Welcome!

The Coldwater Rotary Club cordially welcomes you to the Minstrel Show of 1958. We hope to give you an evening of fun and entertainment.

Proceeds from this show help the local Rotary Club in its program of Youth Activities. The Club sponsors a boy each year at Wolverine Boys' State where prospective leaders learn about the operation of our State Government. Each summer we sponsor a boy at the Rotary Youth Leadership Training session at Camp Emory near Muskegon. We also sponsor our high school students in their attendance at the Little United Nations held at Hillsdale College each year.

We have contributed to a fund for building a caretaker's lodge at Boy Scout Camp T. Ben Johnson near Battle Creek. Our pledge to this project was \$2,400.00 and we have paid \$1,600.00 to date. The proceeds from the sale of tickets and from the advertisements appearing in this program will be applied to complete our pledge on this project.

Thank you for your help in making this part of our Rotary program a success.

Now sit back and have fun as we present The Minstrels of 1958.

On with the show!
