INTERACT CLUB of Coldwater High School (www2.coldwaterschools.org/interact)

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, a number of our members have been helping with tutoring programs established at Max Larsen Elementary school as well as Coldwater High School. In conjunction with the Food Pantry we organized this past year's Christmas in Branch Country food drive in the high school and this year the school contributed over 1,800 lbs. of food to go into baskets for needy families. We "adopted" four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are an original sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, and over 45 Interact members helped in the construction of Kid's Kingdom some years ago. We have two major club projects that we take on: This year we completely cleaned up and mulched the Memorial Courtyard at C.H.S. and in the spring we Spruce Up C.H.S. for graduation. We have also made it a point to invite foreign exchange students into our organization and this year they have played an integral part in making our organization a success. We truly enjoy having them as members.

At C.H.S. we have given out over \$17,000 in scholarships over the past 15 years to needy students, helped to purchase the new sound system for Cardinal Field, and the "Cardinal" on center court of the gymnasium was Interact's contribution to our school. We also spruce up the high school grounds getting C.H.S. ready for graduation. Interact members work concession stands, have our annual Interact Raffle, as well as do other things to help raise the money needed to fund our various activities.

Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all their help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
