The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 31, 1958

WORD TO WISE--John Etsweiler has next Tuesday's program and we hear it will have something to do with the Rotarian. A little "boning up" might prove profitable.

* * *

NO YULE AMNESTY--We foolishly thought our money-mad sergeant-at-arms might overlook our failure to publish last week. Not Carl, however. Our slip up was due to the fact that we forgot a midweek holiday might mess up our publication schedule.

* * *

SOMEONE NEW ADDED--The latest addition to Coldwater Rotary is Fred Anderson, who was welcomed into membership Tuesday. Fred needs no introduction to Rotarians, who have long repsected him for the prominent part he has assumed in many civic affairs. Fred will be a real addition to the club, as Ken Putnam pointed out in introducing him to the members.

* * *

IT WORKS!--This week's program chairman, Dale Dean, presented a recorded talk by Earl Nightingale, who retired at the age of 35 with a huge annual income.

The speaker pointed out that to succeed, one must have a goal. He was correct. We set out goal as getting out this week's issue and by golly, we are succeeding.

Joking aside, Dale's program was a novel presentation of some mighty excellent thinking of the subject of success.

* * *

TUESDAY'S GUESTS--Rotarians Jack Schafer, Glen Barnett, Bill Cadman, Ken Yesh, Russ Megargle, and Bob Stocker, of Bronson; Elmer Dobson and Carlton McKenzie, of Quincy. Eddie Green, Coldwater, was Mac McKeith's guest.

* * *

EARLY LEAVERS--Eight signed but 14 took off early.

* * *

ABSENTEES--Bacon, Burandt, Curry, Fiske, Harris, Hawkins, Kerr, Kornstein, Owers, Skabo, Toupalik and Way.

* * *

IT'S NO SECRET--That rehearsals for the 1959 Rotary Minstrels will get under way in the very near future. Ed Holtz conferred with several of the prospective end men this week. The production is scheduled for mid-March.

* * *

GOOD HUNTING--The recent Hunters Ball sponsored by the Union City club netted $445.56 for the club treasury.

* * *

BRAVE SOUL--Doug Bullock, Three Rivers editarian, recently gave members of his club a chance to express their views of the club's bulletin by means of a unique questionnaire.

We wouldn't dare.

* * *

POHET PETE:

The minstrel show is nearing
For which the public longs.
So oil up your tonsils and
Prepare to learn some songs.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 18, 1958

SHORT, SWEET--Ed Holtz, program chairman for next Tuesday, reveals his plans will permit our merchant members (including himself, of course) to get back to their stores with little time lost.

* * *

TUNEFUL EARFUL--Best describes the program provided this week by Chairman Chet Curry.

Chet didn't get fined for advertising but he sure demonstrated the fine job he is doing with his school musicians.

The concert of Christmas music presented by his Cardinal Choir must rank among the memorable programs of the year.

* * *

NEW RECORD?--Tuesday's list of absentees included only six names, to wit: Dale Dean, Ed Hawkins, Charley Fiske, Harold Hill, Byron Thomas and Web Treat.

The guest list also was painfully brief with only two visiting Rotarians, Jack Ashcom of Adrian, and Al M. La-Fever of Edinburg, Texas.

Al Obed, Coldwater, was a guest of Paul Hurley, while Chuck Harvey, CHS senior, student leader and athlete, was the week's student guest.

* * *

EARLY LEAVERS--Seven.

* * *

YULE REMINDER--Don't forget the club's Christmas toy project. All members have lists of children and the idea is to get them toys BEFORE Christmas. Time is growing short so let's get busy.

HOW'S YOUR VOICE?--Just a reminder that rehearsals for Coldwater Rotary's 1959 Minstrels will start soon after Auld Lang Syne.

* * *

PILFERED--It seems there was once a lad who made a practice of stuffing a book inside his pants when he could see a good paddling in the offing. It seems he appreciated the value of a good literary background.

Albion Rotary Call

* * *

HATS OFF--to the Battle Creek, which recently voted to bring a graduate student from a foreign country to the United States for a two-year scholarship at the University of Michigan or some other approved school. All funds are being raised by the club members . . . . a big project in the best Rotary tradition.

* * *

NEWS IS SCARCE SO

WE WILL USE THIS SPACE

TO WISH ONE AND ALL A

VERY MERRY CHRISTMAS

AND PROSPEROUS NEW YEAR

POHET PETE:

Sometimes we wonder
When the temperature drops
Why we live in the north?

But it all makes sense
When with no need for props
Spring comes bursting forth.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 4, 1958

WORK AHEAD---Rotary's day on the Mile-'O-Dimes, accepting donations to the annual Don Herr Clothe-A-Child for Christmas campaign, will be Friday, Dec. 19.

The board has chosen Robert Hawley as its chairman for that day. He will be announcing the shifts of workers and will need (and deserves) the cooperation of all members.

Rotarian Howard Teeter is the general chairman of this year's campaign, succeeding another club member, Ken Putnam, who handled the job last year.

* * *

WHERE, OH WHERE?---Rotarians were conspicuous by their absence at the club's annual grid banquet this week for the CHS football squad and coaches.

Those 30 or so members who DID ATTEND enjoyed a good meal and a SHORT, INFORMAL program.

Veep Harve Bent and Chairman Lou Pennington report that feeding the prep gridders cost $250 with receipts amounting to only $192. The directors are asking members who didn't attend to pay for one meal, or $1.75.

The long list of absentees included: Bacon, Barnes, Burandt, Couillard, Davidson, D. Dean, J. Dean, Etsweiler, Faller, Fiske, Goodholm, Hawkins, Hill, Hurley, Joseph, Kennedy, Kornstein, Luse, McComb, McConkey, McKeith, Milnes, Patterson, Pearce, Ribble, Rice, Schmitt, Swart, Teeter, Toupalik, Warner Van Aken, Vinton, Waldron, Way, Clyde and Warren Williams, Wise, and Doug Woodward.

* * *

TOY PROJECT---Herm Koebel has been named chairman of the club's annual Christmas Toy project, with Bert Faller as his chief aide. As in the past, the membership will be split up into committees and given names of needy children for whom to provide Christmas toys.

* * *

WITH REGRETS---The board, at its monthly meeting today, regretfully accepted the resignation of Otis Barnes from membership. The acceptance was with the stipulation that the club will be happy to welcome Otis back into membership whenever he feels he can rejoin.

* * *

RURAL-URBAN NIGHT---The club's annual Rural-Urban night, scheduled for early in 1959, probably will be held sometime after March. Dick Moore informed the directors he is hoping to secure Mort Neff as star attraction, and Mort has informed him he is booked up solid until April.

* * *

NEXT TUESDAY---Casey Medendorf, district manager of the General Telephone company, will be the speaker.

Casey will talk about Coldwater's impending conversion to dial telephone service, explaining the new set up and showing films (if they arrive in time).

* * *

POHET PETE:

T'was the night before
And all through the house.
Not a creature was stirring,
Except for the mouse.
Bought three traps today,
Can't catch the louse.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Wednesday, November 26th

REMEMBER--No meeting at temple next Tuesday. Instead, the club will host the h.s. football squad and its coaches at a banquet at the high school cafeteria at 6:30. Each member is expected to buy a dinner for a gridder as well as himself. Tickets are priced at $1.75 per. Program will feature movies of the Cardinals' home games. Lou Pennington is the chairman.

* * *

ON BORROWED TIME--Most members, after listening to this week's talk by Dr. Wayne McFarland on "How to Make your Wife a Widow," were forced to conclude they have already overstayed their allotted time.

Bill Bobier gets credit for one of the most entertaining programs of the year.

* * *

FROM FAR AWAY--Yasuski Tamura from the University of Tokyo was a guest of Bronson Rotarian Bob Stocker at Tuesday's meeting.

Other Rotarian guests (in addition to Bob) were: Bud Higbie, Dick Schultz, Don Hunsicker and Wendell Hathaway, also of Bronson; Carlton McKenzie and Newell Burt of Quincy, and Gart DeMink of Kalamazoo.

Jerry Muzzillo, of Ft. Wayne, Ind., was a guest of Torg Skabo, while Max Heineman, CHS senior, was the weekly student guest.

* * *

ABSENTEES--Bacon, Etsweiler, Fiske, Fox, Goodholm, Hawkins, Hill, Hurley, Kornstein, Pennington and Ribble.

* * *

WEDDING BELLS--Today was the big day for our fair accompanist Grace and brother Rotarian Pat. Many happy years.

FROM FAR NORTH--Les and Chuck Woodward, and Fritz Van Aken "made up" last week at Wakefield in the UP. The former brought us a copy of the Wakefield Rotary News Letter. We particularly enjoyed two daffy-nitions:

An egotist is one who is always me-deep in conversation.

An argument: 2% fact; 98% friction.

* * *

NEARBY NEWS--The Vicksburg club will present its annual minstrel show the evening of Feb. 19. Which reminds us the time is fast approaching when our own rehearsals will be getting underway.

* * *

TRAVELING LIGHT--Your editarians plan to go light on their Thanksgiving repasts tomorrow . . . for a good reason. The annual district bulletin editors free feast is slated for Dec. 6 at Schulers.

* * *

PHILOSOPHY PROFESSOR: "Tell me, what is the difference between a cynic and a stoic?"

FOREIGN EXCHANGE STUDENT (from Brooklyn): "A stoic is what brings babies, and cynic is what water runs in."

* * *

BEG PARDON--We listed John Dean as absent last week when it should have been brother Dale. All we can say is that the secretary's D sure looked like a J to weary eyes.

* * *

POHET PETE:

Grace and Pat are man and wife.
We hope they have a wonderful life.
Took hours of thought to say what we mean
You got to admit, we kept it clean.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 20, 1958

NEXT TUESDAY--The members will learn 12 ways of keeping their Rotary Anns from becoming widows.

Bill Bobier, next week's program chairman, has secured Dr. McFarland of the Battle Creek San staff as speaker. His health talk, we understand, is good entertainment as well as educational. Should be interesting.

* * *

THIS WEEK--The club met Coldwater's new police chief, Bruce McGlone, who discussed police work as a profession and reviewed progress made in law enforcement during the 35 years he was an officer with the Michigan State Police. Ralph Toupalik was chairman.

Chief McGlone gave the impression that he knows his business and will do his best to give the city an efficient police service within the scope of his budget and personnel.

* * *

DEER HUNTERS (Most of 'em)--- Absentees this week were Barnes, Biringer, John Dean, Faller, Fiske, Fox, Goodholm, Hawkins, Hawley, Hill, Kornstein, Olmsted, Putnam, Treat, Fritz Van Aken, Waldron, Warren Williams, Chuck Woodward and Les Woodward.

* * *

FROM FAR AWAY--Hank Lacy, with a social welfare classification and hailing from the Rotary club in Ghaziabad, India, was a guest Tuesday. He brought greetings from his club to Coldwater and a banner to commemorate his visit here.

Other Rotary guests were: Dale Ulery, Goshen, Ind.; C. D. McKenzie and Elmer Dobson, of Quincy; Larry Klink and James Bledsloe, Angola, Ind.

Bob Mason, of Grand Rapids, was the guest of Howard Teeter, while young Don Shorno, who really needed no introduction, was the weekly student guest from Coldwater High.

* * *

EARLY LEAVERS--So help us, only two! (Editor's note: It really takes courage to leave when the day's speaker is the city's new police chief).

* * *

HE WORKS FAST--Ed Holtz probably set a new club record when it comes to deer hunting. Leaving Coldwater last Saturday, Ed drove to the Houghton Lake area, snatched a wink or two, went out into the woods at 6 a. m. and bagged his buck at 8 a.m. He was back home Sunday night.

* * *

HEADLINERS (in January Rotarian)-- "Trade: A Path to Peace in the Pacific;" "The Battle at Angkor," by Arnold J. Toynbee; "As One Friend to Another," by Carlos P. Romulo; "Leprosy, a World Report," by Dr. R. G. Cochrane; "Rotary in Asia", and many others.

* * *

PRETTY SHARP--The name of the official bulletin of the Union City club is "The Nairator." Spell it backwards and you get the point.

* * *

DON'T FORGET--The club will host the high school football squad the night of Dec. 2 at the high school cafeteria.

* * *

POHET PETE:

The mighty hunters do return.
Ain't no deer, we soon will learn.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 13, 1958

LOOKING AHEAD--Ralph Toupalik, next Tuesday's chairman, at last report had not revealed the nature of his program. He will have one, however, according to Veep Harvey.

Bill Bobier will chairman the Nov. 24th program and plans to present the physician who spoke to the Kiwanians here recently on the timely subject: "Twelve ways to make your wife a widow."

* * *

LAST TUESDAY--Don Harris presented Annamarie Werner, Wolfram Weber and Frank Willig, the three Rotary-sponsored German foreign exchange students attending Coldwater High School this year.

The trio gave the members an interesting account of the family life, problems and economics of free West Germany.

Talks, such as the ones heard Tuesday, give assurance that the exchange student program is indeed of great value.

* * *

THE WEEK'S GUESTS--Rotarians Dwight Green, Elmer Houghton, Bob Stocker, and C. J. Holmes, all of Bronson; Oliver Farborg, Jackson; and Ted Zimmerman, Quincy. Wendell Ryder, of Albion, was a guest of Warren Williams, while Harry Hockstadt of Jackson, former Coldwater resident, was a guest of Oliver Farborg. Chuck Hutchins, CHS senior, was the weekly student guest.

* * *

ABSENTEES--Barnes, Goodholm, McComb, Olson, Patterson, Rice, Skabo, Thomas and Way.

* * *

ON ROAD BACK--Al Rice is up and around and again spending some time at his desk after winning an argument with his ticker. He still has to take it easy (wish someone would tell us to).

* * *

DATE IS SET--The club's annual banquet for the CHS grid squad will be held the evening of Dec. 2 at the high school cafeteria with Lou Pennington as chairman.

The arrangements will be the same as in previous years. Each Rotarian will be expected to buy two tickets--one for himself and one for a football player. As of now, no formal speeches are planned. There will be recognition for the guests and the showing of movies of some of the high school's games.

* * *

NORTHWARD HO -- The annual trek north is on and a hasty check of members indicates that there will be quite a few vacant chairs at the next two club sessions.

* * *

An itching palm indicates that you are about to receive something.

An itching head that you already have something.

(Albion Rotary Call)

* * *

POHET PETE:

Northward ho, we all go.
To hunt the buck, not the doe.
Pack your rifle, if you choose.
But don't forget to bring the booze.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 6, 1958

NEXT TUESDAY--The three Rotary-sponsored German foreign exchange students attending Coldwater High School this year will give short talks. Don Harris, program chairman, informs Frank Willig, Wolfram Webber and Annamarie Werner will talk on Germany but not on the German educational system--a topic which previous exchange pupils have used.

* * *

THIS WEEK--Doc Pearce came up with an interesting program which featured members of the Coldwater Toastmasters club, who demonstrated a typical club meeting with three talks etc. Clarence Lenon, Judson Corless, Charles Morgan, Wilbur Reed, Max Alderson and Elmer Whiting were the performers.

* * *

ABSENT--Barnes, Burandt, D. Dean, McKeith, Owers, Patterson, Putnam, Ribble, Thomas, Way and Clyde Williams.

* * *

GUESTS--Rotarians Bill Coates and Wally Newberry, Union City; Carlton McKenzie, Quincy, Dick Schultz and Bud Higbie of Bronson.

Rueben Svenson of Indianapolis, was a guest of Joe Riederer, and Royden Swaffield, CHS senior, was the weekly student guest. And last but not least, there was Charlie Hill, Coldwater.

* * *

EARLY LEAVERS--One, who signed (and several others who didn't).

* * *

FLASH--The Ladies Night set for this fall has been cancelled.

* * *

GRID BANQUET--The directors voted today in favor of the club sponsoring a banquet honoring the CHS gridders. The date is December 2nd and it will be a regular meeting.

* * *

TWO-FOLD BACKING--The directors also have decided to give the club's oral and financial ($50 worth) support to the newly created Citizens Advisory Committee on School Needs. The board feels the work to be done by this committee constitutes a civic project meriting the united support of the community.

* * *

ONE-YEAR LAPSE--Keith Avery, who chairmaned the recent Rotary Occupational Information Day at the high school, reports that the majority of resource personnel asked to evaluate the program have opined that it should be a biennial effort rather than a yearly project.

Thirty-four of the 37 participating in a post-program survey, rated the Information Day as "excellent". Two rated it a "fair" success, while one called it "poor".

* * *

EXPANDING--The directors have decided to send three CBS students and one (for the first time this year) St. Charles High School student to the UN Model Assembly to be held at Hillsdale College next March 20-21. The board felt that the program should be expanded to include a representation from the parochial school.

* * *

POHET PETE:

Osgood and the Wheat King
Switched parties for a bet.
The act was deemed illegal
So the cash the club did get.
There must be a moral to this tale,
Maybe we kept them out of jail.
Since we only kept the loot,
We ought to get a fine to boot.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Day Before Hallowe'en

NEXT TUESDAY--Keith Pearce will be acting program chairman and we have learned from the grapevine (Harve Bent) that he plans to present several members of the Toastmasters club. Sounds like a worthwhile deal.

* * *

THIS WEEK--An old friend of Coldwater Rotary, Ken Prettie of Hillsdale, a past district governor, was presented by Ernie Luse, program chairman.

Ken used Rotary Information as his topic and proceeded to give the members a new slant on the privilege of being a Rotarian. At the close, he conducted a quiz covering his talk. Nuff said, we refuse to divulge our score.

* * *

TUESDAY'S GUESTS--Rotarians Clare Hollister, Bob Stocker and Lloyd Junker, Bronson; Carl Margraf, Dayton, Ohio; and non-Rotarians Colin McKenzie, a guest of Chick Kennedy, and James Skinner, guest of Dale Dean. The former is from Windsor, Ontario, while Jim needs no introduction.

Neil Harris, CHS senior, Hi-Y prexy, drum major et cetera, was the week's student guest. Neil is the son of Don Harris.

* * *

ABSENTEES--Barnes, Burandt, Etsweiler, McComb, Rice, Shaw, Teeter, Treat, Weeks, Warren Williams and Les Woodward.

* * *

EARLY LEAVERS--Not many.

SOUNDS REASONABLE--A visiting Englishman asked a Washington politician why it was that the House of Representatives has a Committee on Foreign Affairs, while the Senate has a Committee on Foreign Relations. The politician thought for a moment and then replied; "Senators are traditionally too old to have affairs, I believe, so they merely have relations."

(Courtesy Doc Pearce)

* * *

NOTE TO CARL--We are sure you didn't miss it but a certain local publication carried a photo Wednesday which should pour five bucks into the Rotary Foundation fund. We understand that Joe Riederer, who got nicked this week, is thinking of requesting a volume price.

* * *

THE WAY BACK--The December Rotarian has several headliners, including "I Never Walked Alone", by Tom Ream. A serious auto accident on Thanksgiving Day, 1951, destroyed the muscular control center in Tom Ream's brain. The doctor said he would never again be able to walk. Now, seven years later, Tom tells how, after help from a long parade of medical and other experts, he is able to walk, drive a car, and do many things the doctor thought impossible.

Older members will enjoy "In the Shadoe of 70" by Harry Elmore Hurd, who relates how retirement brings many blessings, including the opportunity of doing what you've always wanted to do.

POHET PETE:

The kids are knockin' at the door.
At Hallowe'en we know what for.
Our's are beggin' and I bet,
They get sick on the loot they get.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 23, 1958

NEXT TUESDAY--Ernie Luse, next week's program chairman, informs us that Ken Prettie, Hillsdale attorney and a former Rotary district governor, will address the club on the subject of Rotary Information.

* * *

THIS WEEK--Warner Van Aken, subbing for Otis Barnes, presented an old friend of the local club, Herman Phillips, of Angola, who used Rotary's 4-Way Test as the topic for an interesting talk.

Phillips, a former Olympic 400 meter star and one time track coach at Butler and Purdue universities, pointed out that Rotary is bigger than the individual member. "Rotary wouldn't miss you if you dropped out," he declared, "but you would miss Rotary."

Herm, a former district governor, is founder of the boys and girls camps at Lake James, Ind.

* * *

SWEET MUSIC--Harvey Bent's announcement of Roy Patterson's engagement to the club's popular organist, Grace Holbrook, was sweet music to everyone's ears.

* * *

ABSENTEES--Barnes (in Health Center with bout of near lock jaw), Dale Dean, Fiske, Goodholm, McComb, Ribble, Rice and Doug Woodward.

* * *

MANY GUESTS--Non-Rotarian guests Tuesday included W. T. Donkin, Coldwater; Casey Medendorp, Coldwater, guest of Ken Putnam; Harry Askin, Marshall, guest of Joe Riederer; Dr. Fred Schwarz of Sydney, Australia and Dr. George Wescott, guests of Bob Shaw; and the following Rotarians made up with us: Dale Ulery, Goshen, Ind.; Ken Yesh, Dick Schultz, Charles Pixley, Bill Cadman, Kenneth Gunthorpe and Nels Weber, all of Bronson; Dave Jordan, Angola.

* * *

EARLY LEAVERS--Nine.

* * *

YUM, YUM--Note the Athens Rotary is planning a pancake supper this Saturday night, 5:30 to 7 p.m. All you can eat for 75 cents. Sounds like a bargain.

* * *

MAKE UP--Harold Goodholm, we note, recently made up a meeting at Battle Creek.

* * *

GAINING GROUND--The district governor's attendance report for September shows a gain for Coldwater over a year ago. Our attendance last month averaged 94.91 percent, a 4.28 gain over our 90.63 percentage mark for 1957. The club stood second among 51-100 member clubs in the district, our Bronson neighbors beating us out for top honors.

* * *

WE FORGOT--A word of praise for Keith Avery and the real job he did in fathering the club's Second Annual Occupational Information Day at the high school. Everyone agrees that the project was a success.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 16, 1958

NEXT TUESDAY????--The recent juggling of programs has us snafued. After a little sleuthing (but not quite enough) we were able to learn that Lou Pennington, who was slated to have next week's program, has been switched to early next year. Otis Barnes, scheduled for Nov 11, will have next Tuesday's program because his date has been given to Jim McComb for Ladies Night, which originally was scheduled for Oct. 7 etc. If you are now confused, so are we.

* * *

THIS WEEK--The club enjoyed (and we say enjoyed advisedly) seeing color pictures taken by Warren and Clyde Williams during their recent Alaskan hunting expedition.

The collection of some 90 slides is well worth seeing. It furnished the club with a half hour of top entertainment. Due to the fact that Clyde was home ill, Warren was stuck with the commentary job. Joe Riederer assisted at the projector.

* * *

ABSENTEES--Bacon, Burandt, Dale Dean, Fiske, Hawkins, Hurley, Kerr, Kornstein, McComb, Patterson, Pennington, Ribble, Rice, Schmitt, Sebald, Waldron, and Clyde Williams. Don't forget to make up men.

* * *

NINE GUESTS--Seven visiting Rotarians and two other guests signed in for Tuesday's meeting. The Rotarinas were: George Hubbard, Union City; Dave Jordan, Angola, Ind.; Bill Moore and Elmer Dobson, Quincy; Bob Stocker, Bob Pennell and Bill Cadman, all of Bronson.

Ralph Olney, former county treasurer and a hunting-fishing devotee, was a guest of Warren Williams.

Jan Bopp, CHS senior, was the first of this year's series of weekly student guests. Rotarians best know Jan as No. 16 in the CHS backfield.

* * *

GET WELL AL--The club was sorry to learn Tuesday that member Al Rice has been hospitalized as result of a heart attack. He might appreciate a line or two from the members.

* * *

GROWING--On Sept. 25 there were 9,954 Rotary Clubs and an estimated 464,000 Rotarians in 110 countries and geographical regions of the world--76 new clubs in 28 countries since July 1, 1958.

* * *

FILCHED--Someone said: "Be not anxious about what you have, but about what you are".

* * *

POHET PETE:

Ah, Autumn is here
With trees all a glitter.
Its the pull of the rake
That makes us so bitter.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 9, 1958

SLOWING DOWN--Karl Darkey, who has a hobby of attending sessions of many Rotary Clubs each year, has been taking it easy this year. As of Sept. 20, according to the Battle Creek club bulletin, he had made but 190. The Attica, Ohio clergyman has visited the Coldwater club two or three times during the past 12 months.

* * * * * *

A REAL BARGAIN--Bill Williams, local pharmacist associated with Rotarian Mac McKeith, who was program chairman, gave an interesting and enlightening talk Tuesday on what he called "The Risks and Rewards of Pharmacy".

Bill pointed out that the five or eight bucks you pay when you get a prescription filled, actually is a bargain. He went on to review the risks and costs involved in producing the drugs prescribed for today's medical treatment.

* * * * * *

TUESDAY'S GUESTS--Rotarians George Jeffery, Jack Schafer, Lloyd Junker, Bud Higbie and Dick Schultz, Bronson; Grove Van Middlesworth, Climax; Jack Ashcomb, Adrian; George Hindenach, Marshall; Carl Margraf, Dayton, Ohio; Carlton McKenzie, Quincy; Howard Eggleston, Toledo, Ohio; Gerry DeMink, Kalamazoo.

Howard Teeter had Bob Mason of Grand Rapids as his guest.

* * * * * *

ABSENTEES--Allemier, Bacon, Barnes, Faller, Fiske, Goodholm, Hawkins, McComb, McKeith, Patterson, Rice, Riederer, Thomas, Waldron, Doug and Les Woodward.

* * * * * *

EARLY LEAVERS--Ten (Too many).

* * * * * *

ROTARY READING--The October issue of The Rotarian has many interesting articles such as "Look Into Space", "Operations Research", "A Siamese Sojourn", "Denmark's School for Salvaging Young Lives", "Euration", etc.

* * * * * *

OUR SYMPATHY--goes to Ken Olmsted in the loss of his mother, Mrs. Anna Olmsted, who died this week after spending her entire life in Branch County and Coldwater.

* * * * * *

ROTARY THOUGHT--A Hindu, Moslem, Buddhist, Jew, Christian, even an atheist, can believe in and practice Rotary's ideal of service. Politically, Rotary is almost universally acceptable --an autocracy or a democracy can approve its principles .... history will prove "service above self" to be essential to social progress.

--Ripon (Wis.) Rotary

* * * * * *

DEADLOCK--The usual Tuesday "quarterbacking" on Saturday's UM-MSU game wound up in the same way as the game itself-- a tie with both sides claiming a moral victory.

* * * * * *

NEXT TUESDAY--There will be a program, that's all we know.

* * * * * *

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 2, 1958

HAIL AND FAREWELL--The club has gained and lost a member this week.

The new member is Herman Koelbel, who was introduced to the members by Bob Shaw. Herman is a native of Jackson, graduated from high school there in 1937, attended Jackson Junior College and Walton's School of Accounting in Chicago. He is a former member of the Tecumseh Rotary Club, is now associated with M. T. Shaw, Inc., and with his Rotary Ann, Peg, and their two sons, resides at 149 N. Clay St.

The member lost is Barney (Old Reliable) Trebilcock. Barney, who recently accepted a position with the Planning Division of the State Highway Department, tendered his resignation "with regrets" to the Board at its October meeting. The board accepted it "with regrets". We are sure the club joins us in expressing the hope that some day, some way Barney will be back with us.

* * *

NEXT TUESDAY--The Ladies Night originally planned for next Tuesday has been postponed and there will be a noon meeting at the Temple. In the program switching, MacMcKeith got next Tuesday's assignment. We understand he plans to present a program appropriately observing National Pharmaceutical Week.

* * *

THIS WEEK--The program this week was arranged by Chet Allemier and presented by John Dean with an assist from Ax Olson. It featured a film produced by the Gaines Dog Food Co., showing the various types of hound dogs at work in the woods and fields.

* * *

FEW GUESTS--The club had one of its shortest guest lists in weeks, only a trio of visiting Rotarians, John Williams of Quincy, Howard Eggleston of Toledo, Ohio, and Nels Weber of Bronson, signing in.

* * *

ABSENTEES--Allemier, Dale Dean, Faller, Goodholm, Hill, McConkey, McKnight, Ribble, Rice, Riederer, Trebilcock, Wa dron, and Les Woodward.

* * *

EARLY LEAVERS--Six who signed (and some others).

* * *

DAFFYNITION--Married life is just one undarned thing after another. (Anonymous--probably for a reason).

* * *

PROGRESS--Ex-President Les Wise informed the other board members this week that new signs, chronicling the fact that the club now meets at the Elks Temple instead of the hotel, will soon be ready for erection at the four main entrances to the city.

* * *

THIS MONTH--The annual Coldwater Community Chest campaign will be staged later this month. Many local and national organizations which merit your support depend upon these annual drives. Now is the time to be thinking about what you can and should give.

* * *

POHET PETE:

We bid farewell to Barney
And the barbecue so good.
But the thing we'll notice most
Is the hole wherein he stood.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 25, 1958

DON'T HOUND US--Chet Allemier, Next Tuesday's program chairman, tells us he has secured a 25-minute film dealing with various types of hound dawgs. A timely topic what with the hunting season soon coming up. Chet won't be at the meeting but John Dean will pinch hit for him.

* * *

THIS WEEK--Mark Andrews presented Congressman August Johansen, who gave a sharply critical summary of the 85th Congress. Johansen, observing Rotary rules, did a masterful job of presenting his report in a non-partisan manner. His views on the threat in the Far East and on heavy federal spending were heard with evident interest.

* * *

TUESDAY'S GUESTS--Rotarians Dwight Green, Paul Work, George Jeffery, Bob Pennell, Jack Schafer and Lloyd Junker, all of Bronson, and Howard Eggleston of Toledo, O; Carlton McKenzie of Quincy, and Carl Margraf of Dayton, O.

Fred Weeks had Bill Donkin and Carl Linn as his guests, while Sen. John P. Smeekens was a guest of Mark Andrews.

* * *

EARLY LEAVERS--Four.

* * *

ABSENTEES--Barnes, Burandt, Dale Dean, Kerr, Olmsted, Owers, Pearce, Putnam, Thomas and Trebilcock.

* * *

MAKES UP--Conrad Swart made up last week's Rotary session in Fremont, Neb. He brought home for ye bulletin eds, an interesting copy of the Fremont club's publication, called "The Spokesman". In the edition was a Thought For The Day--"The cost of living is still about the same--all a fellow has." Amen.

* * *

NOT BAD--President Dick reported Tuesday that the club's 4-H Fair project netted $337.07 this year.

* * *

BRIEFING SESSION--A Rotary Information meeting for new members was held Monday night at the home of President Dick. The staff presented a clear and concise picture of Rotary and, we have been told, even old time Rotarians present learned several new facts.

* * *

SAFETY HINT--When approaching schools, use your eyes and save the pupils.

* * *

HOME, SWEET HOME--Warren Williams and son, Clyde, were at Tuesday's meeting, having returned from what we understand was a highly successful big game hunting expedition to Alaska.

* * *

POHET PETE:

We made money at the Fair.
Could say more if we dare.
Over $300 dollars we made this year
In 15 years we'll be in the clear.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 18, 1958

LOTS OF ORCHIDS--To Phil Ribble, who chairmaned the annual stag at Coldwater County club this week. Those who attended (and most of the membership did) had a wonderful time. The dinner was excellent and the program entertaining.

Phil is used to gambles (ouch) but he wasn't taking one when he secured Monk Watson for the after-dinner portion of the evening.

Monk always amazes us with his versatility and the 75-minute program he presented was, in our humble opinion, tops.

However, it is fortunate that he didn't produce his never-empty Indian jug until after dinner. Had he not waited, the bar would have lost money and some of the boys might not have been around to enjoy the fine swiss steak the Martins served.

Monk, incidentally, offered his services for the next minstrel show. Heck, he could put on the whole show himself. . . . and it would be a dandy.

* * *

ABSENTEES -- No list.

* * *

VISITORS -- No list.

* * *

EARLY LEAVERS--Only George Owers, who had to attend a city planning commission session.

* * *

NEXT TUESDAY--Mark Andrews is chairman. We can't tell you what he has planned because he was holding court when it occurred to us to find out.

* * *

HELP, HELP--Every editor has good and bad days. The good days are when he has just enough news to fill the space allotted to him. The bad days are when there is too much or too little news. Personally, we'd rather have too much than too little. It's a lot easier to cut than to stretch.

All of which is just another way of saying that this week there seems to be a serious drouth of bulletin items.

So, with nothing more to say, we'll turn the balance of this page over to our colleague, Pohet Pete, in hopes he can contribute more than we have managed to produce.

POHET PETE:

Ol' Pete sometimes runs dry, too
Guess we'll go out and sop up a few.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 11, 1958

THE STAG AT EVE--There will be no luncheon meeting next Tuesday. Instead, the members will assemble at the Country Club (not "Monan's rill") for the annual club stag dinner and evening.

Phil Ribble, chairman of this year's shindig, says it will be well worth the $3 fee. There are reports that Monk Watson will head the evening's entertainment. Need we say more?

Oh yes, the hour for feeding will be 6:30.

* * *

THIS TUESDAY--Chairman Keith Avery came up with Don Shorno's son, Don, Jr., who spent the past summer in Germany under Michigan Youth for Understanding program.

Young Don gave the members an interesting account of his experiences and impressions of West Germany. He also displayed some excellent color slides taken in Germany and at the World's Fair in Brussels.

* * *

EARLY LEAVERS--Just two!

* * *

ABSENTEES--Barnes, Hawkins, Russ Moore, Pennington, Ribble, Trebilcock, and (apparently still in Alaska) Clyde and Warren Williams.

* * *

FOUR GUESTS--The club had four visiting Rotarians, Paul Dolembo of Valparaiso, Ind., Lloyd Junker of Bronson, Carl Margraf of Dayton, Ohio, and Carleton McKenzie from Quincy, as its guests this week.

* * *

PAT ON BACK--President Dick has received a letter from RI praising our club on its well-rounded program. Chances are he will read it in full at the next regular session.

* * *

FINE MEMORIAL--One member has donated a $10 check to the Rotary Foundation in memory of Maurice Payne. Others who may wish to express their gratitude for Maurice's long and faithful club service in a similar manner, may send their checks to Secretary Chick.

* * *

A HELPING HAND--The directors, at their September meeting last week, voted to contribute up to $300 in club funds to help pay hospital charges for rehabilitation treatment received by Howard Titus at University hospital.

* * *

COMING UP--President Dick and Secretary Chick are working on a set of new by-laws for the club.

* * *

SIGNS OF THE TIME--Past President Les Wise has accepted responsibility for securing and placing new highway signs giving the time and the new location of club meetings. The old signs, giving the hotel as the club's meeting place, are being removed.

* * *

POHET PETE:

Businessmen, have some fun,
The recession is on the run.
The surest sign, if you like,
Is the UAW may call a strike.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 3, 1958

NEXT TUESDAY -- Keith Avery, next week's program chairman, is borrowing Don Shorno's son as his offering.

As most members know, young Don recently returned from Germany where he spent the summer under an exchange student program. He will relate his experiences and give us his impressions of the places and peoples visited.

* * *

THIS WEEK--State Senator Joe Smeekens, who addressed the club several months ago after a whirlwind tour of the Middle East and Russia, played a return engagement Tuesday.

Sen. Joe's intentions of exhibiting color photos he took in Moscow were thwarted when the projector jammed, but he proceeded to give his audience a vivid visual picture of the people and conditions behind the "iron curtain".

Joe Riederer was program chairman.

* * *

VACATION'S OVER--Tuesday's short guest list was indicative of the fact that Summer is just about over.

Only five visiting Rotarians and one other guest signed in. The five were: Carlton McKenzie, Quincy; Bob Higbie, Lloyd Junker and Bob Stocker, all of Bronson; and Dave Jordan of Angola. Arch Stocker, of Sarasota, Fla., was a guest of son, Bob.

* * *

ABSENTEES--Burandt, Curry, Dale Dean, Faller, Goodholm, Hawkins, McComb, Dick and Russ Moore, Olson, Patterson, Thomas, Treat, Trebilcock, Way, Clyde and Warren Williams.

* * *

EARLY LEAVERS--Far too many.

* * *

IN THE PLANNING--A Rotary District Institute for club presidents, bulletin editors, Rotary Information committee chairmen, classification committee, district governor's special representative, the district governor and counselor. Date and place to be announced.

This institute will consider some of the items outlined in RI President Clifford Randall's challenge for this year, namely:

"Daring to face the present"
"Sharing the object of Rotary"
"Finding your personal path to peace"
"Strengthening our heritage"

* * *

HEADLINERS (in October Rotarian)--"A Two-Year Look into Space", by Willy Ley; "Operations Research," by James Butler; and "Denmark's School for Salvaging Young Lives," by B. Bulow-Jacobsen.

* * *

POHET PETE:

Pardon us for being bold
But do you know we're getting old.
The time grows shorter day by day,
To take back some of things we say.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 28, 1958

A RICH HERITAGE--Coldwater Rotary lost a beloved member Saturday.

Maurice Payne always placed "service above self" in his club and daily activities, and was a real Rotarian in every sense of the word.

We couldn't help thinking Tuesday when District Governor Ritchie was saying that community service is the justification of the mission of Rotary, that his words described Maury's leadership in the club and community during the past quarter century.

Maurice's passing will leave a big void in the club. His fellowship and leadership will be sorely missed. His death was a personal loss to each and every one of us.

However, the privilege of having known him, having witnessed his amazing courage in face of the inevitable, and having enjoyed the warmth of his dynamic personality is a heritage bequested to few men.

* * *

CLUB ASSEMBLY--The annual club assembly was held Tuesday night with President Dick presiding and District Governor Frank sitting in on the session in an advisory capacity.

The assembly started with a dinner at the Country club with the officers, directors, chairmen and some of the sub-chairmen present.

During the evening the reports of the various chairmen and sub-chairmen, outlining their plans for the coming year, were discussed.

There is not room to review all of the activities planned. We'll say this, however. It looks like a busy year ahead.

District Governor Frank expressed pleasure over the Coldwater club's attendance record. It still can be improved, however.

* * *

TUESDAY'S GUESTS--Dave Jordan, Angola, Archie Schufelt, Hillsdale; Elmer Dobson, Quincy; Walter Bender, Middletown, Ohio; Dick Schultz, Bronson; Jerry Smith, Niles; Dick Kerr, Battle Creek; Bob Mason, Grand Rapids; and Harold Walgren, Chicago.

* * *

EARLY LEAVERS--six.

* * *

ABSENTEES--Bacon, Faller, Fiske, Hawkins, Kennedy, McKeith, Russ Moore, Pennington, Ribble, Thomas, Toupalik, Way and Warren Williams.

* * *

CALL OF THE WILD--Clyde Williams told us at the club assembly that he was leaving this week to join father, Warren, in Alaska for a hunting trip.

* * *

POHET PETE:

The Gov. said he liked our verse
So this week we're being terse.
No sense workin' when we're ahead
Think we'll knock off and go to bed.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 21, 1958

BANNER DAY--Next Tuesday is the BIG DAY. District Governor Frank Ritchie will make his annual official visit to the club. He will be heard at the noon session and will be the key figure at the annual club assembly in the evening.

District Gov. Frank is area manager of Consumers Power Co., and is a member of the Hastings club. He is a former member and past president of the Howell and Grand Ledge clubs and has been a Rotary member since 1936.

The Coldwater club has had two 100 per cent meetings within the past year. How about making it another next Tuesday?

* * *

IT WAS FUN--The club played host this week to about 50 4-H club boys and girls at a luncheon served at the fairgrounds.

The meal, featuring fried chicken, gravy and bisquits, and apple pie a la mode, was enjoyed despite a lack of elbow room.

The luncheon is an annual affair --one which the members enjoy, especially some of the younger members who seem to have the best luck in selecting the most comely dinner partners.

* * *

MISSING FACES--Avery, Curry, Fiske, Goodholm, Hill, Kennedy, McKeith, Russ Moore, Olson, Owers, Pennington, Ribble, Sebald, Skabo, Thomas, Trebilcock and Warren Williams. Don't forget to make up, fellas.

* * *

THIRTEEN GUESTS--Tuesday's guest list was made up of 13 names: Bud Davis, Carmi, Ill.; Tom Venable and Bill Haveman, Middletown, Ohio; Rowle Greenslade, Bridgeville, Pa.; Bud Higbie, Bronson; Bob Jones, Adrian; Dudley Campbell, Rushville, Ind.; Larry Plumb, Toledo, Ohio; Fred Weeks, Jr., Ft. Bragg, N.C.; Tom Grove, Bridgeville, Pa.; Chuck Hill and Ken Yesh, Bronson.

* * *

INVITATION--Members of the neighboring Quincy Rotary Club are planning to honor one of their active members, the Rev. Bill Cruthers, by attending the morning service at his church, the Union church in Quincy.

Carleton McKenzie, who should rate an honorary membership in the local club (he attends regularly enough), has invited Coldwater Rotarians to join the Quincy club in its tribute to Bill.

The service at the Union Church Sunday is scheduled to start at 9:50.

* * *

IMPROVEMENT--Coldwater had an average attendance of 93.37 per cent during July of this year, a gain of 2.26 per cent over last year's July percentage of 91.11.

* * *

HAS A POINT--Doug Bullock, Three Rivers, philosophizes: "One reason many of us can't afford an European vacation is because our dollars made the trip without us."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 14, 1958

NEXT TUESDAY--There will be no meeting at the Elks Temple. Instead the club will assemble at the Coldwater Grange booth at the 4-H Fairgrounds for its weekly luncheon.

As in the past years, each Rotarian will have a 4-H club boy or girl as his guest.

The club will be operating its concession at the fair next week. Each member assigned to work has been so informed. The important thing now is to report for work at your scheduled time.

Instead of the Dairy Queen operation of the past two years, the Rotary stand this year will sell a batter-dipped hot dog and several other items. It will be just our luck to have next week be blistering hot. See ya at the fair.

* * *

NO QUESTIONS--When Ken Leavenworth, Coldwater plant manager of Climax Molybdenum of Michigan, got through addressing the club this Tuesday, there was no flood of questions. REASON: Probably none of the boys felt qualified to ask intelligent questions.

Moly metal alloys are new, as well as the processes used to produce them. The manager of Coldwater's newest industry did a good job of presenting a highly technical subject and giving the club members some idea of what will be done at the new plant here when it gets into operation later in the year.

Noel Shedd, program chairman for the week, introduced the speaker.

* * *

A LONG, LONG LIST--This week's guest list was the longest in many sessions. It included the following visiting Rotarians: Charles Osborn, Niagara Falls, N. Y.; Jack Brown, Wapakoneta, Ohio; Jim Shaver, Las Vegas, Nevada; John Elwell, Hamilton, Ohio; Tom Weaver, Dayton, Ohio; A. D'Antoni, Huntington, West Virginia; Bill Nimmo, Butler, Ind.; Nels Webber, Bronson; Carlton McKenzie, Quincy; and Willard Norris of West Milton, Ohio.

Sen. Joe Smeekens was a guest of Doc Pearce; Bart Strahley of Toledo, Ohio., and Hugh Clancy of Honolulu, were guests of Wayne Way; Leonard Schroeder of West Milton, Ohio was a guest of Willard Norris; Robert Boatman, Grand Rapids, was a guest of George Owers, and Fred Anderson and Olin Dally, both of Coldwater, were guests of Noel Shedd.

* * *

ABSENTEES--Allemier, Dale Dean, Faller, Goodholm, Holtz, Kerr, McKnight, Olmsted, Olson, Patterson, Teeter, Vinton, Waldron and Warren Williams.

* * *

NOT BAD--Only two early leavers.

* * *

KERCHOOOOOoo--Russ Moore is escaping the hay fever season in his cabin hideout near Harbor Spring. By postal card he informs us that he is making up Rotary by attending meetings of the Petoskey club.

* * *

POHET PETE:

Oh, come to the Fair.
Rotary will be there.
We don't make much money.
But our stand is a honey.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 7, 1958

NEXT TUESDAY--Ken Leavenworth, manager of the new Coldwater plant of Climax Molybdenum, is to be next Tuesday's speaker, according to Noel Shedd, who has the program.

We don't know what Ken's subject will be but we do know the members will enjoy meeting and hearing him.

* * *

DOWN TO EARTH--This week's program featured a film entitled "The Spud and You". The movie, produced by the MSU Food Distribution Curriculum, showed why the American people are the best-fed in the world.

E. Lee Feller, local nationally-recognized food distribution expert, gave a short talk introducing the film. Bill Milnes was program chairman.

* * *

NINE GUESTS--Tuesday's guest list included Rotarians Dave Jordan, of Angola, Percy Fish of Kalamazoo, Carl Margraf of Dayton, Ohio, Rell Ambrose of Oxford, Ed Meyer of Hammond, Ind., and Clare Hollister of Bronson; also Stan White of Hillsdale, guest of Doc Pearce; Richard Darling of Mansfield, Ohio, guest of Otis Barnes, and Frank Hairston of St. Louis, Mo., guest of Ed Holtz.

* * *

ELSEWHERE--Prez Biringer (reportedly up north on vacation), Burandt, Curry, Kornstein, McComb, Owers, Patterson, Putnam, Ribble, Riederer, Thomas, Treat, Trebilcock, Waldron, Warren Williams, and Chuck Woodward.

* * *

EARLY LEAVERS--Just four.

* * *

WITH REGRETS--The directors, at their monthly meeting today, regretfully accepted the resignation of three members, Bill Short, Erich Schwengel and Ray Mulchahey. All three tendered resignations because of business conditions which prevent them from attending meetings regularly.

* * *

SHARE PROJECT COST--The board also voted today to help share the cost of the new fence being erected at Maple Lawn hospital. The directors agreed that Rotary pay the same amount toward this project as Kiwanis and the Lions.

* * *

TO PLAY HOSTS--Rotary again this year will play host to 50 Branch County 4-H members at the August 19th luncheon. This date, of course, will be during 4-H Fair week in Coldwater so the luncheon will be switched to the fairgrounds that week as in the past several years. The Coldwater Grange stand will be the site.

* * *

ON ATTENDANCE--While making up two meetings at Roscommon recently, we heard that club's attendance chairman chiding the members because the club slipped to 81-per cent attendance during June. The Roscommon club has 35 members. We therefore enjoyed hearing Veep Bent announce this week that Coldwater's much larger club had a 94 per cent record for the same month.

August 1, 1958

James M. Hare, Secretary of State, was our speaker at Tuesday's meeting and told of the new point system for re-examination of drivers which recently took effect.

Some interesting points were brought out by Mr. Hare concerning Highway Safety in Michigan.

He revealed that traffic deaths in the state have dropped every year since 1955. In 1955 there were 2,000 deaths and in 1956, 1,700, and 1957 1,500 and the department expects about 1,200 to be killed this year.

Several problems were aired by the secretary, among them was the problem of the new point system. The number of accidents has nothing to do with the new plan. In other words you may have as many accidents as you want to but don't get a ticket.

Under the point system, if a driver accumulates 12 points over a two year period he must be called in for re-examination. Points may be awarded for such things as man-slaughter - 6 points, drunk driving - 6 points, reckless driving - 6 points, speeding 15 miles over limit - 4 points, speeding less than 15 miles over the limit - 3 points, disobeying a traffic signal 3 points, all other moving violations - 2 points.

We covered Mr. Hare's talk well because we thought these points needed repeating and we don't have too much news this week.

Guest Rotarians at Tuesday's meet included: Lloyd Junker and Robert Stocker from Bronson, Ed Meyer from Hammond, Ind., T. A. Weaver from Dayton. James Skinner was the guest of Bill Milnes. Helmer Odden was visiting the old home town and was the guest of Charlie Fiske. Incidently, Helmer now lives in Newton, Kansas.

* * *

Early leavers were: Frank McConkey, Don Shorno, Bert Faller and Chuck Schmitt.

Absent were: President Biringer, Bovee, Burandt, Etsweiler, Goodholm, Kerr, Ribble, Toupalik, Warner Van Aken, Waldron and Way. Needless to say, these men will get calls from the membership committee.

* * *

Bill Milnes will be next week's program chairman and he informs your editors that his speaker will give out with some facts on the grocery business. No advertising we hope, Bill.

* * *

Keith Avery passed out a list of possible subject for our coming Occupation Day at the High School. If you know of someone who can handle one of these subjects contact Keith right away.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 17, 1958

NEXT TUESDAY--The club has a treat in store next week according to Gust Burandt, program chairman.

Robert Webber, of Jackson, 1957-58 Rotary Foundation Fellowship-Student at University of Glasgow, Scotland, will be next Tuesday's speaker.

Robert is a graduate of Jackson High School and Albion College, and attended the Boston University School of Theology. He had an outstanding record in college and was sponsored for the Rotary Foundation Fellowship by the Jackson club.

* * *

FISHING TIPS--Members who like to wet a line got some helpful hints this Tuesday from a couple of experts.

Ehrle Schmedlen, sales representative of the Heddon Co. and a nationally recognized fly and bait casting expert, and E. Pierson Merlau, fishing instructor for the city's summer recreation program, were the speaker.

Schmedlen discussed the growth of fishing as a sport and the need for preserving and developing good fishing spots.

Merlau reviewed the interest of Coldwater youngsters in the sport, as evidence by the one-year growth in his classes. He urged Rotarians who like to fish to share their enjoyment by inviting some boy to go with them.

* * *

ABSENTEES--Andrews, Fox, McConkey, Mulchahey, Olson, Patterson, Pennington, Ribble, Rice, Riederer, Schmitt, Schwengel, Short, Fritz Van Aken and Warren Williams.

* * *

LONG GUEST LIST--Barney Trebilcock had Roy Truesdale of Grand Rapids as his guest Tuesday, while Wayne Way hosted son Jim, Mac McKeith had Bob Hyman of Coldwater, and Bill Bobier had Bob Stine of Dearborn.

Rotarian visitors included: Ken Miller of Detroit, Ted Zimmerman of Quincy, Carl Margraf of Dayton, Ohio, Ed Meyer of Hammond, Ind., Harold Dawson of St. Petersburg, Fla., and six Bronsonites, Bill Campbell, Ray Smith, Wendell Hathaway, Chuck Hill and Dick Fulton.

* * *

VACATIONING--Con Swart, we understand, plans his first make up next week on foreign soil while on a vacation trip through Canada and New England. . . . The Warner Van Akens also are planning a trip East . . . Bulletin Co-Editor Bovee and his Rotary Ann, Clara, are leaving Saturday for two weeks' of pure loafing up at Higgins Lake in one of Red McKnight's cottages.

* * *

GETTING CLOSE--The District Governor's visit is only about a month away. How about those reports? Time's awasting.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 10, 1958

PAGING JESS--Ole Izaak Walton Waldron and other club members who like to wet a line will enjoy next Tuesday's program. Bob Kerr, next week's chairman, tells us he has hooked Ehrle Schmedlen, local fly and bait casting expert; Pierson Merlau, who is serving as fishing instructor for the summer city recreation program, and Jack Tighe of Bronson Reel to talk, demonstrate and even instruct in the art of fly casting and the use of spinning reels.

* * *

VACATION NEWS--Bill Bobier and family recently returned from a three-week motor trip to the west coast. Points of interest visited included Los Angeles, Disneyland, Grand Canyon, Yosemite National Park, San Francisco (and the Fisherman's Wharf naturally), Donner Pass, Salt Lake City (where they saw the great Mormon Temple), Reno etc. Bill tells us that Coldwater "looked mighty good" to him at the end of the trip . . . Joe Reiderer headed in the other direction this week to do a little deep sea fishing in the Chesapeake Bay region.

* * *

THIS TUESDAY--Chuck Woodward, chairman, presented Art Van Matre, city recreation director, who reviewed and demonstrated work being done by his department in the field of promoting water safety.

Club members seemed most impressed by the fact that 708 boys and girls are receiving free swimming instruction twice weekly this summer.

* * *

THE WEEK'S GUESTS--Tuesday's visiting Rotarians included E. W. Burkey of Mantau, Ohio, Don Soldwedel of Yuma, Ariz; Glen Barnett and Bob Stocker of Bronson, and Carlton McKenzie of Quincy. Ken Turner, of Detroit, was a guest of Howard Teeter.

* * *

MISSING FACES--Andrews, Burandt, Fox, Hurley, Mulchahey, Olson, Patterson, Pennington, Schmitt, Shaw, Short, Skabo, Fritz Van Aken, Vinton, Waldron, and Wise.

* * *

EARLY LEAVERS--Eleven.

* * *

ANOTHER SHOW--The directors have decided that the club will produce another minstrel show next year. The profits will be turned over to the Health Center to help start a physical therapy department.

According to John Etsweiler (who should know) such a department would shorten the hospital stay of many patients. Shorter hospital stays might some day lead to lower Blue Cross payments.

* * *

PAY IF YOU DON'T--Due to the club's guarantee of paying for a set number of meals each week, the board of directors has established a new rule.

Briefly, it is this. If you miss a meeting and don't make up elsewhere, you pay for the meal you missed. The rule should help our attendance record.

* * *

POHET PETE:

All you end men, keep in tune,
  Another Minstrel's coming soon.
Aren't you happy you were picked?
  Again next year you may be nicked.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 2, 1958

VACATION TIME--Ray Fox is leaving Sunday for two weeks of fishing and sightseeing in Montana.

Ernie Luse and his Rotary-Ann, Ruth, have just returned from a 10-day river trip on the S.S. Delta Queen. They left Cincinnati June 20 and floated down the Ohio, Mississippi, Tennessee and Cumberland rivers . . . entered the Kentucky Lock and then into Kentucky Lake. They also spent one day at Reelfoot Lake, Tenn.

Howard Teeter and his Rotary-Ann, Marian, recently enjoyed a business-pleasure trip when he attended an Equitable Group Millionaire's meeting at Edgewater Park, Miss. They stopped at Churchill Downs (5 days too late for the Derby), then visited Nashville, Birmingham, Montgomery and attended Rotary at Gulfport. Also visited New Orleans and after three nights on Bourbon St., consider themselves Dixieland experts. They returned by way of Baton Rouge, Memphis, Indianapolis (six days too early for the "500" but did see some fast driving). Oh yes, the trip was planned by courtesy of Payne's Auto Club.

* * *

CHANGE OF PACE--There was no guest speaker Tuesday, which marked the start of a new club year. Instead, President Dick Biringer called on his four major committee chairmen to outline club plans for the coming year.

Sounded like a busy year ahead with another minstrel show, high school career day, the club sponsoring two and perhaps three international exchange students, and many other projects now in the planning stage.

First order of business, according to Dick, is the little matter of getting reports ready for the District Governor's visit next month. The various chairman are asked to file their reports by next Tuesday's meeting.

* * *

ROTARIAN GUESTS--Carl H. Margraf, Dayton, Ohio; Walter Bender, Middleton, Ohio; Charles Goll, Stryker, Ohio; Robert Stocker, Chuck Hill, Jack Schafer and Lloyd Junker, Bronson; and Ed Meyer, Hammond, Ind.

* * *

MISSING FACES--Bacon, Dale Dean, Hawkins, Joseph, Kornstein, McComb, Mulchahey, Olmsted, Olson, Patterson, Ribble, Rice, Riederer, Shaw, Short, Toupalik, Treat, Trebilcock and Waldron.

* * *

EARLY LEAVERS--Eight.

* * *

DATE SET--October 15 has been selected as a tentative date for this year's high school "career day". This Rotary-initiated project is to be expanded this year with students from St. Charles high school being invited to participate along with those from Coldwater High.

POHET PETE:

All winter long we prayed for heat
Now that it's here we're nearly beat.
We're always looking for what it's not
But we know one thing, it's too darn hot.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 26, 1958

NEXT TUESDAY--President-elect Dick Biringer and the new slate of officers and directors will start their year.

The program will consist of reports by the major chairmen and their aides concerning plans for the coming Rotary year.

In this regard, Ye Bulletin editors are happy to report that our 1958-59 issues will continue to carry the contributions of Pohet Peet as a weekly feature.

It was quite a battle, involving long debate over such major issues as cost-of-living pay increases, fringe benefits etc., but we won out. Peet will be with us another year.

* * *

THIS TUESDAY--Wayne Way, program chairman, came up with a top-notcher in Dr. Jack C. Elliott, former Coldwater boy now a Michigan State University professor.

Dr. Elliott recently spent two years teaching on Okinawa under a program set up by the federal government and MSU, and he gave the club members an interesting word picture of that island, its inhabitants, industry, culture etc.

The speaker illustrated his talk with color pictures.

* * *

THIS WEEK'S GUESTS--Rotarians Karl Darkey, Battle Creek, Dale Ulery, Goshen, Ind.,; Harry Van Arsdale, Woodburn, Ore; Carlton McKenzie, Quincy; and Howard Eggleston, Toledo, Ohio.

Rudy Bauman, of Lansing, was a guest of Bob Hawley.

* * *

MISSING FACES--Bobier, Dale Dean, Etsweiler, Hawkins, Hurley, McConkey, McKeith, Olmsted, Patterson, Pennington, Shaw, Shorno, Waldron, and Clyde Williams.

* * *

NEW FACES--Two new members were welcomed into the club this week. The introductions were done by Ed Holtz and Doc Harris, although neither of the new members needed one.

Both Conrad Swart, who owns and operates Swart's One-Stop Market out Marshall St., and Dr. Charles Bacon are well known in local circles and both are real additions to the club. Welcome aboard, fellas!

* * *

HAIL AND FAREWELL--Prez Les Wise presented President-elect Dick Biringer with a new gavel to use when the latter takes over the job of presiding at club sessions next Tuesday.

In turn, Les was presented with a past-president's pin with Fritz Van Aken, a past-president himself, doing the honors.

* * *

THOUGHT FOR THE WEEK--Hope you fellas supply us with more news items next year.

* * *

POHET PETE:

Another Rotary year has past
A new flag now heads up the mast.
Dick has taken over rule,
With your fines, please don't be cruel.

The Singingest Club in the U. S. A.

June 19, 1958

HOMECOMING--Wayne Way, who has charge of next Tuesday's program, informs us that Dr. Jack C. Elliott of the Botany Department at Michigan State University, will be the speaker.

The program will hold double interest for many of the members who recall when Jack was a Coldwater boy. Jack is the son of Joe H. Elliott, a graduate of Coldwater High and Albion College and before turning to the teaching profession, was at one time circulation manager of a certain local daily newspaper.

Dr. Elliott and his family returned to East Lansing not too long ago after spending two years in Okinawa, where he taught under a program set up by Michigan State. Wayne informs us that Tuesday's talk will deal with Jack's Okinawa experiences.

* * *

THIS TUESDAY--Dr. Charles Bacon exhibited a series of colored slides taken while he was in military service and stationed in Austria and Germany.

Doc's pictures were worth viewing and his running commentary made the program doubly enjoyable.

Harold Hill was program chairman and drafted Doc Harris to give the speaker a nifty introduction.

* * *

EARLY LEAVERS--Nine (no comment).

* * *

TUESDAY'S GUESTS--Ernie Rice, veteran Battle Creek club member; also Rotarians Carl Margraf of Dayton, Ohio, and Bud Higbie and Lloyd Junker of Bronson

Other guests included Jack Brandt, of Lubbock, Texas, a brother-in-law of Charlie Fiske, and Bob Mason of Grand Rapids, guest of Howard Teeter.

* * *

ABSENTEES--Bobier (in California), Allemier, Curry, Dale Dean, Goodholm, Kornstein, Olmsted, Patterson, Shaw and Short.

* * *

KEEP IN MIND--The annual visit of the District Governor to our club is scheduled early this year.

This fact, of course, means that the various chairmen who have to prepare reports in advance of his visit should be hard at work on them now.

* * *

GOOD TIMING--The Hillsdale club this week had Nick Kerbawy as speaker and we rather imagine the boys plied Nick for background info concerning his shift from general manager of the Detroit Lions to a similar spot with the Zollner Pistons. Nick, incidentally, is a Hillsdale College grad and taught school in that city.

POHET PETE:

We got a brand new jail house.
Real nice roomin' for the louse.
At least it's nice while lookin' in,
But from inside its hard to grin.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 12, 1958

IT CAN BE DONE--The club attained a 100 per cent attendance for its June 3 meeting when four absentees "made up".

* * *

NEXT TUESDAY--Harold Hill, next week's program chairman, plans to present Dr. Charles Bacon, who willshow pictures of Austria and Germany and discuss some of his experiences while stationed there.

* * *

FAR FROM DULL--A talk on motor oils doesn't sound exciting but Doug Clay, district manager of Standard Oil, handled the topic in a bang up manner Tuesday.

Clay, who hails from Lansing, and formerly was boss of the week's program chairman, Bob Hawley, gave the members expert information concerning their cars and lubrication.

We understand some of the members have since wondered if "additives" might improve the kind of oils with which some people get "oiled".

* * *

VACATIONING?--The absentee list jumped this week with Avery, Bobier, Burandt, Dale Dean, Faller, Goodholm, Holtz, McKnight, Mulchahey, Pennington, Rice, Schwengel, Short, Toupalik, Vinton and Doug Woodward being among the missing.

* * *

SHORT BUT SWEET--Tuesday's guests were Rotarians Carlton McKenzie, Quincy, and Harold Robinson of Battle Creek. Jess Waldron had Bob Staffeld of Detroit as his guest.

* * *

ANNUAL FEAST--The old and new officers and directors met at Gracie's Tuesday night for their annual joint meeting. Several actions were taken as follows:

Fred Weeks was named assistant secretary and treasurer.

It was decided that future fine money will be turned over to the Rotary Foundation fund--a decision which we know will have a full approval of all members, especially those who like to get full value for money expended.

The board voted to sponsor a foreign exchange student, Frank Willig, from North Germany next year. Frank will room with the Morris Heineman family and attend Coldwater High. The club will furnish clothes and other incidentals with the sponsoring family providing board and room. Incidentally, the directors also voted to sponsor another such student if the details can be worked out.

The new board granted honorary memberships to G. S. Coffman, John Walker, Howard Swan, Lloyd Livermore, M. D. Payne, W. Noel Shedd and Ira King.

Les Woodward was accepted back to regular status and we are happy to report he feels he will be able to attend meetings regularly from now on.

Ernie Luse and Jess Waldron were named as an auditing committee to check the club's books and file a report by July 1.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 5, 1958

FIRST PROGRAM--Bob Hawley will chairman his first program since becoming a member next Tuesday. Bob tells us he has secured a friend, Doug Clay, a lubrication engineer from Lansing, to talk about new types of motor oil, what the "additives" accomplish etc.

* * *

JANUARY IN JUNE--How the State Highway Department battles winter storms and modern super-highway construction were shown club members this week in a couple of films.

Carl Vinton was program chairman and presented Paul Perkins, State Highway Department district engineer, and Art Johnson, highway designer.

* * *

SHORT LIST--Only three guests Tuesday, Rotarians Ken Strickling of Battle Creek and Carl Margraf of Dayton, Ohio, and Bob Sweeney, who was a guest of Erich Schwengel.

* * *

HOW ABOUT IT?--Only four members, Kerr, Patterson, Putnam and Riederer were absent Tuesday. Need we point out that if this quartet makes up we could chalk up a 100 per cent meeting?

* * *

EARLY LEAVERS--Too many!

* * *

BOARD ACTIONS--The directors, at a recent special meeting, voted the club contribute $17.50 each to send two underprivileged children to the YMCA camp this summer.

The Board also voted to pay for an eye examination of a Branch County child from the Crippled Children's fund.

* * *

OLD AND NEW--A joint meeting of the old and new directors will be held at 7 p.m. next Tuesday at Gracie O'Shanahan's restaurant. A 100 per cent turnout is anticipated. After all, the dinner is for free!

* * *

WHO'S GOT ROOM?--Don Harris asked this question of the club members Tuesday. He made a good point when he emphasized that Union City, Bronson and Quincy appear to have no difficulty in finding homes for foreign exchange students while Coldwater, despite its larger population, seems to have trouble providing for a student from another land.

Doc says there is a foreign exchange student anxious to come to Coldwater if a home can be provided. This is a project the club could solve with a little effort on everyone's part.

* * *

WE'RE SORRY--Failure to publish an issue last week was not intentional. The fact of the matter is that the holiday crept up on us too dern fast and before we knew it, time had run out on us.

* * *

VACATIONING?--Plan to make up while on vacation this summer. Attending club meetings in another city can be an interesting and rewarding experience. Secretary Chick can tell you where and when.

POHET PETE:

Its nice to see a movie
Of winter and cars that slide.
If when the thing is over,
Its 80 degrees outside.

May 22, 1958

NEXT TUESDAY--Fred H. Weeks informs us the speaker will be Dr. Floyd O. Rittenhouse, president of Emmanuel Missionary College at Berrien Springs.

Dr. Rittenhouse, it is expected, will discuss the program at Emmanuel College and perhaps also review the work of the Michigan Colleges Foundation.

* * *

THIS WEEK--Club members who like sports (most of us do) enjoyed the program provided this week by Web Treat. It featured Jerry Davis, of Seagram's Distillery, showing a movie of the various sporting events held during the past year at Madison Square Garden.

The various film sequences in this particular movie are well-edited to present the highlights of each sporting event at the Garden.

* * *

EARLY LEAVERS--Just four!

* * *

ABSENTEES--Barnes, Burandt, Faller, Goodholm, Hawkins, Hill, McKeith, Ribble, Shaw, Shorno, Short, Teeter, Trebilcock, Vinton, Waldron, Way, Clyde Williams, Doug Woodward and Weeks (don't forget to make up, boys).

* * *

GUESTS--Rotarians Dave Jordan of Angola, Ind., Howard Eggleston of Toledo, Ohio, Herb Zilliar of Listowell, Ontario, Stan Worthington of Jackson, and C. D. McKenzie from Quincy.

Buck Stahl, of Indianapolis, was the guest of Joe Riederer.

* * *

CONGRATS--Janet Goodholm, daughter of Harold Goodholm, has been awarded a scholarship at Michigan State University, renewable for four years.

* * *

NOT BAD AT ALL--Chuck Schmitt reported at Tuesday's meeting that his records to date indicate the club's recent minstrel show netted a neat profit of $1,246.

* * *

BIG NIGHT AHEAD--Members are reminded of the Ladies Night this Saturday night.

Chairman Erich Schwengel reports dinner will be served at 6:45 P.M. in the Hawaiian Room at the Elks Temple.

After the dinner, the members and their Rotary Anns will move over to Tibbits Theater to see The Coldwater Players presentation of "Arsenic and Old Lace".

* * *

DON'T BLAME US--President-Elect Dick informs us we have drawn the bulletin assignment for the third year in a row. Such popularity must be deserved (we hope).

SPIRITED PROGRAM--Web Treat, who will chairman next Tuesday's program, informs us he will have a Jerry Davis and a film produced by Seagram's to put the boys in good spirits. (There will be no samples, however).

* * *

DON'T FORGET--There will be a Ladies Night Saturday, May 24th.

The shindig will open with a dinner at the Hawaiian Room in the Elks Temple and will wind up in a theater party at Tibbits.

The members and their Rotary-Anns will see the The Players present "Arsenic and Old Lace", which, if you've never seen the play, is a delightfully gentle murder drama.

The ducats are priced at six bucks per couple.

* * *

LAST TUESDAY--Charlie Hill, our genial Chamber of Commerce manager, talked on the subject of competitor relations.

Charles pointed out that while no two people think exactly alike, there are "roads of agreement" through which it is possible to establish cooperation in working toward the common good of all.

Bert Faller was program chairman and introduced Hill.

* * *

ABSENTEES--Burandt, Dale Dean, Mulchahey, Patterson, Putnam, Ribble, Schwengel, Sebald, Teeter, Vinton and Waldron.

* * *

EARLY LEAVERS--Seven, a gain (or loss) of four over the previous week.

SUMMER'S NEAR--Vacation time must be close as our weekly guest list is growing.

Last Tuesday's guests included Rotarians Leland Shafe and Ted Gilbert of Athens. Rotarians Ray Smith and Bud Higbie of Bronson, and Rotarians Dave Jordan of Angola, Carlton McKenzie of Quincy, Howard Eggleston of Toledo, Al Tate of Battle Creek.

Jim Lee of Cleveland, was a guest of Vince Kornstein; Otis Barnes had Dick Webster of Grand Rapids as his guest, while Ed Hawkins had Bill Euans of Coldwater and Mert Lincoln, the latter of Detroit. Harold Pearce was a guest of President Les, and Tom MacDonnall of Birmingham, completed the list.

* * *

OUR NEIGHBORS--We note that the Jackson Rotary Club had a special observance of Armed Forces Day this week with the Hon. Wilbur Brucker, Secretary of the Army, as the speaker.

* * *

SOMEONE ONCE SAID: "Bury the old shells of discord and disloyalty in the garden of your soul and let them fertilize a new crop of health, happiness and prosperity."

It's still good advice.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 8, 1958

NEXT TUESDAY--Bert Faller, next week's program chairman, tells us he is lining up a speaker with an assist from Charles Hill. The topic will be "Competitor Relations" but the identity of the speaker will remain a secret until next Tuesday.

* * *

RETIRING?--This week's program featured a talk by Robert Ham, from the district office of the Social Security Administration in Battle Creek. From the number of questions tossed by the members following the talk, it appeared as though a lot of the boys are thinking of retiring with eager anticipation.

Joking aside, the talk was an enlightening one on an important subject. Mr. Ham did a top flight job of explaining the Social Security program, its many benefits and its newest additions.

Howard Teeter was program chairman and rates a pat on the back for his choice of speaker.

* * *

EARLY LEAVERS--Just two! We are improving.

* * *

ROTARIAN VISITORS--Carl Giar of Charlotte, Gillis Pilliod of Angola, Ed Meyer and Robert Gillis of Hammond, Ind, Elmer Dobson of Quincy, and Howard Eggleston of Toledo, O.

* * *

MISSING FACES--Goodholm, Hawkins, Holtz, Kornstein, Mulchahey, Riederer, Short, Vinton and Clyde Williams.

* * *

NOW'S OUR CHANCE--No one group has given Rotary more assistance with its three annual Minstrel Shows than the Coldwater Players.

Now's our chance to return the favor, in small measure at least.

On Saturday night, May 24, a Ladies Night dinner and theater party has been arranged. It won't be a regular club meeting but President Les and the club directors want full member participation just the same.

The theater party portion of the evening will be attendance at a play being presented that night at Tibbits Theater by The Players. The club can show its appreciation of past favors from this group by having at least 100 Rotarians and Rotary Anns there at curtain time.

A dinner will be served at the Elks Temple at 6:30 P.M.

Tickets for the dinner-drama combination are priced at only $6 per couple.

This is a real bargain when you stop to consider that if you don't act quickly, the Missus may decide she wants to do something much more expensive that Saturday evening.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 1, 1958

COMING UP--Howard Teeter, next Tuesday's program chairman, tells us that Robert Ham, of the Battle Creek district office of the Social Security Administration, will be the speaker.

* * *

THIS TUESDAY--Scott Bagby, of Grand Rapids, who is helping develop a "master plan" for Coldwater, gave the club his ideas on the subject of orderly and economically sound community growth. Torg Skabo, the week's chairman, arranged the interesting program.

* * *

ABSENTEES--Dale Dean, Fiske, Goodholm, Harris, Holtz, Jackson, Pearce, Rice, Shorno, Treat, Vinton, Waldron and Warren Williams.

* * *

GUEST LIST--Nels Weber, C. J. Holmes, Ed Facklam and Ken Yesh of Bronson; Dale Ulery of Goshen, Ind.; Ken Smith, of Grosse Pointe; Carlton McKenzie of Quincy; George Hubbard of Union City; and Dave Jordan of Angola, Ind.--all Rotarians.

Bill Williams, Coldwater, was a guest of Mac McKeith.

* * *

EARLY LEAVERS--More than the number who signed out.

* * *

NEWEST ADDITION--Robert Hawley, whose Dad was an active Coldwater Rotarian for years, was welcomed into membership in the club Tuesday with Fritz Van Aken doing the honors and Dick Moore assisting.

Bob, who recently became associated with Johnson's Clothing store, really needs no introduction to most of the members. A native of Coldwater, he was graduated from high school here in 1948, attended Michigan State University and served in the Army before returning here. Welcome aboard, Bob!

* * *

BACKING STUDENT--The directors have voted to allocate $50 from the general fund to help sponsor Charles Hutchins, a junion high student, at the National High School Institute at Northwestern University this summer. Charles, a top student in the field of science and engineering, has been accepted for a five-weeks' course offered to a small and select group.

* * *

LADIES' NIGHT--A ladies' night is being planned for Saturday, May 24, with Erich Schwengel in charge.

Details have still to be worked out but it looks as though there will be a dinner at the Elks Temple, followed by a theatre party. The Players are presenting a play that night at Tibbitts and the board feels the Rotarians can show their appreciation of help from this group on our past minstrel shows by attending their play en masse.

* * *

IN HOSPITAL--John Jackson, who has missed several meetings recently because of illness, was admitted at the Health Center this week. The board voted Thursday to suspend his active membership until he is able to return to active status.

The club, we know, joins us in wishing John a speedy recovery and an equally fast return to active participation in club affairs.

POHET PETE:

Planted grass and its growing.
Its the weeds that need hoeing.
Them we can't remember sowing.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 24, 1958

THE FORWARD LOOK--Torg Skabo, program chairman for next Tuesday, has secured Scott Bagby to talk to the club about the Coldwater of the future.

Mr. Bagby, in case you have failed to read your daily home-town paper, is the chap who is drawing up a Master Plan for the city at present.

We have had the pleasure of hearing Mr. Bagby and know that the members will be interested in what he has to say.

* * *

SWEET MUSIC--The third edition of Rotary Minstrels was a financial success, according to a preliminary report given by Chuck Schmitt Tuesday.

The gross receipts totaled $2,196, of which $840 came from the programs, $1,331 from the sale of tickets, and $35 from the soft drink concession.

Not all bills are in (they must be by next Tuesday, says President Les) but it looks as though the show will net about $1,400.

* * *

SWEET MUSIC TOO--The program presented this Tuesday by ~~April 22~~ Dave Rubinoff and his violin.

Russ Moore, program chairman, couldn't have done better. We might add that the club owes its Kiwanis friends a vote of thanks for an assist in bringing us the old maestro.

* * *

EARLY LEAVERS--Needless to say, not many.

* * *

SHORT LIST--Tuesday's absentees were the fewest in many weeks. The list included Curry, Etsweiler, Goodholm, Jackson, McComb, Mulchahey, Short, Trebilcock, Vinton and Way.

* * *

TUESDAY'S GUESTS--Rotarians Sam Wolfe and Dave Jordan, Angola, Ind.; Ron Kirby, Sturgis; George Hubbard, Union City; Bud Higbie, Bronson.

Dick Hayes of East Lansing was a guest of Wilford Couillard, Boyd Higgins was a guest of Otis Barnes, and Bill Winemiller was Russ Moore's guest.

* * *

THANK YOU GALS--The club's directors have voted to give the Country Belles $100 as a token of the club's appreciation for their assistance in this year's minstrel show.

Actually, various members of this group also assisted the club materially in its first two minstrel show. So, the board felt some expression of thanks was long overdue.

* * *

POHET PETE:

Rubinoff appears mighty short
But this tidbit we do report.
With the watch he carries 'round
He's slowly settling in the ground.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 17, 1958

PROBLEM SOLVED--A possible answer to the "early leaver" problem was provided by this week's program. Just have the members bring their youngsters with them each week. Then they have to stay for the program.

Just one member took off early this week. The others didn't dare.

Kidding aside, the club's annual Children's Party was, as always, a pleasant and enjoyable affair. Wilford Couillard did an excellent job of planning with an assist from Chet Curry.

The question of who enjoyed the program most--Papa or Junior--could be debated.

* * *

MISSING FACES--Avery, Bobier, Burandt, Fox, Hawkins, Jackson, Russ Moore, Mulchahey, Olmsted, Patterson, Ribble, Rice, Short, Teeter, Thomas, Trebilcock, Vinton, and McKnight were listed as absent Tuesday. Don't forget to make up fellas.

* * *

GUESTS--Rotarians George Hubbard, Union City; and Bronsonites Gerry Pearce, Bruce Wilbur and Clare Hollister.

Al Obed, whose daughter, Diane, emceed the day's program, also was a guest.

* * *

PREZ LES SAYS--Let's be careful the way we park at the Elks Temple. The Martins report some of their other cash customers found their cars boxed in this Tuesday when they started to leave the temple parking lot.

* * *

COMING UP--Russ Moore, who has next Tuesday's program, is coming up with a top notch attraction which all of the members will want to enjoy.

Russ informs us he has secured Rubinoff (and his violin, of course) for a real musical treat. The artist also is scheduled to play a Kiwanis-sponsored concert here in the evening.

* * *

DON'T FORGET--The district conference to be held at Sturgis May 4-5. Reports are it will be worth attending. Plan to take your Rotary Ann.

* * *

CONGRATULATIONS -- To Harvey Bent, who was named chairman of the Branch County Board of Supervisors this week.

* * *

DON'T BLAME US -- Blame the weather if this bulletin seems short, incoherent and uninteresting.

It's darn hard to concentrate on writing when the sun is shining, birds are singing and the mercury is flirting with summer levels.

As a matter of fact, we are going to stop right now before we get too tired.

* * *

POHET PETE:

Ah, at last, Spring is sprung
See the flowers it has brung
Watch the grass begin to grow,
What comes next? We have to mow.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 10, 1958

ERNIE SAYS--Don't forget that Uncle Samuel expects us one and all to file our 1957 income tax returns within the next five days. Alcatraz is not a pleasant place despite the ocean view.

* * *

ONE TO GO--At this writing, the 1958 edition of the Coldwater Rotary Minstrels has just one more night to go.

Tickets for the final performance were scarce today and President Les was hoping against hope that the boys didn't oversell the seating capacity at Tibbits.

At this point, barring unforseen disaster tonight, it appears as though the club has scored another big success from the viewpoint of both attendance, financial returns and audience interest.

Ed Holtz, Grace Holbrook and just about everyone in the club rates a pat on the back for pitching in again this year to put on a good show.

* * *

NEXT TUESDAY--Will be the club's annual Children's Day. Wilford Couillard is chairman and reportedly has a program of interest for both kids and dads.

If you haven't got a youngster of your own, borrow one.

* * *

THE WEEK'S GUESTS--Rotarians Dale Ulery, Goshen; Chuck Priest, Angola; Carlton McKenzie and Newell Burt, Quincy; James Baker, Angola; Bud Higbie, Bronson; and Russ Megargle, also of Bronson.

Doc Sayre, Coldwater, was a guest of Chuck Priest, while Ed Holtz had his two sons, Glen and Larry, as his guests.

* * *

ABSENTEES--Bent, Dale Dean, Goodholm, Jackson, McConkey, Owers, Patterson, Ribble, Riederer and Vinton.

* * *

EARLY LEAVERS--Just two!

* * *

TIME IS SHORT--Can't think of anything more to add except that all members are expected to settle for their minstrel tickets with their chairman by next Tuesday at the latest. President Les also wants all minstrel show bills presented promptly.

Gotta get home now and get ready for tonight's show.

POHET PETE:

Johnnie sang mighty sweet,
Kenneth, too, was all reet.
Everyone had a little fun.
Ain't you glad, its all done.

The Singingest Club in the U. S. A.

April 3, 1958

Oooo----so near!--Only 3 rehearsals left before the curtain rises on the club's 1958 minstrel show. These rehearsals are scheduled for 7:30 Monday and Tuesday nights at Tibbits, and following the regular club luncheon Tuesday noon.

We don't have to emphasize that these three practice sessions are vital to the success or flop of this year's production. Director Ed Holtz wants a 100 per cent turn out at each.

If you have any tickets left to sell, you'd better get busy. (and if you need any more to sell--contact us).

* * *

MORE STAG NIGHTS--Chuck Schmitt's periodic financial report shows that the stag night last autumn was one of the few special club sessions that produced more receipts than expenses.

Conclusion--we should have more stag nights (with Barney and Charley cooking the fowl and Bert acting as lifeguard).

* * *

MAKES SENSE--Dave Hoshino, exchange student from Tokyo, expressed our sentiments Tuesday when he observed that "the world should be more concerned about conquering the space between men first before turning to the conquest of outer space".

Dave, whose father is a member of the Tokyo club, is completing a four-year course at Cornell University under the exchange student program. He was spending the day here visiting the Branch-Hillsdale District Health department, and was introduced to the club by Don Harris.

OTHER GUESTS--Rotarians Barney Barnett, Bronson, Dewey Mains, Clay Brockman and Lee Barron (refugees from a Quincy ladies night); and Donald E. Johnson, Flint.

* * *

ABSENTEES--Allemier, Barnes, Burandt, Curry, Dale Dean, Hawkins, Jackson, Mulchahey, Olson, Patterson, Van Why, Vinton, Waldron and Warren Williams.

* * *

EARLY LEAVERS--Just three.

* * *

DON'T FORGET--Monday will be municipal election day. We won't tell you how to vote--just vote.

* * *

BOARD ACTION--Jim Van Why, who had missed five club meetings in a row, was dropped from club membership by vote of the directors at the April meeting.

* * *

A BRAVE MAN--The hubby who, after hearing his wife brag that "a woman's work is never done", had the foolhardy courage to observe, "That's because they never do it!"

* * *

POHET PETE:

Thursday night after the show,
To the Elks, we're told to go.
Marian Teeter is being sweet.
Making sure we'll get to eat.

The COLDWATER *Rotary* REFLEC

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 27, 1958

DON'T FORGET--Next Tuesday the club will start holding its weekly luncheon sessions in the Hawaiian room at the Elks Temple.

In the new location, the members will line up for their meals and carry their own plates to the tables.

As a result, there will be a ceremonial change. The singing of "America" and the offering of the invocation will precede the lineup for food.

President Les suggests that as a matter of courtesy, the guests be first in line. So keep your appetites in check, lads.

* * *

THIS TUESDAY--Ax Olson, the program chairman, presented 18 high school senior boys, each of whom had previously been a guest of the club at a meeting.

Each of the boys gave a short talk covering some phase of high school curriculum or extra-curricular activities. It was a darn good program!

* * *

TEN GUESTS--The club had nine visiting Rotarians plus Marvin Sigler, school bus driver, as guests this week.

The Rotarian guest list was composed of: Dale Ulery, of Goshen, Ind., Harry Hill of Vicksburg, Carlton McKenzie of Quincy, Clare Hollister and Bob Stocker of Bronson, Chuck Skove and Bob Brokaw of Angola, Ind., and Kenneth Strickling and Cliff Thomas of Battle Creek.

* * *

WHERE, OH WHERE?--Allemier, Barnes, Dale Dean, Etsweiler, Fiske, Goodholm, Harris, Hawkins, Hurley, Jackson, McComb, Pennington, Short, Thomas and Van Why were listed as being absent this week.

* * *

EARLY LEAVERS--Just two!!!

* * *

WE NEED IT--The usual program period following the next two club meetings will be used for rehearsing for the minstrel show.

Curtain time, incidentally, is now less than two weeks away. From now on, each of the few remaining rehearsals becomes more important.

Director Ed Holtz wants, and certainly deserves, a 100 per cent turnout from here on in. Wednesday night's attendance was just fair.

Next week the night rehearsal will be held Tuesday at 7:30 o'clock at Tibbits theater.

A workout for all of the end men has been scheduled for 7:30 p.m. next Monday at Tibbits. They will work on tambourine routines and introductions.

After next Tuesday, there will be only two full cast rehearsals--on the Monday and Tuesday nights directly preceding the first performance.

Time is growing short, and how!

* * *

POHET PETE:

Tickets are going pretty fast.
The date will soon arrive at last.
Committees are readying everything.
Now if we could only sing.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 20, 1958

NEXT TUESDAY—Axner Olson, program chairman, informs us that next week's program will be put on by the high school senior boys who have been guests of the club this year. He promises that the program will be short enough to give Ed ample time to rehearse us on minstrel show numbers.

* * *

AFTER NEXT TUESDAY—The club will switch its weekly meeting site from the Arlington hotel to the Elks Temple.

At a meeting this week, the directors regretfully reached a decision to change the club's meeting place. The hotel management recently informed the board that it would have to increase the luncheon price to $1.75 to meet the cost of hiring extra help to serve the Tuesday meals.

After several discussions of the projected price increase and other circumstances, the directors felt it best to switch the meeting place. Hence, after next Tuesday's session, the club will start meeting in the Hawaiian room at the Elks Temple. For the present, at least, the luncheon price will remain $1.50.

* * *

THIS WEEK—Ed and Marian Butters, at the invitation of Keith Pearce, program chairman, reviewed last summer's trip to Scotland and the European continent. It proved a pleasant and interesting audio-visual trip with Marian giving an interesting and often humorous commentary on the sights seen and places visited.

* * *

FEW ABSENTEES—Only eight members, Allemier, Barnes, John Dean, Fiske, Jackson, Ribble, Riederer and Van Why, missed Tuesday's meeting.

The guest list also was short, consisting of Rotarians Bruce Wilbur of Bronson, and Joseph Drust of Union City, plus Bob Mason of Grand Rapids and Ray Pitts of Hillsdale, guests of Howard Teeter and Maurice Payne, respectively.

There were only three early leavers!

* * *

MONK DOES IT — The Quincy club has complained that its Coldwater club guests do not stay for programs. This Monday, however, was an exception.

It developed that the Quincy program chairman was not present at the meeting. Neither was his program.

Monk Watson, who was present along with a lot of fugitives from a Coldwater Rural-Urban night, was pressed into service and entertained the lads with a 20-minute program of tricks and palaver.

None of the Coldwaterites left early! To coin a pun, you might say they were tricked into staying.

* * *

WE NOTED—In last week's bulletin there appeared a verse dedicated to our recent hospital stay. It mentioned the fact that we intend never to turn our stern toward a doctor or nurse again. We might add that we won't turn our back on our partner in rhyme again either.

* * *

REHEARSAL CHANGE—Next week's minstrel rehearsal will be at 7:30 p.m. Wednesday at Tibbits instead of Tuesday. End men must know their number by then, says Director Ed. Some of them (end men) may expect a call from Chet Curry for a special Sunday practice session.

* * *

No room . . . no poem!

GO! GO! GO! GO!

Ed holtz says everyone is going to have to get on the old ball.

The minstrel show is coming up fast and Ed informs us that starting Tuesday night all rehearsals will be held at the Tibbets Theatre.

All end-men will know their numbers by Tuesday and all the chorus will know their parts by the same time.

Erich says the stands for the Chorus will be ready and Maurice Payne will be on hand to tell us what we are doing wrong.

Put on your dancing shoes, end-men, Marge Corey will try to teach you a few steps come Tuesday night.

All the tickets are out and selling is going on at a hot pace. Better get to your prospects before someone else does. Should have two full houses. If you run out of tickets just yell.

* * *

Keith Pearce has the program for next Tuesday but at press time we still don't know what it will be.

* * *

Seton Bovee spent a few days in the hospital resting on his tummy. He swares he will never turn his back on a doctor again.

Only thirty-five Rotarians were present at the Rural-Urban dinner. But we had thirty farmers, fourteen lady singers, and one guest speaker. By the way, three of the Rotarians were from out of town.

We guaranteed 100 meals at $1.90, collected $130, so. . . . . .

Guests were John Jordan of Angola, Carlton McKenzie of Quincy and Charles Hill of Bronson, all Rotarians.

Among the missing were: Allemier, Andrews, Avery, Bovee, Burandt, Curry, Davidson, Dale Dean, Fiske, Harris, Hawkins, Hill, Hurley, Jackson, Joseph, Kerr, McComb, McConkey, Milnes, Mulchahey, Olmsted, Olson, Pennington, Ribble, Schwengel, Sebald, Shaw, Shorno, Treat, VanWhy, Way, Barnes, Goodholm, Schmitt, Short, Trebilcock, Weeks, and Doug Woodward.

Quincy must have been loaded.

POHET PETE:

Off to the hospital, Seton went,
He weren't broken, merely bent.
Serious, Forlorn, tried his best,
But we knew he went for the rest.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 6, 1958

THE LINEUP--Directors picked by the membership Tuesday for the coming year are: Avery, Davidson, Bent, Biringer, Harris, Waldron and Clyde Williams.

The new board met following the luncheon and chose Veep Dick Biringer to succeed President Les, who, of course, will remain on the board for another year.

Harvey Bent was elevated to the job of vice president, while Chick Kennedy and Chuck Schmitt were returned to the offices of secretary and treasurer, respectively.

This is the lineup which will take over July 1.

* * *

REMEMBER--No noon meeting next Tuesday. There will be the club's annual Rural-Urban meeting that night at the American Legion home. The club has guaranteed a run out of 125.

Each member is supposed to invite a farmer friend as his guest. There will be a smorgasbord dinner at 7 p.m. The evening's program will feature Dr. Edward Hardin, president of Northern Michigan College.

* * *

THIS WEEK--Bill Milnes was program chairman and presented club member Ed Hawkins, who, quite naturally talked about natural gas. We might add that some of us at least, absorbed more scientific data in a half hour than we mopped in a whole semester in high school. Which is just another way of saying that Ed did a swell job.

* * *

TUESDAY'S GUESTS--Rotarians Keith Larzelere, Vicksburg; Howard Sharpley, Hillsdale, and Clay Brockman of Quincy.

The week's student guest was Bill Timm, CHS senior, who won all-state and all-conference as fullback on the high school's varsity eleven last autumn. Bill is planning to enroll at Michigan State University next fall on a full athletic scholarship.

* * *

EARLY LEAVERS--Again only two!

* * *

ABSENTEES--Allemier, Andrews (holding court in Detroit this week and next), Barnes, Dale Dean, Etsweiler, Goodholm, McKnight, Patterson, Pennington, Ribble, Teeter, Van Why, Warren Williams, Les Woodward (all mushing up north this week). P.S. We wonder why Barney Trebilcock's name wasn't on the list of absentees furnished us. He was taking a rest cure at Camp 12 too.

* * *

CHANGE OF SCENE--The Rotary Minstrels, after a lapse of about a quarter century, will return to the Tibbits Opera House this year. The board, at a meeting Tuesday, decided to switch this year's performance from Roosevelt auditorium to Tibbits.

Tickets for this year's show will be passed out to members next Tuesday night. They should sell well when the news leaks out that the smaller seating capacity at Tibbits will cut the number of tickets for this year's show by at least 100 for each of the two performances.

* * *

POHET PETE:

Tho' many words will come
Before election night.
The voters must stay mum,
And in April show their might.

The Singingest Club in the U. S. A.

February 27, 1958

NEXT TUESDAY--Bill Milnes, program chairman, tells us next week's program will be a talk by a fellow club member, Ed Hawkins. He adds that he has left the topic up to Ed.

* * *

WEEK AFTER NEXT--Rural-Urban night is scheduled for Tuesday, March 11. Dr. Ed Hardin, president of Northern Michigan College, will be the speaker and each member is asked to invite a farmer friend to be his guest.

Ken Putnam, chairman, reports that he has guaranteed 125 dinners. The meal, featuring ham and chicken, will be served smorgasbord style at 7 p.m. Location--Legion Home. Price--$2 per plate.

As an added attraction, says Ken, there will be music by a girls' barbershop group.

* * *

THIS WEEK--Tuesday's program, which was in charge of Bob Shaw, was a film strip entitled "What Makes a Rotarian". This series of slides brings the selection and development of a good Rotarian into sharp focus. Due to projector difficulties, however, Tuesday's focus was a bit hazy.

* * *

WHATDAYAKNOW--Only two early leavers this week and only one of them a local member!

* * *

STUDENT GUEST--Larry Buys, CHS senior, was the week's student guest. Larry is a varsity track-ster, active 4-H and Hi-Y member, and plans to attend Albion college following graduation.

Melvin Blue, of Quincy, and Bud Higbie of Bronson, completed a short list of visiting Rotarians.

ABSENTEES--Allemier, Barnes, Burandt, Dale Dean, Etsweiler, Faller, Fiske, Harris, Jackson, Kennedy, Kerr, McComb, McKeith, Russ Moore, Short, Van Why, Warren Williams, and Chuck and Les Woodward.

* * *

SHUFFLIN' ALONG--Rehearsals for the minstrel show April 9-10 are beginning to show results. This week's practice was attended by 33 members and Director Ed didn't appear too unhappy over the choral progress.

However, there still is plenty to be accomplished in the next month before opening night. President Les announced Tuesday that the two noon meetings directly preceding the show will be devoted entirely to practice.

From here on, the success or failure of this year's show will depend largely upon attendance at the regular workouts. We're off to a good start--let's make it a good finish.

* * *

DON'T OVERLOOK--The April Rotarian will carry an article on the St. Lawrence Seaway by J. Gordon Murphy.

* * *

SURPRISE--The members were both surprised and pleased to see Maury Payne at Tuesday's meeting after a long health-enforced absence.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 20, 1958

GOOD NEWS--Bob Shaw, who has next Tuesday's program, says it will cover the general topic of Rotary Information.

Although this sounds like a possible quiz, Bob declares "definitely no!"

The members, he adds, can relax and leave their pens, pencils, and (what is more important) coin purses at home.

* * *

THIS WEEK--Arnold C. Renner, chief of the fire marshal's division of the Michigan State Police, was Tuesday's speaker.

Renner enlightened the members concerning the many services they receive through his department and discussed informally the reason the state presently feels there is a need for more adequate fire protection at Coldwater State Home and Training school.

Red McKnight, of the CSHT staff, was program chairman, and Ed Rennell, medical superintendent, also was a guest along with Fire Chief Charles Sherman.

Renner praised the local fire department as being "one of the finest" in Michigan and presented fire loss figures to support his contention.

* * *

OTHER GUESTS--Rotarians . . C. D. McKenzie of Quincy, and Dick Schultz and Bob Stocker of Bronson. Tom Osborn, CHS senior, was the club's weekly student guest.

* * *

EARLY LEAVERS--Only three from the local club.

* * *

ELSEWHERE--Allemier, Barnes, Faller, Fiske, Goodholm, Hawkins, Kennedy, Kerr, McKeith, Russ Moore, Schwengel, Shaw, Fritz Van Aken, Warren Williams, Chuck Woodward, also Doug and Les.

* * *

PROGRAM FODDER--Erich Schwengel, who returned this week from a short business trip to Italy, Austria and West Germany. At least, we found his impressions of post-war conditions in the three countries both enlightening and interesting.

* * *

CREEPING UP--The dates for this year's minstrel show are galloping toward us and some of the boys (including ourselves) are apt to greet the opening night crowd without being sure of words, tempo or volume.

All of which is just another way of pointing out that it is mighty important to turn out for the Tuesday night rehearsals.

This week, we are told (because we were absent too) only 20 some members showed up. We plan on being there next Tuesday night. How about you?

* * *

NEWEST ADDITION--George Owers, Coldwater's likeable, hard-working city forester, was welcomed into membership in the club this week with Ken Putnam doing the honors. Everyone who has come in contact with George during his comparatively short residence in the city knows that he will be a real addition to the club.

POHET PEET

Duke's away, so we can play
And try a little rhyme.
He'll be back, so we'll wait
And try another time.

The Singingest Club in the U. S. A.

February 13, 1958

NEXT TUESDAY--Arnold C. Renner, chief of the fire marshal's division of the Michigan State Police, will be next Tuesday's speaker, we are told by program chairman, Red McKnight.

Renner is a veteran smokeater with more than 40 years' experience in the fire-fighting profession. He is considered an international expert in his field, has a warm personality and is worth listening to. We can vouch for this statement, having heard him on numerous occasions.

Incidentally, we have a hunch that Renner will be happy to answer any questions the members may have concerning the proposed annexation of Coldwater State Home by the city to furnish that institution with more adequate fire protection.

* * *

LAST TUESDAY--The club learned about SAGE--not the stuff that seasons your turkey dressing, but this nation's new electronic, semi-automatic air defense system.

Phil Ribble, program chairman, presented Col. Louis Nagy, of Battle Creek, who in turn described the system and how it works. He also exhibited a movie which showed the new system in operation.

* * *

GUESTS--Rotarians Kenneth Strickling, Battle Creek; Bob Pennell, Bronson; and C. D. McKenzie, Elmer Anderson, Melvin Blue and Seamon Bollegraf, all of Quincy.

Airman, first class, Darrel L. Davenport, who operated the projector for Col. Nagy, also was a guest, while the week's student guest was Forrest Snow, CHS senior, captain of the 1957 football team and all-around student.

* * *

COMING UP--Ken Putnam, who will chairman the event, warns us that the club's annual Rural-Urban night is scheduled for 7 p.m. March 11th. Each member is supposed to invite a farmer guest, so start picking your partners.

The shindig, Ken says, will be held at the American Legion Home (upstairs, that is) with a good program in the making.

* * *

HURRAY!--Only two early leavers Tuesday.

* * *

MINSTREL COMMITTEES:

Tickets--Ken Putnam, chairman; Hawkins, Chuck Woodward, Teeter, Shaw, Dick Moore, Couillard, Biringer, Weeks, Dale Dean.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 6, 1958

NEXT TUESDAY--Phil Ribble, next week's program chairman, informs us he has lined up Col. Mitchell, who is stationed at Battle Creek, to show the club a military film.

* * *

QUIZ KIDS--The club members have undergone some rigid testing of late. A couple of weeks ago Ed Hawkins staged one of the $64,000 variety and this Tuesday Ray Mulchahey came up with a toughie designed to show us how little we know about our county and state.

This week's competition resulted in a tie, Mark Andrews and Jess Waldron each coming up with 34 correct answers out of a possible 50. Appropriately enough, the first prize was a tie too, with Mark winning on another correct answer--heads or tails.

* * *

GAINING--Only three early leavers this week!

* * *

VISITING ROTARIANS--Bill Cadman, Dean Cary and Dick Schultz of Bronson, Jay Dykhouse of Charlotte, C. D. McKenzie of Quincy, and Herman Koelbel of Tekonsha "made up" with us this week.

* * *

ABSENTEES--Allemier, Barnes, Bobier, Burandt, Couillard, Dale Dean, Faller, Fiske, Hill, Hurley, McKeith, Kennedy, Patterson, Rice, Schmitt, Schwengel (in Europe) and Thomas.

* * *

CLUB VERDICT--Barney Trebilcock, who chairmaned the Occupational Information day at the High School, polled the members Tuesday for an evaluation of the club-sponsored experiment. The results are now in.

Thirty-one members filled in their questionnaires. Seventeen classed the experiment as "excellent", some 13 called it "good" and only one considered "fair".

Twenty-three members indicated they would like to see it repeated next year. Seven thought it might be wise to skip a year. None voted for discontinuing the project.

Barney tells us that the high school students, in a similar poll, were almost unanimous in their praise of the Rotary project. The students said they got a lot out of the day and hope it will be made an annual event.

* * *

GOOD SESSION--The initial minstrel show rehearsal Tuesday night was a satisfactory one, we are told.

Directing such a production is not an easy job. We, however, can make it much easier for Director Ed if we all make an effort to be present regularly for practice.

Practice makes perfect, and no one can deny that we need practice.

* * *

Pohet Peet

Many facts were aired this week,
When at a quiz we took a peek.
We don't know just what it means,
But Michigan sure does have beans.

January 30, 1958

NEXT TUESDAY--Ray Mulchahey is program chairman and we couldn't reach him today to learn what he has planned. As we recall, he said something at this week's meeting about bringing sharpened pencils, wits or something. That sounded sort of like a quiz.

* * *

ALSO NEXT TUESDAY--The first tune up for the 1958 Coldwater Rotary Minstrels will be held at 7 p.m. at Edison school. Director Ed Holtz wants a big turn out for this initial rehearsal (as well as all the rest). An early April curtain is planned for this year's production so Ed will need everyone's help.

* * *

RETURNS IN--Everyone seems to agree that the Occupational Information Day staged at Coldwater High this week by Rotary was worth repeating in future years.

Barney Trebilcock and his aides did a tremendous job on this project, which generated a large amount of student-adult interest in careers.

At Tuesday's meeting, the club heard Jim Vincent, H. S. student counselor, and three students, Carolyn Kemp, Charles Harris and Dave Bonfiglio, tell what the students hoped to get out of Wednesday's conferences.

* * *

GUEST LIST--Checking in at Tuesday's meetings were Rotarians G. W. Jeffrey and Bob Stocker of Bronson, Al Bailey and Gill Pilliad of Angola, and Elmer Dobson of Quincy.

Jerry Dean, CHS senior, was the week's student guest.

* * *

MISSING--Allemier, Barnes, Dale Dean, Faller, Fiske, Rice, Riederer, Schwengel, Short, Toupalik and Doug Woodward were listed absent this week.

* * *

EARLY LEAVERS--Just five!

* * *

GOOD NEWS--The word that old minstrel man himself, Maurice Payne, will be able to assist Director Ed and participate in this year's minstrel show. Somehow, it just wouldn't seem like a bonafide minstrel show without Maury on the stage.

* * *

BOOK OF THE YEAR--The voluminous report on the membership prepared and published by Secretary Chick Kennedy deserves a No. 1 reading priority designation. A glance shows that it represents a lot of work, and a second glance reveals that it is a mighty interesting document as well.

* * *

ROTARY INFO--Can you give the names of the four men who met 53 years ago to found the first service club? For your information, Paul Harris, Silvester Schiele, Gustavus H. Loehr and Hiram E. Shorey were four men founding Rotary--an organization which today has 9,630 clubs with almost a half million members in 105 countries and territorial divisions.

POHET PETE: (Note to Put)

We understand if you try,
That there is a certain guy,
Who will sing, for a fee,
'Woodsman won't you spare that tree!

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 22, 1958

DELAYED REACTION--Fred Week's pep talk to the club last week must have had an effect. At least, only three "early leavers" signed the list this week. That's the lowest number in many weeks.

* * *

DON'T FORGET--The Occupational Information day which the club is sponsoring at the high school next Wednesday. If you have a job to do in connection with this promotion, give it your undivided attention.

* * *

ORCHIDS INDICATED--Warner Van Aken, who has spent most of his life raising flowers to be given to others, deserves an orchid for his outstanding Rotary attendance record.

President Les passed out attendance pins Tuesday and heading the list was Warner's name. He received a pin for 35 years of perfect attendance, and that's hard to beat!

Others receiving pins, and the number of years they have maintained perfect attendance, are:

Fred Weeks, 18; Charles Fiske, 17; Mark Andrews, 11; Ernest Luse and Bob Kerr, 10; Fritz Van Aken, 9; Otis Barnes and Al Rice, 8; Byron Thomas and Barney Trebilcock, 6; Dale Dean, 5; Ray Mulchahey, 4; Dick Biringer, Wilford Couillard and John Dean, 3; Seton Bovee, Harold Goodholm, Chick Kennedy, Keith Pearce and Carl Vinton, 2; John Etsweiler, Craig Sebald, Dick Moore and Ralph Toupalik, 1.

* * *

THIS WEEK--Don Shorno had the program and presented Trudy Pachler, foreign exchange student from Vienna, who is attending high school this year in Union City. Trudy gave the members an interesting word picture of her native land, its history, geography, customs, industry and educational facilities.

Some eyebrows jumped when Trudy reported that in Austria a high school student carries between 12 and 16 subjects and goes to school six hours daily, six days a week with all lesson preparation being done after school hours at home.

* * *

TUESDAY'S GUESTS--Rotarians Nels Weber of Bronson, and Carlton McKenzie and Newell Burt of Quincy.

Robert J. Staffeld, of Detroit, was a guest of Jess Waldron, while Bill Williams, Coldwater, and Niel Spiering of Battle Creek, were guests of Mac McKeith.

* * *

LET'S MAKE UP--Members listed as absent this week were: Allemier, Barnes, Faller, Fox, Goodholm, Harris, Russ Moore, Pennington, Putnam, Schwengel, Shaw, Short, Trebilcock and Way.

* * *

LOOKING AHEAD--Red McKnight tells us he may have a "hot" program next month. We'll fill in the details when and if his plans ignite.

* * *

POHET PETE:

Warner reached his 35th
We all know this ain't no myth.
But when Toupalik gets one
Someone must be makin' fun.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 16, 1958

CAN BE DONE--Last week, for the first time in many moons, the club rang the bell with a 100 percent meeting. Now that we've broken the ice, let's do it again.

* * *

NEXT TUESDAY--Don Shorno, next Tuesday's program chairman, tells us his plans have an international flavor. Which is another way of saying that his speaker will be an exchange student presently attending high school in Union City.

* * *

FINDS FELLOWSHIP--Karl Darkey, honorary member of the Battle Creek Rotary club and former senior chaplain at Percy Jones Hospital, was this week's speaker.

Using "Rotary opens doors for me" as his theme, Karl described the warm fellowship he has enjoyed at Rotary meetings he has attended in four countries, the United States, Canada, Korea and Japan. As a matter of fact, this fellowship has meant so much to him that he has attended 201 Rotary meetings -- an average of four per week--during the past year.

Harold Goodholm was the week's program chairman.

* * *

FOUR GUESTS--Rotarians C. B. A. Bryant of Hillsdale, and Chuck Hill and Roger Morr of Bronson, were guests this week.

Tedd Houck, CHS senior, was the week's student guest. Tedd, a linebacker on this year's football team, hopes to enroll at Western Michigan University to continue his education after high school graduation.

* * *

ABSENTEES--Barnes (now wintering in Florida), Couillard, Fiske, Harris, Hurley, Olmsted, Pennington, Ribble, Shaw, and Bill Short (basking in the Bahamas this week, lucky rascal).

* * *

EARLY LEAVERS--Nine. The list undoubtedly would have been shorter had Fred Weeks given his talk before the members signed, instead of after.

* * *

BOARD CHANGE--It was announced Tuesday that Keith Pearce has been made a club director to replace Maurice Payne, who recently resigned as an active member and was given honorary membership status.

* * *

MOVING UP--Congrats to President Les, who this week was made 1st Veep and promoted to the board of the West Pearl-st financial institution where he hangs his hat on week days.

* * *

ONE AT LEAST--Otis Barnes, before leaving several days ago to spend the balance of the Winter months in sunny if not so warm Florida, made arrangements to have his copies of the Reflector mailed to him in the South. We report this merely to prove that we do have one faithful reader at least.

* * *

POHET PETE:

You really ought to try it
Said Fred in his little talk.
And when he thought we'd buy it.
Nine members took a walk.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 9, 1958

TWO POSSIBILITIES--Harold Goodholm tells us he has two program possibilities for next Tuesday but he isn't sure which it will be. He is sure, however, that he will have something of interest to present.

* * *

HI JOE!--The club welcomed Joe Riederer, J. C. Penney store manager, into membership this week. Joe is no stranger to Rotary, having been a member prior to coming to Coldwater. He is no stranger to the local club either, having been a guest at the stag night at the Sportsmen's club last autumn.

* * *

A "FINE" TIME--Ed Hawkins' program this week provided both fun and coins for the club kitty. Employing the $64,000 technique, with variations, Ed staged a quiz contest with various members as the contestants. The questions were based on Coldwater history, facts about Michigan and current events. Some of the answers, however, were not based on fact.

Which reminds us, we must remember to pay Chuck Woodward the two-bit fine he supplied for us.

* * *

ALMOST PERFECT--Only seven members, Goodholm, Harris, McKnight, Patterson, Schwengel, Way and Clyde Williams were absent Tuesday. If they all "make up" before next Tuesday, the club could register its first 100 per cent meeting in many, many moons.

* * *

SHORT BUT SWEET--Tuesday's guest list included the name of only one visiting Rotarian, our faithful friend, Dale Ulery, of Goshen (and Quincy).

Richard Masters, of Grand Rapids, was Howard Teeter's guest, while Phil Weiler, Coldwater high school senior, was the week's student guest.

The "early leaver" list was also short--only six names.

* * *

TAKE IT EASY--The members are urged to guard their vocal chords and go into rigid training. Rehearsals for the club minstrel show will start early in February. Ed Holtz will have an initial announcement to make next Tuesday.

* * *

UP TO US--The Occupational Information day Jan. 29 at Coldwater High, being sponsored by Rotary, can be a big success if ALL OF THE MEMBERS cooperate. It can be just as big a flop if we don't. So, be ready to respond if called upon.

* * *

EARLY BOOM--The Charlotte Rotary Mirror suggests Frank Ritchie of the Hastings club as district governor for 1958. Frank enjoys the distinction of having served as president of both the Howell and Grand Ledge Rotary clubs in past years.

* * *

POHET PETE:

Off to Florida you went.
Paid ten bucks a day in rent.
To escape our cold and snow,

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 2, 1958

COMING UP--Ed Hawkins is program chairman for next Tuesday and we are told he is planning a special club-participation type of program.

This week's program, secured by Mac McKeith, was of general interest and gave the members a more concise idea of the gigantic St. Lawrence Seaway project and the impact it is bound to have on Michigan's economy.

* * *

EARLY LEAVERS--Nine! Let's not make it a habit fellas.

* * *

TUESDAY'S GUESTS--Clay Brockman and Bill Lindeman, both of Quincy.

* * *

MISSING FACES--Avery, Bobier, Burandt, Curry, Dale Dean, Harris, Kerr, McConkey, Payne, Pearce, Short, Vinton and Waldron, all of whom were marked absent.

* * *

CONTINUED (2nd half of article by Dr. T. E. Schmidt of Jackson, entitled "The Doctor and the Service Club)--"You're told that seven of the club's 20-odd committees are hard at work on various community projects. The genuine enthusiasm shown in community work by these men impresses you. It's something they call 'community service'. Has nothing to do with their occupations.

"It's time for the speaker. He is a lad in his 20s. Most of the members are old enough to be his father. But they listen attentively. He is just back from a year's graduate study in Italy. A clean-cut fellow. You're intrigued by his first hand knowledge of the social, political and economic problems and customs of the Italian people. He bespeaks his gratitude to the members of the service club in Padova who opened their homes to him, the friendly courtesies, the numerous opportunities to speak to clubs about our own country and our way of life.

"From the president's remarks you gather that this fine young man is one of some 130 carefully chosen young men and women from 30-odd countries who have spent this year in a foreign land, sponsored by their home clubs through a three million dollar foundation financed by member clubs of this organization. . . . it is one of many club projects in what is called 'international service.' Acquaintance, fellowship, friendship, community service, business and professional ethics, friend and example to youth, international understanding and goodwill -- these are some of the aims and objects of service club membership.

"You're back at your desk at 1:45. You're no 'joiner' but maybe this service club business is more than appears on the surface. You're at least convinced that this town is a better town because it has a service club."

* * *

BOARD ACTION--The club's directors, at their monthly meeting today, received "with regret" a letter of resignation from Maurice Payne, who has faithfully served Coldwater Rotary as one of its most loyal and active members for more than two decades. The board then voted to extend an honorary membership to Maurice.

POHET PETE:

Since this is resolution time,
We will make ours now in rhyme.
To make you snicker once a week,
When at these lines you do peek.

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 26, 1957

DAY BEFORE XMAS--This week's meeting falling on the day before Christmas, the program was short. Five signed the early leaver list but everyone left early as Ed Holtz, program chairman, planned only a couple of Christmas songs with Clara Keyes at the piano to leave the boys enough time to complete their Christmas shopping. There were only three guests, Rotarians C. D. McKenzie of Quincy, and Bud Higbie of Bronson, and Homer Walters of Bainbridge, Ga., a guest of Clyde Williams.

Absentees: Avery, Barnes, Curry, Faller, Fiske, Fox, Goodholm, Hurley, Kerr, McComb, McKnight, Payne, Shorno, Teeter, Toupalik, Treat, Waldron and Doug Woodward.

WORTH READING--Doc Olmsted has called our attention to an article by T. E. Schmidt, M.D., of Jackson, entitled "The Doctor and the Service Club", which appears in the current issue of the Michigan Medical Journal. Believing our readers would enjoy it, we are reproducing it in this and next week's Reflector.

"You're no 'joiner'. You're too busy, but you accept the invitation to attend a service club luncheon meeting just to please the guy. Said he'd have you back by 1:45.

"There's a lot of jovial milling around and friendly banter. Everybody wears an absurdly huge luncheon badge. Calls each other by his first name. Seems nice. Nobody has a board up his back.

"The membership startles you. Almost everyone is head of some important business. You're introduced around and, as you sit down, you look the room over and find most of the leaders in the community present. Table conversation is refreshingly free from professional matters. You're surprised to find you are having a good time in very congenial company.

"After the meal a couple of lively songs. Some sing a bit off-key, but no matter. You join in.

"You're amazed at the guests. They're from all over. Most of them from nearby clubs, but there's one from Melbourne, Australia, and one from Upsala, Sweden, on a business trip to this country, but they keep up their attendance standing by attending meetings here. You're told this service club has over 9,500 clubs in 104 countries. More countries than belong to the U.N. Over 400,000 business and professional men belong to this international organization. Over 10,000 usually attend the international conventions held annually. Must be quite an experience. Meeting men from all over the world. You wonder what attracts so many busy men into the service club movement.

"You begin to suspect that this is more than a luncheon club on hearing a few brief committee reports--members transporting 60 crippled children to a summer camp supported by the club, a progress report on city planning and slum clearance initiated by the club, commitments obtained from local concerns to furnish leadership and sponsor 15 Junior Achievement groups, an experience in private enterprise for youngsters. Dr. Sams, whom you well know to be a friend to all young doctors (he helped you when you first began practice) reports that his committee is going to enlarge the playground and youth center which the club sponsors. Dr. Sams carries a heavy professional schedule, is active in medical affairs and has done much to encourage high ethical standards in your profession. You learn that he is a past president of the club and is very active in community affairs. An all-around citizen."

(To be concluded next week)

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 19, 1957

SHORT AND SWEET--Next Tuesday's program is in charge of Ed Holtz, who has promised that it will be short. Reason: 'twill be the day before Christmas and all the boys will still have their yule shopping to take care of at the last minute as usual.

* * *

MEETING CANCELLED--Members planning to make up at Quincy or Bronson please take note.

The Bronson club is not meeting during the next two weeks as its meeting date falls on both Christmas and New Year's.

Quincy is canceling out its December 30th meeting but will meet this coming Monday noon.

* * *

GUIDANCE DAY--Plans for a vocational guidance day at Coldwater High School, tentatively scheduled for Wednesday, January 29, are progressing.

Barney Trebilcock and Byron Thomas are starting to set up panels so be ready to assist if you are called upon to serve.

The idea is to find out what vocations the students are interested in, and then secure adults in those fields for a question-answer discussion.

* * *

MUSICAL TREAT--Chet Curry had charge of this week's program and couldn't have hit upon a better choice than the Cardinal choir.

The high school choral group offered two groups of Christmas numbers, while the Hi-Fi's, a group of girls from the larger choir, also favored the club with a group of yule selections.

TUESDAY'S VISITORS--Rotarians Al Van Zoerken of Kalamazoo, Elmer Anderson of Quincy, Robert Jones of Adrian, and Bud Higbie and Ken Yesh of Bronson, made up with us Tuesday.

This week's guest list also included Art Baker, new assistant cashier at the bank where President Les puts in his time, and State Trooper Stanley Gibherd of Jackson, a guest of Byron Thomas.

Bob Huntley, CHS senior, was the week's student guest.

* * *

ABSENTEES--Allemier, Andrews, Fiske, Goodholm, Hawkins, Kornstein, McKnight, Payne, Putnam, Short and Way.

* * *

EARLY LEAVERS--Nine (mostly merchants in the throes of Christmas shopping rush).

* * *

PINCH HITTING--Clara Bovee, former club accompanist, has been subbing for Grace Holbrook the past three weeks during the latter's hospital stay. We understand Grace will be back next Tuesday.

POHET PETE:

Yule tide comes but once a year
But there is hope lads, never fear.
Christmas is loved by kids and dames,
And we still have the bowl games.

MINSTREL SHOW OK'D--In the ballot taken this week, the members voted 29 - 11 (with 22 abstaining) to stage another minstrel show next year.

Thirty nine members said they would participate in the show proper. Twenty said "No". Forty said they are willing to serve on a show committee.

Only four members confessed they are subject to draft for a solo or specialty number, so it looks as though there will have to be a call for "volunteers".

Three members voted in opposition to staging any type of show. They said they would rather donate the cash.

* * *

MUSICAL TREAT AHEAD--Next Tuesday's program promises to be a memorable one. Chet Curry, the chairman, informs us that it will be provided by the high school's 55-voice Cardinal Choir.

The choir, which sings under the direction of Alice Erb, is slated to present its annual Christmas concert Monday night at Roosevelt auditorium. Some of the selections to be offered then will be included in Tuesday's program.

* * *

THIS WEEK--The club enjoyed a challenging talk on the much discussed subject of juvenile delinquency by Prosecuting Attorney Harold Smith.

Among other things, the speaker pointed out that the solution of the problem must start in the home.

Harry Joseph was program chairman.

* * *

ABSENTEES--Andrews (holding court in Adrian), Fiske, Goodholm, Harris, Hawkins, Holtz, McKeith, Dick Moore, Short, Trebilcock and Way.

* * *

VISITING ROTARIANS--C. D. McKenzie, Quincy; Otto Harloff, Sturgis; Dale Ulery, Goshen, Ind.; Dick Schultz, Lawrence Werner, George Jeffery, Bob Stocker and Russ Megargle, Bronson.

* * *

EARLY LEAVERS--Eight.

* * *

BACK IN HARNESS--The club members were happy to see Harvey Bent back Tuesday following his recent bout with illness.

* * *

YULE PROJECT--President Lester F. (for Fred) Wise informs us that Harry Joseph has completed the Christmas lists of needy children.

The club is again being divided into committees for the yule gift project. The lists will be distributed next Tuesday, leaving the members a week to purchase and distribute their gifts.

The amount spent on the project is up to the individual members. In other years, however, the average has been $3.

POHET PETE:

We are having a minstrel show
To some this may be a real blow.
Four are drafted and we fear,
The rest will have to volunteer.

CLUB TO VOTE--The club board, at its monthly session Thursday, decided to recommend that the club present another minstrel show early next year.

However, the board at the same time decided to give the members a chance to voice their opinions. As a result, a questionnaire will be passed around next Tuesday. It will ask the members if they favor another minstrel show, some other type of production and if they will be willing to participate in same.

The board feels that such a project is necessary to clean up its pledge on the Sherman Lake Boy Scout cabin project, and put the club on a firmer financial basis.

* * *

COUNCIL PROPOSED--A Coldwater service club council has been proposed, President Les informed board members this week. Such a council is operating in Sturgis, coordinating the community work of service organizations in that city. Whether such a group will be formed here is to be decided at an early meeting of representatives of Rotary, Kiwanis and Lions.

* * *

PREPARING LISTS--Harry Joseph is busy preparing lists of needy children scheduled to receive toys from the club this Christmas. It is expected that children's names will be passed out Tuesday, giving the members plenty of time to buy and deliver their gifts.

* * *

A FINE FETE--Co-chairmen Bob Kerr and Dick Moore rate a pat on the back for the football banquet given by the club this week for the CHS gridders and their coaches.

The banquet drew a capacity crowd, the food was both appetizing and plentiful, and everyone present seemed to have a good time.

* * *

ELSEWHERE (making up?)--Barnes, Bent, Burandt, Etsweiler, Fiske, Hill, Hurley, Jackson, Joseph, Kennedy, Luse, McConkey, Mulchahey, Patterson, Payne, Pearce, Ribble, Schmitt, Short, Thomas, Toupalik, Van Why and Waldron.

* * *

NOON CHECK-INS--Robert Jones, Adrian, and C. D. McKenzie, Quincy, not knowing that the noon meeting was cancelled this week for the evening banquet, checked in Tuesday at the Arlington.

* * *

HOME, SWEET HOME--Harvey Bent, who has been having quite a bout with illness, has returned home from the hospital and, according to latest reports, is on the mend. Hope to see you back soon, Harve!

* * *

HAS ITS REWARDS--Preparing the weekly club bulletin is not always an easy task. The job has its good points, however. One is the annual district bulletin editors confab at Schuler's in Marshall, which your editors attended last Saturday. As usual, we came away full of information--and food.

* * *

POHET PETE:

The Prexy's initial is F not E
This will cost us a little fee.
The E meant Ernest because he is
Now that Its F, could be Fizz.
Can't be Faubus, didn't go to school.
Maybe its Frank, he is as a rule.
You think this long or maybe funny
We want to get a lot for our money.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 26, 1957

DON'T FORGET--Next week's meeting will be held at 6:30 P.M. at the new senior high school cafeteria and there will be no noon session at the hotel.

Next Tuesday's occasion is the club's annual football banquet for the CHS gridders and their mentors. Bob Kerr is the program chairman.

Bob has secured Dick Raklovits, former University of Illinois star and now an assistant on the Western Michigan University coaching staff, as speaker.

Jack Finn, CHS grid coach, is planning to show movies of two or three of the Cardinals' 1957 games.

* * *

REPORT GIVEN--Congressman August E. Johansen gave the club an informative state of the nation talk at this week's meeting.

Johansen, warning against a crash war economy spending spree, declared that fiscal stability is vital to national security. He predicted that the next Congress will give defense spending careful study.

Ernest Luse was the day's program chairman.

* * *

ABSENTEES--Bent, Fiske, Etsweiler, Hill, Holtz, Hurley, Jackson, Kornstein, Patterson, Ribble, Teeter, Clyde Williams, Doug and Les Woodward.

* * *

MANY GUESTS--Rotarians Kenneth Booth and Bob Fox of Albion, George Jeffery, Wendell Hathaway and Dick Schultz of Bronson, George Gray of Union City, and Oscar Hampton and R. E. Reichow of Homer, headed a long list Tuesday.

Non-Rotarian guests included Frank Lucas Jr. of Coldwater, a guest of Wayne Way; Jim Coates of Jackson, Harris Miller of Lansing, George Petrie of Detroit, Lee Uhl and Robert Nicholson of Lansing, and Ben Clark of South Haven.

Tuesday's guest list was swelled by industrial development leaders from the four-county area, who were in Coldwater that day attending a workshop.

Tom Adams, CHS senior, was the week's student guest. Tom is a varsity athlete and plans to take up the study of engineering in college after graduation from high school next June.

* * *

EARLY LEAVERS--Nine signed but only eight "took off".

* * *

ROOM FOR MORE--Ken Putnam, chief recruiter for the Pectcmas (physical education class to combat middle-aged spread), informs us there are still vacancies in the class which meets weekly at Roosevelt gym for the purpose of aggravating seldom-used muscles. Art Van Matre, city recreation director, is in charge, and so far there have been no serious casualties.

POHET PETE:

Joined the Athletic Club,
And let me tell you one thing, bub.
We got muscles we've just found,
But haven't lost a single pound.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 21, 1957

CAPITAL REPORT--Ernie Luse, who has next Tuesday's program, informs us that Congressman August E. Johansen will be the speaker.

Rep. Johansen's talk, according to Chairman Ernie, will be in the nature of a report on the affairs of national government from Washington.

* * *

GRID FETE AHEAD--The club will entertain the CHS grid squad and its coaching staff the evening of Dec. 3 at the high school. Tickets (at $1.50 per) will be available at next Tuesday's meeting. Each Rotarian attending the banquet is expected to buy two ducats, while those not attending are being asked to buy one to feed a guest.

This is a chance for the club to honor Coach Jack Finn and his men for their 1957 achievements, which, of course, include a 12-6 win this week over a Marshall team which was ranked No. 1 in Michigan in Class B.

* * *

PLEASANT TRIP--Diana Obed, CHS senior and attractive daughter of Mr. and Mrs. Al Obed, provided an interesting program at this week's meeting.

Diana, who spent two months in Germany the past summer on an exchange student arrangement, described her experiences abroad and showed slides of photos she took in Germany and other parts of Europe.

Ray Fox was program chairman. The speaker's father was a guest, also Bertrand Sibly, high school faculty member, who operated the slide projector for Miss Obed.

* * *

IN NORTHLAND?--Absentees this week included Bent, Fiske, Harris, Jackson, Joseph, McKeith, Russ Moore, Olmsted, Patterson, Ribble, Shaw, Short, Treat, Trebilcock, Vinton, Waldron, Clyde Williams, Chuck and Les Woodward.

* * *

SEVEN EARLY LEAVERS!

* * *

TUESDAY'S GUESTS--Rotarians Roy Cosier, Jackson; Ken Newman, Angola, Ind.; Bob Stocker and Bill Cadman, Bronson, and C. D. McKenzie, Quincy.

Douglas Miller, CHS senior and varsity athlete, was the week's student guest. Doug is president of the senior class and has been active in many extra-curricular activities besides athletics. He plans to go to college but hasn't selected his institution of higher learning as yet.

* * *

ROTARY DAY SET--Friday, December 20th, has been scheduled as Rotary's day to man the Mile-O-Dimes for the 1957 Don Herr Clothe-A-Child For Christmas campaign.

John Dean is in charge of securing Rotary teams to take their turn that day.

This campaign is aimed at buying warm winter clothing for all needy children living in the Coldwater, St. Charles, and Lakeland school districts. A Rotarian, Ken Putnam, is this year's campaign chairman. Nuff said!

POHET PETE:

Says to Dale, bring me a deer.
The old hunter says 'never fear.
Back he came with little sleep.
About my deer, nary a peep.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 14, 1957

GALL OF THE WILD--The annual exodus to Camp 12, Land O'Living and other northern points, started soon after Tuesday's meeting. Good hunting lads. We hope you all get a buck (venison variety, not Indian).

* * *

MAKES HIS POINT--Charles Hill, manager of the Chamber of Commerce, was Tuesday's speaker and his topic was "Trade Associations".

To illustrate the wide variety of vital services such associations offer to their members, Hill called on various Rotarians to name the association to which their firms belong. He then asked each to name one important service rendered by his particular association. Each service mentioned was different!

Hill traced the growth of trade associations, pointing out that the Michigan Retail association for one, had only 201 members in 1939 as compared with 22,000 this year.

Les Woodward was this week's program chairman.

* * *

TUESDAY'S GUESTS--Warner Bryant (Oley) Van Aken, of Tucson, Arizona, was one of two visiting Rotarians, the other being George Jeffery of Bronson.

Oley needed no introduction to many of the members. He is the son of Rotarian Warner B. Van Aken and brother of Ex-President Fritz Van Aken. Older members recall that Oley played a lot of tackle on Coldwater high school's co-championship eleven of 1937.

Gordon Smith, CHS senior, was the week's student guest.

* * *

ELSEWHERE TUESDAY--Burandt, Goodholm, Kornstein, McComb, Olmsted, Patterson, Rice, Schwengel, Short, Teeter, Trebilcock, Waldron and Wise were listed as being absent this week.

* * *

EARLY LEAVERS--Only six.

* * *

THOUGHT FOR TODAY--One failure to make up cost the club two 100 per cent meetings in the past month, according to Will Couillard.

* * *

BIRTHDAY BOYS--Eight members will qualify to sit at a special table next Tuesday, Harvey Bent informs us.

The members whose birthdays fall in November are Maurice Payne, Bob Kerr, F. L. McConkey, Bill Milnes, Bob Shaw, Ralph Toupalik, Warner Van Aken and Clyde Williams.

The idea of re-establishing a birthday table was brought up and kicked around at the last board session. The directors feel it is a custom which should be continued.

POHET PETE:

Headed north with a flurry,
Everyone was in a hurry.
Forgot my gun but what the heck,
Got the VO and the deck.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

November 7, 1957

FIRST HAND REPORT--State Senator Joe Smeekens, who has spent the past seven weeks touring the Middle East and Russia, gave club members a very graphic account of his travels and observations Tuesday.

In a stimulating talk, Smeekens explained and outlined basic problems faced in the Middle East, discussed Red propaganda methods and relayed impressions gained during his trip behind the Iron Curtain.

John Etsweiler, the week's program chairman, rates a pat on the back for one of the year's most informative and interesting sessions.

* * *

GREETINGS--Harvey Meston, of the East El Paso, Texas club, was a guest at Tuesday's meeting and presented President Les with a banner from his club.

Rotarians Lee A. Rieth of South Bend, Ind., and Weldon Hathaway, of Bronson, made up with us Tuesday.

Phil Ribble had Harry Crowder of Fargo, N. D., as his guest, while Ray Mulchahey was host to Ernie Bates of Grand Rapids, and Russ Moore had Charles Goodrich of Grand Rapids as his guest.

Larry Skidmore, CHS senior and a guard on this year's high school varsity eleven, was the week's student guest.

* * *

EARLY LEAVERS--Only four!

* * *

MISSING FACES--Avery, Bobier, Faller, Harris, Jackson, Kornstein, McComb, Patterson, Pennington, Schmitt, Schwengel, Thomas, Trebilcock, Waldron and Way.

DATE IS SET--The club will play host Tuesday night, December 3, at a banquet honoring the CHS football players and their coaches. The dinner will be served at the high school and the evening's program and arrangements are being chairmaned by Bob Kerr.

The banquet will be a regular meeting. Each Rotarian will be expected to attend and purchase one ticket for himself and one for a player. Those who cannot attend (for good reason) will be asked to purchase one ticket to provide a meal for one of the guests.

* * *

BOARD ACTION--The club directors, at their monthly meeting this week, took several actions. . . . It was decided that the club will again sponsor a delegation from the local high school to the annual Little UN Assembly at Hillsdale . . . The directors also voted to sponsor a Christmas toy project similar to those of past years. The members will be divided into committees and each group will be assigned a family of underprivileged children for which to provide toys at Christmas time . . . No further action was taken on a minstrel show or some other type of club production next year. Ed Holtz and Maurice Payne are wrestling with this decision. . . President Les was authorized to write officials of the Angola and Montpelier clubs relative to the possible wisdom of dropping the annual Tri-State meetings.

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 31, 1957

DATE IS SET--The club will again honor Coldwater High School players and coaches at a football banquet. The date set is Dec. 2nd. We'll furnish further details as soon as we get them.

* * *

ANOTHER DATE--An inter-city meeting for Rotarians and Rotary Anns has been scheduled for Nov. 6 in Battle Creek. Carl Miller, a director of Rotary International, will be one of the feature attractions.

* * *

GOOD NEWS--Club members were informed Tuesday that this marks the last year county taxpayers will have to pay on the bonded indebtedness incurred to finance construction of Maple Lawn hospital.

This bit of good news was included in an interesting talk on County government given by Dean Pridgeon, California township supervisor and chairman of the Branch County Board of Supervisors.

Pridgeon, in his half-hour discourse, reviewed the various functions of county government, its organization and discussed recent changes in the thinking which guides the administration of county affairs.

Following his talk, the speaker devoted nearly 10 minutes to an equally-interesting question and answer period.

Otis Barnes was the day's chairman and his program selection was a good one in the opinion of the members.

* * *

ABSENTEES--Andrews, Biringer, Etsweiler, Fiske, Goodholm, Joseph, McKeith, Olson, Patterson, Pennington, Schmitt, Schwengel, Shaw, and Trebilcock were marked absent from Tuesday's meeting.

* * *

EARLY LEAVERS--Ten!

* * *

GUESTS--Rotarians Henry Hancock of Toledo, O., C. D. McKenzie and Ted Zimmerman of Quincy, Max Huey of Hillsdale, and Chuck Nill of Bronson.

Ralph Nimphie, of Battle Creek, was Bill Short's guest.

* * *

STUDENT GUEST--Reggie Ivey, Coldwater High School senior, was the weekly student guest. Reggie is a varsity football and baseball star and after high school graduation hopes to attend the U. S. Naval Academy. He is particularly interested in studying chemical engineering.

Tells us all next winter's due.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 24, 1957

LADIES' NIGHT--Eighty-six Rotarians and Rotary Anns jammed their way into the basement dining room at Gracie's Tuesday night for a Ladies' Night dinner and program chairmanned by Doug Woodward.

Following a smorgasbord dinner, the group watched and listened to Arthur Sinclair, a chalk-talker imported from Detroit for the party.

Dancing was supposed to conclude the evening but as we hear it, Jess Waldron, who was slated to feed the nickels into the juke box, didn't deliver for some reason or other. Perhaps some of the older members with weary dogs did a little bribing.

* * *

FUGITIVES--We understand some 16 fugitives from ladies night made up at Quincy Monday, and two others at Bronson Wednesday. As 31 were absent, that leaves 13 members to make up before next Tuesday.

* * *

SORRY FELLAS--Three Bronson Rotarians, Bruce Wilbur, Gordon Brewer and Ray Smith, and Joe Wibel from Quincy showed up Tuesday noon at the Arlington, not knowing that the noon meeting had been cancelled. Secretary Chick Kennedy was on hand, however, to credit the quartet for trying.

* * *

NEXT TUESDAY--Otis Barnes, who has next week's program, tells us that Dean Pridgeon, chairman of the Branch County Board of Supervisors, will be his speaker. Dean's topic will be county government.

The county board chairman is supervisor in California township and this year was named Michigan's Outstanding Young Farmer.

* * *

COMMUNITY SERVICE--For the second straight year, a Rotarian has been selected as general chairman of the annual Don Herr Clothe-a-Child for Christmas campaign. Ken Putnam was selected for the post at a meeting earlier this week. Last year Noel Shedd directed the campaign to a successful conclusion.

* * *

ROTARY QUIZ--What is "Service to Youth?" Service to youth, in Rotary, means those things that a Rotarian does, as an individual or in cooperation with his club, to promote the physical, mental and moral well-being of boys and girls, and older youth, in both urban and rural areas, and their development into good citizens through recreational programs, prevention of juvenile delinquency, vocational guidance and training programs, financial assistance to students, etc.

* * *

POHET PETE:

Papa Jess said he'd pay,
Some said, that would be the day.
And the juke box didn't play,
Save more nickels that'a way.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 17, 1957

TURNABOUT--Recently Keith Avery gave a talk to local Kiwanians upon the invitation of his ministerial colleage, Rev. Gerald B. Hartman. This week the latter returned the favor when Rev. Avery was Rotary program chairman.

Rev. Hartman, pastor of Free Methodist church and president of the Coldwater Ministerian Association, discussed the "need of men of strong faith" in today's troubled world.

* * *

NEXT TUESDAY--There will be no noon meeting at the hotel. In its place the club will host its Rotary Anns at a Ladies Night dinner and program at Gracie's.

Doug Woodward, chairman, tells us to emphasize that dinner will be at 7 p.m. It will be served smorgasbord style.

A chalk talk will follow the meal and after that there will be dancing for those desiring, and physically fit to cut a rug or two.

* * *

OUR GUESTS--Last Tuesday the club had Rotarians Dale Ulery of Goshen, Ind., Rev. Wm. Cruthers, Carlton McKenzie and Wilmar Moore of Quincy, George Hubbard of Union City, and Bud Higbie of Bronson, as its guests.

R. B. Somerville, of Ada, was a guest of Ed Hawkins.

The week's student guest was Hal Kemp, Coldwater high school senior, who is interested in competitive sports, hunting, bowling, fishing and taxidermy. Hal plans to enroll at Michigan State University next year.

EARLY LEAVERS--14 too many.

HONOR LIST--Make-up cards for Oct. 8 have been received by Secretary Chick Kennedy as follows: Dale Dean, Angola; Charley Fiske, Bronson; Harold Goodholm, Litchfield; John Jackson, Bronson; Sec. Chick himself, Bronson; Red McKnight, Quincy; Bill Short, Quincy; and Byron Thomas, Quincy. Three absentees reported no make ups, and Warren Williams is yet to be heard from.

* * *

ABSENT TUESDAY--Curry, Holtz, Jackson, Mulchahey, Pennington, Rice, Skabo, Way and Warren Williams.

* * *

QUESTION--Is a Rotarian a member of Rotary International?

ANSWER--No. The Rotarian is a member of a Rotary club and the club is a member of Rotary International.

* * *

SOMEONE SAID--"Use what talents you possess. The woods would be very silent if no birds sang except those who sang best." All of which reminds us to comment that the ole Digger seems to be a man of many talents. He certainly got a lot of volume out of the members Tuesday when he subbed for Song Leaders Ed and Chet.

POHET PETE:

Bob Kerr hurried on his way
Such a beautiful sunny day.
35 per said the sign
Just 12 bucks was the fine.

The Singingest Club in the U. S. A.

October 10, 1957

TAKE IT EASY--Mark Andrews, who was program chairman this week, presented a highway safety movie which, among other things, illustrated that speed, carelessness and lack of courtesy toward the other driver are the prime causes of highway mishaps.

The film showed how the individual driver traveling on today's multi-laned highways, can protect himself as well as others by employing common sense, safe driving practices.

Bert Sibley, director of audio-visual education in the local schools, operated the projector and was a guest at the weekly luncheon preceding the program.

* * *

VISITING ROTARIANS--Wendell Hathaway, Bert Ward, Bill Cadman, Russ Megargle, Dick Schultz and Ken Yesh, all of Bronson; Dave Jordan, John Estrich and Gus Bledsoe, of Angola, Ind.; and Ted Zimmerman and Carlton McKenzie of Quincy.

* * *

SPECIAL GUESTS--Bill Putnam of Lansing (Ken's pappy), and Dave Lockwood, the week's CHS student guest.

Dave, a senior, has a wide field of interests including sports, mechanics and anything to do with science. He is a member of the Hi-Y Club, Varsity club and is a member of the Cardinal varsity football and track teams. He plans to enter college after high school graduation and study either engineering or science.

* * *

ELSEWHERE--Members Avery, Dale Dean, Fiske, Goodholm, Hawkins, Jackson, Kennedy, Luck, McKnight, Short, Thomas and Warren Williams were absent Tuesday.

EARLY LEAVERS--Eight club members and one visiting Rotarian.

* * *

TO ROTARY ANNS--Has your husband got his tickets for Ladies Night yet? If not, remind him to bring $6 to next Tuesday's meeting.

Ladies Night is scheduled for 7 p.m. Oct. 22 and will be held at Gracie O'Shanahan's.

Doug Woodward, Chairman, has secured Arthur A. Sinclair, of Detroit, a clever chalk talker. Sinclair, who received his training at the Chicago Art Institute, employs chalk of many colors to illustrate his talk, which is entitled "The Lighter Side".

* * *

LADIES' MAN--Ray Mulchahey, we are told, is leaving Monday for Menominee where on Tuesday he is scheduled to address the Menominee Women's Club. His subject will be various fields of social work.

* * *

NEW MUSIC--The club had both a new accompanist and new music this week. Mrs. Grace Holbrook has replaced Winnie, who has moved with her family to Saginaw. Chet Curry, who directed the group musical effort Tuesday, kind of crossed the boys up by picking a couple of new (at least unfamiliar) tunes. The result did not represent Coldwater Rotary's best brand of vocalizing.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

October 3, 1957

HOME TALENT--This week's program was in charge of Vince Kornstein, who presented Bob Kerr, Jim McComb and Bert Faller in a panel discussion of buyer-seller relationships from the retailer's viewpoint.

As usually is the case when club members take over the weekly programs, Tuesday's offering made a big hit with the audience. Vince and his three cohorts did a bang up job.

* * *

GOLD STARS--Make up cards for September 24 were received for the following members: Dale Dean, Bronson; John Etsweiler, Wildwood, N.J.; Ed Hawkins, Bronson; Red McKnight, Roscommon; Lou Pennington, Quincy; Phil Ribble, Quincy; Craig Sebald, Quincy; Bill Short, Quincy, Ralph Toupalik, Bronson; and Les Woodward, Hancock.

* * *

TUESDAY'S GUESTS--Rotarians Bob Pennell and Carlton McKenzie of Bronson and Quincy, respectively.

Doc Pearce had Larry Engstrom of Lansing as his guest, while Fred Weeks was host to Tom Chapman of Lansing.

Steve Gordon, CHS senior, was the week's student guest. Steve's extra-curricular activities at high school include golf, debating and membership in the International Relations Club. He plans to study dentistry at the University of Michigan following high school graduation.

* * *

ABSENTEES--Allemier, Dale Dean, Burandt, McKnight, Mulchahey, Ribble, Schwengel, Short, Toupalik, Trebilcock, Warner Van Aken, Waldron, Wise, Les Woodward and Etsweiler.

EARLY LEAVERS--The list jumped from three to eight this week.

* * *

LADIES NIGHT--Chairman Doug Woodward says be prepared to buy your ticket next Tuesday or the following week for the big Ladies Night scheduled for Oct. 22nd at Gracie's. The charge will be $3 a person, which will include dinner, program (a chalk talker) and a favor for the ladies.

* * *

HAIL AND FAREWELL--Roy Patterson has asked the board to be readmitted as a member, while at Thursday's board meeting a letter of resignation was received from Jim Luck, who is leaving his post as station director at WTVB to become Public Service Director at WOWO in Ft. Wayne. So, the club is regaining a member and losing one almost simultaneously.

* * *

IT'S DEFINITE--The club will present some kind of a show early next year. The board Thursday authorized Director Ed Holtz to start planning. Whether it will be another minstrel show or some other type of production has not been determined. So, if you have any ideas on the subject, now is the time to speak up or forever hold . . . .

* * *

HELPING HAND--The club's directors have voted to allocate $30 again this year toward the cost of transporting a group of physically handicapped children to Hillsdale to participate in a swimming program.

POHET PETE:

Now remember fellows
When you buy that gal a ring.
Don't blame 'ole Edward
It's the guy who made the thing.

The Singingest Club in the U. S. A.

SEPTEMBER 26, 1957

GOVERNOR'S DAY---District Governor George F. Dean, of Charlotte, paid his official visit to the club Tuesday. All but 12 members of the club were present for the noon meeting and heard George review his recent trip to Lucerne for the annual Rotary International convention.

Governor George's comments on Rotary clubs visited while abroad, and his analysis of conditions in the countries visited, were of particular interest.

In the evening the annual Club Assembly was held at the hotel with Governor George expressing interest and pleasure in the various plans made by the club officers and chairmen for the coming year.

* * *

WE WERE PROUD---Only three members had to take off early Tuesday without hearing the program. That's the lowest total in weeks.

* * *

FROM OTHER CLUBS---Howard Eggleston of Toledo, Ohio, C. D. McKenzie of Quincy, Russ Megargel of Bronson, and Howard Sharpley of Hillsdale, formed Tuesday's visiting Rotarian list.

* * *

SENIOR GUEST---During the coming weeks the club will act as host weekly to a senior student from Coldwater high school. This week's guest was Charles Young, CHS student mayor. Chuck is a varsity basketball and tennis player, a member of the Varsity C club, and is planning to enroll at Northwestern University after high school graduation next June.

* * *

WE MISSED---Dale Dean, Etsweiler, Goodholm, Hawkins, McKnight, Pennington, Ribble, Sebald, Short, Toupalik, Treat, and Les Woodward, all of whom were listed as being absent.

* * *

NEXT WEEK---Vince Kornstein is the program chairman. He hasn't as yet disclosed his plans to us.

* * *

COMING UP---Rotary Anns will be entertained October 15, which will be Ladies Night. Doug Woodward is chairmaning the event. More about it later.

* * *

HOW TRUE---Someone has said: "If you want to stay young, associate with young people; if you want to feel your age, try to keep up with them".

* * *

CONGRATS---To John Etsweiler, who this week is being advanced to membership in the American College of Hospital Administrators.

* * *

THE MAN IS WISE who knows when to speak his mind and when to mind his speech.

POHET PETE:

The leaves are turning yellow.
And the winds begin to blow.
Soon Dad will start to bellow

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 20, 1957

LOTS OF FUN--That was the verdict reached by those who attended the club's annual stag shindig at the Sportsmen's club near Bronson this week.

Barney Trebilcock, Charley Fiske and their aides erased all question as to their ability as chefs. The barbequed chicken, prepared over charcoal grills, was worth the price of admission. The boys labored over the fires from 4 p.m. on.

Those witnessing the skeet and trap shooting in the afternoon decided they wouldn't pick a gunfight with Clyde Williams, who "dusted" 23 out of 25 birds at skeet. They were just as impressed with the markmanship of Duke Davidson, who posted the same score--in reverse. Duke later explained that he got a bum box of shells which only had two live ones in it.

After dinner group singing was enjoyed (a group here, a group there and, at times, groups everywhere). Gus and his bull fiddle, Red with his banjo and Pete Williams with his guitar augmented the music.

Bert F was the day's only casualty. We understand he is thinking of applying for membership in one of those Polar Bear swimming clubs.

Yep, it was a lot of fun and Chairman Ken Olmsted and his committee did a swell job.

* * *

EARLY LEAVERS--None, of course.

* * *

MISSED FUN--Andrews, Avery, Bobier, Curry, Dale Dean, Etsweiler, Harris, Hurley, Jackson, Joseph, Luck, McConkey, Milnes, Mulchahey, Olson, Pennington, Rice, Schmitt, Shorno, Van Why and Way, all of whom were absent.

* * *

SHARED FUN--Guests John Hickory of Burr Oak, Si Treat, Jim Bailey, Pete Williams and Rex Kiess of Coldwater, John Heller of Coldwater Lake, Charles Clark of Cincinnati, Ohio, and Otto Rissman of Bronson.

* * *

BIG DAY COMING--Next Tuesday is the one day of the club year which stands out. It will mark the annual visit of the District Governor to our club.

President Les Wise urges that the club make a concerted effort to register a 100 per cent attendance in honor of District Governor George F. Dean's visit here.

The club will hear a talk by Gov. Dean at the noon luncheon meeting, and at 6:30 p.m. there will be a club assembly at which all new members should be in attendance along with the officers and various chairmen.

Speaking of the chairmen--those who haven't filed their reports when they read this notice had better get busy. Time is mighty short.

POHET PETE:

Shooting skeet's lots of fun,
You fire your shots, one by one.
Then relax and heave a sigh,
As the birds sail safely by.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 12, 1957

THEY'LL BE THERE--Barney Trebilcock and Charley Fiske assure us they are planning to attend the club's annual stag shindig at the Sportsmen's club north of Bronson Tuesday night. This is good news, seeing that they are the chefs slated to barbeque the poultry.

There will be trap and skeet shooting, eating and other diversions from 4:30 on. Bring your guns but buy your shells at the club. (It seems the clay pigeons have to be paid for even if you can't hit them.)

There will be no meeting at the Arlington Tuesday. Late reservations (not too late, that is) will be taken by Maury Payne.

* * *

THIS WEEK--Tuesday's program, to coin a pun, was a real credit to the chairman, John Dean, who presented John S. Pierson, manager of the Branch County Credit Bureau, as his speaker.

Pierson described the various services performed by his bureau and its method of operation. He emphasized that a credit bureau's job is to compile information and not judge or try to control credit.

The members seemed particularly interested in the psychology employed by the local bureau and plied Pierson with numerous questions following his talk.

* * *

YOU CAN'T WIN--Late arrivals and early leavers both drew fines Tuesday. One or two got it both coming and going by arriving after 12:15 and departing before the program.

* * *

OUR GUESTS--Four Bronson Rotarians, Gordon Brewer, Robert Wilhelm, Bill Campbell and Ken Yesh were Tuesday visiters, along with Ray Emmick of Zanesville, Ohio, Howard Eggleston of Toledo, Ohio, John Estrich of Angola, Ind., and W. C. Lindeman of Quincy.

Joe Ridderer, new manager of the local J. C. Penney store, was a guest of Noel Shedd.

* * *

ABSENTEES--Barnes, Curry, Hawkins, Kornstein, Luck, McConkey, McKnight, Russ Moore, Teeter and Olmsted.

* * *

HOW ABOUT IT?--District Governor George F. Dean will visit the club Sept. 24. It seems to us this would be a good time for a 100 per cent meeting.

* * *

CHAIRMEN PICKED--President Les announced Tuesday that Bob Kerr and Dick Moore will co-chairman the club's football dinner for the CHS gridders following the local prep season. The date will be announced later.

* * *

PILFERED--How many of us are like wheel-barrows--useful only when pushed and too easily upset?

* * *

POHET PETE:

Summer is over
We can tell.
Too many meetings
Spouse does yell.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 5, 1957

NUCLEAR EXPERTS NOW-- The club members now know a little more about nuclear energy than prior to this week's meeting.

Jim Van Why, program chairman, presented James Climer, staff assistant to the executive vice president of Consumers Power Co. Climer, who spent one and a half years "on loan" to the Atomic Power Development Associates, gave an illustrated talk, explaining the basic principles of nuclear energy in understandable terms.

Climer's audience was particularly interested in his report concerning the power reactor plant being built at Monroe and the possibility that atomic power may eventually provide electric consumers with a 10 percent savings.

Lee Weatherby, also with Consumers Power, assisted the speaker with the showing of movies and slides.

* * * *

PENALIZED--Tuesday's "early leavers" were each assessed a dime. Board members decided Thursday to continue this practice and up the ante!

* * * *

A LONG LIST--Members listed as absent Tuesday were: Avery, Barnes, Couillard, Curry, Dale Dean, Goodholm, Harris, Hawkins, Jackson, Kennedy, Luck, McKeith, Dick Moore, Russ Moore, Olmsted, Olson, Putnam, Rice, Schwengel, Short, Thomas and Waldron.

* * * *

VISITORS--Dale Ulery, Goshen, Ind.; Clare Hollister, Bud Higbee and Ray Cuyler, Bronson; C. D. McKenzie, Quincy; and Al Crandall, Hillsdale.

* * * *

BOARD NEWS--At Thursday's meeting of the directors it was decided (among other things) that the club will again sponsor a football banquet for the CHS gridders at the close of the 1957 pigskin season.

The directors were informed that member Bill Short has donated an electric refrigerator as a permanent piece of equipment at the club's stand at the 4-H fairgrounds. Needless to say, the gift is appreciated.

* * * *

ASSEMBLY PREVUE--Committee chairmen are scheduled to meet at Harvey Bent's home at 7:30 P.M. Tuesday for a club assembly prevue. This announcement should serve as a reminder that the club will be visited September 24th by District Governor George Dean.

* * * *

FUN UNLIMITED--The club's annual stag dinner has definitely been scheduled for the evening of Sept. 17th and will be held at the Branch County Sportsmen's club north of Bronson. Ken Olmsted wants the members planning to attend to sign up next Tuesday in order that the chefs, Barney Trebilcock and Charley Fiske, will know how many hens to butcher and barbeque. There will be skeet and trap shooting plus other diversions. It will be strictly B.Y.O.L.

POHET PETE:

Barney and Charlie
  Ask shooters of skeet
To please check their guns
  Fore they sit down to eat.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 29, 1957

COMING UP--Ken Olmsted informed the members Tuesday that the annual stag night is slated for Sept. 17th. It is hoped to get the Branch County Sportsmen's club, located near Bronson, as the site. If so, there will be trap and skeet shooting in addition to a big feed and other attendance inducements. Full details next week.

* * *

HOLDING OWN--The club's Dairy Queen stand at the 4-H Fair brought in receipts of $681, or about $14 less than a year ago. Rain the last day washed out chances of exceeding last year's "take".

* * *

BEST FOOT FORWARD--Any community that desires to grow should always keep its best foot forward, Howard Slaybaugh, district representative of the Michigan Department of Economic Development, told the club Tuesday.

Slaybaugh reviewed the work of his department and discussed the factors involved in successful area development and growth. He predicted an era of growth for southern Michigan.

Dale A. Dean was this week's program chairman. Jim Van Why, who has next week's program, was not able today to announce just what he plans to present.

* * *

GUEST LIST--Rotarians Cliff Thomas, Battle Creek; C. D. McKenzie, Quincy; Elmer Houghton and President Glen Barnett, of Bronson; R. D. Anderson, Valparaiso, Ind.; George Hammersley, Frankfort, Ind.; Ed Winzeler, Napoleon, Ohio; and Bill Campbell, Bronson.

* * *

WE MISSED-- Allemier, Avery, Burandt, Faller, Goodholm, Harris, Hawkins, Kennedy, Kerr, Kornstein, McKeith, Russ Moore, Pennington, Shaw, Teeter, Chuck, Les and Doug Woodward were listed as absent. (We thought we saw Ed Hawkins--were we dreaming?)

* * *

EARLY LEAVERS--Too many--eight.

* * *

BE SEAING YA--Ed Harding, of the Battle Creek club, recently sent in a makeup card from the R.M.S. Queen Mary!

* * *

DEFINITION--Someone has defined a hiccough as being a message from departed spirits.

* * *

BORROWED THOUGHT--The Battle Creek Rotary Bulletin points out that "The bigness of a Rotary Club is not determined by the number of its members, nor their faithful attendance--but by the fullness of its service, man to man, and club to the community."

* * *

COMMITTEE CHAIRMEN--President Les wants all reports in by Sept. 10th in preparation for the district governor's visit.

* * *

POHET PETE:

How we try to make this letter,
A little longer, maybe better.
But this week we sing the blues,
You forgot to send us news.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 22, 1957

WORD TO WISE (not Les)--We have learned through the grapevine that Quizmaster Ray Mulchahey plans to interrogate the members next Tuesday concerning contents of the August issue of The Rotarian. Better give that issue a second glance before then.

* * *

WORD FROM WISE (Les)--President Les informs us that George Dean, of Charlotte, former District Governor named again to that post to fill the vacancy caused by the resignation of Elwyn Bodley, will pay his official visit to the club Sept. 24.

As that date is much earlier than the one originally planned by Elwyn, all chairmen and others who will have to prepare reports should delay no longer.

* * *

FAIR WEATHER--As of today, thanks to the weatherman, it looks as though the club stands to make a better profit on its Dairy Queen operation at the 4-H Fair than a year ago.

Bright, mild weather the first two days of Fair week produced about $300 in receipts, we were told today.

Tuesday, the whole club (minus 28 absentees) journeyed out to the fairgrounds to gorge on fried chicken, apple pie a la mode et al at the Coldwater-Girard Grange booth.

Each Rotarian had a 4-H boy or girl as his guest at the luncheon and later the 4-Hers took the members on a tour of the exhibits and other points of interest.

Warren Williams was in charge of the annual sortie and, to stoop to punning, we must declare he certainly did a much better than "Fair" job of it.

A LONG LIST--Members Burandt, Curry, Fiske, Goodholm, Harris, Holtz, Hurley, Kennedy, Kornstein, Luck, McComb, McKeith, McKnight, Dick and Russ Moore, Olmsted, Olson, Payne, Pennington, Ribble, Shaw, Shorno, Short, Way, Clyde Williams, and Chuck, Doug and Les Woodward were listed as absentees Tuesday.

* * *

EARLY LEAVERS -- None!!!

* * *

TUESDAY'S GUESTS--Rotarians J.B. Washburn, Union City; Bud Davis, Carma, Ill.; Dudley Campbell, Rushville, Ind.; George Hammersley, Frankfort, Ind; Clay Brockman, Quincy; and last but not least, Wayne Goodrian, who hails all the way from Silverton, Oregon.

* * *

MEMO TO KEITH (Avery) -- Harold Davidson, Hillsdale editarian, reports that in front of a church hangs this sign:

"Support your church. You can't take your money with you but you can send it on ahead."

* * *

WHAT'S EEE & S?--That the challenge handed Rotary this year by International President Charles (Buzz) Tennent. It means: "Enlist for action, extend for strength, explore for knowledge and SERVE."

* * *

POHET PETE:

It isn't fattening, we said,
When we sold that dairy queen
Now our face is really red
Our scales say, what'd you mean.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 15, 1957

BIG WEEK AHEAD--The club meeting next week will be held at the 4-H fairgrounds and each member will have a 4-H boy or girl as his guest. The fee will be $3.00.

The same day the club will open its Dairy Queen booth at the fair. Working assignments have been made by John Jackson. Each member is urged to be on the job at the hour assigned to him. All that is needed is your cooperation and five days of nice, hot (ice cream) weather.

And don't forget the 4-H ox roast at the fair Thursday night, 5:15 on. Tickets may be procured from Van Aken or Pearce at $1.25 adults, 60 cents children.

* * *

FLYING HIGH--Movie programs frequently are mediocre entertainment, but the color films of a Florida air force show exhibited at this week's meeting by Phil Slayton of Battle Creek proved to be first flight (no pun intended) entertainment.

Captain Howard Strand, also of Battle Creek, who gave the commentary, and John Jackson, who arranged the program with his friend, Phil, also deserve a vote of thanks.

* * *

MANY VISTORS--Tuesday's guest list was long. It included Rotarians Carlton McKenzie, Quincy; Al Crandall, Hillsdale; Ed Winzeller, Napoleon, Ohio; Glen Barnett and Bob Stocker, Bronson; John Rasmussen, Hillsdale, H. L. Howard, Dayton, O.; John Elwell, Hamilton, Ohio; William Geist and Wilbur Hyre, Delta, Ohio; William Dyer, Union City; Jim Clark, Cadillac, and Richard Emerson, Sturgis.

Leland Sanford was a guest of Keith Pearce.

MISSING FACES--Biringer, Kennedy, McKeith, McKnight, Russ Moore, Mulchahey, Pennington, Putnam, Short, Toupalik and Van Why were listed as absent this week.

* * *

EARLY LEAVERS--Down to five!

* * *

WHO SAID?--"The old-fashioned girl was admired for her needlework; the modern girl relies on her pins."

* * *

PROGRAM IDEA--Notice where the Battle Creek club saw a film entitled "The Eighth Sea," which deals with the St. Lawrence Seaway. Due to current interest in this giant development, could be a program for someone. It was presented in Battle Creek by Alton Britton.

* * *

LET'S GIVE--All members who still have red blood coursing through their veins should remember to donate a pint at the Red Cross blood clinic to be staged at the Masonic temple here Monday afternoon.

POHET PETE:

Mothers wait another week,
For the rest they do seek.
Rest assured its nearly fall,

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 6, 1957

OFF WE GO--Chet Allemier, with an assist from John Jackson, will present next Tuesday's program. We understand that Phil Slayton, owner of a Battle Creek outdoor advertising agency, will show Air Force films and, according to Rotary Ann Ruth Jackson, they are well worth seeing.

* * *

THIS TUESDAY--With Jim McComb as program chairman, the club members had the pleasant experience of meeting and hearing George Owers, Coldwater's new city forester.

Owers gave the impression of being familiar with the city's needs along his line, and outlined a long-range program which he has already launched to preserve the city's shade trees.

The new forester isn't exactly a stranger as far as the club is concerned as he visited a meeting with Ken Putnam several months ago before he decided to accept the post here.

* * *

THE WEEK'S GUESTS--Rotarians Tom Weaver, Dayton, O.; Irv Van Noord, Battle Creek; Clarence (brother of Noel) Shedd, Flint; Joe Beall, Sturgis, Bud Higbie and Bruce Wilber, Bronson; Sam Donaldson, Sturgis, Luther Gunsett and John Maney, Van Wert, O.; and Charles Bledsloe, Angola, Ind.

Dr. Badih Fida, of Beirut, Lebanon, who is studying public health methods in this country, was a guest of Don Harris, while Jay Mossman, Battle Creek, was a guest of John Maney.

* * *

ABSENTEES - Avery, Biringer, Bobier, Fiske, Goodholm, Hawkins, Kornstein, McConkey, Milnes, Mulchahey, Teeter and Thomas.

EARL LEAVERS--Eight signed but only seven left.

* * *

EDITOR'S NOTE -- The guy who said the nicest part of any vacation is getting back home has never been to Higgins Lake.

* * *

LOOKING AHEAD--The club will play host to 4-H members again this year during the annual 4-H Fair here. The date is Aug. 20 and Warren Williams is the chairman. Full details at next meeting.

* * *

GET HEP--The club is again operating a Dairy Queen stand at the 4-H Fair. The members are reminded to find out which day they are supposed to work at the club booth and make plans to be on the job.

* * *

PROJECT PAYS--The recent Eaton Rapids Rotary club horse show netted $463.28 which the club will use to completely furnish a room at the new Eaton Rapids Community hospital. A good showing for a 28-member club.

* * *

POHET PETE:

One more storm is all we need,
  If advice we do no heed.
Only God can make a tree,
  But to keep them costs a fee.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 1, 1957

The enormous amount of work and planning which goes into each retail sale was the subject of Tuesday's film. 'Behind Each Sale', a movie produced by the Sears company, was presented by program chairman, Erich Schwengel.

Retailers in the club took special notice of the way a big outfit does business.

* * *

Twelve guests swelled our number Tuesday.

Four from Bronson were George Jeffery, Nels Weber, Dick Schultz and Robert Stocker. Our old standby, C. D. McKenzie, was also present.

Those from farther away included: Dale Ulery, Goshen, Robert Beeson, Hagerstown, Ind., Lynn May, Prattsburg, N.Y., H. L. Howard and John Elwell from Dayton. Marion Nowakoski was the guest of John Dean.

A charter member of the local club, Charles Osborn, now of Niagra Falls, spoke a few words and renewed old friendships.

* * *

Those missing were: Barnes, Bovee, Etsweiler, Hawkins, Hill, Kornstein, McComb, McKeith, Russ Moore, Schmitt, Teeter and Thomas.

Too many early leavers. Twelve to be exact.

* * *

George Dean, past District Governor, has been appointed Governor to replace Elwyn Bodley.

The board of directors held their regular monthly meeting at the Arlington Thursday noon to iron out some of the details of our Fair operation.

It will be Dairy Queen again this year with coffee and donuts held in reverse for cold weather.

The Health Dept. has forced us to screen the stand in this year. It helps keep irate customers out.

* * *

A club assembly will be held sometime in September and the president requests all chairmen to get their groups together and plan programs for the year.

* * *

IN PASSING--The reason you can't take it with you is that it goes before you do.

Don't drive as though you owned the road--drive as though you owned your car.

* * *

The fellowship committee is doing a bang up job of greeting our guests but a little help from the rest of us will make our friends feel more at home.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 26, 1957

Program chairman Russ Moore presented the club with a very enlightening movie Tuesday with 'Deer Story' as the title.

It should provide plenty of material for arguments next fall when deer season finds us with no targets.

* * *

This week's visitors were: Rotarians Allan Stevens from White Plains, N.Y.; Russ Brandt, Bill Coats, and Gene Manigold from Union City; Russell Megargle, Bronson. Les Woodward brought along Melton W. Heath of Newton, Mass.

A special guest from across the pond, J. B. Sanson of Loughborough, England received the dubious honor of having the club sing 'God Save the Queen'. John Horton was Mr. Sanson's guest.

Early Leavers included Payne, Jackson, Shaw, Ribble, Shorno, Warren Williams and Fiske.

And these bright faces were among the missing: Barnes, Bovee, Burandt, Fox, Goodholm, Harris, Kornstein, Luck, McComb, Pearce, Rice, Schmitt, Short, Skabo, Teeter, Thomas, Waldron, Way and Clyde Williams.

It would have been easier to list those present.

* * *

Our very efficient and hard working secretary made his annual report to the President Tuesday and we thought it might be well to repeat some of the highlights for those who were not with us and those with bad ears.

(GO TO TOP OF PAGE PLEASE)

The year started with 75 members and ended with 72. New members taken into the club this year are Edgar Hawkins, James Luck, Richard Moore, Craig Sebald, Gordon Schlubatis, Wilson Short.

Guvarrie Coffman, Ira King, Lloyd Livermore, Noel Shedd and Howard Swan were loaned honorary classifications.

The Board of Directors held 20 meetings and all were well attended.

Our average monthly attendance for the year was 93.24%.

Rotarians visited from Arkansas, Arizona, Illinois, Indiana, New Mexico, Michigan, New York, North Dakota, Nevada, Ohio, Oregon, Pennsylvania and West Virginia.

Highlights of the year were: 4-H Fair stand erected, cost $1,500 . . . Larry Skidmore sent to Wolverine Boys State . . . . Don Shorno, Jr. to Camp Emory . . . . four high school students sent to little UN at Hillsdale . . . . Gifts to needy children at Christmas . . . $100 scholarship for nursing student set up . . . . Easter Seal drive netted $1,479 . . . .4-H Queen and court entertained and crowned at meet . . . . walker purchased for Howard Titus for $100 . . . Annual Minstrel show grossed $2,141 and $991 net.

Quote from Chick "By Rotary standards your year was a successful one. You have kept the organization functioning on a fine basis, and all of the members seem to be enjoying the opportunity of fellowship that Rotary affords. Each member joins in saying Thank You Fritz for a job well done". AMEN.

PHOET PETE:

Bovee left on the run,
  At Higgins Lake is he.
Just a-loafin' in the sun
  How lucky can you be.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 18, 1957

NEXT TUESDAY . . . There will be a July birthday table with six members qualified to take seats there. The list includes Russell Moore, Harvey Bent, Les Woodward, Charles Schmitt, Ray Mulchahey and Harry Joseph.

We don't know whether Russ Moore will sit at the birthday table or head table. He is, you see, next week's program chairman.

* * *

SWEET MUSIC--Treasurer Charles Schmitt reported Tuesday that the club netted $991 on this year's minstrel show. Our payment to Camp Ben Johnston for the ranger's cabin is $800, leaving nearly $200 for the general fund.

The treasurer also reported that the club's annual Easter Seal drive netted $1,479, of which some $620 will be allocated to the county for use at home.

* * *

THIS TUESDAY--Charles Hill, Chamber manager, was the speaker with "The Price of Sour Cherries" as his subject.

Charlie's talk actually dealt with the change in competitor relationships down through the years . . . . tracing the areas of cooperation which have crept into such relationships.

The program chairman was another Charles (Fiske).

* * *

TOO MANY--Twelve members signed the early leaver list this week and took off before the talk.

* * *

OUR GUESTS--Rotarians Howard Eggleston of Toledo, O., Bob Pennell of Bronson, Earl Speer of Albany, Ga., Elmer Dobson of Quincy, Karl Darkey of Battle Creek, and Don Soldwedel of Yuma, Ariz., made up with us this week.

Don Soldwedel, a guest the past three weeks, has been vacationing at Clear Lake, Ind. He is returning this weekend to Arizona where he publishes a newspaper.

* * *

WHERE OH WHERE ? -- Rotarians Curry, Davidson, Hawkins, Luck, McKnight, Mulchahey, Olson, Ribble, Schwengel, Skabo, Thomas and Waldron were listed as absent this Tuesday.

* * *

IN AND OUT--District Governor Elwyn Bodley, who only recently took office, is resigning due to his appointment as superintendent of Bay City school system.

Elwyn, who started as an educator in these parts at Quincy, moving subsequently to Bronson and then to Sturgis, carries the best wishes of Coldwater Rotarians to his new assignment.

SO HELP US--We never dreamed we would be interested in hearing a discourse on the subject of septic tanks. However, Floyd Eby's lively account of his Summer work with the Health Department Tuesday must rate as one of the year's top programs.

Floyd has that knack of imparting common sense in a humorous manner. We understand that three members contacted him after the meeting to ask if their septic tanks, wells or what have you, could be checked by his department.

We particularly liked his observation that the Health Department is not a prosecuting or persecuting agency. . . that it considers its job one of educating the people as to what is best for them.

Don Shorno was program chairman.

* * *

NEXT TUESDAY--Charley Fiske is program chairman for next week and his topic is competitor relations. He informs us that Charles Hill, Chamber manager, will be the speaker. It should be worth hearing.

* * *

OUR GUESTS--Tuesday's guest list included the names of Rotarians Joseph Catler of Angola, Ind., Nate Fry of Lansing, Elmer Dobson and C. D. McKenzie of Quincy, Jack Schafer and Bill Cadman of Bronson, Don Soldwedel of Yuma, Ariz., Howard Eggleston of Toledo, O., and Robert Johnson, Darwin Johnson and John Honobarger of Coshocton, O.

Ozzie Gotsch, of Flint, was a guest of his papa-in-law, Maury Payne, and Jim Bresson, U. of M. student, was a guest of Doc Harris.

* * *

ABSENTEES--Andrews, Bobier, Burandt, Etsweiler, Goodholm, Hurley, Kennedy, Mulchahey, Ribble, Short, Skabo, Teeter, Van Why, Waldron and Way.

* * *

EARLY LEAVERS--Seven.

* * *

BOARD SESSION--The directors have decided to conserve the club's cash and not expand our booth at the fairgrounds this year. We will return to a Dairy Queen operation and possibly add a few items if given an okay by the State Department of Agriculture. Definite decisions will be made within a week or so.

* * *

AT UNION CITY--The new district governor, Elwyn Bodley, paid his official visit to the Union City club, July 2. He is not expected here until late autumn.

* * *

JESS FINE--Jess Waldron, who underwent an operation at the Health Center yesterday morning for removal of his gall bladder is doing "Jess fine", according to Ken Olmsted.

* * *

WANTED: A Poet--D. E. (Duke to you) Davidson is in Odessa, Texas, where his Rotary Ann and children have been visiting her parents the past month. They'll be home late next week.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

July 3, 1957

ANOTHER YEAR--Coldwater Rotary this week started another year. Whether it will be "just another year" depends entirely upon all of us.

International President Tennent, upon talking office recently, issued a real challenge to Rotary clubs everywhere. He said:

"The emphasis in 1957-58 is on the individual Rotarian, since he is the one who must give expression to the ideal of service by living it each day. . . . translating it into his life and the lives of others."

Let's remember that Rotary, like a seed in the earth, either grows or dies, no matter how imperceptible the process may be.

* * *

THIS WEEK--Les Wise, new club president, presided over his initial session and called upon his various chairmen to give brief outlines of their plans for the coming club year. As a result, there was no formal program.

* * *

TUESDAY'S GUESTS--Rotarians Howard Eggleston of Toledo, O., Tony Vogt of Flint, Melvin Blue and Elmer Dobson of Quincy, and Bob Stocker of Bronson.

Norm Moore, Coldwater, was a guest of Jim Luck.

* * *

ABSENTEES-- Andrews, Dale Dean, Harry Joseph, Kornstein, Schmitt, Shaw, Short, Skabo, Vinton, Waldron and Weeks.

* * *

EARLY LEAVERS--Seven, who signed plus Bovee, who didn't. (Editor's note: Someone had to give the accompanist a ride home)

* * *

LET'S KEEP IT UP--Our club maintained a 91 plus per cent attendance last year and ranked among the first 10 clubs in the 45-club district.

We didn't however, have a single 100 per cent meeting. Quincy and Bronson did. This might be one goal to shoot at this year.

* * *

REMINDER--Our district now is No. 636 instead of 219. The change became effective with the start of the new year.

* * *

HAVE PATIENCE--Our readers will note that this week's Reflector is still being printed on the same form as last year's. The new forms are now at the printer's and we hope to have them ready for next week's issue.

* * *

WE NOTE--That Wade Allen, Kalamazoo Club bulletin editor and club secretary, is stepping down after six years and turning the two jobs over to M. Eugene Malone. How's it done, Wade?

* * *

POHET PEET

Duke's planning soon to go,

Down to Texas after Jo.

He's eager to get her back,

Cooking's tough--that's a fact.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 27, 1957

HAPPY NEW YEAR!--New club year, of course. President elect Les and his new officers take over at next Tuesday's meeting. We understand the four new service chairmen will sketch their plans for the coming year. Plan to be there.

* * *

COLOR TOUR--Chet Curry, this week's program chairman, dropped plans for a musical aptitude test and presented Jim Nelson, a young Kansan employed here this summer. Jim showed color slides taken by him in England, France, Spain and Germany. The last-minute program switch probably saved some of us from discovering our musical ignorance. (perhaps we should say "uncovering")

* * *

FROM AFAR--Don Soldewedel, Rotarian and publisher from Yuma, Ariz., and Jim Shaver, from Las Vegas, Nev., were among this week's guests. Other guests from lesser distances were Rotarians Dale Ulery, Goshen, Ind.; Howard Eggleston, Toledo, Ohio; Dave Jordan and Otto Mast, Angola, Ind.; Don Hunsicker, Bronson; and old faithful Mac McKenzie from Quincy.

* * *

MAKING UP?--Members listed absent Tuesday included Barnes, Burandt, Goodholm, Kornstein, Pearce, Rice, Schmitt, Short, Waldron, Weeks, Clyde Williams, Dick Moore (on honeymoon) and Ed Hawkins.

* * *

NOT BAD--Only 4 early leavers!

* * *

WITH US STILL--John Walker, who resigned after the recent sale of his laundry, has been made an honorary member by vote both the old and new boards. This is GOOD NEWS to all! The new board has also given honorary memberships to G. S. Coffman, Ira King, Howard Swan, W. Noel Shedd, Lloyd Livermore and Bill Frankhauser.

* * *

PEERING AHEAD--President Fritz was host to the old and new officers and board members at a dinner Wednesday night. His successor, Les Wise, talked of possible club projects during the coming year such as the club concession at the 4-H Fair in August, perhaps a minstrel show next Spring etc.

The 4-H Fair being less than two months away, Les is naming a committee to start definite plans without delay. The committee will consider the type of operation and the question of possible expansion.

The new directors voted to send one boy and one girl to the YMCA camp near Three Rivers again this year.

* * *

RED LETTER DAY--Elwyn Bodley, of Sturgis, new district governor, will pay his official visit to Coldwater Nov. 5th.

* * *

HORSES FOR HOSPITAL--The Eaton Rapids Rotary club in sponsoring a benefit horse show Sunday, July 7, at V.F.W. National Home to raise funds for the Eaton Rapids Community hospital. Admission, 50 cents, with gate prizes.

* * *

SOLOMON SAYS -- A smart husband is one who isn't so busy bringing home the bacon that he neglects the applesauce.

* * *

POHET PETE:

Now we start another year
Knocking off these lines of wit.
They'll get tougher, too, we fear.
Hope we make you smile a bit.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 20, 1957

LIKE OLD TIMES--Older members enjoyed a brief reunion Tuesday with Robert E. Sharer, a past president of Coldwater Rotary.

Bob, who is now in charge of adult education at Michigan State University, reviewed the problems faced by the state's institutions of higher learning due to the ever increasing student load.

Of particular interest to local members, especially "Osgood" Thomas, was his belief that the establishment of community colleges may be a solution. Such a college, of course, has been advocated for Coldwater.

Tuesday's speaker was connected with the Coldwater school system for 22 years as teacher, high school principal and superintendent. He subsequently was with the Michigan Department of Public Instruction before joining the MSU staff.

Chuck Woodward was program chairman.

* * *

NEXT TUESDAY--Chet Curry is next week's program chairman and as you might suspect his plans involve music. He refuses to divulge the exact nature of his program but says it will be "some form of a musical aptitude test".

* * *

DISTINGUISHED FEW--The club had only three guests Tuesday. One was Rotarian Jim Shaver of Las Vegas, Nevada. The other two were Dean Howell of Saginaw, a guest of Bill Short, and our good friend from Bronson, Rotarian Bob Stocker.

* * *

EARLY LEAVERS--Ten (only nine signed the list).

* * *

VACATIONING?--Members marked absent this week included Allemier, Avery, Fiske, Goodholm, Harris, Hill, Kornstein, McKeith, Moore, Mulchahey, Olson, Pennington, Shaw, Teeter, Walker and Jackson.

* * *

AT THE PIANO--Clara Bovee, former club accompanist, subbing for vacationing Winnie. Clara will play a return engagement next week.

* * *

WELCOME ABOARD--The club had the happy privilege of welcoming two new members Tuesday.

Dick Moore, son of Rotarian Russ Moore, was introduced by Fred Weeks. Dick, a 1946 graduate of Coldwater high school and 1951 graduate of Michigan State University, is associated with his father in you know what business. Dick also acquired a Rotary Ann this week so congratulations to both.

E. M. (Ed) Hawkins, Jr., was introduced by Warner Van Aken. Ed is no stranger to Rotary, being a past president of the Danville, Va. club. Ed recently became vice president and general manager of Michigan Gas Utilities.

* * *

LAST CHANGE--There's only one more meeting this year, our last chance to have a 100 per cent attendance in one meeting. Need we say more?

* * *

POHET PETE:

Two Rotarians walked very far
  Chasing that elusive par.
Slicing, hooking, holler'n four
  They ain't good and sometimes poor.
Wonder who the guys could be
  Erich S. and old man B.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 13, 1957

HOMECOMING---An old friend will be with us next Tuesday. Chuck Woodward, who has the program, informs us that Bob Sharer will be the speaker.

For the newer members we'll explain that Bob was formerly senior high principal here and subsequently served as superintendent of Coldwater schools.

After leaving Coldwater, he was with the Michigan Department of Public Instruction until taking his present position in the Adult Education Department of Michigan State University.

Bob will have something to say and you will want to hear it, so make a point of being present.

* * *

LAST TUESDAY---The Ladies Night dinner and party drummed up by Bert Faller and his committee was---judged from all angles---a big success.

The attendance was larger than in the past and everyone had a good meal and an equally good time.

The committee's "casual dress" idea was a good one. Everyone seemed more relaxed and appeared comfortable.

* * *

VACATION TIME---The club has maintained a good attendance mark so far this year. Our record could dip this summer, however, unless all members plan to make up meetings missed while away from the city on vacation.

If you are planning a vacation elsewhere, do a little extra planning to keep up your Rotary attendance. You know, you might even enjoy attending a meeting of some other club.

* * *

ARE YOU TIRED? ---We were reading the other day that in a single day the average adult's heart beats 103,689 times, his blood travels 168,000,000 miles, he breathes 23,040 times and inhales 438 cubic feet of air.

The average adult also eats 3 1/4 pounds of food, drinks 2.9 quarts of liquids (more if he likes brew), loses 7/8 pounds of waste, speaks 4,800 words (not all necessary), moves 750 muscles, exercises 7,000,000 brain cells etc.

By the time we read this far, we were too tired to continue!

* * *

SERVE WITH DEEDS---Henri Lacoste, governor of District 69, R.I., Mont-de-Marsan, France, has some wise advice for Rotarians everywhere.

"A Rotary Club", he declares, "Is not merely a circle, it is a moving wheel. A circle is static, while a Rotary club engenders action."

"It does not suffice for us to expound from afar, with various shades of meaning and much inspiration, about the greatness of the Rotary Ideal of Service. It is necessary rather that we, in a tangible way, serve our community, our country and the world."

"Yes, let us serve, not with words but with deeds and, above all, let it be for a useful purpose."

* * *

POHET PETE:

Vacation time is nearing,
And plans for trips we're hearing.
For reservations now you've wired,
After the rest you'll feel read tired.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

June 6, 1957

CASUAL NOTICE--Bert Faller, who is chairmaning the Ladies Night at the Country Club next Tuesday, tells us it will be a casual dress affair (Bermudas even!) Cocktails will be unveiled at 6:30 with a smorgasbord at 7:00. Cards and dancing later on. Sounds like a relaxing evening. Jim McComb is co-chairman, with Bill Short, Web Treat and Harvey Bent as the other committeemen.

* * *

SWEETER MUSIC--Keith Avery, minstrel show ticket chairman, told club members Tuesday that receipts from the show ducat sale have now reached $1,404.84. The directors, at today's board meeting, voted to forward the club's second $800 payment to the Battle Creek club to cover our pledge toward the cost of a caretaker's lodge at Boy Scout Camp Ben T. Johnston.

* * *

FUN AHEAD--The annual Tri-State meeting with Angola and Montpelier will be held June 21 at the Lake James Country club starting at 7 p.m.

Departing from custom, this will be strictly a fellowship session with a barbeque dinner and no formal program. Angola will host the affair and $2 will be the charge.

* * *

SHORT TRIP--Maurice Payne, who planned to spend a month in Denver, turned up at this week's meeting. Seems he prefers Coldwater's altitude. Welcome home Maestro!

* * *

BACK IN CLUB--John Jackson, who resigned several months ago when illness made it impossible for him to maintain regular attendance, has rejoined the club. The members were happy to see him back Tuesday.

HURLS CHALLENGE--Ernest Shelley, psychological research analyst for the Michigan Department of Corrections, was Tuesday's speaker. He reviewed the state's efforts to rehabilitate some 2,500 youthful offenders and then challenged club members to join in the effort.

The boy who has gone wrong has done so because he has been building on the wrong pattern, Shelley asserted. The pattern, he pointed out, is supplied by an adult. The latter, he added, can help by setting a good example.

Fred Weeks was program chairman and introduced the speaker. Special guests were Probate Judge, Fred J. Renshaw, and Robert Uhrig, county juvenile probation officer, and Hobart Ingle, Branch-Hillsdale county probation officer.

* * *

VISITING ROTARIANS--Dale Ulery, Goshen, Ind.; Dave Jordan, Angola, Ind.; Pat Shaw, Mountaineer, N.M.: Ken Yesh and Bill Cadman, Bronson; and Carlton McKenzie and Elmer Dobson, Quincy.

* * *

EARLY LEAVERS--Seven (by actual count).

* * *

LATE ARRIVAL--Putnam.

* * *

MISSING FACES--Barnes, Harris, Olson, Ribble, Schmitt, Skabo, Teeter, Warren Williams and Wise.

* * *

POHET PETE:

All you tipplers can be bright
June 21 is Tri-State night.
Changed the place just for you,
Ousted the speaker, added a brew.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 28, 1957

COMING UP--Fred Weeks, program chairman for next Tuesday, tells us Ernest L. V. Shelley, research analyst for the Michigan Department of Corrections, will be the speaker. His subject: "Whose Boy Is He?"

* * *

THINGS TO DO--How about penning a line or two to Maurice Payne to let him know we miss him? Address your cards and notes in care of: Spears Chiropractic Sanitarium and Hospital, East 10th Ave at Jersey, Denver, Colorado. Maury expects to be there one month.

* * *

DEAR ROTARY ANNS--This is to tip you off that Ladies Night is being planned for June 11th at the Country Club. Bert Faller promises a fine dinner and program, so keep it in mind (your hubby's mind, we mean).

* * *

SWEET MUSIC--Keith Avery, ticket chairman, reported Tuesday that he has collected $1,258.84 to date from the sale of tickets for the club's recent minstrel show. The total will be slightly larger when everyone has settled, he states.

* * *

WE DID NOT!--Several members squirmed noticeably Tuesday when Mrs. S. L. Wing, of the Coldwater Garden club, declared that many motorists thoughtlessly clutter up the countryside by tossing their trash from car windows. Mrs. Wing appeared at Tuesday's session to enlist the club's moral support in her organizations current campaign against Litterbugs. We are sure that none of the members can be classified as Litterburgs--not since Tuesday!

HOME TALENT--As Tuesday's program chairman put it, some of the best club programs are provided by its own members. This was true this week when Keith Avery gave an inspiring talk on Rotary's 4-Way test. Chairman Wayne Way couldn't have selected a better man for his program.

Among other things, Keith pointed out that service--the foundation of Rotary--is entwined in all phases of the 4-Way test.

* * *

EARLY LEAVERS--Too many (eight to be exact).

* * *

VISITING ROTARIANS--Hall Mills, Burr Oak; Carlton McKenzie and Ed Jennings of Quincy; and Bud Higbie of Bronson.

* * *

UNLUCKY--Thirteen Rotarians missed a good program by being absent. Those missing were: Couillard, Dale Dean, Etsweiler, Kornstein, Moore, Olson, Payne, Toupalik, Fritz Van Aken, Warner Van Aken, Waldron, Clyde Williams and Chuck Woodward.

* * *

EARLY PRACTICE--Veep Lester Wise presided Tuesday in the absence of President Fritz, getting the feel of the job he is due to take over soon.

* * *

POHET PETE:

Glad to hear school's out.
Listen to the kids all shout.
Mama's waiting for next fall,
When they go back, one and all.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 23, 1957

SKIDDING SLIGHTLY--The club's average attendance dropped from 96.48 in March to 93.24 in April according to District Governor Fred Hilbert's monthly letter.

Coldwater stood 10th in the 45-club district during April, while Bronson was fourth, Quincy 11th and Union City 28th.

Branch county's four clubs had an average attendance for the month of 92.35 per cent. We doubt if any other county in the district could make the same claim.

We note that Sturgis was 45th in April--a fact that no doubt also has been noted by our new District Governor Elwyn.

* * *

TURNABOUT--The club entertained its children and vice versa at the annual Children's party Tuesday.

The club members and their youngsters assembled at Edison school for a luncheon and after the meal the program was furnished by the Edison school children.

The program featured three musical playlets, including Robin Hood. Several of the young artists looked and sounded like mighty good prospects for Rotary minstrel shows of the future.

Carl vinton chairmaned the affair which, it seemed to us, was enjoyed by the Dads as much as by the kids.

* * *

TUESDAY'S GUEST--Bert Ward, Jack Schafer, Barney Barnett and Bob Stocker, all of the Bronson club.

* * *

EARLY LEAVERS--Only one!

TUESDAY'S ABSENTEES--Avery, Fiske, Fox, Holtz, Milnes, Moore, Sebald, Short, Toupalik, Waldron and Way.

* * *

DON'T FORGET--If you haven't already done so, settle up for your minstrel show tickets as soon as possible. We can't determine the profits until all of the figures are known.

* * *

GETS NEW JOB--President Fritz, who is scheduled to step down soon, acquired a new title this week--that of president of Camp 12. Chuck Woodward is the new Veep. Good hunting boys!

* * *

HEADING WEST--Maurice Payne plans to leave next week for Denver, Colo., to enter a clinic there for examination and treatment. The club's best wishes go with you Maurice.

* * *

OUR SYMPATHY--To Noel Shedd, who this week lost his father, William A. Shedd, at the age of 83years.

* * *

NO USE--In observance of local Clean Up week, Editarian Bovee actually made a half-hearted effort to clean up his desk. You should see it now!

* * *

POHET PETE:

The minstrel show was a hit.
They say we did right well.
But if you contemplate a bit,
The jokes, they sure did smell.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 16, 1957

IS EVERYBODY HAPPY?--No one is wearing a frown now that the 1957 Rotary Minstrel Show has passed into history. It was a lot of work but the audience reception, plus the heavy boxoffice intake, made it once again a worthwhile club project.

Director Ed, Maurice, Chet Curry, Torg Skabo, Keith Avery et al, all deserve a pat as well as Erick, who created what all agree was a might classy stage.

Then there was Gus, who again organized a "mighty fine" Dixieland band, Winnie, the outside talent and the many others who cooperated to the fullest extent.

It was a lot of hard work but we think everyone will agree it had its moments of fun too.

* * *

NEXT TUESDAY--The club will stage its annual children's party. Time 12:15; place, Edison school; requirements, one or more youngster (your own if possible).

Carl Vinton, chairman of this year's shindig, says the children will provide the entertainment after luncheon. The party will replace the usual weekly luncheon meeting at the hotel.

* * *

APPLYING THE BRAKES--Rotarians who fancy themselves expert drivers got a different picture of themselves Tuesday when Martin J. Blied, driver education supervisor for the Automobile Club of Michigan, addressed the club.

Blied asked his audience to examine its own driving habits, pointing out that children invariably pattern their driving after that of their parents. He said the driver education program can help but cannot do the job alone.

The auto, Blied emphasized, causes few accidents. The driver, according to actual statistics, causes 99.3 per cent. Maurice Payne chairmaned the program for Jim Van Why.

* * *

REPRESENTATIVES CHOSEN--Mac McKeith announced Tuesday that Larry Skidmore, CHS junior, will represent the club at Wolverine Boys State in East Lansing this summer, and that Don Shorno (not Sr.) will go to Rotary Camp Emory.

* * *

ABSENTEES--Only seven members, Burandt, Laney, McKnight, Milnes, Mulchahey, Ribble and Teeter were listed as being absent this week.

* * *

EARLY LEAVERS--Three more than the two mentioned by President Fritz.

* * *

TUESDAY'S GUESTS--Russ Megargle of Bronson, and Dale Ulery (of Goshen not Bronson) were the Rotarian guests. Noel Shedd had Charles Hill, new Chamber manager, as his guest; Fred Weeks was host to Darwin Swain of Battle Creek; Ken Putnam had George Owers of McRae, Ga. (who may take the local city forester post), and "Osgood" had two of his driver education instructors, Val Connaly and Emil Lopez as his guests.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

May 8, 1957

ONE, TWO, THREE--Only three more rehearsals before we unveil our 1957 minstrel production to public gaze.

Next practice session will be at 7:30 p.m. Sunday. Director Ed needs a 100 per cent turnout.

Tickets are selling, but not rapidly enough, according to Keith Avery, who reported 315 ducats disposed of as of Tuesday. It will take 1,400 to fill the auditorium for two nights, sooooo!

* * *

AFRICAN INTERLUDE--The club has had some enjoyable travelogues during recent months and the one presented this week by Wilbur Read was no exception.

Wilbur, who traveled by air and sea to Europe and Africa earlier this year, showed the club some of his excellent color shots. The latter were made even more interesting by the exhibitor's rapid-fire narration.

Warner Van Aken was program chairman and is to be congratulated on his choice.

* * *

HAIL AND FAREWELL . . . The club welcomed James Luck into membership Tuesday.

Jim needs no introduction to most Coldwaterites. He is a graduate of St. Charles High School, an army veteran and is manager of Radio Station WTVB. Duke Davidson handled the introduction.

The club regretfully said aloha to John Rick, who is leaving Coldwater soon for Detroit where he will work toward a specialist's rating in internal medicine. Doc Pearce, in behalf of the club, gave Doc Rick a going away gift as a momento.

The city joins the club in saying, "It's been nice knowing you, John, and please consider coming back to stay some day.

DISTINGUISHED GUESTS--Tuesday's guest list was headed by Ralph Toaz, secretary of the Lansing club and past district governor of Rotary. Barney Barnett and R. J. Megargle, of Bronson, Robert Jones, of Adrian, and . .
C. D. McKenzie, of Quincy.
Warren Williams had a non-Rotarian guest, a Mr. Collier, of Toledo, O.

* * *

WE MISSED--Burandt, Dale Dean, Fiske, Hurly, Kornstein, Laney, McComb, McKeith, Pennington, Rice, Putnam, Schmitt, Shorno, Thomas, Waldron, and the three Woodwards, all of whom were marked absent.

* * *

EARLY LEAVERS--At least three more than the number of those signing the list.

* * *

COMING UP--Carl Vinton announced Tuesday that the meeting two weeks hence has been set aside for the club's annual children's party.

This meeting will be held at Edison school and if you haven't got a youngster or two of your own to take, get one (by conventional means of course). On the fallacious assumption that they eat less, the price will be 75 cents per youngster. A real bargain! You can't feed 'em for that at home.

* * *

SOUND LOGIC--"Take an interest in the future--that's where you will spend the rest of your life!"

* * *

POHET PETE:
Ask the next guy you see,
If at the minstrel he will be?
The show will really be a honey.
Besides, the club needs the money.

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

May 2, 1957

NOW HEAR THIS!--Director Ed Holtz warns that curtain time is only four rehearsals distant, including the dress rehearsal for the State Home boys and girls.

So---he urges us to urge all of you to turn out 100 percent at next Tuesday night's workout at Roosevelt auditorium. Starting time 7:30 p.m. prompt.

Maurice Payne informs us that Minstrel Show costumes will be handed out at the rehearsal on Sunday, May 12th. (Which allows two days for alterations.)

Torg Skabo and his program vendors have sold 93 advertisements which, he reported to the board Thursday, will gross about $900.

Now all we have to do is whip the show into shape, and Ed and his aides will need your aid in doing this. Nuff said!

* * *

BOARD DECISION--The directors, at their May luncheon session this week, decided to again sponsor a high school junior at 1957 Wolverine Boys State. Mac McKeith is in charge of selecting the boy to be sent by the club to East Lansing this year.

* * *

ORCHIDS TO DOC--Keith Pearce, Warren Williams and Ray Fox rate a pat on the back for the highly successful Rural-Urban Night dinner meeting at Batavia Grange this week. The club's farmer friends appeared to enjoy the meal, sociability and a talk by Dr. Willis Dunbar, history professor and radio-TV news commentator and analyst.

Dr. Dunbar reviewed U.S. diplomacy from the beginning, pointing out since 1948 it has, perhaps of necessity, become a policy of expediency. He declared that the best foreign policy today is maintenance of a strong military force to deter attack, and the practice of patience.

* * *

MISSING FACES--Davidson, Etsweiler, Faller, Fiske, Harris, Hill, Joseph, Kornstein, Laney, McConkey, McKnight, Mulchahey, Payne, Pennington, Rice, Rick, Schmitt, Shaw, Schwengel, Teeter, Treat, Trebilcock, Waldron, Doug and Les Woodward were listed as absent Tuesday night.

* * *

WHAT DO YA KNOW--There were no early leavers at Batavia Grange Tuesday night!

* * *

LEFT IN LURCH--Dale Ulery, of Goshen, Ind., club, Hal Mills, of Burr Oak, and Henry Gomley of Bronson, reported in at the Arlington Tuesday noon to make up, not knowing that an evening meeting was scheduled. Try us again, fellas.

* * *

SIGNS OF THE TIME--Spring engenders, among other emotions, a desire to paint and fix up. This may account for the fact that the board this week voted to repair the club's signs at the main approaches to the city. Harvey Bent drew the detail and will be assisted by the Jaycees, who have volunteered to do the work if the club would only furnish the materials etc.

* * *

STOLEN THOUGHT-It takes only a little jack to lift a car, but a lot of jack to keep it up.

* * *

PHOET PETE:

Minstrel boozing's out, they say.
You'll sing better but not as gay.

FLASH! FLASH--Next week's rehearsal for the minstrel show will be held at 7:30 p.m. MONDAY at Roosevelt auditorium. It has been moved up one day due to the Rural-Urban Night at Batavia Grange Tuesday.

Curtain time is drawing closer and closer. Director Ed urges that everyone make an effort to attend rehearsals regularly.

DON'T FORGET--There will be no noon meeting of the club Tuesday due to the annual Rural-Urban dinner at Batavia Grange at 7 p.m. that night. Dr. Willis Dunbar of Kalamazoo, TV and radio news commentator and analyst, is to be the speaker. Each Rotarian is to have a farmer as his guest. Members without farmer acquaintances should contact Warren Williams at once.

NEWS TO MOST--Ralph Toupalik, whose program was "community safety", came up this Tuesday. LaVern Miller of the Branch County Boat club, and Richard Borden, county CD director, who provided information which was news to most members.

Miller reviewed the safety aims of the boat club, while Borden discussed the county's disaster relief setup.

Both men devoted portions of their talk to the Branch County Rescue squad, its personnel, training, equipment and operations. They climaxed the program with a couple of rescue demonstrations and then exhibited some of the rescue squad's equipment.

ABSENTEES--Allemier, Barnes, Curry, Etsweiler, Hill, Moore, Olmsted, Olson, Pearce, Trebilcock and Wise.

The club's average attendance during the month was 96.48 per cent of its membership. Our February rating was 92.06. Bronson finished one notch above us last month with a 96.58 rating.

AT LAKE PLACID--Governor Nominee Elwyn Bodley of Sturgis is attending the International Assembly at Lake Placid.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 18, 1957

SMALL BUT OH MY--Tuesday's guest list was smaller than usual. However, it couldn't have been much more distinguished.

A surprise visitor was Phil Lovejoy of Utica, N.Y., a past secretary of Rotary International, who later in the day delivered the key talk at the new Homer club's charter night dinner.

Another guest was Dr. James A. Thomas, Coldwater, the 1957 Branch county Cancer Crusade chairman.

C. J. Holmes and Bruce Wilbur, from Bronson Rotary, completed the guest list.

* * *

ONE IN FOUR--Andrew Henry, a member of the Coldwater Toastmasters club, addressed the club this week on the subject of "Cancer".

The speaker pointed out that one in every four persons will become cancer patients under existing ratios and that one in three will be cured. He reviewed progress made in the search for a cure and emphasized the need for funds to finance such research.

Henry urged his listeners to support the cancer fund campaign and safeguard themselves by getting a physical checkup at least once yearly, and by ever watching for cancer's seven danger signals.

John Rick, program chairman, and Dr. Thomas answered questions concerning the topic following Henry's talk.

* * *

ABSENTEES--Goodholm, Harris, Pennington, Putnam, Rice, Schwengel, Thomas, Way and Doug Woodward.

EARLY LEAVERS--Too Many!

* * *

NEXT TUESDAY--Ralph Toupalik will be program chairman. His subject will be "Community Safety". For further details we suggest you attend next week's meeting.

* * *

HAPPY BIRTHDAY--April is the natal month of five club members, Ray Fox, Axner Olsen, Erich Schwengel, Barney Trebilcock and Seton Bovee. A special table will await them next Tuesday, Bert Faller informs us.

* * *

NAME YOUR PARTNERS--Club members are reminded they should select their farmer guest for Rural-Urban Night April 30 without delay. Those who haven't done so by then, will be assigned a farmer next Tuesday. See Warren Williams for your ducats.

* * *

DRESS REHEARSAL--The Board of Directors decided Tuesday to invite children from the State Home as guests for dress rehearsal of the Rotary Minstrels of 1957.

According to present plans the dress rehearsal will be held the night prior to the first public performance. The number of State Home guests witnessing it will be left to the decision of those in charge at the institution.

* * *

BAD NEWS--Barney Trebilcock's decision to leave the City Engineer's post, which he has held since 1945. His full worth to the city probably will not be accurately evaluated or fully appreciated for years to come.

* * *

POHET PETE:

Seton reached the fifty mark.
Says his life has been a lark.
Now he's back where he started,
Teeth and hair have long since parted.

DOUBLE FEATURE -- Bernard Laney arranged an interesting movielogue for this week's meeting. Ralph Gerganoff, Ypsilanti Rotarian, architect and globe trotter, exhibited color films he took on trips to India and Point Barrow, Alaska. Ralph needed no introduction to many of the club members as he was architect for the new Lakeland school.

Tuesday's other highlight was the crowning of Nancy Cochrane, of Quincy, as Branch county's 1957 Dairy Princess. The club had Miss Cochrane and six other attractive nominees for the title as guests--also Mayor Max Olds and former Mayor John T. Jackson, who handled the coronation ceremony.

Keith Pearce had charge of staging the judging contest and Ed Holtz, by default of Jess Waldron, got to be one of the judges.

* * *

BRONSON DAY--Tuesday must have been Bronson Day here. No less than eight (count em) Bronson Rotarians were guests. The list included Ray Smith, Nels Weber, Clare Hollister, Russell Megargle, Bob Stocker, Ken Yesh, Roger Morr and Dick Schultz.

Rotarians Carlton McKenzie, Quincy, Emory Boyd of Angola, and Vern Kilgren of Hillsdale, also were present. Kenneth Brown, Lakeland school superintendent, also was a guest.

* * *

STAY-AT-HOMES--There were only five wanderers this week, Kerr, Allemier, Fiske, Rick and Shorno being listed as absent.

* * *

NEXT TUESDAY--Doc Rick, the chairman, informs us that next week's program will be provided by Dr. James Thomas, chairman of the Branch county ACS unit's April cancer crusade. The program will tie in with the current fund-raising and educational campaign.

* * *

POSTPONEMENT--Next week's meeting of the Rotary Tuesday Night Musical society will be held Wednesday night due to the Homer charter night Tuesday night (if you follow us). Ed Holtz urges all Rotary minstrels to note this change in the usual schedule and turn out Wednesday night, at 7:30, at Roosevelt auditorium.

* * *

Red McKnight points out that good public relations cost you nothing but they pay big dividends.

* * *

ROTARY FELLOWSHIPS--Advanced study abroad, as Rotary ambassadors of good will, is the assignment of 123 outstanding graduate students from 30 countries for the 1957-58 school year. The 1-year all-expense fellowship grants average $2,500 each, and for 1957-58 amount to more than $300,000.

Since the program was inaugurated in 1947--as a memorial to the founder of Rotary, Paul P. Harris--Rotary Foundation fellowships have been awarded to 948 youths living in 61 countries for study in 40 countries. Total grants for this Rotary contribution toward international understanding have been in excess of $2,250,000!

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

April 4, 1957

GOOD JUDGMENT--Rotary doesn't mix in politics but apparently a Rotary label is an asset to a politician. At least two club members were elected aldermen and another named supervisor of his ward in Monday's municipal elections. Congratulations to Dale Dean, Erich Schwengel and Harvey Bent--or rather, we should compliment the voters on their excellent judgment.

* * *

SOBERING THOUGHT--World domination is, and always has been, the aim of the Soviet Union, Dr. Roger Leestma, of the FCDA headquarters in Battle Creek, told club members following Tuesday's luncheon.

Dr. Leestma, by spoken word and geographical charts, convinced local Rotarians that the communist threat to the free world is greater today than ever before.

M. A. McKeith was program chairman and had Bill Williams, who helped secure the speaker, as his luncheon guest.

* * *

FROM OTHER CLUBS--Rotarians Dale Ulery, Goshen, Ind.; Dick Schultz and Bill Campbell, Bronson; and Max Huey, Hillsdale, attended this week's meeting.

Doc Pearce had his associate, Dr. Percy Jones, as his guest.

* * *

NINE ABSENTEES--Nine club members listed as absent this week were Barnes, Biringer, Burandt, Fiske, Goodholm, Kerr, Mulchahey, Shaw and Williams (Clyde or Warren, Chick?)

* * *

NEXT TUESDAY--The annual county dairy queen contest will be next week's club meeting feature. Candidates for the title will be guests of the club.

* * *

HUSTLING HUCKSTERS--Torg Skabo's crew selling advertising space in the club's 1957 minstrel show programs has been doing a bang-up job. Torg told the other directors Thursday that over 100 sales will be made. Last year the program carried 73 ads.

* * *

RURAL-URBAN NIGHT--The club will host its farmer friends the night of April 30 at Batavia Grange, Chairman Keith Pearce has announced. Each club member will be asked to invite a farmer guest. Dr. Willis Dunbar, Kalamazoo radio-TV news commentator, will be the speaker.

Doc tells us that, as far as he can determine at present, the cost will be $1.50 per ticket with each member expected to secure tickets for himself and farmer friend. In other words, be prepared to shuck out $3.

* * *

DON'T FORGET--The Homer club charter night shindig. Dick Biringer is in charge of the local delegation and President Fritz wants no less than 20 from our club to attend.

* * *

SEAL SALE LAGS--Harvey Bent, Easter Seal sale chairman, reports the drive needs a boost. Receipts to date total $930. Last year's drive produced $1,500. So, if you haven't sent in your contribution (and this, we confess, means us), do so promptly.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 28, 1957

NEXT TUESDAY - - Dr. Robert Leestma, of National Civil Defense headquarters in Battle Creek, will be the speaker. He will discuss "The Intents and Capabilities of the Soviet Union". Mac McKeith will be program chairman and Bill Williams, who helped him secure next week's star attraction, assures us Leestma has a top flight talk on a topic which rates top priority consideration by every American.

* * *

THIS WEEK - - Bob Greenich, who needed no introudction to most club members, reviewed special education for handicapped children from the parental viewpoint. He said parents of handicapped children must first face the facts before they can be of much help. He discussed the needs and problems of special education in a frank, instructive and interesting talk. Alfred Rice was the program chairman.

* * *

COULD IT B.O. -- The club had its shortest guest list of months this week. Bud Higbie of Bronson, and Clay Brockman of Quincy, were the only visiting Rotarians. Even our neighbor from the east, Mac (Old Faithful) McKenzie was missing. Bill Williams, Coldwater, was a guest of his employer, Mac McKeith.

* * *

VACANT CHAIRS - -Andrews, Barnes, Dale Dean, Etsweiler, Fiske, McComb, Moore, Patterson, Short, Teeter, Warner Van Aken, Way and Vinton were marked absent.

* * *

DOWN BUT NOT OUT - - The club's attendance percentage dipped two percentage points to 92.06 during February, but Coldwater still held on to its place among the district's leaders. Quincy, with 97 per cent, stood second in the district, while Bronson, with a 96.57 rating, was in fourth place.

Charlotte, with 86 members, was the only club our size or larger with a better attendance record. Charlotte had a 93.31 rating which placed it sixth in the district. Coldwater was 13th.

* * *

TO STUDY ABROAD - - District Governor Fred Hilbert announces that George Webber of Jackson, an Albion College graduate now studying theology at Boston University, has been selected to study in England next year on a Rotary scholarship. Mrs. Webber is planning to accompany her husband and teach in England to finance her own support during the year.

* * *

OUTSIDE READING - - Our thanks to Les Woodward, who recently attended a meeting of the Fort Myers Beach (Florida) Rotary Club and brought back a copy of the club's publication, "The Cog", for us to examine and enjoy.

* * *

TIME SAVER - - Harry Joseph proved to be just that Tuesday when he reviewed the March issue of The Rotarian. He covered from cover to cover so well that President Fritz allowed as how there wasn't much use of anyone taking the time to read the issue.

* * *

YOUR MEMO PAD - - Jot down April 16th as the date of the charter night at Homer (which is easy driving distance from Coldwater). Phil Lovejoy will speak! Need we say more?

AND DON'T FORGET that the Rotary Minstrels are rehearsing every Tuesday night. Your presence is both requested and desired.

POHET PETE:
All Rotarians on the rolls,
See you Monday at the polls.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 21, 1957

CLUB BRIEFED . . . Future new stories from the troubled Middle East will have more meaning for local Rotarians, who were briefed Tuesday on the basic problems involved in the Arab-Israeli dispute.

Fred J. Seikaly, who came to Coldwater recently to become connected with the Sales Department of the L. A. Darling Co. at Bronson, was Tuesday's speaker. Fred has spent most of his life to date in Beirut, Lebanon, and is able to speak with authority on the Middle East topic. He was introduced by Ken Putnam.

* * *

TUESDAY'S GUESTS . . . Lawton Osborn, Dickinson, N. D. club; C. D. McKenzie, Quincy (and Coldwater); Dr. Ket Bush, Dixon, Ill, guest of Howard Teeter; Bill Williams, Coldwater, guest of Mac McKeith; and Jerry Muzzillo, Ft. Wayne, Ind., guest of Torg Skabo.

* * *

LET'S WATCH IT. . . Four members signed the "early leaver" list but six took off before the program started.

* * *

MISSING VISAGES . . . Andrews, Barnes, Burandt, Couillard, Hurley, Joseph, Kennedy, McKnight, Mulchahey, Patterson, Pennington, Schwengel, Thomas, Warner Van Aken, Warren Williams, and Les and Chuck Woodward.

* * *

NEXT TUESDAY . . . Alfred Rice, program chairman, informs us that next week's program will deal with special education with Robert Greenich as speaker.

* * *

WORD TO THE WISE . . . Drive carefully. Don't insist on your rites.

* * *

FROM KALAMAZOO . . . Clyde Williams gave the members a brief report on the district session held at Kalamazoo last weekend. The club, incidentally, was represented by five members: President Fritz, Barney Trebilcock, Torg Skabo, Les Wise and Clyde.

* * *

REMINDER . . . There will be a charter night at Homer April 16th.

* * *

ACT PROMPTLY . . . Harvey Bent, who is chairmaning the Easter Seal drive this year, is asking club members to mail in their contributions without delay.

Last year's drive netted about $1,500 to aid crippled children and adults. This year's county-wide campaign is shooting at a $2,000 goal.

* * *

TRUTH STINGS . . . The Brownsville (Tex.) Rotary Bulletin reports that a bee has a stinger exactly .03125 inches long. The other 24 inches are your imagination!

* * *

A ROTARY CLUB'S place in the community is fixed not merely by some spectacular achievement of the Club as a whole, but rather by the daily lives of its individual members. -- Club Bulletin, Columbus, O.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 14, 1957

VEEP MOVING UP . . . . Les Wise, vice president this year, will take over from President Fritz July 1st. The new board, at its organizational meeting this week, also named Dick Biringer to succeed Wise as vice president.

Two new directors, Don Harris and Jess Waldron, were elected by the club Tuesday. Wise, Biringer, Harvey Bent, Bill Bobier and Maurice Payne were renamed to the board.

* * *

MORE POWER TO YOU . . . This week's speaker was Leo McQueen, Superintendent of Coldwater's Board of Public Works, who gave club members an interesting review of the local power plant's history and discussed its operations.

Among other things, Mr. McQueen said there are no plans at present to expand the local plant. The city currently is buying 45 per cent and generating 55 per cent of its electrical output. The city is receiving about $38,000 to $40,000 per year from net earnings.

Paul Hurley, recently named President of the Board of Public Works, was the week's program chairman.

* * *

WITH US THIS WEEK . . . Ed Hawkins, past president of the Danville, Va., Rotary Club and now a Coldwater resident, was a guest of Craig Sebald. Paul Hurley had Charles Fisher as a guest. The visiting Rotarian list included Ben Gordon, Angola, Bob Stocker of Bronson, and C. D. McKenzie and Ed Jennings of Quincy.

* * *

NOT WITH US . . . . Rotarians Barnes, Dale Dean, Goodholm, Harris Kennedy, McConkey, McKeith, Moore, Patterson, Teeter, Trebilcock, Warner Van Aken, Waldron, Warren Williams and Les Woodward were listed as absent.

* * *

HAPPY BIRTHDAY . . . . Chet Curry, Al Rice, Chick Kennedy, Jess Waldron, Chuck Woodward, Duke Davidson, Will Couillard and Mark Andrews are celebrating milestones this month. They will have a table of their own next Tuesday.

* * *

NEXT TUESDAY . . . Fred Seikaly, a newcomer to Coldwater and the Sales Department at the Darling Plant in Bronson, will be next week's speaker. A native of Syracuse, N. Y., Fred has lived in Beirut, Lebanon until recently.

* * *

DON'T FORGET . . . The district conference at Kalamazoo this coming weekend. . . . Also the fact that weekly rehearsals for the club mistrel show are being held each Tuesday night.

* * *

SPRING TRAINING . . . Dale Dean returned home this week from Florida where, we understand, he looked over the Tigers at Lakeland while his sons were serving as bat boys for an intra-squad game.

* * *

SPRING FEVER . . . We've got it so we'll sign off for this week.

Voting was rigged, you know.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 7, 1957

CHUCK HOLE CHUCKLES . . . Twenty Coldwater High School students who have been weekly guests of the club during the year, returned Tuesday to put on the program. They conducted the meeting, led the singing and furnished the talks. They gave the members an interesting word picture of the new high school with its expanded facilities.

The student guests also gave a descriptive report on the chuck hole hazards which exist in the circular drive in front of the new building. Their propaganda drew many chuckles but to date no action. We know because we darn near lost our dentures on a bumpy ride to the school for last night's tourney game.

Byron Thomas was Tuesday's program chairman. Kermit Dennis, high school principal, was a guest.

* * *

FROM OTHER CLUBS . . . Wayne Link of Ft. Wayne, Ind., Harvey Avery of Sturgis, and Wendell Hathaway and N. B. Higbie of the Bronson club, were Rotarian guests Tuesday.

* * *

MANY MISSING . . . The list of absentees Tuesday was rather long. It included Barnes, Bobier, Dale Dean, Fiske, Kerr, Laney, McComb, McConkey, McKeith, McKnight, Mulcahey, Patterson, Putnam, Ribble, Rich, Schwengel, Warner Van Aken, Van Why, Way, Clyde and Warren Williams, and Les Woodward.

* * *

FROM TUCSON . . . Warner Van Aken, making up in Tucson, Ariz., last week, reports that with a club of 220 members and more than 100 guests, there were only four "early leavers". We had NINE Tuesday!

LOOKING AHEAD . . .The Angola club, which is slated to host the Tri-State meeting at Pokagon this year, has asked Coldwater for acceptable dates in May. President Fritz is informing our neighbors to the South that May 24th is the only possible date for the annual session due to Coldwater's minstrel show schedule.

The turnout at Tuesday night's initial rehearsal, incidentally, was above last year's average. Such continued support will be appreciated by Director Ed Holtz.

* * *

NEW PROJECT . . . The directors, at their monthly meeting Thursday, voted to create a nursing scholarship. The club will put up $100 to match a similar amount put up by the Board of Health Center Trustees. The latter will select the girl graduate to receive the scholarship.

* * *

NEXT TO LAST CALL . . . There is still time to plan to attend the district conference to be held March 17-18 in Kalamazoo. Take your Rotary Ann with you.

* * *

THE POLITICAL SCENE . . . . There may be politics in Rotary but there are Rotarians in politics. Thirty-five of the 96 U.S. Senators are Rotarians. There are 65 Rotarians in the House of Representatives, and 13 living in gubernatorial mansions. At the local level we have three members, Dale Dean, Harvey Bent and Erich Schwengel all seeking ward offices in the coming April vote.

* * *

PHOET PETE:

Byron laughed at the jokes
Sure were funny them young blokes.
But Osgood what we want to know
When will the chuckholes finally go?

ECONOMIC AID . . . Coldwater State Home & Training School means a lot to this area, Rotarian Ray Mulchahey pointed out to club members Tuesday. The institution presently employes 800 persons, has a semi-monthly payroll of $124,000 and last year meant an income to this area of $3,293,763.97.

Ray revealed that the patient population, now 2,400, is slated to reach 2,900 or 3,000 by July 1st of 1958. Two buildings, which will provide 448 more beds, are now in process of construction. A new laundry and a vocational training building are also being built, while several other structures are in the planning stage.

Tuesday's talk was another of those in-club-programs that prove instructive and entertaining.

* * *

MISSING FACES . . . Etsweiler, Hill, McConkey, McKnight, Moore, Patterson, Schmitt, Van Why, Waldron, Clyde and Warren Williams were Tuesday's absentees.

* * *

THE WEEK'S GUESTS . . . . Dale Sprankle, Albion Rotarian and veteran Albion College Athletic Director; Dale Ulery of the Goshen (Ind) club; Carlton McKenzie, Quincy club, Jim Niffin, Kalamazoo club; and Bob Stocker, Bronson.

Herbert Bartlett, Coldwater, was Carl Vinton's guest. Will Couillard was host to John Mann of Kalamazoo. Wes Wilbur also was a guest.

The week's student guest was Delbert Gentry, CHS senior. Delbert is one of the top ten students in his class in academic standing, holds a life rank in Scouting, and plans to study at the University of Michigan to become a pharmacist.

NEXT TUESDAY . . . The Program next week will be supplied by a group of senior boys from the high school. Osgood will be chairman.

* * *

COMMAND PERFORMANCE . . . Ed Holtz asks that we remind the membership that the first weekly rehearsal for the club's 1957 minstrel show will be held at the Arlington next Tuesday night.

Ed further informs us that the rehearsal will start at 7:30 and end at 9:00. That is, it will if everyone is there at 7:30. Otherwise the session will run to a later hour.

Last year's show taught us that rehearsals are a necessary evil. So, let's be prompt and regular. The director needs and will appreciate our 100 percent cooperation.

* * *

NOTE FOR KEN . . . We understand the latest definition of a hypocrite is an undertaker trying to look sad at a $5,000 funeral.

* * *

FOR THE LADIES . . . J. D. Anderson, poster of the Grand Ledge Rotary Ledger defines a husband as a man who can wait all day for his supper, but not five minutes more.

* * *

LOOKING UP . . . The early leaver list Tuesday contained only three names!

* * *

WORTH REMEMBERING . . . The district conference in Kalamazoo this month.

* * *

POHET PETE:

Get your tonsils oiled up
We're off again, says Ed.
Be on time, hup, hup, hup
If you want to go to bed.

The Singingest Club in the U. S. A.

February 20, 1957

ON TO KALAMAZOO . . . The annual spring conference of District 219 at Kalamazoo will feature several fine attractions for the Rotary Anns, we are told. Sunday evening, March 17, the Kalamazoo Civic Players will present Tea House of the August Moon. Ladies attending the luncheon the following noon will participate in a live television program of WKZO-TV.

* * *

WHOA, WHOA! . . . Coldwater's attendance in January slipped to 94.06 per cent from December's 95.31 showing. The club stood 8th in the 44-club district. Bronson was in 5th spot with a fine 98.03 record. On the credit side, the club gained one member last month and now has 72 members.

* * *

ORCHIDS TO ALL . . . Art Van Matre, Coldwater Recreation Director, was this week's luncheon guest and speaker. He complimented the local service clubs for their continued support of the local recreation program, which he declared is years ahead of those in many cities our size.

Van Matre did point out that his department feels an expanded adult program is needed and admitted that better swimming facilities could be used. Last year, he reported, the department gave free swimming instruction to 150 children daily. Bill Milnes was program chairman.

* * *

STUDENT GUEST . . . Bill Robinson, CHS senior, was the week's student guest. Bill is president of the Varsity "C" Club, has played varsity football three years, varsity basketball two years and varsity tennis four years. He is an above average student, a Hi-Y Club member and is planning to matriculate next autumn at Western Michigan to study for a teaching and coaching career.

* * *

OTHER GUESTS . . . Rotarians Dick Schultz, Bill Campbell, Bruce Wilbur and Bob Stocker, of Bronson, and Carlton Mc Kenzie and Warren Lindeman of Quincy. Bill Milnes had Howard Thompson, Chairman of the Coldwater Recreation Board, as his guest, and Will Couillard was host to Bill Foreman of Ft. Wayne.

* * *

ABSENTEES . . . Barnes, Burandt, Goodholm, Kornstein, McComb, Ribble, Shaw, Short, W. Van Aken, Way and Doug and Les Woodward.

* * *

INTERNATIONAL FAIR . . . Howard Teeter reminds members that the high school students are staging an international fair at Edison School, from 2 to 10 P.M. Saturday. The display will include all types of items and momentos brought home by Coldwaterites who have traveled to foreign lands. Plan to attend.

* * *

TONSILS TUNED . . . "The Singingest Club in the U.S.A." teed off Tuesday on its initial rehearsal for this year's minstrel show. Director Ed Holtz plans to work on the choral numbers of the show at each week's luncheon meeting. The end men met with Chet Curry after Tuesday's session to look over a wide selection of solo numbers.

POHET PETE:

Candidates are selected,
Now the promises we hear.
They all hope to be elected,
Even Erich's in high gear.

The Singingest Club in the U. S. A.

February 14, 1957

BIRTHDAY CANDLES will burn at a special table next Tuesday for five members who are a year older this month. Bert Faller informs us that Harold Goodholm, Howard Teeter, Byron Thomas, Doug Woodward and Chet Allemier first saw the light of day in February.

* * *

BANNER DAY . . . .The Detroit Rotary Club has announced that Gian Paolo Lang, President of Rotary International, will be the speaker at its regular meeting next Wednesday evening at Masonic Temple. Ladies are invited.

* * *

NEXT TUESDAY . . . Bill Milnes, next week's program chairman, says Art Van Matre, City Recreation Director, will address the club. Art will discuss the recreation program which, incidentally, rates high for those conducted in other cities of Coldwater's size. Bill also plans to have Howard Thompson, Recreation Board member, as a guest at the meeting.

* * *

THIS TUESDAY . . . The Program Chairman, Clyde Williams, was unable to take over due to a death in his wife's family, so Pater Warren did the honors, and capably too.

Clyde and his father, who would rather hunt big game than work or eat (and who wouldn't?), went on a hunting expedition to the mountains of Montana last year. Fortunately, they did some "shooting" with a camera as well as with their rifles.

Warren exhibited a large number of colored slides and gave an interesting, running commentary on the pictures. It was an A-1 program in the opinion of everyone.

STUDENT GUEST . . . . The week's student guest was Lewis Houston, Coldwater High School senior. Lewis has played varsity football and baseball the past two years, is Vice President of the Varsity C Club, and was Rotary's representative at Wolverine Boys State as a junior. He is a B-plus average honor student and plans to attend Kalamazoo College after high school graduation this June.

* * *

VISITORS . . . . Harold Stukey, Coldwater, was Ernie Luse's guest at Tuesday's meeting. The visiting Rotarian list includes four Bronson members, J. Paul Rich, R. J. Megargle, Bob Stocker and J. A. Sommer, and our faithful attendant from Quincy, C. D. (Mac) McKenzie.

* * *

ELSEWHERE . . . The absentee list was a long one again Tuesday. The secretary reported Barnes, Dale Dean, Fox, Kennedy, Kornstein, McComb, Mulcahey, Payne, Pearce, Putnam, Rice, Short, Warner Van Aken, Waldron, Clyde Williams, Wise and Chuck Woodward as being missing from the festive tables.

* * *

IMPROVEMENT . . . Apparently the members listened to President Fritz' plea to consider early leaving a privilege not to be abused. At least, only six members took off before the program got underway.

POHET PETE:

Our town has hit
Ten thousand in number.
Treat did his bit
And now can slumber.

The COLDWATER *Rotary* REFLECTOR

The Singingest Club in the U. S. A.

February 7, 1957

COMMITTEES NAMED . . . . . President Fritz and chairmen for the minstrel show in May picked committees at a luncheon meeting Thursday. They are as follows:

Tickets---Dale Dean, Chairman; Biringer, Fiske, Harris, Joseph, Mulcahey, Pennington, Rice, Schmitt, Thomas, Waldron, Short, Shedd and Kerr.

Program and Advertising---Torg Skabo, Chairman; John Dean, Etsweiler, Hurley, Luse, Ribble, Weeks, Sebald, Shaw and Barnes.

Ushers---Barney Trebilcock, Chairman; Warner Van Aken, Kennedy, Fox, Laney, McConkey, McKeith.

Miscellany---Les Wise and Bert Faller will handle the finances; Jim Van Why and Warren Williams the soft drink concession; and Red McKnight and Maurice Payne, make up and costumes. The stage and scenery will be in charge of Erich Schwengel, who will have Olsen, Doug Woodward, Pierce and Clyde Williams as his assistants.

Ed Holtz will direct the show, Chet Currey will work with the end men and specialists and EVERYONE WILL SING or give a reasonable imitation of same.

* * *

SOMEWHERE ELSE . . . .Nineteen members missed Tuesday's session. The list included Avery, Barnes, Bobier, Burandt, Faller, Goodholm, Kerr, Laney, McKeith, Olson, Patterson, Rice, Skabo, Teeter, Thomas, Trebilcock, W. Van Aken, Chuck and Doug Woodward.

* * *

THREE BRONSON Rotarians, Clare Hollister, Jack Schafer and N.B. Higbie, and our old standby from Quincy, Carlton McKenzie, were guests this week. Richard Green, Coldwater High School senior, was the week's student guest.

SHORT MEMORIES . . . .Many club members learned to their dismay Tuesday that their faculty for retaining facts is slipping along with the years.

Ed Holtz was program chairman and conducted a Rotary Information quiz. Each member had 50 questions about Rotary to answer. Fines were assessed for poor scores and we are told the club's treasury is about $18 richer today.

Eight early leavers were fined two bits and grumbled as they left. Chances are it might have cost them more had they remained.

* * *

FROM DOWN SOUTH -- The Nominating committee for President of Rotary International has unanimously nominated Charles G. Tennent of Asheville, N.C., to hold the high office in 1957-58. Tennent, an Asheville nurseryman, is a past president of the Asheville club and has served Rotary International as Vice-President, District Governor, and as committee chairman and member. He presently is chairman of the North American Transportation Committee for the 1957 (Lucerne) convention of Rotary International.

* * *

WORD OF CAUTION . . . .President Fritz has asked us to remind the members that the privilege of leaving early is a PRIVILEGE. He suggests that it shouldn't be abused.

* * *

POHET PETE:

Every week about this time.
We have to conjure up a rhyme.
Have we got another? No
Get your own we have to go.

SHARPEN UP . . . Next Tuesday will bring a Rotary info quiz with Ed Holtz as the ruthless inquisitor. Here are a few last-minute hints:

The Rotary Foundation Fund is raised principally by donations of individual Rotarians . . .In its relations with the United Nations Rotary International has official consultative status with the Economic and Social Council and with UNESCO . . .The general principle of "vocational service" is that each Rotarian should regard his job as an opportunity to serve society . . Except for additional active and senior active members, the only specific exception to the rule that membership is restricted to one man in each classification applies to newspaper men . . . The annual district conference is a meeting for inspiration and instruction of all Rotarians in the district . . . Rotary Foundation fellowships have been granted to approximately 850 students . . . these fellowships are grants from the Rotary Foundation to selected young men and women for advance study abroad.

* * * *

CRIMSON JOWLS . . .Our cheeks are red! John Walker has posted 30 years of perfect attendance instead of 20 as we inadvertantly reported last week. Next time John, sue us for libel. We might get off with a six-cent verdict instead of the four-bit fine we were handed Tuesday.

* * * *

HOME TALENT. . . . Instead of the usual guest speaker, the club was "Treated" to a local production Tuesday.

Harold Goodholm, Chairman, presented Web Treat, Will Couillard, Fred Weeks and Dale Dean in a panel discussion of "Competitor Relations". The quartet seemed to be agreed that business rivals are not the so and sos they used to be . . . that they have discovered cooperation and an interchange of ideas can help solve mutual problems.

* * * *

VISITING ROTARIANS . . .Dale Ulery of Goshen; Bud Higbie, Jack Shafer and Glen Barnett, Bronson; Ed Sellgren, Angola; and Carlton McKenzie and Ewell Gay of Quincy and Sturgis, respectively. Edward Gavin of Angola was Sellgren's guest; Ernest Luse had Niles Baldrige as his guest, and Harry Morris was the weekly student guest. Harry, a CHS senior, is a varsity baseballer, former bandsman, a 4-H club member and like his twin brother, Larry (who was the club's guest a week ago) plans to pursue an engineering career at MSU.

* * * *

ABSENTEES . . . Barnes, Etsweiler, Faller, Harris, Hurley, Laney, McKeith, Moore, Patterson, Pennington, Rich and Way.

* * * *

HOME AGAIN . . .Rotarian Bernard Laney, who underwent a hernia operation last week, and Rotary Ann Clara Bovee, who suffered a shoulder injury in a fall in her home last week, left the Health Center Thursday on consecutive elevator trips.

* * * *

TUNE UP . . . At a board meeting today it was decided the club WILL put on a minstrel show in May with Ed Holtz as director. The club also will buy 50 tickets to the upcoming Bronson Rotary minstrel show and sell them to the local members.

POHET PETE:

We love our competitor
And may he make a stack.
Hope he doesn't feel it
When we stab him in the back.

The Singingest Club in the U. S. A.

ORCHIDS TO US. . . No other county in District 219 could boast the attendance mark set by Branch county's four Rotary clubs during December.

Quincy led the district with five 100 percent meetings! Coldwater was sixth with a 95.31 rating---a four percent gain over November. Union City was eighth with 94.03 and Bronson 12th with 93.20.

* * *

GOOD YEAR TOO . . .Secretary Chick's report this week showed that 30 Coldwater Rotarians made all 51 meetings during the past year. Seven others missed but one session while five more slipped only twice.

Warner Van Aken now has 34 years without a miss, John Walker 20, Maurice Payne 20, Fred Weeks 17, Charles Fiske 16, Mark Andrews 10, Ernest Luse and Bob Kerr 9, President Fritz Van Aken 8, Otis Barnes and Alfred Rice 7, Byron Thomas and Barney Trebilcock 5, Dale Dean 4, Ray Mulchahey 3, Dick Biringer, Will Couillard, John Dean, Torg Skabo and Les Wise 2.

The one-year list includes Harvey Bent, Seton Bovee, Gust Burandt, Duane Davidson, Harold Goodholm, Chick Kennedy, Keith Pearce, Wilson Short, Carl Vinton and Chuck Woodward.

* * *

BIG BUSINESS . . . Tuesday's speaker was Carson P. Snyder of Grand Rapids, District Manager of Post Office Operations, who opened a few eyes with a highly entertaining and informative talk on the U.S. Postal System.

Many members were surprised to learn that the U.S. Postal Service handles more mail than all other postal systems in the world combined; that its receipts have grown from $38,000 in 1790 to over 2 billion last year; that the interest on the postal deficit amounts to 100 million annually. Postmaster Gust Burandt was program chairman and Assistant Postmaster Frank Perrin and Sup't of Mails James Aiken were guests.

* * *

TUESDAY'S GUEST LIST . . .Rotarians Jack Shafer, R. J. Megargle, Nels Weber and Bud Higbee, Bronson; Howard Schnepp, Upper Sandusky, O.; Elmer Dobson, Quincy. Gerry Muzillo of Ft. Wayne was Torg Skabo's guest; while Larry Morrison, Coldwater High School Senior was the week's student guest. Larry is a varsity baseballer, honor student, city table tennis champ, 4-H member and plans on an engineering career.

* * *

REMEMBER FEB. 5TH. . . The official magazine of Rotary is called "The Rotarian" . . . . The first Rotary club outside the United States was organized in Winnipeg, Canada . . . The administrative officer of each division is called Governor. He is nominated by the clubs and elected at the convention. He receives training and instruction at an annual International Assembly . . . A past service member has all the rights and privileges of any member except he is not considered as representing a classification . . . If a Rotarian moves from one city to another he must again be properly proposed and regularly elected . . . The legislative body of Rotary International is the annual international convention (of delegates from all Rotary clubs). In order to obtain attendance credit a member must be present at a meeting for 60 per cent of the meeting time . . .A member receives attendance credit if he attends a regular meeting of another Rotary club on the day missed or on any of the six days before or after the date of the meeting missed.

Erich's careful, this I bet ya.

January 16, 1957

THE KING AND I . . . . Several local Rotarians decided Tuesday that they would like to live in Brazil after hearing Dr. Anita Franco, Brazilian exchange student doing research at the University of Michigan, declare that in Brazil the women consider their men to be "kings".

While it was much easier to look at Dr. Franco than understand her strongly accented English, the members enjoyed every minute of her talk and absorbed information concerning her country. Barney was the day's chairman and gets an unanimous vote of thanks for a delightful program.

* * *

THROUGH RAIN AND SNOW . . . Next week's program is to be supplied by Postmaster Gust, who informs us that Carson P. Snyder, Grand Rapids, District Manager of Postoffice operations, will be the speaker.

* * *

BIRTHDAY CANDLES will shine next Tuesday for 10 Rotarians, Warren Williams, Walker, Laney, Faller, Fiske, Avery, Barnes, Kornstein, Van Why and Dale Dean, whose birthday anniversaries fall in January. They will have a table of their own.

* * *

JUST CHECKING . . . Sec. Chick Tuesday read the names of 29 club members credited with 100 per cent attendance during 1956. He was just checking for errors. The official list and pins will be presented at an early meeting.

* * *

ED WILLIAMSON, of Angola, Bob Siebee of Jackson, A. T. Ambrosan of Grand Ledge and W. C. Lindeman of Quincy, were Tuesday's visiting Rotarians. Dr. Al Long, Coldwater, was Ken Olmsted's guest, while Bob Rice was the student guest.

LOOKING AHEAD (to Feb. 5th to be exact) . . . . The first Rotary Convention was held in Chicago in 1910 . . . The Rotary year commences July 1 . . . The only difference in the status of an additional active member is that his membership terminates upon the termination of the membership of the active member. . . In order to retain his membership, a Rotarian must maintain, in each six-month period, an attendance average of 60 per cent . . . If a member fails to maintain a 60 per cent attendance average, his membership is automatically terminated . . . The golden anniversary of Rotary was celebrated in 1855. . . The fourth avenue of Rotary service is known as International Service . . . Rotary Foundation Fellowships have been granted to approximately 850 students.

* * *

WITNESS BIRTH . . . President Fritz, Harold Goodholm and Chuck Woodward motored to Berrien Springs last week the night after the big storm to be in on the birth of a new Rotary Club. Harold reported briefly on the charter night session to the local club Tuesday. I. W. Parris Jr., of St. Anne, Ill., a past district governor, was the principal speaker.

QUOTABLE QUOTES

Doing nothing is the most tiresome job in the world, because you can't quit and rest!

The man who is always looking down his nose gets the wrong slant.

Pohet Pete:

We hope no one got in dutch
Or needs the aid of a crutch
For telling wifey a few things
About Brazil where you'd be kings.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

January 9, 1957

LOOKING AHEAD . . . Here are some more facts to remember for the quiz set for February 5th . . . Rotary has a total of approximately 9,300 clubs located in 99 countries . . . The name "Rotary" was chosen because the first meetings were rotated between the offices of members . . .The first Rotary Club outside of the United States was organized in Winnipeg . . . The first convention outside the U.S. was at Edinburgh. . . .A joint meeting of the club officers, directors and committee chairmen is called a club assembly. . . An additional active member is a second member from the same firm or establishment. The qualifications are the same as for an active member. . . A past service member has all the rights and privileges of any member except he is not considred as representing a classification.

* * *

FOOD FOR THOUGHT . . .Keith Avery was in charge of last Tuesday's program and came up with an interesting and informative talk and movie.

The talk was by Walter Chimel, public information supervisor for General Foods. The movie was a color sound film showing the many steps taken in preparing the foods that grace American tables.

General Foods, the speaker informed the members, currently has about 20,000 employees working in its offices and plants scattered from coast to coast.

* * *

VISITING ROTARIANS . . . ,The guest list Tuesday from other clubs included six from Quincy and one, Bob Stocker, from Bronson. The Quincy Rotarians present were C. D. McKenzie, Gordon Adams, Elmer Anderson, Dewey Mains, Newell Burt and Elmer Dobson.

BILL AITCHISON was the week's student guest. Bill is a CHS senior, a member of the varsity tennis and wrestling teams and has been prominently identified with various student activities during his high school career.

* * *

THE KALAMAZOO Rotary Club, like Coldwater, has a Clyde Williams as a member. While their names are the same, their respective club functions differ. The Kalamazoo Clyde is club chaplain, while our Clyde serves as Sergeant-At-Arms Harris' money-minded assistant.

* * *

FROM OVERSEAS . . . Howard Teeter, International Service chairman, read a holiday greeting received by the club from John Ellenberger, German exchange student, who spent a year in Coldwater three years ago under Rotary sponsorship.

* * *

DALE DEAN is convinced that 13 is his unlucky number. Thirteen members signed the "early leaver" list Tuesday and Dale's name, which happened to head the list, induced President Fritz to impose a 50-cent fine.

* * *

ABSENTEES Tuesday were Biringer, Faller, Harris, Moore, Patterson, Payne, Putnam and Trebilcock.

* * *

POHET PETE:

The snow was pretty as it fell
But suddenly it rang a bell.
The old man was going to puff
From shoveling the darn stuff.

HAPPY NEW YEAR!

According to latest reports from the New Years Eve bottlefront, all hands survived the welcome extended to 1957 without casualty.

* * *

IT'S INVENTORY TIME . . . District Governor Fred suggests "The year is half gone and a good business man will take a trial balance. Is your Club in the black or in the red--service wise? Dig up those reports that were made last July. Are the programs outlined--completed? Half done? In the planning stage? or completely forgotten? What a fine New Years resolution to complete the task you have set out to do. Take an inventory--it's good business".

* * *

HOLIDAY OVER . . . The club, after missing two weekly sessions as result of Christmas and New Years Day falling on Tuesdays, is slated to resume its luncheon meetings next Tuesday. Start the New Year right by being present.

Keith Avery will be next Tuesday's program chairman. He informs us that General Foods will supply the program, sending both a representative and film.

* * *

DID YOU KNOW? . . . The central office of the secretariat of Rotary International is located at Evanston, Illinois.

* * *

CHARTER NIGHT COMING . . . The charter night for the new Berrien Springs club has been set for Thursday, January 10. The district governor says "It's a must" that every club in the district be represented.

ROTARY FACTS TO REMEMBER . . . . The governing administrative body of Rotary International is a board of directors consisting of 14 members . . . Incoming officers of Rotary clubs receive instruction at an annual District Assembly . . . For administrative purposes, the Rotary world is divided into districts . . . .The second Rotary club was organized in San Francisco, Calif. . . The total number of Rotarians in the world is approximately 440,000 . . . The founder of Rotary was a lawyer, Paul P. Harris, and the first club was organized in Chicago in 1905 . . . The Rotary year starts July 1, not Jan. 1. (Better re-read above facts as they may be used in Rotary info quiz at February 5 club session).

* * *

OIL YOUR TONSILS . . . . The board of directors, at its January luncheon meeting Thursday, was agreed that the club should present another minstrel show this year. President Fritz intimated that an effort will be made to have committees picked and ready to function by the first of next month.

The president also reported that the club's Christmas project, which consisted of providing toys for quite a group of underprivileged children, was carried through as planned.

* * *

THE CLUB'S ATTENDANCE, which dropped in 91 plus percent in November, bounced back up to 95 in December.

POHET PETE:

New Year's Eve it seems was quiet,
Drank a little but kept the diet.
Still we must have gone to far,
Haven't been able to find the car.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

December 27, 1956

THIS BEING THE HOLIDAY SEASON your editarians decided to take a holiday. Hence, no bulletin last week.

* * *

THE CLUB WAS CAUGHT WITH ITS points down in November, according to District Governor Fred's monthly letter.

Coldwater had a fine 95.21 attendance rating in October but fell off to a 91.43 mark last month.

* * *

MAURICE PAYNE, retiring after serving the club 21 years as its song director, was presented with an engraved cigaret lighter at the last meeting. Warner Van Aken made the presentation, speaking for the club.

Maurice was doubly surprised: (1) by the unexpected but nevertheless much deserved recognition and (2) by the fact that Warner was capable of making such a long and well-phrased oration. The club added a standing ovation at the conclusion of the ceremony.

* * *

PROF. W. H. ROBERTS, an old friend and Hillsdale Rotarian, analyzed the changing world and the struggle between the West and Communists for the friendship of the billion people residing in the African and Asiatic areas, in a talk at last week's meeting.

In his opinion, the biggest asset possessed by the West is FREEDOM -- the one thing Russia cannot offer.

Otis Barnes was program chairman.

* * *

A SHORT ABSENTEE LIST included the names of Hurley, Kerr, Laney, McKnight, Moore, Patterson, Schwengel and Way. Guests were Rotarians Harry Van Arsdale of Woodburn, Ore., George Jeffery of Bronson, Elmer Anderson, Carlton McKenzie and W. C. Lindeman of Quincy: Don Gause of Lansing, a guest of McKeith; and Lt. Fred Weeks, Jr., (just home from Korea, Okinawa) a guest of his father, Fred Weeks.

* * *

LAST WEEK'S STUDENT GUEST was Doug Parshall, Coldwater High School senior. Doug has played left half on the varsity eleven the past two years, has played two years of varsity baseball and is a member of the current cage squad. He plans to attend Western Michigan College with a math teacher career as his goal.

* * *

A Rotary Information quiz is slated for February 5, according to our news pipeline. In order to keep our readers from shelling out fines that day, the bulletin will print a series of hints each week until then . . . . . so watch for them.

* * *

DID YOU KNOW: that the official emblem of Rotary International has six spokes and 24 cogs . . . . . or that it was evolved from a wagon wheel?

* * *

PRESIDENT FRITZ reminds his board members that although the holiday season has cancelled the Dec. 25th and Jan. 1st club sessions, the board will meet as usual Thursday Noon, January 3rd at the hotel.

* * *

POHET PETE:

If you drive and drink,
You lose, not us, we think
If you nip just once to often
'Put' for you may have a coffin.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 24 December 12, 1956

AN OLD FRIEND, Prof. Roberts of Hillsdale College, who always has something of interest to say and always says it in an interesting way, will address the club Tuesday, Otis Barnes, program chairman, informs us.

* * *

BOB KERR, last week's chairman, came up with a "hot" program. His speakers were Fire Chief Charles Sherman and Lt. William Luck, head of the new Fire Prevention Bureau.

The Chief stressed that the modern fire department should devote more time to preventing fires instead of sitting around waiting for them to start. Lt. Luck outlined the work and aims of the new bureau. Both made a strong plea for cooperation on the part of the community.

* * *

THREE BRONSON ROTARIANS, Raymond Smith, Glen Barnett and William Campbell, and Quincy's Elmer Dobson, were guests this week. Phil Ribble had Dale Krouse of Monmouth, Ill., as his guest.

The student guest of the week was big Doug Baysinger, Coldwater High School's senior all-conference and all-state center. Doug also plays basketball and is a member of the CHS track squad.

* * *

The absentee list included the names of Bobier, Curry, Dale Dean, Goodholm, Kornstein, McKnight, Mulcahey, Putnam, Schwengel, Teeter and Doug Woodward. The "early leaver" list DID NOT include the name of you Noel who.

* * *

JINGLE BELLS---Neither snow nor slippery roads halted the club members and their wives from driving to Battle Creek last Saturday night to see a play and then proceed to Marshall and Schuler's for a midnight lunch.

Ken Putnam chairmaned the Ladies Night shindig and the turnout was surprisingly large, considering the weather.

* * *

WE GOOFED . . .In last week's Bulletin we intended to chronicle the fact that the club has acquired a darn good golfer as a new member. Bill Short is a darned good fellow too. He really needs no introduction to either the membership or community, having been in the electrical appliance business here for quite a few years. Welcome aboard, Bill.

* * *

CHRISTMAS PROJECT. . . .The club will again provide toys for youngsters who might otherwise have a dreary Christmas this year. Details of the project will be announced next Tuesday and families assigned to Rotarian teams.

* * *

JOHN ETSWEILER announced Tuesday that he plans to select three or four members each week to act as a welcoming committee to make the club's guests feel at home. He needs the help of every member in this project so GIVE.

POHET PETE:

Read the report to my mate,
Bad wiring they had found.
Got a call and learned our fate,
The office just burned down.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 23 December 5, 1956

COLDWATER ROTARIANS HAVE LONG BEEN reknown for their singing. Now it develops that at least some of the boys have dramatic talents too.

The officers and directors, plus a few "volunteers" presented a playlet "Accepted With Regrets" at Tuesday's meeting. The play effectively dramatizes the difference between a luncheon club and a real service organization.

Les Wise, by voice vote of his audience, was awarded an "Oscar" for his handling of his single line role. However, there were some who thought it should have gone to Carl Vinton, who ad-libbed with the ease and abandon of the "Great Profile" in his heyday.

Mark Andrews was program chairman and play director.

* * *

TUESDAY'S GUEST LIST included Rotarians Al Van Zoeren of Kalamazoo, Fred Herman of Burr Oak, Gordon Adams of Quincy, B. B. Higbie of Bronson, Donald Putt of Auburn, Ind.

Noel Shedd had Fred Rogers, Jr., a New York banker, as his guest, while Greg Fraser, son of Dr. and Mrs. Robert Fraser was this week's student guest. Greg is a senior honor student at Coldwater High and a star gridder and grappler. He plans to make dentistry his career and will study at the U. of M.

* * *

ELSEWHERE TUESDAY were Rotarians Allemier, Barnes, Kennedy, Olmsted, Patterson, Rice, Schlubatis, Warner Van Aken and Way.

* * *

DECEMBER'S BIRTHDAY BOYS, President Fritz, Harold Hill, Doc Harris, Ed Holtz, Gust Burandt, Lou Pennington, Mac McKeith and Ken Putnam will receive special recognition next Tuesday. Bert Faller tells us this group will be isolated at a birthday table.

* * *

RESIGNATION OF TWO MEMBERS, Ted Sowers and John T. Jackson, were accepted with regret by the board at its monthly meeting Wednesday. Ted is being transferred to the general offices of the General Telephone Company at Muskegon. John will return to membership as soon as he fully recovers from a recent illness.

* * *

ANOTHER RESIGNATION ALSO WAS accepted with regrets. . . that of Maurice Payne as song director. After 21 years of "watching the indicator", the weekly song sessions just won't seem the same. However, every cloud has its silver lining. Maurice says he will sing if the club puts on another minstrel show.

* * *

SHORT SORTIES. . . .The club can be proud of Noel Shedd who, within the past two weeks, has been named chairman of the Clothe-a-Child campaign and president of the Chamber of Commerce. Let's give him our support in both jobs. . .Les Woodward, who was granted a leave of absence during his recent illness, has asked to be restored to active status, which is good news as it means Les feels well enough once more to attend meetings regularly. . . Don't forget the blood clinic at Masonic Temple Monday noon. . . .The club will again sponsor four student delegates to the UN model assembly to be held at Hillsdale College next Spring.

* * *

PHOET PETE:

There sat Les, who made a mess
Of Andrews' little shocker.
And Vinton too, ad-libbed through
And called it appleknocker.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 23 November 28, 1956

A DOUBLE DOSE OF DRAMA WILL BE the Rotarian bill-of-fare for next week.

The directors, plus several recruited "volunteers", will present a club service playlet entitled, "Accepted with Regrets" at next Tuesday's meeting. Mark Andrews, the program chairman, announces that the program will be "completely unrehearsed".

P.S. Mark also suggests that the cast members should remember to bring their scripts with them.

* * *

THE SECOND SHOT OF DRAMA will come Saturday night, Dec. 8, when club members take their wives to Battle Creek to see the Civic Theater Players of that city present "Joan of Lorraine".

Chairman Ken Putnam says the play will start at 8:35 P.M. You can reach the Civic Theater by going to Marshall, then through Lakeview on US-12. Just beyond Lakeview there is a state police post on the north side of the highway. Keep going 1.5 miles west of the police post until you reach Helmer Rd. which also has an airport sign. Turn right and proceed north to Civic Theater. Ken says there are two airport road signs and to ignore the first one.

Tickets can be purchased for $6.50 per couple from Clyde Williams or Les Wise at the bank. Your ticket covers the play and lunch (but nothing else) at Schulers after the play.

* * *

A ROTARIAN WHO NEEDS NO INTRODUCTION in Coldwater is the new District Governor nominee. He is Elwyn J. Bodley, superintendent of the Sturgis schools.

Elwyn was the charter president of the Quincy club, which was organized in 1937, and has served as president of the Bronson and Sturgis clubs. We can only add that the District Nominating Committee certainly was on the beam.

* * *

CHET ALLEMIER, this week's program chairman, entertained with a patriotic travelogue--a color film produced by the Greyhound Bus Lines.

The list of visiting Rotarians was composed of: Herman Phillips, James Baker and Charles Priest, Angola; Ray Radeke, Battle Creek; C. D. McKenzie and Joe Wibel, Quincy; Don Hunsicker, Ken Yesh and Wendell Hathaway, Bronson; and Sam Donaldson of Sturgis.

* * *

GARY BROWN, who has starred in the three major sports for Coldwater High during the past three years, was this week's student guest. Gary, a senior, finds time from his athletics to also star in the classroom. He is an honor student.

* * *

ROTARIANS BARNES, BURANDT, ETSWEILER, Fiske, Goodholm, Holtz, Kennedy, Kerr, McComb, McKeigh, Moore, Pennington, Schlubatis, Way, Warren Williams and Doug Woodward were listed as absent.

* * *

PRESIDENT FRITZ, after being absent two meetings in quest of a deer, was at his accustomed place Tuesday. He had only a rather slippery tale to relate concerning his hunting experiences.

* * *

POHET PETE:

The Pres he got no deer,
Just blurry eyes, we fear.
He got back, that's a fact
We'd say more but we got tact.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 22 November 21, 1956

ROTARIANS WHO MISS A CHANCE TO get acquainted with visitors often are overlooking a rare treat. Next to us Tuesday were a couple of young-minded oldtimers from the Battle Creek club, Ed Nettels and Ernie Rice. Ed, who is 86, has been a Rotarian for 41 years. He formerly was traffic manager for General Foods and although his vision now is only about 15 percent of normal, he continues to derive pleasure and satisfaction from being a Rotarian. His sidekick, Ernie, has been a Rotarian 38 years and is planning to go to Lucerne next year.

Tuesday's guest list also included Rotarians C. D. McKenzie of Quincy, Emory Boyd of Angola, and Dick Schultz, Bob Stocker and Bill Cadman of Bronson. Cliff Lundgren of Detroit, was Howard Teeter's guest, while Wayne Way had Paul Engstrom, also of Detroit, as his guest.

* * *

SCOTCH TARTANS, CLANS AND septs (families) were the nucleus for an entertaining talk Tuesday by Ray Mulchahey, who has a hobby of collecting tartan ties. Ray, who was program chairman for the day, gave his audience a condensed history of Scotland while his listeners enviously eyed his colorful collection of tartan neckwear. The talk was a revelation to many of the members who have always thought of Scotch as being an alcoholic beverage.

Ray, incidentally, recently returned from a five-week jaunt which took his as far as Vancouver, B.C. He rates a pat on the back for keeping up his 100 per cent attendance while on the long trip.

* * *

SEVENTEEN CLUB MEMBERS WERE elsewhere Tuesday. The absentee list included the names of Allemier, Fox, Goodholm, Korstein, Laney, Olmsted, Patterson, Pennington, Schlubatis, Sowers, Thomas, Trebilcock, Fritz Van Aken, Vinton, Clyde Williams, Chuck Woodward and Les Woodward, AND WINNIE. Wayne Feller subbed for the latter.

* * *

DISTRICT GOVERNOR FRED HILBERT'S montly letter chronicles the good news that Coldwater stood 9th in attendance during October.

The club's attendance hit 95.21 percent for the month as compared with 92.99 in September. It was the highest mark of any club our size in the district.

However, two clubs, Augusta with 21 members, and Climax with 24, posted perfect marks in October. So, there still is room for improvement locally.

* * *

STUDENT GUEST OF THE WEEK was Kenneth Furgason, Coldwater High School senior class president. Ken has been a member of the student commission for two years, is announcer for the school band and a member of the wrestling team. He is a grandson of former Coldwater Mayor Owen Decker.

* * *

KEN PUTNAM INFORMS US THERE STILL is time to put in reservations for Ladies Night December 8th if you act promptly.

* * *

POHET PETE:

Thanksgiving is over.
The scraps go to rover.
But you've got to trim
And keep calories thin.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 21 November 14, 1956

NINE "EARLY LEAVERS" MISSED OUT on a mighty entertaining talk Tuesday. Statistics can be boring but not when presented with the humorous touch which Doc Harris has a talent for supplying.

Don reviewed the progress achieved in preventive medicine for his fellow Rotarians and gave the boys under that age, renewed hope of reaching the 70 year level.

* * *

ONE COULD TELL AT A GLANCE TUESday that the deer stalking season is on. There were 17 absentees--not all of whom are up north, however.

The missing persons list was composed of Fiske, Goodholm, Jackson, Mulchahey, Olmsted, Pennington, Schlubatis, Schwengel, Sowers, Thomas, Toupalik, Trebilcock, Vinton, Weeks, Clyde Williams and Chuck and Les Woodward.

* * *

TUESDAY'S GUEST LIST, BY SHARP contrast, was unusually small. Three Bronson Rotarians, Bob Pennell, R. J. Megargle and Henry Gomley were the only visitors signing in.

The week's student guest was Larry Knight, one of the more active members of the senior class at Coldwater High. Larry is president of the Hi-Y club, number one student of the senior class, student director of the band, a hurdler on the track team, and a member of the Varsity C-club and the Science Division of the National High School Institute at Northwestern University. He hopes to become a research chemist.

KEN PUTNAM, CHAIRMAN OF THE December 8th Ladies Night, confirmed last week's bulletin announcement and gave out with a few more details Tuesday.

The club members will take their wives to Battle Creek the night of the 8th to witness a presentation of "Joan of Lorraine" by the Battle Creek Civic Players at Kellogg auditorium. Members will arrange their own rides.

Following the play, the party will return home via Marshall for a pause at Schuler's, where a smorgasbord lunch will be served.

Ken announced that reservations must be made at next Tuesday's meeting. The total cost, he estimates, will be in the "neighborhood" of $7 per couple.

MISTER, CAN YOU SPARE A PINT? The next Red Cross blood procurement clinic is slated for Dec. 10th. You can sign up now with Duke Davidson.

* * *

VEEP LES WISE got a chance to preside Tuesday in the absence of Prexy Fritz, who, according to rumor is in deer country.

All of which poses a bit of a mystery. It has just occurred to us that the President's name wasn't on the absentee list handed us at the close of Tuesday's session.
HOW COME?

Pohet Pete:

Do be careful if your hunting.
Ma wants you, not the bunting.
Eating venison rings the bell,
But you can wait to go to--Oops.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 20 November 7, 1956

A TIP OF THE TAM TO TORG AND Harvey, who co-chairmaned the club's banquet for the high school gridders this week; also Fred Weeks, who did a swell job of emceeing the affair.

The club had about 80 players, coaches and others as its guests. The meal was good and the talks were short. Everyone seemed to enjoy the evening.

Head Coach Jack Finn impressed many Rotarians when he said he and his staff are trying to build a good football program--one in which the parents will be happy and anxious to have their sons participate.

It is apparent that Finn and his fellow mentors are teaching good football while at the same time developing other important values in their players.

* * *

BERT FALLER INFORMS US there will be a special festive board for the club's November Birthday Boys next Tuesday.

Local Rotarians who first saw the light of day in November are: Frank McConkey, Bob Shaw, Clyde Williams, William Milnes, Ralph Toupalik, Bob Kerr, Maurice Payne and Warner Van Aken.

Unless Jim Van Why wants to contribute another buck, these men will find a special table awaiting them at next week's session.

* * *

DRAMA AND DINING WILL BE the mixture for the next Ladies Night, which is scheduled for Saturday evening, December 8th.

Ken Putnam tells us that the club members and their wives will have a chance that night to see a performance of "Joan of Lorraine", to be presented at Kellogg Auditorium in Battle Creek by the Battle Creek Civic Players. Curtain time will be 8:35 P.M.

Enroute home there will be a stop at Schuler's in Marshall for an 11 p.m. smorgasbord. Ken adds that all reservations MUST be made by November 20.

Oh yes, an early plan to charter a bus for the evening has been discarded. Transportation, as a result, will be Hitch-as-Hitch Can.

* * *

SPEAKING OF DRAMA . . . Parts of "Accepted With Regrets", a Club Service playlet, were assigned by Producer Mark Andrews to your Board of Directors and editarians at last week's board session.

This group of so-called Thespians will present the playlet as the program at the December 4th meeting. Seriously, the little drama does have an important story to tell to all Rotarians.

* * *

NEXT TUESDAY'S ATTENDANCE IS APT to be below normal. Yep, it's deer hunting time again and the trek north will start this weekend.

* * *

Which Rotarian secretly aided a member of the Bored of Experts in making his grid selections this week?

POHET PETE:

12 to 6 don't be late.
December 10th is the date.
A little blood is all we lack,
Sign up, you may get it back.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 19 October 24, 1956

NOSTALGIC SMILES FLITTED ACROSS many Rotary countenances Tuesday when the Rev. Wm. L. Cruthers, Quincy pastor and Rotary club secretary, opined that "the woodshed has gone out of style but it would be a big improvement in many homes today".

Rev. Cruthers was speaking of the juvenile delinquency problem. He is of the opinion, based on his long service with young people, that the problem could be eased if parents and adults would devote more time to associating with, and guiding children. Unfortunately, he added, it is a lot easier to get money than men (to devote their time to children). Ernie Luce was program chairman.

* * *

THREE BRONSONIANS AND TWO Angolans signed the Rotary visitor list Tuesday. Postmaster Clare Holister, Bob Pennell and Bruce Wilbur were the visiting Rotarians from Bronson, while Quentin Smith and Leland Shank motored up from Angola.

* * *

ONLY EIGHT OF THE CLUB'S 73 members were absent Tuesday. The list included Hurley, Jackson, Joseph, McKeith, Mulchahey, Patterson, Schlubatis and Shaw.

The exodus at the "early leaver" hour saw 10 members take off with such speed that Sarg. Don Harris got dime fines (imposed by President Fritz) from only one or two. With the club now using two entrances and exits, it may become necessary to use two sergeants-at-arms to guard the portals and keep the club's coffers healthy.

* * *

ANOTHER MEMBER OF COLDWATER High School's undefeated harrier squad was this week's student guest. Roger Sanford, besides being a member of the cross country team, is a member of the varsity track and wrestling teams. He also is captain of the band, a member of the Varsity C Club and Vice-President of the Coldwater Chapter of Future Farmers of America.

* * *

DON'T FORGET . . . NO MEETING NEXT Tuesday noon. Instead, the club will stage a banquet at 6:30 P.M. Monday at Edison School for members of the high school varsity and reserve football teams and their coaches.

We understand that Fred Weeks will act as toastmaster, and that the program will be SHORT, consisting chiefly of recognition of the players by their coach, Jack Finn. The Women of the Moose, who served that swell swiss steak dinner at the All-Sports Banquet last spring, are in charge of the meal. That's good enough for us!

* * *

THE CLUB DECIDED TO SEND, on the suggestion of Chet Allemier, messages of sympathy to the Grand Rapids club and the family of Chester Wells, who died recently. Chet Wells was well known here through his long service with the West Michigan Tourist and Resort association. He was an officer of the Grand Rapids Rotary Club at time of his death.

* * *

WHILE A 100 PER CENT ATTENDANCE of members at a meeting may be difficult for a club of our size, there is no justifiable reason why the club shouldn't record a 100 per cent attendance at the polls next Tuesday.

* * *

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 17 October 24, 1956

COLDWATER, WITH 73 MEMBERS, boosted its September attendance average to 92.99, a gain of more than 2 per cent over August. The club was 10th in the district last month and drew a word of commendation in District Governor Fred's monthly letter.

Bronson, with 53 members, placed third with a 97.13 rating. Coldwater could claim some credit for Bronson's fine record as many of our neighbors "made up" with us last month.

As a matter of record, no less than 11 Bronsonians were guests here this week. They were: Wendell Hathaway, Kenneth Yesh, Howard Keyes, Jack Lantz, Roger Morr, Jack Schafer, Charles Hill, Barney Barnett, Bill Cadman, Paul Peck and Dean Carey. Rotarians George Wasson of Shippensburg, Pa. and R. S. Craft of Washington, Pa., also were guests, while Bert Faller had Cecil Harder of Lansing as his guest.

* * *

WITH NO PLANNED PROGRAM, Tuesday's session was devoted to a mournful account of club finances by Chuck Schmitt, a dash of Rotary Information by Bob Shaw and a general "bull" confab.

Etsweiler, Goodholm, Holtz, Hurley, Jackson, Kerr, Laney, Mulchahey, Patterson, Pennington, Trebilcock, Waldron and Way were spared the bad news. They were absent.

Although an expected influx of dues next month will help, the spectre of another minstrel show seems to be growing stronger daily.

* * *

THE WEEKLY STUDENT GUEST WAS Gordon Porter, high school track star. Gordon, whose stout heart enables him to match strides with longer-geared runners, is a member and pace-setter of the school's undefeated cross-country team. He placed second in the conference mile run last year, is a member of the Varsity C club and president of the Future Farmers chapter. Rotarians should see Gordon in action. He proves that a little man can do big things if he has the right kind of courage.

* * *

THE BOARD DECIDED TUESDAY TO HOLD a banquet Monday night, November 5th, honoring the high school football players and their coaches. Each club member will be obligated to buy two ducats (price $1.75 per ticket).

* * *

DOC SHORNO: "I'm sorry, but I'm all out of gas."

FEMALE PATIENT: "Good heavens, don't tell me dentists pull that old stuff, too!"

* * *

SHORT SHOTS. . . . You can add Nos. 101, 47 and 74 to your list of songs to avoid. They were sung this week. . . .Herm Phillips, Angola club member, former head track coach at Butler and Purdue Universities, a past district governor in his own Indiana bailiwick and a frequent Coldwater club visitor, has been given Coldwater's endorsement for the post of Director of Zone 2 . . . . .Congratulations to Gordon S. on his appointment as U.S. agricultural attache to Africa. Nairobi, we understand, is big game territory so perhaps Gordon will have visitors there--like Warren Williams and son. . . .District 219 will hold its annual Rotary Information Institute at Battle Creek December 1st. Club presidents and their RI chairmen are expected to attend. . . .

Less you forget - Dues are due Nov. 1st.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 16 October 17, 1956

The Board of Directors decided Tuesday that the club will sponsor a banquet for the high school football team. Harvey Bent and Torg Skabo were named to start the ball rolling.

The board picked November 6th as the banquet date, apparently overlooking the fact that election will fall on that day. At any rate a banquet WILL BE HELD. Details are to be worked out at another board session next Tuesday.

* * *

Speaking of football, the club had No. 17 as its student guest this week. For those who haven't witnessed a Coldwater High School grid game this year, we will explain that No. 17 is the number worn by Gerald Hepler, small but hard-hitting Cardinal halfback.

Gerald, in addition to playing football, is a sprinter on the track team and also is a wrestler, going as far as the state finals last season. He is a member of the varsity C Club, the Future Farmers of America, and manages to do OK in the classroom too--being an honor student. He plans on an engineering career.

* * *

Will Couillard, as this week's program chairman, came up with a pleaser in Jim Vincent, who heads the high school's student counseling staff.

Jim told the members of the expanded counseling service being offered this year in four fields: 1. Educational; 2. Vocational; 3. Personal; and 4. Social. After his talk he devoted a few minutes to a question-answer period.

* * *

The Absentee List was up again Tuesday. The missing faces included Barnes, Burandt, Dale Dean, Goodholm, Hurley, Jackson, Kornstein, Laney, Mulchahey, Rice, Schmitt, Sowers, Teeter, Toupalik, Van Why and Way.

Neil Baldwin, of Coldwater, was Phil Riddle's guest. Visiting Rotarians were: Jack Schafer, J. A. Sommer and Wendell Hathaway, Bronson; C. D. McKenzie, Quincy; Joe Drust, Union City; and Howard Schnepp of Upper Sandusky, O., who incidentally used to coach high school basketball in Arkansas.

* * *

Next Tuesday's program will NOT BE ladies night as recorded in the year's program. The club will squire its femmes to a play in Battle Creek sometime in December, we are told. Next week's session will be an open one so if you have any gripes (complements too) come prepared to get them off your chest.

P.S. But don't gripe about this year's bulletin because you might be editarian next year.

* * *

Flo Kiess, a wonderful person, has done many wonderful things for the club. This week, at the suggestion of Maurice Payne, the club members made a partial repayment by dropping coins in the Business and Professional Women's "wishing well". Coins placed in this well are used to finance nursing scholarships for two girls. We are told the Rotarians aided the fund by depositing $15.33 in loose dimes, quarters etc.

THOUGHT FOR TODAY

Wish we could think
Of something nice,
Perhaps funny with
A touch of spice.
We can't.....

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 15 October 10, 1956

FOOTBALL PLAYERS CAN BE SMART AS well as strong. That was demonstrated Tuesday by Bob Rice, who was both the weekly student guest and speaker. Bob told the club of his week's stay last summer at Camp Emory, giving his listeners a detailed account of the leadership training he received. He wound up his remarks (Cy Stebbins take note) by predicting that Coldwater will upend Marshall in football this Friday night.

Bob plays a stalwart tackle on this year's team. He also is a varsity netman and an honor student. In addition, he is a fine musician, has attended the National Music Camp at Interlochen and copped a first place in the 1955 state band ensemble contest. He is the prexy of the high school Chess and International Relations clubs.

* * *

ART MIDDLETON, of Kalamazoo, whose job is to erase traffic hazards for motorists--especially AAA policyholders--was Maurice Payne's guest Tuesday. Bill Putnam, a Lansing Kiwanian, was guest of his son, Ken. The visiting Rotarian guest list included: Herman Phillips, Angola; Franklin Douglas, Allegan; C. D. McKenzie, Quincy; Bob Stocker, R. J. Megargle, Jack Schafer and Howard Keyes, Bronson; and Ken Montgomery, Hillsdale.

TUESDAY'S ABSENTEES were Burandt, Etsweiler, Harris, Hurley, Jackson, Kornstein, McKnight, Mulchahey, Patterson, Rice, Schwengel, Shaw, Sowers, Trebilcock, Clyde and Warren Williams.

* * *

TWO MEMBERS, Les Eisenhut and Hal Munn, having left their former positions and thereby losing their classifications, have resigned from the club. Les resigned recently from the office of secretary-manager of the Chamber of Commerce, while Hal has resigned as manager of WTVB.

* * *

THE QUAIL IS AN EXPENSIVE BIRD, according to Guvarie Coffman, whose cocker spaniel hasn't yet learned that Michigan law protects this particular game bird. The pup flushed a couple at the Coffman home the other day and one flew through a storm door, shattering the glass. One quail, unfortunately, does not a meal make.

* * *

THE SEPTEMBER-OCTOBER birthday boys didn't have a special table Tuesday due to a $1 slip on the part of Jim Van Why but they were given a chance to sound off under the direction of Impressario Vinton. The boys chose to render No. 22, Vive le Rotary, so add that to your list of songs not to pick, along with Nos. 63 and 31, which also were sung Tuesday.

* * *

LAST WEEK'S BOARD SESSION produced a suggestion that the club sponsor a high school football banquet this year instead of joining in the annual All Sports Banquet, which has been held each Spring. A committee composed of Torg Skabo, Harvey Bent and your editarians was named by President Fritz to delve further into the proposal.

* * *

John Etsweiler, who has been confined in his own hospital by a flying disc (one that flew out of place--not space) is coming along nicely. This being National Letter Writing Week, how about dropping him a line?

* * *

COLDWATER ROTARIANS have been invited to journey to Camp Ben Johnston at Sherman Lake October 28 to view what they sang for when they put on their minstrel show. Yep, the new caretaker's lodge at the Boy Scout Camp has been built and is to be dedicated on the 28th. Refreshments at 3 P.M. and ceremonies a half-hour later.

THOUGHT FOR TODAY

Chuck and Bill attired alike,
Reminded us of Pat and Mike.
There must have been 2 winners,
At the latest lumberman dinner.

The Singingest Club in the U. S. A.

Bulletin No. 14 October 3, 1956

OCTOBER MEANS HUNTING AND PERHAPS that explains the large number of club members missing Tuesday's meeting. The absentee list included 27 names: Allemier, Barnes, Burandt, Couillard, Estweiler, Goodholm, Hurley, Jackson, Kornstein, McKeith, McKnight, Moore, Olmsted, Patterson, Payne, Schwengel, Sowers, Thomas, Toupalik, Trebilcock, Warner Van Aken, Vinton, Waldron, Way, Clyde and Warren Williams, and Chuck Woodward.

* * *

IT WAS HOMECOMING DAY FOR DOC HEUSTIS, former club member who has headed Michigan's Department of Health longer than Soapy has been Governor. Doc limited his remarks to a general briefing on the progress of public health work in the past decade or so, and spent a lot of time before, during and after the luncheon renewing old acquaintances and reminiscing about the days when he occupied the local health post now held by Doc Harris, who, incidentally, was Tuesday's program chairman.

* * *

TUESDAY'S STUDENT GUEST WAS Jerry McLaughlin, a Coldwater High School senior. Jerry is an athlete, scholar and student leader. He has won three varsity letters in track, has been on the cross-country team for two years and served as baseball team manager. He is an honor student, winner of a Latin award and has served two years as advertising editor of the yearbook. He also has the distinction of holding the Boy Scout rank of Eagle Scout.

* * *

A SHORT GUEST LIST TUESDAY INCLUDED Rotarians E. H. Miller and Dave Jordan of Angola, Glenn Barnett and Dr. Henry Gombley of Bronson, and Elmer Dobson of Quincy. Don Harris had Joe Smeekens and Dr. Roy Mooi, both of Coldwater, as his guests.

* * *

NEXT WEEK'S PROGRAM IS UNDECIDED so far, Chairman Harold Hill informs us. The lucky guy has two lined up and isn't sure which it will be.

* * *

POT SHOTS . . . . PAYNE AND WALDRON joined the annual pilgrimage to Camp 12 for the opening of the UP bird season. Our hunch is they'll do more fishing than hunting . . . Les Woodward made the long trek in comfort if not style. He made the journey, we understand, in a truck equipped with a cot on which he could rest . . . John Estweiler has been a patient this week in his own hospital. It's a safe bet he will make no complaints on service--to the administrator, at least. Hope this finds you feeling better, John. . . The song derby was at a standstill this week with Maurice up north. Hope you can remember the songs sung--we can't.

* * *

DON'T OVERLOOK THE FACT THAT NEXT Monday is the deadline for registering to vote in the Presidential election in November. If you are not sure whether you are registered--find out.

* * *

THIS BEING NATIONAL NEWSPAPER WEEK we trust the members will acknowledge the fine services being rendered by The Reflector. (any resemblance to a plug for The Daily Reporter is merely coincidental)

* * *

THE BIRTHDAY TABLE CUSTOM IS BEING revived next Tuesday. Les Wise, Carl Vinton and Wayne Way (October babies) and Keith Pearce, Fred Weeks and Bill Bobier (September) will be eligible for seats.

THOUGHT FOR THE DAY -

Now we're down to thirty-eight
Seems we're slowing down the gait.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin 13 September 26, 1956

IF YOU COME ACROSS A CHAP WITH A warm smile, wonderful sense of humor, dash of diplomacy, a keen, analytical mind and the ability to get his message across in an interesting and friendly manner, chances are he is District Governor Fred Hilbert of Wayland.

Coldwater Rotarians enjoyed the privilege of meeting and hearing their district governor Tuesday. Several expressed the hope that he "will come back again". These sentiments, we are sure, are held by all the boys.

* * *

WHAT HIGH SCHOOL SENIOR IS CAPTAIN of the football and basketball teams, golf team medalist, secretary of the Varsity C Club, star high jumper for the track team, class officer, senior representative on the Student Court, an honor student and aiming to enroll at Dennison University one year hence to study to become an optometrist?

If you haven't already guessed, he is Paul Douglas, the good-looking young chap who was student guest at Tuesday's meeting.

* * *

A LONG LIST OF VISITING ROTARIANS shared the privilege of hearing District Governor Fred, Tuesday. Bronson dominated the list with R. J. Megargle, Ray Smith, Charles Hill, Bert Ward and Howard Thompson. Quincy sent its poet laureate, Elmer Dobson, and Flour King, C. D. McKenzie, while Angola was represented by Jim Baker, Ike Sassman, and Charles Bledsoe.

There were five "early leavers" who signed and one or two who didn't. The Veep was tardy but he's WISEr now.

* * *

AGRICULTURAL EXTENSION is the classification under which Gordon Schlubatis became a member of Coldwater Rotary this week. Ed Holtz introduced Gordon, who, incidentally needs no introduction in these parts. Our hard-working county agricultural agent is a former member of this club and the Rotary club in Poona, India. So, welcome aboard again Gordon!

* * *

AN OLD FRIEND OF COLDWATER WILL be next Tuesday's speaker. Doc Harris tells us that Dr. Albert Heustis, Commissioner of the Michigan State Health Department, will be with us. He is one of Don's predecessors at the Branch-Hillsdale Health Department and a former member of our club.

* * *

SOMEBODY GOOFED AND THAT IS WHY your editarians have a hungry look. No one told us that the fillets were for free at the district editarians confab at the Schuler in Marshall last Saturday until it was time to hustle home to keep a dinner date with our better halves. It didn't help any either when the latter, when told, exclaimed. "You sillies'. Why didn't you telephone? We wouldn't turn down a free meal at the Schuler".

MORAL--Don't try to predict the feminine mind.

CONCLUSION--Barbequed spare ribs taste pretty good.....usually.

* * *

IN PASSING . . . .Seemed good to see Les Woodward at the table again Tuesday. He is feeling better and is planning to go north with the boys for the opening of the bird season.....Add "Dem Golden Slippers" to your list of songs NOT to choose. It was done Tuesday. . . . . John Rick and family returned recently from a brief holiday up north. We understand he spent one night hidden away in Hidden Valley. Oh, for the life of a doctor--on vacation, that is.

THOUGHT FOR TODAY:

Governor Fred visits city,
Full of vim and witty.
Barney tells him 'bout the trees,
Fritz says Purdue has a breeze.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 12 September 19, 1956

This is one of those weeks when getting out the Reflector is as big a headache as those probably endured by several members Wednesday morning. In simpler terms there seems to be a dearth of news copy.

The club held its annual stag party at the Country Club Tuesday night but your editarians, not being in a financial condition to defend a libel action, feel they can't afford a full report.

Seriously, John Dean, who chairmaned this year's party, deserves a pat on the back. Everyone seemed to enjoy the program, which featured a talk by Jack Finn, new coach, who also exhibited movie films of the Cardinals' 19-0 win over Hillsdale in their opener last week.

Finn, who looks bigger than any three of his players, made a good impression. As one club member remarked, he seems to have a good program, a realistic viewpoint and the confidence and ability to carry out his aims.

There were several guests at Tuesday night's shindig but aside from Floyd Eby and one or two others we cannot name them. In the confusion, someone forgot to slip us the guest list--also the absentee list.

As the party was strictly stag, the singing Tuesday night was a capella (without Winnie). A surprise number was rendered by an octet (more or less) of graying and balding CHS alumni.

Maurice P. announced that his song derby will be resumed next Tuesday after a one week lapse. For the benefit of our readers we must report that we cannot recall which songs have been picked. So dig up last week's issue if you still have it. If you haven't, it might be a good idea to bring along an extra buck Tuesday--just in case.

* * *

Next Tuesday will mark the visit of District Governor Fred Hilbert of Wayland to our club. President Fritz is hoping for a 100 per cent meeting so plan to be there.

The District Governor will attend the noon meeting and there will be a Club Assembly in the evening.

* * *

Ever since we inherited this job of writing the Reflector, we have intended to pen a word or two of praise and appreciation for the third member of our committee--Paul Hurley.

Paul makes the job of getting out this sheet each week an easier one for us. All we have to do is prepare and deliver the copy. He does the rest.

By "the rest" we mean being responsible for cutting the stencil for the mimeograph, addressing the copies and seeing that they are placed in the mails in time.

* * *

We forgot to mention that there was no "early leaver" list Tuesday night although several went rolling (we should say bowling) along right after dinner.

* * *

Thought for Today:

We sang at stag night
And our voices we did lend.
We failed to realize our plite
Our tonsils now we mend.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 11 September 12, 1956

Tyrone McConnell, CHS senior, who spent 10 weeks this summer visiting in Germany, was Tuesday's speaker. Ty gave the club members an interesting view of conditions in Germany and his impressions of the main differences in German and American schools.

In Germany, he said, all students go to school until they are 10. Then it is decided, by testing, whether they are smart enough to go on with their education. Ty thinks such a system might be a good one to adopt over here. We aren't so sure--some of us prize our high school diplomas. Bill Bobier was program chairman.

* * *

Bob Teeter, son of Rotarian Howard Teeter, was the first of a group of high school students to be guests of the club during the year. A different student is to be invited to each weekly session.

Bob is mayor of the CHS student commission and in this position serves as judge of the new student court, handles introductions at student assemblies, presides over weekly commission sessions and meetings of the newly-organized Parent-Teacher-Student organization, and serves as his school's representative to the Twin-Valley constitutional assembly.

The commission Bob heads has charge of the hall monitors, controls all extra-curricular activities, organizes exchange assemblies, sets up social and dance rules and schedules, selects cheerleaders, picks citizenship committees and has sundry other responsibilities too numerous to record here.

* * *

The "early leavers" batted 100 percent for a change Tuesday. Five signed the list and the same five departed at the proper time.

* * *

Rotarians Dave Jordan, John Estrich, and Henry Willis of Angola, Otto Harloff of Sturgis, John Ramussen of Hillsdale, Gordon Storm of the new Okemos club, and C. D. McKenzie of Quincy were guests Tuesday.

The absentee list includes Barnes, Burandt, Dale and John Dean, Harris, Kornstein, Moore, Munn, Olmsted, Shaw, Waldron and Warren Williams.

* * *

Memo to Harold Hill: The club will be happy to sing Nos. 88, 89, 10, 65 or 48 for you next Tuesday, but any one of them is certain to cost you another buck.

* * *

There will be no meeting at the hotel next Tuesday noon. Instead the club will hold its annual stag night at the Country Club.

John Dean, stag night chariman, has made arrangements for members to use the golf course anytime after noon Tuesday. Rotarians who are non-members of the Country Club can play that day for $1 greens fee. There will be volley-ball for those still young enough to take that type of physical punishment, and the putting green will be open for those who don't want to task their tickers.

Dinner will be served at 7:30 p.m. A charge of $1.75 will be made. After the meal, Jack Finn, the high school's new football coach, is slated to give a talk and show some grid films.

* * *

THOUGHT FOR TODAY:

Here we are with No. 7,
Or could it be that it's 11.
Pick a number but don't holler
If it costs an even dollar.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 10 September 5, 1956

This week we are starting a new department which will be continued just as long as Maestro Maurice's musical manifesto is in force.

In other words, don't select songs No. 88, 89 or 10 next week unless you want to do a solo. They were rendered (to pieces) this week. Remember the edict -- don't pick a song that has been sung or one that is strange to M.D. or Winnie or you'll stand and sing alone.

This department is created as a public service. Some of those solos could be nerve-wracking experiences.

* * *

John Estweiler, this week's program chairman, couldn't locate a program so he took over himself. Net result--an interesting, informative talk on the Health Center which he heads as administrator.

John's talk, and the one given not long ago by Les Eisenhut, emphasize the fact that there's many a good Rotary program available from the membership itself.

Just prior to the program, Bob Shaw, representing the club, presented Harry Wingard and Avon Woods with brief cases and a year's subscription to the Rotarian in appreciation for the help they gave without charge to the club's Dairy Queen project at the recent 4-H Fair.

* * *

Only three members signed the "early leaver" list this week, Vince Kornstein and Doc Shorno didn't sign.

* * *

Tuesday's long absentee list should improve next week with the vacation season ending. This week Avery, Curry, Eisenhut, Goodholm, Holtz, McKnight, Moore, Mulchahey, Munn, Olson, Patterson, Pennington, Rice, Thomas, Way, Clyde and Warren Williams, and Doug Woodward were listed as absentees.

Rotarian guests Tuesday were: Gordon Brewer, Howard Thompson, Bob Stocker and Kenneth Yesh, Bronson; C. D. McKenzie and Elmer Dobson, Quincy; W. H. Roberts, Hillsdale; Arch Stocker (father of Bob), Rockford, Ill.; Al Bailey and James Baker, Angola, Ind.

Frank Roberts of Bronson was guest of Jess Waldron, while Bill Williams, Coldwater, was Mac McKeith's guest.

September 18th will be annual Stag Night and John Dean, who inherited the chairmanship this year, is mulling over such decisions as site and entertainment.

John expects to be able to give out with the full details at next Tuesday's meeting.

Warning to Graylingites: The "Land 'O Living" crew is heading your way this weekend. There is a rumor out that they may actually fish this year.

* * *

Have you noticed that Parson Putnam has been doing an outstanding job of pinch-hitting for Keith Avery the past two weeks?

THOUGHT FOR TODAY:

Number 10 is off the press.
This gets tougher, we confess.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 9 August 28, 1956

A tip of the old Homburg to Harry Joseph for one of the truly interesting programs of the year. Lee Feller, Tuesday's speaker, is another local boy who has made good in his line, which is food distribution. His experiences while serving two years as a food consultant in Puerto Rico, helping that island commonwealth reduce its food prices through better handling and distribution methods, were heard with apparent interest.

Lee's father, Guy Feller, was a guest at Tuesday's meeting. Harold Mills, Burr Oak Rotarian, had William Riggs of Adrian as his guest, and Warren Williams was host to Frank Lucas of Coldwater.

Visiting Rotarians, in addition to Mills, included Dale Ulery, Goshen, Ind.; Edwin Winzeler, Napoleon, O.; Elmer Anderson and Carlton McKenzie, Quincy; Ed Meyer, Hammond, Ind.; Al Bailey, Ed Selman and James Baker, Angola.

Absentees Tuesday were Allemier, Avery, Dale Dean, Eisenhut, Harris, Moore, Munn, Pennington, Ribble and Rick.

The "early leavers" were Burandt, Shorno, Curry, Milnes, Bobier, Couillard, Teeter, Faller, and several others who didn't sign the list.

* * *

Coldwater has boosted its attendance from 90.50 to 90.51, according to a letter from the District Governor. Hardly worth mentioning but at least we are headed in the right direction.

* * *

The club's new Dairy Queen stand at the 4-H Fair this year grossed about $660, which isn't bad when one considers that the weather last week wasn't what might be classed as "ice cream" weather.

The biggest day for the booth was Saturday, when milder temperatures helped boost receipts to $218. Most members feel that the concession could prove to be a highly profitable one in future years--if the weatherman would cooperate, that is.

Incidentally, we are told (by those who caught their pitch Tuesday afternoon) that Jess Waldron and Ray Mulchahey could always find employment as sideshow barkers. It may be rumor, but it is said they were the loudest with the mostest along the midway that afternoon.

* * *

Ted (Wrong Way) Sowers was observed Wednesday doing a "Corrigan" on North Monroe St. That's OK Ted--a lot of us are having a hard time getting used to the theory that Coldwater is big enough to have one-way streets.

* * *

THE GUSHER, Rotary publication in Oil City, Pa., asks:

"Suppose you visited another club and about all the welcome you got was a perfunctory introduction?"

"Do you welcome our visitors about the same way? Do you give the visitor a glad hand? Would your attention toward a non-Rotarian guest excite in him any Rotary interest? Did you ever ask any visiting Rotarian if you could be of any service to him while he was in our city?"

"When we talk about 'Service Above Self', let's all practice it. Are you a real Rotarian or just a member of a Rotary Club?"

* * *

Thought For Today:

This cuts the number to 43.
More news from you, is our plea.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 8 August 21, 1956

Rotarian interest was focused this week on the 4-H Fairgrounds where the club opened its brand new Dairy Queen stand.

Despite weather better suited for munching hamburgers and drinking hot java, Doc Harris and his opening day crews dished out a lot of malteds, sundaes, cones and ice cream bars, sandwiches and popsicles--in fact, about $150 worth.

The club's new booth is attractive and ideally situated. The operation is easier to handle than last year's pancake-sausage deal, and those in charge feel it will prove just as profitable and probably even more so.

Avon C. Woods, who operates the Dairy Queen establishment on Marshall St., and Harry Wingard were on hand the opening day to run the machine and get the boys off to a good start.

* * *

A district-wide, rural-urban dinner meeting featuring an address by Secretary of Agriculture, Ezra Taft Benson, is being sponsored by the Battle Creek Rotary Club.

The meeting is to be held next Tuesday night at Percy Jones gymnasium in Battle Creek. Admission to Rotarians will only be possible if they have a farmer guest. The banquet is expected to draw about 1,000, while several thousand others will fill balcony seats to hear the address.

* * *

President Fritz and Dick Biringer represented Coldwater at the charter night dinner held in East Lansing Wednesday for the new Haslett-Okemos Rotary Club.

* * *

The club took a vacation from the Arlington this week to hold its meeting at the Coldwater-Girard Grange booth at the Fairgrounds. Each Rotarian had a 4-H boy or girl as his guest for the luncheon and program, which were in charge of Jess Waldron.

Following an excellent fried chicken repast, the members heard (?) brief talks by Arend Gensma, from the Netherlands, and Heins Dieikhofs from Germany, who are in this country studying agricultural methods. We inserted the question mark above because it is a sure bet that some of the members couldn't hear the talk above the carnival noises drifting in from the midway.

Rotarian guests this week were: Dale Ulery, Goshen, Ind.; Joe McCluskey, Battle Creek; Harold Gallagher and William Mussey, Batavia, O.; Elmer Dobson, Quincy; Donald Johnson, Flint; Robert Stocker, Bronson; Charlie Krause, Defiance, O.

Non-Rotarian guests were Hugh Wolfe of Tenafly, N.J., who was the guest of his father-in-law, Guvarie Coffman, and Dr. Paul Marshall of Dayton, O., who was a guest of Dr. Krause.

A long absentee list Tuesday included: Burandt, Eisenhut, Fiske, Goodholm, McConkey, McKeith, Moore, Munn, Olson, Patterson, Payne, Pennington, Ribble, Shorno, Teeters, Toupalik, Van Why, Warren Williams and Doug Woodward.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 7 August 14, 1956

Volcanoes and hula girls, both in action, held the interest of members as Bill Donkin completed showing his color pictures of Hawaii following this week's club luncheon.

While the dancers proved popular, top billing went to the movies of a 1955 volcanic eruption. They proved spectacular as well as colorful. At least, as we chewed our nails, we kept hoping the camera man was using telescopic lens.

This week's meeting drew 10 Rotarian guests. The list was as follows: George Carpenter, Nelson Weber and Bud Higbie, Bronson; John Elwell, Hamilton, O.; Dave Jordan and Dave Jordan, Jr., Angola, Ind.; Everett Goshorn, Huntington, Ind. Ted Zimmerman and Carleton McKenzie, Quincy; and William Dyer, Union City.

The absentee list included: Curry, Eisenhut, Fiske, Goodholm, Kornstein, Mulcahey, Munn, Patterson, Rick, Skabo, Teeter, Waldron, Way and Doug Woodward.

Ten signed the "early leaver" list but as we've never learned to count past 12, we cannot say just how many were AWOL during the program.

* * *

Sorry last week's Reflector was delivered late. The copy was ready at the usual deadline but a foul-up in messenger service resulted in its reaching the publisher's hands a bit later than usual.

* * *

The club's weekly songfest was staged Tuesday a cappella (minus Winnie). That organ music sure does cover a multitude of sings.

* * *

Don't forget to eat a light lunch of non-fatty foods Monday and then go to the Elks Temple and donate a pint of blood at the Red Cross clinic.

The locale for next Tuesday's meeting will be shifted from the hotel to the Coldwater-Girard Grange booth at the fairgrounds.

Jess Waldron, chairman next week, has arranged for each Rotarian to act as host to a 4-H club member. You pay for yourself and your guest so bring three bucks.

Jess says the charge will be the same whether you draw a 4-H boy or girl as your guest. Doesn't seem quite fair but that is the way it will be.

* * *

In case you haven't heard (and who hasn't?) the club will operate a combination Dairy Queen and hamburg heaven on the midway during next week's 4-H Fair, starting Tuesday.

Working committees have been assigned for each day of the week. The success of the operation depends upon the cooperation of each member. So, show up when you are supposed to report for duty. It could even be fun!

* * *

A Charter Night for the new Haslet-Okemos Club has been scheduled for Wednesday, August 22, at the Union building on the Michigan State Campus at East Lansing. Dick Biringer is attempting to get up a delegation of local Rotarians to represent Coldwater at the shindig. If you are able to go, contact him at once.

* * *

Have You Noticed: That Sergeant-at-Arms Don Harris has been having a mighty "fine" time at recent meetings.

* * *

THOUGH FOR TODAY:

Next we go to 45,
Hoping only to survive.
The cracks we made are just in fun,
But we're always set to run.

Bulletin No. 6 August 7, 1956

Bill Donkin's color pictures and comments on his recent trip to Hawaii are a first class substitute for the actual experience of visiting Hula-land, as local Rotarians discovered at this week's meeting.

The program, which was secured by Ray Fox, is to be continued at next Tuesday's session.

Eight visiting Rotarians checked in at this week's meeting. They were: Dale Ulery of Goshen, Ind.; Tom Weaver, Dayton, O.; Wendell Hathaway, Howard Thompson and Russell Megargle, Bronson; John Maney, Van Wert, O.; and Vick Lockhart, Montpelier, O.

Ken Putnam had his father, William Putnam of Lansing, as his guest. Jack Duncan of Detroit was Howard Teeter's guest, while Roy Harris and Clifford Quinting, both of Coldwater, were guests of Ray Mulchahey and Wayne Way, respectively.

The absentee list included the names of Curry, Fiske, Hurley, Kornstein, Munn, Olmsted, Schwengel and Doug Woodward. Seven signed up to leave early.

* * *

Jess Waldron, chairman for August 21, announced that the club will travel out to the fairgrounds that day for its weekly luncheon. As in past years, the club will play host to county 4-H members. Each Rotarian will pay for his own lunch and that of a 4-Her, so don't forget to bring along three bucks. The site will be the Coldwater-Girard Grange booth.

* * *

The Marshall Rotary Fountain reports that Homer is considering a Rotary club with Litchfield as sponsor. That would make four Rotary clubs in Calhoun County and the Fountain declares "We doubt that any other county in Michigan, outside the metropolitan Detroit district, can make that claim".

Tch, Tch, and Marshall is so close to Coldwater, Union City, Bronson and Quincy, too!

* * *

Four Coldwater members made up at Angola recently, the quartet being Jim Van Why, Harold Goodholm, Otis Barnes and Gust "Burang". Honest, Gust, that's the way the Angolan interpreted your signature.

* * *

Went out to the fairground to take a gander at the club's new concession stand now in process of construction. The site couldn't be better--being within easy spitting distance of the main gate of the amphitheatre, and right in the middle of the heavy Fair traffic flow. If the club can only round up some capable help, it should really be in business come Fair week.

* * *

Don't forget the Red Cross Blood Clinic scheduled for Monday, August 20, at the Elks Temple. Make your appointment now and avoid the rush. Mrs. Roy Mooi or Mrs. John Hardy will be happy to hear from you.

* * *

Two Rotarians are a year older this month, Ernest Luce and Jim McComb having August birthdays.

* * *

THOUGHT FOR TODAY:

The number now is 46
Just how did we get in this fix?
Next week we'll write 45
If you can dig this crazy jive.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 5 July 31, 1956

The club members will take a trip to Hawaii next Tuesday. Ray Fox, who is program chairman, informs us that Bill Donkin, who traveled Wakiki-ward earlier this year, will be on hand to exhibit color pictures of his trip.

* * *

After hearing Tuesday's impromptu program by members of the Purdue men's glee club, most Rotarians felt the group might fit into the Rotary Minstrels of 1957. Coldwater may have the singingest Rotary Club in the world, but Purdue certainly has the singingest Rotary-sponsored club we've heard. The boys were simply great!

Another pleasant program surprise was Tuesday's talk by young John Van Aken, former Coldwater attorney now with a Chicago firm dealing with labor-management problems. John's talk traced the labor movement and carried a sharp warning of dangers ahead unless corrective legislation is introduced and enacted.

In passing we'd like to cite Vince Kornstein, program chairman, for a wonderful program. Vince, we understand, received another citation in passing the other day.

The Rotarian guest list Tuesday included: Bud Higbie, Leo White and Bob Stocker, Bronson; Charles Lugbill, Archbold, O.; C. D. McKenzie and Elmer Dobson, Quincy; Charles Lemons, Blytheville, Ark.; Al Stewart, John W. Farley and B. G. McGuire, Lafayette, Ind.; J. B. Washburn, Union City; John Elwell and Harold Howard, Hamilton, O. Joe Smeekens, Coldwater, was John Jackson's guest, and Leroy Witt, Brookville, O., was guest of Karl Buierbaun, a Rotarian of the same city.

Allemier, Avery, Barnes, Curry, Fiske, McComb, Mulchahey, Patterson, Pearce, Rick, Schmitt and Waldron were absent. Five signed the early leaver list but more than that joined the one o'clock stampede.

* * *

Every Rotarian should vote next Tuesday. Your ballot is important. Gov. Williams was elected in 1950 by a margin of 1,154 votes. This margin represented about one vote for every three election precincts. Many other elections in our history have been won by even closer margins. Vote for whomever you like--but VOTE!

* * *

NEWS FLASH--Winnie's back!

* * *

Thursday's regular board meeting was devoted largely to plans for the forthcoming 4-H Fair. Committees were selected to assist the various chairman announced Tuesday by General Chairman Dale Dean.

President Fritz informs us that the foundations of the club's new concession stand at the fairground will have been poured before this bulletin reaches you. The booth itself is expected to be ready in ample time for the 1956 Fair.

On August 21st the club, following its custom of previous years, will be host to 4-H members at a luncheon on the fairgrounds. Jess Waldron, chairman for that day, is working out the details.

* * *

We wonder which Rotary-Ann will be the first to contribute to this sheet. Remember gals, this is a family publication.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 4 July 24, 1956

Club members learned Tuesday that being a captain of industry is a cinch if you have the right banking connections. Russ Moore had the program and Noel Shedd presented a color film on banking.

Kidding aside, the half-hour movie made a lot of us realize, perhaps for the first time, just how many ways a community is served by its financial institutions.

Only eight members, Curry, Goodholm, Kornstein, Munn, Patterson, Rick, Vinton and Waldron were absent. Nine signed the early leaver list and nine left early. However, one who left didn't sign while one who did sign remained for the program.

The Rotarian guest list Tuesday included 11 names: C. D. McKenzie, Quincy; Charlie Hilton and George Carpenter, Bronson; Dale Ulery, Goshen, Ind.; Allen Stevens, White Plains, N.Y.; Charles Lugbill, Archbold, O.; Harold Howard, Hamilton, O.; Robert Beeson, Hagerstown, Ind.; Howard Eggleston, Toledo, O.; Ray Hoyer, South Bend, Ind.; and Pat Shaw, Mountaineer, W. Va.

* * *

Members were happy to see Les Woodward back at Tuesday's meeting after a long absence.

* * *

We always considered the name Mulchahey strictly County Cork. This week, however, Ray was named by Governor Williams as executive secretary of a state study commission on Michigan Indian problems. How!

* * *

John Dean, we understand, is having an address problem. It seems that he can't think of a suitable name for the new street which has been cut through to the new home he is building. Due to the topography of the area certain of his friends (?) have suggested "Dean's Ravine" or "Valerie's Valley," but John has vetoed both. Other suggestions will be appreciated(?).

* * *

Vince Kornstein will be chairman of next week's program, which will deal with labor relations. We haven't been able to learn the exact nature of his program as he has been away for a week---probably resting up for the ordeal.

* * *

Les Wise has just returned from a vacation trip to Iowa where the family visited Celia's relatives and Les inspected the fields to see if the "tall corn" was growing tall.

* * *

We note from the Michigan Center Rotary publication that Harold Goodholm made up a meeting there last week.

* * *

Work on the club's new 4-H Fair booth is scheduled to start any day now. Dale Dean will be in charge of the Fair Week work schedule this year.

* * *

President Fritz recommends that the various committee chairmen begin working on their District Governor's reports.

District Governor Fred Hilbert will visit our club later in September so the reports should be in by September 1st. Nuff said.

Thought for Today:

The number now is 48,
Help, we fear, will come too late.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 3 July 17, 1956

Les Eisenhut gave his fellow Rotarians some food for thought Tuesday in a talk dealing with the subject of juvenile delinquency. Quoting FBI statistics to prove that crime among juveniles is on the increase, Les proceeded to give the Rotarians his opinions on the subject, based on 22 years of police service in Ft. Wayne, Ind.

Les believes that most delinquency stems from homes broken by either death or divorce, or from doting parents who strive to shield their young from the hard knocks that build character.

The fact that several Rotarians who heard Les give the same speech recently at Quincy remained to hear it a second time, seems to confirm our opinion that it was a darn good talk.

* * *

The members got two surprises Tuesday. The first was a switch of the meeting place from the Ranch Room to the main dining room for a very strong reason. The second was the appearance of Clara Bovee, former club accompanist, at the organ in the place of Winnie, who is on a trip to Colorado.

* * *

The new Rotary fair stand will be built where the ferris wheel stood last year, it was announced by Chairman, Jim McComb, at Tuesday's meeting. The building will be of modern "architector", according to Chairman Jim. Round and round we go.

* * *

Dale Sellers, new president of Detroit Rotary Club, was a guest here Tuesday. He was introduced by fellow banker, Noel Shedd. Other Rotarian guests included: Robert Jacoby, Blanchester, O.; Glen Barnett and Bruce Wilbur, Bronson; Thomas Shaw, Mountainau, N.M.; Martin Lingler, Hamilton, Ohio., who has purchased a summer place at Lake James; Lewis H. Van Arsdale, Cleveland, O.; Alan B. Stevens, White Plains, N.Y.; Joe Wibel and Ted Zimmerman, Quincy; Howard Eggleson, Toledo, O. Other guests were Walter Nichols of Blanchester, O., and Ike Boucet of Toledo.

Absent Tuesday were Barnes, Burandt, Fox, Kornstein, Laney, Moore, Mulchahey, Munn, Schmitt, Shorno, Teeter, Thomas, Van Why, Vinton, Way, Wise and Doug Woodward. Seven signed the early leaver list and only 14 took off.

* * *

Next Tuesday's program, which is in charge of Russ Moore, will deal with banking. It will feature a film to be shown, we understand, by Noel Shedd.

* * *

The club extends its sympathy to Howard and Marian Teeter upon the death of the latter's mother, M. Belle Warner.

* * *

Please note the new color and format for this year's Reflector. A complete roster of Rotarians and Rotary-Anns, plus addresses and phone numbers, is a new feature.

* * *

Twenty-three Rotarians and Rotary-Anns attended a Rotary Information meeting for new members at the hotel Monday evening. Ernie Luse planned the session and Past Presidents Torg Skabo, Chuck Woodward and Bob Shaw gave talks explaining the history, organization and aims of Rotary. Refreshments were consumed at the close of the evening.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 2 July 10, 1956

Rotarians who have drawn deep sink duty at the 4-H Fair in the past will hail the news that the club this year will operate a concession that doesn't require any dish-doing.

The Board of Directors decided Tuesday to proceed with plans to build a new stand at the Fair Grounds and switch to a Dairy Queen, root beer, hot dog type of operation. The committee in charge of the project is headed by Jim McComb and includes Bill Bobier, Chuck Woodward, Harvey Bent and Torg Skabo.

* * *

Tuesday's program, which was provided by Don Shorno with an assist from Ernie Luse, scored high with all. Seamon Bollegraf, Quincy Rotarian, told the members of his recent trip to Holland, his former home; West Germany and Denmark.

Seamon spoke for about 10 minutes and then spent the next half hour answering many questions concerning conditions as he found them in West Germany.

Rotarian guests Tuesday included E. W. Burkey, Manitau, O; Dale Ulery, Goshen, Ind; Charlie Hilton and Dick Schultz, Bronson; Charles Goll, Stryker, O.; Howard Eggleston, Toledo, O.; Andy Antoni, Huntington, W. Va.; Don Soldwedel, Yuma, Ariz.; and Fred Zinn, Battle Creek. Harold Munn had Jim Luck of Coldwater as his guest.

Absent Tuesday were Rotarians Allemier, Curry, Fiske, Fox, Goodholm, Hurley, Laney, Mc Keith, Moore, Pennington, Ribble, Van Why, Waldron and Doug Woodward.

The early leaver list showed improvement. There were only five names on the list and only six who took off early despite the counter-attraction offered by the All-Star game telecast that day.

* * *

Those who caught the program at Quincy two weeks ago can vouch for next Tuesday's program. We understand that it is to be Les Eisenhut who has some interesting data to give on the subject of juvenile delinquency. Les, as result of his long service with the Ft. Wayne Police Department, is well qualified to handle this subject.

Candles are burning this month in the homes of Harvey Bent, Guvarie Coffman, Russ Moore, Ray Mulcahey, Chuck Schmitt and Les Woodward, all of whom are observing birthday anniversaries.

The summer exodus to nearby lakes has started. We understand the Bob Shaw and Bill Bobier families moved out to Coldwater Lake this week, following a trail blazed for them by Ken Putnam. We hope they won't be bothered by boats running ashore in the middle of the night.

Club members who will be away on vacation August 20 when the next blood clinic is held in Coldwater, should plan to go to Bronson next Tuesday for a clinic to be held between the hours of 10 a.m. and 4 p.m. Mrs. H. R. Mooi is signing up donors for the Coldwater clinic. So, plan to make one or the other.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 1 July 3, 1956

A new Rotary year dawns! The club has a new president, a new board of directors and (worse luck) two new editarians who are still wondering how they got sand-bagged into accepting the job. Joking aside, if we can do half as well this year as Ray did the last three, we will be content.

Our motto is: "No news is not good news." So, PLEASE pass along to us any news tidbits (non-libelous) you may have concerning Rotarians and their Rotary Anns.

* * *

Fritz Van Aken, the club's new president, officially began his year in office with Tuesday's meeting. He briefly outlined some of the new board's goals for the coming year as being: efficient club operation, the meeting of club obligations, and several major projects such as the 4-H Fair and possibly another minstrel show.

President Fritz then introduced his fellow officers, Vice President Les Wise, Secretary Chick Kennedy, Treasurer Chuck Schmitt and the other directors, Howard Teeter, Bill Bobier, Harvey Bent, Maurice Payne. Torg Skabo and Dick Biringer.

The new director-Chairmen, Dick Biringer, Club Service; Bill Bobier, Vocational Service; Harvey Bent, Community Service; Howard Teeter, International Service; and Les Wise, Program, outlined their objectives for the coming year.

* * *

Torg Skabo, who wondered all during lunch just why Ed Holtz insisted on being seated next to him, finally got the answer when Ed presented him with his Past President's pin. Torg expressed his appreciation of the help he received from the club as a whole during an outstanding year. He then presented President Fritz with a new gavel.

Secretary Chick Kennedy's annual report was read by Fred Weeks. It was a gratifying report showing that Coldwater Rotary completed one of the busiest and most profitable years in its history.

* * *

Don Harris, the club's new sergeant-at-arms, got his initial workout Tuesday when the boys at the north table forgot to turn up their hearing aids.

* * *

Guests Tuesday included Rotarians Emory Boyd of Angola, Art Dahlberg of Ithaca, N. Y., Howard Eggleston of Toledo, Wilbur Hyre of Van Wert, Carlton McKenzie of Quincy and Bob Stocker of Bronson. Floyd Wilbur of Bronson was Howard Swan's guest. There were only two early leavers signed up and only seven who walked out.

Rotarians Burandt, Fiske, Hill, Luse, McKnight, Mulcahey, Munn, Olmsted, Ribble, Thomas, Van Why and Waldron were absent.

* * *

Plans for the 4-H Fair in August were discussed at a board meeting Tuesday. It was suggested that the club build a new concession stand rather than continue to rent the one used in the past. Details are to be worked out and a decision reached at a board meeting following next week's meeting. It has been suggested that the club operate a Dairy Queen, hot dog, root beer and coffee stand instead of a pancake and sausage operation.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

Bulletin No. 52 June 29, 1956

On Tuesday, July 3rd, Fritz VanAken, the new President of the Coldwater Club, will preside at the meeting. We wish him a most successful and happy year. He is asking that the chairmen of the four avenues of service meet with the chairmen of the various committees as soon as possible so they may outline their aims and objectives for the coming year. These plans are to be typed and should be furnished in duplicate. The District Governor's meeting, during which plans for the coming year will be discussed, is to be held September 25th and it is imperative that all committee plans be submitted as soon as possible so that they may be revised if necessary before presentation at the club assembly.

At the last meeting of the board of directors, which was held at Chick Kennedy's, there was considerable discussion regarding the concession which the club hopes to operate at the 4-H Fair in August. No definite decision was made and Dale Dean and Jim McComb are to explore the matter further and present their plans so as to be able to operate when the fair starts.

The Board of Directors voted to send a boy and a girl to the YMCA Camp at Corey Lake for one week. The decision as to who should go was left to the YMCA.

In last week's Bulletin we did not have room to report the extraordinarily interesting meeting which included a tour of the power plant under the leadership of Leo McQueen and other members of the Board of Public Works. From all reports Coldwater has a plant of which they can be justly proud and a tip of the hat is due the Board of Public Works for operating an economical profitable branch of the city government.

We saw Jess Waldron on the street this morning and chided him about scratching mosquito bites. His only reply was that "They feel so good when you scratch them." Somebody better donate a bottle of 6-12 to him.

Ray Mulchahey

We are very sorry to lose Stew Picard as a member. He has been a good Rotarian and certainly contributed much to the Hot-Rodders of Coldwater with his program of automobile mechanics at his garage. The best of luck and good wishes of the club go with him to Florida.

Ernie Luse tells us that the A. Z. Baker dinner in Kalamazoo was a very worth while event. The dinner, which was held at the Harris Hotel, was well attended with over 300 persons present. At the dinner Mrs. Baker, who Ernie tells us is an excellent speaker, spoke to the Rotary Anns and following this the group went to the High School auditorium for the rest of the evening. He tells us that the auditorium was very nearly filled. They were entertained by a quartet following which President Baker gave the last speech of his Rotary year. In fact, he called it his "Swan Song". He stated that his aim had been one new Rotary club for each day of his Rotary year presidency and on that night he had 355 clubs. At the meeting he presented the charter for the Okemos Club of Lansing, which made 356 clubs and he was very hopeful that 9 more clubs would be brought in during the last 10 days of his administration.

We understand $4600.00 has been donated by District 219 for Rotary Foundation.

On Tuesday evening, June 26th, the Ladies' Night was held at the Country Club with about 80 in attendance. A dance band from Quincy--"The Polkateers"--played for the dancing and an excellent dinner was enjoyed by those present. Corsages were furnished to the ladies by Fritz VanAken and the flowers for the table decorations came from the VanAken Greenhouses. A tip of the hat to Webb Treat for doing such a good job.

This is the last bulletin that your present editor will write. Next year Duke Davidson and Seton Bovee are taking over. It must be that they expect an extraordinary fine bulletin as they realize it's too big a job for one man. Anyway, we wish them a lot of luck and we want you to know that the 3 years I've written the bulletin, I've thoroughly enjoyed it.

THOUGHT FOR THE DAY: "FINIS".
