Thank you so much for the many programs Tanner
(Gwynne) has been able to attend. The library has
become one of his favorite places! He even wants
to visit ours in Bodake - and we don't have nearly
what you offer. But we are pleased to know books
are so important to him, as they are to us. We always
have a book to read. They nourish the imagination!

On behalf of Tanner, Lizard Jeremy and us.

THANK YOU
