## COLDWATER IN HISTORY

**J**UST WHO were the earliest inhabitants of this locality no one assumes to say, although there appears to be evidence that the Mound Builders, perhaps descendants of the Aztecs, preceded the "noble red man." Be that as it may, it seems certain that the fierce and warlike Potawatomi Indians were, as early as 1721, undisputed lords of the St. Joseph Valley, which included Branch County and Coldwater Prairie.

Previous to that, Fr. Marquette, the zealous French Priest, had discovered the mouth of the St. Joseph, in 1673; and in 1679 LaSalle built a fort there—only 75 miles from Coldwater, as the crow flies.

Until 1763 France held nominal rule over all the region from Quebec to New Orleans; but in that year, when a treaty of peace terminated a war between that country and England, the latter was given Canada and Michigan. It was in this year that the Potawatomies massacred the garrison at St. Joseph.

At the close of the Revolutionary war England yielded Michigan to the United States, and in 1787 it became part of the Northwest Territory, which extended from the Ohio River to the St. Lawrence and from the Mississippi to Pennsylvania.

In 1796 the British surrendered Detroit and other posts to the United States, and Gov. St. Clair proclaimed the County of Wayne, which extended from the Cuyahoga River in Ohio to the Mississippi and northwest to Lake Superior, including of course the present County of Branch (then called the Township of Green) and the entire St. Joseph Valley. In 1800 this locality became a part of Indiana, but in 1805 the Territory of Michigan was formed, with Gen. Wm. Hall as governor.

In 1812 England again came into control of Michigan and secured the help of the Potawatomies, who massacred the garrison at Fort Dearborn (now Chicago) and killed every American possible, helped by Tecumseh and his Shawnee braves, but at the close of the war the British of course abdicated.

Our predecessors here, the Potawatomies, lost heart after the death of Tecumseh in 1813, concluding that it was a hopeless task to attempt to stem the tide of the coming whites, and never again gave serious trouble, though their presence here retarded settlement and caused pioneers to hasten on to localities less populous with Indians.

A very old geography, published in 1814, in possession of the publisher of this Directory, gives the white population of the entire state of Michigan at 4,762.

It was in 1821 that Chief Topinabee and his people sold to the whites what is now Branch County, and a vast area besides, though they still continued to occupy it as before, on reservations, one of which was six miles square, called Mikkesawbee, in Coldwater and Quincy Townships. However, they roamed everywhere, to hunt and fish as they chose, in a veritable red man's paradise; the woods abounded in deer, wild turkey, pigeons, squirrels and other game, while the lakes and streams swarmed with fish. The deed conveying this land to the government was signed by Topinabee, followed by Wawenickemack, Mayonehemon, Atehwemuckquee, and many others.

The present city of Coldwater occupies part of what was then a beautiful prairie, some three miles long from east to west and a mile or so wide. It was dotted with oaks, with an occasional elm, while bordering it were magnificent forests of beech, maple, walnut, whitewood, elm, oak and other trees, interspersed with many streams and some ninety or more lakes, large and small, in what is now Branch County.

MAYORS OF COLDWATER

The following abstract of the noteworthy events of the past 118 years will be found valuable as a matter of reference:

1822—Joseph Godfrey established a trading post to barter with the Coldwater Prairie Indians. A little later one Marantette conducted another where Oak Grove Cemetery is now located.

1825—The government ordered a 100-ft. highway made from Detroit to Chicago, but it proved far too expensive and was abandoned in favor of an old Indian trail through Coldwater (the present Chicago road) which explains the tortuous windings of that thoroughfare today, even though it has been considerably straightened during the 120 years that have passed.

1829—Branch County was laid out and so named by the Territorial Legislature: it was first attached to Lenawee County and later to St. Joseph. During this year A. F. Bolton bought a tract of land where Masonville was afterward located, east of the present cemetery bridge. The county was named in honor of John Branch of North Carolina, President Jackson's Secretary of the Navy.

1830—Hugh Campbell erected the first (log) house on the present site of the Masonic Temple. The county had 50 whites at this time. Stages began running between Detroit and Chicago, supplanting the horseback mail service. Entire county tax, \$7.36.

1831—Allen Tibbits and Joseph Hanchett platted a village here calling it Lyons: according to present streets it ran from Jefferson to Monroe and from Church to Washington. In July Mr. Tibbits preached the first sermon here. A. F. Boldon erected the first frame building in the county, a hotel at Masonville; landlord, Harvey Warner. Branch was made the county seat in place of Masonville, which held that honor a few weeks; Branch then had one log house. Coldwater postoffice was at Masonville.

1832—Chicago road build. Oriental Hotel erected by John Morse. Peter Martin built a sawmill at the junction of Davison and Clay Streets. Cynthia Gloyd taught the first school, with nine pupils. Silas A. Holbrook established the first store. M. E. Church founded by Rev. E. H. Pileher, circuit rider, with five members: Allen Tibbits and wife, Joseph Hanchett and wife, and Amelia Harrison.

1833—The name of the town was changed to Coldwater, from the Indian "chucksey-ya-bish" or cold water. Branch County, as such began its separate existence, March 1: it had previously been attached to St. Joseph County. First Sheriff, Wm. McCarty; clerk, Wales Adams; treasurer and register of deeds, Seth Dunham; probate judge, Peter Martin.

1834—The "old red schoolhouse" was erected at the corner of Pearl and Hudson Streets.

1835—The village of Masonville was platted on the east bank of the Coldwater River and aspired to be the county seat again. Here Roland Root and Wabskoee Marsh bartered with the Indians. Coldwater Baptist Church organized with sixteen members.

1836—Methodists build a church. The village had a dozen houses.

1837—The village was incorporated, the first "town meeting" being held on the 1st of May of that year; the population of the entire township was 900. Branch County had 4,916 people, about as many as the entire state 23 years earlier. Francis Smith, Thos. Daugherty and Wm. B. Sprague erected a mill on the later site of the "A" mill; it was burned in 1858 and rebuilt in 1859. Dr. I. P. Alger at this time found 33 taverns between Quincy and Sturgis, indicating the tremendous westward emigration through here at that time. A terrible year for malarial troubles; one historian declares that 32 out of 149 people of the little village died that fall. The cause was said to be the Clay Street milldam, built in 1832. A body of angry

citizens destroyed it. July 18, Coldwater's first newspaper, the Observer, was issued. Presbyterian Church organized with sixteen members. Log court-houses and jail (30 feet square) built at Branch, the county seat. Michigan was admitted to the Union as a State.

1838—Extremely hard times, caused by "wildcat" inflation. Bounty on wolves, \$5 each.

1839—Schoolhouse erected at the corner of Pearl and Clay Streets. A county poor-farm was purchased at Branch; present county farm purchased April 1, 1861. Kakotomo murdered Sauauquett, the Potawatomi chief.

1840—The last of the Potawatomi Indians, except a few stragglers, were removed to the far west.

1841—Albert Chandler founded the Coldwater Sentinel. Total count vote, 1,015.

1842—March 1, Coldwater became the permanent county seat, supplanting the village of Branch and blasting Masonville's hopes. July 4, Grand double celebration, Sunday-school and "old way."

1844—Prof. Sweet organized Coldwater's first band. The Baptists built a church where the Old Bank building now stands; it is the present Gage building, 30-32 South Monroe Street. The Presbyterians also erected a house of worship; it was sold in 1868 to the Lutherans and moved to its present location on South Jefferson Street. Benjamin H. Parker of Batavia was killed by John White, who mistook him for a deer, those animals, with wolves, bears, etc., being still plentiful.

1845—One Robinson was robbed of \$1,500 in gold and silver in a Coldwater tavern.

1846—The first jail (in Coldwater) was erected. Spring election voted against liquor selling. Nov. 30, American Hotel burned. Henry Lambers, a machinist, fell heir to \$670,000.

1847—The county voted to build a brick court-house; majority, 27, the same figure by which the proposition to build the present one carried, 40 years later. In this year (Apr. 1) a Masonic lodge was established. The Coldwater Guards were organized with S. T. F. Bullard captain; also the Branch County Agricultural Society, with L. D. Crippen president, Wm. B. Sprague vice-president, F. V. Smith secretary, and Geo. A. Coe treasurer. The "old white schoolhouse" was erected on the present site of the Washington school, also a steam flouring mill on the corner of Jefferson and Pearl Sts.

1848—First brick court-house, also a \$500 poorhouse. St. Mark's Episcopal Church founded.

1849—July 4, Large quantity of cloth stolen from E. Butterworth's fulling mill, near the river. Nov. 6, Telegraph line reached here. St. Charles' Catholic Church founded.

1850—June 10, County treasurer's office robbed of \$1,400. Dec. 10, First railroad train reached here. Wesleyan Church established with six members.

1851—County's horse fame began with A. C. Fisk's purchase of Green Mountain Black Hawk for \$1,500; later he sold Mambrino Chief for \$12,000. March 1, Six stores, the Eagle Hotel and several other buildings burned; loss \$15,000. Nov. 17, School commenced in the brick (or Third Ward) Schoolhouse with L. R. Austin principal. Nov. 22, Eight stores and one dwelling burned; loss, \$12,000. These two fires consumed half the business section. The town had 379 houses.

1852—Oct. 7-8, First county fair held. Wesleyan Church erected.

1854—March 21, Another disastrous fire caused the Village Board to prohibit the erection of frame buildings from Clay Street to the parks. Oak Grove Cemetery

Views in Waterworks Park

was established. Coldwater had two earlier cemeteries: one was at Masonville, on west Chicago St., now a cultivated field; the other on Morse Street, which contains tombstones recording burials from 1835 to 1857.

1855—Southern Michigan Hotel built—"finest in Michigan." It occupied the site of the old Eagle Hotel, burned in 1851.

1856—Aug. 26, First Fire company organized, with Clinton B. Fisk as foreman. "Excelsior" hand engine put into use.

1857—Corner-stone of old Episcopal Church laid; completed in 1862; rebuilt and enlarged in 1866.

1859—June 7, The Catholic Church was blown up with gunpowder.

1860—Present Catholic Church erected (remodeled later). Sept. 8, Capt. "Jack" Wilson, aged 38, went down in Lake Michigan with his ship, the Lady Elgin, and 300 passengers; his body was recovered and now lies in Oak Grove Cemetery.

1861—Feb. 28, Coldwater became an incorporated city. Fort Sumter was fired upon April 11, and the 29th Capt. Ebenezer Butterworth and 145 of his Zouave Cadets left for war; the Coldwater Light Artillery (afterward called Loomis' Battery) left April 30 with six brass cannons and 120 men, only 49 of whom returned three years later. Capt. Ebenezer Butterworth was wounded, July 21, at Bull Run and died in a Rebel Hospital Aug. 17. St. Paul's Lutheran Church organized. Old Central schoolhouse erected.

1861-5—Many Coldwater men (and boys) leaving from time to time to serve in the Federal ranks, according to the records the number from Branch County reached over 2,700, of whom about 500 were from this city; over 3,000 horses were bought here for use in the Federal service.

**THE AMERICAN CREED**

I believe in the United States of America as a government of the people, by the people, for the consent of the governed, a democracy in a Republic a Sovereign Nation of many Sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its constitution, principles of freedom, equality, justice, and to obey its laws; to respect its FLAG, and to defend it against all enemies.

## There Is No Substitute For Butter

Butter is the most nourishing and most necessary fat we have, especially essential to the growth of children.

Scientists have recently discovered that one (1) pound of butter contains 7 times as much vaccenic acid as one (1) pound of lard, which promotes growth in children.

There is a small amount of vaccenic acid in meats, none in vegetables or vegetable oils.

## THE TELEPHONE

### "A GOOD-NEIGHBOR CREED"

A good party line neighbor thinks of it this way: "Somebody else on my line may be waiting to make a call, so I won't take any longer than I have to. When the line is in use and I'm waiting my turn, I won't interrupt. I will never allow our children to play with the telephone and when I finish a call, I'll make sure I've hung up promptly, because if one instrument is left 'of the hook' it puts all the telephones on the line out of service."
