HISTORY OF COLDWATER

When the first white people came to this vicinity, they found this area inhabited by the fierce and warlike Pottawatomi Indian. Although the old Indian trail between Detroit and Chicago-(now US 12) saw great numbers of pioneers passing this way, bound for Illinois and other parts of what was then "the far west", the presence of the roving bands of Pottawatomi Indians deterred many who might otherwise have settled here. The defeat of the British in the war of 1812 and the death of the great Indian leader, Tecumseh, in 1813 caused the Pottawatomi to lose heart and in 1821 Chief Topinabee and his people sold to the whites what is now Branch County and a vast area besides, although they continued to occupy it as before, supposedly on reservations. One of these reservations, six miles square, was in Coldwater and Quincy Townships.

The present city of Coldwater occupies part of what was then a beautiful prairie, some three miles long from east to west and two miles wide. It was dotted with oaks, with an occasional elm, but bordering this prairie were magnificent forests of beech, maple, walnut, whitewood, elm and oaks, interspersed with many streams and with over a hundred lake, large and small in what is now Branch County. With I-69 barrow pits and other private lakes, we now number 200 lakes in the county in 1975.

It was natural therefore that our first white settlers came to trade with the Indians. In 1822 Joseph Godfrey established a trading post near downtown Coldwater and a little later that year one Marantette established another post where Oak Grove Cemetery is now located.

In the year 1829 Branch County was laid out and so named by the Territorial Legislature. It was first attached to Lenawee County and later to St. Joseph. It was named in honor of John Branch of North Carolina who was President Jackson's Secretary of the Navy.

The first log house was erected in 1830 by Hugh Campbell on the present site of the Masonic Temple. In 1831 Allen Tibbits and Joseph Hanchett platted a village here calling it Lyons. It ran from Jefferson Street to Monroe Street and from Church to Washington Street. In July 1831 Mr. Tibbits preached the first sermon. There were 50 whites in Branch County at that time. This same year A. F. Bolton erected the first frame building-a hotel-at Masonville. Masonville was a settlement on the east banks of the Coldwater River in the west part of the present city and covered the territory from the river and east to the intersection of West Pearl Street and West Chicago Street. On the strength of this hotel, Masonville was made the County Seat. Masonville did not hold the honor long as the ambitious village of Branch, which was located south of our present airport near the present Black Hawk Mill, won the coveted plum and held the county seat from 1831 to 1842. At the time it became the county seat, it had only one log house-but it had ambitious politicians. The Coldwater Post Office was at Masonville.

In 1832 the first school was started with nine pupils and with Cynthia Gloyd as teacher. The first store was established by Silas Holbrook; the M. E. Church was founded with five members; and the first sawmill was erected at the junction of Davidson and Clay Streets.

In 1833 the name of Lyons was changed to Coldwater, from an old Indian name "Chuck-sey-ya-bish" meaning cold water. Branch County, as such began its separate existence, being previously attached to St. Joseph County and a sheriff, clerk treasurer and register of deeds (one office) and probate judge was elected by the people.

In 1834 the "old red schoolhouse" was erected at the corner of Pearl and Hudson Streets. Today, the spot is still being occupied by our schools. The area was purchased by the city and now is being prepared for county use where the school stood.

In 1835 Masonville was platted on the east bank of the Coldwater River and again struggled to become the county seat. That year the Baptist Church was organized with sixteen members.

In 1836 the first church was built in Coldwater by the Methodists. The village had twelve houses and was growing. The next year Coldwater was incorporated as a village having a population of 140 people. Dr. Alger, traveling the Chicago Road from Detroit to Chicago, found at this time 33 taverns between Quincy and Sturgis, indicating the tremendous westward immigration through here at this time. 1837 was a terrible year for malarial fever, 32 out of 140 people died that fall. The cause was said to be the Clay Street milldam and the angry citizens, taking the law into their own hands destroyed it. This year the first newspaper, The Observer, was issued and the Presbyterian Church organized with sixteen members.

It is indeed interesting to note that two things always occurred as a few families settle close together. Schools and churches are the first to be organized. Our ancestors believed as we must-religion and education are the necessary units if we must continue to advance in civilization.

HISTORY OF COLDWATER-Continued

In 1840 the Pottawatomi Indians, except for a few stragglers were removed to the far west. This opened for settlement much of the land of Branch County which had been designated as Indian reservations. It also helped bring in many new settlers who had been deterred by the presence of such a large Indian population in the County. From this date the progress has been steady.

In 1841 Albert Chandler founded the Coldwater Sentinel and in 1842 Coldwater became the permanent County Seat, supplanting the village of Branch and blasting Masonville's hopes.

In 1844 two churches were built-the Baptist Church was built on the north west corner of Monroe and Pearl, and the Presbyterian Church was built on the present site of the new building of today, but was sold in 1868 to the Lutherans who moved it to its present location on S. Jefferson Street.

In 1846 the first jail was erected. Also the voters voted against the sale of liquor.

In 1847 the county voted to build a brick courthouse by a majority of 27. A majority of 27 was the same when the proposition to build the present one carried 40 years later. This one burned down on December 5, 1972 and another new courthouse started construction in the fall of 1974 on the same spot. Also this year the Masonic Lodge was established.

In 1849 the telegraph lines reached Coldwater and St. Charles Catholic Church was founded

1850 was a banner year for the growing village. The first train arrived and Coldwater was connected directly to the populous East.

For many years Coldwater and Branch County were noted for their horses. The start was made in 1851 when A. C. Fisk purchased Green Mountain Black Hawk for the then enormous price of \$1500. Many people now living can remember the various race tracks in and around Coldwater. Raising and training race horses was a big industry for many years. In 1851 Coldwater boasted 370 houses, but the first of many disastrous fires destroyed eight stores in the business section during the winter.

In 1854 another disastrous fire along Main Street caused the village Board to prohibit the erection of any frame buildings from Clay Street to the parks. This was the first zoning acted upon in the community. The Main Street today, because of this action, is built of brick. Also this year, Oak Grove Cemetery was established, which continues to expand. There had been two earlier cemeteries-one at Masonville, which today is a cultivated field-the other on Morse Street which contains tombstones recording burials from 1835-1857. The present cemetery board maintains this burial ground even though there have been no burials since 1857.

In 1856 because of the many fires the first fire company was organized with Clinton B. Fisk as foreman. Everyone was proud of the "Excelsior" the hand pump that was purchased.

In 1857 the corner stone of the Episcopal Church was laid-it was completed in 1862.

In 1861 Coldwater became an incorporated city. That year Coldwater Leight Artillery-later called the Loomis Battery-left for the war with six brass cannons and 120 men, only 49 of whom returned home three years later. Coldwater, even as her men have done in the years since-paid for her existence with the blood of her youth. Many other Coldwater men enlisted in the 1st Michigan Infantry and the list of casualties were large for such a small town. It is said over 500 men from Coldwater fought in the Civil War. To show how the raising of horses had grown in the county during the war years of 1861-65, over 3,000 horses were brought here for use in the Federal Service.

In 1865 the war ended and the soldiers returned home. That year Coldwater had its first millionaire. S. M. Siely made \$1,500,000 in oil speculations. In July the Coldwater National Bank opened and Coldwater became a money order post office.

The town continued to grow steadily after the war. In 1866 the first hospital was established where the Elks' Temple now is located. One hundred new buildings were erected and new industries located here. The industries, at this time, consisted of flour mills, an oil mill, breweries, a wheel barrow factory and many small factories making cigars. By 1870 there were so many cigar makers that a Cigarmakers Union was organized and functioned for many years.

HISTORY OF COLDWATER-Continued

In 1870 the Lewis Art Gallery opened. For 25 years until its removal to Ann Arbor this gallery attracted visitors from all parts of the country. Recently the Lewis Collection was returned to Coldwater.

The "Seventies" was a period of railroad building and Coldwater was caught up in the spell. Two roads were chartered--the Mansfield, and Coldwater and Lake Michigan Railroad--and the Coldwater Railroad. Neither railroad was ever completed. The collapse of the Mansfield Railroad cost the investors of this vicinity \$200,000.

In 1876 an interesting item was noted. The English sparrow was introduced by Captain Mansfield and George Firth. Today it is difficult to believe that this "pest" hasn't been here always. In 1800 the first bicycle was brought to Coldwater. 1881 was an exciting year for Coldwater. A series of fires caused suspicion of incendiarism. After an investigation, several firemen who confessed were sentenced and served prison sentences. Chief Drake, after a lengthy and expensive trial, was acquitted. The cause--they needed new equipment.

In 1882 the Bell Telephone began business. In 1886 the Public Library building was dedicated--a gift from the Hon. E. R. Clarke. In 1887 an idea began that has since grown to large proportions and has meant much to Coldwater and Branch County. This was "the-cottage-at-the-lake" idea begun by 10 members of Jacob Commandery at Templar Beach, Morrison Lake. Today the spread of this idea has seen the shores of most of the over 100 lakes in Branch County covered with homes, both year around and summer. Today, the money brought into the county and city each year by the summer visitors make it one of our best industries.

In 1888 a small private company started electric street lighting. Three years later in 1891 they sold their property to the city which has maintained the electric service since that date. In 1890 the first city water system was installed by vote of the people. This system was joined the next year by the light plant and Coldwater was in public utility business to stay.

In 1905 the present city charter became law. It has been revised, added to, etc. by charter amendments many times since that date, but the charter of 1905 is still the basis for the government of Coldwater.

By 1912 Coldwater, a growing city, felt the need of parks and recreational facilities. A park and recreation board was established which today has given Coldwater the splendid parks which are enjoyed so thoroughly.

And so through the years Coldwater has grown--steadily at times--by spurts at other times. Slowly, but ever forward toward making it a better place to "live, worship, and play." Many men and women have made their contributions--some large, some small, but each his bit--and thus Coldwater today.

In 1960, July 1, Coldwater's Centennial Committee held its initial meeting to start plans for a municipal observance of the historical anniversary in 1961. General Chairman, C. J. Medendorp, presided with 20 members present. July 4, Independence Day was observed in an all day celebration at the 4-H Fairgrounds including fireworks at night, the first since 1933. July 28, 29, 30, first sidewalk sale days held in downtown Coldwater, reported to be a huge success.

1960---Mrs. Edna Wells, owner of the 75 year old S. B. Kitchel Liniment business sold out to James A. Warnhoff and Dr. J. W. Brown of St. Louis, Missouri. Coldwater voters favored expansion of the municipal power plant in preference to purchase 100% power needs from Consumers Power Company. Branch County approved addition to Maple Lawn. C. H. Rump & Sons held "Open House" at their new truck terminal in the Industrial Park. In September, Earl Lynn was honored for 37 years service to the Branch County Circuit Court. Climax Molybdenum announced a major expansion for Coldwater's first shell building in the Industrial Park. On October 3, William's Grain Company had a \$150,000 fire. On November 8, new city charter proposal wins by 183 ballots to become effective January 1, 1961. Kroger Egg Plant on November 16, held ground breaking ceremonies at the Industrial Park. In November a new church was organized, the Reformation Lutheran Church.

1961---Godfrey Collins took up his duties under the city charter as City Manager. The Mayor was Arthur Lyons. On January 7, 1961, the Branch County Abstract Company moved to 13 S. Monroe Street and has been in the Hodgeman family for 56 years. Restoration of Tibbits Theatre was started, and the old Opera House will again be active. On February 2, 1961, Father Robert M. Mann was instituted as rector of St. Mark's Episcopal Church. In February, Harold J. Smith was appointed to become Coldwater's first Municipal Judge effective in July. On February 20 the first non-partisan primary election was held. Northside storm sewer bonds benefited by the cities "Baa" rating and went for 3.1246% interest rate. Governor Swainson, declared Tuesday, February 28 as Coldwater Centennial Day in honor of the 100th anniversary of Coldwater as an incorporated city. Presentation made to State Senator John P. Smeekens, and State Representative Frederic J. Marshall at Lansing.

HISTORY OF COLDWATER-Continued

Michigan State Highway Commissioner John C. Mockie, announced \$17.1 million highway improvements over 5 year program for Branch County. In March J. Ed Uland was appointed manager of the Coldwater Chamber of Commerce, by the Chamber Board of Directors effective in April. The Branch Area Career's Center was the site for the annual Scholastic Banquet for Junior and Senior students with a 3.0 or better average, with the Greater Coldwater Area Chamber of Commerce sponsoring the event through the Industrial Division. M. L. Pillsbury was toastmaster and William Tracy was the principal speaker. 1974 was an active year for the 4-H Fairground Trailer Rallies. The sponsorship by D. B. A., Fairfield Plaza and the Chamber of Commerce resulted in eight trailer rallies. The annual Chamber sponsored Butler Speedway Race was a successful event on July 27th. The Coldwater Industrial Growth Inc., raised over \$100,000 to build Shell #6 which is now in construction and to be completed in 1975. Our financial insitutions totaled a very nice increase again in deposits in 1974 and extends the several years of continous financial growth. K-Mart built a 40,000 sq. ft. store and other commercial buildings were constructed.

1975

President's Ball and Annual Meeting of the Greater Coldwater Area Chamber of Commerce was held on March 1st, honoring the retiring President, Robert Charles. 1975 President is Lester Wise, Vice President is Paul Ruse and Treasurer is George Pierce. Executive Manager M. L. Pillsbury reported an unusually good year in the Coldwater area. 1974 final reports of financial institutions, as a whole, showed increased growth and deposits. This trend has continued for the past several years. Four of our new manufacturers of last year, and now in operation. Plastic Tops are completing their new plant on Garfield, and will start operations this Spring of 1975. Federal Mogul previously announced termination phase out is effective this year. Other prospective industries have plans for Coldwater plants that will balance out our work force to the extent that it should give us better than state-wide average employment and payrolls.

The completion of a new Court House building costing \$2,000,000.00 and dedicated to the citizens Branch County in 1975.

1976-1977

On Memorial Day of 1976, the new Heritage Recreational Area swimming pool was opened representing a standard Olympic size pool, with \$150,000.00 by public subscription and \$150,000.00 by federal grant. Also in 1976, a Public Safety building was completed representing a cost of \$720,000.00. This is the new home of the Fire and Police Departments. The old firebarn is to be a new downtown restaurant after nearly 100 years as a firebarn where, years ago, horses were kept. The Board of Public Utilities are completing in 1977 a diesel engine installation capable of 6,000 kilowatts in addition to their other diesels and steam plant. However, additional electricity will be purchased from Consumers Power Company. Riverside Manufacturing Co., has a new plant of 55,000 square feet located on the rail at Michigan Avenue. Amax plant in the industrial park had a 2½ million dollar expansion during 1976 and 1977, giving industrial facilities improvement for 1977. The Butters Avenue entrance to the industrial park now has a new bridge over Coldwater River, 52 feet wide and 50 feet long, which improves the entrance and exit to one of the best industrial parks in the state.

**PLACES OF INTEREST & FACTS OF BRANCH COUNTY -
COLDWATER, MICHIGAN**

In 1833 the name of Lyons was changed to Coldwater, from an old Indian name, "Chuck-sey-ya-bish," meaning cold spring water.

Coldwater was inhabited by the fierce warlike Pottawatomi Indians. Chief Topinabee and his people sold to the whites, in 1821, what is now Branch County.

Coldwater is the junction of the old Indian Trail to Chicago (U. S. 12 and U. S. 27). Sauk Trail marker is located 12 miles west of Coldwater.

Early 19th century homes, many located on East Chicago Street. Coldwater is noted for its beautiful shade trees, of which there are some 7,100, mostly stately maples.

The Tibbits Opera House, S. Hanchett Street, opened in September, 1882, has been restored and during the summer season, many fine plays are scheduled. The Tibbits Opera House has the permanent exhibition of the Lewis Art Collection (1750-1800).

There are 92 lakes in Branch County, all within a 15 minute drive from Coldwater, Michigan. Branch County is the heart of Bluegill and Bass fishing.

DOWNTOWN BETTERMENT ASSOCIATION

In August of 1961 the Coldwater Downtown Betterment Association was organized. The original committee members were:

Clara Keyes
Fred Culy
M. A. McKeith
Robert Horton

Robert Kerr
Richard Holben
Leo Miller
Robert Nagle

Later the Property Owners Division was organized with Robert Lopez, Gerald Hensley and William Milnes, Jr. as the committee.

The first project was to raise \$50,000.00 for free parking in the downtown lots at the rate of \$15,000.00 per year.

The second project came to pass in 1963, when the property owners raised \$26,000.00 for the expansion of two parking lots.

Through the cooperation of our Board of Public Utilities, new street lighting was installed in 1963 in the downtown area.

RES. 278-6564

197 W. CHICAGO ST. —COLDWATER—

COLDWATER, MICHIGAN

The city derives its name from the Indian word "Chuck-sey-ya-bish", meaning cold water.

The first inhabitants of the area were the Potawatomi Indians. Running through their land was the "Chicago Road," which carried many settlers to the West. The presence of these fierce war-like Indians prevented much settlement of the area at first. In 1821 Chief Topinabee sold the vast area of Branch County to the Government. The village then began to grow steadily upon the Indians departure for Kansas in 1840. The growth impetus continued when the railroad arrived here in the 1850's, transporting many emigrants from New York.

The First white settlers here were Abram Bolton and John Morse, who established in 1831 a grand hotel on the "Chicago Road," which was a welcomed sight to the many weary travelers going West. The hotel became as celebrated on the "Chicago Road," as the Palmer in Chicago.

A commission was established to locate the county seat and in 1832 Branch (Near the county airport) was appointed. Branch, having one building at the time, began to grow rapidly. However, its development was short when the legislature in 1842 affixed the county seat at Coldwater.

In the 1850's the big industry in Coldwater was the breeding and training of horses. Over 3000 of these horses were provided for Federal Service during the Civil War.

COLDWATER CENTENNIAL

1961 was a big year in Coldwater for it was February 28, 1961, the year that marked Coldwater's 100th year as an incorporated community.

Coldwater, slated to celebrate its Centennial in a grand fashion in July, inaugurated its year long Centennial observance with a ceremony in the City Council Chambers on the evening of February 28, Mayor Arthur G. Lyon presided and the Reverend William A. Harrington, pastor of the First Baptist Church, offered invocation and the benediction. Coldwater's history was sketched. Prominent Coldwater Citizens in the earlier days were mentioned and the original minutes of the historic session of Coldwater's first council meeting on February 26, 1861, were read. Coldwater's first mayor, Albert Chandler, was honored. Governor John Swainson issued a proclamation proclaiming a statewide observance of February 28, as Coldwater Centennial Day. City officials, representatives of the Centennial Committee, a Boy Scout troop and other interested citizens attended.

Much preparation was necessary to ready Coldwater and its citizens for a year of events and the concentrated week long celebration from July 2-8, a week which many Coldwater natives considered the most cultural, educational and entertaining observance in Coldwater's history.

The first sign of celebration slowly became evident through the increasing number of beards worn by anxious male citizens who could not wait for the official starting date.

A giant organization of hundreds of Coldwater citizens organized and planned the celebration with the entire community participating. The John Rodgers Producing Company was hired to consult and assist committees and direct a giant pageant with a cast which included nearly 500 people.

The Centennial Belles began organizing on May 1, just after the Brothers of the Brush, who held their first organization meeting on April 3. The organization of women and men to dress in the garb of yester-year eventually provided the necessary atmosphere for a celebration to give prominence not only to entertaining events but to the cultural and educational as well.

After tireless work by Coldwater Centennial Committees the citizens were prepared for the week long celebration which finally arrived.

Sunday, July 2, was appropriately named "Faith of Our Fathers Day" selected to launch the week with a religious service at Cardinal Field. Threatening weather forced the service into the Coldwater High School gymnasium. A huge centennial choir with over 200 voices under the direction of Wayne Feller performed.

Earlier a fly-in breakfast welcomed planes from the Tri-State area. St Charles served dinner to hundreds of costumed gals and bearded gents at noontime. Weather held down both attendance and the appearance of many planes.

On Monday the hospitality center opened at the Masonic Temple to welcome all out of town guests, over 2300 of whom were sent special invitations.

The Center remained open from 9:00 AM to 9:00 PM Monday thru Saturday. At noon on Monday the Senior Citizens sponsored a potluck dinner at the Methodist Church and immediately after came the unveiling of a new historical marker in Military Park with special recognition to the City's oldest residents and descendants of Coldwater's pioneer families. The Coldwater Kiwanis Club donated the marker to the City. Present was Mrs. Remna M. Barnes, 99 years old, who was born a year after Coldwater became an incorporated City. Monday was a beautiful day and for the remainder of the week, we were blessed with perfect weather, so necessary for the overall success of the week's festivities.

Dignitaries including Congressman August Johannsen, Representative Frederic Marshall, and Flint's mayor were on hand to see the crowning of Centennial Queen, Joyce Cooper, and the Queen's Ball, with round and square dancing in the street in front of the old Tibbits Opera House to close the festivities for the day.

COLDWATER CENTENNIAL-Continued

Tuesday, July 4th was Young American Day and the giant pageant would have its opening performance in the evening. A Boy Scout Show and Do Fair, a children's pet parade, a watermelon eating contest, go cart racing, bicycle racing and Little League Baseball were all held before dark set in. The pageant "Ten Decades of Destiny" drew a capacity audience of 1500 persons its first performance night. The magnificent lighting, staging, costuming and performance insured attendance success for the remaining four performances. Coldwater's colorful history was unfolded in good fashion with the giant production truly living up to its pre-centennial hopes. Professionally produced and a "spectacular" in every sense of the word, "The Story of Coldwater" starting with the Indians and the first settlers of the village, was told in 20 episodes and provided 90 minutes of gaiety, tragedy, comedy and dancing.

The stage was as large as a football field and had 300 feet of scenery. Rehearsals began in early June to prepare for the giant pageant.

The highlight, from the cultural aspect, was the Coldwater Reporter's successive articles honoring Coldwater's authors of the past. This was made possible through the efforts of the Coldwater Public Library who culminating this feature with a tea on Wednesday honoring the authors of Coldwater during the past ten decades.

Other events, including judging of authentic, original and family groups, special luncheons, and various group gatherings, were a part of the days activities. A costume judging contest was very well participated in and was held as a pre-pageant ceremony which was for the second night, a near sellout.

Centennial Farm plaques were presented at the pre-pageant ceremonies on Friday, another successful pageant from the performance and attendance standpoint. Downtown Coldwater was crowded for the second Friday night with the Kangaroo Court and Keystone Cops throwing non-bearded, out of uniform or other offenders, behind bars for not obeying centennial regulations.

The seven day observance of the City's 100th birthday reached a colorful climax Saturday when upwards to 20,000 persons jammed the downtown area to watch a giant parade. The crowd, believed to be the largest ever assembled in Coldwater for a single event, packed both sides of Chicago Street for seven blocks, witnessing a procession which took 75 minutes to pass.

Many of the units continued on to Coldwater State Home to be viewed by the children there. Centennial Queen, Joyce Cooper, and member of her court rode on a float provided by the Industrial Division of the Chamber of Commerce. The lead car for the parade included Mayor Arthur Lyon, Senator John P. Smeekens of Coldwater (who had just returned from Berlin), Chamber of Commerce President, Harold Smith and the Centennial General Chairman, C. J. Medendorp.

Karen Jean Southway of Wyoming, the newly crowned Miss Michigan, made her first public appearance since her crowning only two days prior and Michigan Dairy Princess, Marjorie Mueller, of Saginaw also rode in open convertibles.

The largest crowd of the week closed out the festivities at the pageant with both Miss Michigan and the Michigan Dairy Princess in attendance.

The activities by the many organized Chapters of Centennial Belles and Brothers of the Brush are too numerous to mention but were contributing factors in the financial success of the pageant. To close the year of festivities, a time capsule containing data and mementos relating to the year's Greater Coldwater Centennial observance was buried in a ceremony, in the northwest portion of the downtown park area. A marker placed beside the Capsule directs that it be unearthed 50 years hence on February 27, 2011. The "burial" marked the last official act of the Greater Coldwater Centennial Commission.

Citizens of Coldwater willingly underwrote the initial expense of the celebration in the amount of \$1,000 and were reimbursed all of their money through the profits received. All profits were donated to the Coldwater Student Loan Foundation and the Tibbits Opera House Fund.

To leave out many of the names of Coldwater Citizens who played the role of success for the celebration seems to be unfair but the City is forever grateful to them.

1961, a year of celebration, was one never to be equaled in Coldwater for some time to come.

TIBBITS OPERA HOUSE

The Tibbits Opera House opened in 1882, when Coldwater was still a city with unpaved streets. Because there were no telephones and no automobiles, crowds had to come by carriage and by train, and the only method of advertising the Tibbits' offerings was word-of-mouth.

However, word spread and the excitement was contagious. Coldwater was one of the few places in this nation, then quite young, which had a social and cultural center. It was also the only place that could boast an Opera House "second to none."

The theatre boasted timeless architecture, excellent acoustics, splendid furnishings and only the finest of entertainment. Otis Skinner, John Philip Sousa and his band, DeWolfe Hopper in "Tang" with comedian Mack Sennett in the chorus, Field's Minstrels, Norman Hackett, Ethel Barrymore, and many, many others played the Tibbits Opera House.

Barton Smith Tibbits built his opera house with wisdom and vision and after his death, Joseph Henning carried on the rich traditions that Tibbits had established. The aim was high, and due to the nature of the house, the enthusiasm of a populace hungry for entertainment, and the foresight and taste of Tibbits and Henning, the theatre was an unqualified success.

Since the early days of the Tibbits, many attractions have been presented. In fact, for a short time, the Opera House was turned into a motion picture theatre, catering principally to the small fry of the community with serials and Saturday afternoon matinees.

Since the theatre reopened in late 1963, since the renovation of the theatre has been undertaken, a great many of the world's most famous theatrical personages have performed for Coldwater

OUR COMMUNITY

Fascinating, indeed, is the Branch County area, centered around the progressive little city of Coldwater. Although it has just under 10,000 population, it is now known as the fastest growing area in South Central Michigan! Coldwater was incorporated 113 years ago. Over this span of years, it has grown slowly, but steadily, and now has accelerating development, offering a desirable economy within environmental control.

Our countryside offers more than two hundred beautiful lakes and streams, with picturesque landscape, dotted with residential suburban grandeur, pleasing to the eye.

A good year-round place to live, work and play, recreational opportunities abound at our many lakes and parks throughout the county. You have a standing invitation to join our many thousands of visitors that view our scenic Branch County all through the four seasons every year.

Here is where sportsmen enjoy great fishing... hunting deer, pheasant cottontail... where each year there are more out-of-state fishing licenses sold than any other county in the State of Michigan... where resorts and vacation housing facilities are booked ahead, in some cases, for several months.

You may be struck with awe on a winter's fresh, crisp, sunny morning after a Michigan snow storm, to behold the white, sparkling beauty of mother nature; or be pleased with a warm summer day, as cool fresh breezes greet you in a shady nook of your favorite lake retreat. All these things are possible in the former land of the Potawatomi Indians where head waters of the St. Joe Valley forms a river (the "red man" called it Chuck-sey-ya-bish) crossing the old Chicago trail near the Indian trading post. We are all proud that this area today is referred to as the "Gem of Michigan".

The beautiful scenic Coldwater Country Club 18 hole golf course, is located on the banks of the historic waterway leading to Lake Michigan. Club officials have been informed by some high ranking professionals that they rate this golf course as one of the best in the Middle West. It is complimented by three other very fine nine hole courses within a few minutes drive.

It is no wonder that the many new incoming industries and their officials are attracted by the environmental climate that give their employees a better and more meaningful life. The Coldwater area has about 55 diversified industries, big and small, that help to give our community a steady and healthy economy. The so-called "slow-down in the economy in 1970" turned out to be one of Branch County's best years, with three major industries coming into the area, and our four financial institutions increased their deposits over six million dollars. More than twenty new commercial and industrial buildings were under construction with the city limits of Coldwater during the slow-down period and the construction has continued at a satisfactory pace in 1971-77. The city has one of the 19 outstate certified Class A Industrial Parks and is growing rapidly, with a community sponsored shell building program, that has helped in the recognition of our area.

Our largest employer is the Coldwater State Home and Training School, with a year-round employment of over 1,000. Two of our oldest industries, a foundry and shoe company, employ 500 and 300 respectively. An automotive bearing distribution center employs 400 and many small diversified industries are located here. 1973-4-5-6 has shown further growth development with population going over the 10,000 mark with in city limits of Coldwater. One new industry in 1976, Riverside Mfg. Co. now employing over 400 people, also 1976 was the start up of 2 other industries.

Social and cultural activities center around Coldwater's historical Tibbits Opera House, built in 1882. Recently, this well-known old building, famous for its near perfect acoustics, has been completely restored through the efforts of a dedicated community, determined to keep alive the traditional high quality and programming of "the finest in the land", the dream of its founder. The interior walls are graced with paintings from the famous "Lewis Art Collection". The Tibbits Foundation sponsors professional summer stock plays, community winter concerts, Branch County Arts Council, Coldwater Community Theatre, civic and service club programs, according to the availability of the theatre.

Through public subscription & Federal grants a new Olympic swimming pool & 8 new tennis courts were built in 1976 next to the Little League diamonds.

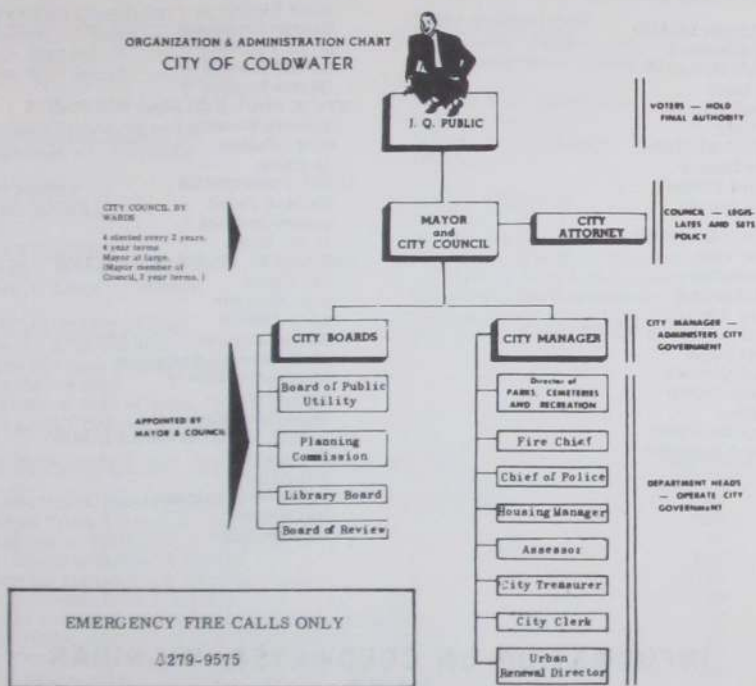

Some of our local pride must be given to the Health Center of Branch County, as they have just completed a three million dollar hospital expansion, that gives our area one of the best modern medical facilities in the central west. Also, we have an outstanding Coldwater Community School District, comprising of one senior high, junior high and seven elementary schools, with the system enrollment of about 4,500 pupils. Our citizens show additional pride in supporting various denominations of about 60 churches in Branch County where you are welcome as a visitor, to attend the church of your choice.

From small acorns come great trees and in 1888 a small electric light plant was started and today the Coldwater Board of Public Utilities can produce 16625 KW. They also have a tie-in of 5000 KW with the Consumers Power Company. This company furnishes power and service for most of Branch County outside the city and is available for Coldwater industrial expansion whenever needed.

In this day and age of inflation and expansion, it is interesting to note, that Branch County tax roll fifty years ago was \$25,289,220 and today the state equalization county tax roll is now in excess of \$200,000,000. Also, it is interesting to know, fifty years ago our most desirable lake lots sold from \$50 to \$100 and today they are in excess of \$10,000. So this leads us to believe that an investment in Branch County real estate not only assures the investor good reasonable security, but an opportunity to live in an area of clean air and water, free of radical violence occurring in our larger cities. We welcome you to come or remain in "The Land of Hospitality"

YOUTH FOR UNDERSTANDING IN COLDWATER

FRANK GURGEL

EVA BOWALL

Eva Bowall of Helsingborg, Sweden and Frank Gurgel of Recife, Brazil are typical of the many young people that have represented their countries in Coldwater, U. S. A. under the Youth For Understanding program (YFU).

Eva was an exchange student at Coldwater High School and spent one year with the Paul Meredith family and Frank Gurgel was a six month Coldwater High School student and spent his time here with the Dwayne Huff family during the past year.

Since 1965 when Coldwater became fully involved in the program over 70 students have become a part of the Youth For Understanding family here. It was then that Bill and Phyllis McMillan had their first exchange student and they started to become involved in the placing of foreign students in the Coldwater area. They since have become area representatives and supervise other committeemen in the Battle Creek-Jackson-Coldwater Region for YFU.

Mr. and Mrs. C. J. Medendorp are now committeeman for Coldwater and place students with Coldwater families. This placement of foreign students has been an exciting happening in Coldwater and along with its Sister City program has made this community a truly International City.

Youth For Understanding is a non-profit educational organization which cooperates with and receives a grant from the U. S. Department of State. Youth For Understanding is dedicated to fostering greater international understanding by making it possible to have an oversea living experience. Through the efforts of the Coldwater Kiwanis Club two scholarships to qualified Coldwater High School students have been given yearly since 1971. They have cooperated with YFU and have made it possible for 13 local students to study for one year in a foreign land or go to a foreign country under the YFU summer program. The Following Coldwater students have won Kiwanis Scholarships:

Catherine Frohnafel - Germany	Ann Biringler - Germany	Timothy Meyer - Argentina
David Odren - South America	David Martin - South America	Denise Dorr - Japan
Karen Severn - South America	Craig Ashton - South America	Thomas Hale - Germany
Maggie Mahaffey - Germany	Stephen Bridges - Germany	Nancy Price - Germany
		Janet Wyss - Switzerland

SISTER CITY RELATIONSHIP WITH SOLTAU, WEST GERMANY GROWS

Soltau, West Germany's Hunting Horn Group is seen performing in the City Park on Marshall & Chicago streets before a large gathering of people during their visit here in July 1977. They also played at various other business district locations for Coldwaters listening enjoyment.

A "Hunting Horn Music Group" comprising of 15 musicians were visitors from Soltau, West Germany, Coldwater's Sister City during the summer of 1977. They, along with 17 other Soltau citizens, stayed in host families homes in and around Coldwater for two weeks.

Thirty Coldwater citizens visited Soltau during the month of May so the relationship between the two cities is continuing and being strengthened by the friendships resulting from these visits.

Coldwater Cardinal bumper stickers are a common sight in Soltau bumper stickers and big "D" for Deutschland are seen on many Coldwater cars. Since 1970 when then Mayor George Henderson initiated the Sister City relationship with the now former Burgermeister Hartwig Lindloff of Soltau nearly 400 persons have exchanged between the two cities. An ever increasing number of individuals and couples have made Soltau and Coldwater their home away from home since that time.

Former Mayor Henderson now acts as a Sister City International Board member with prominent large city persons thru out the U. S. A. Former Coldwater Sister City Chairman Casey Medendorp is now a Michigan State Chairman for Sister City International (SCI). Bob Lyman is now Coldwater Chairman and heads up the local committee comprising of he and Mrs. Lyman, Mr. and Mrs. George Henderson, Mr. and Mrs. Casey Medendorp, Mr. and Mrs. Richard Fischer, Mr. and Mrs. Dennis Holcomb, Mr. and Mrs. George Hosek and Mr. and Mrs. Kenneth Miller. Herr Heinrich Minor has been Soltau's Chairman from the beginning. Ray Mulcahey was Coldwater's first Chairman until his death in 1971.

The City of Coldwater, the City of Soltau, the two newspapers, the Coldwater Daily Reporter and the Soltau Zeitung and Coldwater's Radio Station WTVB continue to contribute to the success of the program. The Coldwater Reporter recognizing the value of the program to its readers sent Kathleen Tarr with the Coldwater group in 1977 and a series of articles and pictures appeared in the Reporter for a one week run upon her return.

Because of Coldwater's success other nearby communities have also become interested in the Sister City Program and have received assistance in obtaining a Sister City through Henderson and Medendorp's affiliation with SCI. They are Hillsdale, Mendon and Bronson in Michigan and Angola, Indiana. It is hoped that they too may enjoy the warmth and hospitality enjoyed by the Coldwater community and over 600 other cities in the United States with 76 foreign nations.

COLDWATER COMMUNITY SCHOOLS

The Coldwater Community School District consists of some 154 square miles and includes Kindergarten through adult programs. The programs serve 4,250 Kindergarten through twelfth grade and about 160 full-time adult students with over 200 fully certified teachers. The district has a state equalized valuation of over \$125,000,000. The seven Board of Education members meet the second and fourth Monday of each month in public meetings to transact school business. The board meetings are held in the central administration building located at 15 East Washington Street, Coldwater, Michigan. The budget for the 1977-78 year will exceed \$5,000,000 and will provide for additional special services beyond the regular Kindergarten through grade twelve program such as: Special Education, Adult Education, Reading Improvement Program, School Lunch and student activities. The district also works together with the Branch Intermediate School District in operating the Branch Area Career Center and other special programs of instruction. The appraised valuation of buildings and equipment is reappraised yearly and amounts to over \$17,100,000 in 1977 replacement costs.

QUINCY, MICHIGAN

The area of Quincy was originally heavily timbered in the northern and southern parts. However, the village itself was a prairie of several acres. The soil is of excellent quality which accounted for the fact that it ranked first in farm in Branch County.

Horris Willson was the first settler in the village. In 1830 he purchased 320 acres of land on the old Indian road, later known as the "Chicago Turnpike." Being a carpenter, he built a log house, which was opened as a tavern.

In 1832 James Corbus came to the area to help construct the Bronson Prairie section of the "Chicago Turnpike." He then purchased land in Quincy township and proceeded to build the first frame house in 1834, which he also opened as a tavern. It has been stated that there were thirty-three taverns between Quincy and Sturgis at this time, indicating the tremendous westward migration. Again when the workmen came to construct the Lake Shore Railroad in 1850, the village of Quincy became a beehive of activity.

The tremendous amount of wild game, deer and wild honey which abounded in the area, sustained the new settlers until farming became a major industry here. These valuable assets all contributed to the settling of the present day community of Quincy.

Population-1600 Elevation 1000 ft. above sea level.

All it takes is just a minute when you've got a question about savings rates, loan interest, the difference in checking accounts or multiple service plans.

We'll give you quick, plain, honest answers.
JUST ASK US.®

ask and you shall receive

Maybe not the world.
But certainly the very best financial help and advice that money can't buy.

"NOTES"

COLDWATER, MICHIGAN

STREET GUIDE

In the following list the streets are arranged in alphabetical order with the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the names of the occupants followed by the symbol @ and the telephone number. All Coldwater telephone numbers are preceded by the prefix 27.

The symbol @ indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be assumed, nor can the publisher furnish further information than that shown.

Note the letter and number below the street name. This is the map key and is used to locate the street on the city map.

The zip code for Coldwater is 49036.

HOLIDAYS IN 1977

The U.S. Congress has declared nine federal legal public holidays: New Year's Day, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day and Christmas Day. Since January 1, 1971, five of these have been observed on Mondays: Washington's Birthday (third Monday in February), Memorial Day (last Monday in May), Labor Day (first Monday in September), Columbus Day (second Monday in October), and Veterans Day (fourth Monday in October). All of these days are officially observed in Washington D. C., and by federal agencies everywhere. Many states have passed legislation to the same effect.

TELEPHONE NUMBERS

This is a complimentary service in connection with your City Directory. The publisher was very careful in using these numbers but does not assume any responsibility in case of error. Since telephone numbers change rapidly, it is suggested that persons using this list refer to the latest edition of the regular telephone directory issued by the local telephone company in order to verify the information contained herein.

All Quincy telephone numbers are preceded by the prefix 639.

QUINCY, MICHIGAN

STREET GUIDE

In the following list the streets are arranged in alphabetical order with the intersecting streets being shown. The number of each building on the street is given in numerical order and, opposite the number is placed the names of the occupants followed by the symbol Δ and the telephone number. All Quincy telephone numbers are preceded by the prefix 639.

The symbol @ indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished nor the complete absence of mistakes, no responsibility for errors can be assumed, nor can the publisher furnish further information than that shown.

Note the letter and number below the street name; this is the map key and is used to locate the street on the city map.

The zip code for Quincy is 49082.
