INTERACT CLUB of Coldwater High School

In May of 1991, a new service oriented club sponsored by the Coldwater Rotary Club was established at Coldwater High School. This club, known as the Interact Club, has a twofold purpose: 1) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in.

In regards to community service we are participating in the State of Michigan's Adopt-A-Highway Program, cleaning up a section of I-69. All Interact members are involved in a tutoring program at either Edison or Jefferson School each Tuesday and Thursday. We organized this year's Christmas in Branch County food drive in the High School and over the past three years, the students have brought in 5 (five) tons of food to be distributed to the needy. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon; we purchase Christmas gifts for needy children, provide turkeys for Hospice families at Thanksgiving, and try to raise money for various community agencies that are in need. In our five years of operation, we have given over $2,500 to various groups who have needed help in one way or another.

One of the truly great projects that we initiated when we started as a club was to invite all the new Exchange Students to be a part of our organization. This has given many of them more of an opportunity to interact with American students as well as expanding their circle of friends considerably.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all their help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
