periodically having thorough medical check ups. If the Rotarians do follow his advice and get such a check up, don't expect to get it for the price of an office call and be sure to set aside at least 2 hours for it. If it is complete, it will cost you money but will be well worth the price. Try it and you will make it a regular thing. John Mathews, Crusade Chairman for this year was introduced by Harvey Bent, President of the Branch County Cancer Society.

Attendance on Tuesday was not too good, as many men have left for warmer climes but they are men that will make up. The early leaver list was pretty large for the day.

Any child that is raised by the book is very probably a first edition.

The Singingest Club in the U. S. A.

January 26, 1965

This is National YMCA Week, This month is National Colorado Beef Month, Kid-Pleasin Meal Time Month, Louisiana Yam Supper Month, Commemoration of the Beginning of the Presidency of the United States and the International Cooperation Year begins.

According to District Governor Don's NEWSLETTER for January there is no candidate for 1966-67 District Governor nominee. He will be named at the Sturgis Rotary Conference on April 30. If anyone is interested they should get in touch with Past District Governor Ed Lincoln of Marshall.

Our attendance for December was 89.29% which places us 8th in sixteen clubs comparable to ours in size. Eight clubs in District 636 had at least one 100% meeting.

Apparently District 636 is on the move for new Rotarians. The January NEWSLETTER listed 36 new members.

Do all members know that there is a Directory issued by Rotary International which lists every club in the world. It gives day, time and place of meetings. If you are going on a trip check with Ernie Luse and get the dope on the area to which you are going.

Each Rotarian must attend 60% of each meeting to have his attendance count. He must also attend 60% of the meetings to maintain his membership and if he is absent four consecutive meetings he is automatically dropped as a member.

Do you know that the first Rotary Wheel was a wagon wheel and the present keyed type wheel was not adopted until 1922. The wheel now has six spokes and twenty-four teeth. The keyway shows it to be a working gear.

On November 24, 1964 there were 11,867 Rotary Clubs in the world with about 560,000 Rotarians in 127 countries. Seventy-two new clubs have been organized since July 1, 1964.

At this time when so much is being written about our schools read what men from other countries say about the schools in the United States.

Read the article on Page 41 in the January ROTARIAN.

At Tuesday's meeting we had Leland Brubaker of the Sturgis Club as a guest. He was representing District Governor Don. At the meeting the chairmen of the four areas of service presented reports of their various committees telling of what had been done and what they hope to do before June 30. The reports were excellent and complete.

Next week George Pierce of the Branch County Cancer Society will discuss the aims and objectives of his organization.

PTA meetings may be a good thing - they give parents and teachers a chance to sympathize with each other.

This is International Printing Week, to encourage youth to enter the Graphic arts and to salute the printing industry. It is also National Jaycees Week, Franklin Thrift Week and Guitar Week. Today, Wednesday, is Grandmothers Day or Babin Denin Bulgaria when the girls are ducked by the boys to bring health.

We have received a pamphlet from Gil Schaerer of Jonesville Rotary in which he outlines a "People to People" group to visit Belgium, Sweden, The Soviet Union, Poland, Hungary and Germany from April 28 to May 18. The cost from New York for complete trip is $1557. Rotarians and Rotary Anns are both invited. A maximum of 30 people is the limit.

Recently your editor took a swing at the State Department of Public Instruction and feels justified in doing so. However, don't undersell American education. It is providing leaders around the world with eye opening discovery of what freedom really means. Our American youth will be ready for the challenge of world leadership. Rotary is helping in this in providing Scholarships and Fellowships for students. They must, however, truly know the American way of life and free enterprise.

How many Coldwater Rotarians know that Rotary was the prime force in providing help for crippled children in Michigan. It started in Ann Arbor with various members of the clubs in the state visiting children at the University of Michigan Hospital. Some members even paid for surgery and care of children from their town. The Society for Crippled Children came out of their interest and efforts.

Next week the meeting time will be given over to a club assembly. District Don Doubleday is sending a representative to the meeting and each of the chairmen of the four Avenues of Service is to report on his progress at the mid point in the Rotary year. Some will show considerable accomplished, some not so much. Have you as a committee member done your assigned task?

Last week Bert Faller presented Paul McKee who outlined the present program at the Youth Center. It is a jumping place on a Saturday night and yet the youngsters are very well behaved. Your editor and his Rotary Ann were chaperons on New Years Eve and all was quiet. Go see it some night. You will be surprised.

The February ROTARIAN just arrived and by all means read "A Rotary Reader" on Page 36.

The human brain is a marvelous thing. It starts working the moment you are born and never ceases until you stand up to speak in public.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 12, 1965

All members should read the article in the November ROTARIAN, "As Our Speaker Tonight" and take seriously the facts set forth in the article. It is unfair to a speaker to not tell him at what time we adjourn nor is it fair to cut into the time he has asked for. He may have come a considerable distance and should be treated as the 4-Way Test sets forth.

Here is a fact for "ham radio operators". There is an organization "ROAR" for Rotarian of Amateur Radio.

Where in a single magazine except in the ROTARIAN can you have such a wide diversification of reading. In the January ROTARIAN you will find articles on Ethiopia, India, United States, Tai Wan, Nova Scotia, Japan besides timely articles on Mt. Vernon, Children, clubs in action and Rotary generally. It is truly a cosmopolitan publication. Read it and pass it on.

This is Stephen Foster Memorial Week, Big Brother Week, National Winter Golf Week, Make it Yourself With Wool Week and next Sunday is World Religion Day. Locally it is Jaycee Week in Coldwater.

In line with our effort to help "dropouts" read the article entitled, "Testing T.E.S.T." on page 46 of this month's ROTARIAN.

The Four-Way Test should be familiar to all Rotarians but some of the newer members may not know that it was originated by Herbert J. Taylor who back in 1932 was given the task of saving an aluminum cookware company from going bankrupt. He had a good product to sell but so did others. He came up with the 4-Way Test and applied it to the business. The business was saved and the Test has been adopted by Rotary.

From all reports Bill Grimes' discussion on assessments was excellent and your editor heard one member say that at last assessing was being done on other than a haphazard procedure.

Again a plea when you have a program coming up please let your editor know what it is to be! This information has been requested many times in the past and this is the last warning. No dope to the editor - no dope on the program in the bulletin.

Club guests are to secure their lunch in advance of other members so be warned "you chow hounds".

Let us as we enter each Rotary meeting look around and eat your lunch next to someone with whom you have never eaten before.

The remarkable thing about college reunions is that your old classmates have gotten so bald and fat that they hardly recognize you.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 6, 1965

This is Wheat Bread Sales Month, Break a Cold Month and Pest Control Month. The book does not state which or what kind of pests. This is "Save the Pun Week" set aside to better human relationships through punnery.

Did you know that the present name of Rotary International was adopted in Los Angeles in 1922 at the 13th Annual Convention?

What does the keyway on the Rotary Wheel symbolize?

January 1, 1965 means that we are half way through the Rotary year and perhaps it might do us all good to sit back and evaluate ourselves as Rotarians. What have you as a Rotarian done for the benefit of the community, humanity or to further the aims and aspirations of Rotary? If you can name two things, you are doing better than average.

There are many kinds of Rotarians. There is the man who always sits in the same chair, talks only with the members around him who occupy the same chairs week after week and often does not know any members other than the same small group with whom he sits.

Please read the article on Page 32 of the January Rotarian.

This week the club saw pictures of a fishing trip shown by Dr. Ellis of Quincy.

Next week Duke Davidson presents William Grimes, City Assessor, who will tell us all about assessments and what we will pay in taxes.

Dear Cousin Muley:

It is about time I wrote you again as I am mad. Last week I attended a Rotary meeting and the more I think about the speaker, the madder I get. The speaker was from the Department of Public Instruction and he went on at length about dropouts from school and how it was going to be a national catastrophy unless everyone graduated from high school. He didn't tell just what a dropout was or when a student became one. When asked what the schools should be doing for the bright kid he very glibly passed it off by saying, "Don't worry, they will get along". Such an attitude from a Department of Public Instruction official is appalling. We are to try to educate the poor student and let the bright one who also may need help, go hang. The D.P.I. is years behind in its thinking and efforts and it certainly showed up at the meeting. Let us hope that someday it may lead instead of dragging its heels. Stay out of jail.

Yours,

Gully

The other day your editor spoke at a service club luncheon and was wearing a bow tie. After the meeting he was presented with a bow tie. Had he worn a four-in-hand he would have been given that type. There were about six of each from which to make a choice. When asked about this custom, the answer was that all men wear ties and the club believed in useful gifts to speakers. Not a bad idea.

A good turn is one that gets the blankets back on your side of the bed.

The COLDWATER *Rotary* REFLECTOR

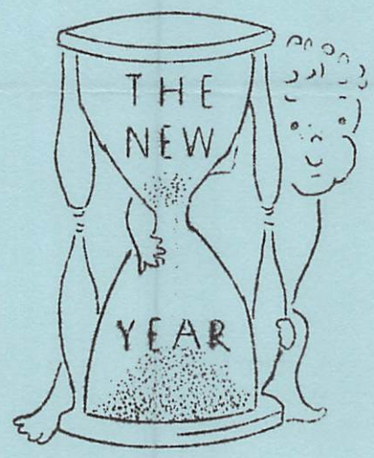
Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.



Monday, December 21 was Forefathers Day and also National Flashlight and Battery Inspection Day. Tuesday was International Arbor Day. Wednesday the Christmas Pageant of Peace began in Washington, D.C. and Saturday, December 26 is celebrated as second Christmas in South Carolina and the Virgin Islands. And for you ice fishermen Sunday is Angler's Day.

A Rotary Club is a classification club and its members have an obligation to propose qualified men to fill classifications which have been opened so that the club may be a cross section of businesses and professions in the community.

The first Rotary convention was held in Chicago in 1910 with 29 delegates from 14 of the 16 clubs in existence being represented. At this meeting the National Association of Rotary Clubs was organized. At that time there were 1500 Rotarians in the world.

This week the club heard from Walt Balcom and Al Butterfield discuss the Coldwater Student Loan Foundation. The slogan is "Dollars for Scholars" and more are needed. There are now 12 students being helped by the Loan Foundation.

Next week Cranston Wilcox will present some one from the State Department of Public Instruction who will discuss the drop out program.

What are the schools doing ~~from~~ for superior or gifted children? This is a sad area and one that urgently needs attention and the schools as a whole are dragging their feet in this regard.

Don't forget that progress reports on the years program are due early in January. Be sure and get yours made on time.

Next year we are starting on the biographies of new members so those who will be written up get your obit ready.

Parents really appreciate a teacher's hardships after a rainy Saturday.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 29, 1964

This is the last bulletin for 1964. We hope it will be a better bulletin next year.

400 years ago in 1565 St. Augustine, Florida was founded, 300 years ago in 1665 the great plague hit London, 200 years ago in 1765 the Stamp Act in the American Colonies led to riots in New England.

This is International Take a Deep Breath Month, University of Detroit Silent Record Week, United Cerebral Palsy Month, National Winter Golf Month and Rook Month. It seems that your editor gets rooked every month and now it seems a month has been set aside for just that. More later.

Visiting Rotarians included Jerry Hollister and Dwight Green from Bronson. Other visitors included several teachers; Mrs. Caroline Norton and Alfred Hamlin of the Coldwater Schools and also William French of the Bronson Public Schools. Ed Holtz, one of our Honorary Members, put in an appearance.

Grand Ledge is now 500% in Rotary Foundation contributions, Eaton Rapids and Sturgis are 600%, Kalamazoo, Charlotte and Jackson are 700%. District 636 has contributed a total of $55,435.42.

Rotary International will be 60 years old on February 23, 1965.

If the Coldwater Club is to propose a candidate for District 636 Governor for 1966-67 year his name should be submitted to Ed Lincoln of Marshall, Chairman of the Nominating Committee.

Attendance for November was 91.55% which was 5th for clubs of our size. Bronson was high with 95.67%.

On Tuesday, Cranston Wilcox introduced Dr. John Porter of the Department of Public Instruction, who is also Chairman of the Scholarship and Loan Committee, and he discussed the problem of dropouts in the public school. He stated it was not an ethnic, economic or group problem but one of nation wide scope.

Next week we will see pictures of a fishing trip to be shown by Dr. Ellis of Quincy.

Thought for the week: To be a successful Rotarian is not easy. Individual and collective efforts for the good of the community give your club a good public image. This is from the bulletin of the Rotary Club from Port Moresby, Papua.

In the business world an executive knows something about everything, a technician knows everything about something and a switchboard operator knows everything.

The last step in the admission of a new member: The Secretary fills out a new member report and forwards it to the Secretary of Rotary International.

Did you know that from Chicago Rotary spread to the West Coast and the second Rotary Club was formed in San Francisco in November of 1908 through the efforts of Manuel Munoz of Chicago and Homer Wood of San Francisco. Through the additional efforts of Wood clubs were formed in Oakland, Seattle and Los Angeles in 1909. New York City did not have a club until August of 1909 and Boston in December of 1909.

At this Christmas season try to read the article on Page 58 of the December Rotarian. So little on your part may mean a lot to someone else.

Which Rotary Club in Michigan is mentioned in "These Rotarians" in the December Rotarian?

Jeff Green was our student guest on Tuesday. Ed Uland of the Chamber of Commerce, who is leaving Coldwater in January, was also a guest as was Tom Anderson, son of Fred. He is home on leave from USNTC, Great Lakes.

The Ladies Night on December 10 was the best attended of any recent ones.

This week Don Shomo presented Yang Auh from Korea who told the club of himself and his country. It was interesting to note that he spoke of Korea as a country and not as two countries; North and South Korea. It was an excellent program.

Al Butterfield tells us that next week we will hear of the Coldwater Student Loan Foundation.

Tolerance is that uncomfortable feeling that the other fellow might be right after all.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 10, 1964

This is Human Rights Week. Universal Bible Week, and also Soumen Itsenaisyys-Paiva.

At the Board of Directors meeting on Monday, December 7, approval of a leave of absence because of health reasons was granted to Al Rice. We hope he is soon able to return to the club.

The directors of the four avenues of service: Club Service, Doug Woodward; Vocational Service, Bob Nagle; Community Service, Russ Moore and International Service, Fred Anderson are being requested to consult with their various committee chairmen to determine how far the plans they formulated for the year have progressed. This amounts to a mid-year evaluation.

District Governor, Don Doubleday, has asked for an increase in membership by each club trying to fill some vacant classifications. The Classification Committee met with the Board of Directors and went over some 23 vacant classifications. Please give this matter a good think and if you know of someone who might fill a vacant classification please submit his name in writing to President Ax Olson, or Secretary Ernie Luse.

Step twelve in the admission of a new member: The Secretary issues a membership card.

Your Editor attends many service club meetings and some of them have developed very impressive induction ceremonies. Our club has always inducted new members in a rather haphazard, sloppy procedure. If membership in Rotary is to mean much to a new member (and it should) it might help impress on the new member the obligation he assumes when he is accepted into club membership if the induction procedure was dignified, impressive and meaningful.

Last week Les Wise presented Bob White, of the Federal Mogul Company, who presented a film strip showing what an airport can mean to a city, and then he outlined the benefits of the Branch County Airport.

Members A through M ate free last week and members N through Z picked up the tab. There was not much difference between the attendance record, but it amounted to $1.50 each for the unfortunates.

Next week Don Shorno will present Yang Auh who is at present working with the Branch County Library. Yang is a graduate of the University of Seoul, Korea, and at present is working on his M.A. Degree at Western Michigan University.

The modern man drives a mortgaged car over a bond-financed highway with gas bought on a Credit Card.

December 3, 1964

This is National Prosperity Week, Monday, November 30 was Chanukah, it is also Science Talent Search Month and on Saturday, December 5 the Festival of Trees at Waikiki begins.

Step number eleven in admitting a new member: The new member fills in and signs an application card and pays the admission fee.

In the attendance contest for the month, Group No. 1 (A throughM) came out ahead and eat free next week. Group No. 2 (N through Z) will pay.

Remember Tuesday, December 8 is the last time you can make a reservation for Ladies Night on December 10. At this time 112 reservations have been made and we are requesting that those people that have season tickets see Barbara Bernall at the Theater at once to make the switch in their tickets.

At the meeting of the Board of Directors on Tuesday, it was decidéd to give $50 to the Chamber of Commerce for the Christmas project. Your editor remembers the days when various members helped individual families and kids at Christmas. It is a sad day when a check replaces a club project.

A cigar to the member who tells your editor on Tuesday who the following men were: Silvester Schiele, Gustavus Loehr and Hiram Shorey and what they were in Rotary. Also a cigar if you can tell what Harry Ruggles did for Rotary.

What was Rotary's first public project in Chicago?

There will be a Board meeting with the Classification Committee on Monday, December 7 at noon at Stukey's Inn.

When and where was the second Rotary Club in the United States organized?

Please read the article in the December Rotarian, "The Clubs in Action" and then set down and give it a good think as to what you as a Rotarian have done in the last year to further the ideals of Rotary. What was the result?

This week Fred Culy presented David Bradley who told the club of hawks and falcons and the ancient sport of falconry.

Next week Les Wise presents Bob White of Federal-Mogul who will tell the club of the benefits and influence of the local airport.
It is a wise and thoughtful wife who has a nice hot beef stew ready when the man of the house returns from a fishing trip.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 25, 1964

This is Latin America Week, National Indigestion Week, World Wide Bibly Reading Time and Speckled Trout Rodeo Time in Alabama.

Step Number Ten in admitting a new member: The Secretary sends notice ofelection to the proposer and the newly elected member.

The fourth object of Rotary is the advancement of international understanding, goodwill and peace through a world fellowship of business and professional men uniting in the ideal of service.

We note that for October Coldwater Rotary had 92.34% in attendance which places us in fourth place among the clubs having 51-150 members. Fifteen clubs had one or more 100% meetings. Augusta was high club with 98.26% for the month.

District Governor Don Doubleday in his letters gives February 25 as the date Vicksburg is to present their "Showboat", a show similar to the ones presented by our club.

District No. 636 has a Rotary Foundation Fellow for 1965-66. He is Henry M. Yaple from Vicksburg. He will study at the University of Aix-Marseille in France.

Grand Ledge is the first club to charter an Inter-Act Club in District 636. Wednesday, December 6 has been chosen as Charter Night which will be held at the Grand Ledge High School. Here is a chance for the Youth Service Committee to secure first hand information regarding this program.

Remember Tuesday, December 8, is the last day for reservations to Ladies Night on December 10.

The 1965 Model UN will be held at Hillsdale College on March 12 and 13.

We have received notice that the District Editarians are to meet at Schulers in Marshall on Saturday, December 5 for the Annual Editarian Roundup.

In the December Rotarian be sure to read "From Orchids to Peanuts". It tells of the struggle one man made for benefit of mankind.

Also in the December Rotarian there is an article "They Help the Blind to See". This is worthwhile reading. Incidentally the Jackson Lions Club has an elaborate and complete program in cooperation with inmates of Jackson Prison for the making of Braille Books for the blind.

This week Pat Patterson had a program emphasizing the Stratford Theater Project and compared it with what the Tibbits Theater might do for Coldwater.

Next week's program is undecided as yet.

Then there was the 12 year old who opined "that until we had television we did not know what a headache looked like.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

NOVEMBER 19, 1964

The third object of Rotary is the application of the ideal of service by every Rotarian to his personal, business and community life.

Step nine in the admission of a prospective member is that if no objections have been filed within ten days the proposed member is considered duly elected.

This is Diabetes Week, National Retarded Children's Week, Asparagus Week and the beginning of Holidays are Pickle Days. It is also National Stamp Collecting Week, National Farm-City Week and on Saturday, November 21, Aviation Month International Month begins.

We were glad to see Chick Kennedy after his recent illness and members are urged to send Bob Shaw at St. Joseph's Hospital, Room No. 7039, Ann Arbor a get well card.

Ladies night is Thursday, December 10 and be sure you have made your reservation by Tuesday, December 8 and be sure to pay your tab for the dinner and show. Members holding coupons may trade them in for tickets.

On Friday night President Axner Olson and Secretary Ernie Luse attended the dinner at Kalamazoo when that club observed its 50th Anniversary. President of Rotary International Charles Pettengill told of the 11,900 clubs in 127 countries with 557,500 members and the influence they have in the world. There are 200 clubs in West Germany, 200 in Italy and 640 in Japan. Contributions totaling about $13,000 were made to the Rotary International at the dinner meeting, $400 being Coldwater's contribution.

Next week Pat Patterson will tell us and show us the Shakespeare Festival at Stratford Ontario.

Attendance was down, deer hunting the reason, let us hope everyone makes up. Remember the contest A through M and Nthrough Z group for the month of November. Perhaps you may eat free on December 8.

Conrad Swart presented Shirley Welsh Morgan who was an exchange student this past summer in Switzerland. She told us of her trip and showed some excellent slides of Switzerland.

When you are green you are growing, when you are ripe you are rotten.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

NOVEMBER 10, 1964

This is Y.W.C.A. World Fellowship Week, American Education Week and Youth Appreciation Week.

Don't forget that next Tuesday is the latest date on which you can make a reservation for Ladies Night on December 9.

Step Number Eight in admitting a new member permits club members to file objections to the admission of the prospective member. This must be done within ten days.

Next week, November 15-21 is Rotary Foundation Week. The Rotary Foundation was started years ago to provide an opportunity for graduate study by students from all nations in a country of their choice. A club is considered a 100% club when it has contributed $10.00 per member toward the Foundation. Coldwater Rotary has contributed $40.00 per member and is a 400% club. On Friday night President Axner and Secretary Ernie took a check for $400.00 to the meeting in Kalamazoo which means that the club is well on the way to being a 500% club.

Appropriate of Rotary Foundation Week, Shirley Morgan will tell us of time spent in the Netherlands. Program chairman will be Conrad Swart.

At Tuesday's meeting we had two student guests, Phil Ryder a Senior and John Skudlarick from St. Charles who attended Camp Emory last summer. John told us of his experience at the camp.

Mark Andrews reported on the 4-Way Test and made some suggestions regarding how it should be used by members. Torg Skabo reported on Safety and Harold Coddington on Michigan Out of Doors.

We hear that Chick Kennedy has been ill and we hope for his speedy recovery. We also hear that Bob Shaw is in the U of M Hospital for surgery, an early recovery is hoped for.

Veterans Day was observed at Tuesday's meeting by Ed Uland's pointing out its significance and the price paid by some members of the Armed Services.

Harold Goodholm introduced Reid McClellan of the Consumers Power Company of Jackson. He outlined the varied and wide use of nuclear and atomic power not only in defense but in medicine, agriculture and manufacturing. It was rather too bad that his time was so short, it might be a good thing to have him back again and give him a full program time to outline his area of work.

No cigars passed out on Tuesday - The second object of Rotary is the recognition of the worthiness of all useful occupations and this coupled with high ethical standards allows each Rotarian to serve society. A cigar next week to the member who tells of the third object of Rotary.

In these days with all the yak about going to the left or to the right no one has memtioned above or below.

Ray Mulchahey

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

NOVEMBER 4, 1964

November has been listed as: Junior Red Cross Enrollment Month, National Kitchen Cotton Month, Raisin Bread Sales Month, Banana Fiesta Time and Winter Wonder Lamb Season. This week is International Cat Week, National Childrens Book Week and National Dish Cloth Week. More next week.

Step Number seven in the admitting of a new member is after the prospective member has consented his name is circularized to the club members with a request that any objections be submitted within ten days.

Last week there was a typographical error in the bulletin, the two teams of members are A through M and N through Z and not as given.

Your Editor did not have to buy a cigar for anyone on Tuesday, apparently no one knew that the first object of Rotary is: "The development of acquaintance as an opportunity for service." Next week a cigar to the member who can tell what is the second object of Rotary.

If you and your Rotary Ann plan on attending Ladies Night on December 10 with dinner at Stukeys, hear Glenn Millers Orchestra and meet later at Stukeys, get your name to Ernie Luse or Vince Kornstein. The tab is $15 per couple for everything.

Dick Moore outlined his Committee's plans for Competitor Relations, Will Couillard on Buyer-Seller Relations, Bob Yingling on Vocational Information and your Editor on the Bulletin.

Thanksgiving and Christmas will be coming up soon and if any foreign students are going to visit Rotarians during the Holidays plans should be in the making.

The club lost two good and faithful members by resignation on November 1. Paul Hurley and Kenny Olmsted left us. We will miss them.

Chuck Bacon stepped in the vacant spot and provided the program on Tuesday. He told us of the recent visit of his family to Salzburg and of conditions in Europe. It was most interesting and certainly it must have been a grand trip.

Ray Pitts has just returned from a vacation in the Florida Keys where he stayed near a former pirate hide out.

Community service is a stand-by and an object of Rotary. Read HELP WANTED on Page 45 of the November Rotarian. Perhaps you might be able to help some group of youngsters. How many of you have been to the Coldwater Youth Center on a week end evening? If you have not go over some Saturday when the place is jumping.

Next week Harold Goodholm will present Gerald J. Walke, a nuclear operations engineer for the Consumers Power Company of Jackson, as our speaker. He will tell us of their work in that area.

Then at the ball game the bleachers went wild and the two blonds had a fight.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

OCTOBER 27, 1964

This is National Catholic Youth Week, National Cleaner Air Week, National Pretzel Week, National Thrift Week, National Contact Lens Week, National Honey Week, and National Gifted Child Week. Can't you just see a gifted Catholic child who wears contact lenses sitting in front of an air conditioner gotten with thrift stamps eating pretzels dipped in honey. More next week.

$324,000,000,000 is the amount of the National Debt as outlined by the United States Representative Edward Hutchinson who spoke to the club on Tuesday. He went on to state that the United States debt is greater than all other countries in the world combined and most of it has come about during the life of this generation. The 88th Congress spent more money and reduced revenues more than any other Congress. Mr. Hutchinson was introduced by Mark Andrews.

Don't forget to vote on Tuesday, November 3. We don't care how you vote but VOTE.

Al Rice, Chairman of Boys and Girls Week, reported on the activities of his committee as did Al Butterfield for the Youth Committee.

Don't forget to ask your Rotary Ann about the Ladies Night planned for December 10. Dinner at Stukey's, Glenn Millers Orchestra at the Tibbits afterward and then a stop back at Stukey's. Reservations are to be made Tuesday, November 3.

Just 75% of the club membership ate lunch on Tuesday and then there were the early leavers which cut those that stayed for the program down to a poor depleted group. Early leaving is a poor habit to have.

During November the club is to be divided into two groups; the A's through the M's and the H's through the Z's with a contest between the groups for the best attendance. The losing group to buy lunch for the winners on December 15. If you are going deer hunting either make up before you leave, while north or when you return.

Next week Bert Faller will report on Buyer-Seller Relations, Dick Moore on Competitor Relations, Robert Yingling on Vocational Information and your Editor will report on the Bulletin.

The first six steps in the process of admitting a new member have been preliminary during which the prospect should not have been notified. The proposer fully informs the prospect of the privileges and responsibilities of Rotary membership and secures his oral or written permission to publish his name to the club.

When a member becomes Senior Active his classification does not change, only his kind of membership changes. He does not now represent his classification but he continues to be known by his former Classification.

How many of the members know the four Objectives of Rotary? We do not mean the 4 Way Test either. We will give a cigar next Tuesday to the first member that can give it to your Editor.

Les Woodward is presenting a speaker, Bud Abbott, next week who will tell us of guns and how they are made.

The biggest problem for traffic officers are: urban, suburban and bourbon drivers.

The Singingest Club in the U. S. A.

OCTOBER 21, 1964

This is National Forest Products Week, United Nations Week, Aloha Week and National Downtown Week. On Wednesday (today), International Whale Watching Week begins and on Saturday, National Popcorn Week begins as well as National Wine Week.

The Board of Directors has asked that all clubs be apprized that they are welcome at Board meetings and should feel free to submit suggestions to the Board for the betterment of the club.

For some meetings to come the various committee chairmen will give a two minute resume of the work of their committee. On Tuesday, October 27, Al Rice will report on Boys and Girls Week and Paul Hurley will report on Occupational Information.

Next week's speaker will be United States Representative Edward Hutchinson who will be introduced by Mark Andrews.

This week Art Lyons introduced Al Uhle who outlined the duties, functioning and responsibility of the Probate and Juvenile Court.

Vice-president Fred Culy, President Axner Olson, Secretary Ernie Luse and Club Service Committee Chairman Doug Woodward attended the District 636 Institute at Olivet College where the following were stressed: 1. Assimilation of New Members, 2. Club Bulletin Improvement and 3. Club Problems and their Solution.

Step Number 5 in admitting a new member: If the Board of Directors sustains the favorable action by both the Classification and Membership Committees the proposer is notified by the Secretary of this action. The first five steps are preliminary and the prospective member should not be notified during this procedure.

Dear Cousin Muley: - I am glad to hear that you are out of jail. Next time you try to scare a revenooer don't shoot so close, you can't shoot the pipe out of his mouth and get away with it. The other day I drove down Pearl Street just at noon and some of these Junior High School kids are going to get flattened by a car someday. They won't cross at the lights and crowd into the street in the middle of the block. If you blow your horn or come close they tell you about your ancestors, what you can do and where you can go. Someone ought to do something about it. Jay walking don't pay.
Be careful and stay out of the pokey.

Yours,
Gully

The opening of the bird season cut attendance this week. Lets hope the absentees all make up.

Charles Bacon supplied the news item this week: The Bacons spent 21 days in Europe.

Harvey Bent is to supply next weeks news item.

It is a good thing before your wife goes to the supermarket to advise her to use a little shelf control.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 16, 1964

This is National Y-Teen Roll Call Week, National Newspaper Week(Duke and Seton please note), National Fan Club Week (we don't mean Sally Rand, either), National Macaroni Week and Saturday, October 17 is Sweetest Day.

Step Number 4 in the process of admitting a new member is that the Board of Directors reviews the action of the Classification and Membership Committees and sustains or rejects their action.

Coldwater's attendance improved during September with an average of 92.19%. This puts us 3rd in clubs of membership from 51-150. Ernie tells us that for the three months - July, August and September that 29 members had 100% attendance, 18 members missed one meeting, 11 missed two meetings, 1 missed five meetings and 2 missed six meetings.

On Friday, Novemeber 13 the Kalamazoo Rotary Club will celebrate its 50th Anniversary and will have as a special guest, President Charles Pettengill of Rotary International. At this meeting several clubs will present checks for the Rotary Foundation. More dope later regarding reservations but this will be a fine chance to hear President Pettengill.

On Sunday at the District Institute at Olivet the speaker will be Past District Governor E. Kenneth Switzer from Flagstaff, Arizona and he will stress 'Service to District Governors and Clubs in the USA, Canada and Bermuda.'

Thirty-four new members to District 636 have been added since the last District Governor's Letter.

This month's Governor's Letter mentions and stresses what Rotary Clubs can do about high school drop outs. The Coldwater Club has agreed to help in this endeavor.

Speaking of high school students, read the article on Page 14 of the October Rotarian telling what Italian Rotary Clubs are doing to help the gifted child. Much has been and is being done for the slow learner and the retarded byt very little for the youngster who is a potential scientist or writer.

The news iten is that Mark Andrews recently spoke to a Rotary Club on the Constitution.

Next week's news item is to come from Dr. Charles Bacon.'

District Governor Don Doubleday's visit was a success from all reports, he had no great criticisms to make and complimanted President Axner saying it was one of the best meetings to date. In the evening about 25 members had dinner and presented the various committee reports. A thank you to John for presenting the bulletin report.

A wise politician isn't out To fool all the people all the time. He is glad to settle for a majority.

The Singingest Club in the U. S. A.

OCTOBER 6, 1964

It was agreed at the Board of Directors meeting on October 1, 1964 to pay nominal expenses for speakers. If a member has arranged for a speaker who will have travel expense in coming to Coldwater this item should first be cleared with Program Chairman, Fred Culy, for prior approval before final arrangements are made with the speaker.

All club members are invited to the dinner for District Governor Dan at 6:30 p.m. on October 13 at the Hotel. If you were absent this week and did not make a reservation please call Ernie Luse before Monday evening so that he may include you in the reservations.

This is also Fish 'n Sea Food Parade Month. Iron Housewares Month (Moores and Kerr take notice), Biscuit Muffin Month and Yambilee Month (this is promote the eating of yams). This is also Fire Prevention Week, National Child Evangelism Fellowship Week (Butterfield take notice), National Employ the Handicapped Week, National Pass the Laugh Week, National Save the Horse Week, National Pharmacy Week (McKeith take notice) and Monday, October 5 is Child Health Day. More next week.

Step Number 3 in the taking in of a new member is the Classification Committee makes a determination that a suitable classification is open and reports this back to the Board of Directors.

With the Holidays coming up sooner than you think it might not be too early to plan for the entertainment of foreign students in member's homes. Many of them are a long way from home and would very probably enjoy such a plan. Union City has done this several times with fairly large groups and everyone has enjoyed it.

President Pettengill has set as his goal three new clubs in each district and three new members in each club.

Next Week District Don Doubleday is to meet with the club at noon and then with all members in the evening for a club assembly. Let us have a 100% meeting with no early leavers. The early leaver problem is creeping upon the club again and apparently it is a relatively few members who almost never stay for a program. It is a poor habit to fall into.

Local merchants should read the article on page 19 of the October Rotarian. It tells of what can be done by cooperative effort and a facing up to the problem presented.

Miss Stella Kruizenga told the club Tuesday of her trip to Russia and her reactions to her visit. She also told of her visit to East Berlin and of the Wall between East and West Berlin. She told us that she now appreciates the way of life in the United States more than ever. Amen!

Read the article on page 14 of the October Rotarian.

Dick Moore has now become an active member. He is no longer "Honorable".

Middle age is that period of life when you are old enough to know better but young enough to keep on doing it.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

SEPTEMBER 30, 1964

First off we did not make a 100% meeting on Tuesday, September 22. Ernie Luse tells me that there were 24 members absent on September 29. If this trend continues we will be further down on the list than we were for August. Each man when he becomes a member obligates himself to either attend at his own club or to make up at some other club. Many members are very faithful in this and are 100% members but some apparently disregard this responsibility.

The sympathy of the club goes out to Web and Sue Treat in their recent loss. There is little that one can say at a time such as this.

Hats off to Chet Allemier's Rotary Ann Fay. She was chosen as the club "Woman of the Year" by her club the American Business Women's Association. Chet submitted this as his news item for the week.

Next weeks news item is to be furnished by Fred Anderson.

Step Number 2 in the process of taking in a new member if after the prospective member's name has been submitted in writing it is referred to the Classification Committee to determine if there is a suitable classification open under which the prospective member can be admitted.

This week is National Sunday School Week and "One Shot Antelope Week". October is National Lath and Plaster Month (Woodwards and Bobier take notice). Be Kind to Customers Month, Let's Go Hunting Month, National Restaurant Month and "Eggtober" begins. More next week.

Might it not be a good idea to give each new member a copy of "Service is My Business" when he is taken into the club?

This week Craig Sebald presented Mr. Parker of the State Labor Mediation Board who gave a very objective unbiased account of the processes and means by which it attempts to act as a conciliator in labor disputes. Dr. C.P. Cranson of Coldwater and who is labor mediator was a guest of the club.

Next week Craig Sebald will again have the program and is presenting a former Coldwater resident Stella Kruizenga, who has recently returned from a visit to Russia. She will show slides of her trip and tell us of life in Russia.

Nineteen new Rotary Clubs have been formed since July 1.

Tom Collins just called and is shooting for a 100% on October 6. Absentees to sing solos on October 13 and we mean solos not quartets. During November the club is to be divided into two teams to compete for attendance and the losing team is to buy lunch for the winners on December 8. It may cost you $3.00 on that date instead of the usual $1.50.

John Klein is in Dallas, Texas this week.

Read the letter written by a Vicksburg, Michigan Rotarian on Page 10 of the October Rotarian.

Fear a goat from the front, a mule from the rear and a woman with an open umbrella from any direction.

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

SEPTEMBER 22, 1964

This is a busy week. Last Sunday was "Press Sunday" and World Peace Day, and this week is National Fireplace Week, Fall Millinery Week, National Dog Week, National Sweater Week, National Tie Week, National Barefoot Freedom Week and National 4-H Club Week. Just how crazy can you get? Only 4-H Club Week makes sense to your editor but maybe he is a "little tetched". More choice ones next week.

At this week's meeting Wes Wilber presented Eddie Steele of Manchester who outlined the basic concepts, programs and aims of the American Legion.

This months"Governor's letter" gives Coldwater 17th place in attendance in the district with an 87.33% for the month of August. Tain't good. The average district attendance was 88.98%.

The week of November 15 has been set aside as Rotary Foundation Week and District Governor Don suggests that a program on the Foundation be presented at each club.

The theme of the District Institute to be held at Olivet is to be "Strengthen your Club Through: Membership Growth, Assimilation of New Members, Rotary information and Improvement of the Club Bulletin". Past District Governors are to act as leaders of the discussions.

The Board of Directors of the Club believe it might be of value to again have the steps by which a man is admitted to membership outlined. Here is step No. 1: The proposer or sponsor submits the name in writing of the man whom he believes would be a good Rotarian to the Club Secretary. No mention of the submission of his name should be made to the prospective member. That comes much later.

Rotary membership has a double responsibility - - each member gives individual service and each club is expected to give community service.

Rotary International has suggested that when a member becomes "Senior Active" it is no time for that member to lay back on the oars. The word ACTIVE is still in the classification. Do something.

It will help a lot if when a member has a program coming up in the near future he will give information to the Bulletin Editor. This week seven telephone calls or attempted calls were made to find out what next weeks program is to be. It is: Labor Mediation and Procedures. Craig Sebald will present the Chief Labor Mediator of the State Mediation Board in Detroit. In view of the strikes now on in that city this should be a timely subject.

As near as your Editor can count thirteen members are now short a family member, college opens and the fledglings all take off.

We are asking each member to submit a news item for the Bulletin each week. We begin next week with Chet Allemier who is first in the alphabetical list. Dig up your news item and pass it along to your Editor.

The bald headed man may be ridiculed but he has an advantage, he is the first in the group to know when it starts to rain.

The Singingest Club in the U. S. A.

September 17, 1964

At Tuesday's meeting Chick Kennedy presented a former Rotarian Gordon Schlubatis who has just returned to the United States following 4 years service as Agricultural Attache capacity. He spoke of the difference of farming in United States and in Turkey and following his talk there was a question and answer period.

There seems to be some confusion regarding the action taken at the last Rotary International Convention regarding the classification of Senior Active. Enactment 64-28 provides that any member who has reached 60 years or more may request to be reclassified as Senior Active. Enactment 64-29 provides that when a member reaches the age of 65 and has been a member of one or more Rotary Clubs for a period of five or more years he automatically becomes a Senior Active Member on his 65th birthday. This may clear up some of the minds of members between the age of 60 and 65 of which there are several.

"Dear Aunt Peruna: Coldwater has two of the finest parks for a town of its size that I have ever seen. Parkhurst Park and Waterworks Park but do you know that I am blessed if I can find a sign in the whole town telling where they are. It also has a new swimming beach and county park just outside of town but you would never know that it is there, no signs, no arrows, nothing. Also within five or six miles of Coldwater there are many fine lakes with good fishing but there are no signs telling you that they are there or how to get to them. Someone ought to do something about this. Maybe some club or the Chamber of Commerce will.

Gully"

William P. Klaas of the Eaton Manufacturing Company was admitted to club membership on Tuesday.

Don't forget that October 13 is the day District Governor Don Doubleday visits the Club. Why not try to have everyone stay. No early leavers at all.

District Institute is to be held at Olivet on October 18.

September is also Protein Break Sales Month. Fall Clean Up Time begins and behold it is also American Home Lighting Fixture Month. This week is Lessons in Truth Week and on Thursday, September 18 American Youth Enrollment Month begins. It is also Constitution Week. Lets set aside a week for the "Pore Common Man."

Wes Wilbur tells us that a prominent legionnaire Eddie Seele of Manchester, Michigan will be our speaker.

She knew that he knew that her father was dead
She knew that he knew what a life he had led
She knew that he knew what she meant when she said, "Go to father"

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 8, 1964

Along with other things September is "Measure Your Mattress Month", Better Breakfast Month, National Pancake Month and there will be more next week. This is also National Child Safety Week set aside by the National Safety Council, "To instill in the minds of our school children safety practices". WATCH OUT FOR KIDS.

At Tuesday's meeting the club as a whole agreed to take on three major projects. To assist the Byron E. Thomas Memorial Student Loan Fund and to assist financially with the William Timm Fund for Prospective Teachers. In addition to these two assists it was agreed to help the Tibbits Theater either financially or through furnishing of equipment.

The Rotary Show for 1965 has been set for April 8, 9, and 10 so circle your next years calendar right now. Keith Pearce is General Chairman and Duke Davidson is to be the Director.

Our attendance for August dropped to an all time low of 87.33%. This is not good for a club of our size. Usually the larger the club the poorer the average attendance percentage wise. But for us to go below 90% for two months is something new. There were eight early leavers Tuesday.

President Axner is shooting for a 100% meeting next week. There were four who were unable to make up for the September 1 meeting and they sang very nicely for us.

President has asked that all past presidents meet with him for a short time after next week's meeting.

The club received a note of thanks from the Senior Citizens Group for assisting financially in sending a bus load of members to the State Fair.

They tell us that John Dean is "Class C Golf Champion" of the Country Club. Congratulations, but what is a "Class C" player? Is he clever, is he confused or is he a classy player?

Next week Chick Kennedy is presenting a former member, Gordon Schlubatis, and his slides showing of his overseas work.

This week Fred Weeks presented an Honorary Member, Olen Fry, Mayor of Coldwater, who told of the many changes, progresses and improvements which have come about in the last several years. He commended Tom Collins very highly for the good work he is doing. It is nice to be told you are doing a good job. Mr. Fry did mention the fact that Coldwater residents did not vote in elections and although he did not say so, when this occurs you have government by a minority.

Be nice to the people who work for you, some day you might be working for them.

Ray Mulchahey

September 3, 1964

Before anyone accuses your editor and the Coldwater Daily Reporter of collusion in the matter of hay fever and the pollen count in Coldwater let me say the letter to Cousin Gussie was a coincident. Your editor became suddenly aware of hay fever as it is a family problem with the Mulchahey's.

September has been set aside as a month by many organizations some of which are: Youth Month, Child Foot Health Month, Home Quiet Month (the kids go back to school), Home Sweet Home Month (this has been set aside as a month in which soda bicarbonate is to be used). More later some of which are odder than the above list.

Wednesday, September 9 is the beginning of Child Safety Week. School will be starting next week so watch out for the kids.

Attendance during August dropped to 88.06% which places us 19th in the District. This ain't good!

October 18 has been set as the District 636 Institute to be held at Olivet College. The President, Vice-President, Club Service Director and the Club Bulletin Editor are urged to attend.

We did not make our 100% meeting on September 1. We probably will not have group singing next Tuesday as the time will be taken up by Solos by absentees. In this regard read the article on Page 63 of the September Rotarian. Making up has its disadvantages but the benefits far out weigh the disadvantages. When members join a club it is one of the obligations which they assume.

Read the article on Page 44 of the September Rotarian regarding "Auto Grave-Yards". We have three of them on roads entering Coldwater and they do not add to the attractiveness of the city.

How about reviewing something about recognizing birthdays of members. Your editor attends many service club meetings and it is almost universal that birthdays are recognized. If each member contributed $1.00 on his birthday to Rotary Foundation it would help.

Read "What Makes a Dropout" on Page 35 of the Rotarium for September.

On July 28 there were 11,806 Rotary Clubs in 126 countries with 555,000 members.

Tuesday Chuck Woodward presented a film on bear hunting. It is reported that it was excellent.

Next week Fred Weeks presents the Honorable Olen Fry, Mayor of Coldwater, who will discuss problems in city government.

John Klein tells us that when Ringo went over the cliff he wailed, "I want to hold your hand."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

AUGUST 27, 1964

Lets find out if you read your August Rotarian. Can you answer these questions? Which Rotary Club in Branch County is mentioned? Who is the new president of Rotary International? What is Aiesec? Which world famous port is pictured?

Dear Cousin Gussie: Well the hay fever season has hit Coldwater. Did you know that Branch County has one of the highest pollen counts in the United States? Did you also know that ragweed is one of the worst types of pollen for hay fever suffers? I know Michigan has a noxious weed law and yet in the City of Coldwater you will find big patches of ragweed growing in vacant lots and along the curbs. No wonder this town has a high pollen count. Someone ought to do something about this. In some towns they have. Yours for sneezes.

Gully

Don't plan to make up at Quincy on Monday, August 31. They are having a ladies night. Reading and Angola meet Monday night. Angola meets at a restaurant on the west side of US-27 just before you enter the town.

Remember Tuesday, September 1 is to be a 100% meeting. Either be there, make up or be in good voice for September 8. This is no idle gossip, you will be expected to sing. We missed a previous 100% meeting by one member. Don't be that one this time.

Rotary has often been called an old man's club. Ernie Luse has given us some statistics regarding the ages of our members:
10 or 14% are between 30 and 40 years of age
23 or 33% are between 40 and 50
22 or 31% are between 50 and 60
12 or 17% are between 60 and 70
4 or 5% are between 70 and 80.
The average is 50 years plus. Figure it out for yourself.

This week Detective Sergeant George C. Craft of the Michigan State Police was presented by Norm Moore. Sergeant Craft's program dealt with forgery and fraudulent checks.

Next week Chuck Woodward will present a film, "Black Bear and Hound Music", which shows a Northern Michigan bear hunt.

In view of the plan recently agreed upon whereby the Club is to be working to prevent "dropouts", please read the article on Page 32 of the September Rotarian. It is pertinent and timely.

The September Rotarian tells of the death of Nitish C. Laharry, President of Rotary International in 1962-63. He died on July 21 of this year. He will leave a void which will be hard to fill.

There was a time when a demonstration meant some gal coming to the door to show you pots and pans.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 20, 1964

At Tuesday's meeting exactly 25% of our Club were absent. Unless the greater part of these members make up our attendance for August it will not be as good as it was in July. That month we were considerably below the district average.

Remember the 100% meeting planned for Tuesday, September 1. Please try and plan your vacation so that you are present at that meeting or make up either six days in advance or six days after. Failure to do so will entitle the failing members to sing solos on September 8.

The early leavers list was also large on Tuesday.

Dick Biringer, Chairman of the Rotary Foundation Committee, has asked that the following information be brought to the attention of the Club members; Any member who invests $1,000 or more in the Rotary Foundation in any one year is designated as a Paul Harris Fellow. Anyone who invests between $500 and $100 within a twelve month period is named as an Honorary Member of the Foundation. Anyone investing between $100 and $500 in any one year as a memorial contribution is recognized as a Memorial Contributor. Any individual who contributes $100 in any one year is recognized as a sustaining member and a card is issued. Contributions by individual Rotarians or obtained through their efforts will be credited toward their Club and its percentage will be raised accordingly. If any member wishes to make a bequest to the Foundation, the bequest should read, "To the Trustees of the Rotary Foundation of Rotary International, a nonprofit organization for educational, benevolent and charitable purposes, with its principal office in Evanston, Illinois" - "Further the deponent saith not".

The Coldwater Club has just been recognized as a 400% Club. This means $40 has been paid in to the Foundation for each active member.

Tuesday's program with Bob Kerr as chairman was an interesting one with Pierson Moylau telling of their recent trip to Anchorage, Alaska via the Alcan Highway. From his report it was a wonderful experience and people should not be afraid to try the 4,000 mile trip.

At the Board meeting on Tuesday the Board of Directors voted to do some pioneering in the way of trying to prevent school drop-outs. The Board agreed to underwrite the plan not to exceed $100 through which a parent counselling program through the Youth Service Committee would be set up. To this committee the Coldwater Schools will refer a student and his parents whom it appears is a potential drop-out. It is planned as a pilot program. It will entail not only financial help by the Club but service by Club members who may be called upon to counsel a student and his parents. It will of necessity be a long term project which may not show many results for several years. It will be a cooperative plan with the school administration and the School Board. Take off your coat and roll up your sleeves.

Next week Norm Moore will present a program furnished by the Michigan State Police.

This is the beginning of Fall Denim Days. "To aid retailors in selling blue denim garments." What next?

Behind every successful man is a very much surprised mother-in-law.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 13, 1964

District No. 636 has a chance to suggest a candidate to succeed Cass Piotrowski as a Director of Zone 2 if it wishes to do so. However, the present Director Mr. Piotrowski can be re-elected and at the Board of Directors meeting on August 6 it endorsed the re-election of Mr. Piotrowski.

The Board also wished that it be brought to the attention of the members that if a member is absent for four (4) consecutive meetings he is automatically dropped as a member of the club. This is a rule of Rotary International and must be abided by.

Don't forget the 100% attendance meeting being aimed at for September 1. Either attend, make up or plan to come to the next meeting in good voice to sing your solo. Don't say you were not warned.

The Club on Tuesday met at the New Lincoln School and had as their guests the presidents of the various 4-H Clubs in the county. There were 45 guests of the members.

This is Circus of Summer Treats Month. It is supposed to stress the enjoyment of summer with delightful Luncheon Meats Month. Thursday, August 13 begins Spanish Green Olives Week. (What if you don't like them?) On Friday, August 14 Victory or V.J. Day arrives.

If you are a chairman of a committee and do not have your report filed with the chairman of your division please do so at once. District Governor Don Doubleday will be with the Club on Tuesday, October 13 and the various reports must be organized.

The attendance for the month of July was not good. We know many members have been and will be on vacation but when you were accepted into the membership you took on the responsibility of attending each week. Better try to keep your end of the bargain.

Would it not be a good idea to present a guest speaker, who is not a Rotarian, with one of the blue small desk "Four Way Test" stands and explain to him when it is presented how it has become the axiom of Rotary membership? Perhaps it might open his eyes to the fact that Rotary stands for something. Your editor believes that too seldom is sufficient appreciation shown to a guest speaker.

Next weeks program chairman is Bob Kerr, however, at the writing of the bulletin he could not tell us of the program.

The Club received a thank you note for the contribution to the Community Resources Workshop held this summer.

High heels we are told were invented by a woman who got kissed on her forehead.

There is nothing new under the sun, in 1589 Henry IV of France stated, "If God grants me the usual length of life, I hope to made France so prosperous that every peasant will have a chicken in his pot on Sunday." Then in 1928 the Republican Campaign slogan was "a chicken in every pot."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 6, 1964

We note that we have lost some members in the past few months leaving some open classifications that can be filled. Sit down and canvass your friends and see what results. Maybe nothing, maybe something -- but it is worth a try. You might be surprised!

The club at Tuesday's meeting heard a "thank you" letter from the Anchorage, Alaska Rotary Club for the help given that club. It was needed as a result of the recent earthquake in that city.

The South Haven Club has a good plan; each new Rotarian is taken by an older Rotarian to visit another club so as to show the new members how easy it is to make up. Many new members feel a little strange when they first visit another club.

From August 1-7 is Eisteddfod (look it up to see what it is). This is National Clown Week. Ask John Walker about the Clown Club of America. August is also National Sandwich Month and also Autumn Harvest Lamb Season. The day you receive this will be International Character Day promoted by the International Association of Characters. Does anyone know how you join?

When you get so you can keep up with the Jones' it is time for you to move.

Tuesday we heard from Teeter & Company. (Perhaps it might be Teeter-Totter) Bob being the Teeter and Howard the Totter. Anyway between them they presented one of the best programs the club has ever had. We learned a lot of how a national party convention is run and some of the behind the scenes politicking that goes on in caucuses and the influence of individuals in such matters. . . .

Next week is 4-H Fair Week and the club will have lunch at the new Lincoln School. Club members are to have a 4-H Club members as a guest and then following lunch members can either visit their guests' exhibit at the Fair or have a look at the new Lincoln School which will be opened for school in September.

Paul Harris must have been quite a man. Recently in an old Rotarian magazine we ran across a quote from his book MY ROAD TO ROTARY in which he spoke of his wife, Jean. He wrote, "Queen of the fireside and tea table at "Comely Bank" is my lady Jean. I am indeed a fortunate man." What more can a man say of his wife?

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 29, 1964

Our attendance has not been too good lately and I am wondering if we might try the scheme outlined on Page 51 of the August ROTARIAN as used by the Pelham, Georgia Club. I can just see one of our very dignified sedate members taking home a goat for his Rotary Ann to babysit with.

One good man on earth is more valuable than the best angel in Heaven.

If any of our members or their youngsters or grandchildren are stamp collectors, the Flushing, New York Club has sponsored a World's Fair Stamp. Write to the Texas Pavilion of the Fair and send $1.00 for the set of three stamps. These show different events in the history of Rotary.

Could our Club consider sponsoring a college student to go abroad for a summer as outlined in the article on Page 18 of the August Rotarian? If the Club could not bear the whole cost perhaps it might join with another club or help toward the expense of such a project.

Motivation is a word frequently used in some professions and should have a special meaning for Rotarians. It deals with that quality or desire within the individual rather than without which incites him to action. It is the idea, need, emotion or organic state that prompts to an action. Motivation is needed in order to get Rotary ideas, plans or projects under way. You can't buy, beg, borrow or steal it. You generate it all by yourself.

Sixteen golfers made their weary way back from the golf tournament at Benton Harbor on Monday night. None of them will be eligible to compete in the World Rotary Tournament at St. Andrew's in Scotland in September. We hear they did not win a single prize or trophy. It appears they had a good time but it profited them nothing.

The Reverend Harrington was introduced to the Club this week by Bob Rumsey, Program Chairman. Reverend Harrington showed slides and told of his recent trip through the Holy Land. We have heard some comments as to the excellence of the program.

We have been unable to learn just who is to tell us of the Republican National Convention next week. We do know it will be a Teeter. Whether Howard or his son, Bob, will do the honors we have been unable to learn at this time. Howard is in New York and could not be reached.

Today your editarian becomes a Senior Active and becomes eligible for all sorts of benefits. I don't feel a day older than I did yesterday.

Friday, July 31 is the beginning of Sea Food Festival Month. Apparently you now eat oysters in all onths and not only those in which an "R" occurs in the name. Progress is wonderful.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 22, 1964

First, your Editor wishes to apologize for the unfortunate happening with regard to the report on Byron Thomas. The bulletin was written, printed and ready for mailing before he learned of the death of Byron. We reported he was ill but did not know that he was critical. Byron was a good Rotarian and will be missed. The sympathy of the Club goes out to Mrs. Thomas and his two daughters.

No wonder Ernie Luse had a good time at the Convention in Toronto. To see what he saw, look on Pages 34 and 35 of the August ROTARIAN. We only wish we had been there.

Dear Cousin Muley:

Recently I found a copy of CHASES CALENDAR OF EVENTS. Did you know that July is National Hot Dog Month, National Odor Control Month, Rye Bread Sales Month, National Iced Tea Time and Pickles for Picnics Time. This week is National Farm Safety Week, National Pet Week and National Rabbit Week. I suppose last week should have been Republican Week but I did not see it mentioned. I received my fall tax bill this week and then the week of April 15 I will get hit again. I propose that we have a National Tax Payers Week sometime. Can you tell me where I should write to get the project under way? I think it would be a great idea, don't you?

Your Cousin Gully

With Ken Leavenworth as program chairman the Club heard Roger Ashley of the State Highway Department tell of the economic value to communities of the expressways and how property adjacent to the expressways increase in value as they are built. This may be true, but what about the losses in towns that die on the vine when they are by-passed by an expressway. Drive Old US-16 from Lansing to Detroit and see what has happened.

The Quincy Club will not meet next Monday noon so don't try to make up there. Jonesville meets Tuesday night and Reading and Angola meet Monday nights.

According to District Governor Dan, Rotarian Leland Brubaker of the Sturgis Club has been named as Governor's Representative to assist the Coldwater Club in any way possible.

Don't forget that the winner of the District Golf Tournament to be held at Benton Harbor on July 27 will be eligible to compete at the World Rotary Golf Tournament to be held at St. Andres's in Scotland in September of 1964.

We hear that District 636 is to have a Rotary Fellow attending Western Michigan University at Kalamazoo this college year. He will be available as a speaker later in the year.

Governor Don's letter tells us that a Rotary Institute is to be held in September, probably in Kalamazoo. More about it later.

Next week Bob Rumsey is program chairman and will have as his speaker the Reverend William A. Harrington, who will show slides and tell of his recent trip to the Holy Land.

We haven't seen Howard Teeter since his return from the Cow Palace but we understand he is to tell us of his experience soon.

A bad habit cannot be tossed out the window, it must be coaxed down the stairs a step at a time.

ROTARY CLUB OF COLDWATER, MICHIGAN

July 15, 1964

The Rotary International Convention passed several proposals which are of special interest especially to the Classification Committee. They are:

1. Any Active member who has had 10 years of active membership may choose to become a Senior Active member when he reaches his 60th birthday. Previously, it was 65 years of age and 15 years as an Active member.

2. An Active member at the age of 65 years automatically becomes Senior Active if he has had 5 or more years of Active membership.

3. Any club may accept as an active member more than one Protestant minister. In other words more than one denomination may be represented in the club.

The above changes will open up several new classifications in the Coldwater Rotary Club.

Tom Collins reports that we are aiming at a 100% meeting for Tuesday, September 1. Please make your plans accordingly. If you are not present on that date or do not make up you will be expected to sing a solo for the club at the meeting on Tuesday, September 15. Don't say you were not warned in advance.

We don't usually plug the project of another service club but the Exchange Club and the Melody Riders Saddle Club, Inc. are sponsoring an outstanding horse show on Saturday, Jluy 25 and Sunday, July 26. The proceeds to go toward club projects.

This week we heard Bob Giles, Executive Director of the Junior Achievement program in Battle Creek. We understand that some of the committees of the Chamber of Commerce are interested in starting such a program in Coldwater. Mr. Giles told of the start of the J. A. Program in 1919 and of how it has spread. The program runs from September through most of the school year and is aimed at showing young people from 13-19 years of age how a corporation is formed, it's operation, accounting and how liquidation is done. There are at present 17 J. A. projects in the Battle Creek area. It's objective is to demonstrate the value of free enterprise in a competitive business world. Fred Culy was the program chairman.

We are sorry to hear that Byron Thomas and Gus Burandt are both guests of John Etsweiler at the Community Health Center. We hope that they are out again soon.

The poor businessman was complaining that his psychiatrist charged him $25 an hour to listen to him. He went on to say that when he was a boy they used to say, "A penny for your thoughts."

Congratulations to Fred Culy on being appointed to the City Planning Commission, also to Ken Putnam on the renovation of his place of business.

Next week Ken Leavenworth brings us Mr. Roger Ashley, Director of Economic Studies for the State Highway Department. His topic will be, HIGHWAY IMPACT ON ADJACENT PROPERTY VALUES. This should be very interesting with the new expressway expected to pass Coldwater within the next year or so. Your editor will not be here to hear of this, he is speaking Tuesday noon to the Berrien Springs Rotary Club.

ROTARY CLUB OF COLDWATER, MICHIGAN

July 7, 1964

"Live Rotary" - This is the request and advice of President Charles W. Pettengill of Rotary International. By "living Rotary" he means sharing Rotary and in this way each of the 11,700 clubs will represent a cross-section of it's community. There are any number of ways that by this means better business relationships, competitor relationships and world relationships can be improved.

President Pettengill, as stated in last week's bulletin, is a lawyer, a former President of the Connecticut State Bar Association and a former member of the Board of Governors of the American Bar Association. He is a former President of the Greenwich YMCA, elder of the First Presbyterian Church and President of the Brunswick School for Boys. He is married and has a son who is a Rotarian and who lives in Greenwich. In his spare time President Pettengill is an amateur musician and plays with a banjo ensemble "Pettengill's Petunas". More next week.

If the Outgo is more than the Income what will the Outcome be?

Tuesday's program with Howard Teeter as chairman was an outstanding one and one that will long be remembered. He presented Dr. Theodore Wilkinson, sociologist from India, who told the club of Hinduism and it's all embracing faiths and the operation of the caste system. His speech was interesting, informative and scholarly. He is doing research in Hillsdale County with the "non-church groups." This is his second trip to the United States - he spent some time in the Carolinas about ten years ago.

The club is getting a little negligent on greeting guests as several stood around by themselves and no one spoke to them at Tuesday's meeting. We don't know who is on the Hospitality Committee but a little more effort would make guests more comfortable.

Last week we mentioned "Scholarships". This week we made up in Angola and that club has such a fund. The club has helped some 15 - 20 students through college. There is now about $4,750 in the fund which is a revolving one. The loans are made and then when repaid the money is available to some other student. Think it over.

Marriage is like a railroad sign: You see a lovely girl and stop. Then you look! After you are married, you listen.

Henry David Thoreau once wrote, "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears, however measured or far away". This is especially true of Rotarians---- their fields of interest vary and their efforts may go in many directions, let each one do his bit even though it may be different.

Next week the program with Bob Giles of Battle Creek as the speaker will deal with the "Junior Achievement" program. There is a movement afoot to get this started in Coldwater, so listen carefully.

While India is fresh in your mind read the article, INDIA INVESTMENT, in the July Rotarian on Page 24.

A tip of the hat to Chuck Schmitt for an excellent financial report.

ROTARY CLUB of COLDWATER, MICH.

July 1, 1964

This is the swan song bulletin for the 1963-64 Rotary year. July 1 marks the beginning of the new year with new officers at all levels; Rotary International President, District Governors, Club Presidents and Board Members. We believe that President Clyde has had a good year and been a good President. A tip of the hat for a job well done. Our new Club President Axner Olson takes over and will be President until June 30, 1965.

From the July Rotarian we learned that District 636 together with District 460 in Canada, in which Coldwater is located, is paired with District 445 which is in South America and includes part of the country of Peru.

Don Shorno certainly will remember this birthday just passed. Cheer up Don, the next 50 years will be harder but don't worry about it.

The new president of Rotary International is Charles W. Pettengill of Greenwich, Connecticut. A lawyer and a man who has had a wealth of experience in law, penology and a Rotarian since 1931. He was President of his club in 1936-37, District Governor in 1938-39 and a Vice-president in 1944-45. He asks that each club bring in three new classifications in 1964-65 and that each District bring in three new clubs during the year. More about him next week.

Some of the projects which might bear consideration by the Club would be the recognition of new citizens when admitted to citizenship. They might be club guests at a luncheon and some notice taken of them.

Another project is having as Club guests or as house guests some of the foreign students attending nearby colleges, especially at Holiday time. The small Union City Club has done a tremendous job in this area.

With all the talk about discrimination and the "war on poverty" do the Club members realize that some of the Indian children at Athens cannot attend school because they do not have clothes or shoes. Your editor is trying to work out a plan with the Lions Clubs of Calhoun County to get glasses for several of them. It might be a good project to gather clothing and shoes during the summer so as to have them available when school starts. Who is to be Boys and Girls Activities Chairman for 1964-65?

Copies of the Report of the Toronto Convention are available at $2 per copy. Secure them from Rotary International in Evanston, Illinois.

What about establishing a small scholarship for a local high school student? Two hundred fifty dollars might be just the amount that might enable a boy or girl to go to college.

For members who are selling to the public read the article on Pages 20 and 21 of this month's Rotarian entitled "CONSUMER - KING OR FIGUREHEAD?" With new competition coming into Coldwater at a rapid rate it might be worthwhile.

With the new expressway to replace US-27 sometime in the future should an effort to have the state build a permanent information center at the state line be made? Think about it. Branch County gets a lot of vacation trade.

Last Tuesday's program was furnished by Harry Joseph, who presented fellow Rotarian Dick Biringer. Dick discussed the matter of wills as they pertain to an estate planning, family planning and tax planning. He considers it generally advisable that a person should have a will as a means of best reflecting his intentions for disposition of his estate. The program included a question-answer session.

Next week Howard Teeter is presenting Dr. Wilkinson, a Hindu who is doing research in Hillsdale County. He will discuss Hinduism and the caste system. He is an excellent speaker and everyone should hear him.

The Singingest Club in the U. S. A.

June 24, 1964

Last Tuesday's program with Mac McKieth was a cooperative affair with Casey Medendorp introducing Frank Johnson, Safety Director for the General Telephone, as the speaker. Mr. Johnson spoke on highway safety and how seat belts can save lives. He stated that 894 people had been killed in 1964 in Michigan traffic accidents up to June 20th and unless this trend is stopped, over 2,500 will be killed this year in Michigan. This is 139 more than were killed in the same period in 1963. He showed a short film demonstrating what happens in car collisions. He went on to say that if drivers observed two simple precautions, accidents would be curtailed--(1) keep a safe distance behind the car ahead and (2) signal what you intend to do so as to warn the driver following you. An excellent program.

It would appear that if Michigan would follow the practice in Connecticutt that accidents could be cut drastically. More severe penalties for drunken driving, reckless driving and lifting the driver's licenses for repeated offenses would go a long way in correcting traffic accidents.

The net profit on the Rotary Show this year was the best yet----$2,487. This was due mainly to two things ---no rent as in previous years and also due to the Woodward Company donating the set to the Tibbits Theater. In past years, the Club has born this expense. ----A tip of the hat to the Woodwards.

Next week's program is being furnished by Harry Joseph. He was not available to tell us what it will be.

Read the article on schools in the June Rotarian. It deals with the use of schools on a year around basis and presents the pros and cons of the matter. Many colleges are going to a year around program due to the pressure of student numbers. The high school in Coldwater is used during the summer but not the grade schools.

The new president of Rotary International after July 1 will be Charles W. Pettengill, an attorney from Greenwich, Connecticutt. Next month we will have more information about him.

The Rotary Foundation got a financial boost recently when the widow of Paul Harris died. Jean died and the trust fund Paul had established was given to the Foundation. This amounted to $39,295. Paul's efforts will carry on for many, many years.

If you did not realize Rotary is world wide, take a look at the picture on page 10 of the June Rotarian.

Take a look at your Rotary Pin and you will notice one thing ---you may have to use your reading glasses but the center has a keyway showing that the gear is a "working gear."

The Club on Tuedday, recognized the loss of Guvarie Coffman. He had lived a long and useful life. We well remember the program several years ago when we presented "This is Your Life" on his birthday. He will be missed.

The Rotarians and their Rotary Anns who attended "The Solid Gold Cadillac" report "a fine time was had by all." There were about 50 who had dinner and saw the show.

The regular bulletin paper is being used up with this issue, hence the new color and format is being used for part of this issue until the new ones are printed.

Politically speaking, Thomas Nast, a political cartoonist, originated both the elephant and the donkey as symbols of the political parties in 1874.

Did you hear of the man taking a lie detector test who said "It may not be the truth as THAT sees it, but it's the truth as I see it."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Tuesday, June 16, 1964

This item is of interest for all Rotarians and their Rotary Anns. Next Tuesday night, June 23, is to be "ladies night." Dinner at Stukey's Inn followed by attendance at the "Solid Gold Cadillac" playing at the Tibbits Opera House. The tab for dinner and show is $15.00 per couple. If any Rotarian has season tickets, they may be turned in for tickets in the section reserved for Rotarians. If this is done, the cost of the dinner is $8.00 per couple. Here is a chance to have a good dinner, see a show, and have a good time. Rotarian John Walker, we understand, is to have a part.

There will be a regular meeting, as usual, on Tuesday noon.

Ernie Luse gave a short report of the Rotary International Convention which he attended in Toronto recently. 14,600 were in attendance. It was the third time it has been held in Toronto, being there in 1924, 1942 and in 1964. He reported that outstanding speakers stressed the fact that Rotary has succeeded and spread because of mutual understanding. Two important changes in the by-laws will have a marked effect on club membership ---(1) Any member 60 years old who has been a member for 10 years can become a Senior Active and (2) any member 65 years old who has been a Rotarian for 5 years becomes a Senior Active. These changes will allow for considerable club growth.

Coldwater Rotary is now a 400% club in regard to Rotary Foundation. This means $40 has been contributed for each member to Rotary Foundation.

July 27th has been set as the time for the Rotary Golf Tournament to be held at Point O' Woods Golf Course at Benton Harbor. If you are interested, get in touch with Duke Davidson immediately as the number of players is limited to 180.

Jesse Foster, the Scout Executive for the Notawa Trails Council Boy Scouts, was the guest speaker and told of the failure of the Branch County Community Chest to provide the funds which he believed necessary to support their program. Your editarian believes that he did not tell the whole story since there are several factors dealing with the allocation of funds which he omitted.

Did you know Rotarians are not members of Rotary International? The Rotarian is a member of his local club and the club is a member of Rotary International.

Did you know that there was another Wizard of Kinderhook? He was Martin Van Buren, President from 1837 - 1841, and was referred to as the Wizard of Kinderhook because he was such a clever politician and was born in Kinderhook, N. Y.

Father's Day, June 21st this year, started in 1910 and was the idea of a widow, Mrs. John Bruce Dodd. The rose is a symbol of the day.

NEXT WEEK --the program with Mac McKeith as chairman, will feature Frank Johnson of the General Telephone Company and will deal with safety.

Do you remember when the village square was a place and not a person?

Squarely,

Ray

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

The Coldwater Rotary Club has lost a good editarian as well as a good Rotarian. Don Harris is leaving on July 1 to start a three year residency in psychiatry and hopes to become a "sure enough head shrinker" by so doing. The best wishes of the Club membership goes with him.

Hereafter you have a new editarian or rather a retread called back to the job. He will expect help from all members in furnishing news items and anyone who gripes, finds fault or critizes gets to write the bulletin for the following week.

Very soon we will be doing biographies on the new members of the Club. New members please get your vital statistics in order so we may have the facts regarding you, your Rotary Ann and your offspring available.

Last Tuesday there were twenty members absent and they missed a good meeting held jointly with the Kiwanis, Exchange and Lions. The only thing missing was a group from the B & P.W. and the A.B.W.A. and perhaps that group may feel slighted since the clubs were honoring Mrs. America and Mrs. Original America. When President Clyde recounted the various projects and accomplishments of Coldwater Rotary it was an impressive list.

Harvey Bent has next weeks program and we understand that Jess Foster, Scout Executive for the Nottawa Trails Council of the Boy Scouts of America is to be the speaker.

Dear Cousin Muley: You danged fool you should know better. Cousin Martha told me you were in the hospital after piling that heap you call a car against a tree. Haven't you learned that driving some of the wrecks that these young hot rodders tear around town in above 25 miles is dangerous. I'll bet you did not have a seat belt let alone have it fastened if you had one. Some of those wrecks 20 years old should be taken off the roads. Hope you're able to get out on crutches soon. Yours,
Gully

There are now 11,732 Rotary Clubs with 549,000 members in 125 countries. Since July 1, 1963 there has been 188 new clubs formed.

Bill Bobier got himself elected to the school board last Monday - congratulations or condolences are in order - it all depends on how you look at the job.

Then there was the father who said we tried to build character in our kids and all we raised were three characters.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JUNE 4, 1964

YOU MAY HAVE GATHERED FROM MY LAST BULLETIN THAT I THOUGHT IT WAS MY LAST. I THOUGHT THE ONLY PERILOUS THING I WAS DOING WAS RUNNING BACK AND FORTH TO HILLSDALE UNDER THE SCRUTINY OF THE MICHIGAN STATE POLICE AND THE NATIONAL GUARD, HOWEVER, LO AND BEHOLD, VARIOUS SCRAPS OF PAPER LAND ON MY DESK AND I FIND OUT I HAVE TO WRITE A ROTARY BULLETIN. NOT ONLY WRITE IT BUT GHOST WRITE IT. I LOOKED AT THE LIST OF ABSENTEES AND EVEN THOUGH IT WAS SMALLER THAN USUAL I AM NOT EVEN LISTED AS BEING ABSENT - BUT I WAS - SO CHICK, AT LEAST, MUST BE CONVINCED THAT I NO LONGER BELONG TO THE COLDWATER ROTARY CLUB. BE THAT AS IT MAY, THOSE WHO DO BELONG TO THE ROTARY CLUB, AS A MAJORITY, WERE PRESENT THIS WEEK AND AS SUCH THEY HEARD A GENTLEMAN BY THE NAME OF ARIE VANDERMEER WHO IS OFFICE MANAGER OF GENERAL CABLE IN QUINCY. HE SPOKE OF HIS EXPERIENCES IN THE UNITED STATES SINCE HE CAME TO THIS COUNTRY SOME EIGHT YEARS AGO (HE MUST HAVE COME FROM HOLLAND WITH A NAME LIKE THAT BUT NOBODY TOLD ME FOR SURE. THIS IS ONE OF THE TRIALS AND TRIBULATIONS OF BEING A GHOST WRITER.) HE SHOWED SOME SLIDES OF VARIOUS THINGS IN THE OLD COUNTRY AND GAVE A HUMOROUS TALK ON HIS EXPERIENCES AS AN IMMIGRANT ALONG WITH SOME OF THE MORE SERIOUS SIDES OF THIS MATTER. I THINK I REALLY MISSED A VERY NICE PRESENTATION. JOHN KLEIN WAS THE PROGRAM CHAIRMAN.

NEXT WEEK CAPTAIN FROSTY NEER IS THE CHAIRMAN AND SHOULD HAVE A REAL EASY TIME OF IT. THE MEETING IS CANCELLED OUT AT THE ELKS TEMPLE AND ROTARY, AS WELL AS THE OTHER SERVICE CLUBS OF COLDWATER, WILL ALL GO OVER TO THE MASONIC TEMPLE FOR A NOON LUNCHEON HONORING MRS. AMERICA. THE DIFFERENCE BETWEEN THIS MRS. AMERICA AND MISS AMERICA IS THAT THEY HAVE TO KNOW HOW TO COOK, TOO. THIS WILL BE AT 12:00 INSTEAD OF 12:15. BOB KERR PLEASE NOTE.

THERE IS A TREMENDOUS SUPER COLOSSAL LADIES NIGHT COMING UP ON TUESDAY, JUNE 23. THIS WILL BE THE PREMIERE OF SUMMER STOCK IN THE CITY OF COLDWATER AT THE TIBBITS THEATRE AND THE ATTRACTION WILL BE "THE SOLID GOLD CADILLAC." IT IS GOING TO WORK OUT SOMETHING LIKE THIS. YOU WILL HAVE DINNER AT THE STUKEY INN AND THEN GO TO THE SHOW JUST LIKE WE DID WHEN WE WENT TO THE "PAJAMA GAME." DOCTOR BACON IS THE CHAIRMAN OF THIS LITTLE CAPER AND YOU MAY MAKE YOUR RESERVATION BY CALLING 279-9581. CHUCK WOULD LIKE THE RESERVATIONS BY THE 16TH. Rotary Ann Tickets

THE CLUB HAS VOTED TO GIVE $400.00 TO THE TIBBITS THEATRE FOUNDATION, $100.00 TO AID IN THE RECENT CATASTROPHE AT ANCHORAGE, ALASKA, AND $100.00 TOWARDS SUMMER SCHOOL SCHOLARSHIPS. THIS WAS APPROVED 100% BY THE CLUB MEMBERSHIP.

I AM TOLD THAT BOTH JESS WALDRON AND WARREN WILLIAMS HAVE JOINED THE RANKS OF SENIOR ACTIVE. THIS ISN'T WHAT JESS WALDRON CALLS IT BUT THIS IS THE OFFICIAL NAME.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 30, 1964

Our program this week was devoted to a fresh-air tour to the Woodward Gravel Operation. Chuck Woodward acted as Interlocutor, and I can certainly see where this could be quite a spectacular operation, or a dull one if there is a break-down. Brother Doug was operating a small side-show of his own, showing what you can do with some of the local stone and a lapidary wheel. Some of these little stones polish up quite beautifully, and I think most of us could have more fun with this than we could with the gravel and sand. Anyway, it was an interesting tour, and being that Chuck lives right, we didn't have a rain-out. I've said it before, and will say it again, that some of our most interesting programs have been tours of local industries.

Next week, John Klein will have the program. He is inviting a friend of his who is going to make a talk on the trials and tribulations of an immigrant coming into this country. Recently having unwound a bit of red tape that our State Department can enmesh people in, I can see where this will be be quite entertaining.

This is probably the last meeting which I will be attending as a member for some time. I am hopeful that I will be able to revisit the Coldwater Club in the next few years. I have certainly enjoyed my association with the organization, and hope that I have been of some help in some small degree. I will miss Rotary about as much as anything in Coldwater--it has been real kind to me. I've done about everything in the organization except to be either Secretary or Treasurer. If these had been offered, am afraid I would have had to violate some of the rules of Rotary and turn them down. Almost everything else has been fun. Of course, life being what it is, fun is where you can find it.

In the work I am going into, I am going to try and relax and enjoy it to its utmost. It will be a three-year working-training period. Plan to get myself a sack of 36 marbles. Every month, I'll throw one over my left shoulder, and when I've lost all my marbles, I'll be a psychiatrist.

LAST WEEK WE HAD THIS BARBEQUE ALONG WITH EVERYONE ELSE AS PART OF THE MICHIGAN WEEK OBSERVANCE. I THINK WE, AS WELL AS MOST OF THE OTHER SERVICE CLUB MEMBERS, ENJOYED THIS LITTLE BIT AND I THINK MOST EVERYBODY GOT THEIR KNIFE AND FORK WORK IN BEFORE IT RAINED. THIS CAT DOESN'T NORMALLY GO IN FOR THE CHICKEN BIT BUT THIS WAS PRETTY WELL DONE. I GET A LITTLE BIT NOSTALGIC FOR THE TYPE OF CHICKEN WE USED TO RAISE WHICH WENT BY THE NAME OF PLYMOUTH ROCK AND I THINK RAISED BETTER MEAT BECAUSE IT HAD TO FEND FOR ITSELF, SCRATCH IN THE MANURE PILE, CHASE GRASSHOPPERS AND DODGE HAWKS. MOST OF THESE MODERN CHICKENS ARE UNFORTUNATELY RAISED ALMOST UNDER LABORATORY CONDITIONS. WELL, ENOUGH OF THAT. WE DIDN'T HAVE ANY PROGRAM, THEREFORE, THE EARLY LEAVERS GOT A LITTLE BIT CHEATED. THERE WERE A FAIR NUMBER ABSENT AND WE CAN ALWAYS HOPE THAT THEY MADE UP SOMEWHERE. IT ISN'T GOING TO BE A PROBLEM WITH ME MUCH LONGER BECAUSE I THINK I ONLY HAVE ABOUT TWO MEETINGS LEFT WITH THIS CLUB AND I AM GOING TO MISS YOU ALL.

NEXT WEEK CHUCK WOODWARD IS GOING TO BE THE MASTER OF CEREMONIES AND HE IS GOING TO CONDUCT A LITTLE SAFARI TO THE JUNGLE WEST OF TOWN. I THINK WE ARE GOING TO MEET GRAVEL GERTIE AND I WOULD ADVISE HAVING TRANSPORTATION AVAILABLE AND SHOES YOU CAN WALK IN. I THINK THIS IS GOING TO BE A REAL INTERESTING PROGRAM.

I HEAR THAT CHUCK BACON HAS BEEN SICK. I WONDERED WHAT THE VULTURES WERE PLAYING AROUND THE THIRD WARD FOR.

Tuesday we had a program which we could classify under World Affairs. Pat Patterson secured Mrs. Alice LaBour, who is Executive Secretary of the World Affairs Coordinating Council. She talked on the International Visitor program, which is simply back and forth visiting on a global basis. You will remember that we had some German students here several years ago, and since that time, similar programs have been set up for students from almost every country. You might think this is just a drop in the bucket when you realize how many people are around this world. However, most of the students who come to this country to learn about our way of life and democracy are from a class of citizenry that will be involved sooner or later in government in their own country. Maybe if we keep up this program long enough in enough places we can get the point across.

Next week, don't go near the Elks Temple because we aren't going to be there. We will do as last year--that is, meet in the park to the southward of the First Methodist Church. (As long as I have gone this far in advertizing--to the westward of a certain leading mortuary by the name of Putnam) I don't believe we are going to have a formal program. However, there will be a barbecue as part of the Michigan Week observance.

We were happy to hear about the proceeds of the Rotary Show, and to know that we probably had the biggest financial take that we have ever had. I don't know how much went down the drain in expenses, but presume this figure will be forthcoming soon. Unless I am terribly mistaken, we did better than we ever have before.

Spent a little time last week with the natives on the Island of Manhatten, and feel this does much to recommend the country life. I think if one doesn't go to this island more than about every 10 years one can kind of forget between times. Really, this reminds one of an ant hill. If you just must go, I recommend the World's Fair. Get there early and join the line of your choice. Wear your most comfortable pair of shoes.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

MAY 9, 1964

LAW DAY: Dick Biringer introduced fellow attorney, Art Lyon. Art in an excellent manner made the law "Come Alive" for us. He described the fascinating background of our National Constitution and the little known but phenomenonal operations of two great patriots, Alexander Hamilton and James Madison. He emphasized the vital need for respect for our Judicial System upon which American Democracy depends and pointed out the purpose of informed, intelligent criticism. This all contributed to a thought provoking program.

WORLD AFFAIRS: Next week Pat Patterson brings to our club Mrs. Alice LaBour, Executive Secretary, World Affairs Coorindating Council, to talk on the International Visitor Program. The title envisions a most interesting discussion: "People to People."

ROTARY INTERNATIONAL: Our Club will be represented in Toronto by Chick Kennedy and Ernie Luse this June. May you have a fine trip, fellows, and bring us some "Rotary Gems" for the coming year.

TWO DATES: May 19 in support of the Chamber of Commerce Michigan Week Chicken Barbecue we'll meet at the site and indulge in a little 'fowl play' ('scuse please!). As Confucius say: "Temptation often overcome known fact: pun easiest way to lay bad egg!" Oops.....(Typist's note: Three more so-called "humors" here deleted as act of mercy.)

June 9 Mrs. America's visit to our town will be celebrated jointly by the Service Clubs. More on this later but we should ALL plan to attend and give this beauty a warm welcome to Cold Water (He's at it again!).

DEARLY BELOVED, HERE WE ARE WRITING A WEEKLY BULLETIN PRETTY MUCH BY REMOTE CONTROL WITH HELP FROMCRAN WILCOX. I THINK MAYBE THIS MIGHT BE INTERPRETED AS GHOST WRITING. WHAT WE ARE TRYING TO GET AT IS WE DID NOT ATTEND THIS WEEK'S MEETING BECAUSE WE WERE HAVING LUNCH WITH A PSYCHIATRIST. THIS IS PERFECTLY ALL RIGHT NOW THAT I AM ABOUT TO JOIN THE FOLD. YOU DID HAVE A PROGRAM AND IT WAS INTRODUCED BY BOB LOOSE. HE HAD AS SPEAKER CON EKKENS, FIELD REPRESENTATIVE, OF MICHIGAN HEALTH AND SAFETY INSTITUTE WHICH IS A NON-PROFIT ORGANIZATION SUPPORTED BY LICENSED PLUMBERS AND MANUFACTURERS OF PLUMBING FIXTURES (PLUMBING FIXTURES ARE THOSE GADGETS YOU HAVE AROUND THE HOUSE WHICH MAY, OR MAY NOT, LEAK). CRAN SAYS HE GAVE A REAL NICE DISCUSSION OF DANGERS OF CROSS CONNECTIONS AND BACK SIPHONAGE AND SOME OF THE THINGS THAT YOU CAN WATCH OUT FOR. YOU ARE NOT SUPPOSED TO END A SENTENCE WITH A PREPOSITION. I KNOW THAT! BELIEVE IT OR NOT MOST OF YOU HAVE A CROSS-CONNECTION AROUND YOUR HOUSE SOMEWHERE. I AM TELLING YOU THIS BECAUSE I SEE THAT BESIDES MYSELF THERE WERE ABSENTEES AND EARLY LEAVERS IN DROVES.

CRAN AND I WERE TALKING ABOUT IT AND IT WOULD SEEM THAT WE ARE NOT DOING VERY WELL ATTENDANCE-WISE. OUR MARCH ATTENDANCE WAS 88% AND WHILE SOME CLUBS THINK THAT THEY ARE DOING REAL WELL WHEN THEY GET TO 88% WE HAVE RATHER CONSISTENTLY BEEN ABOVE 90% IN PAST YEARS. WE WERE WONDERING IF ONE OF OUR DIFFICULTIES WASN'T THAT WE MISS THE MEETING AND THINK THAT WE WILL MAKE UP IN QUINCY NEXT MONDAY AND THEN MONDAY COMES ALONG AND WE ARE OUT OF TOWN OR FOR SOME REASON CAN'T GET THERE. ONE SOLUTION TO THIS IS TO TRY TO MAKE UP IN ADVANCE INSTEAD OF AFTERWARDS. ALL OF US ARE BUSY BUT IT CAN BE DONE.

NEXT WEEK DICK BORINGER IS PROGRAM CHAIRMAN AND IS USING HIS FELLOW MEMBER, ART LYON, AS SPEAKER. ART IS GOING TO TALK ON LAW AS IT APPLIES TO ALL OF US. THIS IS REAL APPROPRIATE BECAUSE MAY 1 HAS BEEN DESIGNATED THROUGHOUT THE COUNTRY AS LAW DAY AND OUR NEXT MEETING IS THE FIRST TUESDAY AFTER THIS. THIS IS AN ACTIVITY WHICH HAS BEEN SPONSORED BY THE AMERICAN BAR ASSOCIATION AND ITS SUBORDINATE ASSOCIATIONS. IT SHOULD NOT BE A BIT HARD TO MAKE A PROGRAM OUT OF THIS SUBJECT BECAUSE THIS HAS CERTAINLY BEEN A VERY BUSY YEAR FOR ATTORNEYS ALL THE WAY FROM DALLAS TO THE SUPREME COURT BENCH. I AM REAL SORRY I WILL HAVE TO MISS IT.

GETTING BACK TO THIS SUBJECT OF PLUMBING. I HAVE SEVERAL TIMES WONDERED HOW A COUNTRY THAT CAN SUPPLY THE TECHNICIANS ABLE TO ORBIT A MAN AROUND THE EARTH, CAN'T COME UP WITH A TOILET TANK WHICH WHEN PROPERLY TRIPPED WILL SHUT OFF AND FILL. MAYBE IT ESCAPES ME BUT I DON'T THINK THERE HAS BEEN A MAJOR IMPROVEMENT IN THIS FIELD IN MY MEMORY.

THIS WEEK. We learned about water from Hale Pearce with Fritz Van Aken as Program Chairman. I think most everyone has heard more about this subject in the last few years than we ever did before. I noted that one of the nice little stunts that CORE had thought up was to open up the faucets in New York City and just let them run. Some places this would only cause the municipal pumps to work overtime but in New York in addition it could help cause some reservoirs in the Catskill Mountains to dry up. This would be a big help with a World's Fair opening and no over-supply of water anyway. I thought Hale did a real nice job with the subject and gave all of us a bit more to consider. Remember what water we have is all too easily rendered useless for human consumption and sometimes for industrial use if pollution is allowed to exist.

NEXT WEEK. The program is in charge of Robert Loose who is going to bring something to us on engineering. I don't know at this time just what it will be but I feel that almost any of the phases of this subject are of interest. I just got through looking at a 90 minute preview of the Fair and this engineering business has kind of gotten out of hand.

We were saddened by the untimely death of Wayne Way. We got to know Wayne through our church activities as well as Rotary and he represented the finest in a Christian gentleman. We were appreciative of the large number of our membership who turned out for his last rites.

Protect the birds — the dove brings peace and the stork brings tax exemptions.

I note that we have made a little progress on roadside signs and are a little bit hopeful that this project can be finished before the tourist season is upon us. I always look for these signs when I am driving in a strange area.

No figure on the "take" in our last show but would guess that it turns out to be the highest in our history. I hate to think so but I don't believe everyone has made ticket settlement yet. Tom would be glad to check you off his list.

Your club needs a few more members. Give it a little thought. If in doubt about classification you might call Chic or Clyde. I am sure there are a number of spots open.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

APRIL 18, 1964

LAST WEEK YOUR AUTHOR WAS ELSEWHERE, (MADE UP, OF COURSE). THEREFORE, I DID NOT PERSONALLY HEAR RED MCKNIGHT TALK ON "AROUND THE WORLD." MY INFORMANTS TELL ME THAT IT WAS PRETTY GOOD, AND WHO IS MORE CRITICAL THAN OUR OWN MEMBERS. MAYBE MY REPORTS ARE A LITTLE GARBLED BUT WHY WAS RED WANDERING AROUND THE STREETS OF MANILA AT 6:00A.M.? THIS IS ALL RIGHT IF HE HADN'T BEEN TO BED YET BUT IT IS PRETTY EARLY TO GET UP AND GO FOR A WALK. ART LYON WAS THE MASTER OF CEREMONIES.

NEXT WEEK FRITZ VAN AKEN IS THE PROGRAM CHAIRMAN AND IS BRINGING US HALE PEARCE OF THE LOCAL SOIL STABILIZATION OFFICE. HALE IS GOING TO TALK ON WATER AND SOIL WITH PARTICULAR REFERENCE TO CONSERVING THE WET STUFF. I IMAGINE MOST OF US HAVE NOTICED HOW DRY WE HAVE HAD IT FOR THE PAST FEW YEARS AND CERTAINLY WE ARE NOT OVER BLESSED WITH MOISTURE THIS SPRING. I WENT THROUGH SCHOOL ON THE EDGE OF THE DUST BOWL AREA IN THE EARLY '30'S AND I WOULD HATE TO SEE A REPEAT PERFORMANCE. I DON'T KNOW WHAT ANY OF US CAN DO INDIVIDUALLY BUT KEEP IN MIND THAT WATER IS ONE OF THE BIGGEST PROBLEMS OF TODAY.

MISC. I AM GETTING TO THE POINT WHERE I AM A LITTLE SELF-CONSCIOUS ABOUT JOKES INVOLVING PSYCHIATRIST BUT I DO HAVE A COUPLE. (EVERY BIT AS GOOD AS OUR ROTARY SHOW JOKES)

YOU GO TO A PSYCHIATRIST WHEN YOU'RE SLIGHTLY CRACKED AND KEEP GOING UNTIL YOU'RE COMPLETELY BROKE.

I ALSO LIKE THE ONE ABOUT THE KANGAROO WHO WENT TO THE PSYCHIATRIST AND COMPLAINED, "DOC, I JUST DON'T FEEL JUMPY NO MORE."

A CHINESE SCHOLAR WAS LECTURING WHEN ALL THE LIGHTS IN THE ROOM WENT OUT. HE ASKED THE PEOPLE IN THE AUDIENCE TO RAISE THEIR HANDS. AS SOON AS THEY COMPLIED, THE LIGHTS WENT ON. HE THEN SAID: "THIS PROVES THE WISDOM OF THE OLD CHINESE SAYING: "MANY HANDS MAKE LIGHT WORK."

NEXT WEEK FRIENDS WE HAVE A NOVELTY GOING. WE ARE GOING TO HAVE A PROGRAM AND NOT ONLY THAT, I KNOW WHAT IT IS GOING TO BE. ART LYON IS THE PROGRAMMER AND HE HAS CALLED TO SAY THAT HE HAS SPARED NO EXPENSE OR EFFORT TO BRING US THAT RENOWNED ROTARY TRAVELER, TELLER OF TALES, AND COLLECTOR OF BANNERS, HAROLD "RED" MCKNIGHT. I GUESS RED HAS ENOUGH MATERIAL FOR QUITE A FEW PROGRAMS. I BELIEVE HE WILL SHOW NO SLIDES THIS TIME AND CONFINE HIS PROGRAM TO TELLING US ABOUT SOME OF THE WONDERS HE SAW IN HIS COMPLETE WORLD TOUR.

SPEAKING OF TRAVEL ON A LESS EXPANSIVE SCALE, I SUPPOSE A GOOD MANY OF OUR MEMBERS ARE GOING TO THE FAIR, OPENING LATER IN THE MONTH IN NEW YORK CITY. YOU CAN ATTEND A ROTARY MEETING EVERY DAY YOU ARE THERE. THE MEETINGS WILL BE HELD FROM 12:00-1:30 P.M. AT THE FRONTIER PALACE RESTAURANT OF THE TEXAS PAVILION LOCATED IN THE AMUSEMENT AREA. ROTARY ANNS ARE ESPECIALLY INVITED TO JOIN THEIR HUSBANDS FOR THE MEETINGS. I GUESS WE REALLY SHOULD GET A DECISION FROM CHIC AS TO WHETHER THIS WOULD BE A MAKEUP.

OUR PROGRAM LAST WEEK WAS PUT ON BY OUR OWN RAY MULCHAHEY. HE PLAYED US A TAPE FROM THE CORK ROTARY CLUB OF IRELAND. THEY TOLD US A BIT ABOUT THEIR HOME CLUB AND ALSO ABOUT THE TRIBE OF MULCHAHEY. RAY, OF COURSE, BELONGS TO THIS CREW WHO LIVE IN THE VICINITY OF CORK. THIS WOULD SEEM TO BE VERY BEAUTIFUL COUNTY FROM THE PORT OF COBH (QUEENSTOWN) WHICH IS THE NEAREST I GOT TO THIS CITY SEVERAL YEARS AGO. THE HILLS ROUND ABOUT ARE THE GREENEST I EVER SAW.

note yellow
enclosure you should
go you fellow.

THE ROTARY SHOW IS NOW HISTORY AND I AM VERY SORRY THAT I WILL NOT HAVE A CHANCE TO PARTICIPATE IN ANY MORE OF THESE SHOWS. I WAS ONE WHO WAS A LITTLE SCEPTICAL AS TO WHAT WE WOULD DO WITHOUT THE BLACK STUFF AND THE FORMAT THAT GOES WITH IT. I AM NOW CONVINCED THAT WE CAN DO EVEN MORE WITH A VARIETY SONG AND COMEDY PROGRAM LIKE THE ONE WE JUST FINISHED. NEXT YEAR MAYBE IT COULD BE CALLED THE "TURN OF THE CENTURY" AND DO SOME MORE OF THE SAME TYPE OF NUMBERS. ONE COULD JUMP TWO DECADES AND DO A ROARING TWENTY SHOW. LOTS OF GOOD MUSIC IN THAT PERIOD, TOO. I DO THINK WE CAN'T THANK DUKE ENOUGH FOR THE DIRECTION. HE GOT THE SHOW ON THE ROAD AND MADE US LIKE IT. ED GOT HIS LICKS IN, TOO, AND WE HAD LIGHT WITH THE AID OF THE SWEET FAMILY. ABOUT MIDWEEK I GOT TO WONDERING IF WE WERE GOING TO HAVE A NEWSPAPER PUT OUT WHAT WITH MOST OF THE STAFF DUKE HAS AROUND HIM WORKING ON THE SHOW.

I GUESS THERE IS SOME CLEAN-UP TO DO. IF YOU HAVEN'T DONE SO, SETTLE WITH TOM AND IF YOU HAVE MONEY BELONGING TO ROTARY OR BILLS GET THEM IN PROMPTLY. I STILL HAVE A BUTTON OFF THAT LITTLE SUIT I WAS WEARING BUT IT WASN'T OF STRATEGIC SIGNIFICANCE SO I DION'T SEW IT BACK ON. PANTS WERE TOO TIGHT ANYWAY.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

APRIL 4, 1964

NEXT WEEK. The Coldwater Rotary Club has always met on Tuesday except for a few rare occasions when Tuesday fell on recognized National Holidays. In the something over ten years that yours truly has been a member, we have always had a program and usually it has been a very good program. This coming week I assume we will have a program. I rather think it will be a good program. You know what? I'll be darned if I know what it will be. The reason for this apparent state of confusion is that Web Treat has the program and he is getting his epidermis burned in Florida. The group down at his office pleads ignorance, so there you are (as of Wednesday afternoon).

LAST WEEK. We had an excellent program which was secured for us by Seton Bovee. The speaker was Dr. William Stegath from Michigan Alumni Association. He talked to us about some of the wonders to behold in and around Ann Arbor along with some tremendous figures on what may happen. I remember some twenty-seven years ago when I was on this great campus that they had something like 12,000 students and thought they had a whale of a big University. Now they have over 27,000 and I suppose, unless something happens very soon to alter the demand for higher education, they could double this in the foreseeable future. Dr. Stegath used to narrate the University of Michigan football games but was pretty cagey about being pinned down on the upcoming prospects.

Breathes there a man with soul so dead, who never has turned his head and said, "Hmm, not bad." (with apologies to Sir Walter Scott)

MISC. We are at this point about five hours short of the dress rehearsal for our show and it looks real good. I now see some faint wisps of continuity, the singers seem to know what they are doing, the skits are all in place and the tickets are practically all sold. By the time you read this we will only have one performance to go and it certainly looks like we would have more than enough to pay for the beautiful new red curtain in the Tibbits..

I just thought up a new beatitude "Blessed be he who lets the bulletin editor know what is going on."

The COLDWATER *Rotary* REFLECTOR

IN CASE YOU ARE THINKING THAT WE ARE GOING TO DEVOTE ALL OF NEXT WEEK TO OUR SHOW, YOU ARE ALMOST RIGHT. WE ARE GOING TO HAVE A PROGRAM NEXT TUESDAY WHICH IS GOING TO CONSIST OF DR. WILLIAM STEGATH, ASSISTANT GENERAL SECRETARY OF THE MICHIGAN ALUMNI ASSOCIATION, WHO WILL TALK TO US ON "U OF M TODAY AND THE NEXT DECADE." JUDGING FROM WHAT I READ HERE AND THERE, THIS SUBJECT COULD COVER JUST ABOUT ANYTHING. I MEAN, THAT THESE BIG UNIVERSITIES ARE NOW INVOLVED WITH ABOUT EVERY AVENUE OF LIFE BOTH ON AND OFF CAMPUS. I DON'T THINK THEY APPROVE OF MAJORING IN CRAP SHOOTING OR POKER BUT I'LL BET IT IS BEING DONE SOMEWHERE ON THE CAMPUS. SETON BOVEE WILL BE MASTER OF CEREMONIES.

- - - - - - -

LAST WEEK WE HAD OUR ANNUAL KID PARTY WITH A MAGICIAN DOING THE ENTERTAINING. MOST OF THE ADULTS HAD A CHILD OR A GRANDCHILD WITH THEM. I SAW YOUNG CHRIS MOOI PAYING THE TAB FOR HE AND GUYARRIE AND I HAD THE HORRIBLE THOUGHT THAT MAYBE GUYARRIE WAS BROKE. I THINK EVERYONE HAD A PRETTY GOOD TIME.

- - - - - - -

THE SHOW HAS THE APPEARANCE OF AN UNMADE BED. THEREFORE, IT WILL PROBABLY BE THE GREATEST EVER. REALLY, I HAVE BEEN THROUGH THIS BEFORE AND THROUGH SOME HARD WORK AND SOME OF US RUNNING SCARED WE COME OUT ALL RIGHT. REMEMBER, NEXT WEEK YOU ARE DUKE'S PIGEON. EVERY NIGHT AT THE TIBBITS! IF WE DO IT PRETTY WELL WE MAY NOT HAVE TO GO THROUGH IT SO MANY TIMES. IT HAS DUKE WHERE HE IS LIGHTING TWO CIGARETTES AT A TIME NOW. ONE FOR HIS CANCER AND ONE FOR HIS CORONARY.

REMEMBER THAT YOU SHOULD BE SELLING THESE TICKETS, AND IF POSSIBLE, YOU SHOULD BE CHECKING IN WITH TOM COLLINS THIS COMING TUESDAY SO THE HOUSE CAN BE COUNTED AND WE KNOW HOW MANY WE CAN SELL AT THE DOOR. IF YOU SELL ALL YOUR TICKETS, GET SOME FROM SOME MEMBER WHO ISN'T A SALESMAN OR GO BACK AND SEE TOM COLLINS.

- - - - - - -

I HEAR TELL THAT OUR CURTAIN FOR THE TIBBITS IS LOADED ON A TRUCK AND ON ITS WAY. THIS DOESN'T ALWAYS MEAN THAT WE ARE GOING TO GET IT THIS YEAR BUT WE CAN HOPE.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

MARCH 21, 1964

DO YOU REALIZE YOUR LAPEL EMBLEM IS AN OPEN INTRODUCTION TO EVERY ROTARIAN IN THE WORLD? WHEN YOU ARE WEARING IT, THE HAND OF FELLOWSHIP IS ALWAYS EXTENDED TO YOU IN YOUR TRAVELS.

IF WE ALL KNEW OUR STUFF LIKE JOHN, BOB, AND AL DID AT NOON TUESDAY WE WOULD HAVE NOTHING TO FEAR COME APRIL 24. I'VE GOT NEWS FOR YOU, DUKE LEAD WITH HIS ACES. THE CHORUS IS COMING JUST FINE BUT LET NOT THE IMPETUS STOP.

SELL THE TICKETS QUICKLY AND TURN IN THE MONEY TO TOM. THE POOR GUY IS GOING TO HAVE ENOUGH TROUBLE WITHOUT HAVING TO DO ANY WORRYING ABOUT WHO HAS TICKETS, WHO HAS DONE THE JOB, AND WHO HASN'T.

NEXT WEEK COMES A PAUSE IN THE DAY'S OCCUPATION KNOWN AS THE CHILDREN'S HOUR. GET THE KIDS, GRANDKIDS AND THREE DOLLARS AND COME ON DOWN. THE MENU WILL BE KID ORIENTED AND RAY HAS A PRESTIDIGITATOR TO ENTERTAIN 'EM (OF COURSE I LOOKED IT UP, I DIDN'T KNOW HOW TO SPELL IT).

IN CASE ANYBODY DOESN'T KNOW, THERE WAS A BOARD MEETING MONDAY AND OFFICERS FOR AFTER JULY 1 WERE ELECTED:

PRESIDENT	AXNER OLSON
VICE-PRESIDENT	FRED CULY
SECRETARY	ERNEST LUSE
TREASURER	CHARLES SCHMITT

YOU WILL NOTE THAT CHICK IS GOING TO BOW OUT. HE HAS BEEN SECRETARY FOR ELEVEN YEARS AND TELLS ME THAT THERE HAVE ONLY BEEN FOUR SECRETARIES IN THIS CLUB SINCE IT WAS BEGUN IN 1921 AND THIS IS THE SECOND TIME AROUND FOR ERNIE. I WILL ALWAYS FEEL VERY MUCH IN DEBT TO CHICK FOR THE HELP HE GAVE ME WHEN I WAS PRESIDENT A FEW YEARS AGO. I AM SURE, HOWEVER, THAT ERNIE WILL DISH OUT THE SAME SAGE COUNSEL.

LAST TUESDAY WE HAD A PROGRAM ON SOME OF THE AIDS THAT CAN BE OBTAINED FROM THE LITTLE COLLEGE UP US 27. RAY MULCHAHEY HAD THE PROGRAM AND DUE TO HIS BEING STOOD UP ON SOME IRISHER PROGRAM THAT HE HAD PLANNED HE INSTEAD PRESENTED BOB RUE. BOB IS A MEMBER OF ROTARY IN OLIVET AND IS IN CHARGE OF COMMUNITY SERVICE FOR OLIVET COLLEGE. HE TOLD US ABOUT MANY OF THE OFF CAMPUS ACTIVITIES OF THE COLLEGE AS WELL AS THE PROGRAMS THEY RUN FOR HIGH SCHOOLERS AND ALSO BUSINESS MEN ON THEIR CAMPUS. IT SOUNDED QUITE FASCINATING TO ME. COLLEGES DIDN'T GET INVOLVED IN THIS SORT OF BUSINESS WHEN MOST OF US WERE COLLEGIANS BUT MOST OF THEM DO NOW AND IT IS CERTAINLY FOR THE OVER-ALL GOOD OF THE HUMAN RACE. SOMETIMES I THINK THAT BUSINESS AND PROFESSIONAL PEOPLE COULD ALL BENEFIT BY SPENDING A WEEK OR SO A YEAR ON CAMPUS EVERY YEAR. THERE ARE PROGRAMS FOR JUST ABOUT EVERYONE.

MARCH 14, 1964

TUESDAY WE HAD A MOST INTERESTING PROGRAM ON A SUBJECT THAT IS JUST GOING TO HAVE TO HAVE SOME REAL SERIOUS LOCAL CONSIDERATION AND VERY SOON. I AM, OF COURSE, MEANING OUR NEED FOR A COMMUNITY COLLEGE. MEL RICE WAS THE PROGRAM CHAIRMAN AND BROUGHT US AS THE SPEAKER OF THE DAY, DR. WILLIAM N. ATKINSON, WHO IS PRESIDENT OF JACKSON JUNIOR COLLEGE. THESE COLLEGES TAKE CARE OF SEVERAL NEEDS. FIRST OFF, THEY ALLOW THE COLLEGE BOUND YOUTH A CHANCE TO TRY OUT HIS BRAIN CELLS IN A HOME ENVIRONMENT AND MATURE A BIT BEFORE HE OR SHE GETS TO A BIG CAMPUS. SECOND, THERE ARE MANY SHORT TERM VOCATIONAL POSSIBILITIES IN SUCH A COLLEGE. AMONG OTHER THINGS THE EDUCATIONAL MONEY STAYS HOME AND CIRCULATES IN COLDWATER. WE ARE SENDING QUITE A FEW TO JUST SUCH AN INSTITUTION IN BATTLE CREEK AND JUST THINK OF THE FIRST AND SECOND YEAR PEOPLE IN OTHER SCHOOLS. THEY NATURALLY WOULDN'T ALL STAY HOME BUT MANY COULD WITH A SIZEABLE SAVING TO PAPA OR THEMSELVES. BILL ATKINSON IS A PAST PRESIDENT OF THE JACKSON ROTARY.

NEXT WEEK YOU GUESS WHAT IS GOING TO HAPPEN AND YOU ARE AT LEAST EVEN WITH ME. OUR PR MAN FROM OUT ON THE HILL, RAY MULCAHEY, IS THE PROGRAM CHAIRMAN AND IF I AM CORRECT IS ALSO THE PROGRAM. IT IS TO BE TITLED HIBERNIAN NATURE. I TOOK A QUICK LOOK AT THE CALENDAR AND I BELIEVE IT WILL HAVE SOMETHING TO DO WITH IT BEING ST. PATRICK'S DAY. SHOW UP IN GREEN UNLESS YOU HAVE OVERPOWERING ORANGE LEANINGS. RAY ALSO HAS THE PROGRAM THE 24TH AND WANTS TO KNOW HOW MANY CHILDREN YOU ARE GOING TO BRING. SOME OR NONE, IT IS GOING TO COST THREE DOLLARS. CHUCK SCHMITT HAS SPOKEN!

IT IS COMING ALONG TO THE ANNUAL ROTARY CONFERENCE. THE 1964 DISTRICT 636 CONFERENCE IS BEING PUT ON BY ST. JOSEPH-BENTON HARBOR, FRIDAY, APRIL 17 AND SATURDAY, APRIL 18. THIS IS A CHANGE FROM PREVIOUS CONFERENCES WHICH WERE HELD ON SUNDAY AND MONDAY. I NEED SAY LITTLE MORE BECAUSE BY THE TIME YOU GET THIS BULLETIN, OR SOON AFTER, YOU WILL GET A CIRCULAR ON THIS CONFERENCE. THERE IS ALWAYS A LOAD OF TALENT AT THIS MEETING AND AMONG THE CONTRIBUTIONS THIS YEAR IS A PRODUCTION DIRECTED BY ERNEST W. LUSE OF THE APPLEKNOCKER. GENERAL CHAIRMAN OF THIS EVENT FOR OUR CLUB IS AX OLSON.

THE ROTARY SHOW IS COMING RIGHT ALONG. IN THREE WEEKS IT WILL BE IN ITS FINAL PERFORMANCE. THAT OUGHT TO SHAKEUP THE PEOPLE WITH SOLO PARTS AND ONE MIGHT EVEN HOPE THAT THE CHORUS WILL START TO LEARN THE WORDS. IF YOU THINK YOU ARE ABUSED THINK OF WHAT DUKE MUST BE GOING THROUGH. IF HE WASN'T PURE HAM HE WOULD PROBABLY GO OVER THE HILL. PRETTY SOON YOU WILL HAVE TICKETS. SELL 'EM, WE HAVE TO PACK EVERY SEAT IN THE OLD OPERA HOUSE.

MARCH 7, 1964

TUESDAY We had a discussion of our educational needs by Max Stilson. The program was introduced by Mark Andrews. Max Stilson is a member of the Committee of 100 who are trying in a four-county area to blueprint some of our more immediate needs in the field of education. It seems like our needs are being pretty well met in the College preparatory levels and rather poorly met in the area of trades and services. The Committee of 100 is supposed to have some definite recommendations along about June.

NEXT WEEK we are going to continue along amost like it was a symposium. Mel Rice is bringing Dr. William N. Atkinson, President of Jackson Junior College, who will, no doubt, enlighten us on how Junior Colleges operate. A Junior College for Coldwater might very well be one of the recommendations that the Committee of 100 will come up with. Certainly, this program will deserve your attention.

COMING EVENTS. Ray Mulchahey has the Childrens Program for March 24. The progran is to consist of a Magician from Fort Wayne by the name of Dick Ryan. Ray would like to have you be prepared next meeting to give him the number of children or grandchildren you are going to bring. This event is going to cost you $3.00 whether you have children there or not.

THE ROTARY SHOW is coming along quite well with most of the assignments made. It now just takes the careful attention to practice.

THE RESULTS of our Rotary election put Bob Nagle and Doug Woodward on the Board of Directors for the next three years.

Keith Schafer was the Coldwater High School Senior guest.

NEXT WEEK

We will have a nice quiet annual election of two of the following to the Board of Directors for a term of three years. You will have as candidates, Bob Nagle, Norm Moore, Doug Woodward and Bob Yingling.

By way of program we will have Max Stilson talking to us on the committee of one hundred of which he is a member. This Committee deals with many aspects of education. Mark Andrews is the Program Chairman for the day.

LAST WEEK

I thought we had a pretty good time with the subject of alcohol. Ralph Daniel took it up from the many faceted side of the bottle. There is a vast difference between the social drinker and the chronic alcoholic. I wish we had some way of telling why there is sometimes a conversion of social drinker to an alcoholic. There is no easy solution to any of these problems. Let's give them all the help we can, and at the very least, not become part of the problem. Did you ever notice that nobody ever has more than two beers?

A tip of he hat to Ralph Toupalik and Company. This was a good Ladies Night. I thought the PJ Game was very well done for a group who just put on shows for the fun of it. I would like to see a show like this put on by some of our local people. I know that a cast like this could be assembled locally. It wouldn't be a whole lot harder to put together than our own show.

PROGRAM CHAIRMAN

March 10	Al Rice
March 17	Ray Mulchahey
March 24	Bill Bobier
March 31	Seton Bovee

It's a mighty long night
That lies ahead
Of the fellow who takes
His worries to bed.

By the time you read this the first night rehearsal will be history. We will add our bit to President Clyde's plea last Tuesday. Show up for these rehearsals just like you were ready for the Met. The brutal truth is that very few of us can really sing but with a little directing and a good lung full of air it comes out good enough so that some people in town look forward to our shows. Oh yes, be on time and everyone gets home earlier.

In case you missed the earlier announcement. The proceeds, or at least in part, are to go toward a beautiful red velvet curtain for the Tibbits. We understand that we may have the curtain in time for our show. It will cost in excess of nine hundred dollars. It isn't a bit too soon if you noted the present curtain in the old Opera House.

End men meet Sunday at three P.M. at the Elks. We should have our memory work done for the season so we can devote all time to polish.

John Cochrane was our student guest from Coldwater HighSchool. He has a desire to get into the Air Force Academy.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

FEBRUARY 22, 1964 (HAPPY BIRTHDAY, GEORGE.)

THE FIRST MEETING IN MARCH, WHICH WILL BE THE 3RD, WE WILL HAVE OUR ANNUAL ELECTION TO THE COLDWATER ROTARY CLUB BOARD OF DIRECTORS. YOU WILL REMEMBER THAT LAST YEAR WE VOTED FOR A WHOLE FLOCK OF PEOPLE BECAUSE WE WERE SETTING UP A STAGGERED BOARD OF DIRECTORS (THE BOARD IS STAGGERED, THE MEMBERS DON'T). WE ARE NOW STRAIGHTENED OUT ON THIS SO WE WILL ONLY BE VOTING FOR TWO MEMBERS OF THE BOARD OF DIRECTORS EACH YEAR. YOUR NOMINATING COMMITTEE HAS SELECTED THE FOLLOWING: BOB NAGLE, DOUG WOODWARD, NORMAND MOORE, AND BOB YINGLING. ON MARCH 3 YOU WILL VOTE FOR TWO OF THESE FOUR. LATER ON THESE FOLKS WILL MEET WITH THE REST OF THE BOARD OF DIRECTORS AND COME UP WITH A PRESIDENT, VICE-PRESIDENT, ETC.

LAST TUESDAY WE HEARD GENE WALLACE, INTRODUCED BY RAY FOX. GENE IS THE PRINCIPAL OF EDISON SCHOOL AND ALSO IS ON THE BOARD OF DIRECTORS OF THE BATTLE CREEK CHILD GUIDANCE CLINIC. GENE GAVE A BLOW BY BLOW ACCOUNT OF HOW THIS CLINIC OPERATES ALONG WITH SOME SLIDES OF THE ACTUAL WORKINGS OF THE CLINIC. THIS IS REALLY IMPORTANT WHEN YOU CONSIDER HOW MANY KIDS WE HAVE WITH AN ADDLED THINK TANK. OF COURSE, THISTHINK TANK IS SOMETIMES TERRIBLY AGGRAVATED BY THE PARENTS IN THE SAME HOME. IT WAS A GOOD PROGRAM AND SHOULD BE TAKEN JUST AS SERIOUSLY AS THE PROGRAM FOR NEXT WEEK.

SPEAKING OF NEXT WEEK, "THIS NICE OLD GENTLEMAN" IS GOING TO INTRODUCE THE PROGRAM WHICH IS GOING TO DEAL WITH ALCOHOLISM. I HAVE A FRIEND WHO DEFINES AN ALCOHOLIC AS ANYONE WHO DRINKS AS MUCH AS HE DOES. OUR SPEAKER WILL BE RALPH DANIEL WHO IS EXECUTIVE DIRECTOR OF THE STATE BOARD OF ALCOHOLISM. OFFICIALLY, I HAVE QUITE A BIT TO DO WITH THIS PROGRAM, AND UNOFFICIALLY, THE MEMBERS OF AA IN BRANCH AND HILLSDALE COUNTIES REALLY DO THE WORK. I AM GOING TO PERSONALLY INVITE SOME OF MY ALCOHOLIC FRIENDS AND SOME MINISTERS AND SOME PLAIN ORDINARY CITIZENS AND YOU MAY NOT EVEN KNOW THE DIFFERENCE. I SINCERELY ASK THAT YOU BRING AS A GUEST ANYONE WHO SHOULD KNOW MORE ABOUT THIS PROGRAM. IN FACT, IF YOU HAVE AN ALCOHOLIC FRIEND AND CONDITIONS ARE SUCH THAT YOU CAN GET HIM THERE, AND THIS, AS BRIGHAM YOUNG SAID, WOULD BE THE PLACE.

OUR HIGH SCHOOLGUEST WAS DICK NEITZERT WHO WAS INTRODUCED BY DICK MOORE.

IN CASE ANY OF YOU HAVE FORGOTTEN, WE ARE GOING TO HAVE A ROTARY SHOW AND THE NEXT REHEARSAL OF THE CHORUS IS ON THURSDAY, FEBRUARY 27 AT 7:30 P.M. AT THE ELK'S. THE ENDMEN WILL MEET THIRTY MINUTES EARLIER AND LET'S HAVE EVERYONE THERE ON TIME. THE ENDMEN ALONE WILL MEET ON SUNDAY, MARCH 4 AT 3:00 P.M. IN THE ELK'S.

REMEMBER THOSE OF YOU WHO ARE GOING TO PARTICIPATE THAT THE LADIES NIGHT IS THIS COMING SATURDAY. THE FESTIVITIES START AT THE ARLINGTON AT 6:00 P.M. AND AFTER A COCKTAIL PARTY AND A DINNER COMES THE "PAJAMA GAME" AT THE TIBBITS AND AFTER THAT BACK TO THE HOTEL FOR DESSERT. IF YOU HAVE NOT MADE RESERVATIONS YOU MIGHT STILL BE ABLE TO BY CALLING RALPH TOUPALIK.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

FEBRUARY 15, 1964

We had two real fine things this past week, one of which was our Shrove Tuesday Pancake meal. This is the kind of meal that appeals to me and I looked up long enough to see that we have some very fine knife and fork men in our Club. Besides being artists at putting away pancakes they do a real wild job of sausage, too. Note to Rotary Anns: I don't think you could get away with it every day, but from what I saw you could score an occasional hit with pancakes and sausage. I mean these boys were so busy that there wasn't much conversation.

The rest of the program, lest you think I am carried away on the eating bit, was a presentation by Walt Balcom, assisted by Boyd Wiggins, on some of our Branch County resources. I thought Walt made a very find presentation accompanied by some very graphic illustrations on slide of our good and bad points. Because of my occupation some of this was not new to me but I think it was to some of the rest of the membership and certainly there is a lot to think about. Everybody, of course, hates regulation, or at the very best tolerates it, but I think you must agree that we are now living in too complex a society to avoid zoning. This means that everybody is not going to be able to do exactly as they please but the ultimate over-all good will accrue to everybody. I have talked to many of the members who liked this program and we are happy that Ax Olson and Carlo Heikkinen could bring it to us. Every club in the County really should see this program.

Next Week Ray Fox is the Program Chairman and has secured Gene Wallace, Principal of Edison School, who is going to show some slides on the Battle Creek Child Guidance Clinic. You have had a program on this Clinic before but there are so many elements to this program that there will hardly be repetition, and unfortunately, this is one of the biggest problems today. You might remember that if Lee Oswald had been better handled in this respect President Kennedy might not have been assassinated.

Our High School guest last week was Dennis Waters of Coldwater High School, who was introduced by Chuck Woodward.

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

FEBRUARY 6, 1964

THIS WEEK "Football From A Coach's Point of View" by Coldwater High's Hub Hansel brought home the fact we might be more than Friday night spectators or Monday morning Quarter-backs and appreciate what every math pupil is taught: You can't work toward a correct answer until you first know all the parts of the problem.

MAYBE MOM WONDERS TOO! Little Johnny asked: "If the Lord gives us our daily bread, Santa our Christmas gifts, and the Stork brings the babies, what's the use of having Daddy around?

FEBRUARY 22 is close enough to Valentine's Day to still "count" so to quote the Editor "Shell out for the 'Pajama Game' boys - charge it off as an investment in Domestic Relations and get 'Kulcher' at the same time."

NEXT WEEK? Big Mystery: Our Bloodhounds haven't yet, at press-time, been able to "tree" the culprits in charge.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

FEBRUARY 1, 1964

LAST WEEK Bert Faller had the Program which consisted of a reel of tape from our friends down in Valles. This is the Club where Bert Faller has visited a number of times and you will remember that we had two boys, whose fathers are members of this club, as students at the local High School. Last year. Ray Cardenas came in to help out with the Spanish translation although several of those who spoke on this tape came out with quite creditable English. I know only a few words of Spanish but I was able to pick out some of what was being said probably because I already knew the trend of thought. Several members of this Club asked that we send students to them for a year and this would be a real fine thing for some of your youth. Probably it would be best that whoever went have at least a year of the Spanish language. Somehow, we Americans because we have a vast country using almost entirely English do not have the flexibility with other tongues.

Our High School guest this week was Steve Nettle who was introduced by Don Harris. Steve is a student with journalistic leanings who is going to Michigan State next year in this field. I don't play golf anymore but from what I understand from table conversation this boy play real fine golf and is Number One on the Coldwater High School team. Twenty years ago the game was an aggravation for me and I don't suppose this has changed.

NEXT WEEK Vinc Kornstien and Ax Olson have the program. Our speaker will be Hugh Hansel. It is the wrong season of the year for his sport which is football. He coaches the Coldwater High School football team and will tell us something of this activity plus having a film on his favorite sport.

We had a tremendous number absent last week. In fact, it amounted to just short of one-third of the membership. Fortunately, a good many have already made up and I feel sure that the remainder will do quite well.

We remind you again of the Ladies Night on February 22 which is going to be a dinner at the Arlington, the musical "Pajama Game" and all for the nominal sum of $13.00 per couple. ROTARY ANNS AGAIN PLEASE NOTE! Details are available from Ralph Toupalik, promotor of this project.

Rotary Show plans will slow down to a creep for the next few weeks while Grace takes time out to make a trip to Hawaii. The show doesn't move real well without an accompanist. This does not mean that anyone who has an assigned part to learn can't get this bit learned so that notes can be thrown away when we do get into the swing of things.

The Singingest Club in the U. S. A.

JANUARY 25, 1964

THIS WEEK We had the annual check out of attendance and we note that 26 or approximately 1/3 of our membership got through the year with perfect attendance, either here or somewhere else in the world. Heading the list, of course, was Warner Van Aken with 41 years of perfect attendance. You get to wondering if Warner isn't older than Rotary. There are not too many people in the world who have this type of attendance record and he is to be congratulated. We have others with a tremendous record such as, Fred Weeks, 24 years; Mark Andrews, 17 years; Ernie Lube, and Bob Kerr, 16 years apiece; Fritz Van Aken, 15 years; and E. Byron Thomas with 12 years. The rest of us have quite a bit less. I think maybe because we only have about 1/3 of our members with perfect attendance may be the reason we are dragging a little bit as far as average attendance is concerned. Our average attendance in December was 89.74%. This is mighty low for the Coldwater Club - most of the time we are well above 90%.

The program was in charge of Ray Mulchahey who had Herbert J. Stevens talk on the Michigan "Easter Seal" organization. This is a subject quite familiar to our older Rotarians but not as well known to the younger group. It is well to review these things from time to time.

The student guest was Fred Butterfield of CHS who was introduced by Harold Coddington. Fred you will remember as the demon defensive man in last Fall's football team; also in the Senior play. He is going to Albion College next Fall and is going to attempt to launch into a medical career. Incidentally, his father is our own Rev. Al.

NEXT WEEK Bert Faller has the program and as your homework assignement you might brush up on your Spanish. Bert is going to bring in a tape from the area where our former Mexican Exchange Kids came from. Bert is a little unsure of his own Spanish so he is bringing Ray Cardenas in to help out.

MISCELLANEOUS. The Board had a fast meeting and it would appear that the signs on the roads leading into town are going to become a reality pretty soon.

Red McKnight seems to be working his way around the world. Chick has had make-ups from Guam and Tokyo.

Ralph Toupalik has a Ladies Night Program arranged for Saturday, February 22. ATTENTION ALL ROTARY ANNS. Put the Squeeze on the old man for this. It will be a Dinner-Theatre party. The dinner part being at the Arlington and then the Theatre part at the Tibbits where we will see "The Pajama Game." Don't worry about what it is going to cost - he's probably got $13.00.

I thought the chuck wagon was pretty good for the 1st time around!!

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

JANUARY 18, 1964

THIS BULLETIN IS GOING TO CONSIST OF A VERY LITTLE INFORMATIONAL MATERIAL AND AN AWFUL LONG LIST OF GUESTS.

LAST WEEK CARLO HEIKKINEN BROUGHT IN NOEL SHEDD WHO, IN TURN, EMPTIED MOST OF THE SWIVEL CHAIRS IN THE L. A. DARLING COMPANY. THE NUMBER ONE SWIVEL CHAIR IS OCCUPIED BY ROBERT PRITZKER AND HE EXPLAINED THE RAMIFICATIONS OF THE DARLING COMPANY. IN A SINGLE SENTENCE - BUSINESS IS GOOD, BUSINESS WILL BE BETTER, AND THEY LIKE THE BRANCH COUNTY COMMUNITY.

NEXT WEEK RAY MULCHAHEY IS TO BE PROGRAM CHAIRMAN AND IS GOING TO BRING IN HERBERT J. STEVENS WHO IS ADMINISTRATIVE ASSISTANT FOR THE MICHIGAN SOCIETY OF CRIPPLED CHILDREN AND ADULTS. IF SOME OF YOU DON'T RECOGNIZE THIS RATHER LENGTHY NAME THEY ARE TALKING ABOUT EASTER SEALS WHICH HAS BEEN WRAPPED UP WITH ROTARY HERE AND ELSEWHERE FOR MANY YEARS. A REAL SHREWD GUESS WOULD INDICATE THAT WE ARE GOING TO HEAR ABOUT THIS KIND OF ACTIVITY.

MISCELLANEOUS THE VOLUNTEER PROGRAM IS OVER AND DUKE HAS BEGUN TO DRAFT. WE DOUBT IF CHUCK BACON ESCAPES. THE SONG OR OTHER MATERIAL FOR EIGHT OF THE PRINCIPALS (THIS IS WHAT WE ARE NOW CALLING AN ENDMAN) HAS BEEN PICKED OUT. THE THEME IS, OF COURSE, THE GAY NINETIES AND THE MATERIAL IS BEING KEPT AS NEARLY AS POSSIBLE IN THIS GORGEOUS ERA OF SONG AND DANCE. NEXT MEETING YOU WILL PROBABLY GET A CHANCE TO SING SOME OF THE CHORUS MATERIAL. IT HAS BEEN PRINTED UP ON THE USUAL GREEN AND YELLOW SHEETS. TRY TO MEMORIZE THIS AS QUICKLY AS POSSIBLE SO WE CAN THROW THE SHEETS AWAY IN TWO OR THREE WEEKS. IT IS ONLY AFTER THE MATERIAL IS THOROUGHLY MEMORIZED THAT THE DIRECTOR GETS A CHANCE TO MOLD A CHORUS INTO WHAT HE WANTS IT TO BE.

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

JANUARY 4, 1964

THIS WEEK CRAN WILCOX HAD THE PROGRAM AND REALLY DIDN'T REACH OUT VERY FAR FOR IT. HE HAD SETON BOVEE GIVE A SHORT RESUME OF THE SMALL TOWN DAILY PAPER AND THEN WE MOVED ACROSS THE STREET TO SEE THE LAST EDITION OF 1963 MADE READY AND PUT THROUGH THE PRESSES. I HAD NOT BEEN IN THE BACKROOM OF A NEWSPAPER FOR QUITE A WHILE AND I NOTE THAT THEY ARE DOING THINGS QUITE A BIT DIFFERENTLY. THE SAME OLD CLANK OF THE LINOTYPE IS THERE BUT INSTEAD OF A MAN OPERATING IT THE MACHINE IS NOW FED A PUNCHED OUT TAPE THAT OPERATES IT. REALLY, VERY LITTLE TYPESETTING IS NOW DONE BY HAND OTHER THAN IN SOME OF THE ADVERTISING AND THE HEADLINES. THE LINOTYPE IS ALWAYS VERY INTERESTING TO ME. I GUESS THEY ARE AT THEIR VERY BEST WHEN THEY SOUND LIKE THEY ARE FALLING APART. THIS, AGAIN, WAS A VERY INTERESTING PROGRAM AND SHOWS WHAT WE CAN DO BY EXPLORING THE POSSIBILITIES OF OUR OWN MEMBERSHIP AND WHAT THEY DO FOR A LIVING. ALL DUKE DID WAS STAND AROUND AND GUARD THE PUNCH BOWLS.

NEXT WEEK DUKE DAVIDSON HAS THE PROGRAM AND HAS GONE NORTH ON 27 TO THE NEXT COUNTY SEAT. HE IS BRINGING IN WIN SCHULER WHO WILL TELL US ABOUT WINING AND DINING. FIRST OFF WHEN DUKE TOLD US ABOUT THIS, I HAD HOPES THAT HE MIGHT PREPARE THE MEAL BUT SUCH IS NOT THE CASE. SERIOUSLY, THIS FOOD PREPARATION AND SERVING IS ONE OF THE BIGGEST INDUSTRIES IN THE WORLD. THEY HAVE A QUITE SURE THING IN THAT IT IS ALMOST AS DIFFICULT FOR PEOPLE TO LEAVE CALORIES ALONE AS IT IS TO QUIT SMOKING.

GENERAL. DUKE DAVIDSON ANNOUNCES THAT THE ROTARY SHOW WILL BE ON THE 2ND, 3RD, AND 4TH OF APRIL AT THE TIBBITS THEATRE. HE HAS ISSUED A CALL FOR ALL PAST, PRESENT, AND FUTURE ENDMEN TO MEET AT THE ELK'S SUNDAY, JANUARY 12 AT 3:00 P.M. DUKE IS GOING TO BE THE DIRECTOR AND PRODUCER WITH A WHOLE LOT OF HELP. ED HOLTZ WILL ACT AS CONSULTANT.

MISCELLANEOUS. WE HAVE KIND OF HIT THE JACKPOT ON ABSENTEES DURING THE LAST TWO WEEKS BUT UNDERSTAND THAT MAKE-UP HAS BEEN PRETTY GOOD. THE EXODUS TO PLACES LIKE FLORIDA AND ARIZONA WILL BE TAKING PLACE IN THE NEXT FEW WEEKS BUT WE DON'T WORRY VERY MUCH ABOUT THESE PEOPLE BECAUSE THEY USUALLY HAVE QUITE A BIT OF FUN MAKING UP AT INTERESTING PLACES.

TOM ANDERSON GAVE AN ACCOUNT OF HIS TRIP TO BOY'S STATE LAST SUMMER. ROTARY IS A SPONSORING AGENT FOR THIS TYPE OF ACTIVITY.
