* Past President ** Paul Harris Rotary Fellow

Rotary Members,

Your Board of Directors are proposing a change in the manner in which future Board Members are chosen and in the terms they serve. Basically the By-Law change allows for any member to elect to run for a Board position and establishes full 8 year terms once the member is elected. We believe these changes clean up, simplify, and clarify our system of Board selection and service.

We will publish this proposed change in the newsletter for the next several weeks and then vote on the change on September 13th. We will introduce and briefly explain this during this week's program but if you have any questions please ask any Board Member for further information.

**BY-LAWS OF THE ROTARY CLUB
OF COLDWATER, MICHIGAN**

Approved _____, 2011

SECTION 1. The Board of Directors shall consist of seven members plus the immediate Past-President.

SECTION 2. A member who is elected to the Board of Directors shall serve for a term of eight (8) years or until a director completes a rotation upon the Board serving in the positions of Vice-President/President Elect, President, and Past President.

SECTION 3. Unless declined by the Director/Member the second longest serving member of the Board of Directors, except for the Past-President, shall assume the position of Vice-President Elect; and the longest servicing member of the Board of Directors, except for the Past-President, shall assume the position of President (who in the following year shall serve upon the Board as Past-President).

SECTION 4. Annually, one (1) director shall be elected to the Board of Directors to assume the directors position of the out-going Past-President. During any two (2) membership meetings held in January, the President shall announce to the membership that any member who desires to seek election of the open board position shall provide his/her name to the President. All such names so provided to the President shall be placed on the Ballot for the election of the open directors position; said election shall occur no later than the last week in February in each calendar year and shall be voted on by the general membership held at a weekly meeting. The nominee receiving the most votes at such an election will then service as a director of the Board for the term previously stated.

In the event that no member provides his/her name as a candidate for the open Board of Director position, the President and Vice-President shall solicit and/or nominate at least one member as a candidate for the open Board of Director position, whose name(s) shall then be placed on upon the ballot for the election of the open Directors position to occur as stated within this section.

SECTION 5. a vacancy occurring within a rotary year in the Board of Directors or any office shall be filled by nomination by majority vote of the remaining members of the Board, for a member to service upon the Board of Directors for the balance of the year (i.e., through June 30th); such an open position shall thereafter be filled in accordance with the procedure stated in Section 4. The member elected to the Board position that became vacant during the term year shall be placed in the "order of seniority" of Board Members one year ahead of the member elected to the open Board position made available by the departing Past-President position.

SECTION 6. At the first Directors meeting in July, the Board shall elect, but not necessarily from among Board Members, a treasurer and secretary, who shall thereafter meet with the Board, but without a vote, unless a Director.

Rotary Members,

Your Board of Directors are proposing a change in the manner in which future Board Members are chosen and in the terms they serve. Basically the By-Law change allows for any member to elect to run for a Board position and establishes full 8 year terms once the member is elected. We believe these changes clean up, simplify, and clarify our system of Board selection and service.

We will publish this proposed change in the newsletter for the next several weeks and then vote on the change on September 13th. We will introduce and briefly explain this during this week's program but if you have any questions please ask any Board Member for further information.

BY-LAWS OF THE ROTARY CLUB
OF COLDWATER, MICHIGAN

Approved Sept 13, 2011

SECTION 1. The Board of Directors shall consist of seven members plus the immediate Past-President.

SECTION 2. A member who is elected to the Board of Directors shall serve for a term of eight (8) years or until a director completes a rotation upon the Board serving in the positions of Vice-President/President Elect, President, and Past President.

SECTION 3. Unless declined by the Director/Member the second longest serving member of the Board of Directors, except for the Past-President, shall assume the position of Vice-President Elect; and the longest servicing member of the Board of Directors, except for the Past-President, shall assume the position of President (who in the following year shall serve upon the Board as Past-President).

SECTION 4. Annually, one (1) director shall be elected to the Board of Directors to assume the directors position of the out-going Past-President. During any two (2) membership meetings held in January, the President shall announce to the membership that any member who desires to seek election of the open board position shall provide his/her name to the President. All such names so provided to the President shall be placed on the Ballot for the election of the open directors position; said election shall occur no later than the last week in February in each calendar year and shall be voted on by the general membership held at a weekly meeting. The nominee receiving the most votes at such an election will then service as a director of the Board for the term previously stated.

In the event that no member provides his/her name as a candidate for the open Board of Director position, the President and Vice-President shall solicit and/or nominate at least one member as a candidate for the open Board of Director position, whose name(s) shall then be placed on upon the ballot for the election of the open Directors position to occur as stated within this section.

SECTION 5. a vacancy occurring within a rotary year in the Board of Directors or any office shall be filled by nomination by majority vote of the remaining members of the Board, for a member to service upon the Board of Directors for the balance of the year (i.e., through June 30th); such an open position shall thereafter be filled in accordance with the procedure stated in Section 4. The member elected to the Board position that became vacant during the term year shall be placed in the "order of seniority" of Board Members one year ahead of the member elected to the open Board position made available by the departing Past-President position.

SECTION 6. At the first Directors meeting in July, the Board shall elect, but not necessarily from among Board Members, a treasurer and secretary, who shall thereafter meet with the Board, but without a vote, unless a Director.

Did you know...

Our first Rotary Club meeting was held November 10th, 1921. That makes us 90 years old!! Coincidentally back in 1921, November 10th was a Thursday. Just like this year.

Program:

Pat Albright introduced Keely Gruner who works for Lennard Ag. She explained her company's progress in the potato industry. They currently have 66,000 acres of farmland rented for potato production, mostly in northern Indiana and southern Branch County. She discussed planting, harvesting, sorting and storage of the potatoes. They grow Russets for retail stores and Whites for potato chips & processors. Frito-Lay is their biggest customer. Lennard Ag. also sets aside 40 acres of donated land to grow potatoes for food pantries. The Coldwater Food Pantry has picked up over 3,000 pounds so far this fall.
