

The Public Services Committee met on February 19, 2025 at 4pm.

Trustees Present: Susie Brooks, Bob Hostetler

Others Present: Kimberly Feltner, John Rucker, Jessica Tefft

The Committee met to discuss proposals for changes to the [Code of Conduct Policy](#) based on feedback from BDL staff. The Committee's recommended change is sufficiently major that markup of the changes is not shown for readability's sake. It is recommended that the Board examine the two documents side by side.
