Sarah is an incredible librarian. So grateful for story time. She really loves the kids. It was also fun to watch her work with other visitors. She has incredible patience and efficiency.

Children's place is amazing. This is truly the best library I have ever been to. The librarians love the children. They know their names and try to inspire each one to learn. When the librarians order books, plan activities, or come up with lessons they think about the children who come. I am so grateful for this library.

Great place to read and write! Staff is very helpful and friendly, but the only issue would probably be their parking lot capacity. Sometimes a bit too crowded, but people will find a spot around. Other than that, library is great!
