

2014 - 50th

Read what our guests are saying about us!

I recently had a total knee replacement and I had decided I would like to go to a sub-acute rehab facility for my therapy. The social worker made the arrangements and found there was a room available at The Laurels of Coldwater. I was pleased as it was close to home so my husband wouldn't have far to drive to visit me.

I had heard very good reports about their rehab facility and how caring their therapists were. Well I can tell you first hand that everything I had heard was true. My room was great, the food was good, and the service and care I received from the nurses and aides was the best. No complaints there!

Therapy - my first day I was a little apprehensive about anyone touching my knee so soon after surgery, only the 4th day after! My fears were needless. My therapist (Maria) was so gentle with my knee yet she was able to get me to move and exercise that knee without all the pain I was expecting. Sure, there was some discomfort, but nothing like I had expected!

I observed the other patients with their therapists and I was so impressed how each one took the time to help their patients and also the patience they had with each person. It was a homey atmosphere, lots of laughter, getting to know one another, etc.

Maria would explain everything that she was doing and what the results would be when we were finished with therapy. I would say to her when I was ready to be taken back to my room, "Well, what exercise are you going to kill me with tomorrow!" She would always answer, "I only kill you with love so that you'll walk normal again." She was so funny!

After two weeks I was discharged to my home, but I continued my outpatient therapy at The Laurels for the next two weeks. The total time from surgery to being on my own was four weeks. I highly recommend The Laurels of Coldwater, my experience was very positive.

INTERACT CLUB of Coldwater High School (www2.coldwaterschools.org/interact)

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, a number of our members have been helping with tutoring programs at various schools in the Coldwater district. In conjunction with the Food Pantry we organized this past year's Christmas in Branch Country food drive in the high school and this year the school contributed over 1,650 lbs. of food to go to the Food Pantry to help needy families in Branch County. We "adopted" four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are an original sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, and over 45 Interact members helped in the construction of Kid's Kingdom some years ago. We have two major club projects that we take on: This year we will buy and mulch the Memorial Courtyard at C.H.S. as well as sprucing up C.H.S. for graduation. We will be donating filtration systems this year to ten (10) third world villages so that the people there can have clean drinking water. We have also made it a point to invite foreign exchange students into our organization and this year they have played an integral part in making our organization a success. This year we held our 2nd Annual International Potluck Dinner hosted by the Exchange Students bringing in some great food from their countries. We truly enjoy having them as members.

After this year, we will have given out over \$20,000 in scholarships over the past 16 years to needy students at C.H.S. as well as helping raise money for our local Veterans organization to aid in the buying of a new handicapped accessible van. Interact members raise money through our annual Interact Raffle, as well as providing refreshments for the Rotary Show. Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all their help and support. It has also been a pleasure to be a part of this year's Rotary Show. Our club would like to congratulate the Rotarians for a job well done!
