NOW IT IS TIME TO SHARE THE MEMORIES FROM EARLIER SHOWS
COLDWATER ROTARY SHOW HISTORY

The first Rotary Minstrel show was performed in 1935 at the Tibbits Theatre. Rotary wives were part of the show along with other community acts. The show profits were used to help fund a Crippled Childrens project.

"ROTARY MINSTREL SHOW SCORES A HIT" is how Seton Bovee of the Daily Reporter writes in the February 2nd, 1937 issue about last nights two-night stand before capacity audience at Tibbits. He stated the production offered everything from comedy to soul- stirring ballads. Again, as in 1935, Rotary wives were in the show. Mr. Bovees article states that then Tibbits could accommodate 750 patrons. The profits from this show were used to help raise money for new uniforms for the High School band.

The shows resumed in 1956 when Maurice Payne, the AAA insurance man in Coldwater, decided to revive the Rotary Minstrel show. Wives were no longer a part of the show but non-Rotarians participated in some acts. The show was held at Coldwater High School Roosevelt Auditorium and was directed by Mr. Payne. From the time the 1937 show was at Tibbits the building had gone downhill to the point it could no longer be used for this type of entertainment. The 1957 show also was at Roosevelt Auditorium and was directed by Ed Holtz, a partner at the Kiess Jewelry store.

In 1958 the show could return to Tibbits as some restoration had taken place. Rotary members helped with the project as well as Coldwater Sweet Adelines. Mr. Holtz directed the show as well as the 1959 show which was dedicated to Maurice Payne who had passed away August 25, 1958

In 1960 Rotary could find no one to direct the show because Mr. Holtz had gone to Wisconsin for other employment.

In 1961 Mr. Holtz returned to Coldwater and the show resumed at Tibbits, directed by him. The 1962 and 1963 shows were directed by Mr. Holtz, but we were back to the Roosevelt Auditorium because extensive repairs were being done at Tibbits. Shows resumed at Tibbits in 1964 and have been there since.

Duke Davidson, general manager at the Daily Reporter, directed his first show in 1964. Called the Naughty-Naughty Nineties, this was the first of nine more years he would direct a Rotary show. It was the first show that the end men were no longer "black-faced". Club members had become aware of the negative reaction by the Coldwater Ministerial Association.

In 1969 club members decided another show was too much work and decided to sponsor the Wayne King orchestra for one evening. On Monday, May 5th the group performed to full houses at 7:30PM and 9:30PM. Profits were for the Coldwater Little League.

In 1973 club members decided sponsoring shows was more fun than selling tickets to an out-of-town attraction and Duke was director again.

John Dean, local realtor and insurance company owner, directed his first show in 1972 and would direct five more as he and Duke traded back and forth for the next few years. John's son Gregg directed the 1999 show.

Jerry Towns, Southern Michigan Bank president, directed his first show in 1977 and would do five more shows.

It is interesting to know the show directors have all been club members and come from all walks of life and were leading businessmen in Branch County. The shows are entirely produced by Noon Rotary club members who devote many hours in rehearsal practice, stage construction and skit props.

Recognition should be given to the members who labor backstage, and the ushers and skit writers. In this regard we mention Santford Jolley who has helped design the back drops for the past 45 shows. Jim Lyon has worked backstage for 34 shows.

A refreshing feature in Rotary shows has been the gags and comedy throughout the production. Whether poking fun at local officials, area news events or themselves, audiences enjoy it because all is done with local humor in mind. Tops among skit writers has been Dave Pierce and Terry O'Connell who have masterminded skits in 16 and 22 shows respectively.

History of the shows would not be complete without honoring Waive Wardwell who is appearing as show organist for her eighteenth time, the first in 1985. Would she have known when in the 1956 show, appearing in a four women group, "Michigan Belles", what her future part she would have years later in these annual shows?

Sit back and have fun as we give you 49 years of memories.

ON WITH THE SHOW!

Coldwater Community Welcomes New Orthopedic Surgeon

The Family Practice and Orthopedic Care Center, the office of Drs. Yanni Chen and Richard J. Hartman, Jr. expanded its practice with the recent addition of Christina M. Sheely, D.O., orthopedic surgeon. Dr. Sheely, who is board eligible, joined the practice in July of this year after completing her residency at St. Joseph's Health Center in Warren, Ohio, an affiliate of the University of Pittsburgh Medical Center. Dr. Sheely received her Bachelor of Science degree in kinesiology at the University of North Texas Health Science Center in Ft. Worth, then completed both her internship and orthopedic surgery residency in Ohio.

Dr. Sheely joins an elite group of orthopedic surgeons as only 2% of orthopedists are female. She is a member of the American Osteopathic Association, the American Academy of Orthopedic Surgeons, the American Osteopathic Academy of Orthopedic Surgeons, and the Anthroscopy Association of North America. The main focus of her practice is trauma, sports medicine and arthroscopic procedures on knees and shoulders. Dr. Sheely utilizes the same technology and technique as Dr. Hartman when performing total knee replacements - computer-assisted, mini-incision approach with the zirconium oxide "long-life" knee.

Dr. Sheely has now made her home in Coldwater along with her husband, two sons and three dogs.

A new facility for the expanding practice is under construction at the site directly south of Coldwater Cinema, 410 North Willowbrook Road, which should be finished by early 2005. At the current time, Dr. Sheely is accepting new patients at the practice's current site in the Health Specialties Building, Suite L, 360 East Chicago St. We know the community joins Drs. Chen and Hartman and their entire staff in welcoming Dr. Sheely to the Coldwater area.

INTERMISSION REFRESHMENTS

SERVED BY THE INTERACT CLUB IN THE BASEMENT OF THE THEATRE.

DONATIONS APPRECIATED

INTERACT CLUB of **Coldwater High School (www.coldwater.k12.mi.us/interact)**

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, we have participated in the State's Adopt-A-Highway Program, cleaning up a section of I-69. Many Interactors are involved in an after-school tutoring program run by Legg Middle School. Over !T†of our members are also involved in a mentoring program at Legg Middle School or a mentoring program established by Big Brother/Big Sisters at Max Larsen Elementary School and Lincoln Elementary School. In conjunction with the Jaycee's we organized this past year's Christmas in Coldwater food drive in the High School and this year we contributed 1,184 lbs. of food to needy families in Coldwater. We also adopted four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are a sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, an over 45 Interact members helped in the construction of Kid's Kingdom a few years ago.

At C.H.S. we have given out over $9,000 in scholarships over the past 12 years to needy students, helped to purchase the new sound system for Cardinal Field, and the "Cardinal" on center court of the gymnasium was Interacts contribution to our school. We also spruce up the high school grounds getting C.H.S. ready for graduation. Interact members work concession stands and put on dances to help raise the money needed to fund our various activities

One of the truly great projects that we initiated when we started as a club was to invite all the new Exchange Students to be a part of our organization. This has given many of them more of an opportunity to interact with American students as well as expanding their circle of friends considerably. This helps to give them more activities to participate in while they are here in this country.

Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all there help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!
