Library Branch or Department: They are doing a good job getting lots of Large Print Books. I'm having a hard time reading regular print unless it's real dark print.

Library Branch or Department: ORGANIZING. Can the library please go back to organizing books by category -- mystery western -- Sci-fi -- romance -- . . . It is so hard to find something to read now that all the books are alphabetical. I know this was done years ago.. but I switched to Kindle so I can find books by category.. I prefer real books.. but I don't have time to sift through all the books to find my genre
